

SHOW OFF®  
SUGAR BABY  
Forsythia

Show Off® Series Size Comparison Chart

**Fothergilla • Bottlebrush**

Family: Hamamelidaceae (Fothergill-a: after John Fothergill, English physician who introduced many plants into cultivation)

**gardenii**

A small, refined shrub with fragrant white bottlebrush-like flowers appearing prior to the leaves. Exceptionally brilliant orange, red and yellow fall color. Native.

Award: PSC.

USDA 5, AHS 9, 2-4', gr 2  
 spring bloom, fall foliage  
 Item #: 26952 - 2 1/4" • 26954 - 4"

**x intermedia 'Mount Airy'**

A vigorous plant with abundant white flowers and dark green foliage. Consistent yellow-orange-red fall color. Selected by Dr. Mike Dirr at the Mt. Airy Arboretum.

Native. Award: Theodore Klein Award.

USDA 5, AHS 8, 4-5', gr 2  
 spring bloom, fall foliage  
 Item #: 27222 - 2 1/4" • 27224 - 4"

**Gardenia • Gardenia**

Family: Rubiaceae - coffee

**'Grif's Select'** (G. jasminoides)

One of the most hardy gardenias, this broadleaf evergreen produces showy fragrant flowers in late spring, and will often rebloom in summer. Glossy foliage is attractive year-round. An elegant addition to mixed borders, or used as a foundation planting.

USDA 7, AHS 10, 3-4' tall and 2-4' wide, gr 1  
 late spring bloom  
 Item #: 27802 - 2 1/4" • 27804 - 4"

**'Golden Magic'** (G. j)

Large, double flowers start white and age to buttery yellow, taking this mild-climate favorite up to the next level. Lustrous evergreen foliage on a low growing, compact frame makes for handsome container presentation. Exceptionally fragrant.

USDA zone 8b, AHS zone 10, 2-3' tall and wide  
 GR 1? 1.5?  
 Summer bloom  
 Item #: 27782 - 2 1/4" • 27784 - 4"

**'Kleim's Hardy'** (G. j)

One of the hardiest gardenias, 'Kleim's Hardy' is a useful dwarf size that is great for containers and the front of borders. White, star-like blooms contrast with the evergreen foliage.

USDA 7, AHS 10, 2-3', gr 1.5  
 late spring bloom  
 Item #: 27812 - 2 1/4"

**Genista • Dyers-Greenwood**

Family: Fabaceae (Genis-ta: ancient Latin name, tinctoria: of dyes)

**BANGLE®** (G. lydia 'Select')

This floriferous, low-mounding selection produces waves of electric yellow flowers in late spring. Improved branching and texture make this a wonderful plant for containers and for mass plantings. A fine plant selected by Dick Punnett of Michigan. Awards: Better Homes and Gardens "18 Best New Trees and Shrubs of 2008".

USDA 4, AHS 9, 2', gr 1  
 spring bloom  
 Item #: 28012 - 2 1/4" • 28014 - 4"  
 28015 - Quick Turn

**Heptacodium • Seven-Son Flower**

Family: Caprifoliaceae (Hepta-codium: hepta, Greek for the number seven, codium referring to head)

**miconioides**

What a great plant! This large arching shrub or small tree has glossy dark green leaves, exfoliating bark, and fragrant creamy-white late summer flowers. Its best attribute is its persistent, showy, reddish-pink sepals that are effective from October to November. Awards: CARY, GMPA, Plant Select (CO).

USDA 5, AHS 9, 10-20', gr 1.5  
 summer bloom, fall interest  
 Item #: 29302 - 2 1/4" • 29304 - 4"

Gardenia 'Grif's Select'

BANGLE® Genista

Heptacodium miconioides

BLUE CHIFFON™ *Hibiscus*

LAVENDER CHIFFON™ *Hibiscus*

PINK CHIFFON™ *Hibiscus*

WHITE CHIFFON™ *Hibiscus*

### *Hibiscus syriacus* • ROSE OF SHARON

Family: Malvaceae (Hibis-cus: ancient Greek and Latin name, syri-acus: Syrian)

Brightly colored, exotic looking flowers on a hardy shrub or small tree are certain to generate summer impulse purchases. Easy to grow and easy to sell; offer a complete color assortment.

### CHIFFON™ HIBISCUS

Chiffon hibiscus have exceptionally large single flowers adorned by a lacy center, creating a unique, anemone-like bloom. These strong growing, uniform varieties are excellent production plants with superior container presentation. Colorful, abundant flowers make them very appealing at retail. All were hybridized by Dr. Roderick Woods of Cambridge, England.

### BLUE CHIFFON™

(H. s. 'Notwoodthree', pp#20,574, cbr#3583)

Rich blue flowers in late summer. Awards: Silver Medal Royal Horticulture Society; AGM.

USDA 5, AHS 9, 8-12', gr 1

summer bloom

Item #: 30282 - 2 1/4" • 30284 - 4"

30285 - Quick Turn

### LAVENDER CHIFFON™

(H. s. 'Notwoodone', pp#12,619)

Large lavender flowers. Awards: Gold Medal Royal Boskoop Horticulture Society; Green Thumb Award, DGA; AGM; Top Pick Dallas Arboretum.

USDA 5, AHS 9, 8-12', gr 1

summer bloom

Item #: 30302 - 2 1/4" • 30304 - 4"

30305 - Quick Turn

### PINK CHIFFON™

(H. s. 'JWNWOOD4' pp#24,336, cbr#4656)

A staff favorite, this new variety has large, lacy, clear pink flowers. It has the same flower power and soft graceful stems of other Chiffon™ hibiscus.

USDA 5, AHS 9, 8-12' tall, gr 1

summer bloom

Item #: 30352 - 2 1/4" • 30354 - 4"

30355 - Quick Turn

### WHITE CHIFFON™

(H. s. 'Notwoodtwo', pp#12,612)

Large single white flowers. Awards: Silver Medal Royal Boskoop Horticulture Society; AGM; Top Pick Dallas Arboretum.

USDA 5, AHS 9, 8-12', gr 1

summer bloom

Item #: 30402 - 2 1/4" • 30404 - 4"

30405 - Quick Turn

### LIL' KIM™

(H. s. 'Antong Two', pp#19,547, cbr#3399)

This unique little shrub has dainty white flowers punctuated by a showy red eye, and appears to be a polyploid because it has thick, dark green leaves and the flowers last for three days instead of one. Great for containers, perennial beds or around decks and entry gardens. Developed by noted plantsman Dr. Shim of South Korea.

USDA 5, AHS 9, 3-4', gr 1.5

summer bloom

Item #: 29672 - 2 1/4" • 29674 - 4"

29675 - Quick Turn

### LIL' KIM™ RED

(H. s. 'SHIMRR38' ppaf, cbraf)

The latest addition to the Lil' Kim series has a compact habit and rich, deep rosy-red colored flowers. The unique color looks good with many summer flowering perennials, and is a great choice for container designs.

USDA 5, AHS 9, 3-4' gr 1.5

summer bloom

Item #: 30042 - 2 1/4" • 30044 - 4"

30045 - Quick Turn

### LIL' KIM™ VIOLET

(H. s. 'SHIMRV24', ppaf, cbraf)

This purple form of the dwarf Lil' Kim hibiscus is perfect for containers and smaller gardens, and looks great at retail. It has the same compact habit but with plum-violet flowers accented by a red eye. The large - up to 3" across - flowers are very striking against the dark, glossy foliage, and are held up by very strong stems. Developed by Dr. Shim.

USDA 5, AHS 9, 3-4', gr 1.5

summer bloom

Item #: 30022 - 2 1/4" • 30024 - 4"

30025 - Quick Turn

LIL' KIM™ *Hibiscus*

LIL' KIM™ RED *Hibiscus*

LIL' KIM™ VIOLET *Hibiscus*

**AZURRI BLUE SATIN®** *Hibiscus*

**SATIN® HIBISCUS** Satin hibiscus are strong growing, consistent plants with exceptionally colorful single flowers. Stock an assortment for a complete line of summer color.

**PW AZURRI BLUE SATIN®**

(H. s. 'DVPazurri', pp#20,563, cbr#4391)

A better blue! Azurri Blue Satin® is the first ever seedless rose of Sharon with large, blue flowers. This beauty was developed by Dr. Johan Van Huylenbroeck at the Flemish ILVO breeding station.

USDA 5, AHS 9, 8-12', gr 1  
summer bloom      
Item #: 32562 - 2 1/4" • 32564 - 4"  
32565 - Quick Turn

**PURPLE SATIN®** *Hibiscus*

**PW ORCHID SATIN®**

(H. s. 'ILV0347' ppaf, cbraf)

Another fantastic new sterile variety of rose of Sharon! Exceptionally large single blooms are accented by a dramatic red eye. The graceful branches of this non-invasive new cultivar make it a very appealing addition to the mixed border, and also give it good container presentation at retail.

USDA 5, AHS 9, 8-12', gr 1  
summer bloom      
Item #29922 - 2 1/4" • 29924 - 4"  
29925 - Quick Turn

**ORCHID SATIN®** *Hibiscus*

**PW PURPLE SATIN®**

(H. s. 'ILVOPS', ppaf, cbraf)

Everywhere we go, people ask us for seedless rose of Sharon, so we are pleased to offer this new dark purple, single flowered selection from Dr. Johan Van Huylenbroeck from the Flemish ILVO breeding station. This is free-flowering plant with large flowers and dark green foliage.

USDA 5, AHS 9, 8-12', gr 1  
summer bloom      
Item #: 29912 - 2 1/4" • 29914 - 4"  
29915 - Quick Turn

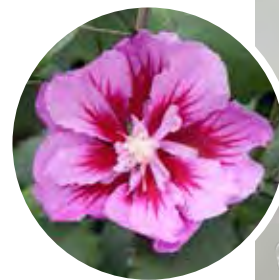

**RUFFLED SATIN®** *Hibiscus*

**PW RUFFLED SATIN®**

(H. s. 'SHIMCR1', ppaf, cbraf)

Looking more like a tropical hibiscus than a hardy plant, this hardy hibiscus boasts rich pink, ruffled flowers accented with an intense burgundy-colored eye. Large and showy, the overlapping flower petals form a complete circle. Its glossy green leaves and short internodes make for a very nice, full, bushy plant. Low seed-set is an added benefit. It's another great plant with lots of retail appeal from Dr. Shim of South Korea.

USDA 5, AHS 9, 8-12', gr 1  
summer bloom      
Item #: 30052 - 2 1/4" • 30054 - 4"  
30055 - Quick Turn

**PURPLE PILLAR™** *Hibiscus*

**PW PURPLE PILLAR™**

(H. s. 'Gandini Santiago', pp#25,568, cbraf)

A whole new look for rose of Sharon, Purple Pillar has a very narrow, fastigate shape much like a FINE LINE Rhamnus, but it's adorned with big, semi-doubled, purple flowers in the summer. The landscape applications for this plant are endless: narrow hedges, screens, and unique accent specimen. It is also well suited for entrances, patio gardens and decorative containers. Winner of the Plantarium Silver Medal.

USDA 5, AHS 9, 10-16' tall by 2-3' wide', gr 1  
summer bloom  
Item #: 32762 - 2 1/4" • 32764 - 4"  
32765 - Quick Turn

**PW SUGAR TIP®**

(H. s. 'America Irene Scott', pp#20,579, cbr#3582)

An eye-catching rose of Sharon with brightly variegated creamy-white and blue-green foliage. Unlike 'Purpureus Variegatus' this beauty actually flowers, producing loads of clear pink, double flowers in late summer. Seedless. Developed by Sharon Gerlt of Independence, MO. Award: Bronze Medal Plantarium 2009.

USDA 5, AHS 9, 8-12', gr 1  
summer bloom      
Item #: 29402 - 2 1/4" • 29404 - 4"  
29405 - Quick Turn

**SUGAR TIP®** *Hibiscus*

**SUMMER SHANDY™** *Humulus*

**Humulus • Hop**

Family: Cannabaceae (Humulus: From the Low German 'humula' for hop)

**SUMMER SHANDY™**

(H. 'Summer' pp#24,913, cbraf)

We all know that hops are used in brewing beer, but now we have good reason to grow this vine as an ornamental. The East Malling Research Station in Kent, England developed this bright golden-yellow selection. Its refined habit and less aggressive growth than other varieties make it well-suited to gardens.

USDA 5, AHS 8, 5-10' tall

foliage interest   
Item #: 33262 - 2 1/4" • 33264 - 4"  
33265 - Quick Turn

**Hydrangea anomala**  
**Climbing Hydrangea**

Family: Hydrangaceae (Hydro-aggos: Greek for water-jar, from shape of capsules)

**petiolaris**

Climbing hydrangea is an elegant vine with glossy green leaves and lacy white flowers in June. Plant it on a tall oak tree or on a west-facing brick wall. Awards: AGM, First Choice, GCA, PSC.

USDA 4, AHS 9, 30', gr 1  
summer bloom   
Item #: 40002 - 2 1/4" • 40004 - 4"

**'Firefly'** (Hd. a. petiolaris pp#11,038)

A yellow variegated climbing hydrangea. In the spring this plant really shines. As summer progresses the gold margin turns to chartreuse.

USDA 4, AHS 9, 30', gr 1  
summer bloom   
Item #: 40202 - 2 1/4"

**INVINCIBELLE® RUBY** *Hydrangea*

**Hydrangea arborescens**  
**Smooth Hydrangea**

Family: Hydrangaceae (hydro-aggos: Greek for water-vessel, from shape of capsules)

**'Annabelle'**

Snowball flowers gradually change from green to pure white. Introduced by Joe McDaniel. Native. Awards: PSC, Georgia Gold Medal Plant.

USDA 3, AHS 9, 3-4', gr 0.5  
summer bloom   
Item #: 33402 - 2 1/4" • 33404 - 4"

**LIME RICKEY®** (H. a. 'SMNHALR' ppaf, cbraf)

Hot summer weather calls for a refreshing Lime Rickey! Cool, lime-green flowers appear each summer, even after harsh winters. The large, full mophead flowers add unexpected color to summer gardens, and are great as a fresh or dried cut. Super strong stems.

USDA 3, AHS 9, 3-4', gr 1  
summer bloom   
Item #33522 - 2 1/4" • 33524 - 4"

**WHITE DOME®** (H. a. 'Dardom' pp#14,168)

Big, dome-shaped, lacy white blooms have fantastic winter effect too. A strong growing plant with rich dark green leaves and strong stems that hold the blooms upright, even after a heavy rain. A very beautiful plant from Darthuizer Nursery of the Netherlands. Native.

USDA 3, AHS 8, 4-6', gr 1  
summer bloom   
Item #: 33602 - 2 1/4" • 33604 - 4"

**INVINCIBELLE® SPIRIT II**

(H. a. 'NCHA2' ppaf, cbraf)

This new and improved Invincibelle® Spirit hydrangea delivers on all accounts. It has darker foliage, stiffer stems, and larger flowers that are a richer pink that ages to an attractive green. This hydrangea grows from Manitoba to Mobile, blooming every year from mid-summer to frost. It is a strong rebloomer and can be cycle-pruned to deliver multiple shipments of budded plants to the garden center. We recommend selling this plant in 2 gallon pots or larger. One dollar per plant sold is donated to the Breast Cancer Research Foundation. So we've raised over \$730,000. Let's get to a million!

USDA 3, AHS 9, 3-4', gr 1  
summer rebloomer   
Item #: 33862 - 2 1/4" • 33864 - 4"  
33865 - Quick Turn

**INVINCIBELLE® RUBY**

(H. a. 'NCHA3' pp#20,765, cbr#4159)

The first ever red flowered *Hydrangea arborescens*, the dark, burgundy red flower buds of Invincibelle® Ruby open to a two-toned combination of bright ruby red and silvery pink. The foliage is extra dark and the stems are strong, making this new hydrangea a gem in the container as well as in the garden. It is a strong rebloomer and can be cycle-pruned to deliver multiple shipments of budded plants to the garden center. We recommend selling this plant in 2 gallon pots or larger.

USDA 3, AHS 9, 2-3', gr 1  
summer rebloomer   
Item #: 33572 - 2 1/4" • 33574 - 4"  
33575 - Quick Turn

INVINCIBELLE® SPIRIT II *Hydrangea*

## Invincibelle® Spirit II hydrangea and Pink Days

Since 2009, \$1.00 from every Invincibelle® Spirit hydrangea sold has been donated to The Breast Cancer Research Foundation®. With these funds and those from Pink Days, fundraisers hosted by garden centers across the U.S. and Canada, over \$835,156 has been donated which has funded nearly 17,000 hours of live-saving research!

### Invincibelle® Spirit II

New and improved with the same important goal! The second generation of Invincibelle Spirit hydrangea delivers on all accounts: it has darker foliage, stiffer stems, and larger flowers that are a richer pink that ages to an attractive green all while continuing the important fight against breast cancer.

This hydrangea grows from Manitoba to Mobile, blooming every year from mid-summer to frost. It is a strong rebloomer, and will deliver plenty of rich pink flowers through the summer and into fall.

\$1.00 from each Invincibelle® Spirit II sold is donated to The Breast Cancer Research Foundation®. We encourage you to donate as well. BCRF is dedicated to preventing breast cancer and finding a cure in our lifetime by funding clinical and translational research worldwide.

To learn more about hosting a Pink Day event or about Invincibelle Spirit II, please contact, contact Mark Osgerby at [Mark@springmeadownursery.com](mailto:Mark@springmeadownursery.com) or 616-223-3366

INCREDBALL® *Hydrangea*

INCREDBALL® BLUSH *Hydrangea*

**PW** **INCREDIBALL®**  
PROVEN WINNERS  
COLOR CHOICE

(H. a. 'Abetwo' pp#20,571, cbr#4166)

An improved 'Annabelle' hydrangea, Incridiball® has beefy stems and massive blooms. The breeding goal was stronger stems to eliminate flop, but we got incredibly large blooms too! Each bloom has roughly four times as many florets as 'Annabelle'. Lightly fragrant. We recommend selling this plant in 3-gallon pots or larger. Native.

USDA 3, AHS 9, 4-5', gr 1

summer bloom     
 Item #: 33322 - 2 1/4" • 33324 - 4"  
 33325 - Quick Turn

**PW** **INCREDIBALL® BLUSH**  
PROVEN WINNERS  
COLOR CHOICE

(H. a. 'NCHA4' ppaf, cbrf)

Incrediball® hydrangeas are loved for their stout stems and massive blooms. Incrediball® Blush adds a new color to the series. This beauty has big, bodacious, blush-pink blooms that change to an attractive green color as they age. We recommend selling this plant in 2-gallon pots or larger. Native.

USDA 3, AHS 9, 4-5', gr 1

summer bloom     
 Item #: 33842 - 2 1/4" • 33844 - 4"  
 33845 - Quick Turn

**Hydrangea involucrata**  
**Bracted Hydrangea**

Family: Hydrangeaceae

**BLUE BUNNY™** (H. i. 'Wim Rutten,' pp#21,991)

It's a drift of blue flowers from mid-summer until fall! Developed by the late Wim Rutten of the Netherlands, this plant is as special as the man. This strong-growing plant produces an abundance of blooms, forming buds on new wood and blooming reliably each year.

USDA 6, AHS 9, 2-4', gr 1

summer bloom     
 Item #: 34512 - 2 1/4" • 34514 - 4"

**BLUE BUNNY™** Hydrangea

**Hydrangea macrophylla**  
**Bigleaf Hydrangea**

Family: Hydrangeaceae (Macro-phyll-a: large leaved)

Bold, brightly colored flowers are either mopheads (snowball-like flowers) or lacecaps. Stock both types in range of colors; flower colors are dependent on soil pH. Adding aluminum sulfate to soils will encourage the production of blue flowers; basic soils and untreated growing media will produce pink-red ones. Hydrangeas are fast and easy to grow, though we recommend that commercial growers cease fertilization in August and run the plants very dry to help them harden off for winter.

**ABRACADABRA®**  
**HYDRANGEA SERIES**

Plants should be fun and make you smile. That's the whole idea behind Abracadabra® hydrangeas. Vibrantly colored flowers perch atop showy black satin stems. Flower color leans to hot pink, but will develop purple-blue shades in acidic soils.

**PW** **ABRACADABRA® ORB**  
PROVEN WINNERS  
COLOR CHOICE

(H. m. 'HorOrb' pp#21,635)

Mophead flowers emerge green and peach and mature to a hot pink. Flower color can be pushed to blue with the addition of aluminum sulfate. Developed by Katrin Meinel of Dresden, Germany.

USDA 5, AHS 9, 3-4', gr 0.5  
 summer bloom       
 Item #: 43754 - 4" • 43755 - Quick Turn

**PW** **ABRACADABRA® STAR**  
PROVEN WINNERS  
COLOR CHOICE

(H. m. 'HorAbstra' pp#21,636)

CITYLINE® MARS *Hydrangea*

CITYLINE® VENICE *Hydrangea*

CITYLINE® PARIS *Hydrangea*

CITYLINE® VIENNA *Hydrangea*

**CITYLINE® SERIES OF COMPACT HYDRANGEA**

Tired of floppy, weak-stemmed hydrangeas, especially when shipping? The Cityline Series is the answer. Growth regulators are prohibited in Europe, so growers need to produce a tight full plant without chemicals, shearing or pruning off flower buds. Large vividly colored flowers, strong stems and dark glossy foliage characterize these German hybrids. They're all noted for excellent mildew resistance. Cityline creates a knockout one gallon, and the blooms can be shifted from pink to blue with the addition of aluminum sulfate. Developed by Franz-Xaver and Konrad Rampp of Germany. Awards: Way Hot 100 Garden Design Magazine.

**Pre-Budded Hydrangeas**

**SAVE TIME. SAVE MONEY. SAVE SPRING!**

Proven Winners® pre-budded hydrangeas are the easy way to add a colorful, fast-turning hydrangea program to your spring season. These pre-budded Quick Turn® hydrangeas have been specially pruned for successful spring flowering. Follow the 13-week recipe, including appealing Proven Winners® tags and containers, and have one gallon hydrangeas in bloom for Mother's Day!

Pre-budded liners are available for the following:

*H. macrophylla*

Cityline® Paris, Venice, and Vienna  
Let's Dance® Big Easy® and Blue Jangles®,  
Abracadabra® Star

*H. serrata*

Tuff Stuff™, Tuff Stuff™ Red

**CITYLINE® BERLIN**

(H. m. 'Berlin Rabe' pp#10,912)

Clear pink colored flowers are the largest in the series, and quite long lasting, changing to an attractive green with age. Glossy green leaves exhibit an extremely high level of mildew resistance. The strongest growing plant in the group.

USDA 5, AHS 9, 1-3', gr 0.5

summer bloom

Item #: 36034 - 4" • 36035 - Quick Turn

**CITYLINE® MARS** (H. m. 'Ramars')

A small plant with strong stems and variegated flowers. Big, long-lasting blooms change to an attractive green with age.

USDA 5, AHS 9, 1-3', gr 0.5

summer bloom

Item #: 37614 - 4" • 37615 - Quick Turn

**CITYLINE® PARIS**

(H. m. 'Paris Rapa' pp#10,906)

A small plant with intense red flowers. Large and showy blooms are long lasting and change to an attractive green with age.

USDA 5, AHS 9, 1-3', gr 0.5

summer bloom

Item #: 37574 - 4" • 37575 - Quick Turn

37575PB - Pre-Budded

*"I got Edgy Hearts last year and it had almost no dieback - currently it's cranking out 30 buds in a tight, compact structure. To boot, it's growing two feet from a yew and an arborvitae! It may or may not be capable of blooming on new wood as well, as it looked like it was when I bought it. A great underrated picotee for semi-small spaces. I'd highly recommend it".*

- Springwood Gardens on Gardenweb

**CITYLINE® RIO** (H. m. 'Ragra')

This small to medium-sized plant is early blooming, with large, long-lasting blooms.

Flowers color ranges from strong blue to purple depending upon the availability of aluminum.

USDA 5, AHS 9, 2-3', gr 0.5

summer bloom

Item #: 36044 - 4" • 36045 - Quick Turn

**CITYLINE® VENICE**

(H. m. 'Venice Raven' pp#10,928)

Big, bright fuchsia-colored flowers are long-lasting and change to an attractive green with age. Glossy foliage.

USDA 5, AHS 9, 1-3', gr 0.5

summer bloom

Item #: 37604 - 4" • 37605 - Quick Turn

37605PB - Pre-Budded

**CITYLINE® VIENNA**

(H. m. 'Vienna Rawi' pp#10,930)

The smallest of the series. Dark pink or blue flowers emerge with an attractive cream colored throat and remain large and showy.

USDA 5, AHS 9, 1-3', gr 0.5

summer bloom

Item #: 38464 - 4" • 38465 - Quick Turn

38465PB - Pre-Budded

EDGY® HEARTS Hydrangea

**EDGY® HEARTS** (H. m. 'Horheart' pp#22,368)

Large, intense blooms with dark pinkish-red florets accentuated with a thin, pure white line on the margin. It's a small to medium sized plant with strong stems and glossy foliage. Developed in Dresden, Germany by Katrin Meinel.

USDA 5, AHS 9, 2-4', gr 0.5

summer bloom

Item #: 43784 - 4" • 43785 - Quick Turn

**'Glowing Embers'**

summer bloom

Item #: 36594 - 4"

LET'S DANCE® BIG EASY® Hydrangea

LET'S DANCE® BLUE JANGLES® Hydrangea

HYDRANGEA MACROPHYLLA CONTINUED

**LET'S DANCE®  
REBLOOMING HYDRANGEA**

Developed here in Grand Haven, Michigan, the Let's Dance series of reblooming big-leaf hydrangeas are the result of years of careful breeding and evaluation for cold-weather performance. We have cut plants back each fall to thoroughly test their ability to develop new wood flower buds even in cold, Midwestern conditions; we have left plants intact to test their bud hardiness, too. In both respects, these six varieties come out on top. If you find yourself in west Michigan in summer, stop by our trial gardens and see for yourself!

**PW** **LET'S DANCE® BIG EASY®**  
PROVEN WINNERS

(H. m. 'Berner', pp#22,329, cbr#4526)

LET'S DANCE® RAVE™ Hydrangea

LET'S DANCE® RHYTHMIC BLUE™ Hydrangea

LET'S DANCE® DIVA! *Hydrangea*

**Quick guide to the Let's Dance® series:**

**Let's Dance® Big Easy®:** extra large mophead, white eye in center, aging gracefully to green.

**Let's Dance® Blue Jangles®:** excellent blue color and great container presentation.

**Let's Dance® Diva!:** giant florets make this lacecap look more like a mophead. Exceptional bud hardiness and a proven consumer favorite.

**Let's Dance® Rave™:** Purple blooms and heavy bud set.

**Let's Dance® Rhythmic Blue™:** Stellar rebloomer and easily turned blue. Florets have distinctive rectangular shape.

**Let's Dance® Starlight:** elegant lacecap, reliable rebloomer.

LET'S DANCE® STARLIGHT *Hydrangea*

**PW PARAPLU®** (H. m. 'SMHMP1', ppaf, cbraf)

Flowers sell, right? Trust us, these flowers will really sell! Candy pink to intense, hot pink florets are doubled, and arch downward like a phalanx of dainty umbrellas. It's a stunning effect! It holds up well in the heat, and has also stood up to the rigors of Midwestern winters. A compact habit and glossy foliage add to its retail appeal.

summer bloom, fall foliage ☀️ ☁️ 🌸  
Item #: 40904 - 4"

### 'Snow Queen'

Large, tightly packed, pure white panicles are held upright to create a unique summer flower display; they then fade to light pink. Leathery leaves have a superb burgundy color. Selected by William Flemer III. Native. Awards: GMPA, PSC.

10' USDA 5, AHS 9, 7-10', gr 1.5  
summer bloom, fall foliage ☀️ ☁️ 🌸  
Item #: 40974 - 4"

GATSBY GAL™  
Hydrangea

### Hydrangea serrata Mountain Hydrangea

Family: Hydrangaceae

*H. serrata* is native to mountainous regions of Asia and Japan, and is better suited to cold climates than *H. macrophylla*, which is native to milder coastal regions. While we have liked *H. serrata* for years because of its improved bud hardiness, the new Tuff Stuff® hydrangeas add another dimension of coolness to this species: they rebloom.

### P.W. PROVEN WINNERS TINY TUFF STUFF™

(H. s. 'MAKD', pp#24,842, cbrat)

This is a real beauty, with flowers so delicate and refined that it seems strange to call them tough. But they are. Extremely bud-hardy, this rebloomer reliably produces abundant lacecap flowers comprised of doubled sepals. While this plant leans blue, the flower color may range from blue to pink to white - all soft, delicate shades perfect for refined gardens. The flowers age to an attractive pink, and tip down in a distinctive arching fashion.

10' USDA 5, AHS 9, 1.5 - 2', gr 0.5  
summer rebloomer ☀️ ☁️ 🌸  
Item #: 43904 - 4" • 43905 - Quick Turn

### P.W. PROVEN WINNERS TUFF STUFF™

(H. s. 'MAK20' pp#24,820, cbr#4527)

Our hydrangea breeding goal was to deliver improved bud and stem hardiness in addition to the ability to flower on new wood. This *serrata* delivers on both accounts. Its attractive, reddish-pink, lacecap flowers create a mass of color in early summer. It continues to produce new buds and flowers right up until frost. The semi-double to double florets open with creamy coloration in the center before maturing to an intense pink. Award: Gold Medal Plantarium 2012.

USDA 5, AHS 9, 2-3', gr 0.5

GOLDEN RULE® Hypericum

SUNNY BOULEVARD™ Hypericum

## *Ilex crenata* • Japanese Holly

Family: Aquifoliaceae

### **BRASS BUCKLE™** (l. c. 'ANNYS1' ppaf, cbraf)

As neat as a button, this diminutive, fine textured Japanese holly shines all year long

because of its glossy, clear yellow, burn resistant foliage. Perfect for edging walks and borders. We prefer the fresh color of this plant to that of other varieties. Developed by Andre van Nijnatten of the Netherlands.

USDA 5, AHS 8, 12-18", gr 1  
evergreen   
Item #: 46402 - 2 1/4" • 46404 - 4"

### **'Drops of Gold'** (pp#14,420)

While most gold leafed hollies look sick at best, this unique new holly is quite attractive. The spring flush is a brilliant yellow which slowly changes into a pleasing dusty yellow hue. Coloration is most prominent on leaves exposed to the sun. Discovered by Ronald Byrnes of Geneva, OH.

USDA 5, AHS 7, 3-4', gr 1  
evergreen   
Item #: 46342 - 2 1/4" • 46344 - 4"

**BRASS BUCKLE™** *Ilex*

**PATTI O™** *Ilex*

### **'Sky Pencil'**

Tight columnar growth looks like a pencil reaching for the sky!

USDA 6, AHS 7, 4-5', gr 1  
evergreen   
Item #: 46422 - 2 1/4" • 46424 - 4"

### **PATTI O™** (l. c. 'FARROWSK6', ppaf)

Another great plant from Maryland plantsman Mike Farrow. Smaller than its sister, Sky Pointer®, Patti O™ has smaller, darker leaves and glossier foliage. Much darker than typical *I. crenata*, this petite evergreen is scaled for smaller gardens and patios, and is perfect for selling in pairs to flank a formal entry.

USDA 6, AHS 8, 3-4' tall and 1-2' wide, gr 1  
evergreen   
Item #: 46552 - 2 1/4" • 46554 - 4"  
46555 - Quick Turn

### **'Soft Touch'**

Dr. Mike Dirr insisted we offer this wonderful new selection. Just like the name says - it has a pleasing soft texture! Small compact globe form with lustrous, dark green foliage.

USDA 6, AHS 7, 4-5', gr 1  
evergreen   
Item #: 46452 - 2 1/4" • 46454 - 4"

### **SKY POINTER®**

(l. c. 'Farrowone', pp#20,049)

Add some architecture to your garden or decorative container with this narrow, conical seedling of 'Sky Pencil' holly. Shiny, dark evergreen leaves and tight upright branching make this a must-have plant. It was selected for its superior production performance by Mike Farrow of Holly Hill Farms, Earleville, MD.

USDA 6, AHS 8, 4-5', gr 1  
evergreen   
Item #: 46362 - 2 1/4" • 46364 - 4"  
46365 - Quick Turn

**SKY POINTER®** *Ilex*

## *Ilex glabra* • Inkberry Holly

Family: Aquifoliaceae (glabra: not hairy)

### **'Compacta'**

A great alternative to boxwood, it has glossy dark green foliage on a broad pyramidal plant. Branching is compact right down to the ground, never looking naked or leggy. A F&F Nursery selection. Native.

USDA 5, AHS 7, 3-4', gr 1  
evergreen   
Item #: 46792 - 2 1/4" • 46794 - 4"

### **'Densa'**

A wonderful, hardy plant with glossy dark green foliage, it has a broad, upright habit. Holds its foliage right down to the ground, never looking naked like some inkberry cultivars. Native. Award: GMPA.

USDA 5, AHS 9, 3-4', gr 1  
evergreen   
Item #: 46902 - 2 1/4" • 46904 - 4"

### **GEM BOX®**

(l. *glabra* 'SMNIGAB17', ppaf, cbraf)

A cool new dwarf, broadleaf evergreen that looks more like a boxwood than an inkberry. This dense, ball shaped plant has small, dainty, dark green leaves with attractive red tips during the spring flush. Maintains good branching right to the ground so it never looks bare legged like other cultivars. Great as a small evergreen hedge or as a container specimen.

USDA 5, AHS 9, 2-3', gr 0.5  
evergreen   
Item #: 47252 - 2 1/4" • 47254 - 4"  
47255 - Quick Turn

### **'Shamrock'**

A standout with bright glossy green foliage and a compact upright habit. Native.

USDA 4, AHS 9, 3-4', gr 1  
evergreen   
Item #: 47182 - 2 1/4" • 47184 - 4"

**GEM BOX®** *Ilex*

CASTLE GOLD™ *Ilex*

CASTLE SPIRE® *Ilex*

CASTLE WALL™ *Ilex*

### *Ilex x meserveae* • Blue Holly

Family: Aquifoliaceae

#### 'Blue Prince' (*I. rugosa* x *I. aquifolium*)

A hardy hybrid with dark green foliage. Used as the male pollinator for 'Blue Princess'. Hybridized by Kathleen Meserve.

 USDA 5, AHS 9, 8-10', gr 1.5  
 evergreen     
 Item #: 48952 - 2 1/4" • 48954 - 4"

#### 'Blue Princess' (*I. rugosa* x *I. aquifolium*)

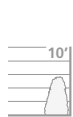

Dark blue-green leaves, and abundant dark red berries adorn this broad, irregular, rounded shrub. Use 'Blue Prince' as the pollinator. Hybridized by Kathleen Meserve.

 USDA 5, AHS 9, 8-10', gr 1.5  
 evergreen     
 Item #: 48962 - 2 1/4" • 48964 - 4"

#### PW CASTLE GOLD™

(*I. x meserveae* 'David Carroll' ppaf, cbraf)

Blue holly just got a lot more colorful each spring as the foliage flushes a bright, yet attractive lime-gold. And of course, you get the hardiness and red berries you expect from a blue holly. Developed by Carroll Nurseries of Cochran, Pennsylvania.

 USDA 5, AHS 7, 5-6', gr 1.5  
 evergreen     
 Item #: 47472 - 2 1/4" • 47474 - 4"  
 47475 - Quick Turn

#### PW CASTLE SPIRE®

(*I. x m.* 'Hachfee', pp#14,310)

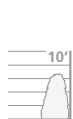

A beautiful compact, pyramidal blue holly with large, lustrous, dark green leaves, bright red berries and superior branching. A great foundation, specimen or hedge plant and alternative to capitata yew. Use Castle Wall™ as the pollinator. Hybridized by Holger Hachmann, the famous rhododendron breeder of Holstein, Germany.

 USDA 5, AHS 7, 8-10', gr 1  
 evergreen     
 Item #: 49032 - 2 1/4" • 49034 - 4"  
 49035 - Quick Turn

#### PW CASTLE WALL™

(*I. x m.* 'Heckenstar', pp#14,308)

A broad-columnar shaped, male blue holly with lustrous dark green leaves and superior, compact branching. Also pollinator for Castle Spire®. A great foundation, specimen or hedge plant that can be used as you would Hicks yew. A Holger Hachmann Hybrid. Award: Bronze Medal Royal Boskoop Horticulture Society.

 USDA 5, AHS 7, 5-8', gr 1  
 evergreen     
 Item #: 49012 - 2 1/4" • 49014 - 4"  
 49015 - Quick Turn

#### RED BEAUTY™ (*I. x* 'Rutzan' pp#14,750)

A distinctive holly that combines dark glossy foliage with an abundance of bright red fruit, it is very densely branched, with a narrow conical form. 'Blue Prince' is a suitable pollinator. A cross between *I. x meserveae* and *I. peryi* developed by Elwin Orton of Rutgers.

 USDA 5, AHS 9, 5-8', gr 1  
 evergreen     
 Item #: 49762 - 2 1/4" • 49764 - 4"

### *Ilex verticillata* • Winterberry Holly

Family: Aquifoliaceae (verti-cill-ata: whorled leaf arrangement)

#### 'Afterglow'

Red orange fruit and glossy green foliage. Compact upright rounded habit. A fine selection by Simpson Nursery. Native.

 USDA 3, AHS 8, 5-8', gr 1.5  
 winter interest     
 Item #: 48002 - 2 1/4" • 48004 - 4"

#### PW BERRY HEAVY® (*I. v.* 'Spravy')

Large, bright orange-red berries put on a spectacular winter show. We watched this plant for years, and we feel it rivals all other winterberry selections for its sheer mass of fruit. Leaves drop earlier, resulting in a better fruit display. Use Mr. Poppins™ as the male. Selected by Dale Deppe. Native.

 USDA 3, AHS 9, 6-8', gr 1.5  
 winter interest     
 Item #: 48082 - 2 1/4" • 48084 - 4"  
 48085 - Quick Turn

#### PW BERRY HEAVY® GOLD

(*I. v.* 'Roberta Case')

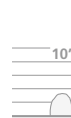

Strike it rich with Berry Heavy® Gold, the winterberry with the biggest, brightest gold fruit yet. You will treasure this plant for gardens, mass plantings or as a cut branch. Selected by the late, great plantsman and conservationist Fred Case of Saginaw, Michigan. Use Mr. Poppins as pollinator. Native.

 USDA 3, AHS 9, 6-8', gr 1.5  
 winter interest     
 Item #: 48352 - 2 1/4" • 48354 - 4"  
 48355 - Quick Turn

#### PW BERRY POPPINS®

(*I. v.* 'FARROWBPOP', ppaf, cbraf)

An excellent, heavy fruiting dwarf winterberry, Berry Poppins™ is ideal for gardeners who want bright winter color and fruit for cutting but don't have room for a typical *I. verticillata*. It is heavier fruiting than 'Red Sprite'. Use Mr. Poppins™ as pollinator. Native.

 USDA 3, AHS 9, 3-4', gr 1.5  
 winter interest     
 Item #: 48152 - 2 1/4" • 48154 - 4"  
 48155 - Quick Turn

#### PW MR. POPPINS™

(*I. v.* 'FARROWMRP', ppaf, cbraf)

Pollinator for all Proven Winners® *Ilex verticillata* varieties. Native.

 USDA 3, AHS 9, 3-4', gr 1.5  
 winter interest     
 Item #: 48162 - 2 1/4" • 48164 - 4"  
 48165 - Quick Turn

#### 'Jim Dandy'

A compact male pollinator for 'Afterglow' and 'Red Sprite'. Native. Award: PSC.

 USDA 3, AHS 8, 3-6', gr 1.5  
 winter interest     
 Item #: 48222 - 2 1/4" • 48224 - 4"

BERRY HEAVY® *Ilex*

**LITTLE GOBLIN®** (l. v. 'NCIV1' ppaf, cbraf)  
This tetraploid winterberry brings you extra big and abundant, rich-red berries on a dwarf plant. You will treasure this plant for long berry retention. Its compact habit makes it perfect for residential landscapes. Developed by Dr. Thomas Ranney of NCSU. Use Mr. Poppins as pollinator. Native.

USDA 3, AHS 9, 3-5', gr 1.5  
winter interest ☀️ 🌧️ 🌿 ✂️  
Item #: 48582 - 2 ¼" • 48584 - 4"  
48585 - Quick Turn

**LITTLE GOBLIN® GUY** (l. v. 'NCIV3', ppaf, cbraf)  
Pollinator for all Little Goblin® Series. Native.

USDA 3, AHS 9, 3-4', gr 1.5  
winter interest ☀️ 🌧️ 🌿 ✂️  
Item #: 48162 - 2 ¼" • 48164 - 4"  
48165 - Quick Turn

**LITTLE GOBLIN® ORANGE** (l. v. 'NCIV2' ppaf, cbraf)  
An extremely precocious winterberry with abundant, bright orange berries on a waist-high plant. Its compact habit makes it perfect for residential landscapes or large commercial mass plantings. Developed by Dr. Thomas Ranney of NCSU. Use Mr. Poppins as pollinator. Native.

USDA 3, AHS 9, 3-4', gr 1.5  
winter interest ☀️ 🌧️ 🌿 ✂️  
Item #: 48542 - 2 ¼" • 48544 - 4"  
48545 - Quick Turn

BERRY HEAVY® GOLD *Ilex*

**'Red Sprite'**

A sprite sized plant with glossy foliage and impressive fruit set! Use 'Jim Dandy' as the male. Native. Award: CARY.

USDA 3, AHS 8, 3-4', gr 1.5  
winter interest ☀️ 🌧️ 🌿 ✂️  
Item #: 48382 - 2 ¼" • 48384 - 4"

**'Southern Gentleman'**

Male pollinator for 'Oostervijk', 'Sparkleberry', 'Winter Red' and 'Winter Gold'. Native.

USDA 4, AHS 8, 6-9', gr 1.5  
winter interest ☀️ 🌧️ 🌿 ✂️  
Item #: 48432 - 2 ¼" • 48434 - 4"

**'Winter Red'**

Persistent, brilliant red fruit. An outstanding Simpson introduction. Use 'Southern Gentleman' as the male. Native. Award: GMPA.

USDA 3, AHS 8, 6-8', gr 1.5  
winter interest ☀️ 🌧️ 🌿 ✂️  
Item #: 48532 - 2 ¼" • 48534 - 4"

BERRY POPPINS® *Ilex*

***Ilex vomitoria* • Yaupon holly**  
Family: Aquifoliaceae

***Ilex vomitoria* 'Nana'**

A dwarf form of this fine textured evergreen, much favored by landscapers for its adaptability and versatility. Dwarf yaupon holly forms a low but broad mound that takes well to shearing and pruning. Tolerant of heat, drought, salt spray, and challenging soil conditions.

USDA zone 7, AHS zone 10, 4-7' tall and 6-10' wide, GR 1.5  
Evergreen ☀️ 🌧️  
Item #: 48732 - 2 ¼"

LITTLE GOBLIN® *Ilex*

LITTLE GOBLIN® ORANGE *Ilex*

LITTLE HENRY® *Itea*

GOOD VIBRATIONS® GOLD *Juniperus*

DREAM CATCHER™ *Kolkwitzia*

### *Itea virginica* • Sweetspire

Family: Saxifragaceae (It-ea: Greek name for willow)

#### 'Henry's Garnet'

Loads of long, white flowers in early summer and dark reddish-purple fall color. Discovered by Mary Henry, introduced by Woodlanders and named by the Scott Arboretum. Native. Awards: GMPA, GCA.

USDA 5, AHS 9, 3-4', gr 1

 5'
 

 Item #: 50902 - 2 1/4" • 50904 - 4"

### PW *LITTLE HENRY*® (l. v. 'Sprich' pp#10,988)

A compact native plant with great fall color - what more could you want in a plant? How about pure white flowers in the early summer? Perfectly suited for flooding large banks, beds and borders, this compact plant also has great container presentation. Developed by Richard Feist. Native. Award: PSC.

USDA 5, AHS 9, 24-36" and 3', gr 1

 5'
 

 Item #: 50922 - 2 1/4" • 50924 - 4"
   
50925 - Quick Turn

### *Juniperus* • Juniper

Family: Cupressaceae

#### 'Blue Rug' (J. horizontalis syn. 'Wiltonii')

Prostrate evergreen with steely blue foliage. The creeping habit is good for rock gardens or to stabilize embankments. Adaptable groundcover which turns dull purple in winter.

 5'
   
USDA 3, AHS 9, 1-3' tall and 6-10' wide
   
gr 1.5, evergreen
 

 Item #: 51234 - 4"

#### 'Blue Star' (J. squamata)

Slow growing evergreen with a low-mounded habit and spiky blue-green foliage with a distinctive texture. Tolerant of most soils but not suited to the deep South.

 5'
   
USDA 4, AHS 8, 1-3' tall and 1-4' wide
   
gr 1.5, evergreen
 

 Item #: 51574 - 4"

#### 'Compressa' (J. communis)

An upright, cone-shaped plant with blue-green evergreen foliage. This slow growing plant has dense, vertical branching and maintains a very narrow form.

 5'
   
USDA 2, AHS 7, 4-6' tall and .5-1' wide
   
gr 2, evergreen
 

 Item #: 51464 - 4"

#### 'Effusa' (J. communis)

A low-growing mat of dark green evergreen foliage. Prefers moist soils. Less tolerant of hot, dry conditions than other junipers.

 5'
   
USDA 2, AHS 7, .75-1.5' tall and 4-6' wide
   
gr 2, evergreen
 

 Item #: 51704 - 4"

#### 'Gold Lace' (J. chinensis)

A compact Pfitzer juniper with exceptional gold color, particularly at the tips of its branches. More compact than other Pfitzer varieties, 'Gold Lace' is excellent for mass plantings or specimen use.

 10'
   
USDA 4, AHS 9, 4' tall and 6' wide, gr 1.5
   
evergreen
 

 Item #: 51494 - 4"

### PW *GOOD VIBRATIONS*® GOLD

(J. horizontalis 'Hegedus' pp#22,743, cbr#4643)

Unlike other junipers, this beauty is soft to the touch. Seasonal color changes add to its appeal: in spring it emerges chartreuse, changes to bright yellow in summer and then takes on orange hues in the autumn. A sport of 'Hughes', it has the same spreading, horizontal habit and easy to grow, drought tolerant culture.

 5'
   
USDA 4, AHS 9, 1' tall and 7-9' wide, gr 1
   
evergreen
 

 Item #: 51202 - 2 1/4" • 51204 - 4"
   
51205 - Quick Turn

#### 'Green Carpet' (J. communis)

An easy-to-grow ground cover juniper with dark green foliage. Its low, spreading habit makes it ideal for mass plantings.

 5'
   
USDA 5, 1' tall and 2-3' wide, gr 1
   
evergreen
 

 Item #: 51714 - 4"

#### 'Silver Mist' (J. conferta)

More shade tolerant than most other junipers, this variety has silvery blue-green new growth which ages to blue-green. Its low mounding, spreading habit is good for mass plantings.

 5'
   
USDA 6, AHS 9, 1-1.5' tall and 3-4' wide
   
gr 1.5, evergreen
 

 Item #: 51804 - 4"

#### 'Gold Cone' (J. communis)

This upright, narrow, columnar evergreen has golden new growth, and holds its color well through the season. It will fade to bluish-green in winter.

 5'
   
USDA 5, AHS 7, 3-5' tall and 1-2' wide, gr 1.5
   
evergreen
 

 Item #: 51724 - 4"

### *Kerria japonica* • Japanese Kerria

Family: Rosaceae (Ker-ria: named for William Kerr, Kew Gardener and Collector)

#### 'Golden Guinea'

Large golden single flowers (the size of a gold coin), appear in early spring and repeat during the summer. Attractive bright green stems. Blooms and thrives in partial shade.

 5'
   
USDA 5, AHS 9, 3-5'
   
gr 1, spring bloom
 

 Item #: 52062 - 2 1/4" • 52064 - 4"

#### 'Honshu' Dwarf

The largest flowers and the best stem hardiness of all the Kerria selections. Large, rich yellow, single blooms are full and overlapping, and repeat during the summer. Blooms and thrives in partial shade. Selected by Kai Mei and David Parks of Camellia Forest Nursery.

 5'
   
USDA 5, AHS 9, 3-5'
   
gr 1, spring bloom
 

 Item #: 52082 - 2 1/4" • 52084 - 4"

#### 'Pleniflora'

Golden blooms reminiscent of giant dandelions appear when the lilacs are blooming. As a bonus, you will often get a summer rebloom. The attractive kelly green stems provide refreshing winter interest. Thrives in light shade. Award: AGM.

 5'
   
USDA 5, AHS 9, 4-5'
   
gr 1, spring bloom
 

 Item #: 52152 - 2 1/4" • 52154 - 4"

### CAT'S EYE™

This variegated sport of the cultivar (K.) 'Shandale' will light up the shade and provide season long interest its consistent, creamy-white leaf variegation, bright yellow flowers and vivid green stems that shine during the winter months. Compact, upright habit for good container presentation and garden performance.

 5'
   
USDA zone 5, AHS zone 9, 1.5-3' tall and 1-1.5' wide, GR 1
   
Spring bloom
 

 Item #: 52242 - 2 1/4" • 52244 - 4"

## Kolkwitzia amabilis • Beauty Bush

Family: Caprifoliaceae (Kolkwitzia: named for Richard Kolkwitz, 1873, a German botany professor)

### PW PROVEN WINNERS COLOR CHOICE DREAM CATCHER™ (K. a. 'Maradco')

Typical beauty bush is spectacular in bloom but goes into hiding for the rest of the year. Dream Catcher's golden foliage is colorful all summer, and develops splendid golden-orange color in fall. For best performance, plant it in filtered or partial shade. Bred by C. Harkes. Award: Way Hot 100 Garden Design Magazine.

USDA 4, AHS 8, 6-9', gr 1

5' spring bloom      
Item #: 52482 - 2 1/4" • 52484 - 4"  
52485 - Quick Turn

## Lagerstroemia • Crapemyrtle

Family: Lythraceae (Lager-stroe-mia: Named after Magnus Lagerstroem, a friend of Carl Linnaeus)

**Infinitini Series:** An exciting new series of dwarf crapemyrtle developed by noted plant breeder Dr. Mike Uchneat, the guy who invented the Wave petunia and Dragon Wing begonia. The concept behind the breeding was to develop small, container friendly shrubs that could quickly be grown from a spring liner to a finished, saleable, heavy flowered plant in the same season. Mission accomplished.

### PW PROVEN WINNERS COLOR CHOICE INFINITINI® BRITE PINK

(L. 'G2X-13314-3' ppaf)

More flowers, less space! A ball of bright pink flowers that bloom all summer long!

USDA 6b, AHS 12, 2-4', gr 1

5' summer rebloomer      
Item #: 53582 - 2 1/4" • 53584 - 4"  
53585 - Quick Turn

### PW PROVEN WINNERS COLOR CHOICE INFINITINI® MAGENTA

(L. 'G2X-13327-1' ppaf)

A heavy blooming, dense, mounded plant with rich, dark pink-red blooms and clean foliage.

USDA 6b, AHS 12, 2-4', gr 1

5' summer rebloomer      
Item #: 53622 - 2 1/4" • 53624 - 4"  
53625 - Quick Turn

### PW PROVEN WINNERS COLOR CHOICE INFINITINI® ORCHID

(L. 'G2X-13225-1' ppaf)

This compact, low arching plant has loads of showy lavender-purple flowers. This plant fits easily into landscapes and container designs. Has shown good overwinter survival in Happy Valley, PA.

USDA 6b, AHS 12, 2-4', gr 1

5' summer rebloomer      
Item #: 53302 - 2 1/4" • 53304 - 4"  
53305 - Quick Turn

CAT'S EYE™ *Kerria*

### DOUBLE FEATURE® (L. indica 'Whit VI' pp#14,438)

This semi-dwarf, reblooming crapemyrtle has wine-red new growth and abundant ruby-red blooms. It flowers from late June to October, and does not produce seed. A Dr. Whitcomb variety.

15' USDA Zone 7(6), AHS 12, 6-8', gr 1  
summer rebloomer     
Item #: 52792 - 2 1/4" • 52794 - 4"

### DYNAMITE® (L. i. 'Whit II' pp#10,296)

This is the first true red tree-form crapemyrtle, producing cherry red flowers even in full sun and heat. Crimson new growth. Upright form. High mildew resistance. A Dr. Whitcomb variety.

15' USDA 7(6), AHS 12, 10-15', gr 1  
summer rebloomer     
Item #: 52642 - 2 1/4" • 52644 - 4"

### PINK VELOUR® (L. i. 'Whit III' pp#10,319)

Flashy pink flowers and distinct dark wine foliage which peaks in the spring. High mildew resistance. Very showy foliage provides wine landscape color before blooming.

Awards: 2003 Oklahoma Proven selection, GMPA. A Dr. Whitcomb variety.

15' USDA 7(6), AHS 12, 10-12', gr 1  
summer rebloomer     
Item #: 52552 - 2 1/4" • 52554 - 4"

### RED ROCKET® (L. i. 'Whit IV' pp#11,342)

Like Dynamite®, it produces cherry red flowers in hot sunny conditions. New growth is crimson, then dark green. Upright form. High mildew and anthracnose resistance. Huge flower clusters up to 24" tall. May repeat bloom more than Dynamite®. A Dr. Whitcomb variety.

15' USDA 7(6), AHS 12, 10-15', gr 1  
summer rebloomer     
Item #: 52682 - 2 1/4" • 52684 - 4"

### RHAPSODY IN PINK® (L. i. 'Whit VIII' pp#16,616)

Unique soft pink flowers against nearly purple foliage. New growth is almost purple and persists most of the season. Upright form. High mildew resistance. A Dr. Whitcomb variety.

15' USDA 7(6), AHS 12, 10-12', gr 1  
summer rebloomer      
Item #: 52662 - 2 1/4" • 52664 - 4"

### SIREN RED® (L. i. 'Whit VII' pp#14,975)

The darkest red flowers yet, distinctly darker than Dynamite® or Red Rocket®. Darkness/intensity of red is less affected by cool, cloudy conditions. New growth is wine, and then quickly changes to dark green. High mildew resistance. A Dr. Whitcomb variety.

15' USDA 7(6), AHS 12, 8-10', gr 1  
summer rebloomer     
Item #: 52612 - 2 1/4" • 52614 - 4"

### TIGHTWAD RED® (L. i. 'Whit V' pp#11,312)

The true dwarf crapemyrtle with true-red blooms. Sterile flowers do not produce seed pods. Plants grow as a dense half-circle mound with little or no pruning required. The low mound form continues with age. New leaves are wine/red quickly changing to purplish green, then to dark steely green. A Dr. Whitcomb variety.

15' USDA 7(6), AHS 12, 3-4', gr 1.5  
summer rebloomer     
Item #: 52692 - 2 1/4" • 52694 - 4"

INFINITINI® BRITE PINK *Lagerstroemia*

INFINITINI® MAGENTA *Lagerstroemia*

INFINITINI® ORCHID *Lagerstroemia*

SICILIAN SUNSHINE™ *Laurus*

**Laurus nobilis • Sweet Bay**  
Family: Lauraceae

**PW** **SICILIAN SUNSHINE™** (L. 'LNSS' ppaf)  
PROVEN WINNERS  
The next big thing for Mediterranean climate landscapes? We think so. Uniformly crisp chartreuse to gold foliage sets this sweet bay apart from traditional cultivars. It has stronger and more consistent gold color than 'Aurea'. Attractive red petioles add a subtle touch of color.

USDA 8, AHS 10, 6-20', gr 1.5  
foliage interest   
Item #: 52602 - 2 1/4" • 52604 - 4"  
52605 - Quick Turn

**Leptodermis • Leptodermis**  
Family: Rubiaceae (Lepto-dermis: slender skin)

**Leptodermis oblonga**  
A wonderful, little-known shrub with a low mounding habit, leptodermis has small violet-purple, lilac-like blooms that appear in late spring and don't stop until frost. Very fragrant! This little shrub has great commercial potential!

USDA 5, AHS 8, 12-18", gr 1  
spring rebloomer   
Item #: 52702 - 2 1/4" • 52704 - 4"

GOLDEN TICKET® *Ligustrum*

**Ligustrum • Privet**  
Family: Oleaceae (Ligu-strum: ancient Latin name)

**PW** **GOLDEN TICKET®**  
PROVEN WINNERS  
(L. x v. 'NCLX1' ppaf, cbrat)  
Enjoy all the fragrance and color of gold privet without the guilt of growing an invasive plant. Dr. Thomas Ranney of NCSU solved the puzzle by making a wide interspecific cross that resulted in this compact, colorful, eco-friendly flowering shrub. Great as a hedge, specimen, cut or container plant.

USDA 5, AHS 8, 4-6', gr 1  
spring bloom   
Item #: 53782 - 2 1/4" • 53784 - 4"  
53785 - Quick Turn

'SCENTSTATION' *Lonicera*

**Lonicera • Honeysuckle**  
Family: Caprifoliaceae (Lonic-era: after Adam Lonitzer, 1528-1586, German physician and naturalist)

**PW** **'Scentstation'**  
PROVEN WINNERS  
(L. *periclymenum* 'Scentstation' pp#16,240)  
The name says it all! A very showy vine with extremely fragrant yellow flowers blooms from mid-spring to late summer, followed by bright red berries. This floriferous honeysuckle has a very long bloom time, and is a wonderful addition to summer gardens, especially when trained up a trellis or across a fence.

USDA 4, AHS 9, 10' tall and 5' wide, gr 1  
spring rebloomer   
Item #: 54232 - 2 1/4" • 54234 - 4"  
54235 - Quick Turn

SUGAR MOUNTAIN® BLUE *Lonicera*

**Lonicera caerulea • Sweetberry Honeysuckle, Haskaps**  
(Lonic-era: after Adam Lonitzer, cae-rulea: dark blue)

A taste that is reminiscent of raspberries and blueberries, this superfruit is little known outside of Japan and Eastern Europe. Its small, dark blue fruit has big potential for eating fresh or making into sauces, jams, ice creams, yogurt and smoothies. Though it looks like an elongated blueberry, it's so much easier to grow. It is super hardy and not at all fussy about soil. These are true Vitaminberries®, giving you more vitamin C, potassium, and fiber than citrus. They have an extremely high ORAC value and have high levels of anthocyanins, polyphenols and bioflavonoids. Perhaps most importantly, they taste great.

We are pleased to offer two unique series of this special fruit: The SUGAR MOUNTAIN® series comes from Eastern Europe and has more elongated fruit that is excellent for eating fresh or drying. The YEZBERRY™ series was developed in the United States with germplasm from Hokkaido, Japan's northernmost island. Yezberries bloom later, so their flowers are less susceptible to frost damage in milder climates. They have larger, plumper fruit that is great fresh, and especially good for processing into sauces, jam or juice.

**PW** **SUGAR MOUNTAIN® BLUE**  
PROVEN WINNERS  
(L. *caerulea* 'Dolce Vita' ppaf, cbrat)

This new sweetberry honeysuckle is one of the sweetest we've tasted, making it perfect for eating fresh. Developed in the Czech Republic, it gives you big, sweet, tasty berries on an easy to grow hedge plant. This special selection is apomictic, meaning it will fruit without pollination; however, you'll get larger fruit if the plant is cross pollinated by another Sugar Mountain® honeysuckle. Award: Retailers Choice Cultivate 14.

USDA 3, AHS 6, 5-6', gr 1  
summer fruit   
Item #: 54782 - 2 1/4" • 54784 - 4"  
54785 - Quick Turn

**PW** **SUGAR MOUNTAIN® BALALAIKA™**  
PROVEN WINNERS  
(L. c. 'Stimul')

Abundant tangy sweet fruits, up to 1" long and 0.5" wide. This is a good pollinator for Sugar Mountain Blue. It is a great variety for drying and processing. Low maintenance and easy to grow.

USDA 3, AHS 6, 5-6', gr 1  
summer fruit   
Item #: 54522 - 2 1/4" • 54524 - 4"  
54525 - Quick Turn

**PW** **SUGAR MOUNTAIN® EISBÄR™**  
PROVEN WINNERS  
(L. c. '54-57')

Large, tangy-sweet fruits, up to 1.5" long and 0.5" wide. This is a good pollinator for Sugar Mountain Blue. It is a great variety for drying and processing. Low maintenance and easy to grow.

USDA 3, AHS 6, 5-6', gr 1  
summer fruit   
Item #: 54532 - 2 1/4" • 54534 - 4"  
54535 - Quick Turn

**PW** **SUGAR MOUNTAIN® KALINKA™**  
(L. c. 'Indigo')

Very high yielding selection with fruits about 1" long. This is good for processing in to jams and jellies and as a pollinator for Sugar Mountain Blue. It is a great variety for drying and processing. Low maintenance and easy to grow.

USDA 3, AHS 6, 5-6', gr 1  
summer fruit 🌞 ☁️ 🌧️  
Item #: 54542 - 2 1/4" • 54544 - 4"  
54545 - Quick Turn

**PW** **YEZBERRY™ SOLO™**  
(L. caerulea 'Kupu' ppaf, cbraf)

A pure Japanese haskap with very large, plump fruit on a large plant giving very good yields and making harvesting easier. This special selection is apomictic, meaning it will fruit without a pollinator present; however, you get larger fruit and better yields if cross pollinated with another Yezberry™ variety. Good for eating fresh or for processing in to sauces, jams or jellies.

USDA 3, AHS 7, 5-6', gr 1  
summer fruit 🌞 ☁️ 🌧️  
Item #: 54912 - 2 1/4" • 54914 - 4"  
54915 - Quick Turn

**PW** **YEZBERRY™ MAXIE™**  
(L. caerulea 'Chito' ppaf, cbraf)

This pure Japanese haskap variety has the largest fruit we've ever seen. The large, blue fruit is shaped like an olive. It is a large plant similar in shape to Solo™, giving very good yields and making harvesting easier. Requires another Yezberry™ selection for cross pollination and fruit set.

USDA 3, AHS 7, 5-6', gr 1

**SWEET LIFE BERRY®** *Lycium*

**CELTIC PRIDE™** *Microbiota*

## *Lycium* • Goji Berry

Family: Solanaceae

### LIFEBERRY® GOJIS for Healthy Home Gardens

Goji berries are the rage, popular for their antioxidants and other potential health benefits. Goji berries are easy to grow in full sun, although some staking may be necessary for maximum access to the nutrient-rich fruit.

**PW** **BIG LIFE BERRY®** (*L. barbarum* 'SMNDBL')  
 Proven Winners GCOA  
 Extra-large fruit, perfect for home cooks.

## *Magnolia* • Magnolia

Family: Magnoliaceae (Magnol-ia: bears the name of Pierre Magnol, professor)

### 'Ann'

Deep purplish-red blooms appear later than most magnolias, thus are less apt to get frosted. Big, lily-like flowers often repeat during the summer. Awards: PSC.

USDA 4, AHS 9, 10-12', gr 1.5  
 spring bloom 🌞🌸🌧️🌧️🌧️🌸  
 Item #: 55852 - 2 1/4" • 55854 - 4"

### 'Henry Hicks' (*M. virginiana*)

The hardiest evergreen selection of sweet bay magnolia, it has creamy white, lemon-scented flowers in May and June. A magnificent large shrub or small tree that tolerates shade and moist soils. Introduced by Joe McDaniel of the University of Illinois.

USDA 5, AHS 9, 10-20', gr 1.5  
 spring bloom 🌞🌸🌧️🌧️🌧️🌸  
 Item #: 55752 - 2 1/4" • 55754 - 4"

### 'Leonard Messel' (*M. kobus* var. *loebneri*)

A magnificent large shrub/small tree with rose purple buds that open pale pink. Very hardy. Originated at Nymans, Sussex, UK.

USDA 5, AHS 9, 10-15', gr 1.5  
 spring bloom 🌞🌸🌧️🌧️🌧️🌸  
 Item #: 56092 - 2 1/4" • 56094 - 4"

### 'Royal Star' (*M. stellata*)

A superior, vigorous selection of *M. stellata*. Pink buds unfold to pure white, revealing 25 to 30 petals.

USDA 4, AHS 9, 10-15', gr 1.5  
 spring bloom 🌞🌸🌧️🌧️🌧️🌸  
 Item #: 55602 - 2 1/4" • 55604 - 4"

## *Microbiota* • Siberian Cypress

Family: Cupressaceae (Mirco-biota: small living creature)

**PW** **CELTIC PRIDE™** (*M. decussata* 'Prides')  
 Proven Winners GCOA  
 Siberian cypress is a hardy low growing evergreen for sun or shade, but the species is often plagued with unsightly tip dieback. This new selection solves that, as it has superior disease resistance and winter color.

USDA 2, AHS 7, 1-3' tall and 4-5' wide, gr 1  
 evergreen 🌞🌧️🌧️🌧️  
 Item #: 57144 - 4" • 57145 - Quick Turn

### *decussata*

Considered hardy to -40°F, this plant looks like a cross between a creeping juniper and a fern. Graceful, bright green foliage turns a russet copper in winter.

USDA 2, AHS 7, 8-12', gr 1  
 evergreen 🌞🌧️🌧️🌧️  
 Item #: 57104 - 4"

### *FUZZ BALL™* (*M. d.* 'Condisv' pp#20,012)

A sport of the species selected for its soft, juvenile foliage, Fuzz Ball™ is a charming little evergreen with lots of potential. Attractive bronze winter foliage adds to its appeal.

USDA 3, AHS 7, 3' tall and 4' wide, gr 1  
 evergreen 🌞🌧️🌧️🌧️  
 Item #: 57122 - 2 1/4" • 57124 - 4"

## *Parthenocissus quinquefolia* Virginia Creeper

Family: Vitaceae (Partheno: Greek for 'virgin'; kisso: ivy. Quinque: Latin for 'five'; folia: leaves)

**PW** **RED WALL®**  
 Proven Winners GCOA  
 (*P. quinquefolia* 'Troki' ppaf)

It's said that "Good fences make for good neighbors, but fences can be downright ugly. Red Wall® was selected to dress up those miles of stockade fence going up each year. This native vine has glossy, dark green foliage that transforms to fire-engine red in fall. This fast-growing and salt-tolerant vine is the easiest way to create a colorful "green" wall. Native.

USDA 3, AHS 9, 20-30', gr 0.5  
 summer bloom, fall foliage 🌞🌧️🌧️  
 Item#: 57614 - 4" • 57615 - Quick Turn

**PW** **'Yellow Wall'** (*P. q.* 'Yellow Wall' ppaf)

A companion vine for Red Wall® Virginia creeper developed by Szczepan Marczyński of Poland, this vine is noted for its yellow autumn color. A nice native vine for covering fences and walls quickly. Native.

USDA 3, AHS 9, 20-30', gr 0.5  
 summer bloom, fall foliage 🌞🌧️🌧️  
 Item #: 57604 - 4" • 57605 - Quick Turn
