Twin Eagle Resource Management, LLC

Houston, Texas 77040

Dear Mr. Tronzo:

We are pleased that Twin Eagle Resource Management, LLC has applied for a license to provide natural gas broker/marketer services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division (“the Companies”).

Since Twin Eagle Resource Management, LLC is not currently operating, and has no immediate plan to operate a Pool on the Peoples systems, we have determined at this time that Twin Eagle Resource Management, LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If the creditworthiness requirement or the Company’s exposure to Twin Eagle Resource Management, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

Sincerely,

Lynda W. Petrichevich
