

GUINEAS STORM BREWING IN NEWMARKET

Chaldean | PA Sport

by Tom Frary

Saturday's G1 QIPCO 2000 Guineas asks the usual set of questions, with the Classic generation due to be examined for the first time with their raw material and any flaws about to be exposed on Newmarket's Rowley Mile which was the scene of thundery conditions on Friday afternoon. Aside from the ever-present quandary of pace positioning and ground conditions, with the latter scenario complicated by the sight of looming dense clouds on Guineas eve, there is the annual unknown of just how dominant last year's leading 2-year-olds still are. Will **Auguste Rodin (Ire)** (Deep Impact {Jpn}), **Little Big Bear (Ire)** (No Nay Never) and **Chaldean (GB)** (Frankel {GB}) re-establish their superiority or will it have relinquished during the winter months? How will 2022's speed merchants fare? Little Big Bear is in that bracket, as are fellow **TDN Rising Stars Sakheer (Ire)** (Zoffany {Ire}) and **Noble Style (GB)** (Kingman {GB}), all going beyond the sacred sprinting realm of the sixth furlong. We will find out only on the day and while this is a track that divides opinion as to how stiff it is, it somehow always seems to put the fast ones into the red.

Been There...

What is different to most 2000 Guineas of recent times, and this is probably testament to how strong a season 2022 was for the juveniles, is this is very much one for the already-proven performers with barely an unexposed type to be seen. [Cont. p3](#)

HALL-OF-FAMERS AND RETURNING HEROES

By Emma Berry

NEWMARKET, UK--With a line-up that included Hurricane Lane (Ire), Global Storm (Ire) and West Wind Blows (Ire), the G2 Jockey Club S. was ushered in, appropriately, with a deep rumble of thunder and crack of lightning. The threatened storm didn't amount to much, and by the time Hurricane Lane had blasted away from his rivals to cinch an important comeback victory by six lengths, the sky was brightening as much as the mood of Charlie Appleby.

The trainer was visibly relieved to have his 2021 triple Classic winner back in the top spot, perhaps even more so after his stable-mate Native Trail (GB) hadn't quite sparkled earlier on in the G2 Bet365 Mile.

"When you have a horse that has given us, and the team, what he has given us, of course you feel for them," said Appleby.

RACE PREVIEWS

Cont. from p1

Only four of the line-up have not contested at least two group races and, of those, the aforementioned Sakheer and Noble Style were denied a second pattern-race outing only by training setbacks. When it comes to establishing fitting credentials for this Classic, Juddmonte's Chaldean who has the combined **Frankel** and **Frankie** factor is out on his own.

Building a head of steam throughout the perfectly-aligned G1 Dewhurst S. stepping stones of the G3 Acomb S. and G2 Champagne S. over York and Doncaster's level courses, he duly conquered the undulations of this track on Future Champions Day to bring up a treble that would have been beyond a colt with less inherent quality. Yes, he would be an extremely rare Guineas winner with a "U" in his form, having lost Dettori at the start of the G3 Greenham S., but

"The way I see it, the fancied ones are drawn 11-13, so it's not ideal being away from them, but Chaldean is a horse who can go and run his own race."

Frankie Dettori on the Guineas draw

that unfortunate incident was a mere aberration and will serve only as a curious footnote if he masters his peers once again here.

If successful, one of the operation's rare purchases will be providing Andrew Balding with a second renewal in four years with only Aidan O'Brien, Sir Michael Stoute, Saeed bin Suroor and Andre Fabre having achieved that in recent times. The new face of Kingsclere is on his way to matching the kudos enjoyed by his father but of course the emphasis is on Frankie during the Italian's long goodbye tour.

Dettori, whose own father Gianfranco came and conquered here on Bolkonski (Ire) to start a new racing dynasty back in 1975, has the least-complicated tactical conundrum of all as he outlined when offering his insights as an ambassador for *World Pool*. "The way I see it, the fancied ones are drawn 11-13, so it's not ideal being away from them, but Chaldean is a horse who can go and run his own race," he said. **Cont. p4**

Added the Italian, “He’s got plenty of speed, so hopefully he can get away well and be right up there from the off, just like he was in the Dewhurst and the Champagne S. His form is very solid and you know exactly what you’re getting with Chaldean--he’s bombproof--whereas the others have a bit to prove. It’s just a case of whether the others can step up to match or better what he’s shown already.”

Bad News Bear?

Supporters of Auguste Rodin, and there are many judged by the way the betting market has moved in recent weeks, will be well-served to cast their minds back to 2002 which was the last time Aidan O’Brien ran two elite performers against each other here. Rock Of Gibraltar’s defeat of Hawk Wing will live long in the memory largely due to the quality of the first two, but also because of the tactical nature of the edition with the not-unfamiliar field split playing out so dramatically on that occasion. There should be no repeat of that at least, with Little Big Bear drawn alongside his much-vaunted stablemate and fellow **TDN Rising Star**, but there is no guarantee that Ryan Moore’s pick will be able to peg back what was one of the best 2-year-olds to have emerged since **Frankel**.

Despite the nature of Little Big Bear’s G3 Anglesey S. and G1 Phoenix S. performances, which suggested strongly that a mile would be well within his compass, there was talk of Nunthorpes until his injury cut short his campaign much as it did the yard’s comparable past juvenile overlord Fasliyev. Without the proof that runs in the Vincent O’Brien National S. or Dewhurst would have provided, it is probably not far of the mark to state that even those closest to him are not sold on what type of runner he will turn out to be.

As a benchmark of brilliance, of both the permanent and precocious variety, Little Big Bear’s scintillating seven-length defeat of the G2 July S. winner Persian Force (Ire) (Mehmas {Ire}) is Guineas-winning form in practically every year, even allowing for stamina concerns. Should he use his physicality to pull away Zafonic-style in what the old school used to call “the last 2-year-old race”, nobody can be truly surprised.

Ryan Moore knows both the Rosegreen undergraduates, who he states are “the two best horses in here”, better than anybody and the man with the hardest call offered the big reveal in his *Betfair* blog. “Little Big Bear clearly has a lot of pace, but I personally think he will stay a mile and that makes him a very dangerous rival to all,” he said. “Auguste Rodin is an exciting prospect for the season, but hopefully for the here and now, too. But would it surprise me if Little Big Bear beat him? Not really.”

One Eye On The Commonwealth...

A glance at the 2000 Guineas records of winners of the six-furlong G2 Richmond S. and G2 Mill Reef S. offers little statistical hope for **Royal Scotsman (Ire)** (**Gleneagles {Ire}**) and Sakheer and, while the former did go close in the Dewhurst, there have to be doubts as to how they will cope with a strong-run mile on easy ground. [Cont. p5](#)

Saturday Previews Cont.

While this renewal looks set to boast an above-average Guineas winner, it is also on the cards that it could contain a Commonwealth Cup winner once the dust has settled and the various teams regroup for Royal Ascot and Epsom.

Sakheer’s connections were already in the dark about the mile and, ominously, Friday’s lightning storm led to a flag start to the last race. After the double-whammy of rain on already-watered ground, they are understandably anxious. “Ideally we wouldn’t want too much more rain,” KHK Racing’s racing manager Chris Wall said. “I was a little exasperated to see that Michael Prosser had started to water the track, which seems rather an unnecessary thing to do, given that we have had the wettest spring for 40 years but there we go. The horse couldn’t be in better condition and we’re looking forward to the day. He’s a very talented horse, but we’re not sure yet what his best trip might be.”

Tahiyra Faces Big 1000 Guineas Field

Dermot Weld will be one trainer not unhappy to see Friday’s rain after he confirmed The Aga Khan’s undefeated G1 Moyglare Stud S. heroine and **TDN Rising Star Tahiyra (Ire)** (*Siyouni {Fr}*)

Tahiyra | PA Sport

among a cast of 20 for Sunday’s G1 QIPCO 1000 Guineas. Handed stall 15 for the feature, the half-sister to connections’ luminary Tarnawa (Ire) (Shamardal) will be reopposed by the Moyglare runner-up and GI Breeders’ Cup Juvenile Fillies Turf

heroine **Meditate (Ire)** (*No Nay Never*) as Ballydoyle’s lone representative after another of the stable’s leading lights Never Ending Story (Ire) (Dubawi {Ire}) is kept back for either ParisLongchamp or The Curragh.

Chris Hayes has the task of trying to provide Weld with a first 1000 Guineas and said, “She looked terribly exciting [in the Moyglare], she seems to have wintered well so I’m looking forward to it. I’m very excited, to get on any favourite in a Classic is rare, for me it’s the stuff of dreams so we’ll see what we can

do. Obviously, like the boss has said, there’s always the question if they train on from two to three, but on her home work she appears to have and she’s just a pleasure. She’ll never get you excited going up the gallops but she turns it on at the races.”

Alongside Never Ending Story, Juddmonte’s G3 Dick Poole Fillies’ S. winner **Juliet Sierra (GB)** (*Bated Breath {GB}*) was the only other not to be confirmed and Godolphin’s decision to run a trio of contenders is one of many indicators that very few are running scared of the Weld filly. **Cont. p6**

This is the biggest assembly since Finsceal Beo (Ire) (Mr. Greeley) mastered 20 rivals in 2007, two years before Saeed bin Suroor enjoyed his last English Classic victory. The trainer has live prospects of ending that drought with **TDN Rising Star Mawj (Ire)** (Exceed And Excel {Aus}), who bids to confirm the form of the Jumeirah Fillies Classic with William Buick's pick of Charlie Appleby's duo, **Dream Of Love (Ire)** (Shamardal).

Amo Racing's Classic dream lives on through the impressive G3 Nell Gwyn S. winner **Mammas Girl (GB)** (Havana Grey {GB}), who is nearest the stand's rail in 20 while on the opposite wing is Marc Chan and Andrew Rosen's G1 Cheveley Park S. heroine **Lezoo (GB)** (Zoustar {Aus}). She gives Ralph Beckett a strong hand along with Julian Richmond-Watson's unbeaten G3 Fred Darling S. scorer **Remarquee (GB)** (**Kingman {GB}**) in a fascinating encounter which could yet be shaped by the local storm.

QIPCO 2000 GUINEAS: WHERE DID THEY COME FROM?

by Brian Sheerin & Heather Anderson

*The G1 QIPCO 2000 Guineas sees a contentious field of 14 try their hands at gaining an all-important Classic next to their names. Aidan O'Brien and the Coolmore partners bring two striking colts to the fray in potential G1 Betfred Derby headliner **Auguste Rodin** and G1 Phoenix S. winner **Little Big Bear**. Juddmonte's star **Chaldean** is looking for redemption after dislodging retiring reinsman Frankie Dettori in the G3 Greenham S. last month. If the latter duo succeed, it would be the Italian's fourth Guineas. We took a look at the story behind each of the 14 runners for this first Classic of the British Flat season.*

Slight question mark on whether he will see out the mile and, despite coming into the race off the back of a mishap in the Greenham, he brings arguably the best 2-year-old form to the table.

Newmarket Friday Wrap Cont. from p1

He added, "You want them to do it and you want them to carry on. We will see if he is a Hardwicke horse in the summer, if the ground comes right. I always said I wanted to work back from an Arc. That might be a bit bold, but we will see."

Appleby had already struck early in the opening race of the QIPCO Guineas Festival. Hopefully, the King and Queen Consort will have been so wrapped up in preparations for the coronation that they may not have noticed that the one horse to beat their highly promising colt Circle Of Fire (GB) was co-bred by their racing manager John Warren's Highclere Stud. [Cont. p10](#)

Newmarket Friday Wrap Cont.

In fact, the Listed Newmarket S., provided a one-two for the Haras d'Etreham stallion Almanzor (Fr) when Godolphin's Castle Way (GB) led home the royal runner. The winner is a half-brother to the champion miler Palace Pier (GB) ([Kingman {GB}](#)), who is now ensconced at Darley's Dalham Hall Stud.

Ever the professional, Warren first addressed the matter of the staying-on run from the Sir Michael Stoute-trained Circle Of Fire in his post-race debrief, with a hint that he may head to Royal Ascot for the G2 King Edward VII S.

"He looks as of he will go up another gear if he goes over another couple of furlongs," Warren said. "Ryan [Moore] thought that they went steady early on and probably thought that if they'd gone a bit quicker earlier on it would have suited him even better.

"It's annoying that [the abandonment of] Sandown has knocked us out timing-wise, so we'll have to get our heads around that, but without even talking to Michael yet he looks to me like he'll be a lovely horse for Ascot, and the owners will be able to attend, which will be nice."

He added, "The most important thing is that he's with a trainer who will be able to get a proper handle on where we are going to pitch, but Ryan was impressed with him and there were some

pretty nice horses in that race as a benchmark. He's out of a Galileo mare so it won't be a surprise if he will want a few furlongs more."

Turning to Castle Way, the sixth foal of the Nayef mare Beach Frolic (GB) who was sold for 2.2 million gns in the year her current three-year-old colt was foaled, Warren was understandably similarly impressed. Castle Way himself, who was bred by Highclere in partnership with Floors Stud, was a 425,000gns Tattersalls October Book 1 yearling in the year that his illustrious half-sibling stormed to success in the G1 St James's Palace S. and G1 Prix Jacques Le Marois.

He said, "That was tremendous. We were excited about that. He was a beautiful yearling and made a good price as a yearling. She's been a wonderful mare and the family has done us proud. I am pleased that Coolmore have the mother now, which is great."

Warren also added that Highclere Stud is now home to three foals from the first crop of Palace Pier.

"I have to say we are really impressed," he noted. "Of course it's too early to say that, you can't judge it by just a few, but the first three that we've seen we've been mightily impressed with. Palace Pier was such a a tremendous horse and his brother looks a proper horse, too. It's very exciting." [Cont. p11](#)

The Highclere team was celebrating again later in the day when the George Boughey-trained Soprano (Ire) was tuned to perfection to post a pretty sparkling win on debut in the juvenile fillies' maiden.

Shouldvebeenaring (GB) became the third stakes winner for Havana Grey (GB) this year, and as his owners in the Middleham Park Racing syndicate collected their trophy, the colt's breeder Ed Harper watched on. It could be a big weekend for the Whitsbury Manor Stud team as not only did they breed Chaldean (GB) (**Frankel {GB}**), current third-favourite for the QIPCO 2,000 Guineas, but Havana Grey will be represented by his first Classic runner in Sunday's 1,000 Guineas when the G3 Nell Gwyn S. winner Mammals Girl (GB) returns to Newmarket. Harper admitted that Havana Grey had been inundated with applications with breeders this season.

"We've tried to keep him to around 160 mares," he said. "I must say that [head of bloodstock] Joe Callan has done a really good job managing the horse."

Harper also confirmed that Chaldean's dam, the multiple stakes producer Suelita (GB) (Dutch Art {GB}), has recently been covered again by **Frankel**.

On Friday evening at the National Horseracing Museum in Newmarket, Sir Michael Stoute and **Sea The Stars (Ire)** were officially inducted into the QIPCO British Horseracing Hall of Fame. Their worthiness for such an honour could be in no doubt, but it was emphatically underlined when Stoute took the Nyetimber Fillies' Maiden with the eye-catching Infinite Cosmos (Ire), a daughter of **Sea The Stars** bred by the late Sir Evelyn de Rothschild, and whose Classic lines are as obvious in her elegant physique as on her page.

HURRICANE LANE STEPS OUT OF THE LAST CHANCE SALOON

by Tom Frary

Newmarket's G2 Jockey Club S. is generally a tactical affair and Friday's renewal was no different as Godolphin's **Hurricane Lane (Ire)** (**Frankel {GB}**) was able to boss another uninspiring renewal and bound back to form in no uncertain terms.

Leaving connections pondering retirement after a no-show in Newbury's G3 John Porter S. last month, the 2021 Irish Derby, Grand Prix de Paris and St Leger hero was understandably lacking believers as the 2-1 second favourite for this five-runner affair.

With the even-money favourite **West Wind Blows (Ire)** (Teofilo {Ire}) giving negative signals resenting restraint in behind and outsider **Outbox (GB)** (**Frankel {GB}**) going it alone on the lead far side, it became a question of how much enthusiasm Hurricane Lane retained with just stablemate **Global Storm (Ire)** (Night Of Thunder {Ire}) to track in what resembled a

strong piece of work. That was answered with a look at William Buick's body language passing the half-mile marker and no sooner had he moved on the chestnut was the contest settled. Looking strong as he eked out a six-length advantage over the disappointing West Wind Blows, who was subsequently demoted behind Global Storm, the 5-year-old may well have enjoyed a turn in the road whose significance may only be fully appreciated later this term.

"It's been a great team effort to get the horse back, but we believed in ourselves and the horse--it was D-day for him, but throughout the Winter and into his Spring, his old demeanour had been there," a relieved Charlie Appleby said. "We've always stated that he likes cut in the ground, but not like Newbury and that was a big ask on his first run after such a long lay-off. William said he was a different horse today and much more athletic. He worked midweek with those cheekpieces on and we were hopeful we would see that today. We will see if he is a [G2] Hardwicke horse in the summer, if the ground comes right. I always said I wanted to work back from an Arc. That might be a bit bold, but we will see."

Pedigree Notes

Hurricane Lane's dam Gale Force (GB) (Shirocco {Ger}), who was successful at listed level, is also responsible for his full-sister **Frankel's Storm** (GB) who was runner-up in the Listed Junioren-Preis. The second dam Hannda (Ire) (Dr Devious {Ire}) produced the G1 British Champions Fillies & Mares S. heroine Seal Of Approval (Ire) (Authorized {Ire}), who is in turn the dam of the G3 March S. and G3 Princess Royal S.-placed Promissory (Ire) (Dubawi {Ire}), while another of Gale Force's half-siblings is the G3 Oak Tree S. third Instance (GB) (Invincible Spirit {Ire}) who produced the listed-placed Sound Angela (GB) (Muhaarar {GB}). Hannda, who is kin to the G3 Concorde S. winner Hamairi (Ire) (Spectrum {Ire}), hails from the family of the Derby and Irish Derby-winning sire Harzand (Ire) and another British Champions Fillies & Mares heroine in Emily Upjohn (GB) both by **Sea The Stars (Ire)**. Gale Force, who was bought for 300,000gns by Charlie Gordon Watson Bloodstock at the 2019 Tattersalls December Mares Sale, also has the unraced 3-year-old filly Brisbane Road (GB) (**Australia {GB}**).

MUTASAABEQ POWERS TO G2 MILE

SUCCESS AT HQ by Sean Cronin

Shadwell's 5-year-old entire **Mutasaabeq (GB)** (Invincible Spirit {Ire}--Ghanaati, by Giant's Causeway) was rewarded for his consistency in pattern-race company with a course-and-distance win in September's G2 Joel S. and, penalised three pounds for that success, made a winning seasonal return in Friday's rescheduled G2 bet365 Mile at Newmarket.

Racing on the front end after a slick getaway, the 4-1 chance poached a decisive advantage approaching the quarter-mile marker and kept on powerfully under continued urging inside the final furlong to easily account for MG1SW G1 Irish 2000

Guineas hero **Native Trail (GB)** (**Oasis Dream {GB}**) by three lengths.

"He was supplemented for the [G1 2000] Guineas as a 3-year-old, so he's always been a good horse," said trainer Charlie Hills. "He's got a good record here and I'm delighted with the way he's put it to bed, especially given he had the penalty to carry as well today. The blinkers seem to have helped him and we'll have to look at the [May 20 G1] Lockinge now. He's beautifully bred, being by Invincible Spirit out of Ghanaati, so that will have done him no harm today. It's obviously a week shorter now than it would have been between this and the Lockinge, had it been run at Sandown, but I think he should be fine."

Pedigree Notes

Mutasaabeq is the sixth of seven foals out of G1 1000 Guineas and G1 Coronation S. heroine Ghanaati (Giant's Causeway) and the March-foaled homebred is a half-brother to G3 Mahab Al Shimaal winner Wafy (Ire) (Dubawi {Ire}). Ghanaati is one of three black-type winners produced by dual stakes winner Sarayir (Mr. Prospector), herself a daughter of MGSW matriarch Height Of Fashion (Fr) (Bustino {GB}).

MUHAARAR COLT A NEW RISING STAR

by Tom Frary

Bypassing the 2000 Guineas in favour of another confidence-building exercise in Goodwood's British EBF 40th Anniversary Conditions S. on Friday, Rosehill Racing's bargain 32,000gns Book 3 purchase **Cicero's Gift (GB)** (Muhaarar {GB})--

Terentia {GB}, by Diktat {GB}) rewarded that patience by taking his record to three-for-three with consummate ease to become the latest **TDN Rising Star**. Sent off the 7-4 second favourite for the mile contest, the Charlie Hills-trained relative of the smart sprinter Cartimandua (GB) (Medicean {GB}) was settled under cover on the rail by Kieran Shoemark throughout the early stages.

Eased out of his pocket approaching the furlong pole, the bay who had won on testing ground at Newbury in October and on Wolverhampton's Tapeta in March quickly settled the issue before surging to a 5 1/2-length dismissal of the 11-8 favourite **Kolsai (GB)** (**Oasis Dream (GB)**). The Roger Varian-trained runner-up provides useful context to the form, having been just a half-length second to the well-regarded Canberra Legend (Ire) (**Australia (GB)**) in Newmarket's Listed Feilden S. last month.

Cicero's Gift, who holds an entry in the G1 St James's Palace S., brings Muhaarar's **TDN Rising Star** tally to four, with the P. G. Johnson S. winner and GII Miss Grillo S. third Be Your Best (Ire) winner currently chief among them. The dam, a smart five-furlong handicapper, has produced one black-type performer so far in the Listed Queen Charlotte S. runner-up Crossing The Line (GB) (Cape Cross {Ire}). **Cont. p14**

Successful in the Listed Kilvington Fillies' S. and Listed Cecil Frail S. and third in the G3 Ballyogan S., she went on to throw the G2 July S. third Elronaq (GB) (Invincible Spirit {Ire}). Terentia's 2-year-old colt is by Golden Horn (GB), while her yearling son of Mohaather (GB) was a 52,000gns purchase by Manister House Stud at the Tattersalls December Foal Sale.

COSMOS JOINS SEA THE STARS' RISING STAR

BRIGADE by Tom Frary

One of Newmarket's Spring talking horses, Oaks entry **Infinite Cosmos (Ire)** ([Sea The Stars {Ire}](#)--Waila {GB}, by Notnowcato {GB}) duly opened her account with comfort in the 10-furlong Nyetimber Maiden Fillies' S. on QIPCO Guineas Friday to become her sire's 17th **TDN Rising Star**. Representing the longstanding Rothschild-Sir Michael Stoute connection, the relative of [Sea The Stars'](#) high-class Crystal Ocean (GB) had been second to the subsequent G3 Prix Penelope runner-up Sea Of Roses (GB) ([Sea The Moon {Ger}](#)) in a Doncaster maiden in October and started as the 8-11 favourite with Ryan Moore engaged to give connections the lowdown.

Racing prominently, the homebred had the measure of long-time leader **Therapist (GB)** (Le Havre {Ire}) passing two out and found her feet on the climb to the line to score by 4 1/4 lengths from **Strong Impact (Ire)** ([Saxon Warrior {Jpn}](#)), who denied Therapist by a neck.

Stoute was keeping a lid on things, despite some bookmakers promoting her to favourite for the Epsom Classic. "I didn't think she was impressive there, only workmanlike, but she is still learning on the job," he said. "We'll run her in a trial and make a

A well-earned drink for Infinite Cosmos, whose trainer and sire were inducted into the Hall of Fame on Friday evening | Emma Berry

decision after that, but I don't think she's going to be sparkly at this stage of her career--she needs to grow up and is taking time to learn. She may be impervious to ground conditions."

Infinite Cosmos has some big shoes to fill, with her sire's impressive **TDN Rising Star** haul including Crystal Ocean himself, as well as the star fillies Emily Upjohn (GB) and Star Catcher (GB) and the G1 Deutsches Derby-winning sire Sea The Moon (Ger). She is the fourth foal out of Waila, who was also under Ryan Moore when recording a career-best 10-length success in the 12-furlong Listed Aphrodite S. on the July Course here 10 years ago and who was third in the G3 Lillie Langtry S.

Waila, who was sold to BBA Ireland for 550,000gns at the most recent Tatts December Sale, also has a yearling full-sister to the winner who was also purchased at that auction for 400,000gns by McKeever Bloodstock for Ballyhimikin as part of Southcourt Stud's partial dispersal. She is a daughter of Crystal Cavern (Be My Guest), a half to the G1 Poule d'Essai des Pouliches heroine Rose Gypsy (GB) (Green Desert) whose daughter Crystal Star (GB) (Mark Of Esteem {Ire}) captured the Listed Radley S. and was second in the G3 Fred Darling S.

Before her death in 2015, Crystal Star proved a rich font of successful runners for Southcourt Stud, producing four black-type performers beginning with Crystal Capella (GB) (Cape Cross {Ire}) who captured two renewals of the G2 Pride S. as well as the G2 Princess Of Wales's S. and G3 Middleton S. Her next big-time personality was the GI Canadian International and G2 King Edward VII S. scorer Hillstar (GB) (Daneshill Dancer {Ire}), before Crystal Ocean arrived on the scene with wins in the G1 Prince of Wales's S. and G2 Hardwicke S. and five other group races and five second placings at the highest level including two in the King George VI & Queen Elizabeth S.

APPLEBY'S FLYING HONOURS PLEASURES IN NEWMARKET GALLOP

Godolphin's **Flying Honours (GB)** ([Sea The Stars {Ire}](#)) worked a mile under William Buick at Newmarket's Rowley Mile on Friday. The work was preparation for a start in the G1 Betfred Derby at Epsom Downs in June.

The 3-year-old colt worked in company with GI Breeders' Cup Turf hero Yibir (GB) (Dubawi {Ire}) and Natural World (Ire) ([Frankel {GB}](#)) prior to Friday's card. The G2 Dante S. at York on May 18 is next on the G3 Zetland S. hero's agenda.

Appleby said, "I'm delighted with that piece of work. At the end of the day, he has worked with no mug there in Yibir.

"We were intending to go to Sandown last week with Flying Honours, but that got rained off, and the plan now is that if he comes out of this piece of work well is to head to York for the Dante.

"He has got a lovely profile stepping up to this middle distance category this year. The Dante is the race that if you go and win afterwards you will probably be second favourite for the Derby. At the end of the day it is one of the best trials.

"This horse will get a mile and a half no problem at all. He is a neat horse and he has got enough racing experience under him now to head to a track like Epsom.

"Until you have been around there you can never hand on heart say you handle it but I believe he has got enough race experience to go there and handle it fine."

Another of Appleby's Epsom Classic contenders, **Military Order (Ire)** ([Frankel {GB}](#)), will target the Listed Lingfield Derby Trial S. at Lingfield on May 13. This is the same route as his

Derby-winning brother Adayar (Ire) took prior to winning the Blue Riband.

Appleby said, "I was very pleased with what I saw from Military Order at Newbury. People will say it was a slow time but they weren't going to be setting records in those conditions.

"I just loved his demeanour and the way that he galloped out. He has come out of it very well and he is bred to win a Derby.

"He will now head to Lingfield and follow the trodden route of his brother Adayar, who won this race in 2021, and then we will work it out from there."

Imperial Emperor (Ire) (Dubawi {Ire}) has been re-routed to either the G2 King Edward VII S. at Royal Ascot or the G1 Dubai Duty Free Irish Derby at the Curragh. The son of GI Man o'War S. heroine Zhukova (Ire) (Fastnet Rock {Aus}) took his only start at Newmarket in October.

"I've just taken my time with Imperial Emperor," Appleby continued. "He is very closely related to Ghaiyyath (Ire) (Dubawi {Ire}) and in his 3-year-old career he met with a setback.

"It is always on my mind that he is a mile and a quarter to a mile and a half Dubawi and you just can't push them. People will say that I did it with Coroebus (Ire) (Dubawi {Ire}) but that was different as he was a miler.

"Wholeheartedly, I would probably say I won't be getting there with him. I would rather bring him along and we might end up going to Royal Ascot or the Irish Derby with him.

"He is a horse that I have high regards for but one that we will look after along the way."

WORLD POOL RETURNS TO THE UK FOR QIPCO 2000 GUINEAS DAY

Coroebus won the 2022 Guineas | Hong Kong Jockey Club

World Pool, the largest commingled horse racing pools created and powered by the Hong Kong Jockey Club (HKJC), will return to the UK for the first time this year on Saturday for the QIPCO 2000 Guineas Day at Newmarket. It will be the first of eight UK fixtures World Pool will offer in the second quarter of the year.

All eight races on 2000 Guineas Day will be commingled, with pool betting operators from 28 countries betting into World Pool on seven different wager type--win, place, quinella, quinella place (swinger), forecast (exacta), tierce (trifecta) and treble (pick three).

World Pool will again name a Moment of the Day at Newmarket on Saturday, with the winning horse's groom collecting a cheque for HK\$40,000 (£4,000) and a chance to win a VIP trip to Hong Kong if named World Pool Moment of the Year.

Turnover on 2000 Guineas Day in 2022 reached HK\$257.7 million (approx. £26.1 million), up 39% from HK\$185.3 million (approx. £18.8 million) the previous year.

Other World Pool Fixtures in the UK set for this year include the G1 Lockinge S. at Newbury on May 20, the G1 Epsom Derby on June 3 and all five days of Royal Ascot, June 20-24.

"We couldn't be happier with the progress we have made with World Pool so far in 2023 as we prepare for the first UK event of the year, 2000 Guineas Day at Newmarket," Michael Fitzsimons, Executive Director, Wagering Products at the Hong Kong Jockey Club, said. We achieved strong growth at this meeting 12 months ago and we are delighted with the field sizes, with all eight races having 11 or more runners. The combination of top-class group contests with highly competitive handicaps is a great driver for turnover and we hope to make a strong start

before moving on to Newbury, Epsom and Royal Ascot."

Castle Way, successful in two of four juvenile outings last year, went postward for this early Derby trial coming back off an Oct. 19 handicap triumph over course and distance and stepped up to claim a career high in this black-type bow. Positioned second until inching to the front at halfway, he was shaken up passing the quarter-mile marker and maintained a high tempo under continued urging on the climb to the line to win with something in hand. Leading contender Waipiro (Ire) (**Australia {GB}**) was scratched after jockey Tom Marquand took a nasty kick to the arm on the way to post.

"William [Buick] has always loved this horse, but he was sitting

on the fence as to which one he would ride," explained Charlie Appleby. "Beforehand, I told William to get on with it and to let him use himself and he has given him a lovely ride. He will stay further for sure. I would say [Royal] Ascot [for the G2 King Edward VII] would be next and the only reason I didn't put him in the Derby picture was he went around Epsom last year and got beat there as favourite. Admittedly the ground was soft, but Adam [Kirby] said he hated the track and he is just one of those horses that is a big unit. I feel we have tried and tested once on that track and I don't really want to go back there again. It'll be far better working from Ascot and then going from there."

Castle Way, who was a 425,000gns Tattersalls October Book 1 yearling, is the sixth of eight foals and one of five scorers out of an unraced half-sister to G2 Windsor Forest S. victrix and G1 Beverly D. S. placegetter Joviality (GB) (Cape Cross {Ire}) and G1 Criterium International third Bonfire (GB) (Manduro {Ger}). The April-foaled chestnut is a half-brother to MG1SW sire Palace Pier (GB) (**Kingman {GB}**), a 2-year-old colt by Blue Point (Ire) and a yearling filly by **Kingman (GB)**. **VIDEO.**

Switching back to the turf to finish third in a competitive handicap again over six furlongs at the Craven meeting here, the grey appreciated this step up in trip and chance to arrive in his own time, arriving from rear down the outer to overhaul Arabian Storm inside the final 150 yards. **Cont. p19**

“He has got the heart of a lion,” trainer Richard Hannon said. “He is not a big horse, but he is one of the bravest you will see. He has been on the go a bit, but he thrives on that. He is a little gem and he didn’t cost a lot of money and it is great for people like Middleham Park. We will look at the [G3] Jersey [at Royal Ascot], but there is a nice race at Epsom, the [Listed] Surrey S. before that. He will handle anything and go anywhere.”

The dam, whose 2-year-old filly by Showcasing (GB) was sold to Blandford Bloodstock for 115,000gns when making the top five lots at the Book 3, is kin to the G3 Prix du Palais-Royal scorer Rosso Corsa (GB) (**Footstepsinthesand {GB}**) from the family of the triple Grade III winner Home Of The Free (Hero’s Honor), the Irish Derby-placed sire Desert Fox (GB) (Sadler’s Wells) and graded-stakes scorer and G1 Moyglare Stud S.-placed Poolesta (Ire) (Hero’s Honor). **VIDEO.**

Off the track for almost a year when third in the Listed Prix de la Porte de Madrid over this trip at Saint-Cloud in March, the lightly-raced Luisa Casati built on that comeback effort to register this black-type breakthrough. In rear throughout the early stages, the bay was following the right rival in Time Lock before losing track of that favourite when short of room and forced to switch approaching the two-furlong marker. Left with ground to make up down the outer, she made light work of the deficit and after mastering the Juddmonte homebred a furlong out readily asserted to provide the Tom Ward stable with a boost.

“She does like cut in the ground, but Richard [Kingscote] said she picked up better than ever on that ground,” he said. “She couldn’t run last year on that fast ground and is one of those that needs love and care and the team have done a fantastic job

with her. We could aim for an autumn campaign and the Lillie Langtry here is an option if the ground is right. I’ve always been confident she’ll get a mile six and she showed a really good turn of foot there.”

The unraced dam is a daughter of the listed scorer Brindisi (GB) (Dr Fong), who is also the second dam of Dreamloper (Ire) (Lope De Vega {Ire}) who captured the G1 Prix du Moulin de Longchamp, G1 Prix d’Ispahan and G2 Dahlia S. Also related to the G2 Doncaster Cup winner Thomas Hobson (GB) (Halling), her 2-year-old colt by New Bay (GB) was a 30,000gns purchase by Munster Syndicate at the Book 2 Sale. She also has a 2022 filly by Masar (Ire). **VIDEO.**

SOPRANO (IRE) (f, 2, Starspangledbanner {Aus})--Lealas Daughter {Ire}, by Excelebration {Ire}) was well away to race in a handy fifth through the early stages of this debut. Nudged into contention after passing halfway, the 6-4 favourite quickened smartly to gain an edge approaching the final furlong and ran on strongly under mild coaxing in the latter stages to defeat Midnight Affair (Ire) (Dark Angel {Ire}), by 1 1/4 lengths, with panache. "It's always a case of first day at school and I do think she'll step up for that," reflected trainer George Boughey. "She was a bit green at one point, but she's bred to get further and we thought that if she could get to the dip she'd come out of it really well. I was keen to come to the track earlier than we did with Cachet as they need to learn and she was still doing that there. Fix You, who ran fourth in last term's Listed Prix des Reves d'Or at Vichy, turned up race-fit for this second stakes start coming back off an Apr. 1 second at Kempton and an Apr. 12 handicap win at Nottingham last time. Tanking along in second from the outset, she cruised to the front passing halfway and was ridden out inside the final furlong to assert superiority for a career high.

"She is genuine in that slow ground which was a big help to her," said rider Seamus Heffernan said. "She has improved, has strengthened up and is likeable. I rang the trainer [Alice Haynes] and she gave me loads of confidence. It is nice to be in these colours as they have the right people picking and training the horses. Kia [Joorabchian] pays the bills, so deserves the luck. I know Robson Aguiar and the other Brazilian lads and when they put me on a horse which suits my style of riding, they shove me into it. It was nice to be on one of the steering jobs."

MILERS' DELIGHT IN TOKYO

by Heather Anderson

The G1 NHK Mile Cup has attracted a field of 18 3-year-old milers, none better credentialed than morning line favourite **Dolce More (Jpn)**.

Racing for Three H Racing Company, the Rulership (Jpn) colt was undefeated at two, where he parlayed his G3 Saudi Arabia Royal Cup victory into a sparkling win in the G1 Asahi Hai Futurity S. at Hanshin in December. Named the Japanese Champion 2-Year-Old Colt, he is on a retrieval mission, as he lost his unbeaten tag to **Eeyan (Jpn) (Silver State {Jpn})** in the G2 New Zealand Trophy going out too quickly first up at Nakayama in April.

"He was leading out in the New Zealand Trophy last time, but the pace was a bit too quick in the backstraight and it became difficult for him to maintain his lead at the end, so he eventually had to settle for seventh place. Since that race, things have gone smoothly with him, and he's been working well uphill with stablemate Sodashi (Jpn) (Kurofune)," said trainer Naosuke Sugai.

Dolce More | Horsephotos

That rival has now won three in a row since cutting back to 1600 metres and will have Keita Tosaki at the controls from gate six. "He drew inside in the New Zealand Trophy, but he started well and wanted to get on with things and had plenty of room turning for home," said trainer Daishi Ito of Eeyan. "He was driven out well in the closing stages to go on and win. Even though he hasn't won at Tokyo, he ran well enough there on his debut, and I don't see a problem with the course."

A group winner at two and three, **Obamburumai (Jpn) (Discreet Cat)** enters this test coming off a victory in the 1600-metre G3 Arlington Cup at Hanshin. Trainer Keiji Yoshimura said, "He got into the race well last time, and although I wasn't sure about how he might finish off, he came with a good late run and caught the others just before the line. Thinking about Tokyo with him, this kind of run seems to suit him."

Adding some intrigue is Keio Hai Nisai S. runner-up **From Dusk (Bolt D'Oro)**, who was third in the Listed Crocus S. in January. The Susumu Fujita runner breaks from stall one. He will be making his first start since a trip overseas to run ninth in the G3 Saudi Derby in Riyadh in February.

A 'PRETTY' IMPRESSIVE OAKS VICTORY

by Steve Sherack

LOUISVILLE, Ky. -- Godolphin homebred and 'TDN Rising Star' **Pretty Mischievous** (Into Mischief) stayed out of trouble with a perfect, stalking trip from her far outside draw and gamely fended off Repole Stable's **Gambling Girl** (**Dialed In**) in dramatic fashion to capture Friday's GI Kentucky Oaks.

Drawn widest of all in post 14 and adding blinkers for trainer Brendan Walsh after a runner-up finish in the GII Fair Grounds Oaks, **Pretty Mischievous** broke well beneath Tyler Gaffalione and secured a fantastic spot in fifth rounding the clubhouse turn before a sun-splashed crowd of 106,381 at Churchill Downs.

Traveling smartly in that same position as the speedy Sunland Park Oaks heroine **Flying Connection** (**Nyquist**) set sharp fractions of :23.07 and :46.96,

the 10-1 shot began to unwind with a four-wide blitz on the far turn and narrowly stuck her white pair of Godolphin blinkers in front passing the quarter pole.

Pretty Mischievous spurted clear under several left handers from Gaffalione in the stretch and had just enough left in the tank to defeat the Todd Pletcher-trained last out GIII Gazelle S. runner-up by a neck. Pletcher and Repole, of course, will be very well-represented by Saturday's GI Kentucky Derby favorite **Forte** (**Violence**).

The Alys Look (**Connect**), a well-beaten third for Brad Cox in the Fair Grounds Oaks, was another 2 1/2 lengths back in third. **Wet Paint** (**Blame**), favored at 8-5 after sweeping Oaklawn Park's 3-year-old fillies prep series for Godolphin and Cox, closed from ninth to finish fourth.

It was a first Kentucky Oaks victory for Sheikh Mohammed's operation, Walsh and Gaffalione. **Cont.**

“We haven't won an Oaks before,” Godolphin's Michael Banahan said. “We've been second with a filly, and it seems like it was a long time ago with Little Belle. So, to come in here with two live chances, with two homebreds, I think it means everything to us.”

He continued, “Sheik Mohammed has developed a beautiful broodmare band here in the U.S. I think we are reaping the rewards with the horses we've had over the last couple of years. But to me, there's only the one Classic for fillies in the U.S. and that's today in the Oaks. And so to be able to win that just means everything.”

The field for the 149th Kentucky Oaks passes the clubhouse turn beneath the famed Twin Spires | *Sherackatthetrack*

Walsh and Godolphin have previously teamed up on MGISWs **Maxfield (Street Sense)** and Santin (Distorted Humor).

“Obviously, I have had a very close association with them my whole life,” Walsh said. “I did nine winters in Dubai. I worked for them in Al Quoz as a rider. You know, when you're there and you're doing that, it was like working for an all-star team and getting on all-stars.”

Walsh continued, “And now to actually have the opportunity to train the all-stars is just, like, that's the stuff you dream of when you're a kid. If you want to be a footballer or a coach or whatever is to be around the very best. And it's just a great opportunity for me to be able to work with horses of this caliber.”

Gaffalione rode two Breeders' Cup winners at Keeneland last year and celebrated his first win in the Triple Crown series aboard **War of Will (War Front)** in the 2019 GI Preakness S. Gaffalione was also the previous regular rider of last year's champion 2-year-old filly **Wonder Wheel** (Into Mischief), who never factored in ninth in the Oaks. **Cont.**

Pretty Mischievous hangs on in the Oaks | Coady

“It’s amazing. I feel so blessed,” Gaffalione said. “The trip worked out perfectly. I stayed out her way and she took me the whole way. What an incredible filly.”

Pretty Mischievous, a winner of her first two starts at Churchill Downs last fall, suffered her first career defeat finishing third in the GII Golden Rod S. beneath the Twin Spires Nov. 26. The bay enjoyed a fantastic winter at Fair Grounds, annexing her first two career stakes victories in the Untapable S. Dec. 26 and the GII Rachel Alexandra S. Feb. 18. She looked like she was well on her way for a third straight win in the Fair Grounds Oaks, but, after hitting the front in the stretch, reported home 3 1/4 lengths behind the re-opposing **Southlawn** (Pioneerof the Nile). The latter finished a disappointing 10th with trouble in the Kentucky Oaks.

“This is the kind of thing you dream about, to win a Grade I, especially the Oaks at Churchill Downs, it’s a long way from Cork in Ireland,” Walsh concluded. “It’s indescribable, it’s exactly what we’re here for, and why these guys [Godolphin] breed these good horses, and why everybody works so hard.”

Pedigree Notes:

Will there be any heights left for Into Mischief to climb? Multiple leading sire titles: check. Breeders' Cup winners: check. Kentucky Derby winners: check. Seemingly one of the few holes on his CV was a Kentucky Oaks winner, but Pretty Mischievous took care of that. And perhaps, just perhaps, Into Mischief could become just the fifth sire to score a Derby-Oaks double in the same year, something that hasn't been done since Native Dancer sired the winners of both races 57 years ago. The Spendthrift sire has no fewer than three chances Saturday.

Pretty Mischievous is one of 130 black-type winners bred in the Northern Hemisphere for Into Mischief, who also has 63 graded winners, 17 at the top level, and seems to have no end to his prowess in sight. **Cont.**

Kentucky Oaks, cont.

He is 18 this year, has his best books still in the pipeline, and could very well be on track to demolish just about every sire record in the books. Few stallions can keep Into Mischief's staggering pace of top horse after top horse, but if there's one, it's the Oaks winner's broodmare sire, Gainesway's **Tapit**. The two crossed have come up with five of the 85 stakes winners out of **Tapit**'s daughters, including GSW and Oaks also-eligible Hoosier Philly and Saturday's GSW and Derby entrant Rocket Can.

The second foal for 2016 GI Spinaway S. winner Pretty City Dancer, who is a half to 2007 GI Gazelle S. winner Lear's Princess (Lear Fan), the Oaks winner was bred by Godolphin in Kentucky. Stroud Coleman Bloodstock acquired Pretty City Dancer on behalf of Godolphin for \$3.5 million at the 2018 Fasig-Tipton November Sale while she was carrying her first foal, now the winning 4-year-old **Medaglia d'Oro** filly named Ornamental. The mare was barren to **Uncle Mo** for 2021, but has a **Medaglia d'Oro** yearling filly and a **Street Sense** filly born Mar. 28. As so many of the good ones do, Pretty City Dancer directly descends from blue hen La Troienne--her seventh dam--through the Businesslike branch. The Grade I race named after La Troienne was run on the Oaks undercard Friday and was, naturally, won by another daughter of Into Mischief, Played Hard.

KENTUCKY DERBY DAY 149 IS HERE!

by Steve Sherack

LOUISVILLE, Ky. -- The late B. Wayne Hughes will be smiling somewhere on this first Saturday in May.

Unbeaten GII Louisiana Derby winner **Kingsbarns (Uncle Mo)**, an \$800,000 Fasig-Tipton Gulfstream breezer, will carry the famed orange-and-purple colors of Spendthrift Farm while making just his fourth career start in the 149th GI Kentucky Derby.

“Our primary business really is standing stallions, but when we can go to a sale and get a horse that has a shot to make it to the stud barn, that's what we're trying to do,” Spendthrift's General Manager Ned Toffey said. “And winning a race like the Derby is obviously a big step in the right direction if you want to stand a stallion. Kingsbarns has done everything we've asked of him so far and he's done it nicely.”

Kentucky Derby Roses | Horsephotos

Spendthrift Farm's all-conquering stallion Into Mischief, responsible for Friday's GI Kentucky Oaks heroine **Pretty Mischievous** (Into Mischief), will have three chances at a third bouquet of roses with longshots **Cyclone Mischief** (Into Mischief), **Rocket Can** (Into Mischief) and **Sun Thunder** (Into Mischief).

Into Mischief's Authentic, of course, won the 2020 Kentucky Derby for a high-profile partnership headed by Spendthrift Farm.

Into Mischief is also the sire of **Mandaloun**, who was promoted to first via Medina Spirit's well-documented medication disqualification in the following year's Derby.

"That's what breeders are looking for, to get to the Derby," Toffey said. "Into Mischief can get you any kind of horse. He's an amazing horse and continues to get the job done."

What do you think Mr. Hughes would say if he were still around to see this day?

"I think Wayne would be saying 'I told you so,'" Toffey said with a big laugh.

Kingsbarns | *Coady*

"I literally remember him saying, 'I think we might have Bold Ruler on our hands.' He said that very early on in Into Mischief's career. Now, he's a four-time consecutive Leading General Sire and has done something that's not been done since Bold Ruler. Wayne really loved this horse. He meant a lot to him."

Forte Heads 'Strong' Hand for Pletcher...

Hall of Fame trainer Todd Pletcher has won the Kentucky Derby twice from a record 62 starters and arguably brings his strongest hand ever to the 1 1/4-mile Classic this year. In addition to Kingsbarns, Pletcher will saddle 3-1 morning-line favorite '**TDN Rising Star**' **Forte** (**Violence**) and fellow '**Rising Star**' **Tapit Trice** (**Tapit**).

Last term's GI Breeders' Cup Juvenile winner and champion 2-year-old colt Forte punched his ticket to Louisville for Repole Stable and St. Elias Stable with a valiant win with a much-discussed less-than-ideal trip in the GI **Curlin** Florida Derby. Only **Street Sense** and **Nyquist** have pulled off the Breeders' Cup Juvenile-Kentucky Derby double so far.

The \$1.3-million Keeneland September graduate **Tapit Trice** will put a four-race winning streak on the line following eye-catching, come-from-behind victories in the GIII Lambholm South Tampa Bay Derby and GI Toyota Blue Grass S. **Cont.**

“In terms of pari-mutuel support, it’s probably going to be the strongest team that we’ve brought,” Pletcher said. “I think only one time have we started a favorite and that was in 2017, with (Derby winner) **Always Dreaming**. You could argue that it was possible that Forte and **Tapit** Trice could be the favorite and second choice or close to it. This is the deepest squad that we’ve put up so far.”

Derby Quartet for Brad Cox...

Brad Cox will have four of the 19 Kentucky Derby starters, including GI Arkansas Derby winner **Angel of Empire** (**Classic Empire**), one of *three* Derby entries for the Albaugh Family Stables; narrow Blue Grass runner-up **Verifying** (**Justify**); the rail-drawn GII Wood Memorial S. runner-up **Hit Show** (**Candy Ride {Arg}**); and Louisiana Derby third and 'Rising Star' **Jace's Road** (**Quality Road**).

While officially recognized as a Kentucky Derby-winning trainer courtesy of the previously mentioned **Mandaloun**, Cox is still looking to experience that thrill of a lifetime winning the historic first leg of the Triple Crown.

“There was no experience of winning the Derby,” Cox said of the 2021 renewal. “It’s the thrill of the victory that you’re wanting to experience. There’s no thrill in saying that you won

the Derby through a phone call that says you were placed first through a DQ. There’s no celebration. There’s no win picture.”

Cox continued, “I do look forward, hopefully, this year to winning it. I think we got some really good shots. I’m sure it’d be a feeling like no other.”

In addition to Angel of Empire, Dennis Albaugh's operation also campaigns the Dale Romans-trained Florida Derby third-place finisher Cyclone Mischief and Jace's Road. The latter two are owned in partnership. **Cont.**

Who do you like? | Horsephotos

Who's made the best impression in the mornings leading up to the main event? Last out GII Rebel S. winner **Confidence Game (Candy Ride {Arg})** is certainly a good place to start after his visually impressive bullet workout beneath the Twin Spires last weekend. 'TDN Rising Star' **Disarm (Gun Runner)**, meanwhile, has given every indication in the a.m. that he's ready to run the race of his life for Hall of Famer Steve Asmussen following a flat third in the GIII Stonestreet Lexington S. Impressive GIII Jeff Ruby Steaks winner **Two Phil's (Hard Spun)** is another who has caught the eye during his morning preparations.

Stacked Derby Undercard...

Kicking off at 10:30 a.m. with another sensational forecast calling for partly cloudy skies and a high of 78 degrees, the 14-race Kentucky Derby program also prominently features: GI Breeders' Cup Filly & Mare Sprint heroine **Goodnight Olive (Ghostzapper)** in the GI Derby City Distaff S.; GI Breeders' Cup Dirt Mile winner **Cody's Wish (Curlin)** in the GI Churchill Downs S.; and the highly anticipated return of last year's GI Del Mar Oaks heroine **Spendarella (Karakontie {Jpn})** in the GII Longines Churchill Distaff Turf Mile S.

The graded stakes action at Churchill Downs is rounded out by the GI Old Forester Bourbon Turf Classic; the GII Pat Day Mile S.; the GII American Turf S.; and the GII Twin Spires Turf Sprint S.

SHIRREFFS'S SKINNER SCRATCHES, DERBY FIELD DOWN TO 19

Skinner | Coady Photography

C R K Racing's **Skinner (Curlin)** is out of the GI Kentucky Derby because of an elevated temperature, Churchill Downs said in a release early Friday morning. The horse was scratched by trainer John Shirreffs, according to Kentucky Horse Racing Commission stewards.

Skinner had galloped a mile Friday morning during the special 7:45 to 8 a.m. Derby/Oaks training period and all looked well. But then, back at Barn 41, several temperature checks did not come back as expected, forcing his conditioner to alert track officials that it would not be right for him to run Saturday.

With the defection of Skinner, the Derby field is down to 19 starters. **Practical Move (Practical Joke)**, **Lord Miles (Curlin)** and **Continuar (Jpn)** (Drefong) were scratched on Thursday.

The last time four horses were scratched from the Kentucky Derby was 2015 when 22 horses entered the race.

PROS: The final AE to make the Derby starting gate, King Russell ran absolutely huge at 59-1 to place in the GI Arkansas Derby when he posted his best Beyer Speed Figure ever with an 87. As Angel of Empire (Empire Maker) ran on to win by 4 1/4 lengths, Ron Moquett's trainee showed significant speed in the final furlong, which could bode well down the stretch at Churchill if a pace meltdown occurs. His trainer has treated this week as if he was already in, so King Russell is ready to fire from gate 20, which incidently is the same position that Rich Strike (Keen Ice) came out of last year.

King Russell | Coady Photography

CONS: Can King Russell get the mile-and-a-quarter distance in this massive Grade I test? We shall see. What we do know is it took him five tries to break his maiden, which started Sept. 22 at Churchill Downs--fifth by 4 1/4 lengths. The gray colt ran impressively over wet surfaces at Oaklawn before the Arkansas Derby, but he will not get the benefit of that on Saturday. While his last split was strong in that Grade I, he is going to have to kick it up a notch in order to compete with the likes of this field.

PEDIGREE: Second dam El Fasto (El Prado {Ire}) was unraced, but her half-sister Classic Elegance (Carson City) won the GII Schuylerville S. at Saratoga and GIII Debutante S. at Churchill Downs. An even bigger vote of confidence comes from King Russell's unraced dam Believe You Will, whose full-sister Believe You Can won the 2012 GI Kentucky Oaks for owner and breeder Brereton Jones. Her son, Believe In Royalty (Tapit), went on to declare victory in the Ellis Park Derby.

VERDICT: Last in. Don't count out Moquett. Remember what happened last year with Rich Strike? --J.N. Campbell

PLAYED HARD TAKES THE 'OATH' IN LA TROIENNE

by Alan Carasso

Making her first start since winning last fall's Gill Falls City S. at 45 cents on the dollar, Rigney Racing's **Played Hard** (Into Mischief) rewarded those that remained loyal to her from a pari-mutuel perspective with a near 9-1 upset in Friday's GI La Troienne S. at Churchill Downs. For the second time in as many races, Briland Farm's **Secret Oath** (Arrogate)--who won the GI Longines Kentucky Oaks on this program 12 months ago--took a dirty beat in Grade I company, having been pipped on the post in the Apple Blossom H. last time, while **Search Results** (Flatter), beaten a neck by Malathaat (**Curlin**) in the 2021 Oaks, was a brave third.

"I went to bed many nights dreaming of this moment," said trainer and Louisville native Phil Bauer, who was unsaddling his

first top-level winner. "Horse racing can be like climbing Mount Everest. Today, I feel like we've made it to the top. As a Louisville guy, this means everything to me. It's so hard to put into words what Tammi and Richard Rigney mean to me.

Played Hard (right) lasts in the La Troienne | Horsephotos

They've supported me through the highest of the highs and the lowest of the lows."

Ridden for some speed by John Velazquez, Played Hard argued the early issue inside of Search Results and **Society** (**Gun Runner**), but when it was clear that Florent Geroux was intent on taking the latter to the top, Velazquez took a tug on Played Hard and pulled her to the outside to hound the front-runner from second. Society led through a half in a solid :47.28 and took the field into the second

turn, but Played Hard was breathing down her neck and came calling for the lead with just under 2 1/2 furlongs to go. A few lengths behind, Secret Oath was making ominous progress after covering ground, but had to be asked by Tyler Gaffalione. **Cont.**

Continuing what has become a wonderful annual tradition, we will again be distributing "**Baskets of Blessings**" to the women of our backstretch community in honor of **Mother's Day** this year. La Troienne, cont.

In front as they hit the top of the lane, Played Hard was urged along to maintain her advantage, but Secret Oath, six or seven wide off the final corner, looked to have the momentum down the center of the track while Search Results refused to lay down at the rail. Played Hard drifted out under a left-handed crop and she and Secret Oath brushed, but she boxed on gamely and was home narrowly best. A claim of foul against the winner was ultimately disallowed and the result stood as is.

“She’s very brave. All the credit goes to Mr. Phil Bauer and his team,” said Velazquez, winning the La Troienne for the third time. “She’s been working really good, and I didn’t know if she had enough to beat Secret Oath today. But she put in a couple of good works here. I knew she was going to run

well. The whole team did such a great job, to get her ready after a long layoff, and to run with this horse. I’ve got to give it to Phil, great job.”

Played Hard | Coady

Tyler Gaffalione said the incident in the stretch likely cost Secret Oath the race.

“Honestly, it felt a lot worse than it looked,” he said. “My filly must have been getting tired at that point, and we came together. I had pretty good position going into the first turn, then we ran into traffic, and a lot of shuffling, so I didn’t want to get myself in a bad spot, so I got her out of there. She’s got such a tremendous kick, that I wanted to rely on that.”

Off the board just once in eight previous runs beneath the Twin Spires, Played Hard romped home by

5 3/4 lengths in the GIII Locust Grove S. during Churchill’s September meet last fall, then was third, but soundly defeated, in the GI Juddmonte Spinster S. at Keeneland ahead of her Falls City performance. **Cont.**

ALYSHEBA UPSET SOMETHING TO SMILE

ABOUT by Steve Sherack

Smile Happy | Coady

LOUISVILLE, Ky. -- 'TDN Rising Star' **Smile Happy (Runhappy)**, eighth in last year's GI Kentucky Derby behind the re-opposing **Rich Strike** (Keen Ice), appears to have a very big season ahead of him after delivering a decisive 7-1 upset over a talented group of older horses assembled in Friday's GII Alysheba S. at Churchill Downs.

Smile Happy shadowed heavily favored last-out GII New Orleans Classic S. winner **West Will Power** (Bernardini) from an outside second through early fractions of :24.30 and :47.80. The Lucky Seven Stable colorbearer struck the front beneath Brian Hernandez, Jr. off the turn for home and kept on finding down the stretch to keep GI Pegasus World Cup winner **Art Collector** (Bernardini) safe by two lengths. West Will Power stayed on for third.

Winner of the GII Kentucky Jockey Club S. beneath the Twin Spires as a 2-year-old, last term's GII Risen Star S. and GI Toyota Blue Grass S. runner-up made two previous starts this season at Oaklawn Park. Smile Happy kicked off his 4-year-old campaign with a smart victory in an optional claimer in the slop Mar. 16, and was most recently third as the favorite in the GIII Oaklawn Mile Apr. 1.

"I'm really not surprised," winning trainer Kenny McPeek said. "He's tricky to deal with sometimes and the last couple of races, we've finally figured his number." **Cont.**

Alysheba, cont.

“We ran him back quickly at Oaklawn because he was difficult to train at Oaklawn. We got him back here and he’s done everything right. But, we learned a value lesson in his last race at Oaklawn. He’s a true alpha. He wants everything his own way. But, he can run like the wind. I’m really proud of him.”

It was another disappointing run from last year's monumental Derby upsetter Rich Strike, who was making his first start of the season in the Alysheba. He passed one rival home to finish fifth after trailing for most of the way.

“I’m unusually disappointed in the effort,” trainer Eric Reed said. “I’m not sure what’s going on. I expected him to finish better. He was where he was supposed to be but he didn’t fire at all.”

Pedigree Notes:

Smile Happy, a \$175,000 KEENOV weanling and a \$185,000 FTKSEL sale graduate, is one of three graded winners for **Runhappy** and one of 24 graded winners for broodmare sire Pleasant Tap. Smile Happy is the most recent produce from three-time winner Pleasant Smile, who brought \$57,000 from Black Type Bloodstock at the 2014 KEENOV sale.

While Friday's GII Eight Belles S. was bet more or less like a coronation for the freaky and previously unbeaten Munnys Gold, Red Carpet Ready--whose own perfect record was tarnished last out--had other ideas. Away as the second choice almost 14 times the favorite's odds, Red Carpet Ready shadowed the pacesetting chalk early with both kept well off the inside. Red Carpet Ready put the screws to Munnys Gold around the turn after a :45.11 half, and quickly opened up as noses pointed for home. Munnys Gold dug in deep, however, and clawed back almost all of the ground she'd given up late, but Red Carpet Ready found the line with a long nose to spare.

"This filly had a good break, and she put us right in it," said winning rider Luis Saez. "When she got the lead, I wanted her to open it up, but she was waiting a little bit. When she was alone, she waited for the other horse to come back. I was pretty worried about the other horse, because in the long stretch, she tried hard to catch us. Red Carpet Ready is a spectacular filly. She always tries really hard."

Red Carpet Ready opened her account a 10-length winner in the local slop on a "Stars of Tomorrow" card last October, and doubled up in the following month's Fern Creek S. She saw out seven-eighths no problem to take Gulfstream's GIII Forward Gal S. Feb. 4, but could only manage third at 11-10 in the Mar. 4 GII Davona Dale over a one-turn mile behind huge longshot Dorth Vader (**Girvin**).

Winning conditioner Rusty Arnold added, "She wants to sprint and she loves it here. We're going to regroup and keep to sprinting. Luis rode her great. He took it to [Munnys Gold] and she was ready."

Pedigree Notes:

Red Carpet Ready is one of two graded winners and stakes winners from the first crop of talented turfer **Oscar Performance** (Kitten's Joy). **Street Sense** is the broodmare sire of a dozen graded/group winners worldwide. His one highest-level winner to date is Roaring Lion, by **Oscar Performance's** sire Kitten's Joy.

Red Carpet Ready is out of a half-sister to GISW sprinter Joking (Distorted Humor) and from the deep female family of Tale of the Cat, Fed Biz, et al.

Unraced Wild Silk, purchased for \$70,000 at the 2017 Keeneland November Sale, has a 2-year-old full-sister to Red Carpet Ready and yearling full-brother. The filly was a \$65,000 Fasig-Tipton Saratoga New York-bred sale acquisition by Deuce Greathouse's Pura Vida and has since been named Bougie Not Basic. Wild Silk produced a **Not This Time** filly Mar. 23.

Heavenly Sunday (white bridle) holds off a stampede in the Edgewood
Coady

Florent Geroux nursed Heavenly Sunday's speed to perfection as the pair went wire to wire at 9-1 to annex the GII Edgewood S. presented by Forcht Bank Friday on the GI Kentucky Oaks undercard at Churchill Downs. A stampede followed them under the line with Revalita (Fr), Mission of Joy, and Pipilio (Ire) ([Starspangledbanner {Aus}](#)) just necks and heads apart vying for the place and show spots.

When the gates flew, Heavenly Sunday hopped and stuttered out of the stalls and immediately got sandwiched hard between two fillies as she tried to maintain her forward momentum and gain position. Undaunted, she extricated herself from the tight squeeze and shot to the front. Stablemate Flashy Gem (Bolt d'Oro) at 9-2 tracked while Heavenly Sunday set all the pace, ears pricked under a hard hold through fractions of :23.19 and :47.89. Ears still flicking on the turn as Flashy Gem went after her, Heavenly Sunday held sway in the stretch and was game all the way to wire, not for catching. Her final margin of victory was three-quarters of a length.

"I think there was an honest pace but I don't think I was going extremely fast," said Geroux, who was winning the Edgewood for the third time since 2016. "It was just a good rhythm for her to keep her comfortable. It looked like the horse was trying to make a run for me at the end but my filly had a major turn of foot."

One of the more lightly raced fillies in the Edgewood, Heavenly Sunday races for William Harrigan's Miacomet Farm. The \$170,000 Keeneland September RNA had debuted last

September at two with a seven-length score in a turf maiden special weight at Horseshoe Indianapolis, then followed up with an allowance at Keeneland before being put away for the winter. She has since been third in Gulfstream's GIII Sweetest Chant S. Feb. 4 and Keeneland's GII Appalachian S. Apr. 8. Heavenly Sunday was one of four runners in the Edgewood coming out of the Appalachian.

"We've been pointing towards this race since last fall at Keeneland," said trainer Brad Cox, who also won the Unbridled Sidney S. earlier on the Churchill card with Breeders' Cup heroine Caravel (Mizzen Mast). "I was disappointed in her first two races this year because I thought she would win. She put it all together today."

Pedigree Notes:

Heavenly Sunday's win makes her the 53rd graded winner among the 108 black-type winners for Lane's End's stalwart sire [Candy Ride \(Arg\)](#). While she's also the 197th stakes winner out of a daughter of the late Giant's Causeway, what's especially notable here is the cross. Four of [Candy Ride's](#) graded winners are from Giant's Causeway mares, including Horse of the Year and superstar young sire [Gun Runner](#), as well as Churchill GSW and 2019 GI Kentucky Oaks runner-up Liora.

Randal Family Trust bought the winner's dam in foal to Malibu Moon at the 2018 Keeneland November sale for \$240,000 and bred her the next year to [Candy Ride](#), resulting in Heavenly Sunday. Alien Giant was not bred for 2021 and lost her [Game Winner](#) foal in 2022 before delivering a colt by [The Factor](#) Jan. 29 this year. Although Heavenly Sunday marks the first graded winner in the immediate family in a few generations, Alien Giant's fourth dam, Victorian Queen (Victoria Park), was both the champion grass horse and champion older mare in Canada in 1975. She produced no fewer than three Grade I winners: Judge Angelucci (Honest Pleasure), War (Majestic Light), and Peace (Naskra).

Having flirted with success at the graded level on no fewer than five previous occasions, Higher Truth set a walking pace in Friday's GII Sheepshead Bay S. at Belmont Park and--not surprisingly--sprinted sharply in the final two furlongs to make the grade at long last.

Given a positive ride by Manny Franco, the 5-year-old led them down the long home straight at Belmont while doing no work whatsoever and, with none of her three remaining rivals particularly eager to take it to her, just went along at a crawl down the backstretch. Easily holding the competition at bay into the final half-mile, Higher Truth responded nicely when asked to quicken inside the final quarter and proved easily best to lead home a Chad Brown exacta over Virginia Joy. Atomic Blonde was third ahead of her stablemate Amazing Grace (Ger) (Protectionist {Ger}).

"On paper, I knew my filly was faster than the other ones and I said, 'I'm going to go easy and hopefully she can go all the way around,'" said Franco, who rides Hit Show (**Candy Ride {Arg}**) in Saturday's GI Kentucky Derby. "I knew I was going to have horse at the end. I was pretty comfortable going to the wire, but at the same time I knew [Virginia Joy] was coming. [Higher Truth] just exploded in the stretch and got it done."

A 500,000gns purchase from the draft of Michael Gaffney's Churchtown House Stud at Tattersalls October back in 2019, Higher Truth contested all three legs of the local turf triple for fillies in 2021 and was beaten under a length each time, when third in the GI Belmont Oaks and runner-up in the GIII Saratoga Oaks and Jockey Club Oaks. Run down by stablemate Fluffy

Socks (**Slumber {GB}**) in the GII Sands Point S. that October, she was a handy allowance winner in a single 4-year-old appearance and was exiting a runner-up effort behind the Brown-conditioned Mylady (Ger) (The Grey Gatsby {Ire})--entered, but scratched from the Sheepshead--in the GIII The Very One S. Mar. 4.

Higher Truth | Susie Raisher

Pedigree Notes:

Higher Truth becomes the 360th worldwide black-type winner and 242nd graded/group winner for the immortal Galileo, about 10% of which have occurred in this country. The winner's dam took out the G3 Ballycorus S. for Tommy Stack and the Gaffney family and has produced three winners from four to race, including Higher Truth's Group 3-winning relative Lady Wannabe (Ire) (**Camelot {Ire}**). A half-sister to G1 Cheveley Park S. heroine and 1999 G1 One Thousand Guineas runner-up Wannabe Grand (Ire) (Danehill), Wannabe Better is represented by a 2-year-old full-sister to Lady Wannabe, her last listed produce.

Didia | Horsephotos

Facing arguably the stiffest task of her career to date, Didia proved more than equal to the task in Friday's GIII Modesty S., winning for the fourth time in as many appearances in the U.S. and for the seventh time in succession overall.

Away in good order beneath Vincent Cheminaud, the only rider she's known in this country, Didia raced in a rail-skimming third under the line for the first time and in the slipstream of longshot Sweet Dani Girl, who made play up front through splits of a faster-than-it-looked :23.25 for the opening quarter and :47.84 for the half-mile. Just niggled at to keep pace when Javier Castellano tried to pinch a break on the turn, Didia pushed away from the fence to deliver her challenge in upper stretch, reeled in the pacesetter not long after and kept on nicely for the victory.

"I won't say I was worried, but they were bunched tightly at the start," winning trainer Ignacio 'Nacho' Correas said. "I felt more confident once I saw her settle into third. From there, it was just a matter of whether or not she would have her kick. I don't know how she does it, but she always makes it look easy."

Didia closed out the Argentinian portion of her career with back-to-back score at the elite level, including one such event over a mile and a quarter where she clocked a wicked 1:56 4/5 in scoring by four lengths. A two-time winner at Colonial Downs last summer, including the Aug. 16 Old Nelson S., the Southern Hemisphere 4-year-old resumed with a 1 1/4-length success in the Tom Benson Memorial S. at Fair Grounds Mar. 25, where **'TDN Rising Star'** and last year's GII Edgewood S. upsetter New Year's Eve was third. Although the 5-1 second choice in Belmont's GIII Westchester S. Friday behind 7-10 pick and last year's GI Blue Grass S. winner Zandon, who was making his 4-year-old debut after finishing 2022 with an uncharacteristic fourth in the GI Cigar Mile H., Repo Rocks has been on a tear of his own. The former claimer had won four straight after joining the Jamie Ness barn last fall and was last seen finishing second in the GI Carter H. Apr. 8 at Aqueduct.

Repo Rocks | Susie Raisher

Repo Rocks sprinted to the front when the gates flew before taking back to settle and track as Expressman (**Liam's Map**) led through a :22.99 first quarter. The winner drew alongside Expressman right around the time the half was marked in :45.80 before pulling clear on the turn and opening up in the stretch while wide. Zandon and 2021 GIII Gotham S. winner Weyburn chased the dark bay home.

“He wants to get out a little bit in the turns and he always has,” said Ness. “I thought the bigger track would be better, and I think a mile is his distance. He’s this big, long-striding horse. This is the trip I wanted, and it was perfect on the outside with one horse to chase.”

A stakes horse at various times in his career and a claimer at others who has bounced through five different trainers, Repo Rocks was in Gregory DiPrima’s barn for most of last year before moving to Ness. Among his four straight dating to last November was his first stakes score--the Let’s Give Thanks S. at Parx--and his first graded score, the GIII Toboggan S. Jan. 28 that netted a monster 111 Beyer.

Ness indicated the Westchester winner might target the GI Hill ‘n’ Dale Metropolitan H. at Belmont June 10.

“The owner is from the area and he loves to come watch his horse run, so why not? You can’t win if you’re not in, and he looked like a horse who deserves a shot in that race. It’s horse racing, so we take it race to race, but that’s a great goal to go for.”

Pedigree Notes:

Darby Dan's **Tapiture** has 20 black-type winners in his first four crops of racing age. Repo Rocks is one of two graded winners for the son of **Tapit**, while the Westchester winner's damsire, the Midlantic's late Not For Love, has 71 stakes winners out of his daughters, including dual Horse of the Year California Chrome (Lucky Pulpit). Repo Rocks is one of two stakes winners for the cross of **Tapiture** over Not For Love.

Mrs. C. Oliver Iselin III bred both Repo Rocks and his dam in

Virginia. Sold for \$4,000 to Bill McDowell at the 2018 Keeneland November sale, the mare has since produced one live foal, an Arkansas-bred now-yearling colt named Hawaiian Express (Exhi). Hawaiian Love was bred to Big Blue Kitten for 2023. She traces tail-female to La Troienne through the Black Helen branch and is from the same extended family as champion Pleasant Tap (Pleasant Colony) and 1994 GI Kentucky Derby winner Go for Gin (Cormorant).

OAKS DAY 149 SETS HANDLE RECORD

Mint juleps and Oaks lilies | Horsephotos

Friday's GI Longines Kentucky Oaks card at Churchill Downs set a record, with all-sources handle for the day of racing reaching \$74.9 million--up from last year's record \$74.6 million. All-sources wagering on the Oaks specifically was \$22.4 million, down from the record set 12 months ago of \$24.3 million. Attendance was a reported 106,381. “Congratulations to the connections of Pretty Mischievous on today’s win,” said Churchill Downs President Mike Anderson. “The 149th Kentucky Oaks will be remembered as a memorable day of racing on a near-perfect Kentucky day. Today’s success should be attributed to our fans, sponsors, horsemen, horseplayers, and all participants of this distinguished racing tradition.”

EXTRA ANEJO RETURNS ON DERBY DAY

1st-CD, \$127K, OC, 3yo, 6 1/2f, 10:30 a.m.

EXTRA ANEJO (Into Mischief) makes his 3-year-old debut in the opener on Derby Saturday nearly seven months after blitzing a maiden special weight field by 9 1/2 lengths at Keeneland to earn **'TDN Rising Star'** honors last October. A \$1.35m Keeneland September yearling, the Steve Asmussen trainee is out of a half-sister to MSW/MGSP Abingdon (Street Cry {Ire}) and traces back to MG1SW and Eclipse champion grass mare Islington (Ire) (Sadler's Wells), G1SW Greek Dance (Ire) (Sadler's Wells) and G1SW Mountain High (Ire) (Danahill). He retains the services of Tyler Gaffalione for his second start and also adds Lasix for owner Winchell Thoroughbreds. **TJCS PPS**

3--**Sarah Harper**, 121, m, 5, Vancouver (Aus)--Martz, by Scat Daddy. O-William S. Sparks, William R. Patterson, Ry Patterson and Stephen Bell; B-William Sparks (KY); T-Ron Moquett. \$28,500.

Margins: 1HF, HD, 1 1/4. Odds: 0.74, 4.29, 37.81.

Also Ran: New Boss, Oeuvre, Little Jewel, Salvaje, Miner's Queen, Majestic d'Oro, Margie's Kitchen. Scratched: Love of My Heart, Quaria Comet.

Now a winner of three straight at the distance, Caravel continued to pad her resume with another gate-to-wire win Friday in the Unbridled Sidney S. at Churchill Downs. Victorious two starts back against males in the GI Breeders' Cup Turf Sprint at Keeneland, she backed up that form with a score in her yearly bow, taking the GII Shakertown against the boys. Back facing her own gender and still at her favorite distance, Caravel had the betting public convinced, going off at 3-5 against a full field of nine rivals. Urged to the front, she cleared off into the first turn to handle the pace duties up front, ticking off swift fractions of :21.97 and :44.62. While she had company up the backstretch, the grey easily dispatched of the challenging pair when asked as she spun for home. Bay Storm and Sarah Harper both offered a charge late but Caravel had enough of a gap built up to last, winning handily. The winning time of 1:02.47 was a new stakes record.

"Big run from this filly," said trainer Brad Cox. "She's become very consistent. You can tell when she's ready to run and she's been on 'go' for a while since the month of March training up at Turfway and continuing on through April."

When asked if a start in England's Royal Ascot meeting might be next, Cox replied: "That's the plan. We will how she comes out of this race first and foremost but that was one reason we brought he back at the age of six. We took her out of the November sale and that's been the goal."

The winner's dam, Zeezeezoomzoom, has an unraced 2-year-old colt, Enzo (Great Notion) and a yearling Street Boss filly still to represent her. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

2--**Frosted Grace, 121, h, 7, Mark Valeski--Class, by Thunder Gulch.** (\$14,000 RNA Wlg '16 KEENOV; \$10,000 Ylg '17 KEESEP).

O-Flying P Stable; B-Brereton C. Jones (KY); T-Robertino Diodoro. \$29,100.

3--**Mr. Wireless, 119, g, 5, Dialed In--Vousoir, by Arch.** O-Jon Lapczenski & JIL Stable; B-John & Iveta Kerber (KY); T-W. Bret Calhoun. \$14,550.

Margins: 2, HF, 5 3/4. Odds: 10.20, 2.30, 0.80.

Also Ran: Great Escape, Icarus, Mailman Money. Scratched: Forza Di Oro, Joe Frazier, Perfect Flight.

Ain't Life Grand, a five-time stakes winner in his native Iowa and seventh in last year's GI **Runhappy** Travers S., kicked off his 4-year-old campaign somewhat inauspiciously with a seventh-place run in a local optional claimer Mar. 18, but bounced back in a big way Friday. Let go as the second-longest shot on the board, the dark bay sat second-last among a compact field early. Under a busy ride heading for home, he got going down the outside in midstretch and gobbled up ground late to win handily. The winner has a yearling half-sister by Goldencents and a foal full-sister. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

SMOKIN' T (c, 4, War Front--Wine Princess {MGSW & GISP, \$461,561}, by Ghostzapper), fourth in the GII American Turf S. on this weekend last year, finished second by a head in the local Audubon S. the following month, only to be disqualified from purse money due to an acepromazine violation. Seventh in Belmont's Manila S. on Independence Day, he had made two starts at Gulfstream over the winter, both thirds, most recently in a Mar. 4 optional claimer. Away as the favorite at a few ticks under 5-2, the bay saved ground from just off the pace while tugging his rider along. His found a clear run along the rail while approaching the stretch, ran down the leader under confident handling and ran up the score from there. The winner, who is a

VAHVA (f, 3, Gun Runner--Holiday Soiree {SW & GISP, \$405,642}, by Harlan's Holiday) took three starts to break her maiden and immediately jumped into stakes company, managing a third behind '**TDN Rising Star**' and GI Longines Kentucky Oaks winner Pretty Mischievous (Into Mischief) in the Untapable S. to wrap up her juvenile campaign Dec. 26. Fourth to that same rival in the GII Rachel Alexandra S. Feb. 18, Vahva was spotted just a half-length off the winner in an optional claimer at Keeneland Apr. 7. Bet to 2-1 against this field, the daughter of **Gun Runner** came away from an outside gate to split the field in fifth past an opening quarter in :22.50. Steadily placed into contention around the turn, she challenged as the top pair swung for home and poked a head in front just as Undervalued Asset (**Speightstown**) made her move with a furlong to run. Game on the inside, Vahva found more to repel the run and hold on for a half-length win. Holiday Soiree has produced back-to-back fillies by **City of Light** and **Nyquist** respectively since foaling Vahva. Sales History: \$280,000 Ylg '21 KEESEP. CHAMPAGNE CALLING (f, 3, Empire Maker--Escultura, by Pulpit) graduated at second asking going seven panels at Tampa in January, and was last seen finishing sixth in a salty renewal of the Suncoast S. going two turns back at that venue Feb. 11. Dismissed at 16-1 for this one, the bay uncorked a sweeping move from far back to earn a nose victory over fellow longshot Charlie's Wish (**First Dude**). The winner's second dam is GSW/GISP Chimichurri (Elusive Quality), making her a relative to GISWs Hard Not to Love (**Hard Spun**) and Secret Spice (Discreet Cat) as well as Canadian Horse of the Year and 2018 GI Kentucky Oaks runner-up Wonder Gadot (**Medaglia d'Oro**). She has a 2-year-old half-sister by **Hard Spun**, a yearling half-brother by Omaha Beach and a foal half-sister by **Audible**. Sales history: \$250,000 Ylg '21 KEESEP. HEARTYCONSTITUTION (f, 4, Constitution--Distinct Sparkle, by With Distinction) wrapped up her 3-year-old season early with a second to Wicked Halo (**Gun Runner**) in Churchill's Tepin S. July 2 and didn't make it back to the races until a win against allowance horses Mar. 15 at Fair Grounds. The 3-1 second choice here, she was taken in hand by jockey Tyler Gaffalione to settle near the rear of the field in ninth. Guided through the pack up the backstretch, she split horses into the far turn and came through another opening just past the eighth pole to strike the front. Once in the clear, she dashed clear, defeating Jump Into the Fire (**Runhappy**) by 1 3/4 lengths. A half-sister to Chateau (Flat Out), GSW, \$727,219, Heartyconstitution has a yearling half-sister by Weigelia and her dam was bred to **Union Rags** for 2023. CLOUSEAU (c, 3, Distorted Humor--English Garden, by Bernardini) graduated and clearer his first-level allowance condition in a span of three weeks in January, and was most recently third in the restricted Echo Eddie S. sprinting on this main track Apr. 8. Off at 5-1 getting more ground to work with, but not the intended surface switch, the bay went right to the front and kicked away at the top of the lane to prevail by 3 1/4 lengths. Oubabe (He Be Fire N Ice) was second. The winner has a 2-year-old half-brother named Benny Buckets (Smiling Tiger) and his dam, a daughter of GSW/MGISP Spring Meadow (Meadowlake), was bred to **Street Sense** last term. HUNTRESS FOR HIRE (f, 3, Nyquist--Richiegirlgonewild {GSW, \$105,924}, by Wildcat Heir) ran second as the favorite in her unveiling at the Fair Grounds Jan. 7 but missed the break next time out and had to settle for sixth Feb. 18. Making her first start away from Louisiana with a 10-1 shot, the bay stayed near the back of the field early, racing in seventh as Musical Mischief (Into Mischief) paced the group through an opening quarter in :21.43. Tipped out three wide exiting the far turn, Huntress for Hire easily overtook the leading group and set sail for home, winning going away by 6 3/4 lengths over 2-1 favorite American Retro (**American Pharoah**). The half-sister to Super Allison (Super Saver), SW, \$157,043, Huntress for Hire has a 2-year-old **Palace Malice** half-sister and a newborn half-brother by **Tiz the Law**. ZAMBEZI (c, 3, Candy Ride {Arg})--Sahara Wind, by A.P. Indy debuted over this same surface and distance Apr. 1 but had to settle for third behind a runaway winner. Brought back as the 7-2 second choice vs. a heavily favored Komorebino Omoide (Jpn) at 3-5, he jumped well but conceded the lead to Congrats On Fifty (Congrats), choosing to let that rival go on with it. As that leader sped through a :45.44 opening half, Zambezi began to move three wide into the stretch to make his bid and, once clear with a furlong to run, dashed home in the clear to win by 4 1/2 lengths over 57-1 shot Mr Puk (Shackelford). William Harrigan, the breeder of Zambezi, also owns Heavenly Sunday (Candy Ride {Arg}) who took the GII Edgewood S. on the Kentucky Oaks undercard Friday. Out of a half-sister to MGISW Better Lucky (Ghostzapper) and a full to GSW Sahara Heat, Zambezi's only younger sibling is a 2-year-old Mitole half-brother. His dam visited Medaglia d'Oro for a 2023 foal. Sales History: \$155,000 Wlg '20 KEENOV; \$200,000 Ylg '21 KESEP. SON OF A BIRCH (g, 3, Temple City--Urquia, by Scat Daddy) didn't do much running in a pair of starts facing strong fields over New York turf courses last summer but returned a gelding Friday with the addition of Lasix with a 5-1 shot in a rained-off event. Ridden hard from the gate to establish early position, he was outprinted by Fast Boat to Skye (Cairo Prince) and settled second just outside of that leader. Up to challenge around the turn, he moved between rivals with a furlong to run and dueled American Know How (American Pharoah) to the line, prevailing by a neck. Urquia is responsible for a 2-year-old Dialed In colt, a yearling Cross Traffic filly, and she returned to Dialed In for the 2023 season. Sales History: \$30,000 Ylg '21 FTKOCT. KEEP ON COMING (g, 2, Khozan--Look At Me Go, by Parading) was sent off the 1-2 favorite and kept on going after the jump to score impressively by 5 1/2 lengths as 5-2 second choice Prevent (Neolithic) could only shadow him to the wire in this short field of four. A half-sibling to MSP Blazing Brooke (Winslow Homer), Keep On Coming has a winning 3-year-old full-sister The Mrs as well as a 2023 full-sister on the ground. DEL MAR JERRY (c, 3, Mastery--Xtra Spice, by Quality Road) came into this contest riding a consistent April string of works and they served him well as the firster jumped from the gates and immediately locked horns with more experienced Mystification (Good Magic). Battling through the bend and into the stretch, he dug in gamely under urging from both sides and inched clear of his shadow to win by 1 1/4 lengths. Del Mar Jerry has a pair of half-brothers--a 2-year-old by Accelerate and a yearling by Game Winner. Xtra Spice is due to Hard Spun for 2023. LOW MILEAGE (f, 2, Mineshaft--Chabeso, by Distorted Humor) started her career as the 7-2 choice in this spot from the rail and despite a slow beginning that put her at the rear of the field, began to rally around the far turn. At the top of the lane, the bay filly took aim at the leader, favorite Buckin' Great (Great Notion), and flashing some late speed, passed her rival to graduate by 1 1/4 lengths. The winner is out of a female family that includes Derby and Preakness S. runner-up Bodemeister (Empire Maker). Low Mileage has a yearling half-brother by Street Boss. U.S.-BRED/SIRED RUNNERS IN JAPAN

In this continuing series, Alan Carasso takes a look ahead at US-bred and/or conceived runners entered for the upcoming weekend at the tracks on the Japan Racing Association circuit, with a focus on pedigree and/or performance in the sales ring. Here are the horses of interest for this weekend running at Kyoto Racecourse:

6th-KYO, ¥14,880,000 (\$110k), Allowance, 3yo, 1400m
ANGE FIELD (JPN) (f, 3, Justify--Not Now Carolyn, by Tapit), purchased for ¥80 million (\$745,639) as a foal at the 2020 JHRA Select Sale, got her career off on a positive note for trainer Yoshito Yahagi when taking out a 1200-meter maiden at Hanshin Mar. 12 (video, SC 1). The chestnut's dam was a three time winner at the races of just shy of \$100,000 and was hammered down to Shimokobe Farm for \$140,000 at the 2018 Keeneland November Sale before being bred to this Triple Crown winner and exported in utero. Not Now Carolyn is a daughter of Grade I winner Maryfield (Elusive Quality), winner of the inaugural Breeders' Cup Filly & Mare Sprint in 2007.

MAS DE BADET

617 +/- Acres Estate, Camargue Region in the South of France

13460 - Les-Saintes-Maries-De-La-Mer, France

Extremely rare historic and private mid to late 18th century estate, MAS DE BADET is a +/- 617 acres farm and ranch in the south of France. With its own unique direct access to the sea via Le Petit Rhone river, this agricultural and horse property in the protected Camargue region is less than five miles from famed 9th century coastal town of Saintes-Maries-de-la-Mer on the Mediterranean sea. Some of the structures of Mas de Badet date back to Circa 1750, nestled in magnificent 300 year old umbrella pine trees. The vast main house is over 5,000 square feet on two levels which include 8 bedrooms, 4 baths and 3 dressing rooms. The land and farm improvements include fully irrigated +/- 490 acres of cropland for rice, organic rice and melon, together with 2 pump houses and levee. The remainder of the farm has pastures for livestock and extensive horse improvements with 51 stalls, multiple paddocks, horse walkers, round pens and a ¾ mile training track for both standardbreds and thoroughbreds. Camargue, the wild west of France, is a unique and protected French regional park in the River Rhone delta with alluvials, marshland, lagoons, and an impressive wildlife. This coastal region of France is known for its beach, pink flamingos, native white breed of wild horses, bullfighting, and of course the town of Sainte-Maries-de-la-Mer where artists like Van Gogh, Picasso and Ernest Hemingway have painted or written. This exceptional property is a working farm with revenue but could potentially be developed for tourism. Options are multiple and the opportunity is unique to have your very own ranch French-style in the south of France !
