Bruce McIntyre
Partner and Conference Chair

PricewaterhouseCoopers provides thoughtful analysis of the challenges and opportunities facing business leaders in the forest, paper and packaging industry. Our ongoing thought leadership publications help inform the strategic decisions guiding many of the industry's leading organizations. To access these publications please visit: www.pwc.com/fpp

"I was enormously impressed by the scale of the event and quality of speakers. The networking opportunities were marvellous."

Roger Wright, Hawkins Wright

"The annual event where the global forest industry meets and a great networking opportunity and to hear about global trends."

John Williams, SCA

"The PwC conference is a don't-miss event for forest industry executives. The calibre of speakers and attendees from producers, suppliers, customers and policy-makers is top notch."

David Gandossi, Mercer International
