

Annual Report to Donors

A
Celebration of
Giving

*T*his Annual Report to Donors is more than “A Celebration of Giving.” It is tangible evidence of your affection and commitment to a grand old university. We proudly present it to you and our nearly 9,000 donors who firmly believe that Sam Houston is a great name in Texas education.

Private giving approached a total of \$7.8 million during 2009-2010. For the second consecutive year, our generous donors established a new mark for cash and stock contributions received. This exceptional outpouring of generous support is underscored because it was given during a severe economic downturn, which caused an overall decline in charitable giving throughout the United States.

We know that at Sam, you can dream and succeed. Not too many years ago, our university was receiving less than \$2 million annually in cash and stock from about 1% of our alumni and friends. During this past year, more than 10% of our alumni and friends gave more than 19,000 gifts in support of scholarships, academic enrichment, faculty development, student programs, technology and equipment upgrades, the library, new construction, and special projects.

In the process, this broad-based support brought the five-year Share the Vision Campaign to a highly successful conclusion. When the campaign’s books were closed on August 31, 2010, more than \$61.2 million had been committed, surpassing the \$50 million goal almost a year ahead of schedule.

I also want to congratulate our growing Alumni Association, which has attained an all-time record membership of 8,400, including more than 1,400 Life Members. Alumni outreach engaged more than 6,000 individuals through some 140 meetings and events. This has a significant impact on our ability to tell our story effectively, while encouraging philanthropy and legislative advocacy.

Our wonderful faculty and staff continue to amaze me. In addition to their dedicated service, about 80% of our full-time employees contribute financially to the university. They are the heart and soul of a caring campus community that has been recognized nationally and in the greater Houston area as an outstanding place to work.

With the completion of the campaign, where do we go from here? It is our vision to broaden our donor base and continue to build on our momentum to raise the visibility and perception of our university as an outstanding environment to receive a high-quality education. We have something very positive and special happening on our campus. When you come here, you can feel it!

We are grateful for your genuine caring, for your sense of loyalty, and for your thoughtful giving.

Thank You

Sincerely,

Dana Gibson

A Monument To Service

From left to right: Ron Mafrige and SHSU President Emeritus, Dr. James Gaertner

Over the years, much has been written about Ron Mafrige's generosity and staunch support of Sam Houston. True to the university's motto, "The measure of a Life is its Service," Ron personifies the leadership and charity inherent to those who have dedicated themselves to helping others.

Quoted in an article published in 2006 announcing the kickoff of the Share the Vision Capital Campaign, Mafrige reflected on his thoughts on giving: "The measure of an individual is what is left behind for your fellow man. I can't think of a better way to do that than help young people get an education."

Since graduating in 1960 and launching a successful career as a real estate entrepreneur, Mafrige has contributed in excess of \$2 million to the university. He has also volunteered to lead and participate in a number of Sam Houston organizations and initiatives.

His dedication and unwavering support for Sam Houston has left an indelible mark

on the university. From collections of memorabilia to monuments beautifying the campus to endowments to fund scholarships, Ron's service to others has created a legacy which will continually benefit the university community as well as the thousands of visitors touring our campus each year.

In 1997, the College of Business Administration auditorium was named in honor of Mafrige in recognition of his 1994

endowment honoring Glenn Adams, the late president of Ron Mafrige Enterprises. The endowment, with commitments totaling \$1 million, provides business scholarships for students and funds for the college.

In 2005, Mafrige gave \$250,000 to make possible construction of an 11,000 square foot strength and conditioning facility named after longtime football coach Ron Randleman. The center was part of more than \$9 million of athletic facility improvements, which also included Don Sanders Stadium (baseball), Bearkat Softball Complex, Ron Mafrige Field House and the Michael McIver Golf Training Center at Raven's Nest Golf Course.

Ron has impacted the very landscape of the SHSU campus. In addition to his support of the Alumni Garden, he has purchased many of the granite benches seen across campus in honor of a number of people. In 2008, Mafrige donated \$40,000 to build the 20-foot-tall statue of General Sam Houston. It stands near the Lowman Student Center and Smith-Hutson Building. He said he wanted to do so to honor both M.B. Etheredge and the statue's sculptor, David Adickes. Both Sam graduates, Etheredge is the country's highest decorated surviving soldier of World War II while Adickes created the 67-foot statue of Sam Houston that stands on I-45 south of Huntsville.

As National Campaign Chair, Ron Mafrige led SHSU's first capital campaign and its Executive Leadership Council. The fund-raising effort generated commitments in excess of \$61 million, surpassing the \$50 million goal and was achieved nearly a year ahead of schedule.

The five-year Share the Vision Campaign was publicly launched on March 30, 2006, when the \$50 million goal was announced. The campaign officially closed on August 31, 2010, with \$61.2 million in commitments received from some 21,000 donors who made more than 97,000 gifts. The following is a summary distribution of campaign gifts and commitments:

Joann & E. Allen Triplett

Allen Triplett, Class of '56 and '62, and his wife, Joann, are proud supporters of Sam Houston State University. Allen attended Sam Houston State Teachers College where he earned a bachelor's degree in agriculture and a Master of Education degree. After graduation Triplett taught chemistry at Dumas High School for two years before teaching biology and agriculture at Hill Junior College in his hometown of Hillsboro, Texas. In 1968 he joined the faculty of Tarrant County Junior College where he taught for 32 years before retiring. The Triplets are active in their church and community affairs. They believe, "you live on what you earn and make a difference with what you share." Allen is a life member of the SHSU Alumni Association and being a model of their own principle, he and Joann established the Allen and Joann Triplett Agricultural Sciences Endowment with earnings to be used for scholarships and enrichment for the agricultural sciences at Sam Houston.

& L.N. "Sonny" Sikes**

Sonny Sikes, Class of '55 and '57, and his wife, Joanne, Class of '57, are proud to give back to Sam Houston State University. While earning both a bachelor's and master's degree in agriculture, Sonny was on the SHSU rodeo team for five years and won many National Intercollegiate Rodeo Association titles. After graduating, Sonny taught school for one year then returned to Sam Houston as a faculty member in the department of agriculture and as the rodeo coach, retiring in 1997 after 42 years of service. Under Sonny's leadership as rodeo coach, SHSU won more individual and team champions than any other school. Sonny's involvement in rodeo provided Joanne the opportunity to serve as secretary for the NIRA, a position she held for 18 years. Sonny and Joanne are both life members of the Alumni Association and have been loyal to their alma mater, providing support through the years to the College of Business Administration, the Sonny Sikes Rodeo and the Sikes Family Rodeo Scholarship Endowment. They continue to live in Huntsville and are also very active in their community and church.

Steven L. Parkhill

You could say Steve Parkhill, Class of '77, was destined to be a Sam Houston State University Bearkat. The Parkhill family has been a part of SHSU tradition since Steve's grandfather served as the first college administrator in the early 1930's. Steve earned a degree in accounting, following in the footsteps of his father, Elwood Walker Parkhill, who taught accounting at Sam Houston for 38 years until his death in 1982. At that time, the Parkhill family established the Elwood Parkhill Accounting Endowment to assist deserving accounting students. The Parkhill family continues to make donations to the scholarship fund and pledge its support to the university. Steve is the managing shareholder of EEPB, P.C., a large public accounting firm in Houston. Over the years, the firm has hired numerous SHSU accounting graduates.

**Jean Carter Hendricks
& Roland K. Hendricks**

Jean and Roland Hendricks believe they are blessed to be in a position to give back to Sam Houston State University. Roland, Class of '80, graduated from SHSU with a Bachelor of Business Administration degree in accounting. Soon after graduation, he began his career with The Dow Chemical Company where he is currently the Texas Manufacturing Controller for operations in Freeport, Seadrift, Texas City, Deer Park and Houston. In 2003 he was the recipient of the National Association of Black Accountants National Achievement in Industry Award. In 2008 he was inducted into the Sam Houston College of Business Hall of Honor. Roland is a life member of the Sam Houston Alumni Association, a member of the President's Circle and the Sam Houston College of Business Advisory Board. He is also pastor of Greater Mount Zion Church in Brazoria, Texas. His wife, Jean, Class of '82, holds a Bachelor in Business Administration degree and spends her time volunteering and helping the elderly. The couple has been married 28 years and has been giving back to Sam Houston just as long. Their annual contributions with matching gifts from the Dow Chemical Company Foundation has enabled them to significantly impact the growth of the following funds in the College of Business Administration: The Dow Chemical Company Lecture Hall in honor of Arnold Allemang, Dow Career Resource Library in honor of J. M. (Levi) Leathers, Dow Technology Demonstration Center, Dow Chemical Alumni Scholarships, and the Enterprise Resource Planning Systems.

Ralph Peil and his wife, Charlotte, both Class of '63, value the education they received at Sam Houston State University. Ralph was a three-year letterman in football and a defensive starter on the 1961 Lone Star Conference Championship team. He earned a degree in biology, while Charlotte earned a degree in elementary education. The couple married during winter break of their senior year and moved into the old men's gym apartments. After graduation, Ralph attended medical school in Galveston while Charlotte taught school in Galveston and LaMarque. Ralph spent the next 34 years in private practice in diagnostic radiology at Sam Houston Hospital and Spring Branch Medical Center in Houston. Now that Ralph is semi-retired, the couple spends their time teaching a marriage class at Lakewood Church in Houston, golfing and visiting their three children and 10 grandchildren. Ralph is a lifetime member of the Lettermen Club. The couple supports football and golf enrichment and the 1961 Sam Houston State Lone Star Conference Football Team Endowment; both are life members of the SHSU Alumni Association.

Douglas M. Gilbert

Doug Gilbert, Class of '68, received a Bachelor of Arts degree in teaching from Sam Houston State University. He grew up in Katy and played football with Katy's 1959 state championship team. Many of his life long school friends were planning to attend SHSU, so he decided to do the same. After graduating, he worked for Humble Oil and taught industrial education in Katy ISD. During the summers, Gilbert started painting houses and later acquired Destin Drywall & Paint, Inc., where he is the President and CEO at the company's headquarters in Houston. They now have more than 100 employees and accept commercial drywall and paint projects throughout the United States. He and his wife Helen recently enjoyed a trip to Israel with their church. Gilbert takes pride in supporting his alma mater because of the many avenues it opened for him. He supports alumni enrichment, College of Education enrichment and the Annual Fund for Excellence. Gilbert is a life member of the Alumni Association.

**The Harry F. Estill
 Society**
 (\$500 to \$749)

The society commemorates the university leader who served as president for 29 years, longer than anyone in Sam Houston State history. Among his many achievements, the curriculum was expanded, and the first baccalaureate degree was awarded in 1919.

**Joe H. Smith &
 Mary Ann Fry Smith**

Sam Houston State University alumnus Joe H. Smith, Class of '69, and his wife, Mary Ann, also Class of '69, are enthusiastic supporters of SHSU. The two met on campus, fell in love and got married. Mary Ann was one of only three women who graduated from Sam Houston in 1969 with an accounting degree. After graduation she began working for Texaco, while Joe served in the Air Force for four years. The couple resided in Katy for 35 years before moving to Gilmer, Texas, 2 years ago where Joe is a personal and safety director with Custom Commodities Transport; Mary Ann works part time for the company in the accounting department. The Smiths enjoy returning to Sam Houston to attend football games and proudly show off their SHSU license plates. They support the College of Business Administration, College of Arts and Sciences, President's Fund for Excellence and Annual Fund for Excellence. They are both members of the Alumni Association and often sponsor Alumni events. So far, ten family members have followed in their footsteps and received degrees at Sam Houston. They hope their grandson, Tristin, and granddaughter, Kaylee, will want to do the same.

Joe Johnson, Class of '51, earned a Bachelor of Science degree in industrial arts from Sam Houston State University. He married his hometown sweetheart, Billie Wanda Beddingfield, and soon began working for Wyatt Metal in Houston. There he did ultrasonic testing of vessels being built for a hydrogen bomb plant. He later worked as a design draftsman and checker for Lummus Engineering, while at the same time, opening a fast food restaurant, Dixie Queen, in Jewett, Texas. After success with Dixie Queen, he designed and opened another restaurant, Rocket Drive Inn, in Fairfield, Texas. During his career, Joe also worked as an engineer for both Shell Chemical and Dow Chemical, before returning to Lummus to help train new engineers. When he retired, he decided to go into the cattle business. He now owns "Hidden Lake Ranch" in Jewett. Joe and Wanda give annually to Friends of Technology. Other Johnson family Bearkats are son, Larry Joe, and granddaughters, Amanda Johnson and Shalyn Ming.

1879 Society

Leaving A Legacy

The society commemorates the university's founding and recognizes individuals who make planned gifts. Gift planning enables donors to make lasting contributions that are often larger than their ability to make an outright cash gift. Planned gifts include appreciated assets, bequests, gift annuities, trusts, life insurance and real estate.

Campus Callers

Sam Houston State University's Campus Callers help raise financial support for the Annual Fund campaign. During each semester, the student workers call Bearkat alumni and friends and take pledges that support the academic departments, student scholarships, athletics and faculty development.

When Lena Campbell Mathis attended SHSU, there were only 800 students enrolled in classes. She earned a degree in home economics in 1938 and returned in 1963 to complete a Master of Education degree in art. Lena taught school in Houston, Alice, Dallas and Madisonville before retiring as school counselor in the Madisonville School System. While at Sam Houston, Lena met Glen Mathis, an employee with TDC. They eventually married and had two sons, Bruce and Forest. Lena is most recognized in the Madisonville community as a Bible scholar and for her dedicated years of teaching Sunday school at the Methodist Church. At age 93, she still volunteers, teaching Bible study to the residents at The House of Hope. Lena says she is thankful to God to still be alive and have the ability to get around and continue to volunteer at what she loves most: teaching others about the Bible. She has written two books: "Praying in the Will of God" and "Jesus the Baptizer...with the Holy Spirit." She is a member of the SHSU Alumni Association, supports the Annual Fund for Excellence, and has provided for a planned gift from her estate to Sam Houston.

Frances Buchanan Hall & John Hall
 Frances and John Hall met while attending SHSU and married soon after they graduated in 1959. John received a Bachelor of Science degree and a Master of Education in physics, and Frances earned a Bachelor of Business Administration degree in business. Although they have now retired, the Halls have been fixtures in the Barbers Hill Independent School District since the mid-1960s. Frances was a middle school language arts teacher, and John was a high school math teacher before becoming the principal of Barbers Hill High School in 1985. The Halls are also proud parents and grandparents. Their daughters: Lynne Carameros, Kellee Hamlin and Penne Hall were each valedictorian of her graduating class at Barbers Hill High School. Lynne and Kellee are also SHSU alumnae, and Kellee's son, Ian, is a current student at Sam Houston. The Halls continue supporting their community and Sam Houston. Throughout the years they have contributed to the Annual Fund for Excellence, Office of Alumni Relations, Ron Mafrige Basketball Challenge, Friends of Science and Physics, Let's Talk and Bearkat Partners.

1945

Bonnie Vick Kittleband

Bonnie Kittleband received a scholarship to Sam Houston after graduating as valedictorian from Shepherd High School. While at SHSU, Bonnie was the business manager of the Alcade and was a member of the Philo's, a literary society prior to 1959, now the Zeta Tau Alpha Sorority. Bonnie earned a Bachelor of Business Administration degree in general business and administration with a high school teaching certification. Immediately following graduation at SHSU, Bonnie taught high school for a short time in Hamshire, Texas. She then decided to put her business degree to use and worked at Sun Oil in Beaumont for six years. Bonnie then accepted a position at Humble Oil and Refining Co., now known as Exxon, where she retired after 32 years of service. Bonnie said "I owe so much to the late, J. Roy Wells, the Dean of the College of Business at the time of my graduation. He insisted that I apply for a job at Humble Oil." With a matching gift from Exxon, she gives annually to the College of Business Administration enrichment. Bonnie's mother, step mother and sister also attended SHSU.

Barbara Grady Bright & Jon Bright

Jon Bright and his wife, Barbara, each graduated from SHSU in 1961. Jon earned a degree in physical education, and Barbara earned a degree in elementary education. The Bright's son, Joe, and their daughter, Jenny Hightower, are also Sam Houston Alumni. Both John and his son were members of the Delta Tau Delta fraternity while at SHSU; Barbara and Jenny were members of the Alpha Delta Pi sorority. All four are life members of the Alumni Association. Jon gave Barbara an endowed life membership to the Alumni Association for her birthday, which she said is her favorite gift from her husband. Barbara has diligently served as Alumni Association Board Secretary since 2002. She taught elementary school in Clear Lake for 30 years before retiring. Jon has been working in the financial services industry for more than 40 years. The couple is thankful to Sam Houston for the outstanding preparation for their careers and the lifelong friends they have made.

Nancy Jaggars Bickley & Joe B. Bickley

Joe Bickley, Class of '63 and '64, and his wife, Nancy, Class of '64, are both life members of the SHSU Alumni Association. Nancy earned a degree in elementary education, and Joe graduated with an accounting degree, followed by an MBA. In 1984, Joe established Bickley, Prescott & Co. with Mark Prescott. The accounting firm has offices in Huntsville and Houston. For the past 20 years, Joe and Nancy have generously provided enrichment funds to Sam Houston's athletic programs, performing arts and the President's Fund for Excellence. They are both members of Bearkat Partners; Joe is also a member of the President's Circle. The Bickleys feel it is their responsibility to give back to Sam Houston. They frequently attend many events at SHSU, and are especially fond of football, since they fell in love after meeting at an SHSU vs. SFA game.

Louis Macey & Mary Ann Hansen Macey

Mary Ann Macey completed her Bachelor of Arts degree with an elementary education certificate from Sam Houston State Teachers College in 1964. While in school, she was a member of Zeta Tau Alpha Sorority. Mary Ann enjoyed a successful career in elementary teaching with Houston Independent School District. She met and married Louis Macey who was an accomplished athlete and graduate from Rice University. Through the years, both Louis and Mary Ann have generously given their time and talents in support of many community, charitable, and civic organizations in the Houston and Harris County area. Their love for athletics and education inspired them to establish the Mary Ann and Louis Macey Scholarship Endowment. The scholarship provides assistance to deserving athletes at Sam Houston that are pursuing a career in education. Mary Ann is a member of the SHSU Alumni Association.

1965

Charles R. Moser

Moser is a past president of the Texas Daily Newspaper Association and was a recipient of the press association's Frank Mayborn Award for Community Leadership in 2001. In 2008, Moser received an honor from his alma mater when The SHSU Department of Mass Communications presented him with a lifetime achievement award for print journalism. He and his wife, Peggy, have funded a scholarship for journalism students at Sam Houston.

Walter E. Pinegar & Phyllis Scott Pinegar

Phyllis and Walt Pinegar are dedicated supporters of Sam Houston State University. The couple met at Sam Houston while Phyllis, Class of '68, was earning a Bachelor of Business Administration degree, and Walt was working on a degree in criminal justice. Walt left SHSU in 1967 to complete a tour of duty with the United States Navy but returned to earn his bachelor's degree in 1972, followed by a master's degree in political science in 1977. Walt retired from Walker County after 20 years and has also worked with Mance Park Law Firm. He is now vice president of Texas Community Bank. Phyllis worked for the Texas Department of Criminal Justice for 27 years. The Pinegars have given back to SHSU through the Share the Vision Capital Campaign, provided funds for the Political Science Junior Fellows program, supported the Ron Mafrige Basketball Challenge and the Annual Fund for Excellence. Walt and Phyllis are life members of the SHSU Alumni Association and Bearkat Partners. To ensure the future of their alma mater, the Pinegars have provided for a planned gift to SHSU through their estate.

Tracy Williams, Class of '73, remains a loyal supporter of Sam Houston State University by donating his time and serving as a member of the Alumni Association Board of Directors, the Kat Pack, the College of Business Administration Advisory Board and advisor to Delta Tau Delta fraternity. After graduating with a degree in education, Tracy began a career in the insurance business. He is currently area president of one of two Houston offices belonging to Arthur J. Gallagher & Co. He demonstrates his commitment to SHSU by working to make students aware of career opportunities in insurance and encouraging student involvement in the field. Each year Tracy hosts a barbecue in his home for the Bearkat football team and supports the Alumni Association's tailgate parties prior to home football games. He is involved with the SHSU Lettermen Association Golf Tournament, which provides funds for tutorial and strength programs for all Bearkat athletes. Tracy also works with Northwest Assistance Ministries, one of the largest charitable organizations in Houston. He and his wife, Leesa, have two daughters, Kristin and Allison.

Claude H. Townsend Jr.

Claude H. Townsend Jr., Class of '73, is president of Townsend Mortgage and Investment Company Inc. He continues his loyal support for Sam Houston State University as a member of the Alumni Association and through the Claude H. and Alice M. Townsend Foundation. The foundation provides funds to the Claude H. and Alice M. Townsend Endowed Scholarship, supporting deserving students at SHSU. While attending Sam Houston, Claude Jr. was a member of Alpha Tau Omega Fraternity and received a Bachelor of Business Administration degree. Upon graduation Claude received a reserve commission in the U.S. Army. He comes from a family of SHSU alumni; his grandmother, Maybelle Townsend Hartman, graduated from Sam Houston Normal Institute in 1901 becoming a school teacher. Claude H. Townsend Sr., while attending Sam Houston Teachers College, was assistant editor of the Houstonian and later became an attorney. Claude's brother, John Townsend, was also a SHSU graduate with a Bachelor of Business Administration degree.

Debra Armstrong Herring & Thomas H. Herring

Tommy Herring, Class of '76, and his wife, Debra, Class of '77, could not be happier that their son, Jabe, Class of '06, and daughter, Kaki, also decided to attend Sam Houston State University. Tommy and Debra own Bayou West Co., a business in Alvin, Texas, that manufactures and sells equine saddle pads. The Herring family spends a lot of their time in the rodeo arena where they have served as leaders in the Texas High School Rodeo Association and are actively involved with local organizations including the Brazoria County Cattleman's Association and the Alvin Youth Livestock Arena Association. Tommy, Debra, and Jabe were all members of the rodeo team while at Sam Houston, and Kaki, who plans to graduate in May 2011, is currently on the SHSU college rodeo team. Jabe married a fellow rodeo team member and Sam Houston graduate, Kristie Walker, Class of '01. The Herring family has remained active at Sam Houston through their attendance of rodeo events and frequent sponsorship of the rodeo, Alumni Association and events of the Department of Agricultural and Industrial Sciences.

1978, 1979

Richard & Kay Jennings Ohendalski

Richard Ohendalski, Class of '78, and his wife, Kay, Class of '79, enjoyed their time at SHSU so much they decided to make Huntsville their home. Richard graduated Summa Cum Laude with a degree in accounting, and Kay earned a degree in elementary education. In 1988 the couple opened The Legacy Group, a complete financial and tax business in Huntsville. The company takes pride in offering job opportunities to SHSU graduates and students. Richard and Kay have also established a giving entity called Grace Foundation, which supports SHSU and other charitable organizations. Grace Foundation was a proud supporter of the SHSU Share the Vision campaign. The couple has three grown children. They enjoy supporting the Bearkat basketball teams where Kay volunteered as a statistician for 15 years. They attend Fellowship of Huntsville Church where Richard serves as elder and Sunday school teacher.

Danya Martin Kieval & Richard A. Kieval

Danya and Rich Kieval, Class of '80, enjoy supporting Sam Houston State University. While at SHSU, Danya was a member of the Alpha Delta Pi sorority before earning a Bachelor of Arts degree in home economics. Rich graduated with a BBA in accounting and played basketball for SHSU from 1977-1980. Danya spends her time volunteering in their church, community and schools while Rich is Managing Director-Commodity Derivatives for BMO Capital Markets. Danya and Rich are proud donors to the Mafrige Challenge, giving back to the men's basketball program at SHSU. The couple hopes their high school daughter will decide to become a Bearkat and play softball at Sam Houston after she graduates in 2012.

Annette Womack Graves

Annette Womack Graves, Class of '79, fell in love with Sam Houston State University while attending cheerleading camps on campus. She decided to attend SHSU due to its proximity to Houston, friendly staff and beautiful scenery. While attending Sam Houston, Annette was a resident assistant, active in the Black Student Union and a member of the Delta Sigma Theta sorority. She earned a Bachelor of Business Administration degree in accounting, giving her the education and confidence she needed to quickly excel in her professional life. She reached the level of accounting manager in her early thirties before scaling back her career to focus on raising her two sons, William and Timothy. Annette has been married to her husband, Will, for 28 years. She is currently employed as a Senior Accountant at Repsol Services Company, located in the Woodlands. Her sister and three sisters-in-law are also SHSU alumnae. Annette encourages other family members to follow in their footsteps. Repsol Services Company matches this long-time Alumni Association member's donations to the College of Business Administration. Annette supports the university because she believes in the importance of education for the next generation.

Ken Ross, Class of '81, is a Huntsville native who credits Sam Houston State University for molding him into the man he is today. He proudly contributes to his alma mater as a member of the Alumni Association Board of Directors. Ken served as a board member in 1986. He returned in 2006 and continues to serve today. While attending Sam Houston, Ken pledged Alpha Phi Alpha. He also worked as a supervisor at the Lowman Student Center, then as a dorm security officer before becoming a police officer in Huntsville. He has been a State Farm agent in the Houston/Galveston area for more than 25 years and has teamed up with fellow agents to provide scholarships to SHSU students. He has worked on the committee to increase membership for the Alumni Association, in which he and wife Debra are joint life members. He also lends a hand during the annual golf tournament to raise money for scholarships. Ken supports Sam Houston because he believes he owes all of his success in his business and personal life to this "grand ole university."

**Pamela Gilmore Crawford &
Chester D. Crawford**

Pam and Chester Crawford believe it is both an honor and their responsibility to serve their community and alma mater. Chester received a Bachelor of Business Administration degree from Sam Houston State University in 1980; Pam received the same degree in 1984. While at Sam Houston, Chester was a member of Alpha Phi Alpha fraternity, and Pam was a member of Delta Sigma Theta. After graduation, Chester, a Huntsville native, joined the insurance industry and has been an insurance agent in his hometown for 29 years. Immediately after getting her degree, Pam went to work for Texaco. After Shell Oil and Chevron purchased Texaco, Pam began working as a sales account executive for Shell Oil. She has more than 26 years of experience in the oil and gas industry. The Crawfords are both life members of the Alumni Association and Bearkat Champions. Their contributions support SHSU athletics, COBA and the Alumni Association. In appreciation of their support to the Alumni Association, a room in the John R. Ragsdale Visitor Center has been named the Pam and Chester Crawford Multi-Purpose Room. The Crawfords also donate their time by attending many of the events at Sam Houston.

Clinton D. & Kelly Blackwell

Clint Blackwell received a Bachelor of Business Administration degree in accounting from SHSU in 1992. He is the tax director for Hyperion Oil and Gas in Dallas. Clint was a member of Alpha Chi Honorary Society while at Sam Houston. He is now an adult leader for Ellis County 4-H and enjoys raising and showing Maine Anjou and Simmental Cattle. He and his wife, Kelly, have two children, Henry and Georgia. He is a life member of the Sam Houston Alumni Association and supports the College of Business Administration, specifically the Carol Lee Sangster Endowment. He gives back to his alma mater because he is "grateful for the professors and the effort they made everyday. Carol Lee Sangster not only taught me my tax classes, she got me my first job out of Sam as a Tax Accountant."

Shelly Eddings Knapp

Shelly Knapp, Class of '98, continues to support Sam Houston State University because of the foundation she said it provided for her career and personal life. Shelly earned a bachelor's degree in accounting while going to school part-time, as she continued to work full-time with TDCJ. During her final semester at SHSU, Shelly was recruited by Unocal Corporation in Sugar Land, which has since been acquired by Chevron. She later transferred to San Ramon, CA. to work at Chevron's downtown Houston office, which brought her closer to family and friends and provided her the opportunity to continue her education and complete her MBA at UH-Victoria. She is preparing for the CPA exam in 2011. Shelly credits SHSU for giving her the skills and courage to take on new challenges, resulting in a career that she loves. She has remained an active member of the Alumni Association since graduation and maximizes her enrichment contributions to the College of Business through the 1:1 matching gift program offered by Chevron.

Kimberly K. Kaliszewski

Kim Kaliszewski, Class of '00, is an Alumni Association Lifetime Member. She earned a Bachelor of Business Administration degree in Management and Marketing. She attended SHSU with her twin sister, Karen Kaliszewski Cooper, who also received a BBA degree. Kim works for Germania Insurance in Brenham as a senior agency compliance administrator. She works with former Sammy Bearkat mascot James Pharaon and other fellow Bearkats. She enjoys attending the Washington/Austin County Alumni events and is amazed at how the faculty remembers the students long after graduation. She enjoyed the campus atmosphere at SHSU, noting that students are treated like individuals and also have the opportunity to get to know their professors. Kim supports the College of Business Administration through her contributions to the annual fund.

Natalie R. Turman

Natalie Turman, a 2003 Honors graduate, is a proud member of the SHSU Alumni Association. Sam Houston was a perfect fit for Natalie as it provided her with the true college experience and allowed her to stay close to family and friends in Houston. While a student, Natalie was a member of the Golden Key, chosen as Outstanding Fashion Merchandising Student and named to the Dean's List. Natalie graduated Magna Cum Laude and converted her part time job during school into a successful career with Wells Fargo Bank, where she is currently a Regional Private Banker in the Kingwood area. Natalie utilizes the payroll deduction feature offered at Wells Fargo to expedite her faithful contributions to the Elliott T. Bowers Honors College since 2006. In her spare time, Natalie enjoys attending the Houston Ballet, Alley Theatre, and Houston Livestock Show & Rodeo. She is an avid Houston Astros fan, often making the trek to Kissimmee, FL for spring training.

Mike & Margo Crook

Margo and Mike Crook moved to Montgomery, Texas, in June 2004, and soon got involved with Sam Houston State University. Mike is currently vice president for business development for SAIC, a company that provides scientific, technical and engineering expertise to federal, state and local government entities. After enjoying a career in the corporate world, Margo took an early retirement in 2001 and began dedicating her talents as president and board member of philanthropic organizations such as the Bentwater Ladies Organization. Margo and Mike Crook are passionate supporters of Sam Houston State University's School of Music. They often host concerts in their home, with talented SHSU faculty and students performing music. Their relationship with Sam Houston led the couple to establish the Margo and Mike Crook Music Scholarship Endowment Fund. They call it "an honor to provide a music scholarship to a deserving student at SHSU."

Bobby Ezell, Class of '69, is a Century Club member of the Alumni Association. Bobby received a Master of Education degree from Sam Houston State University and went on to earn his doctorate from Texas A&M University. He and his wife, Pat, have supported an endowment in teacher education for many years, and in 2009, they established their own endowment, the Bobby and Patricia Ezell Teacher Education Scholarship Endowment. Bobby has been an Associate Professor in the College of Education at SHSU since 2003. He is chair of the College of Education Technology Committee and serves on the University Distance Learning committee. Last year the College of Education named a computer lab after Ezell and his wife. Two daughters are also SHSU graduates. Angela Beardsley received a bachelor's degree in 2003 and a master's degree in 2008. Lisa Martin earned a bachelor's degree in 2010.

John W. Payne

In memory of her husband's dedication and contributions to education at Sam Houston State University, Louie Payne established an endowment to fund scholarships for students majoring in the field of American History at SHSU. Her husband, John W. Payne, spent more than 30 years teaching United States and Texas history at Sam Houston, before retiring in 1986. Although officially retired, John continued to teach part-time for several years. He was known by his students as a gifted historian, a fine stylist and a real gentleman. He enjoyed sharing his talents with younger colleagues, editing their manuscripts with neither frustration nor sarcasm. He was a mentor who inspired many of his students. John Payne passed away in April 2009, just four months after the couple celebrated their 65th wedding anniversary. Louie Payne continues to reside in Huntsville where she taught in the Huntsville school district until her retirement in 1983.

Ensuring The Future Of SHSU

Giving Opportunities

Your gift to Sam Houston State University ensures the future of a classic and collegiate atmosphere that is rich in tradition, solid in academic programming and prepares students for success in life. The university applies unrestricted gifts to the areas of greatest need but you can also earmark gifts for a specific college, department, program, approved project, or the general scholarship fund. Gifts can also be restricted for an existing scholarship program or endowment fund. Contributions can be allocated to more than one area. Our Development Team works diligently to deliver a unique and memorable experience for donors.

Tribute Gifts

Your gift can be a personal tribute honoring a family member, friend, or professor who may have made a difference in your life. Notifications are sent to the honorees and, if appropriate, to the families of those being memorialized.

Scholarships

Scholarships allow Sam Houston State University to attract and retain talented and deserving students. For many of these students, scholarships make possible an educational opportunity that they might not otherwise be able to afford. Donors can direct their annual gifts to the university's general scholarship fund or to other existing scholarship funds.

Named Annual Scholarships

Donors may want to consider establishing a named annual scholarship, which can be a meaningful way of honoring or memorializing a loved one, friend, colleague, professor, or to commemorate a special occasion. Named annual scholarships can be created with a suggested gift of \$1,000 or more.

Endowments

An endowment is a permanent investment of private gifts for the benefit of the university. An endowment gives forever, since the principal remains intact, while the income produced off the invested assets is used to support student and other university needs. Donors can earmark their gifts for an existing endowment fund, or they may prefer to consider creating a new, named fund. Endowments can be created by individuals, businesses, and foundations.

The minimum amount for establishing a new endowment fund is \$25,000. A commitment of this magnitude can be pledged and paid over a five year period.

Endowments can be created for need-based and merit-based scholarships for students, for student programs, for academic program enrichment, or for faculty and staff development. Prestigious endowed chairs and professorships will support exceptional faculty in each of the colleges.

How To Contribute

Cash, Check or Credit Cards

Gifts may be made in the form of cash, check or credit card payments. Cash gifts are tax deductible in the year the gift is given. Secure online gifts can be made at www.shsu.edu/giving.

Corporate Matching Gifts

Many companies will match gifts made by their employees, retirees, and directors. This is an excellent way to double or even triple the amount of your gift. Most companies with matching programs have the forms available in the human resources department.

Personal Property

In certain circumstances, you may be able to gift personal property – artwork, collectibles, and antiques – to Sam Houston State University.

Securities, Stocks, Bonds

You may use stocks, securities and bonds as part of your gift or all of it. If the securities have appreciated greatly, you may find that you can make a larger gift due to tax advantages. It may be more beneficial than making a cash gift. Gifts of closely held stock or other business interests can be converted into cash.

Real Estate

A gift of real estate provides the donor the opportunity to support SHSU, resulting in a possible charitable income tax deduction, a reduction in estate taxes and reduction of capital gains tax.

Gift-In-Kind

Gifts-in-kind are generally defined as non-cash donations, other than real and personal property of materials or long lived assets. The IRS and the University require that gifts-in-kind valued at more than \$5,000 also have an independent appraisal provided by the donor.

Planned Gift

You can provide a gift of personal assets through your will. Planned gifts can include cash, stocks, bonds, retirement plan assets, insurance policies, real property, personal property, or other negotiable items.

Why We Give Back...

"We are a Bearkat family. SHSU was one of the main reasons for making our home in Huntsville. The pleasure we get from our gifts far outweigh the cost. It is a good feeling to know that our contributions will continue to benefit students for generations to come."

Scott and Mary McCarley are Life Members of the SHSU Alumni Association and offer continued support to Sam Houston State University. Scott and Mary have established The G. Scott and Mary S. McCarley Endowed Scholarships for both business administration and environmental science; and The Houston and Robbie McCarley Community Service Endowed Scholarship, in memory of Scott's parents, to support students who give back to their community. Scott is a past member of the SHSU Alumni Association Board of Directors and served seven years as the SHSU Rodeo Announcer. Mary is a former member of the Walker County Children in Need Board and served as a director of the Walker County Fair Association.

Why I Appreciate It...

"Sam Houston State University has provided many opportunities and experiences for me. Without your generous support and selfless contributions, the scholarship I received would not have been possible. My scholarship is greatly appreciated, because it has allowed me to concentrate more on my academics. Thank you for your donations, which have helped students establish higher ambitions. I am appreciative for the support they have provided."
