**The Tweet:**

**Logline:**

Jake Blues' fraternal twins spawned of Mystery Woman's conjugal visits and secretly born after his death are united with their Uncle Elwood so he can help them raise the \$50,000 set-up to look like the boys stole it from a Mob Leader's stash who will make the boys pay with their lives to set an example unless they replace it before the psychotic thug collects it.

**Premise:**

A present-day BLUES BROTHERS sequel; comedy, action and music, 25-45s; A desperate Mystery Woman introduces Jake's twins, CAESAR and ROMEO BLUES to Uncle Elwood so he can help them raise the \$50,000 set-up to look like the boys stole it from a psychotic killer thug's stash who will kill them to set an example unless they replace it before he comes to get it.

**Synopsis:**

Elwood is summoned to the death-bed of a beaten-up and bandaged-up SISTER STIGMATA and informed of the situation through a divine vision she shares with Elwood in a MUSIC production number.

RAY CHARLES is morphed in as GOD and CAB CALLOWAY guards Gates. Jake, the Penguin, John Candy, Curtis and Ray "dearly departed" from the original BLUES BROTHERS movie are morphed into the cast as ghosts.

*(Might be easier to get dead cast members than the living)*

On Labour Day Elwood picks up Caesar and Romeo at a very posh rehab center where they have swindled 2 months of luxurious summer residence. Next day back-to-work at "Holy Mother of God Catholic High School": Caesar is a compulsive slob and works as the "School Janitor" Romeo is a kleptomaniac and works as the "School Security Guard".

The Principal of the school allows the CHINESE MOB to use the Auto-Shop class to hide and maintain their get-away cars; one car had a stash of \$50,000 cash.

OTIS, the Principal, used it to pay his gambling debts and he made Caesar clean the car and Romeo inventory the contents to get their fingerprints all over the car and blame them

TWIGGY is in Witness Protection Program as SKY and Elwood's love interest. ARETHA FRANKLIN owns the swankiest casino in town. Elwood and the boys help Otis cheat to win \$50,000 then get chased when they're discovered.

The replaced money gets stolen again by AUTO-SHOP TEACHER. Mob car-naps Bluesmobile, demands their money within the week "or else!" Elwood plans a fund-raiser concert with a High-School students' band. Every day the Mob plays "NON-BLUES" MUSIC on the car-napped Bluesmobile's radio affecting Elwood like a heart attack.

Fearing suspicion, Auto-Shop Teacher squeals on Otis to Cops, pretending to fear for his life, so Cops drive Auto-Shop Teacher to the police station. Jake's ghost controls Bluesmobile's personality.

The Bluesmobile car-chases the cops to prove that the Mob is actually run by Auto-Shop Teacher.

For the Halloween Fund Raiser Assembly (or it could be Christmas) the Students form a band and the ghosts of the Blues Band join them on stage.

Romeo and Caesar have secret crushes and get outwitted by Special Ed kids.

Elwood gets mistaken for and used as a substitute teacher:

- Music class mocks his knowledge of music and he doubts that they even know blues. On his harmonica against the class, they have a "blues-off" between classic/old school blues and the new blues into an all-out jam.
- In Geography Elwood looks for the bottle-top trying to open the crystal skull on the desk and describes different kinds of rock as related to music
- In Science, he describes the process of brewing beer, making vodka, how to drink with best kind of inebriation and how to cure a hangover.
- Art class he describes blue shades as related to music.
- In Home Ec he teaches "culinary art of dry white toast"
- In Phys Ed he shows different speeds of running to tempo of blues songs

**Caesar** shows up every night at CRYSTAL'S door with flowers, then candy, then an assortment of gifts, but she never lets him in and doesn't even remember it the next day. Finally one night he shows up with a bottle of wine and she lets him in. She still doesn't like him very much. He's happy to see that she's a slob like him until he realizes that it's because she's an alcoholic, that's why she never remembers he was there.

**CRYSTAL**

You're so full of shit, your eyes are brown.

**Romeo** likes that AZURI is an older woman. Noticing her very chic wardrobe and office, we find out she is a shopaholic. Eventually he wins her.

**AZURI**

If we hook up enough to become a couple;  
that would make you "my old man"

**Elwood** and Sky date:

**CAESAR**

Hey, Elwood, if your Bluesmobile likes  
her house, maybe someday you'll have a  
little garage...

**ROMEO**

y'know, in and out of her driveway...

**ENDING:** all of them are at the Rehab Center for the next summer:

Romeo - kleptomania

Azurie - shopaholic

Caesar - compulsive slob

Otis - compulsive gambler

Crystal - alcoholic

Auto-Shop Teacher is in jail

And The Bluesmobile is in a cute new garage
