NDRA Rodeo Slated For Sept. 24-25 In Watford City

By Anna Dragseth

This year, the McKenzie County Cowboys Association will be hosting the North Dakota Rodeo Association Championship Finals Rodeo at the McKenzie County Fairgrounds, Watford City, on Friday, Sept. 24 and Saturday, Sept. 25. The rodeo will start at 7 p.m. on Friday

and 6 p.m. on Saturday. The NDRA Rodeo will include a rodeo dance, The Mud Butte Band, a ranch rodeo, and vendors.

The Finals Rodeo will feature the top contestants in each standard event and pit them against the top stock in the state. Events that will be at the finals rodeo is

bareback and saddle bronc riding, lady's breakaway and barrels, men's breakaway and bull riding, team roping, steer wrestling, and tie-down roping. Saturday afternoon there will also be a ranch rodeo that local contestants will participate in.

The rodeo will feature a kids boot race, a wild

ride at each performance, vendors, beer gardens, and concessions.

The NDRA is one of North Dakota's largest rodeo entities. It was formed in 1953 and is made up of over 500 members that compete in rodeos across the state of North Dakota. The NDRA puts on 15-25 rodeos a

year. The association averages about 200 cowboys and cowgirls from Montana, North Dakota, South Dakota, Wyoming, Nebraska, and Minnesota per rodeo.

Everyone is encouraged to come out and watch rodeo finalists compete for the 2021 NDRA Championship state titles!

Ball In The House, America's Got Talent Finalists, To Perform In Watford City Sept. 24

Submitted by
Jessie Veeder Scofield

Watford City Area Concert Association is kicking off the 2021-22 concert series with one of the most popular forms of musical performance – A Cappella! BALL IN THE HOUSE will visit Watford City on Friday, Sept. 24 at 7 p.m. at Rough Rider Center Convention Hall. The Concert Association is offering this as a FREE kickoff concert to encourage people to come and learn what the concert series is all about.

Based in Boston, MA and having been in existence for over 20 years, Ball In The House is a highly sought after vocal band that performs over 200 concerts per year. Their special brand of music combines R&B, Soul and Pop that brings all ages to their shows. They have played theaters, performing arts centers, fairs, festivals, private parties. They have opened for such luminaries as The Beach Boys, The Jonas Brothers, The Temptations, Gladys Knight and Lionel Richie.

They have traveled the world over headlining both the 2016 & 2018 China International Chorus Festival.

Also, in 2016, they won the Boston Harmony Sweepstakes and were voted APCA Band of the Year and Best of Boston for Outstanding Musical Performers. For six years Ball In The House were the voices behind all the Cool Whip commercials and recently wrote and performed the jingle for Amazon's Prime Day. They have also appeared on America's Got Talent, The Today Show

and the Daily Buzz. Some of the favorite tunes that Ball In The House love to sing include: My Girl – The Temptations, Stayin Alive – The BeeGees, Signed Sealed Delivered – Stevie Wonder, Blank Space – Taylor Swift, Treasure – Bruno Mars, That's The Way – KC & The Sunshine Band, All Of Me – John Legend and many more including a gospel piece or two.

Ball in the House is the first concert of the 2021-22 season. A \$50 individual membership to the Concert Association will grant you access to five additional concerts throughout the season, including the Comedy Café show on Oct. 1 at 7 p.m. at Watford City Performing Arts Center. Additional concerts include, the Veritas Ensemble on Oct. 16, Duo Baldo, Feb. 1, 2022, The Chipper

Experience Comedy Show on Feb. 16, 2022 and Crocodile Rockin', An Elton John Tribute on April 23, 2022. Visit longxarts.com to learn more about the concert series. Memberships will also be available at the Ball in the House Concert.

New Richland County Fair Manager Focuses On Connecting Community & County Fair

By Anna Dragseth

As of Sept. 13, Pamela Shelmidine-Wipf joined the Richland County Fair & Rodeo as the new fairgrounds manager. With this position, she oversees the day-to-day operation of the fairgrounds, including regular maintenance and rental of the buildings. She will also procure the entertainment for the fair and oversee the logistics of Richland County Fair & Rodeo.

"Everything has been going well. I am enjoying getting to know the fair staff and the 4-H staff. I look forward to meeting more of the people in the community," stated Wipf.

Wipf is originally from Jefferson County in upstate New York. She is a 10-year veteran of United States Air Force, has three grown children, and loves fiber arts, quilting, and gardening. Her most recent position was Fair Manager at Jefferson County Fair, which is the longest continuously operating county fair in United States.

She said, "I have been a county fair manager for many years where the position was seasonal, to have the opportunity to manage a facility that operates year-round was always on my priority list."

She is looking forward to getting to know Richland

Pamela Shelmidine-Wipf

County, its businesses, and its people. Her long-term goal is to find ways to improve our fairgrounds to make it "the place to be" at any time of the year.

The community is key to the success of any county fair. She explained that she hopes to continue to nurture the positive relationships with community members and businesses that are

already in place.

Wipf added, "I want to develop new relationships with local groups and businesses to grow an even stronger bond between the community and Richland County Fair. I strongly believe the fair should support as many local businesses as possible - we cannot thrive without each other."

R&L Homecoming

The Richey/Lambert Fusion held their homecoming on Sept. 17. The Fusion won their homecoming volleyball game against Savage 3-1 Friday afternoon. On Friday night the Fusion defeated Gardiner 55-0. Pictured above are the Richey king and queen, Nevin Kelly and Jaylyn Klempel.

E-Waste Collection Sept 24-25 In Sidney & Fairview

Submitted by Beth Redlin

The 17th annual "Erase your Ewaste" event gets underway in Sidney this coming Friday, Sept. 24 from 3-7 p.m. at the Richland County Public Shop next to the fairgrounds. MonDak area residents...not just Richland County...are encouraged to bring their obsolete or damaged electronic items for recycling in both Sidney and Fairview this weekend, according to Event Coordinator Heather Luinstra.

Sidney's event begins Friday and then continues from 9 a.m.-noon on Saturday, Sept. 25. Fairview's event will be Saturday only from 10 a.m.-noon, at the water depot on 9th Street.

Yellowstone E-waste Solutions out of Billings is the e-cycler for the event and continues to offer their services for free. The only exception is a \$7 charge for removing a hard drive for those needing certificates of destruction or just wanting to hang on to them.

Large Loads

As in past years, local businesses, hospitals, school and other agencies and organizations with large amounts to e-cycle are asked to make an appointment by calling Luinstra at Richland County Health Department 406-433-2207 or emailing hluiustra@richland.org.

Unacceptable Items

No CRT (tube) televisions or monitors are being accepted and no projection TV units or consoles. Other limitations include no consumer white goods, vacuums, light bulbs, CFLs, mercury thermometers, alkaline batteries (rechargeable are okay), or items containing refrigerants (including dehumidifiers), oils, or acids.

The "E-erase your E-waste" effort has recycled more than half a million pounds of ewaste (255 tons) since its inception in 2005. The event is coordinated by members of the Richland County Local Emergency Planning Committee (LEPC), Richland County Disaster and Emergency Services, and Richland County Health Department. The Richland County Public Works Department also makes their facilities freely available for the collection event.

Flu Myths... Busted!

Submitted by **Stephanie Ler, RS, MPH Environmental Health Director Richland County Health Department**

There are so many myths about the flu and the flu shot all over the Internet, so in preparation for the Drive Thru Mass Flu Shot Clinic at Richland County Fire Hall, Sept. 30, we've busted a few myths wide open.

The first, and biggest, myth is that the flu went away. Unfortunately, that isn't true. While it is true that there were no cases of influenza reported in the 2020-2021 flu season, scientists and public health professionals believe that our actions to protect against the spread of COVID-19 also protected us from the flu. Both diseases are respiratory infections that are prevented by hand-washing, mask-wearing and social distancing. Since we are doing less mask-wearing and less social distancing (and hopefully equally as much hand-washing!) we expect to see positive flu cases during the 2021-2022 flu season.

The second biggest myth is that the flu shot contains the COVID-19 vaccine as well. This is also not true-the flu vaccine and the COVID-19 vaccine remains separate vaccines. The flu vaccine offered by the Health Department protects against four strains of influenza. The COVID-19 vaccine protects only against COVID-19 infection, and is not offered at the Mass Flu Shot Clinic.

The third biggest myth worth busting is that COVID-19 is actually just the regular seasonal flu with a new name. This is also not true. The two are separate and genetically different viruses that may produce similar symptoms. Therefore, the two viruses are prevented with two different vaccines. Because they are two different viruses, it is possible to become infected with both.

There are many reasons to get your flu shot this flu season. If you have questions or need help with the decision to get you and your family vaccinated against the flu, contact the Health Department at 406-433-2207.

The Richland County Health Department will be holding its annual Mass Flu Shot Clinic as a drive-thru at the Richland County Fire Hall, Sept. 30, from 10 a.m.-6 p.m. The Drive-Thru Clinic will serve adults only, and offers both regular and high-dose flu shots. No other shots will be given during the clinic. No COVID-19 vaccine will be given. No appointment is needed. Flu shots cannot be given to those who have animals in their vehicles. Children may be in the vehicle, but may not receive flu shots. Follow traffic signs to enter the Fire Hall from the north side.

Do not attend the clinic if you are not feeling well. Do not attend if you are waiting for test results from a COVID-19 test. Do not attend if you have COVID-19 or have been exposed to COVID-19 in the last 14 days.

Flu shots, as well as other vaccines, for children and families will be available during regular clinic hours, on Monday and Wednesday, 10 a.m.-4:30 p.m. by appointment. Additional clinic hours are the second Wednesday until 6 p.m., and the third Thursday of the month, from 1-4 p.m. by appointment. COVID-19 vaccines are available on Tuesdays from 12:30-3 p.m. without appointment. Check the Department Facebook page at www.facebook.com/RichlandCountyHealthDepartment for changes to regular clinic hours.

For further information or to inquire about group billing, contact the Richland County Health Department at 406-433-2207.

Amber Severson Completes National Endowment For The Humanities Workshop

By Ray Locker, Heart Mountain Wyoming Foundation

The Heart Mountain Wyoming Foundation is pleased to announce that Amber Severson, a social studies teacher at Alexander Public School, Alexander, ND, successfully completed our workshop for educators this summer sponsored by the National Endowment for the Humanities.

"Heart Mountain, Wyoming, and the Japanese American Incarceration" taught a total of 72 educators over two weeks about the incarceration of 120,000 Japanese Americans during World War II and the related issues of the treatment of Native Americans, the

racism behind many government decisions and the settling of the American West.

During each week-long workshop, 36 educators from around the country participated in the virtual program that was part of NEH's Landmarks of American History and Culture series. All participants received a \$1,300 stipend from NEH and a certificate noting their successful completion of the program.

In surveys conducted by the Heart Mountain Wyoming Foundation and National Humanities Alliance, participants called the workshops transformative and essential to their future teaching of this critical part of American history.

Amber Severson

The Heart Mountain Wyoming Foundation has received another grant to conduct the workshops again in 2022. Applications for interested educators open on Nov. 1.

Crop Insurance Deadline Nears In MT, ND, SD & WY

Wheat, Forage Production, Alfalfa Seed, and Rye Growers Need To Make Insurance Decisions Soon

Billings - USDA's Risk Management Agency (RMA) reminds producers of fall-planted crops in Montana, North Dakota, South Dakota, and Wyoming to apply for crop insurance coverage for the 2022 crop year before the Sept. 30 sales closing date. Current policyholders who wish to make changes to their existing coverage also have until the Sept. 30 sales closing date to do so.

The Sept. 30 sales closing date applies to the following crops and states: Fall Planted Wheat with Winter Coverage - Montana, South Dakota, and Wyoming; Forage Production - Montana, North Dakota, South Dakota, and Wyoming; Forage (Alfalfa) Seed - Select Counties

in Montana and Wyoming; and Rye - Select Counties in North Dakota and South Dakota.

Federal crop insurance is critical to the farm safety net. It helps producers and owners manage revenue risks and strengthens the rural economy. Producers may select from several coverage options, including yield coverage, revenue protection, and area risk policies. Producers are encouraged to visit their crop insurance agent soon to learn specific details for the 2022 crop year. Agents can help producers determine what policy works best for their operation and review existing coverage to ensure the policy meets their needs.

RMA is authorizing additional flexibilities due to coronavirus while continuing to support producers, working through Approved Insurance Providers (AIPs) to deliver services, including processing policies, claims, and agreements. RMA staff are working with AIPs and other customers by phone, mail and electronically to continue supporting crop insurance coverage for producers. Farmers with crop insurance questions or needs should continue to contact their insurance agents about conducting business remotely (by tele-

phone or email). More information can be found at farmers.gov/coronavirus.

Crop insurance is sold and delivered solely through private crop insurance agents. A list of crop insurance agents is available online using the RMA Agent Locator. Producers can use the RMA Cost Estimator to get a premium amount estimate of their insurance needs online. Learn more about crop insurance and the modern farm safety net at www.rma.usda.gov.

USDA touches the lives of all Americans each day in so many positive ways. In the Biden-Harris Administration, USDA is transforming America's food system with a greater focus on more resilient local and regional food production, fairer markets for all producers, ensuring access to healthy and nutritious food in all communities, building new markets and streams of income for farmers and producers using climate smart food and forestry practices, making historic investments in infrastructure and clean energy capabilities in rural America, and committing to equity across the Department by removing systemic barriers and building a workforce more representative of America. Next Presentation Of Eastern Montana Business Webinars Sept. 23

Jeanne Stone-Shedden, Montana Vocational Rehabilitation and Blind Services counselor will present information on Accommodation in the Workplace on Thursday, Sept. 23, 10 a.m.

Ms. Stone-Shedden will look at several common disabilities that are seen in the workplace due to aging or injury and discuss what is reasonable and how to have that conversation with an employee. She will also provide examples and resources that can be used by both employees and employers.

Jeanne Stone-Shedden started at Montana Vocational Rehabilitation and Blind Services in 2006 as Blind and Low Vision support staff while working on obtaining a bachelors degree in psychology from the University of Phoenix. Stone-Shedden was hired to be a Montana Vocational Rehabilitation and Blind Services counselor in 2011 for the Missoula office. She earned a Masters in rehab counseling in 2014 from Western Virginia University and she has worked in Sanders County as well as the Missoula area. She works with the general VR clients as well as the deaf and hard of hearing population. She volunteered to be the initial counselor member of the business services team since December 2015 which is focused on providing support services for businesses from MVRBS.

Registration is required for this webinar and can be completed at https://mt.gov.zoom.us/webinar/register/WN_B81f7UBaTAKZ5S-dHmPUgg

You will receive a confirmation email after registering.

Eastern Montana Business Webinars is brought to you through a collaborative effort of the Job Service offices in Glendive, Miles City, Sidney and Wolf Point. These educational sessions for employers take place via ZOOM the 4th Thursday of each month at 10 a.m. October's presentation, scheduled for Oct. 28, will feature information for employers on Unemployment Insurance.

Please feel free to share this information. Thank you!

Auctioneer's Note:

There is ammunition and bullets and brass of every kind imaginable. Gun, shooting and fishing enthusiasts you don't want to miss this one. John was a hard core gun and fishing enthusiast. You will be hard pressed to find more gun and shooting supplies than you will find here. Many of these guns are new or like new, many are still in the box, some never fired, and some only fired a few times. There is reloading supplies galore. We will sell a very nice boat and a large selection of fishing equipment.

The house and real estate is located outside the city limits, yet very close and handy to Glendive. This piece of property has its own well. A handyman's project, as the basement was flooded and has extensive water damage. The kitchen needs a complete overhaul, or you may want a piece of land to just start over to completely remove the house and build the house of your dreams. This location is very desirable and comes with plenty of space to make it your own.

All information is from sources deemed reliable but is not guaranteed by the Sellers or the Auctioneer. Offering is subject to error, omission, and approval of purchase by Owners. We urge independent verification of each, and every item submitted by the satisfaction of any prospective buyer. It is very potential bidder/purchaser's sole responsibility to accomplish his or her due diligence in whatever manner he or she deems advisable. Announcements made sale day take precedence over any printed materials. The property sells "As is-Where is".

Celtic Guitarist Jerry Barlow To Perform At Sidney-Richland County Library, Sept. 23

The Sidney-Richland County Library is pleased to welcome acclaimed Celtic guitarist and storyteller Jerry Barlow for a special concert. The program will be held Thursday, Sept. 23 at 6:30 p.m. at the library, 121 3rd Ave. NW, Sidney. The concert is sponsored by the library and is free to the community.

As a touring performer, Barlow travels throughout the

Midwest, South and Rocky Mountain regions presenting his program of music, history, and humor from the British Isles. Before the closing of the border, Barlow spent several weeks in Cape Breton, NS, where he learned a smattering of Gaelic and marveled at the history of the Great Clans. He has included some Cape Breton-style step-dance music in his program!

Barlow's program features music and stories from a time when there were "Warriors, Wizards, Castles and Kings." The stories behind the music are historical in nature, embellished by local legend and lore. There will be ample opportunity for some toe-tapping, some sing-along and even some step-dancing if you are so inclined.

"In concert, Jerry brings traditional Celtic tunes alive by sharing the history, legend and humor behind the music. Jerry Barlow ... a performer who is skilled, funny, and riveting. Out of the many musicians performing, the vast majority is skilled either at performing on their instrument or entertaining an audience. It is extremely rare to see a musician at the top of his craft in both areas," says Scott Beach, Colorado Celtic Entertainment director.

Barlow's newly released CD, "OF WARRIORS, WIZARDS, CASTLES AND KINGS", features music from his program as well as traditional favorites. His recording, FIELDS AND FENCES, was one of five finalists for the Instrumental Album of the Year Award by the Independent Music Awards. The Indie Acoustic Project selected BRING DOWN THE STORM as one of the best songs of 2006.

Music from Barlow's recordings can be heard on National Public Radio stations. He has been featured in FINGERSTYLE MAGAZINE and was profiled in CELTIC CONNECTION. He has performed for the Alliance Arts Council, Alliance, NE; High Plains Public Radio's Living Room Concert Series, Amarillo, TX and a multitude of li-

braries and arts centers along the way.

For more information, contact the library at 406-433-1917, or visit www.jerrybarlow.com.

Sidney Area Leadership Class Looking for Community Input

The Sidney Area Leadership Class kicked off this month. The task force that oversees this committee would like to reincorporate the class project that used to be a requirement of this program.

A "call for suggestions" is being put out to the community in order to give the class some feedback from the community on worthy needs. Ultimately the class will select a project from the suggestions or their own ideas in November at their Skills Development session. Some projects completed in the past include: Park and Fair signage, the Richland County License plate, the South round about design, the cement military stamps surrounding the stage at Veterans Park and the benches and flower boxes at the MonDak Heritage Center. These class projects are estimated to have given the community a \$70,000 return since their start in 1999.

The committee would love to get some ideas from the community. To make a suggestion, people can fill out a quick form linked on the bottom of the Leadership Class's webpage: <http://sidneynt.com/news-events/leadership-class> or they're welcome to just give the Chamber a call at 406-433-1916.

MSU To Offer Pest Management Tour Across Eastern Montana In October

By MSU News Service
Bozeman —The Montana State University Pesticide Education Program, with assistance from the Montana Department of Agriculture, is offering a pest management tour for pesticide applicators at 10 locations across eastern Montana from Oct. 4-8.

Those in the state's Private Applicator Training District 4 need to earn six private applicator credits before Dec. 31 to avoid losing their certification, according to MSU Extension Pesticide Education Specialist Cecil Tharp. District 4 includes Carter, Custer, Daniels, Dawson, Fallon, Garfield, McCone, Phillips, Powder River, Prairie, Richland, Roosevelt, Rosebud, Sheridan, Treasure, Valley and Wibaux counties. Applicators can check their credits at <https://mtplants.mt.gov/PesticideApplicator/ApplicationExternalSearch.aspx> or contact their county MSU Extension office for license information.

There will be 10 onsite

locations total, two for each day. Speakers will present a variety of topics, including managing rodents; managing herbicide-resistant weeds; drought considerations when using pesticides; drought and weed management; preventing weed spread from hay shipments; and more. Presentations vary by location.

Representatives speaking on the tour include Tharp; MSU Extension Forage Specialist Hayes Goosey; MSU Crop Weed Specialist Tim Seipel; MSU Associate Extension Specialist Nolle Orloff; MSU Associate Extension Plant Pathologist Uta McKelvy; and MDA Vertebrate Pest Specialist Stephen Vantassel.

Private applicators can attend morning or afternoon sessions for three credits or both sessions for six credits. More information, including commercial applicator credits, can be found at <https://pesticides.montana.edu/events/2021pmt.html>.

All locations will follow MSU and Centers for Dis-

ease Control and Prevention policies requesting mask use while indoors. Individuals who have tested positive for COVID-19 in the two weeks prior to the event or who are experiencing cold- or flu-like symptoms should not attend.

The tour stops are as follows:
