

Logitech®

# RX300 Optical Mouse

## Innovation in Navigation

The RX300 Optical Mouse features Logitech's Tilt Wheel plus Zoom technology allowing the user to scroll horizontally and vertically, or zoom in and out. 4-Way scroll offers a whole new level of maneuverability in applications saving time, and reducing hand movements to the arrow keys on the keyboard in order to navigate oversized screen files. Its ambidextrous design with an arched shape make it a durable, comfortable choice for working long hours, whether for left- or right-handed users. Available in black or white colour versions, its new business packaging has been optimised for system builders, integrators and value-added resellers. Comes with a 3-year warranty.

- Tilt Wheel + Zoom for 4-way navigation in large documents
- Digital 800 dpi resolution for smooth and precise cursor movement
- Ambidextrous design with an arched shape that's comfortable for right- or left-handed use
- Certified for Windows Vista Premium editions
- USB to PS/2 Combo connector
- Available in black or white versions
- New business packaging optimised for the reseller channel
- 3 Year warranty
