

SGS OPERATIONAL INTEGRITY QUALITY, HEALTH, SAFETY & ENVIRONMENT POLICY

Our long term success depends on our ability to continuously improve our service delivery while protecting our people and the environment in which we work.

IT IS OUR POLICY TO:

- Provide and ensure a safe working environment, conditions and equipment, coupled with training that will provide our employees with the knowledge and information necessary to safely carry out their assigned duties.
- Ensure that our services are performed in such a way as to protect the environment and, where possible, assist clients to do the same.
- To meet or exceed our client's expectations, the first time and every time, through the application of proven quality principles at all levels of our service delivery process, while being guided by the tenets of our Code of Integrity and Professional Conduct.

WE ARE COMMITTED TO:

- Protecting the health and safety of our employees, customers and third parties.
- Protecting our environment and that of the communities where we work and live.
- Improving the quality of our services and service delivery.

The Operational Integrity QHSE policy will be integrated at all levels and is the responsibility of management with the active support of all our staff.
