## **INDENTURE SECURITIES**

### **Item 8. Analysis of Indenture Provisions**

The Notes will be issued under the indenture to be entered into between the Applicants and U.S. Bank, National Association, as trustee (the “Trustee”). The following is a general description of certain provisions of the indenture. This description is qualified in its entirety by reference to the form of indenture filed as Exhibit T3C hereto and incorporated herein by reference. Capitalized terms used in this Item 8 and not defined herein have the meanings assigned to them in the indenture.

#### ***Events of Default; Withholding of Notice***

Each of the following is an “Event of Default” under the indenture:

(1) the Company defaults in the payment of interest on any Note of that series when the same becomes due and payable and such Default continues for a period of thirty (30) days;

(2) the Company defaults in the payment of the principal of or any premium on any Note of that series when the same becomes due and payable at its Maturity or on redemption or otherwise, when and as due by the terms of the Notes;

(3) the Company fails to provide notice of a Change in Ownership or a Spirit Liquidity Event to the Trustee and each Holder of any Notes pursuant to the provisions of the indenture with respect to mandatory redemption of the Notes;

(4) the Company defaults in the performance of, or breaches, any covenant or warranty of the Company in the indenture with respect to any Note of that series or Note Guarantee related to such Notes, as the case may be (other than a covenant or warranty a default in whose performance or whose breach is dealt with elsewhere in the provision of the indenture governing Events of Default) and such Default or breach continues for a period of sixty (60) days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Notes of that series, a written notice specifying such Default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under the indenture; provided, however, that if the Company defaults in the performance of, or breaches, any covenant or warranty of the Company contained in the covenants regarding consolidation, merger or sale by the Company or transactions with affiliates, such Default will be an Event of Default immediately, without any action by the Holders;

(5) the Company pursuant to or within the meaning of any Bankruptcy Law (A) commences a voluntary case or proceeding, (B) consents to the entry of an order for relief against it in an involuntary case or proceeding or the commencement of any case against it, (C) consents to the appointment of a Custodian of it or for all or substantially all of its property, or (D) makes a general assignment for the benefit of its creditors;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (A) is for relief against the Company in an involuntary case or proceeding, or adjudicates the Company insolvent or bankrupt, (B) appoints a Custodian of the Company for all or substantially all of its respective property, or (C) orders the winding

up or liquidation of the Company; and in each case the order or decree remains unstayed and in effect for sixty (60) days; or

(7) any Note Guarantee ceases to be in full force and effect or is declared null and void or any Guarantor denies that it has any further liability under any Note Guarantee, or gives notices to such effect (other than by reason of the termination of the indenture or the release of any such Note Guarantee in accordance with the indenture), and such condition shall have continued for a period of thirty (30) days after written notice of such failure requiring such Guarantor or the Company to remedy the same shall have been given to the Company by the Trustee or the Company and the Trustee by the Holders of 25% in the aggregate principal amount at maturity of the Notes Outstanding. For purposes of clarification, this 30-day grace period is in place of and not in addition to the 60-day grace period in paragraph (4) above.

Except in the case of a Default or Event of Default, the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a committee of its Responsible Officers in good faith determines that withholding such notice is in the interests of Holders of Notes of that series.

#### ***Authentication and Delivery of the Notes; Use of Proceeds***

The Notes shall be executed on behalf of the Company by the Chairman, President, Chief Executive Officer or Chief Financial Officer under its corporate seal reproduced thereon and attested to by the Secretary or any Assistant Secretary of the Company. The signatures of such Officers on the Notes may be manual or facsimile. The Notes bearing the manual or facsimile signatures of individuals who were at any time the proper Officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of such Notes.

At any time and from time to time after the execution and delivery of the indenture, the Company may deliver Notes of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication, and make available for delivery such Notes, and the Trustee in accordance with the Company Order shall authenticate and deliver such Notes.

Prior to the issuance of the Notes of any series after the date of the indenture, the Trustee will receive and (subject to certain duties of the Trustee) shall be fully protected in relying upon an Opinion of Counsel complying with the provisions of the indenture governing certificates and opinions which shall also state:

- (i) that the form of such Notes has been established in conformity with the provisions of the indenture;
- (ii) that the terms of such Notes have been established in conformity with the provisions of the indenture;

(iii) that such Notes, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles;

(iv) that the Note Guarantees attached to such Notes will constitute the valid and legally binding obligation of the Guarantors, enforceable in accordance with its terms, subject to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles;

(v) that all laws and requirements in respect of the execution and delivery by the Company of the Notes and the execution and delivery by the Guarantors of the Note Guarantees have been complied with; and

- (vi) such other matters as the Trustee may reasonably request.

If the Notes of a series are to be issued in whole or in part in global form, then the Company shall execute and the Trustee shall, in accordance with the provisions of the indenture governing execution and authentication and the Company Order with respect to such series, authenticate and deliver one or more Notes in global form that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Notes

of such series to be represented by such Note in global form, (ii) shall be registered in the name of the Depository for such Note or Notes in global form or the nominee of such Depository and (iii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instruction.

Each Depository designated by the Company for a Note in global form must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act and any other applicable statute or regulation. The Trustee shall have no responsibility to determine if the Depository is so registered. Each Depository shall enter into an agreement with the Trustee governing the respective duties and rights of such Depository and the Trustee with regard to Notes issued in global form.

No Note shall be entitled to any benefits under the indenture or be valid or obligatory for any purpose until authenticated by the manual signature of one of the authorized signatories of the Trustee or an Authenticating Agent. Such signature upon any Note shall be conclusive evidence and the only evidence, that such Note has been duly authenticated and delivered under the indenture and is entitled to the benefits of the indenture.

Notwithstanding the foregoing, if any Note shall have been authenticated and delivered under the indenture but never issued and sold by the Company, and the Company shall deliver such Note to the Trustee for cancellation as provided in the provisions of the indenture governing cancellation together with a written statement (which need not comply with the provisions of the indenture governing certificates and opinions and need not be accompanied by an Opinion of Counsel) stating that such Note has never been issued and sold by the Company, for all purposes of the indenture such Note shall be deemed never to have been authenticated and delivered under the indenture and shall not be entitled to the benefits of the indenture.

There will be no proceeds from the issuance of the Notes because the Notes are being issued pursuant to the Reorganization.

#### ***Release and Substitution of Property Subject to Lien of the Indenture***

None. The Notes will be unsecured.

#### ***Satisfaction and Discharge of the Indenture***

The indenture shall upon Company Request cease to be of further effect with respect to Notes of any series (except as to any surviving rights of registration of transfer or exchange of such Notes as expressly provided for in the indenture) and the Trustee, at the cost and expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of the indenture with respect to Notes of any series (the Company, however, agrees to reimburse the Trustee for any costs and expenses thereafter incurred by the Trustee in connection with the indenture or the Notes) when

(1) either

(A) all such Notes previously authenticated and delivered (other than (i) such Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in the provisions of the indenture governing replacement notes, and (ii) such Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in the covenants in the indenture governing money for Notes to be held in trust and unclaimed property) have been delivered to the Trustee for cancellation; or

(B) all Notes of any series not previously delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) if redeemable at the option of the Company, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company; and the Company or any Guarantor, in the case of (i), (ii) or (iii) above, has deposited irrevocably or caused to be deposited irrevocably with the Trustee as trust funds in trust, which shall be immediately

due and payable, for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be provided, however, that there shall not exist on the date of such deposit a Default or Event of Default; provided, further, that such deposit shall not result in a breach or violation of, or constitute a Default under the indenture or a default under any other agreement or instrument to which the Company or any Guarantor is a party or to which the Company or any Guarantor is bound;

(2) the Company or any Guarantor has paid or caused to be paid all other sums payable by the Company under the indenture; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent in the indenture provided for relating to the satisfaction and discharge of the indenture as to such series have been complied with.

#### ***Evidence of Compliance with Conditions and Covenants of the Indenture***

Upon any application or request by the Company to the Trustee to take any action under any provision of the indenture, the Company shall furnish to the Trustee such certificates and opinions as may be required under Section 314(c) of the Trust Indenture Act, each such certificate stating that all conditions precedent, if any, provided for in the indenture relating to the proposed action have been complied with and each such opinion stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with. Each such certificate or opinion shall be given in the form of an Officers' Certificate, if to be given by an Officer of the Company, or an Opinion of Counsel, if to be given by counsel, and shall comply with the requirements of Section 314(c) of the Trust Indenture Act and any other requirements set forth in the indenture.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in the indenture shall include:

(1) a statement that each individual signing such certificate or opinion has read such condition or covenant and the definitions in the indenture relating to such condition or covenant;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of each such individual, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such condition or covenant has been complied with; and

(4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

#### **Item 9. Other obligors.**
