Euro Medium Term Note Programme

This Base Prospectus has been approved by the United Kingdom Financial Services Authority (the "FSA"), which is the United Kingdom competent authority for the purposes of Directive 2003/71/EC (the "Prospectus Directive") and relevant implementing measures in the United Kingdom, as a base prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of medium term notes and/or other debt instruments ("Notes") under the debt issuance programme described herein (the "Programme") during the period of 12 months after the date hereof. Applications have been made for such Notes to be admitted during the period of 12 months from the date of this document to listing on the Official List of the FSA (the "Official List") and to trading on the Regulated Market of the London Stock Exchange plc (the "London Stock Exchange"). The Regulated Market of the London Stock Exchange is a regulated market for the purposes of Directive 2004/39/EC on markets in financial instruments. The Programme also permits Notes to be issued on the basis that they will not be admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system or to be admitted to listing, trading and/or quotation by such other or further competent authorities, stock exchanges and/or quotation systems as may be agreed with the Issuer.

The Notes are not guaranteed by PACCAR Inc ("PACCAR") but PACCAR Financial Europe B.V. (the "Issuer") has the benefit of a keep well agreement dated 18 July 2001 (the "Keep Well Agreement") between the Issuer and PACCAR, see "Keep Well Agreement."

There are certain risks related to any issue of Notes under the Programme, which investors should ensure they fully understand (see "Risk Factors" on page 7 of this Base Prospectus).

This Base Prospectus has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (2003/71/EC) (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by Final Terms in relation to the offer of those Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

- Ratings:** Notes issued under the Programme may be rated or unrated. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating applicable to the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
- Selling Restrictions:** Offers, sales and deliveries of Notes and distribution of offering material will (unless otherwise specified in the relevant Final Terms) be subject to restrictions with respect to the United States of America, the European Economic Area, the United Kingdom, The Netherlands/Global and Japan, all as set out under "Subscription and Sale" below, and all other applicable selling restrictions.
- Risk Factors:** Investing in the Notes involves certain risks, some of which have been identified by the Issuer and PACCAR and are set out in more detail below in "Risk Factors." Risk factors identified include general business risk factors which may affect the ability of the Issuer and PACCAR to fulfil their respective obligations under the Notes and the Keep Well Agreement. These general business risk factors include but are not limited to: national and local economic, political and industry conditions; changes in the levels of new business volume due to unit fluctuations in new DAF truck sales; changes in competitive factors; changes affecting the profitability of truck owners and operators; price changes impacting equipment costs and residual values; changes in costs and availability of external funding sources; and legislation and governmental regulation.

RISK FACTORS

Prospective investors should read the entire Base Prospectus. Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section.

Investing in the Notes involves certain risks. Prospective investors should consider the following:

Risks relating to the Issuer and its subsidiaries

The commercial truck and trailer finance and leasing business is highly competitive among banks, commercial finance companies, captive finance companies and leasing companies. Many of these institutions have substantially greater financial resources than the Issuer and its subsidiaries and may borrow funds at lower rates. The dealers are the primary source of contracts acquired by the Issuer. However, dealers are not required to obtain financing from the Issuer and they have a variety of other sources that may be used for wholesale and customer financing of trucks. Retail purchasers also have a variety of sources available to finance truck purchases. The ability of the Issuer to compete in its market is principally based on the rates, terms and conditions that the Issuer offers dealers and retail purchasers, as well as the specialized services it provides. Rates, terms and conditions are based on the Issuer's desire to provide flexible financing and services to satisfy dealer and customer needs, the ability of the Issuer to borrow funds at competitive rates and the Issuer's need to earn an adequate return on its invested capital. Seasonality is not a significant factor in the Issuer's or its subsidiaries' business. The Issuer's business and the business of its subsidiaries is affected by changes in market interest rates and currency exchange rates, which in turn are related to general economic conditions, demand for credit, inflation and governmental policies. The volume of receivables available to be acquired by the Issuer from dealers is largely dependent upon the number of DAF trucks sold in the Issuer's areas of operations. Sales of trucks depend on the capital equipment requirements of the transportation industry, which in turn are influenced by growth and cyclical variations in the economy. Truck sales are also sensitive to economic factors such as fuel availability and costs, interest rates, currency exchange rates, insurance premiums and taxes, as well as government regulations. The factors affecting the sale of new trucks, as listed above, also affect the profitability of truck operators and the value of used trucks, which in turn affect the credit losses experienced by the Issuer and its subsidiaries. The Issuer has established reasonable estimates for allowances for credit losses and residual values for equipment on operating leases, but unexpected changes in the previously listed factors could cause the credit losses experienced and residual values realized to differ from the estimates.

Risks relating to PACCAR

Business and Industry Risks

The commercial truck market demand is variable.

Demand for commercial vehicles depends to some extent on economic and other conditions in a given market and the introduction of new vehicles and technologies. The yearly demand for commercial vehicles may increase or decrease more than overall gross domestic product in markets PACCAR serves which are principally North America and Western Europe. Demand may also be affected by factors impacting new truck prices such as costs of raw materials and components and cost of compliance with governmental regulations (including tariffs, engine emissions regulations, import regulations and taxes).

The financial services industry is highly competitive.

PACCAR competes with banks, other commercial finance companies and financial services firms which may have lower costs of borrowing, higher leverage or market share goals that result in a willingness to offer lower interest rates, which may lead to decreased margins, lower market share or both. A decline in PACCAR's commercial truck unit sales, an increase in residual value risk due to lower used truck pricing and increased funding costs are also factors which may negatively affect PACCAR's financial services operations.

The financial services segment is subject to credit risk.

The financial services segment is exposed to the risk of loss arising from the failure of a customer, dealer or counterparty to meet the terms of the loans, leases and derivative contracts with PACCAR. Although the financial assets of the financial services segment are secured by underlying equipment

collateral, in the event a customer cannot meet its obligations to PACCAR, there is a risk that the value of the underlying collateral will not be sufficient to recover the amounts owed to PACCAR resulting in credit losses.

Political, Regulatory and Economic Risks

PACCAR's operations could be subject to currency and interest rate fluctuations. PACCAR's consolidated financial statements, which are presented in U.S. dollars, are affected by foreign currency exchange fluctuations through both translation and transaction risk. PACCAR uses certain derivative financial instruments and localized production of its products to reduce, but not eliminate, the effects of interest rate and foreign currency exchange rate fluctuations.

PACCAR may be adversely affected by political instabilities, fuel shortages or interruptions in transportation systems, natural calamities, wars, terrorism and labour strikes. PACCAR is subject to various risks associated with conducting business worldwide.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes would generally have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may change significantly (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (i) the Investor's Currency-equivalent yield on the Notes, (ii) the Investor's Currency-equivalent value of the principal payable on the Notes and (iii) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit risks

Credit or corporate ratings may not reflect all risks. One or more independent rating agencies may assign ratings to the Notes and/or the Issuer. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this paragraph, and other factors that may affect the value of the Notes or the standing of the Issuer. A credit rating and/or a corporate rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common of such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "**Relevant Factor**"). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be very volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;

- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks related to Notes generally

Modification and waiver

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

The conditions of the Notes are based on the laws of England in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to the laws or administrative practice of England after the date of this Base Prospectus.

European Monetary Union

If the United Kingdom joins the European Monetary Union prior to the maturity of the Notes, there is no assurance that this would not adversely affect investors in the Notes. It is possible that prior to the maturity of the Notes the United Kingdom may become a participating Member State and that the euro may become the lawful currency of the United Kingdom. In that event (i) all amounts payable in respect of any Notes denominated in sterling may become payable in euro; (ii) the law may allow or require such Notes to be re-denominated into euro and additional measures to be taken in respect of such Notes; and (iii) there may no longer be available published or displayed rates for deposits in sterling used to determine the rates of interest on such Notes or changes in the way those rates are calculated, quoted and published or displayed. The introduction of the euro could also be accompanied by a volatile interest rate environment, which could adversely affect investors in the Notes.

Denominations

In relation to any issue of Notes which have a denomination consisting of the minimum Specified Denomination plus a higher integral multiple of another smaller amount, it is possible that the Notes may be traded in amounts in excess of EUR 50,000 (or its equivalent) that are not integral multiples of EUR 50,000 (or its equivalent). In such a case a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum Specified Denomination may not receive a

Definitive Note in respect of such holding (should Definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

Each Temporary Global Note which is not intended to be issued in NGN form, as specified in the relevant Final Terms will be deposited on or around the issue date of the relevant Tranche of the Notes with a depository or a common depository for Euroclear Bank S.A./N.V, having its office at 1 Boulevard du Roi Albert II, B-1210 Brussels, ("**Euroclear**") and/or Clearstream Banking, société anonyme, Luxembourg, having its office at 41 Avenue JF Kennedy, L-1855 Luxembourg, ("**Clearstream, Luxembourg**") and/or any other relevant clearing system. The relevant Final Terms will specify that U.S. Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes.

Temporary Global Note exchangeable for Permanent Global Note

The Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a permanent global note (a "**Permanent Global Note**," and together with the Temporary Global Note, the "**Global Notes**" and each a "**Global Note**"), without interest coupons, not earlier than 40 days after the later of the commencement of the offer and the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure (in the case of first exchange) the prompt delivery (free of charge to the bearer) of such Permanent Global Note to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (ii) receipt by the Fiscal Agent of a certificate or certificates of non-U.S. beneficial ownership, within seven days of the bearer requesting such exchange.

The principal amount of the Permanent Global Note shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership; *provided, however, that* in no circumstances shall the principal amount of the Permanent Global Note exceed the initial principal amount of the Temporary Global Note.

The Permanent Global Note will be exchangeable in whole, but not in part, for Notes in definitive form ("**Definitive Notes**"):

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

Temporary Global Note exchangeable for Definitive Notes

If the relevant Final Terms specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes," then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable in whole for Definitive Notes not earlier than 40 days after the later of the commencement of the offering and the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions which, as supplemented, amended and/or replaced by the relevant Final Terms, will be endorsed on each Note in definitive form issued under the Programme. The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "Summary of Provisions Relating to the Notes while in Global Form" below. All capitalised terms that are not defined in the terms and conditions shall have the meanings given to them in the relevant Final Terms. References in the terms and conditions to "Notes" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

1. Introduction

- (a) *Programme:* PACCAR Financial Europe B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of The Netherlands, having its corporate seat at Eindhoven (the "**Issuer**") has established a Euro Medium Term Note Programme (the "**Programme**") for the issuance of up to €1,500,000,000 in aggregate principal amount of notes (the "**Notes**").
- (b) *Final Terms:* Notes issued under the Programme are issued in series (each a "**Series**") and each Series may comprise one or more tranches (each a "**Tranche**") of Notes. Each Tranche is the subject of Final Terms (the "**Final Terms**") which supplements these terms and conditions (the "**Conditions**"). The terms and conditions applicable to any particular Tranche of Notes are these Conditions as supplemented, amended and/or replaced by the relevant Final Terms. In the event of any inconsistency between these Conditions and the relevant Final Terms, the relevant Final Terms shall prevail.
- (c) *Agency Agreement:* The Notes are the subject of and issued pursuant to an amended and restated agency agreement dated 7 July 2008 (the "**Agency Agreement**") between the Issuer, Citibank, N.A., London Branch as fiscal agent (the "**Fiscal Agent**," which expression includes any successor fiscal agent appointed from time to time in connection with the Notes) and the paying agents named therein (together with the Fiscal Agent, the "**Paying Agents**," which expression includes any successor or additional paying agents appointed from time to time in connection with the Notes) and with the benefit of a deed of covenant dated 7 July 2008 (the "**Deed of Covenant**") executed by the Issuer in relation to the Notes.

Copies of the relevant Final Terms are available during normal business hours at the Specified Office of the Fiscal Agent or at the office of the Paying Agent in London, the initial Specified Offices of which are set out below.
- (e) *Summaries:* Certain provisions of these Conditions are summaries of the Agency Agreement and are subject to their detailed provisions. The holders of the Notes (the "**Noteholders**") and the holders of the related interest coupons, if any, (the "**Couponholders**" and the "**Coupons**," respectively) are bound by, and are deemed to have notice of, all the provisions of the Agency Agreement applicable to them. The Notes are in bearer form in the Specified Denomination(s) with Coupons and, if specified in the relevant Final Terms, Talons attached at the time of issue. In the case of a Series of Notes with more than one Specified Denomination, Notes of one Specified Denomination will not be exchangeable for Notes of another Specified Denomination. In the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive, the minimum

The Notes constitute direct, general, unconditional, unsubordinated and (without prejudice to the provisions of Condition 5 (*Negative Pledge*)) unsecured obligations of the Issuer which will at all times rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured and unsubordinated obligations of the Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application and subject to Condition 5 (*Negative Pledge*).

5. **Negative Pledge**

After the date hereof, the Issuer will not itself, and will not permit any Subsidiary of the Issuer to, create, incur or suffer to exist, any Lien on any Property of the Issuer or any Subsidiary of the Issuer securing any Restricted Debt, without effectively providing that the Notes (together with, if the Issuer shall so determine, any other indebtedness of the Issuer or such Subsidiary then existing or thereafter created) shall be secured equally and rateably with (or, at the option of the Issuer, prior to) such secured Restricted Debt, so long as such secured Restricted Debt shall be so secured, unless, after giving effect thereto, the aggregate amount of all Restricted Debt of the Issuer and its Subsidiaries secured by Liens on Property of the Issuer and its Subsidiaries would not exceed 15% of Consolidated Assets; *provided, however, that* this Condition 5 shall not apply to, and there shall be excluded from Restricted Debt secured by Liens in any computation under this Condition 5, Restricted Debt secured only by:

- (i) Liens on Property of, or on any shares of capital stock of, any corporation existing at the time such corporation becomes a Subsidiary of the Issuer;
- (ii) Liens in favour of the Issuer or any Subsidiary of the Issuer or Liens securing any indebtedness of a Subsidiary to the Issuer or of the Issuer or a Subsidiary to a Subsidiary of the Issuer;
- (iii) Liens in favour of any governmental body (or surety for any governmental body) to secure progress, advance or other payments pursuant to any contract or provision of any statute or rule of court;
- (iv) Liens of any other creditors on Property repossessed in the ordinary course of business which comprises collateral security for defaulted indebtedness or additional Liens created on any such Property for the purpose of protecting the interest of the Issuer therein;
- (v) A banker's Lien or other right of offset in favour of any lender or other holder of Restricted Debt on money deposited with such lender or holder in the ordinary course of business;
- (vi) Liens on Property and rentals therefrom existing at the time of acquisition thereof, or to secure the payment of all or any part of the purchase price thereof or construction thereon or to secure any Restricted Debt incurred prior to, at the time of, or within 180 days after the later of the acquisition of such Property or the completion of construction for the purpose of financing all or any part of the purchase price thereof or construction thereon; or
- (vii) Any extension, renewal or replacement (or successive extensions, renewals or replacements), as a whole or in part, of any Lien referred to in the foregoing clauses (i) through (vi), inclusive; *provided, however, that* such extension, renewal or replacement Lien shall be limited to all or part of the same Property that secured the Lien extended, renewed or replaced (plus improvements on such Property).

For purposes of this Condition 5 an "acquisition" of Property shall include any transaction or Series of transactions by which the Issuer or a Subsidiary of the Issuer acquires, directly or indirectly, an interest, or an additional interest (to the extent thereof), in such Property, including without limitation an acquisition through merger or consolidation with, or an acquisition of an interest in, a Person owning an interest in such Property.

6. Fixed Rate Note Provisions

- (a) *Application:* This Condition 6 (*Fixed Rate Note Provisions*) is applicable to the Notes only if the Fixed Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 11 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Fixed Coupon Amount:* The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.
- (d) *Calculation of interest amount:* The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

7. Floating Rate Note and Index-Linked Interest Note Provisions

- (a) *Application:* This Condition 7 (*Floating Rate Note and Index-Linked Interest Note Provisions*) is applicable to the Notes only if the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 11 (*Payments*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Screen Rate Determination:* If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:
 - (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;

- (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; *provided, however, that* if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

- (d) *ISDA Determination:* If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms; and
 - (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Final Terms.
- (e) *Index-Linked Interest:* If the Index-Linked Interest Note Provisions are specified in the relevant Final Terms as being applicable, the Rate(s) of Interest applicable to the Notes for each Interest Period will be determined in the manner specified in the relevant Final Terms.
- (f) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (g) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The

Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant note divided by the Calculation amount. For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

- (h) *Calculation of other amounts:* If the relevant Final Terms specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Final Terms.
- (i) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each listing authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.
- (j) *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

8. **Zero Coupon Note Provisions**

- (a) *Application:* This Condition 8 (*Zero Coupon Note Provisions*) is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Late payment on Zero Coupon Notes:* If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

9. **Dual Currency Note Provisions**

- (a) *Application:* This Condition 9 (*Dual Currency Note Provisions*) is applicable to the Notes only if the Dual Currency Note Provisions are specified in the relevant Final Terms as being applicable.

- (b) *Rate of Interest:* If the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

10. **Redemption and Purchase**

- (a) *Scheduled redemption:* Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 11 (*Payments*).
- (b) *Redemption for tax reasons:* The Notes may be redeemed at the option of the Issuer in whole, but not in part:
- (i) at any time (if neither the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are specified in the relevant Final Terms as being applicable); or
 - (ii) on any Interest Payment Date (if the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are specified in the relevant Final Terms as being applicable),

on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if:

- (A) (x) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 12 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of The Netherlands or the United States of America or the United Kingdom or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and (y) such obligation cannot be avoided by the Issuer taking reasonable measures available to it; or
- (B) the Issuer shall determine that any payment made outside the United States by the Issuer or any Paying Agents in respect of any Note or Coupon appertaining thereto would, under any present or future laws or regulations of the United States affecting taxation or otherwise, be subject to any certification, information or other reporting requirement of U.S. law or regulation with regard to the nationality, residence or identity of a beneficial owner, who is not a U.S. Person, of such instrument or Coupon (other than a requirement that: (x) would not be applicable to a payment made (1) directly to the beneficial owner or (2) to a custodian, nominee or other agent of the beneficial owner; or (y) could be satisfied by the holder, custodian, nominee or other agent certifying that the beneficial owner is not a U.S. Person, *provided, however, that* in each case referred to in (x)(2) or (y) payment by any such custodian, nominee or agent to the beneficial owner is not otherwise subject to any requirement referred to in this sentence; or (z) would not be applicable to a payment made by at least one paying agent),

provided, however, that no such notice of redemption shall be given earlier than:

- (1) where the Notes may be redeemed at any time, 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due; or
- (2) where the Notes may be redeemed only on an Interest Payment Date, 60 days prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent (A) a certificate signed by two members of the Board of Management of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to

redeem have occurred of and (B) (in the case of redemption under Condition 10(b)(A)) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment. Upon the expiry of any such notice as is referred to in this Condition 10(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 10(b).

- (c) *Redemption at the option of the Issuer:* If the Call Option is specified in the relevant Final Terms as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Final Terms, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any) to such date).
- (d) *Partial redemption:* If the Notes are to be redeemed in part only on any date in accordance with Condition 10(c) (*Redemption at the option of the Issuer*), the Notes to be redeemed shall be selected by the drawing of lots in such place and in such manner as may be fair and reasonable in the circumstances, taking into account prevailing market practices, subject to compliance with applicable law and the rules of each listing authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation, and the notice to Noteholders referred to in Condition 10(c) (*Redemption at the option of the Issuer*) shall specify the serial numbers of the Notes so to be redeemed. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.
- (e) *Redemption at the option of Noteholders:* If the Put Option is specified in the relevant Final Terms as being applicable, the Issuer shall, at the option of the holder of any Note, redeem such Note on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date. In order to exercise the option contained in this Condition 10(e), the holder of a Note must, not less than 30 nor more than 60 days before the relevant Optional Redemption Date (Put), deposit with any Paying Agent such Note together with all unmatured Coupons relating thereto and a duly completed Put Option Notice in the form obtainable from any Paying Agent. The Paying Agent with which a Note is so deposited shall deliver a duly completed Put Option Receipt to the depositing Noteholder. No Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 10(e), may be withdrawn; *provided, however, that* if, prior to the relevant Optional Redemption Date (Put), any such Note becomes immediately due and payable or, upon due presentation of any such Note on the relevant Optional Redemption Date (Put), payment of the redemption moneys is improperly withheld or refused, the relevant Paying Agent shall mail notification thereof to the depositing Noteholder at such address as may have been given by such Noteholder in the relevant Put Option Notice and shall hold such Note at its Specified Office for collection by the depositing Noteholder against surrender of the relevant Put Option Receipt. For so long as any outstanding Note is held by a Paying Agent in accordance with this Condition 10(e), the depositor of such Note and not such Paying Agent shall be deemed to be the holder of such Note for all purposes.
- (f) *No other redemption:* The Issuer shall not be entitled to redeem the Notes otherwise than as provided in paragraphs (a) to (e) above.
- (g) *Early redemption of Zero Coupon Notes:* Unless otherwise specified in the relevant Final Terms, the Redemption Amount payable on redemption of a Zero Coupon Note at any time before the Maturity Date shall be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Note becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Final Terms for the purposes of this Condition 10(g) or, if none is so specified, a Day Count Fraction of 30E/360.

- (h) *Purchase:* The Issuer or any of its Subsidiaries may at any time purchase Notes in the open market or otherwise and at any price, provided that all unmatured Coupons are purchased therewith.
- (i) *Cancellation:* All Notes so redeemed or purchased by the Issuer or any of its Subsidiaries and any unmatured Coupons attached to or surrendered with them shall be cancelled and may not be reissued or resold.

11. **Payments**

- (a) *Principal:* Payments of principal shall be made only against presentation and (provided that payment is made in full) surrender of Notes at the Specified Office of any Paying Agent outside the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency (in the case of a sterling cheque, a town clearing branch of a bank in the City of London). No payments on Notes will be made by mail to an address in the United States of America or by transfer to an account maintained in the United States of America.
- (b) *Interest:* Payments of interest shall, subject to paragraph (h) below, be made only against presentation and (provided that payment is made in full) surrender of the appropriate Coupons at the Specified Office of any Paying Agent outside the United States in the manner described in paragraph (a) above.
- (c) *Payments in The City of New York:* Payments of principal or interest in U.S. dollars may be made at the Specified Office of a Paying Agent in The City of New York if (i) the Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Notes in U.S. dollars when due, (ii) payment of the full amount of such interest in U.S. dollars at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) payment is permitted by applicable United States law.
- (d) *Payments subject to fiscal laws:* All payments in respect of the Notes are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 12 (*Taxation*). No commissions or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) *Deductions for unmatured Coupons:* If the relevant Final Terms specifies that the Fixed Rate Note Provisions are applicable and a Note is presented without all unmatured Coupons relating thereto:
 - (i) if the aggregate amount of the missing Coupons is less than or equal to the amount of principal due for payment, a sum equal to the aggregate amount of the missing Coupons will be deducted from the amount of principal due for payment; *provided, however, that* if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of such missing Coupons which the gross amount actually available for payment bears to the amount of principal due for payment;
 - (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (A) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the "**Relevant Coupons**") being equal to the amount of principal due for payment; *provided, however, that* where this sub-paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and

- (B) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; *provided, however, that*, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in paragraph (a) above against presentation and (provided that payment is made in full) surrender of the relevant missing Coupons.

- (f) *Unmatured Coupons void*: If the relevant Final Terms specifies that this Condition 11(f) is applicable or that the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are applicable, on the due date for final redemption of any Note or early redemption of such Note pursuant to Condition 10(b) (*Redemption for tax reasons*), Condition 10(e) (*Redemption at the option of Noteholders*), Condition 10(c) (*Redemption at the option of the Issuer*) or Condition 13 (*Events of Default*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.
- (g) *Payments on Business Days*: If the due date for payment of any amount in respect of any Note or Coupon is not a Payment Business Day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- (h) *Payments other than in respect of matured Coupons*: Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Notes at the Specified Office of any Paying Agent outside the United States (or in The City of New York if permitted by paragraph (c) above).
- (i) *Partial payments*: If a Paying Agent makes a partial payment in respect of any Note or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.
- (j) *Exchange of Talons*: On or after the maturity date of the final Coupon which is (or was at the time of issue) part of a Coupon Sheet relating to the Notes, the Talon forming part of such Coupon Sheet may be exchanged at the Specified Office of the Fiscal Agent or at the office of the Paying Agent in London for a further Coupon Sheet (including, if appropriate, a further Talon but excluding any Coupons in respect of which claims have already become void pursuant to Condition 14 (*Prescription*)). Upon the due date for redemption of any Note, any unexchanged Talon relating to such Note shall become void and no Coupon will be delivered in respect of such Talon.

12. **Taxation**

- (a) *Gross up*: All payments of principal and interest in respect of the Notes and the Coupons by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of The Netherlands, the United States of America or the United Kingdom or any political subdivision therein or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts as will result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Note or Coupon presented for payment:
- (i) by or on behalf of a holder which is liable for such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of its having some connection with the jurisdiction by which such taxes, duties, assessments or charges

- have been imposed, levied, collected, withheld or assessed other than the mere holding of the Note or Coupon; or

- (a) *Non-payment:* the Issuer fails to pay any amount of principal in respect of the Notes on the due date for payment thereof or fails to pay any amount of interest in respect of the Notes within 14 days of the due date for payment thereof; or
- (b) *Breach of other obligations:* the Issuer defaults in the performance or observance of any of its other obligations under or in respect of the Notes and such default remains unremedied for 30 days after written notice thereof, addressed to the Issuer by any Noteholder has been delivered to the Issuer or to the Specified Office of the Fiscal Agent; or
- (c) *Cross-default of Issuer:* the Issuer defaults under any Indebtedness, whether such Indebtedness now exists or shall hereafter be created, which default shall have resulted in Indebtedness in an aggregate principal amount exceeding €10,000,000 (or its equivalent in any other currency or currencies) (except that such euro amount shall not apply with respect to a default with respect to Notes of any other Series), becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such acceleration having been rescinded or annulled or such Indebtedness having been discharged within a period of 30 days after there shall have been given, by registered or certified mail, to the Issuer by any Noteholder, a written notice specifying such default and requiring the Issuer to cause such acceleration to be rescinded or annulled or such Indebtedness to be discharged and stating that such notice is a "Notice of Default" under this Condition 13(c); or
- (d) *Security enforced:* a secured party or encumbrancer takes possession, or a receiver, manager or other similar officer is appointed, of the whole or a substantial part of the undertaking, assets and revenues of the Issuer or any of its Subsidiaries; or

- (e) *Insolvency etc.*: (i) the Issuer becomes insolvent or admits in writing that it is unable to pay its debts as they fall due, (ii) an administrator (including a *bewindvoerder*) or liquidator (including a curator) of the Issuer or the whole or a substantial part of the undertaking, assets and revenues of the Issuer is appointed (or application for any such appointment is made including an application for the Issuer to be declared bankrupt (*failliet*) or to be granted a moratorium of payments (*surseance van betaling*), unless such application is contested by the Issuer and/or discharged or stayed within 90 days or is cancelled or withdrawn within 90 days after the making thereof), (iii) the Issuer takes any action for a readjustment or deferment of any of its obligations or makes a general assignment or an arrangement or composition (*verag*) with or for the benefit of its creditors or declares a moratorium in respect of any of its Indebtedness; or
- (f) *Winding up etc.*: an order is made or an effective resolution is passed for the winding up, liquidation or dissolution (*ontbinding en vereffening*) of the Issuer or any of its Subsidiaries (otherwise than, in the case of a Subsidiary of the Issuer, for the purposes of or pursuant to an amalgamation, reorganisation or restructuring whilst solvent); or
- (g) *Attachment etc.*: an executory attachment (*executorial beslag*) or interlocutory attachment (*conservatoir beslag*) is made on all or a substantial part of the assets of the Issuer, or a similar measure under foreign law is made, unless such application is contested by the Issuer and/or discharged or stayed within 90 days, or is cancelled or withdrawn within 90 days after the making thereof; or
- (h) *Enforcement proceedings*: a distress, attachment, execution or other legal process is levied, enforced or sued out on or against the whole or a substantial part of the property, assets or revenues of the Issuer or any of its Subsidiaries and is not discharged or stayed within 90 days,
- (i) *Keep Well Agreement etc. not in force*: the Keep Well Agreement is not (or is claimed by either party thereto not to be) in full force and effect or is modified, amended or terminated in contravention of the provisions thereof, or the Issuer waives, or fails to take all reasonable steps to exercise, any of its rights under the Keep Well Agreement or PACCAR or the Issuer fails to perform or observe any obligation on its part under the Keep Well Agreement so as to affect materially and adversely the interests of any Noteholder or Couponholder;

then any outstanding Notes of a particular Series may by written notice, addressed by any Noteholder, delivered to the Issuer or to the Specified Office of the Fiscal Agent, be declared immediately due and payable, whereupon they shall become immediately due and payable at their Early Termination Amount together with accrued interest (if any) without further action or formality. Upon payment of the Early Termination Amount, all obligations of the Issuer in respect of payment of the principal amount of the Notes of such Series shall terminate.

14. **Prescription**

Claims for principal shall become void unless the relevant Notes are presented for payment within ten years of the appropriate Relevant Date. Claims for interest shall become void unless the relevant Coupons are presented for payment within five years of the appropriate Relevant Date.

15. **Replacement of Notes and Coupons**

If any Note or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Fiscal Agent (and, if the Notes are then admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Paying Agent having its Specified Office in the place required by such listing authority, stock exchange and/or quotation system), subject to all applicable laws and listing authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes or Coupons must be surrendered before replacements will be issued.

16. **Agents**

In acting under the Agency Agreement and in connection with the Notes and the Coupons, the Paying Agents act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Paying Agents and their initial Specified Offices are listed below. The initial Calculation Agent (if any) is specified in the relevant Final Terms. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint a successor fiscal agent or Calculation Agent and additional or successor paying agents; *provided, however, that*:

- (a) the Issuer shall at all times maintain a Fiscal Agent; and
- (b) the Issuer undertakes that it will ensure that it maintains a paying agent in an EU Member State that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (c) if a Calculation Agent is specified in the relevant Final Terms, the Issuer shall at all times maintain a Calculation Agent; and
- (d) if and for so long as the Notes are admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Issuer shall maintain a Paying Agent having its Specified Office in the place required by such listing authority, stock exchange and/or quotation system.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Notes denominated in U.S. dollars in the circumstances described in Condition 11(c).

Notice of any change in any of the Paying Agents or in their Specified Offices shall promptly be given to the Noteholders.

17. **Meetings of Noteholders; Modification and Waiver**

- (a) *Meetings of Noteholders*: The Agency Agreement contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer and shall be convened by them upon the request in writing of Noteholders holding not less than one-tenth of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be two or more Persons holding or representing one more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, two or more Persons being or representing Noteholders whatever the principal amount of the Notes held or represented; *provided, however, that* Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which two or more Persons holding or representing not less than three-quarters or, at any adjourned meeting, one quarter of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification*: The Notes and these Conditions may be amended without the consent of the Noteholders or the Couponholders to correct a manifest error. In addition, the parties to the Agency Agreement may agree to modify any provision thereof, but the Issuer shall not agree, without the consent of the Noteholders, to any such modification unless it is of a formal, minor or technical nature, it is made to correct a manifest error or it is, in the opinion of the Issuer, not materially prejudicial to the interests of the Noteholders.

18. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders or the Couponholders, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes.

19. **Notices**

Notices to the Noteholders shall be valid if published in a leading English language daily newspaper published in London (which is expected to be the Financial Times) or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the date of first publication. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Noteholders.

20. **Currency Indemnity**

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Fiscal Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer, shall give rise to a separate and independent cause of action and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Note or Coupon or any other judgment or order.

21. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, (b) U.S. dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

22. **Governing Law and Jurisdiction**

- (a) *Governing law*: The Notes and all matters arising from or connected with the Notes are governed by, and shall be construed in accordance with, English law.
- (b) *English courts*: The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising from or connected with the Notes.
- (c) *Appropriate forum*: The Issuer agrees that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.
- (d) *Rights of the Noteholders to take proceedings outside England*: Condition 22(b) (*English courts*) is for the benefit of the Noteholders only. As a result, nothing in this Condition 22 (*Governing law and jurisdiction*) prevents any Noteholder from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, Noteholders may take concurrent Proceedings in any number of jurisdictions.

- (e) *Process agent:* The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to PACCAR Financial Limited at Croston Road, Leyland, Preston, Lancs PR5 3LZ, United Kingdom or, if different, its registered office for the time being or at any address of the Issuer in Great Britain at which process may be served on it in accordance with Part XXIII of the Companies Act 1985. If such Person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall, on the written demand of any Noteholder addressed and delivered to the Issuer or to the Specified Office of the Fiscal Agent appoint a further Person in England to accept service of process on its behalf and, failing such appointment within 15 days, any Noteholder shall be entitled to appoint such a Person by written notice addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any Noteholder to serve process in any other manner permitted by law. This Condition applies to Proceedings in England and to Proceedings elsewhere.

KEEP WELL AGREEMENT

PACCAR and the Issuer have entered into a keep well agreement dated 18 July 2001 (the "**Keep Well Agreement**") governed by the laws of the State of Delaware.

The following is a summary of the principal provisions of the Keep Well Agreement:

Stock Ownership

PACCAR represents that it owns indirectly 100% of the voting stock of the Issuer and undertakes and agrees that it will continue to hold and own, directly or indirectly, all the voting stock of the Issuer. PACCAR will not directly or indirectly pledge or in any way encumber or otherwise dispose of any such shares of stock so long as the Issuer has any outstanding indebtedness for borrowed money, including bank loans, bonds, debentures, notes and other investment securities and commercial paper ("**Debt**," for the purposes of this section).

Maintenance of Net Worth

At all times during the term of the Keep Well Agreement, PACCAR agrees that it shall cause the Issuer to have a consolidated tangible net worth, as determined in accordance with the generally accepted accounting principles in the United States of America, of at least EUR 100,000. Tangible net worth means the shareholders' equity, including share capital, any capital surplus, any reserves and retained earnings, less any intangible assets.

Maintenance of Liquidity

If the Issuer at any time determines that it will run short of cash or other liquid assets to meet its payment obligations on any Debt, PACCAR will make available to the Issuer before the due date in respect of such Debt, funds sufficient to enable it to pay such payment obligations in full as they fall due. The Issuer will use such funds made available to it by PACCAR solely for the payment of such payment obligations when they fall due.

Modification, Amendment and Termination

The Keep Well Agreement may be terminated by either party hereto upon giving to the other party 30 days' prior written notice, and it may be modified, amended or terminated by the written agreement of the parties hereto.

Protection of Existing Debt Holders

No modification, amendment or termination of the Keep Well Agreement shall adversely affect any holder of the Issuer's Debt outstanding at the time of such modification, amendment or termination, and holders of such Debt shall continue to enjoy the benefits of the Keep Well Agreement as it existed prior to such modification, amendment or termination.

Disclaimer of Guarantee

The Keep Well Agreement is not, and nothing therein contained or done pursuant thereto by PACCAR shall be deemed to constitute, a PACCAR guarantee of the payment of any indebtedness, liability or obligation of any kind or character of the Issuer.

Enforceability

The obligations of PACCAR to the Issuer pursuant to the Keep Well Agreement are to the Issuer only and do not run to, and are not enforceable directly by, any creditor of the Issuer; nor shall the Keep Well Agreement cause PACCAR to be responsible for the payment of any obligation of the Issuer to any creditor thereof; *provided, however, that* any Lender to the Issuer shall have the right to demand that the Issuer enforces its rights under the Keep Well Agreement and if the Issuer fails or refuses to take timely action to enforce such rights such Lender may proceed against the Issuer to enforce the Issuer's rights under the Keep Well Agreement. The term "**Lender**" in this paragraph shall mean any person, firm or corporation from who the Issuer is indebted for borrowed money (including the Noteholders) or that is a derivative counterparty to the Issuer.

The Final Terms in respect of each Tranche of Notes will be substantially in the following form, duly supplemented (if necessary), amended (if necessary) and completed to reflect the particular terms of the relevant Notes and their issue. SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Clearing System Accountholders

Each Global Note will be in bearer form. Consequently, in relation to any Tranche of Notes represented by a Global Note, references in the Terms and Conditions of the Notes to "Noteholder" are references to the bearer of the relevant Global Note which, for so long as the Global Note is held by a depositary or a common depositary in the case of a CGN, or a common safekeeper, in the case of an NGN, for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or, as the case may be, common safekeeper.

Each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Note (each an "**Accountholder**") must look solely to Euroclear and/or Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the Issuer to the bearer of such Global Note and in relation to all other rights arising under the Global Note. The extent to which, and the manner in which, Accountholders may exercise any rights arising under the Global Note will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by the Global Note, Accountholders shall have no claim directly against the Issuer in respect of payments due under the Notes and such obligations of the Issuer will be discharged by payment to the bearer of the Global Note. Further, only the Fiscal Agent (but no other Paying Agents) will have payment obligations for so long as the relevant Notes are represented by the Global Notes.

Denominations

So long as the Notes are represented by a Temporary Global Note or Permanent Global Note and the relevant clearing system(s) so permit, the Notes may be tradeable only in the minimum authorised denomination of €50,000 and higher integral multiples of another smaller amount, notwithstanding that no Definitive Notes will be issued with a denomination above a specified level.

Exchange of Temporary Global Notes

Whenever any interest in a Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the Issuer shall procure:

- (a) in the case of first exchange, the prompt delivery (free of charge to the bearer) of such Permanent Global Note, duly authenticated and, in the case of an NGN, effectuated, to the bearer of the Temporary Global Note; or
- (b) in the case of any subsequent exchange, an increase in the principal amount of such Permanent Global Note in accordance with its terms,

in each case in an aggregate principal amount equal to the aggregate of the principal amounts specified in the certificates issued by Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and received by the Fiscal Agent against presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Fiscal Agent within seven days of the bearer requesting such exchange.

Whenever a Temporary Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange, provided that such exchange shall be made not earlier than 40 days after the later of the commencement of the offer and the issue date of the relevant Tranche of Notes upon certification as to non-U.S. beneficial ownership.

If:

- (a) a Permanent Global Note has not been delivered or the principal amount thereof has not been increased by 5.00 p.m. (London time) on the seventh day after the bearer of a Temporary

Global Note has requested exchange of an interest in the Temporary Global Note for an interest in a Permanent Global Note; or

- (b) Definitive Notes have not been delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer of a Temporary Global Note has requested exchange of the Temporary Global Note for Definitive Notes; or
- (c) a Temporary Global Note (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of a Temporary Global Note has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Temporary Global Note in accordance with the terms of the Temporary Global Note on the due date for payment,

then the Temporary Global Note (including the obligation to deliver a Permanent Global Note or increase the principal amount thereof or deliver Definitive Notes, as the case may be) will become void at 5.00 p.m. (London time) on such seventh day (in the case of (a) above) or at 5.00 p.m. (London time) on such thirtieth day (in the case of (b) above) or at 5.00 p.m. (London time) on such due date (in the case of (c) above) and the bearer of the Temporary Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Temporary Global Note or others may have under a deed of covenant dated 7 July 2008 (the "**Deed of Covenant**") executed by the Issuer). Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Temporary Global Note will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Temporary Global Note became void, they had been the holders of Definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Exchange of Permanent Global Notes

Whenever a Permanent Global Note is to be exchanged for Definitive Notes, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Notes have not been delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer of a Permanent Global Note has duly requested exchange of the Permanent Global Note for Definitive Notes; or
- (b) a Permanent Global Note (or any part of it) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Notes has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Permanent Global Note in accordance with the terms of the Permanent Global Note on the due date for payment,

then the Permanent Global Note (including the obligation to deliver Definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the bearer of the Permanent Global Note will have no further rights thereunder (but without prejudice to the rights which the bearer of the Permanent Global Note or others may have under the Deed of Covenant). Under the Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Permanent Global Note will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Permanent Global Note became void, they had been the holders of Definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Conditions applicable to Global Notes

Each Global Note will contain provisions which modify the Terms and Conditions of the Notes as they apply to the Global Note. The following is a summary of certain of those provisions:

Payments: All payments in respect of the Global Note will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Global Note to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. On each occasion on which a payment of principal or interest is made in respect of the Global Note, the Issuer shall procure that in respect of a CGN the payment is noted in a schedule thereto and in respect of an NGN the payment is entered pro rata in the records of Euroclear and Clearstream, Luxembourg. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge.

Exercise of put option: In order to exercise the option contained in Condition 10(e) (*Redemption at the option of Noteholders*) the bearer of the Permanent Global Note must, within the period specified in the Conditions for the deposit of the relevant Note and put notice, give written notice of such exercise to the Fiscal Agent specifying the principal amount of Notes in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 10(c) (*Redemption at the option of the Issuer*) in relation to some only of the Notes, the Permanent Global Note may be redeemed in part in the principal amount specified by the Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

Notices: Notwithstanding Condition 19 (*Notices*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are) deposited with a depository or a common depository for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system or a common safekeeper, notices to Noteholders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and, in any case, such notices shall be deemed to have been given to the Noteholders in accordance with Condition 19 (*Notices*) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system. Notwithstanding the previous sentence, so long as the Notes are listed on the London Stock Exchange, notice must also be given in London in the manner specified in Condition 19 (*Notices*).

DESCRIPTION OF PACCAR

Introduction

PACCAR, incorporated as a public limited liability corporation under the laws of Delaware on 19 November 1971, is the successor to Pacific Car and Foundry Company which was incorporated in Washington in 1924. PACCAR traces its predecessors to Seattle Car Manufacturing Company formed in 1905. PACCAR's corporate headquarters and registered office is located in Bellevue, Washington (telephone number: (425) 468-7400).

Business

PACCAR has two principal industry segments: (1) design, manufacture and distribution of light-, medium- and heavy-duty trucks and related aftermarket distribution of parts and (2) finance and leasing services provided to customers and dealers. PACCAR's finance and leasing activities are principally related to company products and associated equipment. Other manufactured products include industrial winches.

PACCAR and its subsidiaries design and manufacture heavy-duty diesel trucks which are marketed under the Kenworth, Peterbilt and DAF nameplates. These trucks, which are built in four plants in the United States, three in Europe and one each in Australia, Canada and Mexico, are used world-wide for over-the-road and off-highway hauling of freight, petroleum, wood products, construction and other materials. PACCAR competes in the North American Class 5-7 markets primarily with conventional models. These trucks are assembled at facilities in Ste. Therese, Canada and in Mexicali, Mexico, which are operated by PACCAR's wholly owned subsidiaries located in those countries. PACCAR competes in the European light/medium (6 to 15 metric ton) market with DAF cab-over-engine trucks assembled in the United Kingdom by Leyland, one of PACCAR's wholly owned subsidiaries. Commercial trucks and related replacement parts comprise the largest segment of PACCAR's business, accounting for 91% of total 2007 net sales and revenues.

Substantially all trucks and related parts are sold to independent dealers. The Kenworth and Peterbilt nameplates are marketed and distributed by separate divisions in the U.S. and a subsidiary in Canada. The Kenworth nameplate is also marketed and distributed by subsidiaries in Mexico and Australia. The DAF nameplate is marketed and distributed by a subsidiary headquartered in The Netherlands. A U.S. division, PACCAR International, also markets all three nameplates outside each of their primary markets. The decision to operate as a subsidiary or as a division is incidental to truck operations and reflects legal, tax and regulatory requirements in the various countries where PACCAR operates.

The truck segment utilizes centrally managed purchasing, information technology, technical research and testing, treasury and finance functions. Certain manufacturing plants in North America produce trucks for more than one nameplate in common production facilities, while other plants produce trucks for only one nameplate, depending on various factors. As a result of the close similarity of the business models employed by each nameplate, best manufacturing practices within PACCAR are shared on a routine basis.

PACCAR's trucks are essentially custom products and have a reputation for high quality. For a significant portion of PACCAR's truck operations, major components, such as engines, transmissions and axles, as well as a substantial percentage of other components, are purchased from component manufacturers pursuant to PACCAR and customer specifications. DAF, which is more vertically integrated, manufactures its own engines and axles and a higher percentage of other components for its heavy truck models. The value of truck components manufactured by independent suppliers ranges from approximately 45% in Europe to approximately 90% in North America.

Raw materials and other components used in the manufacture of trucks are purchased from a number of suppliers. PACCAR's DAF subsidiary purchases fully assembled cabs from a competitor, Renault V.I., for its European light-duty product line pursuant to a joint product development and long-term supply contract. Sales of trucks manufactured with these cabs amounted to approximately 4% of consolidated revenues in 2007. A short-term loss of supply, and the resulting interruption in the production of these trucks, would not have a material effect on PACCAR's results of operations. However, a loss of supply for an extended period of time would either require PACCAR to contract for an alternative source of supply or to manufacture cabs itself. Other than these components, PACCAR is not limited to any single source for any significant component, although the sudden inability of a

supplier to deliver components could have a temporary adverse effect on production of certain products.

No significant shortages of materials or components were experienced in 2007. Manufacturing inventory levels are based upon production schedules and orders are placed with suppliers accordingly.

Replacement truck parts are sold and delivered to PACCAR's independent dealers through PACCAR's parts distribution network. Parts are both manufactured by PACCAR and purchased from various suppliers. Replacement parts inventory levels are determined largely by anticipated customer demand and the need for timely delivery. As a percentage of total consolidated net sales and revenues, parts sales were 15.0% in 2007, 11.8% in 2006, and 12.0% in 2005.

There were three other principal competitors in the U.S. and Canada Class 8 truck market in 2007. PACCAR's share of the U.S. and Canadian market was 26.4% of retail sales in 2007. In Europe there were five other principal competitors in the commercial vehicle market in 2007, including parent companies to two competitors of PACCAR in the United States. In 2007, DAF had a 13.9% share of the Western and Central European heavy-duty market and a 8.3% share of the light/medium market. These markets are highly competitive in price, quality and service, and PACCAR is not dependent on any single customer for its sales. There are no significant seasonal variations in sales.

The Peterbilt, Kenworth, and DAF nameplates are recognized internationally and play an important role in the marketing of PACCAR's truck products. PACCAR engages in a continuous program of trademark and trade name protection in all marketing areas of the world.

PACCAR's truck products are subject to environmental noise and emission regulations and competing manufacturers are subject to the same regulations. PACCAR believes the cost of complying with noise and emission regulations will not be detrimental to its business.

PACCAR had a total production backlog of \$4.7 billion at the end of 2007. Within this backlog, orders scheduled for delivery within three months (90 days) are considered to be firm. The 90-day backlog approximated \$2.2 billion at 31 December 2007, \$2.7 billion at 31 December 2006 and \$2.5 billion at 31 December 2005. Production of the year-end 2007 backlog is expected to be substantially completed during 2008.

The number of persons employed by PACCAR in its truck business at 31 December 2007, was approximately 20,000.

Other Business

The other businesses include a division of PACCAR which manufactures industrial winches in two U.S. plants and markets them under the Braden, Carco, and Gearmatic nameplates. The markets for these products are highly competitive and PACCAR competes with a number of well established firms. Sales of industrial winches were less than 1% of net sales and revenues in 2007 and 2006.

The Braden, Carco, and Gearmatic trademarks and trade names are recognized internationally and play an important role in the marketing of those products.

Financial Services

In North America, Australia and 14 European countries, PACCAR provides financing and leasing arrangements, principally for its manufactured trucks, through wholly owned finance companies operating under the PACCAR Financial trade name. They provide inventory financing for independent dealers selling PACCAR products, and retail and lease financing for new and used trucks and other transportation equipment sold principally by its independent dealers. Receivables are secured by the products financed or leased.

PACCAR also conducts full service leasing operations through wholly owned subsidiaries in North America and Germany under the PacLease trade name. Selected dealers in North America are franchised to provide full service leasing. PACCAR provides its franchisees equipment financing and managerial support. PACCAR also operates full service lease outlets on its own behalf.

Management and Employees

On 31 December 2007, PACCAR employed a total of approximately 21,800 persons. The number of persons employed by PACCAR in its truck business at 31 December 2007, was approximately 21,000. Executive officers of PACCAR are:

Mark C. Pigott	Chairman and Chief Executive Officer
Michael A. Tembreull	Vice Chairman
Thomas E. Plimpton	President
James G. Cardillo	Executive Vice President
Daniel D. Sobic	Senior Vice President
Ronald E. Armstrong	Senior Vice President
Michael T. Barkley	Vice President and Controller
David C. Anderson	Vice President and General Counsel
Janice B. Skredsvig	Vice President and Chief Information Officer

Officers are elected annually but may be appointed or removed on interim dates.

PACCAR's Board of Directors is comprised of ten individuals. Two directors (Mark C. Pigott and Michael A. Tembreull) are officers of PACCAR; the others listed below are independent directors.

Alison J. Carnwath	John M. Fluke, Jr.
Stephen F. Page	Robert T. Parry
James C. Pigott	William G. Reed, Jr.
Gregory M.E. Spierkel	Charles R. Williamson

The Board is staggered, so that one-third of the Board of Directors is elected each year, and each director serves for a period of three years.

The business address of all the executive officers and the directors is 777 106th Avenue N.E., Bellevue, Washington 98004 United States of America.

None of the executive officers or the directors perform activities outside PACCAR and its subsidiaries which are significant with respect to PACCAR and its subsidiaries. No potential conflicts of interest exist between the duties of the officers or the directors to PACCAR and their private interests and/or other duties.

Properties

PACCAR and its subsidiaries own and operate manufacturing plants in five U.S. states, three countries in Europe, and one each in Australia, Canada and Mexico. The Company also has a number of parts distribution centres, sales and service offices, and finance and administrative offices which are operated in owned or leased premises in these and other countries. Facilities for product testing and research and development are located in Washington state and The Netherlands. The Company's corporate headquarters is located in owned premises in Bellevue, Washington. The Company considers all of the properties used by its businesses to be suitable for their intended purposes.

Substantially all of PACCAR's manufacturing facilities increased their capacity in 2007 compared to the prior year. PACCAR continuously invests in facilities, equipment and processes to provide manufacturing and warehouse capacity to meet its customers' needs.

Construction of PACCAR's new engine production facility and technology centre in Columbus, Mississippi began in July 2007 and is expected to be completed in late 2009. PACCAR's 12.9 litre and 9.2 litre diesel engines manufactured in Columbus will be installed in Kenworth and Peterbilt trucks and may be exported to meet DAF's production requirements.

In the U.S. and Canada, Peterbilt and Kenworth deliveries in 2007 decreased 45% from 2006 due to lower demand in the truck market. The U.S. and Canadian truck markets have declined, as anticipated, due to market reaction to new emissions regulations that became effective 1 January 2007 requiring

new trucks to be equipped with emissions reducing engine technology that significantly increased the price of a new truck, as well as a slowdown in the housing and automotive sectors. PACCAR's Peterbilt and Kenworth truck divisions in the U.S. and Canada have adjusted production levels accordingly.

Truck sales remain strong at the Company's operations in Europe, Mexico and Australia. In Europe, industry sales in the above 15 tonne truck market continue to be strong. PACCAR's DAF truck operations in Europe are increasing production rates. There is additional capacity utilization available in all of PACCAR's facilities.

TAXATION

The following is a general description of certain U.S. federal income, Netherlands and U.K. tax considerations relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in those countries or elsewhere. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries. This summary is based upon the law as in effect on the date of this Base Prospectus and is subject to any change in law that may take effect after such date.

U.S. Federal Taxation

This discussion is not intended or written to be used, and cannot be used by any person, for the purpose of avoiding U.S. federal tax penalties, and was written to support the promotion or marketing of the Programme. Each prospective purchaser should seek advice based on its particular circumstances from an independent tax advisor.

Under present U.S. federal income and estate tax law (1) subject to the discussion of backup withholding below, a Non-U.S. Person, as defined below, generally will not be subject to U.S. federal withholding income tax with respect to payments on a Note or a Coupon appertaining thereto (whether paid by the Issuer or any of its paying agents), or on gain from a sale or redemption of a Note or a Coupon appertaining thereto, provided that the Note or Coupon is not held in connection with a U.S. trade or business and, further, in the case of capital gains recognised by an individual, such individual is not present in the U.S. for 183 days or more during the taxable year in which the sale or redemption occurs and certain other conditions are met; and (2) a Note or a Coupon appertaining thereto held at the time of death by an individual who is not a citizen or resident of the U.S. as defined for U.S. federal estate tax purposes will not be subject to the U.S. federal estate tax, provided that at the time of death such an individual did not actually or constructively own 10 per cent. or more of the total combined voting power of all classes of stock of the Issuer and the holding of such Note or Coupon is not, and has not been, effectively connected with the conduct by such individual of a U.S. trade or business. This discussion assumes that the Notes are debt for U.S. federal income tax purposes and that the Notes do not provide for the payment of contingent interest as defined in Section 871 (b) (4) of the Internal Revenue Code. Noteholders should consult their own tax advisers as to the U.S. federal income tax consequences to them in the event these assumptions are incorrect.

Under present U.S. federal tax law, unless the Issuer or its paying agent has actual knowledge, or reason to know, that the holder of a Note or a Coupon appertaining thereto is a U.S. person, a payment on a Note by (or by a paying agent of) the Issuer made outside the U.S. will not be subject to U.S. certification, identification or information reporting requirements or backup withholding tax. For a discussion of the right of the Issuer to redeem the Notes in certain events relating to the obligation of the Issuer to pay additional amounts relating to withholding tax, see "Terms and Conditions of the Notes - Redemption and Purchase - Redemption for tax reasons" and "Terms and Conditions of the Notes - Taxation - Gross up." In addition, if payments are collected outside the U.S. by a foreign office of a custodian, nominee or other agent acting on behalf of a beneficial owner of a Note or Coupon, such custodian, nominee or other agent will not be required to deduct backup withholding tax from payments made to such owner. However, if the custodian, nominee or other agent is a U.S. person, a controlled foreign corporation for U.S. tax purposes, a foreign person 50 per cent. or more of whose gross income is effectively connected with the conduct of a trade or business within the U.S. for a specified three-year period or a foreign partnership with significant U.S. ownership or that is engaged in the conduct of a U.S. trade or business, information reporting and, with respect to certain payments backup withholding tax will be required with respect to payments made to such owner, unless such custodian, nominee or other agent has documentary evidence in its files of the owner's foreign status and has no actual knowledge, or reason to know, to the contrary, or the owner otherwise establishes an exemption.

Payment of the proceeds from the sale of a Note or Coupon to or through a foreign office of a broker will not be subject to U.S. certification, identification or information reporting requirements or backup withholding, except that if the broker is a U.S. person, a controlled foreign corporation for U.S. tax purposes, a foreign person 50 per cent. or more of whose gross income is effectively connected with

the conduct of a trade or business within the U.S. for a specified three-year period or a foreign partnership with significant U.S. ownership or that is engaged in the conduct of a U.S. trade or business, information reporting will apply to such payments unless such broker has documentary evidence in its files of the owner's foreign status and has no actual knowledge, or reason to know, to the contrary, or the owner otherwise establishes an exemption. Payment of the proceeds from a sale of a Note or Coupon to or through the U.S. office of a broker is subject to information reporting and backup withholding unless the holder or beneficial owner certifies as to its non-U.S. status (provided the broker does not have actual knowledge that such statement is incorrect) or otherwise establishes an exemption from information reporting and backup withholding. Treasury Regulations clarify that a sale or redemption of a Note or Coupon generally will be deemed to be effected at an office inside the U.S. if (i) the holder or beneficial owner of a Note has opened an account with a U.S. office of the broker or transmitted instructions concerning the sale or redemption of the Note and other sales or redemptions to an office of the broker from within the U.S., (ii) the gross proceeds of the sale or redemption are paid to the holder or beneficial owner by a transfer of funds into an account maintained by such holder or beneficial owner in the U.S.; (iii) the gross proceeds of the sale or redemption are, or the confirmation of the sale or redemption is, mailed to the holder or beneficial owner at an address in the U.S.; or (iv) a U.S. office of the broker negotiates the sale or redemption with the holder or beneficial owner or receives instructions with respect to the sale or redemption from the holder or beneficial owner. Further, such Treasury Regulations expand and apply the information reporting and backup withholding rules to beneficial owners of entities such as partnerships that are treated as fiscally transparent for U.S. federal income tax purposes. Thus, beneficial owners of partnerships and other fiscally transparent entities that hold Notes or Coupons are subject to and must comply with the certification, identification and information reporting requirements and back-up withholding rules described above. Any amounts withheld under the backup withholding rules may be allowed as a credit against the holder's U.S. federal income tax liability, and may entitle the holder to a refund, provided that the required information is furnished to the U.S. Internal Revenue Service. Prospective investors should consult their tax advisors regarding the application of these rules to their particular circumstances.

Under provisions of present U.S. federal income tax law relating to the ownership of bearer form debt obligations, a holder of a Note that is a U.S. person will be subject to the following special rules unless an exception applies. If a Note is paid, sold or otherwise disposed of in a transaction that results in a taxable gain or a loss for U.S. federal income tax purposes, the gain will be treated as ordinary income and not a capital gain, and no deduction will be allowable in respect of the loss.

As used in the above discussion, the terms (A) "U.S. person" means a holder or other beneficial owner of a Note or Coupon who or that is for U.S. federal income tax purposes (i) a citizen or individual resident of the U.S., (ii) a corporation or other entity treated as a corporation for U.S. federal income tax purposes created or organized in or under the laws of the U.S. or any political subdivision therein, (iii) an estate, the income of which is subject to U.S. federal income taxation regardless of its source, or (iv) a trust that (1) is subject to the supervision of a court within the U.S. and the control of one or more U.S. persons (as defined in the Internal Revenue Code) or (2) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person; and (B) "Non-U.S. Person" means a holder or other beneficial holder who or that is for U.S. federal income tax purposes, (i) a foreign corporation, (ii) a non-resident alien individual, (iii) a foreign estate or trust, or (iv) a foreign partnership to the extent that one or more of its members are Non-U.S. Persons, and who or that is or was not a 10 per cent. shareholder of the relevant Issuer as defined in Section 871(h)(3) of the Internal Revenue Code, a foreign or domestic personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the U.S., a corporation that has accumulated earnings to avoid U.S. federal income tax or a bank that receives payments on the Notes on an extension of credit pursuant to a loan agreement entered into in the ordinary course of its trade or business.

Other Taxes and Duties

There is no Dutch registration tax, stamp duty or any other similar tax or duty payable in The Netherlands by a holder of a Note, Coupon, Talon or Receipt in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including any foreign judgement in the courts of The Netherlands) of the Notes, Coupons, Talons or Receipts or the performance of the Issuer's obligations under the Notes, Coupons, Talons or Receipts.

Residence

A holder of a Note, Coupon, Talon or Receipt will not be treated as resident of The Netherlands by reason only of the holding of a Note, Coupon, Talon or Receipt or the execution, performance, delivery and/or enforcement of the Notes, Coupons, Talons or Receipts.

United Kingdom Taxation

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. The comments are made on the assumption that the Issuer is not resident in the United Kingdom for United Kingdom tax purposes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes. Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of

Notes. The following is a general guide and should be treated with appropriate caution. Noteholders who are in any doubt as to their tax position should consult their professional advisers. Noteholders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

UK Withholding Tax on Interest Payments by the Issuer

Interest on Notes issued for a term of less than one year (and which are not issued under arrangements the effect of which is to render the Notes part of a borrowing with a total term of one year or more) may be paid by the Issuer without withholding or deduction for or on account of United Kingdom income tax.

Interest on Notes issued for a term of one year or more (or under arrangements the effect of which is to render the Notes part of a borrowing with a total term of one year or more) may be paid by the Issuer without withholding or deduction for or on account of United Kingdom income tax except in circumstances where such interest has a United Kingdom source. Interest on Notes may have a United Kingdom source where, for example, the Notes are issued for the purposes of a trade or other business carried on by the Issuer in the United Kingdom, or secured on assets situate in the United Kingdom or the interest is paid out of funds maintained in the United Kingdom.

Interest which has a United Kingdom source ("**UK interest**") may be paid by the Issuer without withholding or deduction for or on account of United Kingdom income tax if the Notes in respect of which the UK interest is paid constitute "quoted Eurobonds." Notes which carry a right to interest will constitute "quoted Eurobonds" within the meaning of section 987 of the Income Tax Act 2007 as long as they are and continue to be "listed on a recognised stock exchange" within the meaning of section 1005 of the Income Tax Act 2007. In the case of Notes to be traded on the London Stock Exchange, which is a recognised stock exchange, the Notes will be treated as "listed" on a recognised stock exchange if the Notes are included in the Official List and admitted to trading on the London Stock Exchange. Notes to be traded on a recognised stock exchange outside the United Kingdom will be treated as "listed" on a recognised stock exchange if (and only if) they are admitted to trading on that exchange and they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange. Whilst the Notes are and continue to be quoted Eurobonds, payments of interest on the Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

In all other cases, UK interest on the Notes may fall to be paid under deduction of United Kingdom income tax at the basic rate (currently 20 per cent.), assuming the Finance Bill 2008 is enacted in its current form when the Finance Bill 2008 receives Royal Assent, subject to such relief as may be available under the provisions of any applicable double taxation treaty or to any other exemption which may apply.

Payments under Deed of Covenant

Any payments made by the Issuer under the Deed of Covenant may not qualify for the exemptions from United Kingdom withholding tax described above.

Provision of Information

Noteholders should note that where any interest on Notes is paid to them (or to any person acting on their behalf) by any person in the United Kingdom acting on behalf of the Issuer (a "paying agent"), or is received by any person in the United Kingdom acting on behalf of the relevant Noteholder (other than solely by clearing or arranging the clearing of a cheque) (a "collecting agent"), then the paying agent or the collecting agent (as the case may be) may, in certain cases, be required to supply to Her Majesty's Revenue and Customs details of the payment and certain details relating to the payee or the person on whose behalf the interest has been received (including such person's name and address). These provisions will apply whether or not the interest has been paid subject to withholding or

deduction for or on account of United Kingdom income tax and whether or not the Noteholder is resident in the United Kingdom for United Kingdom taxation purposes. In certain circumstances, the details provided to Her Majesty's Revenue and Customs may be passed by Her Majesty's Revenue and Customs to the tax authorities of certain other jurisdictions.

With effect from 6 April 2009, the provisions referred to above may also apply, in certain circumstances, to payments made on redemption of any Notes where the amount payable on redemption is greater than the issue price of the Notes.

Other Rules Relating to United Kingdom Withholding Tax

1. Notes may be issued at an issue price of less than 100 per cent. of their principal amount. Any discount element on any such Notes will not generally be subject to any United Kingdom withholding tax pursuant to the provisions mentioned above, but may be subject to reporting requirements as outlined above.
2. Where Notes are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax and reporting requirements as outlined above.
3. Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.
4. The references to "interest" above mean "interest" as understood in United Kingdom tax law. The statements above do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation.
5. The above description of the United Kingdom withholding tax position assumes that there will be no substitution of the Issuer and does not consider the tax consequences of any such substitution.

EU Savings Tax Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

A number of non-EU countries, and certain dependent or associated territories of certain Member States, have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

SUBSCRIPTION AND SALE

Notes may be issued from time to time by the Issuer to any one or more of BNP Paribas, The Royal Bank of Scotland plc, Barclays Bank PLC, Banco Bilbao Vizcaya Argentaria, S.A. and UBS Limited (the "**Dealers**"). The arrangements under which Notes may from time to time be agreed to be issued by the Issuer to, and subscribed by, Dealers are set out in a Dealer Agreement dated 7 July 2008 (the "**Dealer Agreement**") and made between the Issuer and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Notes, the price at which such Notes will be subscribed by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such subscription. The Dealer Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

United States of America: *Regulation S Category 3; TEFRA D.*

The Notes have not been and will not be registered under the Securities Acts and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a U.S. person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Notes comprising such Tranche, as certified to the Fiscal Agent or the Issuer by such Dealer (or, in the case of a sale of a Tranche of Notes to or through more than one Dealer, by each of such Dealers as to the Notes of such Tranche purchased by or through it, in which case the Fiscal Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified) within the United States or to, or for the account or benefit of, U.S. persons, and such Dealer will have sent to each dealer to which it sells Notes during the distribution compliance period relating thereto a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

In addition, until 40 days after the commencement of the offering of Notes comprising any Tranche, any offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

United Kingdom

Each Dealer has represented, warranted and agreed that:

- (a) **No deposit-taking:** in relation to any Notes having a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and
 - (ii) it has not offered or sold and will not offer or sell any Notes other than to persons:
 - (A) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
 - (B) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Notes would otherwise constitute a contravention of Section 19 of the United Kingdom's Financial Services and Markets Act 2000 ("**United Kingdom FSMA**") by the Issuer;

- (b) **Financial promotion:** it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the United Kingdom FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the United Kingdom FSMA does not apply to the Issuer or PACCAR; and
- (c) **General compliance:** it has complied and will comply with all applicable provisions of the United Kingdom FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

The Netherlands/Global

Zero Coupon Notes (as defined below) in definitive form may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of either the relevant Issuer or a member firm of Euronext Amsterdam N.V. in full compliance with the Dutch Savings Certificates Act (*Wet inzake Spaarbewijzen*) of 21 May, 1985 (as amended) and its implementing regulations. No such mediation is required: (i) in respect of the transfer and acceptance of rights representing an interest in a Zero Coupon Note in global form or (ii) in respect of the initial issue of Zero Coupon Notes in definitive form to the first holders thereof or (iii) in respect of the transfer and acceptance of Zero Coupon Notes in definitive form between individuals not acting in the conduct of a business or profession, or (iv) in respect of the transfer and acceptance of such Zero Coupon Notes within, from or into The Netherlands if all Zero Coupon Notes (either in definitive form or as rights representing an interest in a Zero Coupon Note in global form) of any particular Series are issued outside The Netherlands and are not distributed into The Netherlands in the course of initial distribution or immediately thereafter. As used herein "**Zero Coupon Notes**" are Notes that are in bearer form and that constitute a claim for a fixed sum against the relevant Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Law No. 25 of 1948, as amended) and, accordingly, each Dealer has undertaken that it will not offer or sell any Notes directly or indirectly, in Japan or to, or for the benefit of, any Japanese Person or to others for re-offering or resale, directly or indirectly, in Japan or to any Japanese Person except under circumstances which will result in compliance with all applicable laws, regulations and guidelines promulgated by the relevant Japanese governmental and regulatory authorities and in effect at the relevant time. For the purposes of this paragraph, "**Japanese Person**" shall mean any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

General

Other than with respect to the admission to listing, trading and/or quotation by such one or more listing authorities, stock exchanges and/or quotation systems as may be specified in the Final Terms, no action has been or will be taken in any country or jurisdiction by the Issuer or the Dealers that would permit a public offering of Notes, or possession or distribution of any offering material in relation thereto, in any country or jurisdiction where action for that purpose is required. Persons into whose hands the Base Prospectus or any Final Terms comes are required by the Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Notes or possess, distribute or publish the Base Prospectus or any Final Terms or any related offering material, in all cases at their own expense.

The Dealer Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change(s) or change(s) in official interpretation, after the date hereof, of applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the paragraph headed "General" above.

Selling restrictions may be supplemented or modified with the agreement of the Issuer. Any such supplement or modification will be set out in the relevant Final Terms (in the case of a supplement or modification relevant only to a particular Tranche of Notes) or (in any other case) in a supplement to this document.

GENERAL INFORMATION

Listing

The Programme was initially admitted to trading on the Regulated Market of the London Stock Exchange on 3 November 2005. The price of the Notes on the price list of the London Stock Exchange will be expressed as a percentage of their principal amount (exclusive of accrued interest). Any Tranche of Notes intended to be admitted to trading on the Regulated Market of the London Stock Exchange will be so admitted to trading upon submission to the London Stock Exchange of the relevant Final Terms and any other information required by the London Stock Exchange, subject to the issue of the relevant Notes. Prior to admission to trading, dealings will be permitted by the London Stock Exchange in accordance with its rules. Transactions will normally be effected for delivery on the third working day in London after the day of the transaction.

However, Notes may be issued pursuant to the Programme which will not be admitted to listing, trading and/or quotation by the London Stock Exchange or any other listing authority, stock exchange and/or quotation system or which will be admitted to listing, trading and/or quotation by such other or further listing authorities, stock exchanges and/or quotation systems as the Issuer and the relevant Dealer(s) may agree.
