

SHERWOOD FOREST CAMP

kindle their passion | ignite their potential

Annual Report -2012-

*Yesterday's Memories and Today's Traditions:
Celebrating 75 years of transforming lives through camp experiences!*

A Message from Our Leadership

Sherwood Forest Camp has been fulfilling its mission of transforming lives through camp experiences since 1937. We help children realize a future beyond anything they could imagine and provide them with the tools to achieve it. Sherwood Forest Camp creates healthy, caring communities where children develop character and competence.

In 2012, we celebrated our 75th anniversary! The past 75 years are full of treasured memories and historic milestones, including several notable contributions to organized camping. Among the highlights are the development of a leadership training program in 1941; the introduction of the St. Louis area's first outdoor education program in 1948; and racial integration and the inclusion of children with disabilities beginning in 1954.

I hope you enjoy the series of "then and now" photographs in this Annual Report, including these two snapshots, taken during my first summer as a camper back in 1967 and with fellow alumni at our recent 75th anniversary reunion weekend. As you will see, the images throughout these pages tie our honored past to our vibrant present, and I thank you for being part of our story as we look toward the next 75 years!

With gratitude,

Mary M. Rogers

Celebrating 75 Years!

We commemorated our special anniversary through several events in 2012. In July, dozens of friends of Sherwood Forest Camp gathered in Forest Park to share fond memories and delicious ice cream sundaes. As you may know, two decades before camp was officially founded, a group of volunteers gave ice cream to inner-city kids in Forest Park one Sunday each summer. They came to realize that a full residential camp experience would be much more valuable for those children, and their Ice Cream Sunday tradition developed into the summer camp we know today. Our mid-summer celebration was a nod to these humble beginnings in Forest Park.

In the late summer, a small group of staff and alumni toured the former site of Sherwood Forest Camp located in Cuivre River State Park in Troy, Missouri. Executive Director Mary Rogers, Site Manager Gary Chastain, and board members David Pocost and Ed Becker, returned to Cuivre River a few weeks thereafter to officially present a book of original camp blueprints and drawings, dating back to 1937, to the Park Director. The historical book now has a permanent home in the Cuivre River State Park archives.

And finally, in September of 2012, former and current campers, counselors, staff members, and their families reunited at our campsite in Lesterville for the culmination of our anniversary celebration, pictured above. The weekend brought with it much nostalgia as members of the Sherwood Forest Camp family participated in their favorite camp activities, including the Tango Tower, archery, and arts and crafts. Even more camp memories were made as folks enjoyed campfires, s'mores, sing-alongs, and stargazing!
