APPLIES TO ALL THREE SHOWS SCHEDULE OF POINTS FOR DIVISION 2 — EFFECTIVE MAY 11, 2021

Division 2 is comprised of: Delaware, New Jersey, New York, Pennsylvania

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of **both** sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of **its own sex** that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

NOTICE: An agent is a person 18 years or older, other than an owner or co-owner, designated by the owner or co-owner of an exhibit to be handler of, and responsible for, the dog at the show. Agents' names may be followed by the initials which represent their AKC-recognized professional group affiliation or certification. Persons seeking the services of such an agent should familiarize themselves with the requirements for professional group membership or certifications which are available at the superintendent's office.

***Point Schedules for Dogs and Bitches of each breed can be found
with their respective listings in the catalog.***

RAMP INFO

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required.

The entire entry in a breed is to be examined in the same manner (ground, table or ramp).

At the discretion of the judge, the following breeds may be judged on the ground or on a ramp through all levels of competition including Group and Best in Show judging: Clumber Spaniel, English Springer Spaniels, Field Spaniels, Sussex Spaniels, Welsh Springer Spaniels, Irish Terriers, Kerry Blue Terriers, Soft Coated Wheaten Terriers, Staffordshire Bull Terriers, Chinese Shar-Pei, Keeshonden, Norwegian Buhunds, Polish Lowland Sheepdogs and Norrbottenspets (Misc).

At the discretion of the judge the following breed may be judged on the table or on a ramp through all levels of competition including Group and Best in Show judging: Cardigan Welsh Corgis.

At the discretion of the judge through all levels of competition including Group and Best in Show judging, the following breeds may be judged on the ground, a ramp or on a table: Boykin Spaniels and Whippets.

The following breeds must be judged on a ramp through all levels of conformation competition: Basset Hounds, Bulldogs and Chow Chows. This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Group, BIS, Junior Showmanship, the 4-6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offers Group and BIS competitions.

Ramps may be used in emergency situations to judge any ground breed. In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund.

For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds.

New Brunswick Kennel Club Scholarship Recipient

Hello! My name is Chandler Navara and I am from East Brunswick, NJ, where I grew up and my family still resides. I am a 2021 graduate of the University of Pennsylvania School of Veterinary Medicine. I got my Bachelor's and Master's degree from Lehigh University in Environmental Science and then came back to work in Old Bridge, NJ, as a technician at the Route 516 Animal Hospital before continuing my veterinary degree. My miniature dachshund, Rudy, is my favorite member of my family but I have also owned a variety of animals over the years. I plan to work in the field of wildlife and conservation medicine, ideally back in NJ, to start a family of my own. I volunteer at a local animal shelter and various wildlife rescues, where I will continue to give back. Whenever I have free time, I like to find funky restaurants, play soccer, and spend time at the beach. Thank you for selecting me to be the New Brunswick Kennel Club 2019 and 2020 Scholarship recipient!
