I am a Texan and it pains me to say this...Willie Nelson is an old used up dried up hippy who has smoked far too much dope.

His position on any thing is inconsequential to me. He wrote some great songs, I personally never cared for his singing.

Yes, we've all noticed a 'few' changes in Willie since broken marriages (married four times and fathered seven children), booze, drugs and tax evasion.

I'm crazy for eating that ham sandwich.

I'm crazy.
For doubting what I hear on the news.

I'm crazy for trying.
For always denying.
I'm crazy for not being a joo.
