# THE MIRIAM WEINER ARCHIVAL COLLECTION

## **ROMANIA COLLECTION**

This small collection evolved from my one visit to various archives in Romania in 2002. This was a driving trip originating in Moldova and during the month of October, with snow coming early that year making highways treacherous at times.

**Note**: This Romania Collection also includes a small number of burials in the Bistrita Jewish Cemetery. Also see: <u>http://iajgscemetery.org/eastern-europe/romania/enciu-bistrita-county</u>
