## **The Best Advertising Medium is the City Directory**

Because it is Used the Most to Find Just Such Information  
You Most Wish to Have the Public Know

FIRST—What line of goods you handle. SECOND—  
Where you are located. Pick up a City Directory anywhere,  
and almost invariably you can tell who the progressive, up-  
to-date merchants and professional men are. There are  
many brands of clothing, shoes, dry goods, groceries, etc.,  
and some prefer one kind, some another. What better place  
to state your special brands than in the City Directory?

## When You Place Your Ad in the City Directory

You are not only talking to all persons looking for goods in your line, but you are backing up all the other advertising you are doing or have done. Many times every day people are looking you up in the directory who have seen your advertisement elsewhere. The representation in the directory is your closing argument—should it be WEAK? We believe there is only one business answer to this.

## **The A-B-C of Insurance**

Against Business Loss Means That You Must be  
Listed in the Great and Only Real Buyers' Guide—The  
City Directory—The Publication That Lists Them All.

If you are not properly listed you are missing the  
opportunity that is presented to every business concern  
to become a stockholder in this great enterprise on a co-  
operative basis. The dividends are the service and low  
prices. It is the greatest illustration of the socialistic  
principle of doing business that there is in our modern  
society. The City Directory is the book of the people  
and places every individual in the city on the same  
basis. This gives the small business the same oppor-  
tunity as the large business—a truly democratic prin-  
ciple and a rare one today.

Give this matter your careful attention and be listed  
in the Great Information Bureau of the City where it  
can be instantly located. It is a card index system of  
the city with four different ways of indexing and noth-  
ing with a name and address exists that cannot be  
readily found by any person who knows their A-B-C's.

## The Best Advertising Medium is the City Directory

BECAUSE IT IS USED THE MOST TO FIND JUST  
SUCH INFORMATION YOU MOST WISH TO  
HAVE THE PUBLIC KNOW.

FIRST—What line of goods you handle. SECOND—  
Where you are located. Pick up a City Directory  
anywhere, and almost invariably you can tell who  
the progressive, up-to-date merchants and pro-  
fessional men are. There are many brands of  
clothing, shoes, dry goods, groceries, etc., and  
some prefer one kind, some another. What better  
place to state your special brands than in the City  
Directory?

The Classified Business headings  
in the City Directory will tell you  
The City Directory is the  
most complete local  
**Buyers Guide**  
available to residents of any city.
