TomTom GO 740 LIVE is navigation and so much more. Real-time information saves you time, money, and stress. GO LIVE automatically accesses traffic feeds, updated fuel prices, Local Search powered by Google, Weather, and Buddies – so you can stay in the know on the go. Real-time services work right out of the box via a built-in wireless data connection.** Three months of service included.

TomTom's award-winning software means the ultimate driving experience. Switch on and go right out of the box. Just enter your destination address with voice recognition or on the touchscreen and start driving anywhere in the US and Canada. TomTom GO 740 LIVE guides you door to door with turn-by-turn spoken instructions, including street names.

The GO 740 LIVE features IQ Routes™ Technology which gives you the fastest route every time by using actual

average speeds of travel on your route to calculate your trip time rather than posted speed limits. You'll always travel the smartest route.

TomTom has the most accurate maps and with TomTom Map Share™ technology you can instantly modify street names, street direction, POIs, and more on your own device.

The TomTom GO 740 LIVE is the ultimate connected car navigator.
