## Compact Courier Series

Lowepro's smallest bag: the perfect fit for your compact system camera.

Introducing the new Compact Courier Series

The small and elegant design of a compact system camera deserves the same of its carrying solution. The Compact Courier series from Lowepro provides the inspiration! Two lightweight models — each with distinctive features — fit the Sony® NEX series, as well as other compact system cameras.

Take a look at each to see which suits your shooting style:

### Compact Courier 80

Designed specifically for Sony® NEX

The Compact Courier 80 was expressly built to fit and protect a Sony® NEX series camera, and provides a super-flexible 2-bags-in-1 solution.

The main bag includes a built-in Mini Quick Case to offer a minimal carrying option when you just want your camera and attached 16mm lens.

The Compact Courier 80 fits a complete kit thanks to an adjustable, padded divider: camera body with 18-55mm lens attached, plus a 16mm lens and spare memory.

### Compact Courier 70

Designed to fit compact system camera models (such as Sony® NEX, Olympus® PEN, Panasonic® GF series and Samsung® NX 100); extra lens; memory card and small accessories or personal items.

An auxiliary pancake lens (16mm) pouch makes the Compact Courier 70 unique and modular. It's truly the smallest compact system camera bag, purpose built to fit your kit.

With the auxiliary lens pouch attached, the Compact Courier 70 lets you carry a kit, spare memory and a pancake lens (16mm) with ease. Detach the pouch to go lighter with fewer accessories.

**Both models include:**

Handy, built-in features include a microfiber cleaning cloth and pocket for spare memory.

Multiple carrying options: at the waist via a built-in belt loop; on or across the body with an adjustable/detachable shoulder strap.

**Compact Courier 80**

Exterior: 6.7W x 3.3D x 8.3H in.  
17 x 8.5 x 21cm  
Interior: 5.1W x 2.8D x 5.3H in.  
13 x 7 x 13.5 cm  
Fits: Sony® NEX camera with 18-55mm lens attached; pancake/16mm lens; spare memory.

**Compact Courier 70**

Exterior: 6.6W x 3.1D x 8.1H in.  
16.5 x 8 x 20.5 cm  
Interior: 5.1W x 2.8D x 5.3H in.  
13.0 X 7X 13.5 cm  
Fits: Most compact system cameras with 18-55mm lens attached; pancake/16mm lens (when placed in auxiliary pouch on shoulder strap); spare memory

The Compact Courier 80 and Compact Courier 70 are available in Black (with Red piping) and Grey (with Arctic Blue piping). Models and colors may not be available in all countries. Check with [your local distributor](#) for availability.
