SUSPENSION™

Inspired by suspension bridges, that are both strong and light, and require excellent engineering. Samsonite's Suspension is extremely strong and reassuring, yet astonishingly lightweight and offers excellent value for money.

- Space Booster wheels for 10% additional volume for cabin size Uprights. This unique system (patent pending) enables the suitcase to meet the 20 cm check-in guidelines whilst maximising volume, by pushing back the back panel of the suitcase and integrating the wheels.
- Extra strong suitcases are possible due to the resistant fabric, thick external piping and wide zippers.
- Extra light suitcases thanks to the top and side handle inspired by B-Lite technology.
- Double cross straps (top and bottom compartment).
- TSA padlock for worry free travel to the USA.

S-CAPE 2™

This updated value for money collection offers travellers a fresh looking range of bags and cases. Whilst having pockets and features added, it still manages to keep its weight under control. The new, structured front panel gives this updated version a more mature look. Without doubt, the revised pockets and additional expandability feature increase its packing comfort.

- Space Booster wheels (on cabin size Uprights).
- Fixed TSA lock.
- Some cases are expandable, offering extra capacity if needed.
