From the Chair of the Advisory Board of Regents Mrs. Kathy Lavezzo

Dear Friends of Serra,

I am honored to be this year's Chairperson of the Advisory Board of Regents! In September 2005, the Archdiocese of San Francisco approved bylaws establishing the Board. The board's purpose is to assist the Principal and, ultimately, the Superintendent of Catholic Schools by providing advice, counsel and assistance in the following areas:

- Strategic Planning
- Finance
- Development
- Buildings and Grounds
- Academic Program

Strategic Planning Committee: Mike Murphy, Chair
Assists in formulating strategic goals for the long-term direction of the school.

Finance Committee: Ric Rosario, Chair
Provides advice and counsel regarding long-range financial planning, annual budget development, budget monitoring and financial reporting.

Development Committee: David Philpott '87, Chair
Provides advice and assistance concerning the implementation and effectiveness of the school's long term fundraising and development goals along with support of student recruitment and retention efforts.

Buildings and Grounds Committee: Ray Petrin '69, Chair
Provides advice and assistance regarding the appearance, maintenance and long-term capital improvement of the existing facility.

Academic Program Committee: Kevin Dunleavy '80, Chair
Provides advice and assistance regarding the school's academic program.

Junípero Serra High School is truly blessed by the caliber and commitment of our board members who represent alumni, alumni parents and leaders from business education, government and ministry. The board, working with Serra's Administrators, plays an integral part in furthering our mission of building young men of faith, wisdom and service.

I want to personally thank all the members of the Advisory Board of Regents who have already offered so generously of their time and talents. I look forward to a successful year and thus ensuring Serra continues to stand tall as the premier Catholic educational institution serving the young men of San Mateo County!

Sincerely,

A handwritten signature in black ink that reads "Kathy Lavezzo".

Principal's Letter

Dear Alumni and Friends of Serra:

School year 2006-2007 was one for the ages, as evidenced by the following:

- The amount of students applying to each freshmen class continues to rise at record levels! For the fourth year in a row, Serra High School is at full enrollment with 1,000 students.
- Our theatre arts program performed to full houses in "*The Miracle Worker*" and "*Bye Bye Birdie*."
- Our Men's Chorus earned their second consecutive "Unanimous Superior Rating" at the CMEA Chorus Festival. Our Tri-school Symphonic Band earned a "Superior" rating at the CMEA Band Festival
- Our seniors earned \$3 million in scholarships, being accepted to all of the UC and CSU campuses, the major Catholic Universities nationwide, the Ivy League, and the United States Naval Academy.
- More Serra students are taking Advanced Placement courses than ever before, with scores at the highest levels in the school's history -- well above the national average.
- Varsity league championships in football, wrestling, golf and baseball.

As we begin 2007-2008, we are very excited about the new ventures:

- We welcome to Serra our new Campus Minister, Kyle Lierk. Kyle comes to us by way of Creighton University in Omaha and the Graduate Theological Union in Berkeley. He and his staff are already making their mark enhancing programs that support our students' spiritual development.
- The arrival of an outstanding cohort of new teachers in Social Studies, English, Spanish, Art, and Science -- more about them in the next edition of TRADITIONS.
- We have a brand new all-weather football/soccer field that will properly drain water during winter storms!
- The Board of Regents are hard at work on a number of strategic initiatives, one of which is an information night on affordable housing in the Bay Area for K-12 teachers and staff throughout the Archdiocese of San Francisco.

Finally, I want to thank each of you -- especially those listed in the 2006-2007 Annual Report for your generous support of Serra. Last year we raised \$1.8 million in annual fundraising, launched a strategic campaign to enhance our endowment through planned gifts, and began finalizing our designs for Phase II of our Master Plan. I especially want to thank our alumni for their ever-increasing support of our financial aid program — you men are true Padres!

On behalf of our students, thank you for your support. With your help, Serra has become the "destination school" on the San Francisco Peninsula. Your continued support will make it possible for future Padres to attend this great school!

Sincerely,

A handwritten signature in black ink, which appears to read "Lars Lund". The signature is fluid and cursive.

FUNDRAISING DESIGNATION

The mission of Junípero Serra High School is to develop the gifts and talents of each student and to foster Gospel values in an environment of academic excellence and mutual respect.

A graduate of Junípero Serra High School is a mature Christian who lives a life of faith and service, and who, like Blessed Junípero Serra, finds Christ in and brings Christ to the people with whom he lives, works and serves.

PARENT PLEDGE PROGRAM

In a given year, total operating expenses at Junípero Serra High School exceed the tuition and fees collected. The differential varies with emerging educational programs and facility improvements that enhance both student instruction and the physical plant. The revenue generated by our Parent Pledge Program helps close this gap and allows the administration to address planned and unexpected needs throughout the year. The Parent Pledge Program flows directly into areas of school life experienced by students. Most recently this money has been directed to the Building Fund and the need for new and better facilities.

The parents listed below and on the following three pages have generously contributed to the Parent Pledge Program during this fiscal year (July 1, 2006 thru June 30, 2007). We couldn't provide the programs we do without this much needed support.

Please contact the Development Office with corrections and accept our apologies for any inadvertent omissions.

HOW TO CONTRIBUTE TOWARDS SERRA'S CAPITAL CAMPAIGN

Making a donation to Junipero Serra High School is investing in the future of our young men. You can contribute in a number of ways:

- A ONE-TIME CASH DONATION
- A PLEDGE TO SPREAD A LARGER DONATION OVER THREE TO FIVE YEARS
- A GIFT OF SECURITIES OR REAL ESTATE

If you would like to make a contribution, please contact Russ Bertetta, Director of Development & Alumni Relations at (650) 573-9935. He will be able to assist you in tailoring your gift to Junipero Serra High School so that it best meets your needs.

BUILDING FOR OUR FUTURE - PHASE II

The final planning stages for Phase II of our Capital Campaign are underway. New construction will include a state-of-the-art music building, an art building with space for an expanded Academic Resource Center and additional classrooms, and a new and larger swimming complex to accommodate all of our aquatic needs.

MUSIC

A new, enlarged band room that will exceed the minimum square footage recommended by the Music Educators National Conference

- New practice rooms
- State-of-the-art acoustics
- Dressing areas for our performing arts
- New storage areas for the music library, uniforms and equipment
- A workroom for instrument repair

ART

- An enlarged and improved room dedicated to painting, drawing, 3-D art
- Exposure to natural lighting
- State-of-the-art projection for the art history component
- Increased space to hold artwork and tools
- A ceramics room with electric wheels, glazes and kilns
- Facilities for a broadcast studio

ACADEMIC

The Academic Resource Center, which began in 1999, started with 22 students and was housed in the area that was once the library's workspace. The program, now with 110 students, helps those with learning differences to reach their full academic potential through assistance, appropriate accommodations and tutoring.

We propose an enlarged classroom area that will provide more space for teacher-led study groups, technology, student privacy and a conference area.

AQUATIC

When the Serra swimming program began in the early 1960's, it first used the swimming pool at the Elks Lodge down the street on 20th Avenue. As the program became more successful, the need for our own pool was apparent. In the mid-1960's, a group of parents spearheaded a drive to build the pool. When the pool was completed in the summer of 1966, it was state-of-the-art and the envy of other schools. Now the pool is one of the oldest in the county and no longer meets the needs of our growing aquatic program.

WE PROPOSE . . .

- A new 35 meters by 25 yards pool, standard dimensions for high school water polo
- New bleachers for spectators
- New decking
- Updated filtration systems and equipment
- Landscaping to enhance the beauty of the campus

MEMORIAL ENDOWMENT FUNDS

The **Memorial Endowment Funds** listed here were donated during the 2006-2007 fiscal year. Those loved ones enrolled in the Memorial Program are listed in script, with donors beneath them. All those listed in our memorial book are remembered in a monthly Mass offered in the school chapel. If you would like to enroll someone in our Memorial Program, please contact the Development Office at (650) 573-9935.

Serra Padres continue to be the pride of San Mateo County and beyond. They achieve unparalleled success in our classrooms, on our athletic fields, and on the performance stage. As a result, they are accepted to the nation's top colleges and universities.

Rising costs and a challenging economy, however, make it very difficult for families to afford a Serra education.

In order to ensure that each young man who dreams of becoming a Padre is afforded the opportunity to attend Serra, we held our Third Annual "Fund-A-Dream" Scholarship Luncheon on April 25, 2007.

We are proud to announce that over \$103,000. was raised to help . . .

"Make a Young Man's Dream Come True"

If you are interested in attending our Fourth Annual Fund-A-Dream Luncheon to be held on April 23, 2008, please contact Moya Goddard in the Development Office @ (650) 573-9935 ext. 122.

generously giving back to the
Junípero Serra High School Community*

MICHAEL SCOTT '64

Mark Cunanan '05, Michael Scott '64 & wife Alma

“As I look back on my youth, I have great memories of my years at Serra. The education and experiences were the foundation which allowed me to grow and become the person I am today. The friendships I made while at Serra continue. In fact, my class (the class of 1964) meets every first Friday in December to renew those friendships and to rekindle the memories we all share. Our class had such great school spirit that, although we didn't win any championships in 1964, we were awarded the C.A.L. “Spirit Trophy” that year. I believe that says a lot about the “Padre Spirit.”

It's easy to give back to Serra since Serra gave so much to me.”

JOHN CASELLI '75

John Caselli '75 & Family
(Pictured L to R: Son Christopher '06, Wife Karen, Daughter Kathryn NDB '08)

“My relationship with Serra High School goes back almost 40 years. My late brother Tommy '69 was a part of the legendary Freitas-Swann football era of the late 60's. It was then that I was able to experience first hand that incredible Serra spirit, the student cheering sections, and the Padre Whisper . . . I was hooked!!

Through the years, I've come to treasure the many friendships that I've established through Serra. My wife, Karen, and I believe in the values that Serra has come to represent. -- the wonderful sense of community and the goal that each student develop not only academically, but spiritually and socially as well, as they build a foundation for their future stages in life.

I will continue to support Serra so that I can ensure that other students can gain the opportunities and share the many experiences that I, my brothers Joe '66 and Tommy '69, my nephew John Eric '88 and my son Chris '06 were all able to be a part of. ”

ROBERT YONTS '59

Bjorg & Robert Yonts '59

“Little did I know in the Fall of 1956, that by the time I graduated from Serra in 1959, I would be given an intellectual, moral, social and athletic blueprint that would help guide me through the challenges, losses and wins of the years to come.

Serra taught me to take the next step when confronting a difficult situation and to avoid the easy way out. The instructors at Serra taught me to innately do the right thing in resolving difficult moral and intellectual choices. Most importantly, I learned to analyze my mistakes and learn just as much from them as my successes.

I remain very close friends with many of my classmates despite the vastly different journeys each of us have taken since we started at Serra over fifty years ago. Being a Padre is a membership in a fraternity that endures the rest of your life. I have been acquainted with many college-preparatory educational systems over the years and Serra is at the apogee of excellence.

Many in the Class of 1959 have been generous to our Alma Mater over the last half century and will continue to do so in the future in order to help other young Padres share the same treasured education that we received. ”

TERRY GIOMI '64

Terry & Nanette Giomi
(40th Anniversary - Hawaii 2006)

“Attending Serra High School was one of the greatest opportunities that I was ever presented. The values and morals that I learned there have served me well over the many years since I graduated. My experiences at Serra gave me the tools and self confidence to face life’s many challenges. It is a pleasure to give back, even in small measure, to the school that did so much for me.

Serra has not only had a profound effect on my life, but also on the lives of a number of family members. My son, Terry, Jr. ‘85; my son-in-law, Tony Malone ‘80; his father, Bill Malone ‘55, and my brother-in-law, Dan Greenwood ‘56, are all proud beneficiaries of a Serra High School education. God willing, my grandson, Will Malone, will be a member of the graduating class of 2019.

Each year 30 to 50 members of the class of 1964 gather informally at a December luncheon to renew friendships and catch up with each others’ lives. I always look forward to seeing who is going to show up from year to year. The mere fact that this gathering continues is a testament to the comradeship that was formed during our high school years. I truly hope that the Serra experience will be there for students for many years to come. ””

THE FATHER SERRA HERITAGE SOCIETY

The Father Serra Society has been established to recognize and honor those individuals who have acted to provide support in order to ensure the future of Serra High School. It honors those who make provisions for Serra High School through bequests of wills or trusts, life income gifts, retirement plans, life insurance policies or other planned giving vehicles. From time to time, the school holds special events to honor Father Serra Society members. JUNIPERO SERRA HIGH SCHOOL SCHOOL PRAYER

Lord God, from you comes all that is good, all our talents and abilities.
Help us develop these gifts, even when it means hard work.
Help us face the reality of working together as a community.
When necessary, help us deal with pain and disappointment.

Be with us in our endeavors.

In the spirit of Junípero Serra, let us never give up.
Let this dedication in our lives today, help us grow in faith,
maturity and life for tomorrow.

We ask this through Christ our Lord.

Amen.

HOW CAN YOU HELP?

When you think about how you might contribute a lasting and valuable gift towards Serra's continued excellence, consider your opportunities for giving.

The greatest number of gifts come to Junípero Serra High School as **direct donations**. Typically, such gifts are deductible items for federal and California state income tax purposes, subject to certain limitations. There can be additional tax advantages in donating **appreciated property, securities and other assets**.

By naming Junípero Serra High School the beneficiary of your **life insurance policy**, you may receive a tax deduction. Life insurance contributions can be an attractive option when the donor's family is grown and life insurance may be of less importance.

A **family endowment** may be established to endow a scholarship for a Serra student. A minimum target donation of \$25,000 is needed to establish an endowment.

A **memorial endowment** may be established to honor a loved one. All those listed in our memorial book are remembered in a monthly mass.

Real estate gifts are among the most valuable contributions you can make to ensure the future of Serra. Real estate can be given outright or can be deeded to the school, while you continue to occupy the property. It is possible to create a sizable tax deduction by deeding such a gift.

Many corporations now recognize and are willing to support private secondary education through a **corporate matching gift program**.

Check whether your employer will match your gift!

A **bequest** is a wonderful way to remember Serra. A donor may include a bequest to Serra High School in a WILL. A bequest may be for a specific amount, a percentage of the donor's estate, or a residual portion. Bequests can help offset estate taxes and may allow a donor to make a significant gift that might not have been possible during his or her lifetime.

Are you
over
70 ½?

Read below about
a new law that can
help YOU help US!

Do you
have an
IRA?

It's been said that with age comes wisdom. Now you can use that wisdom to make a charitable gift to Serra High School and satisfy the minimum distribution requirements on your Individual Retirement Account ("IRA").

Up until **December 31, 2007**, if a donor is over age 70 ½, he can transfer up to \$100,000 directly from his IRA to a charity such as Junípero Serra High School -- without first having to include the IRA withdrawal on his income taxes. In the past, any donor who wanted to withdraw money from an IRA to make a charitable contribution would have to include the IRA withdrawal on his income tax return. A donor would then be entitled to a charitable deduction for the gift to the charity. However, in some circumstances, the charitable deduction did not entirely offset the amount of the IRA withdrawal that was required to be included on the donor's income tax return, thereby causing the donor to pay income taxes. The new law solves this problem.

As long as the IRA withdrawal is sent directly from the custodian of the IRA to the charity (not from the donor to the charity), the gift satisfies the donor's minimum distribution requirement and is not required to be included on the donor's income tax return . . . AND benefits the donor's favorite charity. What this law amounts to is a tax-free IRA withdrawal which can benefit Serra.

"We are really excited about this new law. It can really help some of our benefactors help Serra by making a very tax-effective gift," said Director of Development and Alumni Relations Russ Bertetta '67.
