

Xerox® Versant® 2100 Press

Do more. With *more*.

At Xerox, we're well versed in more of what matters to you and what makes a difference in your business. Cost savings. Increased revenue. Productivity.

Every business is looking to do more. How you define "more" is unique to you. But how you achieve it is consistent: The Xerox® Versant® 2100 Press.

This press consistently lets you do more. How? At the top of the list is more automation, designed to make your work effortless, accurate and efficient. With the market's shifting emphasis toward short runs, quick turnarounds and insourcing, success comes through processing many more jobs in a shift and in a day than in the past. Automation is the key to helping you do it efficiently.

The Xerox® Versant 2100 Press is designed to let you answer those increased challenges as your customers ask for more. Because that is another thing that is consistent—business pressure isn't going away. It promises to get more demanding every day.

With the Xerox® Versant 2100 Press, you can respond with confidence. With more performance. More quality. More flexibility. More results.
