CHARLES HEIDSIECK (1851)

Charles-Camille Heidsieck, affectionately known as Champagne Charlie, was a notorious wine merchant with an insatiable spirit. He and his house would undergo a tumultuous journey (including a brief stint in a Louisiana prison) in their pursuit of success. Over 170 years later, with a lineage of visionary chef de caves adding to the legacy, it's safe to say the Charles Heidsieck House is more comfortable and confident in who they are where they're going than ever before.

Non-Vintage

NV Charles Heidsieck Brut Réserve 190

The Non-Vintage is the quintessential House style for any Champagne, but the Charles Heidsieck Brut Réserve acts as a gateway to exploring the labyrinth of premium cuvées without sacrificing quality or blowing the budget. Quite the contrary, the Brut Réserve offers exceptional value with more than 40% Réserve wine stocks, adding to the layers of fruit, toast and spice. Expect crunchy orchard fruit, buttered biscuits, and nougat. (dosage 10g/l)

NV Charles Heidsieck Brut Rosé 295

Staying true to the signature style, the NV Rosé comes from 60 crus, each vinified separately, as well as by variety. The 5-6% red wine which gifts this wine is salmon-hue comes from Les Riceys. Expect an array of red fruits – red cherry, berry compote, layered with spice and chestnuts. (dosage 11g/l)

Vintage

2012 Charles Heidsieck Brut Millésimé 400

Now a decade old, the 2012 vintage is a spectacular example of vintage champagne, rich and layered, bursting with quince, apple and lemon rind. The vintage itself has been deemed the best of the decade, despite very challenging weather conditions throughout the year, turning out small quantities of exceptional champagne. (dosage 8g/l)

1989 Charles Heidsieck Brut Millésimé - 750ml/ 1500ml 1100/ 2335

What started as a temperamental vintage with mild bouts of frost, turned warm and sunny, providing a vintage with excellent ageing potential. Expect toast, saffron and honey, layered upon baking spices of ginger and cardamom. (dosage 11g/l)

1985 Charles Heidsieck Brut Rosé Réserve 1465

The winter leading into the growing season of 1985 saw extreme temperature freezes (-30°C for several days) invariably devastating some of the region's vines. But from there the season picked up and warm beautiful summer months means 1985 remains a memorable vintage in many vine growers' memories. A copper-pink hue lures you into a bouquet of summer berries, red apples, and baking spice. Touched by a note of coffee and a long luxurious finish. (dosage 11g/l)

*"To drink a glass is to understand who you are,
who he is."*

Charles Heidsieck

Blanc des Millénaires

Released for the first time in 1983, and only 6 times since, the Blanc des Millénaires is the current house prestige cuvée. Made solely from Chardonnay, each vintage released seeks to balance the richness and texture of the House with the vivacious minerality of the Côte des Blancs.

2007 Charles Heidsieck Blanc des Millénaires 970

The newest incarnation of Blanc des Millénaires sources grapes sourced from the villages of Cramant, Avize, Oger, Le Mesnil-sur-Oger and Vertus. Aged on lees for 12 years, this interpretation strikes the perfect balance between brightness and power for which Charles Heidsieck's champagnes are known. (dosage 7.3g/l)

1995 Charles Heidsieck Blanc des Millénaires 1015

Crafted by chef de cave Thierry Roset, the 1995 Blanc de Millénaires is a true homage to the legacy of Charles Heidsieck winemakers. And now, more than 25 years later, this wine is a shining example of ageing potential and quality artisanship. Expect baked orchard fruit, truffles, layered between wax and citrus peel. Take your time with this one, as each sip is sure to reveal something new. (dosage 8g/l)

Champagne Charlie

As a tribute to the exuberant nature of its founder, the House created the Champagne Charlie prestige cuvée. Prior to the revival of the historic cuvée, only 5 vintages have existed: 1979, 1981, 1982, 1983, and 1985.

1981 Charles Heidsieck Champagne Charlie 2050

A difficult year where frosts took 20-25% of the potential crop and a challenging flowering reduced the yields even further. The Chardonnay and Pinot Noir that remained were elegant, youthful and showed enormous ageing potential. Expect floral and earthy aromas, honey and wax, notes of melon and dried fruits. (dosage 12g/l)

1982 Charles Heidsieck Champagne Charlie - 1500ml 3300

Still considered one of the best vintages of the decade, the 1982 harvest was abundant and equally excellent in each variety. Considering the age, it remains fresh on the palate with mandarin peel, mushroom, tobacco and sweet baking spices. (dosage 12g/l)

1985 Charles Heidsieck Champagne Charlie 2220

Another vintage struck by frost, concentrated the remaining grapes and developed a wine of power and richness. The last ever release of the Champagne Charlie cuvée. A mature wine. Expect flavours of patisserie wrapped around grilled hazelnuts, coffee, baked apples, and warm citrus tones. (dosage 11g/l)

Cuvée La Royale

1981 Charles Heidsieck Cuvée La Royale 2430

First launched in 1963, The Cuvée La Royale has released seven vintages; of which the 1973 was served at the wedding ceremony of Prince Charles and Lady Diana. The 1981 was the last of this cuvée to go to market. Incredibly small quantities were made in this stunning, but rare vintage. Expect cooked apricots and candied citrus, balanced by caramel undertones and a nutty finish. (dosage 10g/l)

CHAMPAGNE

When listing our Champagnes, we have eschewed the traditional manner of listing non-vintage followed by vintage wines. Instead, we have chosen to note the varietal weight, the cellar master who crafted the wines and the villages from which the grapes have been sourced. Each cuvée also references the date when it was disgorged, to further showcase the nuance of the wines and offer different iterations of the same Champagnes.

CHAMPAGNE BLANC - NM (NÉGOCIANT MANIPULANT)

CHAMPAGNE ROSÉ - RM (RÉCOLTANT MANIPULANT)

Grower Champagne houses produce and market their own labels from fruit grown on their own estate managed vineyards. These are typically smaller production wines that exhibit the intricacies of their terroir.
