# 2021-2022 HONOR ROLL of DONORS

DEAR ALUMNI, FRIENDS,  
AND SUPPORTERS OF SAINT  
VINCENT COLLEGE,

On behalf of everyone at Saint Vincent College, thank you. We are very grateful to our alumni, friends, parents, and partners who provided contributions during the 2021-22 fiscal year. Our 2021-22 Honor Roll of Donors recognizes and thanks the loyal individuals who philanthropically support Saint Vincent College in a multitude of ways.

The generosity of Saint Vincent alumni and friends impacts all areas and components of campus, including the lives of every single student who steps foot here and calls it home. Whether a gift to a specific school, building, program, scholarship, or in honor or memory of individuals that shaped your life, gifts of all sizes make a difference to elevate facilities, support our outstanding faculty, and make education possible, no matter what circumstance a student may face.

It is through your inspiring commitment that Saint Vincent continues its mission of empowering the next generation of leaders to reach and exceed their personal aspirations. They will not only achieve success in their respective professional careers, they will also make a lasting and meaningful impact in service to their families, communities, and churches.

We are humbled by the care and generosity of our donors who provide our students with the resources they need to access a great education in the Benedictine, Liberal Arts tradition. Thank you for all that you do and for being an important part of the Saint Vincent College community.

With Gratitude,

Albert J. Novak Jr., C'81  
Vice President  
Philanthropy & Alumni Relations

The advancement of the College is possible with the dedicated support and commitment of so many alumni and friends in the Saint Vincent community. We are pleased to recognize those who have made gifts to Saint Vincent College between July 1, 2021, and June 30, 2022.

*We have made every effort to ensure the accuracy of this list. If your name is listed incorrectly, please contact the Office of Advancement Services at 724-805-2412.*

## SAINT VINCENT GUARDIAN SOCIETY

*Planned Giving Association,  
through June 30, 2022.*

Less than 10 years after Boniface Wimmer arrived at Saint Vincent in October 1846, accompanied by 18 monks, their number had grown to nearly 200. Thus, in August 1855, Pope Pius IX elevated Saint Vincent from the status of Priory to an Exempt Abbey and designated the Holy Guardian Angels as the patrons of this new Benedictine Congregation. Today, the succeeding generation of monks is spread throughout the world and numbers more than 1,200. They, like their forebears, have dedicated their lives to a balanced plan of work and prayer and still look to the patronage of the Guardian Angels.

Membership in the Society recognizes individuals who have made a commitment to Saint Vincent College by means of their will, a trust or other planned gift. The Guardian Society is a truly watchful, supportive and guarding presence that assures Saint Vincent will remain safe and sound far into the future.

With grateful appreciation, we recognize the following Guardian Society members:
