SCRAM®

LIQUID DRAIN OPENER DISSOLVES GREASE, HAIR, PAPER, SLUDGE

FAST ACTING DRAIN OPENER

Scram is a fast-acting, heavier-than-water liquid drain opener developed for professional maintenance use. Its heavy-duty formula quickly liquefies obstructions such as hair, grease and food. It also destroys paper, debris, scale buildup, bags and other inorganic blockages. The generated heat produced by Scram rips through impacted slime and grease to open drainage systems quickly.

SAFE ON PIPES

Scram's special corrosion inhibited formula is safe on copper, galvanized pipe and porcelain when used as directed. Also, when used as directed, Scram will not cause damage to PVC pipe.

TECHNICAL DATA:

Appearance: Pink liquid

Odor: Sulfuric Acid odor

Weight per Gallon: 15.25 +/- 0.25 lbs

Prime Active Ingredient: Sulfuric Acid

Percent Active Ingredients: Minimum 93%

Stability: Minimum one year
