

Built in 1902, this historic 46-room luxury hotel commands a beautiful view of the Straits of Mackinac. Owned and operated by the McIntire family since 1954, the Hotel Iroquois has received acclaim in Condé Nast Traveler magazine's Gold List and Travel & Leisure magazine's top 100 Hotels of the World, and is a multiple Conde Nast Gold List and Travel & Leisure Top 500 recipient. Hotel Iroquois was awarded a perfect 100 location points by Condé Nast Traveler magazine for its beautiful waterfront setting. The McIntire's attention to detail and renowned sense of beauty carry through in every aspect of the hotel, restaurant, and, of course, the gardens. Proven Winners is their exclusive choice for annuals, perennials, and shrubs because of their vibrant color and exceptional performance.

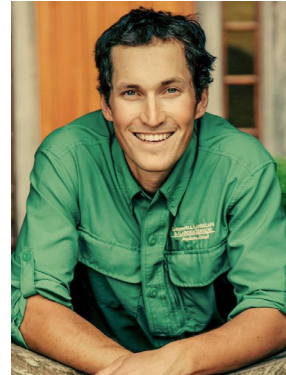

"The Proven Winners® Signature Garden Program was born through the evolution of the garden itself at the Hotel Iroquois on Mackinac Island in Michigan. The gardens at the Iroquois have changed so much over the last ten years since I started designing and caring for them. The recent change, using all Proven Winners plants, came about because every year the gardens improved as I added more and more Proven Winners plant material to the designs. So it made sense to try the next step – design a garden using 100% Proven Winners plant material. Through my relationship with the team at Proven Winners, I was able to access the amazing variety of Proven Winners plants with the confidence that they would perform exceptionally.

The idea of a Proven Winners Signature Garden developed when I witnessed how many people expressed awe at these gardens throughout the summer. And I realized what a great opportunity it would be for the Iroquois to partner

with Proven Winners and display these plants to hotel guests and island visitors. I also realized that the notoriety among gardeners to be a Proven Winners Signature Garden would excite and impress the Iroquois clientele and attract future clients as well. With a firmly established and recognized brand throughout the country, the relationship between the Hotel Iroquois and Proven Winners began to grow and the Signature Garden concept was born. I'm convinced that the Proven Winners Signature Garden program is a unique concept unlike any other."

A Mackinac Island based company*

When you choose a plant for your garden, you want success that you can count on all season. You want beautiful, vibrant blooms and a strong, healthy plant. Proven Winners plants deliver on all counts. They're bred for garden performance and selected to be Proven Winners only after they have passed our rigorous trialing and testing standards. That's what puts them on top. Your garden will be top-notch, too, when you choose from these popular plants, recommended year after year, season after season, by retailers, growers, and gardeners – just like you.

The #1 Plant Brand.™

Since 2010*

HOTEL IROQUOIS

A Proven Winners Signature Garden

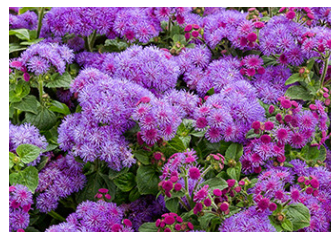

A profusion of fragrant flowers makes Hotel Iroquois' exquisite Victorian-style gardens one of Mackinac Island's finest, most lovingly tended landscapes. Featuring Proven Winners® plants exclusively, the gardens boast an eye-popping array of annuals, perennials and shrubs chosen for their vibrant color and suitability for sun and shade.

Meteor Shower® Verbena
Lollipops of lilac blooms on deep green foliage. A great plant for landscapes and containers. Zones 7-11. Part sun-sun. Height: 20-30".

SUNSATIA® Lemon Nemesia
A colorful, trailing plant for combination containers and landscapes. Zones 10-11. Part sun-sun. Height: 6-10".

ARTIST® Blue Ageratum
Small, fluffy button-like flowers add color all season; no deadheading needed. Zones 9-10. Part sun-sun. Height: 8-12".

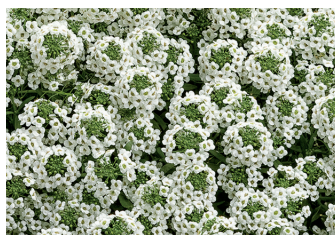

GRACEFUL GRASSES® 'Fireworks' Pennisetum
Variegated red fountain grass is especially dramatic in mass plantings or containers. Zones 9-11. Sun. Height: 24-30".

PEGASUS® Begonia
Deep green, glossy leaves with a silver overlay. It's great in containers underplanted with other shade-loving plants. Zones 9-11. Part shade-shade. Height: 12-16".

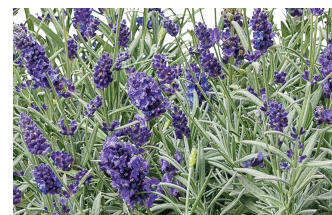

Mystic Illusion Dahlia
Showy star-shaped flowers appear to jump off the dark foliage. Zones 8-11. Full sun. Height: 18-36".

SNOW PRINCESS® Lobularia
Displays mounds of fragrant blooms from spring to frost. Zones 9-11. Sun-part sun. Height: 4-8".

TUFF STUFF™ Hydrangea
Extremely bud hardy and reblooming. Pink lacecap flowers from summer through fall. Zones 5-9. Sun-part shade. Height: 2-3'.

SWEET ROMANCE® Lavandula
Silvery green foliage and rich-colored, long-blooming purple flowers all season. Heat and drought-tolerant. Zones 5-9. Full sun. Height: 12-18".

RAINBOW RHYTHM® 'Going Bananas' Hemerocallis
Everblooming, canary yellow flowers all season. Very easy to grow. Zones 3-9. Part sun-sun. Height: 19-22".

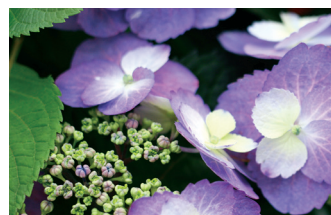

BOLDLY® Dark Red and Lavender Rose Pelargonium
Vibrant blooms top mounding plants all season, blooming well through the heat. Zones 9-11. Full sun. Height: 10-12".

STRATOSPHERE™ Pink Picotee and White Gaura
Wands of delicate flowers hover like butterflies over dark green foliage. Blooms all season. Zones 6-11. Full sun. Height: 12-24".

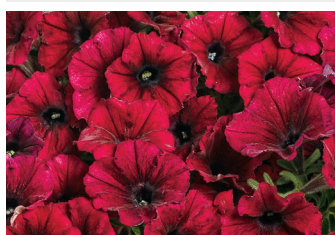

SENIORITA BLANCA® Cleome
Adds dramatic height to beds. Heat and drought-tolerant. Sterile and thornless. Great garden performer. Zones 10-11. Full sun. Height: 24-48".

TINY TUFF STUFF™ Hydrangea
Extremely bud-hardy and reblooming. Abundant lacecap flowers of doubled sepals. Zones 5-9. Sun-part shade. Height: 18-24".

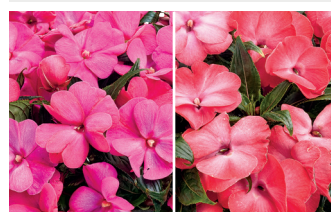

SUPERTUNIA® Bordeaux™ Petunia
One of the most popular petunias ever. Masses of color all season on easy to grow plants. Zones 10-11. Part sun-sun. Height: 6-12".

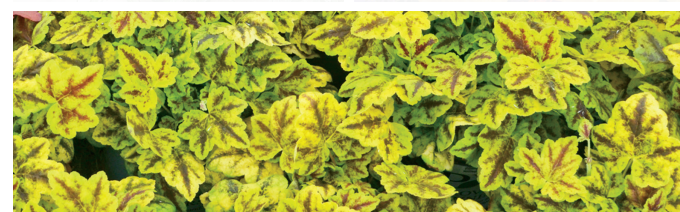

SUPERTUNIA® Black Cherry Petunia
Unique burgundy red flowers with a black throat bloom all season without deadheading. Zones 10-11. Part sun-sun. Height: 6-12".

SUREFIRE® Red and Rose Begonia
Large flower clusters provide all season color in sun or shade. Tough plants for landscapes and containers. Zones 10-11. Sun-shade. Height: 12-24".

INFINITY® Electric Cherry and Electric Coral New Guinea Impatiens
Vigorous, upright plants with large flowers; great flowering color for shaded areas. Zones 10-11. Part shade-shade. Height: 10-14".

FUN AND GAMES® 'Leapfrog' Heucherella
Radiant mounding color for shade gardens. Yellow in spring, lime green in summer, apricot-red in fall. Zones 4-9. Part sun-shade. Height: 10-12".
