BEHOLD! CHAMP'S 'RISING STAR' DAUGHTER TAMARA ROLLS IN DMR DEBUTANTE

Tamara | Benoit photo

by Alan Carasso

Some eleven years after her multiple champion dam Beholder (Henny Hughes) was just nosed out of a victory, 'TDN Rising Star' Tamara (Bolt d'Oro) did her momma proud with a thoroughly dominating performance in the GI FanDuel Racing Del Mar Debutante on closing weekend at the seaside oval.

It was an effort that even exceeded the already lofty expectations of her Hall of Fame connections.

"She's been doing things in her training that 2-year-olds aren't supposed to do," said her jockey Mile Smith. "She's really special. She's like her mother. You don't see that usually. Those great mares they normally don't have great foals. But this one might be. I just held on today. I didn't want to fall off. She was doing it all herself. What can I say. She's very special."

Added trainer Richard Mandella: "I expected her to run good but that was a little beyond. Watching it, he [Smith] had so much horse he didn't want to restrict her. He just had her do what she wanted to do. She's very quick, so I thought he would put her right there [lay second and up close] and we both agreed to that, just see what everybody else does."

IN START NUMBER TWO, QUALITY ROAD'S INTEGRATION UPSETS VIRGINIA DERBY

by Alan Carasso

The least experienced of the nine 3-year-olds signed on for Saturday's GIII New Kent County Virginia Derby, with only a maiden victory--albeit a smashing one--to his success, West Point Thoroughbreds and Woodford Racing's **Integration** (c, 3, **Quality Road**--Harmonize, by Scat Daddy) grabbed heavily favored **Program Trading (GB)** (Lope de Vega {Ire}) with less than a furlong to go and came away to an impressive victory in new course-record time.

Well-backed at 67-10 despite his overall lack of seasoning, the \$700,000 Fasig-Tipton Saratoga purchase took up a position in the latter third of the field behind a decent early pace and was quietly ridden through the middle stages of the nine-furlong affair by Kendrick Carmouche. **Cont. p6**

Named in honor of the late B. Wayne Hughes's daughter, Tamara was the 31-10 second choice when debuting against the once-raced and well-regarded **Hope Road** (**Quality Road--Marley's Freedom**) Aug. 19, but overcame a stumbling start to graduate by a professional 2 1/4 lengths. The Debutante was the next logical spot, but only three weeks away, meaning there could be no hiccups if she was going to make the race. Tamara was back on the worktab Aug. 30, going three-eighths of a mile in a smart :36 2/5 (2/6) and she blew out three furlongs in :34 4/5 (1/18) Sept. 4, four ticks faster than stablemate and fellow '**Rising Star**' Boltage (Bolt d'Oro), who goes in Sunday's GIII Del Mar Juvenile Turf.

The 13-10 favorite was bumped soundly to her outside by 143-1 **Motet** (**Mo Town**), but immediately recovered from that to sit just off the early pace set by Cal-bred **Pushiness** (**Kantharos**). Knowing precisely what he had underneath him, Smith allowed Tamara to stride into the lead fully three furlongs from home, and the race was over from there for all intents and purposes. Well clear entering the stretch, Tamara lengthened her stride beautifully while scarcely asked for an effort and glided under the wire a comprehensive winner. **Laurent** (**Practical Joke**) stayed on into second ahead of **Gate to Paradise** (Arrogate) in third, neither in the same league as Tamara.

Pedigree Notes:

Benoit

Tamara is the fourth foal out of Beholder and she is the year-younger half-sister to Teena Ella (**War Front**), who won the GIII Senorita S. in May. Beholder's yearling colt by **Curlin** topped last month's Fasig-Tipton Saratoga sale when selling for \$4 million to Amr Zedan.

Tamara's deeper female family needs little introduction.

Beholder, a \$180,000 purchase by Spendthrift at Keeneland September in 2011, was bred by Clarkland Farm, who purchased dam Leslie's Lady for \$100,000 in foal to Orientate at the 2006 Keeneland November Sale. Just over a year later, Into Mischief made that decision look good when taking out the GI CashCall Futurity for Hughes and Richard Mandella. Into Mischief has since gone on to become one of the most successful sires in the world, with 134 black-type winners to date.

By the time Leslie's Lady's Scat Daddy colt sold to Coolmore for a sales-topping price of \$3 million at Keeneland September in 2016, Beholder had won 10 Grade Is and three Eclipse Awards before adding to both totals when going out a winner in a memorable renewal of the GI Breeders' Cup Distaff.

Mendelssohn became a Breeders' Cup champion in his own right in the 2018 GI Juvenile Turf--at Del Mar--and is also off to a promising start at stud. Leslie's Lady is also the dam of Clarkland's '**TDN Rising Star**' Marr Time (**Not This Time**).

Barren to **Gun Runner** for 2023, Beholder was bred back to Spendthrift's Jackie's Warrior this year.

Asked to improve leaving the three-eighths pole, he snuck his way into contention, following the move of the last-out GI Saratoga Derby hero into the stretch. Pulled to the outside off the home corner, Integration managed to find extra entering the final furlong, drew alongside the chalk with about 100 yards to race and edged clear.

The word was out on Integration for his debut, which came two years and two days after West Point and Woodford Racing teamed to purchase the colt at Saratoga. Sent off at even money on Arlington Million day Aug. 12, the March foal raced reasonably handy to the pace, and when Tyler Gaffalione asked him to win his race, he did so with gusto, marching through the final furlong to graduate by 6 1/2 lengths. As patient a trainer as there is, Shug McGaughey was comfortable enough to give Integration a big-money shot Saturday and the colt proved more than equal to the task.

Integration | Coady

“Shug felt his debut here would be the best spot for his first race,” said Dawn Lenert, the Chief Marketing Officer and Director of Partner Relations for West Point Thoroughbreds. “Although it was unconventional, Shug felt a graded stake would be the right spot for his second race, and when a Hall of Fame trainer tells you you’re going to come back in a graded stake, you do it. After the race Kendrick (jockey Carmouche) said to me Integration’s potential is limitless.”

Pedigree Notes:

With the victory, Integration becomes the 75th worldwide stakes winner and 36th worldwide graded/group winner for his successful Lane’s End-based sire.

The bay colt is the second produce for his dam, an \$80,000 Keeneland September yearling purchase by Larkin Armstrong who campaigned her to five victories, including the 2016 GI Del Mar Oaks. The Seitz family’s Brookdale Sales agency consigned Integration to the Saratoga sale on behalf of their long-time client Armstrong.

CELEBRATING 10 YEARS IN U.S., DON ALBERTO SENDS STAR-STUDED LINEUP TO KEENELAND *by Katie Petrunyak*

[Click here for our visit with Unique Bella's Into Mischief colt and the rest of Don Alberto's Book 1 lineup](#) | Sara Gordon

It's a summer of firsts for Don Alberto.

In June, the international operation owned by Liliana Solari and her son Carlos Heller celebrated the first Grade I winner in the United States bred by their American base when Arcangelo (Arrogate) scored in a historic edition of the GI Belmont S. Now, they are preparing to send 50 homebreds to the Keeneland September Sale. The contingent is led by an Into Mischief colt out of champion racemare Unique Bella (**Tapit**) who will be the first of their prized mare's progeny to sell at auction.

Ten years ago, Don Alberto expanded from its successful breeding and racing base in Chile when they purchased the former Vinery Farm in Kentucky and then went on a shopping spree at the fall breeding stock sales, grossing \$10.64 million in purchases at the Keeneland November Sale alone. Since then, the operation has emerged in the headlines from a different perspective as a commercial breeder. Recent highlights include their sale of the highest-priced yearling sold in North America in 2021—a \$2.6 million Into Mischief colt out of GI Test S. winner Paola Queen (Flatter).

Next week at Keeneland, the farm will offer nine yearlings in Book 1. With six fillies and three colts in the lineup, each member of the assembly hails from a dam that claimed blacktype on the racetrack and four are out of Grade I winners.

“I would say this is as strong as we've ever been coming into Keeneland Book 1,” said Reed Ringler, the COO of Don Alberto's U.S. operation. “Just an incredible depth, great sire power and out of fantastic mares that we've been procuring for the last ten years here in Kentucky.”

Selling with Taylor Made Sales, Unique Bella's colt may share the same flashy coloring as his dam, but the eye-catching gray seems to have inherited the physical of his sire.

“I think this horse is more like Into Mischief,” Ringler explained. “He's got some stretch to him and he is medium-sized, a very well-balanced colt. He has a big walk on him. He's a May foal, so there is a lot of room for growth. We're very excited about him and we have high hopes for this horse on the big night.”

Unique Bella was the first horse to claim a Grade I on American soil for Don Alberto's racing stable back in 2017. She would go on to earn Eclipse honors for top female sprinter that year and was then named champion older dirt female the following season.

The mare's first two foals were retained by the farm. Her 3-year-old unraced daughter Una Bella d'Oro (**Medaglia d'Oro**) is now carrying her first foal by **Mandaloun** and her 2-year-old colt Ultra Power (**Curlin**) is in training with Bob Baffert. The juvenile ran sixth at Del Mar on debut on Aug. 25, but Ringler said the colt is expected to thrive later this season going two turns.

Ringler also noted that their team believes they have found the right match for Unique Bella in Into Mischief, explaining that the mare's foal of this year by the Spendthrift supersire is just as impressive as her older brother. **Cont. p9**

“Unique Bella is a big, strong mare and I think what we found with Into Mischief is that we really hit the bull's-eye as we were looking for that racey athlete,” he said.

Ringler added that because the operation now has a colt and a filly from their star mare, they believed this was the right time to offer one of her progeny to the market. Selling as Hip 382, the yearling will be one of the final hips to go through the ring during the second session of Book 1.

Earlier in the second day of the sale, another high-profile Don Alberto mare will be represented by her first foal to go to auction. Salty (**Quality Road**), who claimed the GI La Troienne S. in 2018, was purchased by Don Alberto later that year for \$3 million. Her first foal Safiri, an unraced filly by **Tapit**, was retained by Don Alberto and bred to **Mandaloun** this year. “She looks a lot like her daddy,” Ringler noted. “She’s going to turn a lot of heads when she walks out. She’s a beautiful, early type and out of a Grade I-winning mare, so we’re very hopeful and very blessed.”

Don Alberto’s legion of Book 1-bound fillies also includes Hip 19—an Into Mischief half-sister to MGISW American Gal (Concord Point), Hip 20—a daughter of **Uncle Mo** out of GI Chandelier S. winner Angela Renee (Bernardini), Hip 69—a **Quality Road** filly out of GI La Brea S. victress Constellation (Bellamy Road), Hip 217—another **Tapit** whose dam Luminance (Tale of the Cat) was second in the GI Santa Anita Oaks, and finally Hip 297—an **American Pharoah** half-sister to stakes winner Rubilinda (**Frankel**).

Hip 19, a half-sister to GISW American Gal, by Into Mischief
Sara Gordon

With a majority of fillies coming out of this year’s crop of yearlings, Ringler said the decision regarding which youngsters would go to auction was not an easy one.

“This year is exceptionally hard with the fillies coming out of these pedigrees,” he admitted. “Carlos [Heller Solari] and I just had a meeting about how hard this game is and it gets harder the bigger the decisions get. We are commercial and we do bring most of our horses to market, but when we identify horses that are maybe undervalued, we’re going to keep them and race them. We’re strong judges, but Carlos knows it’s a business. We were filly heavy this crop and we thought it was the right thing to bring them to market to let other people see what we’re building at Don Alberto.”

Don Alberto’s Book 1 group is rounded out by two additional colts. Hip 220, a **Candy Ride (Arg)** colt consigned with Denali Stud, is the first foal out of Grade III victress Magic Star (Scat Daddy). Hip 377 by **Curlin** is a son of Grade III winner Touching Beauty (**Tapit**) and will sell with Hill 'n' Dale at Xalapa. **Cont. p11**

Don Alberto cont.

Don Alberto will be represented well on past Book 1, but the breeding operation has proven that they can produce a top-level horse in the later books.

Dual Grade I winner Arcangelo (Arrogate) slipped through the September Sale in 2021 when he sold for just \$35,000 to Jon Ebbert in Book 3. His dam Modeling (Tapit), who hails from influential Broodmare of the Year Better Than Honour, was a \$2.85 million purchase for Don Alberto in 2014, but Arcangelo's immaturity and smaller stature as a May foal kept him off most lists.

"The great thing about Keeneland is that there is value everywhere," Ringler explained. "You never know where you're going to find an Arcangelo and that's why you come here to shop. The dam of Arcangelo was one of our foundation mares so to get our first Classic winner with a horse that is this special for his connections, it's just been a wonderful year."

While health issues have prevented Modeling from producing another foal since Arcangelo, Don Alberto does have his half-sister Madison Square (Medaglia d'Oro) in their broodmare band.

With just over 100 mares on their farm in Lexington, the Don Alberto product may continue to evolve, but their philosophy stays the same.

"When Ms. Liliana and Carlos came here, their passion for racing and pedigrees was already globally known," said Ringler. "They came here with a plan. We've adapted a bit to American commercial appeal and I think we're seeing that on the racetrack now. Carlos has big goals. He wants to win the Kentucky Derby. He wants to compete in all the big Classics. But I think more importantly, we want to further the breed, be a good steward of the industry and continue to develop relationships."

"Ms. Liliana lights up around all of her horses," he continued. "You can see her love and passion for all of her horses and it really flows through to our entire staff. You can see the love they give to every horse and I hope that when the world sees our horses at Keeneland, they see that love and that care coming through with all of our yearlings."

PROPOSED LEGISLATION SUGGESTS EXTRA SIX MONTHS OF RACING AT GOLDEN GATE

By Dan Ross

If Golden Gate Fields is not licensed to operate beyond July 1 next year, proceeds from simulcast wagering in the north are funneled south when there is no racing in the northern half of the state, according to proposed legislation introduced in Sacramento.

The rule of thumb is that proceeds from wagers made in the "northern zone" stay in Northern California to pay for purses and operational expenses, while the proceeds from wagers made in the "southern zone" stay in Southern California for the same purposes.

According to California Authority of Racing Fairs (CARF) executive director, Larry Swartzlander, the legislative amendment was drafted by CARF in agreement with The

Golden Gate Fields | Vassar photography

Stronach Group (TSG), on the proviso that Golden Gate Fields remains open for racing an extra six months.

TSG announced in July that it was closing the Bay Area facility at the end of December with the goal of increasing field size and adding another day of racing a week at Santa Anita.

"Our one concern from stakeholders was: Does The Stronach Group renege on us here, and doesn't extend [racing at Golden Gate Fields]," said Swartzlander, who said that CARF had tried to stipulate in the bill that Golden Gate fields remains open through June 2024.

"We wanted to put that in legislation--we wanted to--but we simply couldn't do it," said Swartzlander, before adding that "everyone's pretty adamant that they will extend racing through June."

TDN reached out to TSG Saturday morning with various questions,

including whether the company indeed intended to extend racing an extra six months at Golden Gate Fields if the legislation is passed. TSG has not yet responded. The story will be updated accordingly. **Cont. p13**

"Consensus approval within the California racing industry to introduce this legislative amendment is a major step forward. It provides the flexibility to create a path for a new racing and business model leading into 2025 that is fair and balanced for all California owners," wrote Thoroughbred Owners of California (TOC) president and CEO, Bill Nader, in a statement.

The proposed amendment states that, "notwithstanding any other law, if the board does not license a thoroughbred race meet to be conducted by a racing association at a racetrack located in the cities of Berkeley and Albany after July 1, 2024, a thoroughbred racing association, or racing fair, in the southern or central zone licensed by the board to conduct a thoroughbred race meet or fair meet shall, during racing weeks not allocated by the board for a race meet in the northern zone, be deemed to be operating in the northern zone for the purpose of conducting all permissible forms of wagering in the northern zone pursuant to this chapter and making and receiving required distributions from those wagers in accordance with this chapter."

The language is a proposed amendment to AB 1074, co-authored by Assemblymember Miguel Santiago (D-Los Angeles) and state Senator Bill Dodd, (D-Napa).

At last month's CHRБ meeting, TSG representatives had floated the idea of keeping the facility open until mid-2024 on condition that the current system of divvying up the simulcasting proceeds is revised to benefit the tracks in Southern California, where TSG is consolidating its operations.

Until now, various stakeholders in Northern California--including representatives of CARF--had voiced reservations about altering the system by which simulcast wagering proceeds are allocated.

For the purposes of simulcasting proceeds, the state is broken into three main geographical zones--the "Southern," "Central" and "Northern" zones.

Largely speaking, the south and central zones are rolled into one big "southern zone," roughly spanning the northern tip of San Luis Obispo County down to the Mexico border. The "northern zone" consists of the remaining counties in the state.

The monies generated from simulcasting wagering are used for a variety of operational expenses besides purses, including payments to the California Horse Racing Board (CHRБ) and the Horseracing Integrity and Safety Authority (HISA), the backstretch retirement fund and workers' compensation.

Next year's racing calendar in Northern California is, of course, still to be decided. Swartzlander floated a plan that if Golden Gate Fields remains open until mid-2024, Santa Rosa would stage a Thoroughbred meet from mid-October--when the Fresno fair meet ends--until the end of the year.

The 2025 Northern California Thoroughbred racing calendar, Swartzlander added, **could still hinge** around a permanent base at Cal Expo. Such a plan would apparently require reaching an agreement with California's harness racing industry, which only last year extended its lease of operations of the Cal Expo Harness racetrack until May 2030.

Swartzlander also suggested the permanent bases of any extended 2025 Thoroughbred racing calendar in the north could be split between Cal Expo and Santa Rosa.

"Negotiations are continuing," said Swartzlander. "We'll work with them [WatchandWager Cal Expo] to come up with a solution. Whether we end up with a 50-50 split between Cal Expo and Santa Rosa, or whether we end up relocating Harness to another track, there's several options."

The **California legislature** goes into recess on Sept. 14. October 14 is the last day for California Governor Gavin Newsom to sign or veto bills passed by the legislature on or before Sept. 14.

Kentucky Turf Cup cont.

As the saying goes, 'you miss 100% of the shots you don't take,' and it was with that mindset that **Get Smokin** (Get Stormy)--a Grade II and Grade III winner, but unproven over the 12-furlong trip of the GII FanDuel Kentucky Cup Turf--was even entered in the first place. But given a perfect ride from the front by Fernando de la Cruz on a day the rail was where you wanted to be at Kentucky Downs, the chestnut, off at 19-1, forgot to stop and proved 1 3/4 lengths superior over **Spooky Channel** (English Channel) when all was said and done. **Santin** (Medaglia d'Oro) raced prominently throughout and settled for third.

"I have often told [Ironhorse Racing Managing Partner] Harlan [Malter] that he is the craziest owner I train for. But this was not a crazy idea," winning trainer Mark Casse said in the immediate aftermath of the upset.

The hard-fought winner of a Gulfstream allowance first off a September layoff back in April, Get Smokin was sixth in a graded-stakes quality renewal of the Opening Verse S. at Churchill May 4, then was run down late and finished runner-up in the GIII Arlington S. June 3 and in the July 1 Wise Dan S. at Ellis. Tried over 10 furlongs for the first time in the Kentucky Downs Preview Turf Cup Aug. 6, Get Smokin made the running, but was reeled in late and settled for fourth.

Coady

Though he had a bit of early company in the form of Santin in the final event of Saturday's stakes-laden program, Get Smokin took the field into the first turn and opened up four or five lengths on his rivals as they hit the backstretch. Despite the loose lead, Get Smokin switched off beautifully on the engine, getting the half in :49.61 and the opening six panels in a comfortable 1:14.18. **Cont. p16**

Since opening its doors in 2015, Bonne Chance-breds have won races in seven different countries.

Even though the next couple of furlongs were covered in a testing :23.81, Get Smokin was still full of run down the side of the track, daring some proven stayers to come and get him. But catch him they could not, as he switched his leads at the quarter pole, flopped back and forth in the final furlong, but remained clear to the wire.

Malter was full of praise for de la Cruz, who won back-to-back runnings of the GII Woodford S. aboard Ironhorse's **Bucchero** (**Kantharos**) before also partnering with the horse in consecutive renewals of the GI Breeders' Cup Turf Sprint.

"We looked at this race," Malter said. "We wanted to test out at Ellis [in the 1 1/4-mile prep]. Even though we ran fourth, we were happy. He ran a similar figure to what he was running at a mile and a sixteenth. We were all systems go. We kind of came up with the idea to have Fernando. We made a very specific plan, and it's amazing how well Fernando executed it."

WINNING IS JUST THE BEGINNING

Pedigree Notes:

By Get Stormy, winner of the GI Woodford Reserve Turf Classic at nine furlongs on the turf, Get Smokin is out of a mare by noted sprint sire Smoke Glacken. There is a bit of stamina as you go down the page, as second dam Doc's Leading Lady--the dam of MSW Spanish Pipedream (Scat Daddy)--was a full-sister to Phi Beta Doc, who set a Saratoga course record when winning the 1999 GIII Saranac S. over a mile and three-sixteenths before annexing that year's 10-furlong Virginia Derby, also in course-record time. Third dam Smart Queen was a half-sister to 1977 GII Arkansas Derby hero Clev Er Tell (Tell).

Hookah Lady is the dam of a 2-year-old colt by Vino Rosso who was a \$32,000 RNA as a KEENOV weanling, then sold for \$35,000 at KEESEP last fall before blossoming into a \$550,000 OBS March breezer. Smoldering Ash, a yearling full-sister to Get Smokin, went for \$102,000 at this year's Fasig-Tipton Kentucky July Sale to NBS Stable's John Ballantyne, coincidentally the owner of Turf Cup runner-up Spooky Channel. The mare produced a **Classic Empire** colt this year and was bred back to **Practical Joke**. **Cont. p17**

TWIRLING CANDY'S GEAR JOCKEY DOUBLES UP IN AINSWORTH TURF SPRINT

In a mad scramble for the wire in Saturday's \$1-million GII Ainsworth Turf Sprint S. at Kentucky Downs, 23-1 Calumet homebred **Gear Jockey** (**Twirling Candy**) got a desperate head down in front of 3-2 choice **One Timer** (Trappe Shot) and 11-1 **Bad Beat Brian** (Jack Milton). It was a repeat of his success in this same race two years ago when it was a Grade III, albeit by a far slimmer margin.

Final time for the six furlongs was 1:10.59. The Turf Sprint is a Breeders' Cup "Win and You're In" race, giving Gear Jockey an automatic berth into the Nov. 4 Breeders' Cup Turf Sprint at Santa Anita.

Ainsworth Turf Sprint cont.

The winner was prominent throughout, stalking the :21.77 and :45.08 early fractions set by Bad Beat Brian. Gear Jockey didn't give the leader a comfortable time of it while pressuring from the outside. The duo remained one-two until late stretch with Bad Beat Brian digging in gamely, but Gear Jockey determinedly stuck his head in front as One Timer—who won the GII Franklin-Simpson S. over this course last year—closed down the middle and entered the scene from the outside. The largest margin between the first seven horses across the wire was a neck.

“He broke very sharp. He gave me the same race he gave me two years ago when he won here,” said winning rider Jose Lezcano. “To be honest with you, I knew it was going to be very close... I was very happy for the horse. He is a tough horse and he tries all the time. I am very happy for [trainer] Rusty [Arnold] and his whole team. They work very hard.”

Gear Jockey (white shadow roll) holds off the competition | Coady

Gear Jockey brings his best to Kentucky Downs, as he won this race in 2021 with a 105 Beyer Speed Figure, his top to date, but had neglected to find the winner's circle since until Saturday and makes it two-for-two over the Kentucky Downs lawn. He was coming off a sixth-place finish in the July 22 Van Clief S. at Colonial Downs—his first start since last November—behind Front Run the Fed (Fed Biz), who finished sixth in Saturday's Turf

Sprint. While he hasn't shied away from top competition and has just the two Kentucky Downs graded stakes on his CV, Gear Jockey has faced and finished just behind some of the best grass sprinters of the last few years. His five graded placings include the 2019 GI Breeders' Cup Juvenile Turf and the 2022 GII Shakertown S.

“We're pretty happy,” said trainer Rusty Arnold. “He's a favorite. I thought he had lost his edge. He's had his issues and we thought we had him in pretty good shape. He loves this course. Two times he's won on it, so obviously he does. Great ride. Very happy.”

Pedigree Notes:

Thanks to the healthy purses at Kentucky Downs, Gear Jockey is the richest of Twirling Candy's 43 black-type winners, although the stallion's 18 graded winners also include GISWs Concrete Rose, Pinehurst, Gift Box, and Rombauer, as well as four additional Grade I winners. The son of Candy Ride (Arg) stands alongside his sire at Lane's End. Gear Jockey is also one of 90 stakes winners out of daughters of Tapit, whose 2023 successes as a broodmare sire have catapulted him into the leading damsire of the year. Gear Jockey joins luminaries such as Cody's Wish, Pretty Mischievous, and Arcangelo on the Gainesway sire's 'best-of' list as broodmare sire for 2023.

Calumet bought Switching Gears for \$20,000 at the 2017 Keeneland January sale with Gear Jockey in utero. The mare is out of a half-sister to GISW and sire Stroll (Pulpit). Her most recent foal is a yearling colt by Bravazo. She was bred to Mandaloun for next term.

“It looked like I was in a good spot right in the beginning of the race,” Rosario said. “He was responding really well for me and getting over the track really well. We had to work things out turning for home. The horse that was in front of me kind of moved off the rail a little bit and then he came back in. I had horse and was just trying to keep riding him and hopefully if I can maybe go inside at some point and then come out. He came off the rail and I just took it.”

Winning trainer Steve Asmussen added, “It is great to have a horse that has an affinity for this course because of how rich the purses are.”

Private Creed will be aimed at the GI Breeders' Cup Turf Sprint at Santa Anita, per Asmussen.

“Whether we run him back between now and then I’m not sure,” Asmussen said. “We’ll have to see how much this took out of him.”

Private Creed | Coady

Pedigree Notes:

Private Creed, a \$45,000 KEESEP yearling turned \$155,000 EASMAY breeder, becomes the sixth graded winner for Jimmy Creed and the 12th graded winner for broodmare sire **Sky Mesa**. Jimmy Creed was also represented by the smart second-time out 2-year-old maiden winner Slider at Del Mar Saturday afternoon. The stakes-winning South Andros, an \$85,000 purchase by breeder Sierra Farm at the 2015 KEENOV sale, is also responsible for a 2-year-old colt by Vino Rosso (\$200,000 FTKJUL yearling purchase by Spendthrift Farm), a yearling colt by **Complexity** and a Jimmy Creed colt of this year. She was bred back to Jackie's Warrior.

BAY STORM HOLDS OFF WAKANAKA IN LADIES TURF SPRINT *by Stefanie Grimm*

This year, she was on the winning side of the photo. After coming up just a nose short to MG1SW Campanelle (Ire) (Kodiac {GB}) in this race just last year, **Bay Storm** (Kantharos) parlayed a victory in Ellis Park’s KY Downs Preview Mint Ladies Turf Sprint S. into a win in the real thing as she held off a closing **Wakanaka** (Ire) (Power {GB}) right on the wire.

FIND US ON FACEBOOK
www.facebook.com/thoroughbreddailynews

After making her first two starts of 2023 at Santa Anita, the 5-year-old came east and checked in a valiant second to GI Breeders' Cup Turf Sprint winner Caravel (Mizzen Mast) in the Unbridled Sidney S. at Churchill May 5. Fourth beaten just a length in Belmont's Intercontinental S. June 9, Bay Storm prepped for this spot with her aforementioned win as the favorite as Ellis Park Aug. 5.

Away in the front pack Saturday in a race impacted by the post-time scratch of **Gal in a Rush** (**Ghostzapper**), the 5-2 second choice broke clear of the field in the opening furlong but was quickly joined into the turn by **Tony Ann** (**Cairo Prince**). Hugging the rail around the sweeping bend through a half in :45.80, Bay Storm exchanged minor contact with Tony Ann and held off a host of challengers to her outside including the race favorite in Wakanaka who came flying from last but just missed as the three horses hit the line together.

When asked if this win took the sting out of last year's defeat, winning trainer Jonathan Thomas answered: "Without a doubt. She really deserves this. She's got a crazy good resume. I think that's her (17th) lifetime start and she's only been off the board twice. It's a real credit to her, a graded-stakes winner. George Isaacs and the Bridlewood team have been really patient with her. It's kind of like a bow on a present. It feels good to have gotten her that win."

"She broke in the air," added jockey Florent Geroux. "She recovered and came back on the inside of Tyler [Gaffalione aboard Tony Ann] and made the lead. She ran great here last year on this track [losing the Ladies Sprint by a nose to Campanelle]. It was a big advantage. She is a fighter. It's very simple here, they either like it or they don't. She fought today."

Pedigree Note:

Out of a stakes winning and graded-stakes placed dam, Bay Storm brought \$400,000 as a 2-year-old at the OBS Spring 2-Year-Olds in Training Sale. Her winning 3-year-old half-brother, Pensacola (Into Mischief), was himself a \$600,000 2-year-old out of last year's Fasig-Tipton Midlantic Sale. With the win, Bay Storm becomes the 39th graded-stakes winner for sire **Kantharos**. Stormy Regatta has a yearling **American Pharoah** filly, reported a colt by **Essential Quality** this spring and was bred back to **Justify**.

Closing Remarks | Benoit

Harris Farms homebred Closing Remarks made it two graded stakes in a row and three on the year with victory in Saturday's GII John C. Mabee S. at Del Mar Saturday. The Mabee was the second graded event of the Del Mar meet for turf fillies and mares following the Aug. 12 GII Yellow Ribbon H., and Closing Remarks nabbed both.

July 23 Del Mar optional allowance winner Oakhurst (Mr Speaker)--from whom jockey Umberto Rispoli defected to ride 7-5 Closing Remarks here--appeared to brush the winner out of the gate, but Closing Remarks took it in stride and was unbothered. Free and Humble (Free Drop Billy) quickly hit the front, while Closing Remarks lagged at the back of the pack through the :24.12 first quarter. Turnerloose took control before the :48.22 half with the eventual winner still at the rear as Rispoli remained high in the saddle and in no hurry. The pair got busy on the turn as Closing Remarks split horses, weaved in and out, and struck the front full of run with Rispoli simply waving the stick at her. She finished a much-the-best 1 3/4-length victress as GSW Turnerloose was reluctant to relinquish the lead but proved no match for the winner.

"I was a bit nervous to be honest because it was such a slow pace and she was a bit farther back than I expected her to be," said winning trainer Carla Gaines. "But Umberto [Rispoli] said 'Don't worry about it, just give me the key,' so that's what I did."

Winner of Santa Anita's GII Royal Heroine S. Apr. 1 in addition to the aforementioned Yellow Ribbon, Closing Remarks makes frequent appearances in stakes trifectas in her division. She's got a baker's dozen of wins or places in black-type events with her seven graded placings--outside of her graded wins--including the 2021 GI Del Mar Oaks.

Pedigree Notes:

Closing Remarks isn't the only Del Mar success for Vronsky this summer, as The Chosen Vron continued his unbeaten 2023 campaign with a win in the July 29 GI Bing Crosby S. The two are among 13 black-type winners for the late Vronsky, who also has five graded winners. The Danzig sire stood at Harris Farms and has regularly been one of California's leading sires. He passed away in 2021 of an apparent heart attack after covering a mare, with 15 2-year-olds and 26 yearlings awaiting their turn to add to his legacy. Closing Remarks is also one of 27 stakes winners out of daughters of the late Unusual Heat, who also stood at Harris Farms.

A \$5,000 purchase by Lawrence Lewis at the CTBA January Mixed Sale in 2020 before Closing Remarks had started, the unraced Orange Cove lost her 2020 and 2021 foals, but produced fillies by Clubhouse Ride last year and Apr. 19. She was bred back to that Legacy Ranch sire for 2024.

Canada's reigning Horse of the Year Moira, winless in five attempts since her dominating win over the boys in last summer's Queen's Plate S., got back on track in a big way here.

The bay traveled nicely one from the back and moved into fourth on the far turn. She revved up four deep at the top of the stretch and came rolling down the center to win for fun.

Disqualified from second and placed eighth as the favorite in a roughly run renewal of the GI E. P. Taylor S. at Woodbine Oct. 8, Moira concluded her 3-year-old season with a fifth-place finish in the GI Breeders' Cup Filly & Mare Turf at Keeneland Nov. 5. She finished second in all three of her prior attempts this term, including a good effort in the local GII Dance Smartly S. Aug. 20.

"She is a very special horse," winning trainer Kevin Attard said. "It was a little disappointing at the start (of the year), she just had some hard racing luck. Last time, she put it together and had a good trip, just kind of ran out of ground.

She looks probably the best she's ever looked. She's trained well and it's just so satisfying to see her put it all together. Now, we're stretching out to distances where she is going to excel and show her true class."

Pedigree Notes:

Moira, a \$150,000 KEESEP yearling, becomes the 52nd graded winner for **Ghostzapper** and 116th graded winner for broodmare sire Unbridled's Song. The latter is also the broodmare sire of Flattery (Flatter), who made it two-for-two in Saturday's Del Mar Juvenile Fillies Turf S. MSW & GSP Devine Aida, a \$400,000 purchase by Farview at the 2020 KEENOV sale, has also produced a Sir Prancealot (Ire) colt of 2022 and a **Constitution** filly of 2023. She was bred back to **Uncle Mo**.

Having displayed an affinity for these environs when taking out last year's Dueling Grounds Oaks over the course and distance, Gary Broad's Vergara employed similar stalk-and-pounce tactics to score at the graded level for the first time in Saturday's Ladies' Marathon at Kentucky Downs.

The sextet was away as one, and when they sorted themselves out heading towards the first bend, it was longshot Glenall (Ire) (Coulsty {Ire}) who showed them along in advance of Vergara as the pace was average at best. Joel Rosario kept his mount--favored by \$1,299 over Personal Best (**Tapit**)--right on the leaders tail up and down the rise and remained the front-runner's bay shadow down the side and into the final half-mile. Held together on the sweep into the false straight, Vergara struck to the lead once given her head 2 1/2 furlongs out and stayed on determinedly for the victory. Lady Rockstar was pinched back between horses at the start and found herself farther back than connections may have liked. She was gaining late, but the wire arrived too soon.

Vergara | Coady

"Graham told me just to be comfortable with her," said Rosario. "Every time a horse came to her, she was wanting to do it. She always tries really hard, this filly. Like I say, she likes it here."

After just getting the better of Skims (GB) (**Frankel {GB}**) in the local Oaks, Vergara was on the losing end of the rematch in the GIII Sands Point S. in October before calling it a season. She was likely in need of the run when fifth to future GI Diana S. heroine Whitebeam (GB) (Caravaggio) in the May 20 GIII Gallorette S. at Pimlico, just failed to last when beaten a length into third in the GIII Eatontown S. June 17 and was exiting a fifth in the 12-furlong GII Glens Falls S. at Saratoga Aug. 3.

Pedigree Notes:

The eighth graded winner for her expatriated stallion, Vergara is a half-sister to Bullseye Beauty, who was purchased by Sheamus Mills Bloodstock for \$180,000 at last year's Keeneland November Sale. The dual synthetic stakes winner made one start for trainer Joseph Price this past June at Randwick and has since been retired to stud. Out of a half-sister to 2000 G1 St Leger hero Millenary (GB) (Rainbow Quest), Vergara has a 2-year-old full-sister and a weanling half-brother by Code of Honor. Her dam was bred to **Justify** this past season.

Ladies' Turf S. cont.

Augustin Stables homebred Regal Realm took Saturday's GIII Kentucky Downs Ladies' Turf S. by the scruff of the neck and proved not for catching to continue a purple patch of form during her 4-year-old season.

Drawn the inside gate in a field of seven over a course that has been friendly to speed types, the chestnut outbroke the rest of her rivals and quickly put daylight on her rivals on the climb to the six-furlong marker. Galloping them along with her ears pricked and her mouth slightly open, Regal Realm was always traveling comfortably, awaiting her cue from Florent Geroux. Asked for her best a quarter mile from home, she pinned her ears and leveled out nicely, easily holding off final-furlong rallies from the Augustin part-owned Sparkle Blue and White Frost. Favored **'TDN Rising Star'** New Year's Eve (Kitten's Joy) trailed throughout. The race received no official clocking as the starting gate was reportedly placed in the wrong spot.

"She's been training great," said winning conditioner Jonathan Thomas. "We were looking forward to getting her here. I thought Flo did a great job of getting her to the lead comfortably. She looked super with her body language. Took to the track very well. We're just thrilled. Really, really happy for Mr. Strawbridge. Great owner-breeder, fantastic guy to work with. So this was really special to do for him."

Just a maiden winner in seven starts at three, Regal Realm won her first two starts of this season in allowance company in Gulfstream in February and at Belmont in May before shipping to Shakopee to validate 7-5 favoritism in the June 21 Lady Canterbury S. She was most recently third--with White Frost a length better in second--in the restricted De La Rose S. at Saratoga Aug. 2.

Regal Realm | Coady

Pedigree Notes:

Regal Realm is the 10th worldwide graded winner for the Japan-based Animal Kingdom and is the stallion's seventh in North America.

George Strawbridge acquired Regal Realm's second dam for \$60,000 at the 2001 OBS June Sale and raced her to five wins from 15 starts, including a third placing behind Xtra Heat and Carson Hollow in the GII Barbara Fritchie H. in 2003. Regal Realm's dam was one of two stakes winners bred by Strawbridge out of Spelling--the other being dual Grade II winner Spelling Again (Awesome Again)--before he sold the mare to Nicoma Bloodstock in foal to Broken Vow for \$50,000 at Keeneland November in 2011.

Strawbridge parted with Sky Willow at KEENOV in 2019, accepting \$11,000 while she was carrying to **Munnings**, and in addition to that maiden 3-year-old colt named Ashcroft, she is the dam of a California-bred yearling colt by MGSW turf horse Balance the Books (Lemon Drop Kid). Sky Willow was most recently covered by Moquest, an unraced 4-year-old full-brother to **Nyquist**.

Palazzi outpunches Rockemperor to the wire | Michael Burns

It was a two-horse race to the wire as Palazzi and Rockemperor--who had been keeping each other company at the back of the pack early--battled down the lane to fill the exacta in the GIII Pattison Singspiel S. at Woodbine Saturday. The race is the local prep for the Oct. 8 GI Canadian International.

Out of the gate, Palazzi settled in the trailing spot just off the flank of 7-year-old Rockemperor, who was ditching his usual Grade I and II company for the first time in more than two years. Collective Force (Tiznow) showed the way up front at 17-1 with unhurried early fractions of :25.30 and :49.36. Coming off the turn, Palazzi split horses as Rockemperor went wide to join him on the outside. The two fought the length of the stretch, with neither giving an inch and Rockemperor never quite able to make up the half-length Palazzi had to his advantage. It was 5 3/4 lengths back to third-place finisher Malibu Mambo on the line.

Once inconsistent, Palazzi exits the Singspiel with a three-race win streak. He began 2023 dropped in for a \$50,000 tag at Gulfstream Mar. 31, finishing fifth, then shipped up to Woodbine and got wins on the turf and Tapeta in back-to-back second and third allowance conditions June 18 and July 16 prior to the Singspiel. He had won 2021's Texas Turf Mile S. and placed in that same year's GIII Kentucky Utilities Transylvania S.

and two listed stakes, but struggled to find the winner's circle again until this summer. Team Casse had purchased him for \$510,000 at the 2019 Fasig-Tipton Saratoga yearling sale and Mark Casse remained the trainer of record when Bluewater Sales purchased him on behalf of Gary Barber for \$35,000 at the 2022 Keeneland November sale.

Pedigree Notes:

Palazzi becomes the 27th graded winner for WinStar's late Pioneerof the Nile, who also has 54 black-type winners. He is also one of 99 stakes winners out of a daughter of Airdrie's late Indian Charlie. The Pioneerof the Nile/Indian Charlie cross also produced July 22 GIII Ontario Colleen S. winner Mohawk Trail, also on Woodbine's lawn.

In addition to Palazzi, Kindle produced Turfway's 2021 Forego S. winner Made in America (Tiznow). Her 2-year-old colt, A Day to Remember (**American Pharoah**), was third at Del Mar July 29 in his only start to date for trainer Mark Glatt. He was a \$300,000 Keeneland September yearling purchase by Muir Hut Stables, LLC and MyRacehorse. Kindle produced an Authentic filly Jan. 30 and was bred back to **Justify**.

DEL MAR CLOSURES MEET ON SUNDAY WITH PAIR OF GRADED RACES

Prince of Monaco | Benoit

by J.N. Campbell

'**TDN Rising Star**' and \$950,000 Fasig-Tipton Select Yearling Sale grad, GSW **Prince of Monaco** (**Speightstown**), headlines the GI **Runhappy** Del Mar Futurity on Sunday, as the Southern California meet closes its gates on another summer racing season.

Sunday Preview cont.

Aiming for his 17th trophy in this race is Bob Baffert and the Hall of Famer not only has the aforementioned colt, winner last out of the GIII Best Pal S. at Del Mar and who is installed as the morning-line favorite at 2-5, but he also sends **Mirahmadi** (Into Mischief) to the post.

A \$1.05-million Keeneland September Yearling Sale purchase by the ownership consortium of SF Racing, Starlight Racing, Madaket Stables, Dianne Bashor, Robert E. Masterson, Waves Edge Capital, Catherine Donovan and Tom Ryan, who are also involved with Stonestreet Stables in Prince of Monaco, Mirahmadi will look to rebound from being summarily disqualified and placed fourth after wavering down the stretch against maidens in what was his third start Aug. 26 at Del Mar.

Wearing the same silks as the morning-line favorite, Tim Yakteen trainee **Rothschild (Uncle Mo)** fetched \$700,000 at the same Keeneland sale as his undefeated stablemate. The bay colt flashed early speed when he broke his maiden in his second career race by 5 1/4 lengths at Del Mar Aug. 25.

Also on the graded slate is the GIII Del Mar Juvenile Turf which features a number of hopefuls. Pin Oak Stud's **'TDN Rising Star' Boltage** (Bolt d'Oro) took to the grass at second asking when he won by 5 1/4 lengths Aug. 24 at Del Mar. The Richard Mandella trainee will face off with Amerman homebred **Endlessly (Oscar Performance)**, who was sharp on debut in Solano Beach July 30 for trainer Mike McCarthy. Flying under the radar is WSS Racing's **Osage Creek** (Speightster).

KODIAC WINTERGREEN COULD BE HOME RUN FOR ALEX BREGMAN

Edited Press Release, Mike Kane/Kentucky Downs

All the essential timing elements for Sunday have dovetailed for Houston Astros star third baseman Alex Bregman and his very promising filly **Kodiak Wintergreen (Ire)** (Kodiak {GB}).

By the time Kodiak Wintergreen goes to the starting gate for the \$500,000 Global Tote Juvenile Fillies S. at Kentucky Downs at 5:28 p.m. (CT), the Astros's home game with the San Diego Padres should be long finished. His day's work on the diamond at Minute Maid Field done, Bregman will be parked in front of a television to watch how the 2-year-old filly handles the one-mile race, the biggest test of her young career.

Bregman expects Kodiak Wintergreen to emerge as the second standout in his nascent and fast-growing thoroughbred stable, Bregman Family Racing LLC. Trained by Rusty Arnold and to be ridden again by Jose Ortiz, she is the 3-1 favorite on the morning line. So far, **No Nay Mets (Ire)** (**No Nay Never**), with three stakes wins on his resume, is the most accomplished Bregman runner.

He will try for a third stakes victory Saturday at Colonial Downs in Virginia.

Two years after Bregman, his wife Reagan and his parents, Jackie and Sam, made their first purchases at auction, the stable is emerging as a player at major racetracks.

"My family has been in love with horse racing since my great grandfather and my grandfather," Bregman said in a telephone interview. "Everyone has loved horse racing in my family. I used to go to Albuquerque Downs with my grandfather growing up and my dad as well."

Since Bregman, 29, made his major-league debut in 2016, the Astros have reached the World Series four times, winning twice. He is a two-time American League All-Star.

Veteran bloodstock agent Mike Akers and Ciaran Dunne of Wavertree Stables in Ocala, Florida, have guided Bregman as he built his roster and helped him select trainers Arnold, George Weaver and Doug O'Neill.

The stable is handled by an enthusiastic racing manager.

"That's me," Bregman said. "I love it. It's a passion of mine. It's something that I'll love forever and something that I want to be involved with forever. I want to build something special."

While the baseball schedule keeps him away from the track, Bregman tries to see the races unfold live.

"I normally watch them with my whole team, and we yell at the TV hoping that we win," he said.

As a result, he has become something of a racing ambassador to the Astros.

"Some of my teammates actually have owned parts of horses that we've owned," he said. "It's been a blast. They love it now."

Delaware Park Casino & Racing and the Delaware Thoroughbred Horsemen’s Association (DTHA) have teamed up to donate \$20,000 to Mid-Atlantic Horse Rescue (MAHR) and Canter Delaware.

A check presentation was held after Saturday’s fourth race as part of the special 10-race Owners Day card.

“We are honored to be a partner with Mid-Atlantic Horse Rescue and Canter Delaware in this initiative to make sure these incredible athletes have careers after racing,” said Kevin DeLucia, chief financial officer at Delaware Park. “The people behind these organizations do incredible work dedicating themselves to making sure each horse has a purpose and place beyond racing. We could not be happier to support them.”

“The Delaware Park horsemen work well with the aftercare team,” said DTHA Executive Director Bessie Gruwell. “We are fortunate to have such a dedicated team, they have boots on the ground in the stable area every week checking in with trainers to see if they have any horses that are looking for a new career.”

At odds of 11-1, Thirty Thou Kelvin delivered her second stakes win in a row after she wired a field over soft going in the Christina S. at Delaware Park July 15.

At Colonial, the bay filly led from the beginning, timing out the fractions to her advantage around the first turn and up the backstretch. The John Terranova trainee began to feel pressure from Alpha Bella around the far turn, and as the lane opened up, Thirty Thou Kelvin dug down deep along the fence to find the wire just in time.

The winner's dam produced an unraced 2-year-old filly named Pour Some Wisdom (**The Factor**) and she foaled a colt Jan. 31 by **Tiz the Law**. She was bred to Scalding for 2024.

The winner is his dam's last produce of record but she was bred to **Dialed In** for next year. Second dam Western Ransom (Red Ransom) won the GIII Martha Washington Breeders' Cup S. and Hilltop S., both held at Pimlico.

Book'em Danno | *Bill Denver/EQUI-PHOTO*

Book'em Danno signed his own ticket to bigger and better things with another stylish victory, but this time in open stakes company in the Smoken Glacken S.

A runaway 9 1/2-length winner on unveiling at track and near trip, the break in that day proved to be the most nerve-wracking part of the Aug. 12 state-bred maiden contest when he was bumped with enough force to cause his jockey to briefly lose an iron.

Hammered down to 2-5 favoritism Saturday, he bided his time from midpack in the four path before launching his bid through the turn, advancing quickly enough to assume command at the top of the lane. Edging away as debuting Sea Streak tried to keep pace, two lengths separated the top pair and it was over eight back to Ship to Shore, who rounded out the trifecta and gave his sire both minor placings.

"He's pretty good. He's been training really good and I expected him to win because he's a nice horse. He's very agile.

You can do anything you want with him," said conditioner Derek Ryan. "It's good to win this stakes race. Henry Carroll (trainer of Smoke Glacken) was a friend of mine."

Of where his star might appear next, he added:

"He might have [New Jersey-bred] after his name but he's not a Jersey-bred. He's a racehorse. We'll take him to New York now and go from there. This is the best one I've had in a while by far."

The second to the races and the second to earn black-type for his dam, Book'em Danno has a yearling half-brother by **Classic Empire**. After not producing any offspring last season, and no breeding report on record that year, Adorabella visited Medaglia d'Oro for 2024. The winner is also the second black-type scorer for his sophomore sire. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Dodging raindrops, Tok Tok ran home a winner in his second career race for Graham Motion after he broke his maiden over the grass sprinting at Colonial Downs by a half-length July 27.

Sent off as a 5-1 shot here, the colt broke alertly, moved to the rail and then settled third into the first turn as filly Determined Sail showed the way. Under a slow half at :50.17, Tok Tok launched his bid around far turn, was hemmed in briefly, but once free, ran on nicely to win over the surging Triple Espresso.

Out of an extended female family which includes leading sire **Tapit** (Pulpit) and MGISW Rubiano (Fappiano), the winner is his dam's first to the races, but he does have a yearling full-brother, while In Tune visited **Curlin** for next year. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Undefeated on American soil, No Nay Mets showed promise on debut in taking Gulfstream's Royal Palm Juvenile S. May 13 to earn a spot in the gate for Royal Ascot's G2 Norfolk S. After selling for £800,000 at Goff's London Sale just before the Ascot meet, he was soundly beaten in the Norfolk.

No Nay Mets | *Coady Photography*

The Irish-bred then returned to the East Coast with a dominant win as the heavy favorite in Monmouth's Tyro S. last time out July 30.

Despite running over his fourth track in as many starts, No Nay Mets jumped as nearly a sure thing at 1-5 in the wagering and showed his customary early speed to set a pressured lead just ahead of King Kontie (**Karakontie {Jpn}**). Pushed through fractions of :21.45 and :44.06, he continued to find more and drew off readily when asked into the lane to sprint clear for the easy win.

Etoile, herself a group winner in Ireland, is a full-sister to last week's GIII Mint Millions S. winner Ancient Rome. This is also the extended family of GI Breeders' Cup Juvenile Fillies Turf winner Pizza Bianca (Fastnet Rock {Aus}) who RNA'd for \$3.45-million at last year's Fasig-Tipton Kentucky Fall Mixed Sale. After she broke her maiden at first asking at Del Mar over the Jimmy Durante Turf Course Aug. 19, Flattery returned here as the 3-1 third choice. From the first jumps she was taken back along the rail towards the rear of the field as a longshot set a brisk pace. The Peter Eurton trainee continued to wait until the far turn when she tipped to the outside and rolled home under a drive.

"I didn't know if she was going to get out of it because they were kind of trapped a little inside," said Eurton. "But once he got her settled it was just a matter of time. He had so much horse. She's kind of jumped up a level since her last. She's more precocious and her last works were more on the bridle. She picked things up pretty quick."

One 2-year-old filly went into Gulfstream's FTBOA Florida Sire Desert Vixen S. unbeaten and the same one emerged with her record intact. Despite breaking smartly in the short field, Welcome Back relinquished the lead and eventually got shuffled back to fourth behind early fractions of :23.46 and :46.41. She tipped out in the lane at least six paths wide, mowed down the leaders and nabbed Mist on the wire by a nose.

The bay's only previous start was a 1 3/4-length win from far back after hitting the gate July 29 going five furlongs on Gulfstream's all-weather surface. She was 25-1 that day and the 4-5 choice Saturday.

The winner's dam is out of a half-sister to 2015 GI Del Mar Oaks winner Sharla Rae (Afleet Alex). Unlike in her unveiling Aug. 9 on a sloppy track where she rolled by over 12 1/2 unchallenged lengths, Xtreme Diva had to vie from tight quarters in this start, saving ground until the turn where she drew clear of her challengers and from there, the question was only how far she wanted to win by. Ridden out to a 7 3/4-length margin, the 2-5 favorite led them in to a formful finish as A Primera Vista and Go Lee Ann Go picked up second and third placings respectively. Brought back after a short layoff to be second over the Tapeta surface at Woodbine Aug. 13, Saturday's 5-2 favorite stretched out past 5 1/2 furlongs for the first time and went right out for early control of the tempo. Twisting Pistons (Goldencents) was her closest pursuer through a half in :48.68, but Hockey was well-rated into the lane and had plenty left to dash clear and go gate-to-wire by two lengths. Vucchella (Bernardini) was second best. Balandra Bay, a daughter of Peru's 3x champion Morena (Per), is a half-sister to MGISW Creator (Tapit). The winner has a yearling half-sister by Frosted and a weanling half-brother by Maclean's Music while her dam was bred back to Corniche. MYSTIC LAKE (f, 2, Mo Town--Salty Soul, by Itsmyluckyday) was well-beaten as the favorite against state-breds at Gulfstream Park Aug. 6 before shipping to Toronto as the 5-1 fourth choice here. Under Lasix for the first time, the dark bay filly set the pace from the bell, controlled the fractions around the far turn and despite a challenge from Sounds Practical that lasted past the sixteenth pole, she graduated by 1 1/2 lengths. The winner is her unraced dam's first and only progeny. Sales History: \$3,500 Ylg '22 OBSOCT; \$130,000 2yo '23 OBSMAR. LIAM'S GIFT (f, 3, Liam's Map--Up At Dawn, by Uncle Mo) made two unsuccessful attempts over Turfway's synthetic surface, including in a Feb. 18 maiden which yielded GII Exacta Systems Franklin-Simpson S. runner-up Playlist (Uncle Mo), before going to the bench for five months. Moved north from the barn of

Tom Bergin and into the yard of Rachel Halden, the gray was given a 7-1 shot here to graduate and she delivered a stalk-and-pounce effort which did just that. She dueled and fended off longtime leader Princessonamission (Noble Mission {GB}) in the lane to score by a half-length. The flagbearer to the races for the dam, Liam's Gift has a 2-year-old half-brother Kingscote (Audible) as well as a pair of half-sisters--a yearling Twirling Candy and a 2023 Justify. Up at Dawn visited City of Light for 2024. GENERAL LEDGER (c, 2, Summer Front--Twice by Sunday, by Sky Mesa) was made the 6-5 favorite for this unveiling and had to duel from the three path as a pair went to challenge for the lead. A narrow leader approaching midstretch, he was under a full drive when he drew off by 2 3/4 lengths as No More Time (Not This Time) picked up the minors. A half-brother to Merseyside (Maclean's Music), SP, \$172,162 and to two other winners, General Ledger is the last registered offspring thus far for Twice by Sunday. WILL DIVIDE

When Shadwell Farm, established in 1985, decided to expand, they were given the order to procure the richest, undeveloped land that was available in Central Kentucky. This was accomplished in 1993 and 1994 with what's now named Shadayid Stud. Consisting of 805 ± acres on both sides of Leestown Road, in highly desirable Woodford County. The North Side (532 acres) features 6 concrete block barns with 84 stalls, office, and 3 employee houses with the South Elkhorn Creek along the farm's rear border. The South side (273 ± acres) features 44 stalls, show barn, rehab barn, 3 hay barns, shop, and a nice employee house.

AUGUSTE RODIN ON TOP IN THE IRISH CHAMPION

Auguste Rodin (centre) | [Racingphotos.com](https://www.racingphotos.com)

by Tom Frary

Proving once again that he belongs at the top of the tree, **Auguste Rodin (Ire)** (Deep Impact {Jpn}--Rhododendron {Ire}, by Galileo {Ire}) laid it all out on Saturday to prevail in a gruelling edition of Leopardstown's G1 Royal Bahrain Irish Champion S. As he had in the Derby, when churning out historical sectionals at the business end, the 11-4 favourite was able to handle a demanding test carved out by last year's hero **Luxembourg (Ire)** (Camelot {GB}) and pour it on late as the closers inevitably came into the picture.

Subduing Luxembourg a furlong from home, the third **TDN Rising Star** winner on the card, who is possibly the most ground-dependant elite performer that Aidan O'Brien has trained, was reportedly idling late as he led home a one-two for the yard by half a length in this "Win and You're In" qualifier for the GI Breeders' Cup Turf. Luxembourg, who was back to his determined best, grimly hung on to the runner's-up spot by a short head from the strong-finishing **Nashwa (GB)** (Frankel {GB}), as **King Of Steel (Wootton Bassett {GB})** finished on their heels a further half a length behind in fourth.

"We knew that Luxembourg was in a great place and Auguste Rodin is a magical horse really--a great horse, bottom line," O'Brien said. [Cont. p3](#)

THE CURRAGH: ALL EYES ON CITY OF TROY IN THE NATIONAL by Tom Frary

While the G1 Irish St Leger is officially the feature race on the Curragh's second part of the Irish Champions Festival, Sunday's fixture is really first and foremost about Ballydoyle's **TDN Rising Star City Of Troy (Justify)** who graces the G1 Goffs Vincent O'Brien National S. Of all the stable's 2-year-old stars over the past 25 years, he already looks at home accompanying the same metaphoric space as the likes of Johannesburg, Fasliyev, Air Force Blue, Hawk Wing, Rock Of Gibraltar (Ire) and Little Big Bear (Ire) which is an astonishing statement based on just two runs.

The second of City Of Troy's outings in a renewal of the G2 Superlative S. which contained some smart types including the subsequent G2 Vintage S. winner Haatem (Ire) (Phoenix Of Spain {Ire}) marked him out in terms of stride pattern and sectionals as a rare jewel. Extremely rare. [Cont. p17](#)

CHALLENGE SERIES WIN AND YOU'RE IN.™

G1 Irish Champion S. Cont. from p1

The maestro of Ballydoyle added, “The little thing is he wants to get there late, as he parks in front and we always knew that. He’s a beautiful mover and an easy cruiser and Ryan was delighted that he had the horse in front who was going to get him there. He has an unbelievable capacity to go a very high tempo from very early and quicken off it, but when he gets there he waits.”

Flying in the face of convention has been Auguste Rodin’s hallmark from a relatively early point. First, there was the G1 Futurity Trophy success after a painful wait from connections to see whether he would be allowed to take part after Doncaster was hit by heavy rain. If he managed to navigate soft there, he was completely unable to deal with it underfoot in Newmarket’s 2000 Guineas and at Ascot where he was gone long before the home turn. Even the Irish Derby was visually unexciting and so had he not delivered a masterclass at Epsom in between, he probably wouldn’t have been here at all.

Whereas in the King George he couldn’t lay up from the outset, this time Auguste Rodin looked for a brief spell as if he might land in front but Seamie Heffernan was intent on taking up the mantle with **Point Lonsdale (Ire) (Australia {GB})** acting as wing-man. While the Irish Derby happened in what O’Brien classes as “second gear the whole way”, this was as truly-run as any Group 1 race of recent times with Luxembourg back on-song and crunching away at the numbers in front.

Any weakness in the eventual winner would have been exposed by the time they passed the two pole, but instead of curling up Auguste Rodin continued to tick off relentless fast fractions.

Understandably, Luxembourg buckled slightly though not enough to suggest his performance was anything other than a top-class one and probably a career-best but his year-younger stablemate occupies marginally higher territory.

“He is so slick, he’s all action,” O’Brien added. “Soft ground has to hinder him and we were lucky Ryan was on him at Ascot so that no physical damage was done. “He is so important to the breed and you know how quickly they can be destroyed, so all credit to the lads who knew Ascot was not his run at all. I have to thank Michael [Tabor] for having the confidence in everybody to relax and calm down and come back.”

“A couple of times this year it all went totally wrong,” he continued. “He’s very tough, very hardy, but a little bit peculiar. Annemarie was watching him in the stable. If things happen around his environment he stays awake all night. He doesn’t sleep. He’s probably just a very sensitive horse. He takes in everything.”

Moore was in no doubt cantering to post that his mount was back in the groove. “I knew he was in a real good place and he floated around there--it never really felt in any doubt and he was just waiting a bit in the last 100 yards,” Moore said. “It is very satisfying for him to come back and prove how good he is again.” **Cont. p4**

The jockey added, “Aidan’s done a fantastic job and I always felt this was his ideal trip--his dam didn’t stay a mile and a half and won a Lockinge. It was an evenly-run race and they all had their chance.”

O’Brien is thinking of swerving ParisLongchamp and the habitual slog through the mud next month. “He probably wouldn’t go to the Arc, as the ground is usually soft and the lads love the Breeders’ Cup,” he said. “He’d love Santa Anita, as you know you’re going to get fast ground so we’ll see how he is after a week or 10 days. That’s a strong possibility--I’d say the Turf rather than the Classic, and whatever after that. He went by boat to Epsom and that was one of the common denominators that wasn’t stacking up, the flying. Maybe if he flies again he needs a little bit of time to get over it.”

Pedigree Notes

Auguste Rodin’s record bodes extremely well for his five-times Group 1-winning champion dam Rhododendron, who also had her dips as well as highs but was capable of magic when at her peak. He is her first foal, with her second a colt by Dubawi (Ire) born this year. The second dam is Halfway To Heaven (Ire) (Pivotal {GB}), whose three top-level triumphs included an Irish 1000 Guineas and who also produced Galileo’s seven-times

Group 1 winner Magical (Ire).

Halfway To Heaven is out of the multiple group-winning sprinter Cassandra Go (Ire) (Indian Ridge {Ire}), who is also responsible for the G3 Abernant S. and G3 Sandown Sprint S. scorer Tickled Pink (Ire) (Invincible Spirit {Ire}) and the G3 Summer S. winner Theann (GB) (Rock Of Gibraltar {Ire}). Tickled Pink produced the stable’s GI Breeders’ Cup Juvenile Turf winner Victoria Road (Ire) (**Saxon Warrior {Jpn}**), who was placed later on this card, while Theann has Galileo’s GI First Lady S. and GI Rodeo S. heroine Photo Call (Ire) and the G2 Richmond S.-winning first-season sire Land Force (Ire) under her auspices.

CHALLENGE SERIES WIN AND YOU'RE IN.™

TAHIYRA TOO GOOD IN THE MATRON

by Tom Frary

There were few surprise outcomes on Leopardstown's Irish Champions card on Saturday, merely simple rubber-stamping of the positions of the season's category leaders. Step forward The

Content to follow the leaders throughout the early stages in this berth for the GI Breeders' Cup Filly & Mare Turf, the half-sister to the luminary Tarnawa (Ire) (Shamardal) cruised to the fore soon into the straight and once committed took command a furlong out. Soon beyond reach, the 5-6 favourite had 1 1/4 lengths to spare over **Rogue Millennium (GB)** (Dubawi {Ire}) at the line, with half a length back to **Just Beautiful (GB)** (Pride Of Dubai {Aus}) in third.

"No matter how many Group 1s you're fortunate in life to win, that will always go down as a special one for us--all the pressure was on this filly and she keeps winning," Weld said of the second of three successful **TDN Rising Stars** on the card. **Cont. p6**

G1 Matron S. Cont.

The trainer said, "Leopardstown has been very lucky for me and the way to ride it, like most tracks, is to just keep it simple and ride her with confidence. She's a very talented filly. She was eight to 10 kilos heavier today than when she won at Royal Ascot and I was just very happy when I saw Chris cruising there on the outside. Obviously the Breeders' Cup has to be a possibility and a decision will be made on whether she's kept in training for next year."

Pedigree Notes

Tahiyra is the third foal out of the Listed Oyster S. and Listed Martin Malony S. winner and G3 Curragh Cup-placed Tarana (Ire) (Cape Cross {Ire}), whose first was the aforementioned G1 Breeders' Cup Turf, G1 Prix Vermeille and G1 Prix de l'Opera heroine Tarnawa who was also second in this card's feature and the Arc. The second dam Tarakala (Ire) (Dr Fong), who captured the Listed Galtres S. and was third in the G3 Noblesse S., is connected to the G1 Prix Royal-Oak hero and G1 Prix du Cadran runner-up Tiraz (Lear Fan) and the G1 Phoenix S. heroine Damson (Ire) (Entrepreneur {GB}). Tarana's 2-year-old colt by Frankel (GB) is named Tarafi (Ire), while she also has a yearling filly by Lope De Vega (Ire).

BETHELL BREAKS GROUP 1 DUCK WITH REGIONAL IN 'MASSIVE PERFORMANCE' IN SPRINT CUP

by Heather Anderson

Ed Bethell earned his first Group 1 victory as a trainer when **Regional (GB)** (Territories {Ire}--Favulusa {GB}), by Dansili {GB} emerged the victor in the Betfair Sprint Cup S. at Haydock by a neck over **Shouldvebeenaring (GB)** (Havana Grey {GB}) with **Believing (Ire)** (Mehmas {Ire}) a half-length back in third. The favoured dual Group 1 winner **Shaquille (GB)** (Charm Spirit {Ire}) fluffed his lines and finished well back in the field after making the early running on Saturday.

Bred by Razza del Sole Societa Agricola, the Future Champions Racing Regional runner was a 10-1 proposition against the aforementioned 11-10 pick, and it was the latter who broke sharply and took up the running with several others, including the winner in the mix up front.

Regional (white noseband) | Grossick Photography/The Jockey Club

Shaquille lost position two furlongs from home and drifted back through the pack with **Mill Stream (Ire)** (Gleneagles {Ire}) and Regional picking up the baton. Shouldvebeenaring was showing improvement and wound up for his run 200 metres from the winning post, about the same time Regional kicked away from Mill Stream. The Havana Grey colt pushed Regional all the way to the wire, with Believing picked up the pieces for third, three-quarters of a length in front of **Swingalong (Ire)** (Showcasing {GB}).

Bethell said, "I never thought it would happen [becoming a Group 1-winning trainer]. I'm just incredibly lucky and I'm incredibly fortunate to have a lovely team of people around me.

"I thought I've done my job now and I thought that the owners

might stick with me for a bit longer and then he has gone and done this. Tom Biggs brought him, then there is Barbara Jones who rides him every day and Keith McGlone my assistant."

G1 Sprint Cup S. Cont.

“There are too many people to thank,” he continued. “Regional is a straightforward horse and Callum Rodriguez has done a tremendous job getting him out of the stalls because he had been inclined to miss the break. It is a massive performance. Today we were much more comfortable at this trip at this level. It has been a culmination of a fantastic year through their hard work and I’m just the lucky one to have my name on the ticket.

“They [owners Future Champions Racing Regional] are a fun syndicate that need a break and they have got it now. I hope it can be a stepping-stone for them to get bigger and better. They might want to go to America, but I will see how the horse is and then make a decision.”

It was also a first top-tier rosette for jockey Callum Rodriguez, who grew up about 40 minutes away from the track in Heysham. “What a story it has been with him this year,” said Rodriguez, who was banned for six months in 2019 after testing positive for cocaine and has had to make his way back the hard way. “It was very smooth for me today. Every time I asked him he was responding.”

He added, “I really hit the ground running as an apprentice and landed the Ebor and some other nice races along the way. It has been a little bit stop start and you kind of ask yourself if you are

going to find the one. I’ve a lot to thank Ed for. I stepped into the yard in January to ride out and get to know the horses. There is a real strong team of horses there and he is a real loyal man, and we work really well together and I’m happy with the way things are going.”

Of the beaten favourite, James Doyle said, “Everything was fine. He had a bit of a wobble before the gates opened but that didn’t affect his start as he jumped very clean. He travelled super but between the two and the three I had no power and I was beat very quick. There is Champions Day to come and there are other races.”

Originally a 35,000gns Tattersalls December foal when picked up by Emerald Bloodstock, the Sprint Cup S. winner returned to Park Paddocks and caught the eye of John and Jake Warren when a 120,000gns Tattersalls October Book 2 yearling in 2019. After winning once from three starts for trainer Richard Fahey and Isa Salman Al Khalifa, he sold for just 3,500gns out of the 2021 Tattersalls July Sale to Bethell Racing and Blandford Bloodstock. More recently, the bay had taken a York handicap in May, before lowering the colours of Group 2 winner Equilateral (GB) (Equiano {Fr}) in the Listed Achilles S. over five furlongs here in June. The 5-year-old gelding was less than three lengths behind Live In The Dream (Ire) (Prince Of Lir {Ire}) when fifth in York’s G1 Nunthorpe S. last month. **Cont. p9**

The second Group 1 winner for his Darley sire after €3 million Arqana Vente d'Elevage sale-topper Rougir (Fr) who won both the Prix de l'Opera in France and the EP Taylor S. in Canada, Regional is one of 11 stakes winners worldwide for Territories. Broodmare sire Dansili's daughters have 127 stakes winners (77 group) between them. Of his 19 Group 1 winners, Dream Of

Dreams (Ire) (Dream Ahead) also won the Sprint Cup S. in 2020.

Out of Italian listed winner Favulusa, the gelding is one of two winners for his dam, who has the unraced juvenile filly Forestiera (GB) (Golden Horn {GB}), and fillies by Too Darn Hot (GB) and Palace Pier (GB) each of the last two years. His second dam, Rosa Del Dubai (Ire) (Dubai Destination {Ire}), won the G3 Premio Mario Incisa della Rocchetta before throwing three other Italian stakes winners, among them the G2 Premio Oaks d'Italia heroine Folega (GB), a full-sister to Favulusa. Third dam Rosa Di Brema (Ity) (Lomitas {GB}) was runner-up in the Italian Oaks when it still held Group 1 status, and she too produced a quartet of stakes winners, with one, Biancarosa (Ire) (Dalakhani {Ire}), the dam of 2021 G2 Derby Italiano victor Tokyo Gold (Fr) (Kendargent {Fr}).

CHALLENGE SERIES WIN AND YOU'RE IN.™

DIEGO VELAZQUEZ WINS THE CHAMPIONS JUVENILE by Tom Frary

Aidan O'Brien had already won nine of the 16 renewals of Leopardstown's revamped G2 KPMG Champions Juvenile S. and delivered another on Saturday with a stable one-two in the bargain. This race is a "Win and You're In" for the GI Breeders' Cup Juvenile Turf in California.

Despite the impressive attitude of **Capulet (Justify)** at the head of affairs, it was the 8-15 favourite **Diego Velazquez (Ire) (Frankel {GB})--Sweepstake {Ire}**, by Acclamation {GB} who proved master of ceremonies as he took over a furlong from home en route to a half-length success to earn the bragging rights. A half-brother to Australia's classy Broome (Ire) and Point Lonsdale (Ire), the winner who earned **TDN Rising Star** status with a 4 3/4-length success on debut at the Curragh last month was providing Ryan Moore with the first of four winners on the day. **Atlantic Coast (Ire) (Kodiak {GB})** was 3 1/4 lengths behind in third, with the established **Deepone (GB) (Study Of Man {Ire})** also far enough away to lend the race suitable credibility.

"We liked the second horse a lot and we knew we needed something to take him and stretch him a little bit," O'Brien revealed. "They didn't go very fast for the first half and turned it on from halfway, so he learned a lot. We were surprised the first day that he ran in the Curragh how babyish he was, he never took a hold of the bridle. Today he was green as well, but a lot better. We think the race will leave him in a very good place. I'd imagine he'll go for the Futurity Trophy, we did it with Auguste Rodin last year, but we knew this horse had to learn a lot more than Auguste did last year." **Cont. p11**

G2 Champions Juvenile S. Cont.

Of Capulet, he added, “He’s a good horse. He won first time at Dundalk and we liked him. He’s out of a good Galileo mare and we thought he was a fair horse. Seamus liked him a lot today. He’s a typical **Justify**, the minute you go beyond seven furlongs they seem to grow another leg. They are really Classic-bred middle-distance horses and you’d have to be really happy with him also.”

Pedigree Notes

Diego Velazquez, who at 2.4million gns was upstaged only by Godolphin’s 2.8million gns purchase at the Tatts Book 1 Sale, is currently the last known foal out of the Listed National S. winner and GIII Appalachian S. and G3 Princess Margaret-placed Sweepstake whose own dam Dust Flicker (GB) (Suave Dancer) is a full-sister to the G3 Prix de la Nonette scorer Dust Dancer (GB). She is in turn the second dam of the stable’s G1 Phoenix S.-winning sire Zoffany (Ire), **Frankel**’s G2 Futurity S. winner and G1 Irish Derby runner-up Rostropovich (Ire) and the G3 Bengough S. winner Projection (GB) also by Acclamation, while Dust Flicker’s half-siblings include the G3 Fred Darling S. winner Bulaxie (GB) (Bustino {GB}).

Bulaxie produced the G2 Premio Lydia Tesio winner Claxon (GB) (Caerleon), who is responsible for the GIII Hillsborough S. scorer Cassydora (GB) (Darshaan {GB}), in turn the dam of the

multiple group-winning stayer Ernest Hemingway (Ire) by **Frankel**’s sire Galileo (Ire) and the G3 Prix d’Aumale scorer Toulifaut (Ire) by **Frankel** himself. Recent updates to this illustrious dynasty have been provided by the G1 Moyglare Stud S. and G2 Debutante S.-placed Sunset Shiraz (Ire) (Time Test {GB}) and by one of this year’s faster juveniles Elite Status (GB) (Havana Grey {GB}), who took the G3 Prix de Cabourg and has been placed in the G2 Norfolk S. The winner probably has more pace than the aforementioned Broome, whose long career has featured a win in the G1 Grand Prix de Saint-Cloud, and also this year’s G2 Huxley S. scorer Point Lonsdale who placed in the G1 Vincent O’Brien National S. and G1 Coronation Cup.

**FLIGHT PLAN MAKES ALL IN THE
 SOLONAWAY** by Tom Frary

Entering Saturday's G2 Dullingham Park S., or Solonaway S. as
 it is registered, slightly under the radar, Clipper Logistics'
 3-year-old **Flight Plan (GB)** (Night Of Thunder {Ire}) did it for
 Britain as he led his rivals a merry dance to dominate the
 Leopardstown mile contest. Tried in the 2000 Guineas in the
 spring, the Karl Burke-trained 15-2 shot who was last seen
 finishing third in York's G3 Strensall S. was always in control
 under an enterprising ride from Danny Tudhope. Playing
 perfectly to the front-running bias that this track is often guilty
 of when the ground rides on top, he maintained the impressive
 gallop to score by 1 1/4 lengths from the 2-1 favourite **Buckaroo**
(GB) (Fastnet Rock {Aus}), with last year's GI Breeders' Cup
 Juvenile Turf hero **Victoria Road (Ire)** (Saxon Warrior {Jpn}) a
 head away in third.

"We have finally found the way to ride him," Tudhope said of
 the winner, who was also second in the Listed Burradon S. at
 Newcastle and in Pontefract's Listed Pomfret S. **Cont. p13**

He added, “We have always loved this horse and it has just taken us a bit of time to figure him out, but that’s the way to do it on him. I had to get a good start, as he didn’t break very well the last day in York. He’s got a beautiful action on him and a big engine. He’s going to get better and he’ll be a nicer four-year-old. He’s a proper-looking horse and everything about him is just nice.”

Making it another Irish Champions Day winner that was easy to find on paper, the third pattern-race winner for Aidan O'Brien and Ryan Moore came in the G3 Paddy Power S. registered as the Kilternan S. courtesy of **Adelaide River (Ire)** (**Australia (GB)**).

Always comfortable in a clear lead, the 11-8 favourite by virtue of the class edge he held having been runner-up in the G1 Irish Derby and G1 Grand Prix de Paris turned the screw from the top of the straight and may have been idling late as **Al Aasy (Ire)** (**Sea The Stars (Ire)**) cut the deficit to half a length.

O'Brien had a surprising admission about the colt who had pushed Auguste Rodin (Ire) (Deep Impact {Jpn}) so hard in the Curragh Classic. "We always thought he was kind of like Duke Of Marmalade, as he's after competing in big ones and getting very close in them but he's such a big horse that he's definitely going to have to be a way better horse next year," he said. "He's after having a few tough races in second so it was nice for him to come here and Ryan was able to dictate his own pace on him. He said he did quicken very well, but just got a bit lonely in the last half a furlong."

Pedigree Notes

Adelaide River, who had also been third in the G1 Criterium de Saint-Cloud and second in the G2 Beresford S. as a 2-year-old, is the first foal out of **Could It Be Love (War Front)** who was second in the G1 Irish 1000 Guineas and a clutch of lesser black-type contests. A half-sister to the GI Breeders' Cup Juvenile and GI Champagne S.-winning champion and leading sire **Uncle Mo**, her unraced 2-year-old filly **Everlasting (Ire)** is by **Kingman (GB)**, while she also has a yearling by the same sire due to sell on Monday at the Keeneland September Sale. She was bred to **Gun Runner** for 2024.

ZOUSTAR'S STARLUST PREVAILS IN SIRENIA THRILLER *by Sean Cronin*

Fitri Hay's dual nursery handicap second **Starlust (GB)** (Zoustar {Aus}--Beyond Desire {GB}, by Invincible Spirit {Ire}) notched a quickfire double at Chelmsford and Newbury earlier in the year and took a step up the ladder with a narrow verdict in Saturday's G3 Unibet Zero% Mission Sirenia S. at Kempton, his sixth straight start going six furlongs.

With tasks made easier by the scratching of 'TDN Rising Star' **Eben Shaddad (Calyx {GB})**, Starlust went postward as the 2-1 second favourite and found a comfortable rhythm off the pace in sixth before improving one spot on the run to halfway. Making eye-catching headway out wide in the straight, he quickened stylishly to launch his challenge entering the final furlong and kept on in relentless fashion under hands-and-heels rousting to deny the resilient **Seven Questions (Ire)** (Kodiac {GB}) by a head after a thrilling tussle. Juddmonte's **Array (Ire)** (**No Nay Never**), who ran second behind Starlust at Newbury in July, was on hand throughout the final quarter-mile and tapped out late to finish a half-length back in third.

"I was pretty tight to Callum [Shepherd on Seven Questions], so I couldn't use my stick and was hands and heels for a good furlong-and-a-half," explained winning rider Hector Crouch. "Every time Callum came to fight back, my lad kept keeping his nose in front and I was always pretty confident we were going to win. He's a classy horse, he's very tough and his attitude is impeccable. I see no reason why he won't improve further from this. He's versatile, ground-wise, and I think he's going to be a real good, fun horse."

Starlust is the seventh of nine foals and one of four scorers out of G3 Prix de Saint-Georges victrix Beyond Desire (GB) (Invincible Spirit {Ire}). Beyond Desire is out of a multiple-winning half to G3 Princess Royal S. victrix Mazuna (Ire) (Cape Cross {Ire}), whose descendants include dual Group 2-winning distaffer Beautiful Romance (GB) (New Approach {Ire}), G2 Premio Roma third

BAY BRIDGE BACK WITH A BANG AT KEMPTON

by Sean Cronin

Sir Michael Stoute trainee **Bay Bridge (GB)** (New Bay {GB}--Hayyona {GB}, by Multiplex {GB}), winless in three Group 1 starts since annexing last term's G1 Champion S., regained the winning thread with a confidence-boosting success in Saturday's G3 Unibet September S. at Kempton.

The 8-11 favourite hit the board in both G1 Prix Ganay and G1 Tattersalls Gold Cup earlier in the campaign and went postward this first outing at the 12-furlong trip coming back off a fifth in the G1 Prince of Wales's S. at Royal Ascot. Bay Bridge broke well and was positioned fourth passing the judge first time before tanking along in third down the backstraight. Waiting patiently for the cutaway once turning for home, he quickened in style to seize control approaching the final furlong and stayed on strongly thereafter to easily defeat **Candleford (Ire)** (**Kingman {GB}**) by 3 3/4 lengths, becoming a record seventh winner of the contest for Stoute.

"We were unsure about the distance, so we've ticked that box and that's a real big plus," said Stoute after adding another edition to his record haul. "We'll do some thinking now with the owners as to where we go next. The [faster] ground stopped him earlier in the season, so he had an enforced break. He was very impressive today and I like the way he did it."

WOOTTON BASSETT'S CHINDIT POUNCES IN SUPERIOR MILE

by Heather Anderson

Wootton Bassett (GB)'s **Chindit (Ire)**, making his first start for Viloo Poonawalla and Greenfield Farms, stalked and pounced to take the G3 Best Odds On The Betfair Exchange Superior Mile S. at Haydock Park on Saturday.

Point Lynas (Ire) (Iffraaj {GB}) led through the early stages while pressed by **Misty Grey (Ire)** (Dark Angel {Ire}). Never out of touch with the leaders, although near the rear of the field, Chindit was a 5-2 shot, and began to improve once the real running began. Taking over from Misty Grey at the quarter-mile marker, Chindit had gotten the jump on the favoured **Light Infantry (Fr)** (Fast Company {Ire}) who was briefly in want of room, and hit the line 2 1/4 lengths ahead of that foe. **Regal Reality (GB)** (Intello {Ger}) was third, another neck behind.

G3 Superior Mile S. Cont.

Richard Hannon, who was winning his first Superior Mile, said, “Mr. Poonawalla purchased him to see his mares once he retires from racing and he has now won a group race at two, three, four and five. He looks right back to his very best form.

“There are a couple of races in Australia and races around two bends over a mile in America and he might even be the sort of horse that gets an invite to Hong Kong. There are lots of options for him, although today I really did think he looked like a Group 1 horse. Sean Fox deserves a mention as he has done a great job with him.”

Jockey James Doyle said, “It looked a nice opportunity for him on paper and it looked a match race between him and Light Infantry. We didn’t get off to a great start and he was a bit sleepy early. We didn’t go crazy, but we went fast enough that I was able to hit the line good and come into it nice and strongly. I asked him a huge question from a furlong out, but he is a class horse, and he got the job done well.”

A 65,000gns Tattersalls October Book 2 yearling selection by Peter and Ross Doyle Bloodstock, the March foal won the G2 Champagne S. at two, the G3 Greenham S. at three, and ran third in the 2022 G1 Lockinge S. and won the G2 Summer Mile S. at four. He opened his 2023 season with a listed win at Ascot in May, and ran a solid second to Modern Games (Ire) (Dubawi {Ire}) in the Lockinge at Newbury later that month. Only sixth in the G1 Queen Anne S. at Royal Ascot, his final start for owner Michael Pescod, the bay was third back at Newbury in the G2 Hungerford S. in August.

One of 37 stakes winners and 26 group winners worldwide for his Coolmore sire, the 5-year-old entire is the first foal and one of two winners for his dam, who triumphed over the

His third dam is Broodmare of the Year Out West (Gone West), who foaled seven winners, three of them stakes winners anchored by the dual Group 1 winner and sire Motivator (GB) (Montjeu {Ire}). He won the 2005 Derby and the 2004 Racing Post Trophy, while his Group 1-placed full-brother Macarthur (GB) was a multiple group winner.

RACE PREVIEWS

Sunday Previews Cont. from p1

It will be a shock if he is overturned so early with conditions likely to suit and there is every chance we will witness another Hawk Wing or Pinatubo moment in this esteemed race despite the trainer’s reservations as to his condition.

“He’s a good bit heavier than he was at Newmarket, as he’s done very well so that’s a little bit of a worry but he’s ready for his start-back run of the autumn and everyone is very happy with him,” Aidan O’Brien said. “I’d imagine he’ll come forward for the run.” **Cont. p18**

Sunday Previews Cont.

Whatever happens here, we will find out just how good City Of Troy is with **Bucanero Fuerte (GB)** (**Wootton Bassett {GB}**) in attendance. While he could not match Ballydoyle's River Tiber (Ire) (**Wootton Bassett {GB}**) in Royal Ascot's G2 Coventry S., Amo Racing and Giselle De Aguiar's kingpin has gone from strength-to-strength in the meantime and improved off a narrow G2 Railway S. win to inflict a four-length defeat on the G3 Albany S. scorer Porta Fortuna (Ire) (Caravaggio) in the G1 Phoenix S. last month. Whether seven furlongs is his bag remains to be seen and the long-striding favourite will be testing that premise for sure.

Bucanero Fuerte's trainer Adrian Murray is living the dream. "He seems to be getting better and better--it's hard to believe," he said. "He looks like a horse that's going to train on, he's a big, long scopey horse and has a beautiful mind. He's thriving with racing and hopefully he keeps it going."

Aidan O'Brien is suggesting at present that he is also going to run fellow **TDN Rising Star Henry Longfellow (Ire)** (Dubawi {Ire}), with the son of Minding (Ire) (Galileo {Ire}) there also as ample back-up should the rains come. Reportedly underwhelming compared to his homework when taking the course-and-distance G2 Futurity S. last month, this experience will do him no harm based on the workrate of his dam, who first showed her raw material when winning this card's G1 Moyglare Stud S. back in 2015.

Welcome Back Kyprios...

The Irish St Leger is short on numbers and depth in terms of Group 1 talent, but it does at least see the near-miraculous comeback of the badly-stricken **Kyprios (Ire)** (Galileo {Ire}). While he has a 344-day absence to overcome, such was his dominion in 2022 that it is possible he could pick up the thread where he left off with that remarkable performance in the G1 Prix du Cadran. It is hard to say whether that errant 20-length romp rates higher than his defeat of Hamish (GB) (Motivator {GB}) in

City of Troy | *Racingfotos.com*

this or his thrilling denial of Stradivarius (Ire) (**Sea The Stars {Ire}**) in the G1 Goodwood Cup, but all three victories along with his first G1 Gold Cup at Royal Ascot place him alongside Ballydoyle's great stayers. Only stablemate **Emily Dickinson (Ire)** (Dubawi {Ire}) and the G1 St Leger hero **Eldar Eldarov (GB)** (Dubawi {Ire}) can get anywhere in the same vicinity in terms of class, so a 90% Kyprios might still be good enough.

Aidan O'Brien spoke earnestly on Saturday of the ordeal of getting Kyprios back to the track. "I can't believe he's here," he said. "It's not that long ago that I didn't think he was going to make it, so all credit to the team--he had to be taught to walk, trot and canter again his injury was that bad. The intensity of his training has got stronger and stronger and it is testament to his constitution that he is going to run. You'd be afraid of your life watching him and I don't know if it is possible to win a race like this from where he is. Emily Dickinson needs rain, even though we have run her on faster ground and there are showers around. It's just whether they come or not."

Moyglare Stud's Fiona Craig added of Kyprios, "He's just a bigger horse than he was before and I think they've gone steadily with him because of the injury, but I don't think Aidan would be running him if he didn't think he was going to run well.

Kyprios | *Scoop Dyga*

It will just be great to see him back at the races because he's a very popular horse, there's more people ask me about Kyprios than anything else we own! He's the horse that wherever you are in the world, people ask you about the big chestnut horse."

Ylang Ylang Poised For Moyglare Test...

Saturday's action confirmed that Ballydoyle's juvenile team seem even more formidable than usual in 2023 and it is up to the unbeaten **TDN Rising Star Ylang Ylang (GB)** (**Frankel {GB}**) to uphold the fillies' end in the G1 Moyglare Stud S., a qualifier for the GI Breeders' Cup Juvenile Fillies.

Sunday Previews Cont.

The 1.5 million Tatts Book 1 sensation could do no more than beat Al Shira'aa Farms' subsequent G2 Debutante S. winner **Vespertilio (Fr)** (Night Of Thunder {Ire}) in the G3 Silver Flash S. at Leopardstown in July, but she might need to raise her level again here judged on the runner-up's rate of progression in the interim.

Vespertilio's trainer Willie McCreery is happy to re-engage. "The going is down as good for Sunday and it may well quicken up a bit before her race, but it was similar ground last month," he said. "Ylang Ylang is the obvious one we've got to beat, but if you're not in it, you can't win it. We'll just let Billy see how the race pans out before he decides how to take things, but we're looking forward to it, that's for sure."

There is also the aforementioned G3 Albany S. winner and G1 Phoenix S. runner-up Porta Fortuna and Clipper Logistics' impressive G3 Sweet Solera S. scorer **Fallen Angel (GB)** (Too Darn Hot {GB}) to contend with, along with the sponsors' dark horse **Red Viburnum (Ire)** (Frankel {GB}) to consider. She showed up well when third on debut in a decent course-and-distance conditions race last month and it is significant that Dermot Weld is pitching her in at this level so soon in the race he would so love to win for the owner-breeders.

"She's come on for her first run, when she ran very well," Moyglare's Fiona Craig commented. "To give Chris Hayes his due, he dropped her in behind and taught her and I've seen her work since and she worked much sharper. I think it was more greenness than anything and it took a few strides for the penny to drop, but she galloped out way beyond the others at the end. She'll have moved on a bit since then, whether she's moved on enough to win this race is another matter, but all you can do is compete and see."

Highfield Princess Flying...

Despite the obvious kudos that **Highfield Princess (Fr)** (Night Of Thunder {Ire}) carries around with her, the Curragh's G1 Al Basti Equiworld, Dubai Flying Five S. is no penalty kick for last year's winner with her G1 King's Stand S. conqueror **Bradsell (GB)** (Tasleet {GB}) in action along with another compatriot in **Art Power (Ire)** (Dark Angel {Ire}). This ground is quick enough for John Quinn's star mare and Art Power's quirky yet

formidable 100% record in Ireland really is something to behold. Just witness his emphatic latest win in the course-and-distance G2 Sapphire S. for the evidence of what he can do when in the zone.

Quinn is aware of the challenge in this "Win and You're In" for the G1 Breeders' Cup Turf Sprint. "It's a tough race and Bradsell is in it and Tim Easterby's horse who is absolutely dynamite at the Curragh and then there are a few others as well, but we're happy with our filly," he said. "The Curragh suited her last year, so I hope it suits her again on Sunday. Everything has been fine since York and it's great to have an animal like her. She wears it on her sleeve and we're looking forward to Sunday."

Alastair Donald, racing manager for Art Power's owners King Power Racing, said, "He seems to have a bit of a love affair with Ireland and seems to find a key couple of lengths over there. He has often been a length short in Group 1s over here and we're looking forward to seeing him. The ground should be fine and he

has a good draw, but obviously Bradsell and Highfield Princess make it a very strong renewal. Without being rude to the others, it looks to be between the three of them and if he can show his previous Irish form, he has to be a live contender."

Blue Rose Cen Back In The Vermeille...

Away from the Irish Champions Festival, ParisLongchamp's Arc Trials card sees the return of **Blue Rose Cen (Ire)** (Churchill {Ire}) in the G1

Qatar Prix Vermeille as she moves up to a mile and a half for the first time. Looking as if it would suit when a close-up fourth in a tactically-compromising running of the G1 Nassau S. at Goodwood last time, Yeguada Centurion's G1 Poule d'Essai des Pouliches and G1 Prix de Diane heroine has the pedigree to last and the heart for it also. Whether she can cope with the G1 Yorkshire Oaks heroine **Warm Heart (Ire)** (Galileo {Ire}) is another matter given that Ballydoyle raider's effectiveness on a fast surface and their clash is eagerly-anticipated.

Christopher Head said of Blue Rose Cen, "We are trying her over a distance that is very different from the beginning just to see what we will do in the future. We need to see what she can do over 2400 metres to be sure about what we do over the next year. There is still the possibility she will get supplemented for the Arc. That will all depend on the result of the Vermeille and her aptitude over that kind of distance." **Cont. p20**

Sunday Previews Cont.

Aidan O’Brien said of Warm Heart, “She’s in good form and her last run at York was very good. She likes nice, fast ground and she’s very comfortable at a mile and a half so we’re looking forward to seeing her run again. She probably won’t get to run in this part of the world after Sunday, as the ground might get soft so she might head for the Breeders’ Cup, if everything went well.”

Arc Picture To Become Clearer...

It is hard to imagine at present with the sun so intense and the temperatures so high, but ParisLongchamp’s autumn showcase is just around the corner and Sunday’s card will start to set the tone. The G2 Qatar Prix Foy, which has produced just the one Arc winner this century, sees a fascinating clash between two lively outsiders for the main event in **Iresine (Fr)** (Manduro {Ger})--successful in this 12 months ago before adding an eclectic mix of the G1 Prix Royal-Oak and G1 Prix Ganay to his tally--and last year’s G1 Prix de l’Opera heroine **Place Du Carrousel (Ire)** (Lope De Vega {Ire}). The G2 Qatar Prix Niel looks hotter, with Jean-Louis Bouchard’s G1 Grand Prix de Paris hero **Feed The Flame (GB)** (**Kingman (GB)**) at the moment a genuine frontline contender for the big one. He will be compromised if this gets as tactical as it often does, with the G1 Deutsches Derby winner **Fantastic Moon (Ger)** (Sea The Moon {Ger}) and the G1 Poule d’Essai des Poulains winner **Marhaba Ya Sanafi (Ire)** (Muhaarar {GB}) adding intrigue.

{Ire}), was knocked down for €90,000.

First-season sire **Magna Grecia (Ire)** already has seven winners among them Listed Prix Yacowlef hero Myconian (Ire) to his name, and Scuderia Incolinx shelled out €100,000 for a son of the Coolmore stallion (lot 10) and the Mr. Greeley mare Ceoldrama. From the Nedo Giudici draft, the colt is a half-brother to listed winner Teresa Mendoza (Ire) (Territories {Ire}), who has been placed three times at the group level.

Saxon Warrior (Jpn), who sired his seventh stakes winner on Friday, was the sire of lot 17, a colt out of the Excellent Art (GB) mare Epica (Ire), who was placed twice at listed level. Offered by Razza Vedano, the colt joined the Scuderia Incolinx fold for €80,000.

Fresh off siring his second Group 1 winner in **Regional (GB) at Haydock on Saturday**, Territories (Ire) was also the sire of note of a filly out of Pardon (GB) (Kyllachy {GB}) (lot 28) during Saturday’s session. She sold to Giotti Simone for €70,000 from the Razza del Sole consignment.

Al Musmak became the second new stakes winner for his Darley sire in one day at Haydock Park after the victory of Flight Plan (GB) in the G2 Dullingham Park S. at Leopardstown.

A winner of an Ascot novice race on debut in July, the colt was second to Rosallion (Ire) (Blue Point {Ire}) in the Listed Pat Eddery S. there at the end of the month. Content to sit near the tail of the field as Hot Fuss (Ire) (**Calyx (GB)**) made up the vanguard, the bay mounted his charge with 300 metres remaining and ground his way to the head of affairs by the furlong marker. Although he leaned to the left in the final strides, Al Musmak had done enough to secure the victory and become the 38th stakes winner for his Darley sire. Juddmonte's Macduff was second.

Said pilot Ben Curtis, "He relaxed lovely at the back, and I was keen not to give them too much rope at the two pole here as they can get away from you. He travelled into it nice and to be honest when I asked him he responded and he went to the front and saw out the mile well. It was very pleasing. He floated across the ground and that was probably the question mark as the ground up until now has been a bit slower, but he handled that beautifully. He has the right mind for it and he took it well. Hopefully he can take another step forward after that."

The first foal out of Parton, Al Musmak has a yearling full-brother (**lot 554**) who is part of the Houghton Bloodstock consignment at the upcoming Tattersalls October Yearling Sale Book 2, and a weanling half-brother by Too Darn Hot (GB). His

granddam is the high class Dansili (GB) mare Proviso (GB), who struck four times at the highest level, and is herself a half-sister to G1 Prince of Wales's S. hero and sire Byword (GB) (Peintre Celebre). **VIDEO**.

GHOSTWRITER (IRE) (c, 2, Invincible Spirit {Ire}--Moorside {GB} {SP-Eng}, by Champs Elysees {GB}), who notched a 3 1/2-length debut triumph over this trip at Newmarket last month, was quickly into stride and enjoyed a narrow advantage on the front end through the early fractions of this second outing. Gathered together as threats loomed on both sides passing the quarter-mile marker, the 10-11 favourite was stoked up approaching the final furlong and ridden out in the closing stages to comfortably hold Dark Tornado (Ire) (Dark Angel {Ire}) by 1 1/4 lengths. Ghostwriter is the second of four foals and lone scorer produced by Listed Cheshire Oaks runner-up Moorside (GB) (Champs Elysees {GB}), herself a half-sister to the dam of the stakes-winning Give Me A Hint (Merit Man). The Irish Champions Festival began with a renewal of the Listed Ballylinch Stud Irish EBF Ingabelle S. which may prove better than its status in time as two class acts dominated proceedings throughout.

While Ballydoyle's 13-8 favourite Content did her thing by going fast in front and keeping at it, Natalia Lupini's Kitty Rose had too many guns from over a furlong out and stretched to an impressive 2 1/2-length success under Billy Lee. In doing so, the 3-1 second favourite who had made an instant splash for owners Nigel O'Hare, Gary Devlin and the Kabin Racing Syndicate in a decent maiden at Naas last month provided her first-season sire with his initial black-type winner.

For Milan-born and Co. Down-based Lupini, the win was a landmark moment in her fledgling training career. The winner, a 20,000gns Tatts Book 3 bargain, beat the smart yardstick Tannola (Ire) (Awtaad {Ire}) decisively on debut in the race that the stable's Highly Desirable (Ire) (Twilight Son {GB}) had been third in last year before going on to finish in the same spot in this race.

"She's a big filly, very honest and when she gets into a rhythm she gallops towards the line. She gives it all," she said. "The lads were looking at the Guineas next year. She'll be a stronger filly and she won't have any problems over a mile." [Cont. p25](#)

Listed Ingabelle S. Cont.

“We’ll see how she comes out of this race and we’ll talk to the owners and see what they would like to do,” the trainer, who is expecting a child in October, added. “We would like to give her a bit of time in the winter to fill out. She’s a big filly and will benefit from a winter break. She’ll be a nice 3-year-old and we’re very much looking forward to having her next year. Hopefully we’ll get to train her.”

Like the card’s G2 Solonaway S. winner Flight Plan (GB) (Night Of Thunder {Ire}), Kitty Rose hails from the family of Whitewater Affair (GB) (Machiavellian). She is currently the last known foal out of the dam Varnish (GB) (Choisir {Aus}), a granddaughter of that G2 Prix de Pomone winner’s half-sister White House (GB) (Pursuit Of Love {GB}) who produced the G2 Ribblesdale S. runner-up Eldalil (GB) (Singspiel {Ire}) and who is the second dam of the G3 Round Tower S.-winning sire Cappella Sansevero (GB) (Showcasing {GB}) who was third in the G1 Phoenix S.

SKEW WIFF REVERSES RESULT

Skew Wiff | Peter Rubery, Race Images Palmerston North

By Keely Mckitterick

It was a super Saturday for Mark Walker and Sam Bergerson under the Te Akau Racing banner to claim the two 3-year-old features. The pair sent the Waikato Stud-bred- and -owned mare **Skew Wiff (NZ)** (Savabeel) out in the G1 Tarzino Trophy.

The daughter of Savabeel was denied narrowly by **Dragon Leap** (Pierro) first-up in the G2 Foxbridge Plate but was able to exact her revenge by beating that galloper.

The G1 Australian Guineas heroine **Legarto (NZ)** (Proisir) kicked off her preparation in fine style, finishing in third only 0.4 away.

The Australian Group 1 winners **Callsign Mav (NZ)** (Atlante) finished fifth, while **Sharp 'N' Smart (NZ)** (Redwood {GB}) and **Pennyweka (NZ)** (Proisir) finished ninth and 13th, respectively.

The Tarzino Trophy is the third win and first Group 1 success for Skew Wiff, who has been placed twice at the elite level.

It was a deserved big-race breakthrough for Skew Wiff, who had twice been placed at the elite level, and a tough win it was too.

Pedigree Notes

The 134th stakes winner and the 32nd Group 1 winner for her Waikato Stud-based, G1 WS Cox Plate-winning sire, a stalwart of New Zealand breeding, she is a Waikato homebred.

The second stakes winner for the day (Tokyo Tycoon {NZ} by Santono Aladdin {Jpn}) the other) for Starcraft (NZ) as a broodmare sire, Skew Wiff is the first foal for the Listed Hazlett S. winner Starvoia.

Served last spring by Noverre (NZ) after foaling a Super Seth filly, Starvoia--whose 3-year-old is a yet to be named full brother to Skew Wiff--is a granddaughter of the G1 South Australian Oaks winner Dowry (NZ) (Bahhare {USA}).

Dowry is one of three stakes winners produced by Meant For Me (NZ) (Noble Bijou {USA}), also dam of the G2 International Trophy winner Fatal (NZ) (Bakharoff {USA}) and the Listed winner Richfield Destiny (NZ) (Bakharoff {USA}).
