## NFL Position Open

The National Forensic League is soliciting applications for the position of Secretary, the Chief Executive Officer of the NFL. The Secretary is responsible to the Executive Council for all administrative work required by the Constitution. Specifically he directs and supervises the Central Office in Ripon, Wisconsin; he keeps a complete record of the standing of each member; issues charters and certificates of

membership, collects all authorized fees and dues, oversees the finances of the League, and conducts all votes arising at the National level.

The appointment of the Secretary will become effective no later than June 1, 1977.

Please address all questions to: Mr. Dennis Winfield, Administration Building, 1516 Washington, Waterloo, Iowa 50703

## 1976 NFL TOURNAMENT WINNERS

At the 1976 National Forensic League Speech, Debate Tournament and the National Student Congress 334 schools and 581 students were present at the forty-second National Forensic League National Tournament. The National Speech, Debate Tournament and the National Student Congress was sponsored by the Phillips Foundation (Phillips 66 Petroleum Company) and was under the direction of the National Forensic League. The Tournament was held at the United States Air Force Academy, Colorado Springs, Colorado.

Included in the schedule were a coaches and student reception. A coaches conference and a district chairmen's meeting

were also held.

Our hosts were Mr. Frank Sferra, Denver Mullen Prep and Captain Mark A. Torreano, Liaison Officer from the Academy.

On Tuesday evening, June 15th, students, coaches, and guests attended a Western style Bar-B Q.

The Tournament ended Thursday evening, June 17th, as awards were presented to the Champions and Runners-up. A number of coaches were presented their Diamond Key Certificates, Double Diamond Certificates, Triple Diamond Awards. Mr. James F. Hawker, Lafayette Jefferson HS, Lafayette, Indiana presented a Fourth Diamond Award to Miss

Carmendale Fernandes, Fremont HS, Sunnyvale, California. This was the third such an award. Only three NFL coaches have earned the Fourth Diamond Award. Miss Fernandes and Mr. Hawker are the only active coaches holding that distinction.

### National Trophy

The Delta Sigma Rho-Tau Kappa Alpha Honorary Speech Trophy was presented to Marquette University High School, Milwaukee, Wisconsin. This is the second time Marquette HS has received the award. The award is presented to the school which has the greatest number of accumulated rounds of National Participation. # THE COLORADO COMMITTEE

When the National Tournament officials arrive at the site of a national tournament, they find many important arrangements have been made to ease the operation of the tournament.

We thank our National Tournament Host and Chairman, Mr. Frank Sferra, Denver-Mullen Prep, for all the work that went into preparing for the 1976 Tournament. Frank put many hours of labor into preparing for the tournament. He made countless telephone calls and many, many trips from Denver to the Air Force Academy in order to see that speaking rooms and arrangements would be ready when all of us arrived.

To those of you who partook of the refreshments each morning, a big thank you goes to Miss Virginia Kasdorf who was in charge of hospitality.

A tournament cannot be held without judges. In order that each section may have three judges it is necessary for the local committee to have judges to fill the panels. We thank Mr. William Becker, S.J., Denver Regis HS, Mr. James Chase, Denver Central Catholic HS, and Mrs. Linda C. Rydberg, Heritage HS, Littleton, Colorado for securing a panel of local judges.

Mr. Joseph Dionisio, Widefield HS, Security, Colorado was in charge of finding timekeepers.

Each day the timekeepers would report for their assignments. I am sure that the contestants appreciated the fact that each panel of speakers had a timekeeper. Joseph also was in charge of publicity. Those of you that had time to watch television or get a copy of the Denver or Colorado Springs newspaper saw that his job of publicizing the tournament was done well.

Miss Kasdorf and Mr. Ed Feist, Littleton HS, Colorado secured the National Trophies. Each of us that received one of the pewter key chains will treasure it.

Mr. Michael Midgley, Harrison HS, Colorado Springs, was in charge of the local arrangements. To him we thank for the transportation to and from the Academy.

We thank Mr. Thomas DeYarman, Pueblo East HS, for making the local financial arrangements.

Thanks to Mr. Bernard T. Roberts and the Trinidad HS Graphic Arts Department for the extra printing that was needed for the tournament.

Many of you got to meet and talk with Captain Mark A. Torreano, our Air Force Academy Host. We thank him for the pictures and the information printed in the **Rostrum**. Above all, we thank him and the Air Force Academy for a most pleasant visit.

anderson publishing company presents

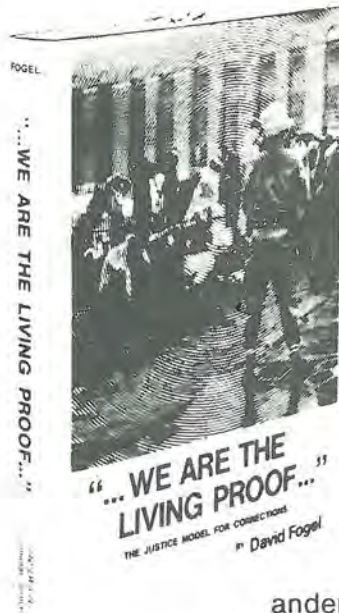

The most revolutionary sentencing/corrections reform  
proposal of the decade:

David Fogel's

**"...WE ARE THE LIVING PROOF..."**  
**(THE JUSTICE MODEL FOR CORRECTIONS)**

*Fogel's proposals have been carefully read and broadly discussed at the highest levels of the Federal government, and have been immensely helpful in catalyzing some of the thinking which went into drafting the President's special message on crime. Richard Tropp, Special Counsel, Presidential Clemency Board*

In the sentencing/corrections controversy now raging in this country, David Fogel's Justice Model is unique - in its specificity, its practicality, and in its general appeal and broad acceptance.

Flat-time sentencing, the component of Fogel's model that has received the most national attention, is only one of many interrelated programs he proposes.

To support his ideas, Fogel uses historical background, carefully documented research, and, most importantly, the special insight gained during his years of experience within the system. The result: a book which is not only fascinating and enlightening reading, but a *must* for an understanding of the probable future of corrections in America.
