YOUNG PLANTS

Watch Hendriks Young Plants movie

Just follow these three simple steps:

1. Open camera app on your phone
2. Point towards QR code
3. Scan, click and watch!

purple

Purple is a symbol for passion, inventiveness, originality and inspiration. Passion for growing plants is deeply rooted in our nature. Already for three generations long. We share this passion with our team, suppliers and growers. Inventiveness is what we use in creating and continuously improving our range of colourful varieties. Originality forms one of the main ingredients for our branding and marketing. Finally we hope to inspire you with what we do!

Young Plants

Fuchsia rooted young plants

 Week 36-20

 102 plants per tray

Argyranthemum rooted young plants

 Week 36-20

 104 plants per tray

Pelargonium rooted young plants

 Week 32-14

 101 plants per box

Pelargonium half grown plants

 Week 44-16

 14 plants in 12cm pot per box

Osteospermum rooted young plants

 Week 36-20

 104 plants per tray

Señoritas[®]

Osteospermum

Osteospermum is new in our assortment, but not new within our company. We have been growing Osteospermum young plants and flowering plants for over 10 years.

Our range of Señoritas[®] varieties is selected from a grower's perspective. Next to our own experience with Osteospermum, we cooperate with growers from the Westland area in testing, judging and selecting varieties.

We support growers with designs for Señoritas[®] pots and labels. Next, we provide you with high quality images for printed or online media and promote Señoritas[®] on social media and our website.

Visit our website for information and inspiration:
