Notes

from the Park Manager

Happy March!

A few reminders:

Pets-

Dogs need to be on a leash at ALL times and under your control. Please make sure you clean up after them.

Please be mindful of where you allow your dog to go "do their business.". Stay out of resident's private yards and common areas.

Handicap Lifts –

The Handicap lifts are installed and operating at the Pool & Spa. If you need help using it, please contact the office and we can alert someone to help you.

Leaving to go back home for the season? –

If you are heading north, we recommend you leave your air conditioning on to lower the humidity inside your home.

This will reduce the chance for mold and critters greeting you when you come back to Trailer Estates in the Fall.

Carport Clutter –

Please take a moment to take a look (maybe from your neighbor's perspective) at how much clutter/junk that you have stacked up in your carport and around your mobile home.

The plaster statue of Donald Duck that your Aunt Edna gave you 23 years ago will probably never make it into your home! Please donate it or throw it away. We also need to be concerned that if there are high winds, items in your carport may become projectiles while you are away.

Speeding –

The speed limit in the park is 25mph. The speed limit on Bay Drive is 25mph. Please obey the speed limits!

Daytona Speedway is on the other coast!

Grass Cutting –

We are noticing some homes look great in the front and are left uncut in the back. Make sure your grass cutting "guy" knows to cut the back yard as well as the front (and the sides).

Enough of my "groanin' for now!

Stay well,

Lee

According to Florida Law, consumers who knowingly hire unlicensed construction contractors could face a fine of up to \$5,000.

The Importance of Accident and Incident Reporting

Allow me to introduce to you Policy and Procedure #27B- Accident and Incident Reporting. This policy was adopted in 2022, and copies are available next to the first aid boxes. To quote from the policy, “If an accident or incident occurs on District property, it is critical to gather information and document the event for reporting purposes. An accident or incident is defined as any event that leads to a personal injury to a resident, guest, or visitor.” This policy depends on everyone to do the right thing by reporting any accident or incident, whether you are a witness or directly involved in the event. EMS is to be called for every accident or incident occurring on District property.

Now you are probably thinking, “What do I do if I witness someone who has been injured?” We ask everyone to complete the Accident and Incident Reporting form and gather as much information as possible. Even if you did not witness the accident/incident, but come upon an individual who has been involved in an accident or appears injured, the information you provide on the form is vital. Completing this document does not hold you responsible. Once the Accident and Incident Reporting form is completed, please drop it by the office, or in the night drop box, if the office is closed. This information is shared with the District’s liability carrier.

What makes Trailer Estates unique as a 55+ community is its long history of caring for each other. We ask that every resident familiarize yourself with this Policy and Procedure and act on it if you become involved in or witness an accident or incident.

Architectural Review Committee

**DON'T START A PROJECT ON YOUR HOME
WITHOUT AN ARC REVIEW**

If you make any changes to the outside of your home, you must first obtain an ARC APPROVAL prior to beginning work. This is for repairs and/or new work. Changes or additions to your mobile home includes but not limited to doors, windows, stairs, pavers, A/C, sheds, etc. The office can provide you with a blank Approval Form (PP33) or you may find it on the Trailer Estates website. The Architectural Review Committee (ARC) will review your completed application and approve or deny your request. The ARC will notify you upon the approval/denial.

Upon approval, an orange card will be issued and must be displayed in your window for 6 (SIX) months or completion of project, whichever comes first. Lot Surveys MAY BE REQUIRED. All permits will expire 6 (SIX) months from date of issue. The ARC has up to 30 (THIRTY) days to ACT on your request. Thank you for your help with this matter.

Marina News

The marina is very limited on longer size slips. If you are going to buy a boat that is over 19 feet long, **please**, call the dock master to see if we have a slip available. The Dock master has had to disappoint several people by telling them we had no place for them to dock their new boat.

Boats will only be rented slips that they fit in. For instance, if you have a boat that fits in a 28 foot slip, you will not be able to rent a 30 ft slip, if your boat fits in a 22ft slip, you will not able to rent a 26ftslip. The larger slips are for longer boats. Boats are measured from the farthest thing that sticks out on the bow to the motor in full tilt. We do not measure your boat by what it says on the registration.

If you are buying a party boat, deck boat or pontoon boat, please watch the size of the beam (width) of the boat you buy. These newer, wider boats have a hard time fitting in many of the slips without touching the sides of the decking. Please buy a boat that will give you room, on each side, to adjust with the ebb and flow of the tide.

For the first time in a long time we have 20ft. slips available!

Contact Dock Master Todd Lombardi at 574-214-5651.

From the Desk of Cindy O'Brien, Your Health and Welfare Trustee . . .

If you are new to the park, please look at the Tribune or our new website to find an activity that interests you. I started with one event and found so many nice people that I had things in common. I learned a new card game, "hand and foot" and now I play every week. I believe to have good health you must keep you mind and body moving. Trailer Estates can change your mood and change your life. I am now a full-time resident and enjoying life again after loss. Hope to meet you soon.

Happy St Patrick's Day!

Manatee County Animal Ordinance Reminder

Residents, renters, and/or guests of Trailer Estates with a dog please review the following:

According to ordinance 22-16, no dog shall be "at large," upon any public property, street, or sidewalk, or on private property of another, without the consent of the property owner. Additionally, the owner or custodian of a dog must have "direct control" of such animal at all times.

The following definitions are related to this section of the ordinance to assist with understanding specific meanings:

AT LARGE shall mean any dog on the owner's premises, not in the control of the owner or custodian; or any dog off the premises of the owner or custodian and not under the physical control of the owner or custodian.

DIRECT CONTROL shall mean immediate and continuous control of an animal at all times by means such as a fence, animal carrier or cage, leash, tether, cord, or chain of sufficient strength to restrain the animal or the animal shall be within the unobstructed sight, attended, and supervised by a competent person, by use of hand or voice control, when on the property of the owner or custodian, or property which the owner or custodian of the animal has the right to use.

From the Desk of the Public Relations Trustees

It is great to see all of the activity in the park. The park is really starting to look great and everyone's efforts to make it this way, is appreciated.

Park Violations

Periodically, the Park is checked for violations as specified in Part E of the Rules and Regulations. If there is a violation, a letter is sent to the owner describing the violation specifying dates to correct the violation. Open violations are checked, and if a violation has been taken care of, the file is closed.

Sometimes, it can be a challenge to find the owner of a property to issue violations because the owner information sheet in the office is not up to date. There are several situations where the owner is deceased and the heirs have not notified the office of this change. If you haven't updated your information form recently, please visit the office to complete the Owner Information form (PP27). The violations are reviewed weekly and an additional violation is written if it is not taken care of in the time specified. A report showing all Violations is attached to the Workshop Agenda for the first Board Meeting of each month.

Additionally, you can help the Public Relations Trustees by completing a Complaint form (PP32) when you see a violation or any other problems that are of concern.

Enforcement Committee (PP11)

"An enforcement committee of at least three members, consisting of parcel owners, shall be appointed by the trustees. The role of the Enforcement Committee is to hold a hearing, providing the offender with at least 14 days' notice and make a recommendation to the board regarding the proposed penalty/fine. The trustees will subsequently rule on the recommendation of the Enforcement Committee to either confirm, reject, or modify any fine or penalty." If the third violation is not complied within the specified time frame, it will be referred to the Enforcement Committee. The first hearing was held in January and five fine recommendations were made to the board. These were based on non-compliance by residents after a third violation was issued. The Board approved the recommendations of the Enforcement Committee at the February 6 Board Meeting.

Parking Rules

With the Spring Break season coming up, a lot of residents may have visitors with recreational vehicles. The following rules are in the TE Rules and Regulations.

OVERNIGHT PARKING

Pursuant to Florida State Statue, 715.07, all overnight parking on Trailer Estates Park and Recreation District property is prohibited except by permit only.

PARK LANE PARKING LOT

I. Six-day storage permits may be requested at the District Office by those displaying current District Identification Cards for their own and/or a guest's vehicle. Permit must be prominently displayed on the vehicle upon arrival. If arrival will be after office hours, on a weekend or a holiday, it is the owner's responsibility to obtain the permit PRIOR to arrival. In an emergency, contact the South PR Trustee, or their designee, regarding a permit.

II. Occupancy is limited to three nights in self-contained vehicles only. Permit must indicate occupancy. No extension to 3-day occupancy permits will be granted by the office.

ALL OTHER TE PARKING LOTS AND THE TEN PROPERTY

Overnight parking in other TE parking areas or on the TEN property is prohibited. Vehicles SHALL BE TOWED AWAY AT THE OWNER'S EXPENSE.

RESIDENTIAL PARKING EXCEPTIONS

With a Parking Permit (PP35A) prominently displayed on the inside of the windshield or exterior of the vehicle, boat, travel trailer, utility trailer, motor home, or similar property, may be on premises for purpose of loading, unloading, repairs, cleaning, etc. for no more than 48 hours in a 30-day period.

Operation of Golf Cart – Update

With Spring Break coming soon, there will be a lot of grandkids in the park. They want to have some fun and drive the grandparents' golf cart. Please comply with the following rules.

Effective October 1, 2023 CS/CS/HB 949 (Chapter 2023-67, L.O.F.) requires that a person operating a golf cart on a public road or street, as authorized by the responsible local government entity, must

- If 18 years of age or older, possess a form of government-issued Photographic identification; or
- If under 18 years of age, possess a valid learner's driver license or valid driver license.

Treasure Barn

The TREASURE BARN continues to serve Trailer Estates Park. Items donated for resale can be dropped off or put on the tables located on the south side of the building; we check the tables throughout the week. Please Note: We cannot accept LARGE ITEMS such as stoves, washers, dryers, refrigerators, and/or vehicle tires...

OPERATIONAL hours: October thru April, we are open for sales THURSDAY and SATURDAY from 8:30AM to 11AM.

This season, we have transferred \$35,000 to the Park for the renovations in the Large Hall such as ceiling, lighting, painting, window treatment, enhanced storage area in the back of hall, and new stage curtains—just to name the big ticket items.

We NEED your donations to help us with refurbishing our facilities, 100 percent of our profits goes back into the park, so every dollar you spend at the Treasure Barn goes back for your benefit to upkeep OUR PARK FACILITIES.

Our dedicated volunteers work faithfully to "rehome" the TREASURES that are donated. Thank you to those who donate items for resale, and to those who purchase our TREASURES.

Questions and pick-up arrangements, please contact Barb Sewell, Treasure Barn Chairperson @ 941-405-9866.

Seasonal Recreation

Welcome to March 2024. This month is the last big month of seasonal activities and many feature a bit of the Irish. So, here's the rundown.

On Saturday, March 2, Rye Road Band will return to entertain at the Saturday night dance. If you heard them last year or have seen them play at the various clubs in the area, then you know how exceptional they are. The dance begins at 6PM. The dances are free to all who have a TE issued park ID and only \$7.50 per person for anyone in the community.

On Thursday, March 7, the John Rinell Quartet will be entertaining. If you came to the Big Band Night event last year, then you heard John Rinell and his outstanding voice. This 90-minute concert will feature music from Frank Sinatra and all the greats of that era. Wear your dancing shoes as the dance floor will be available for this event.

If you haven't attended any of the Showtime Saturday Night events, then this is the one you need to attend. The final Showtime Saturday Night features The Byrne Brothers Show on Saturday, March 9. This multi-award-winning family from Donegal Ireland will be singing traditional Irish music and dancing. Each member of the band is a County champion musician and Ulster champion Irish dancer. They will have you tapping your toes and even singing along. The event begins at 7PM. \$5.00 per person will be taken at the door.

Do you enjoy gospel music? Then join us for a special gospel concert on Tuesday, March 12 with the Trailer Estates Trio. This talented trio features residents Hope Warner, Dino Dunsford, and Robert Browning. The concert begins at 7PM. Donations will be taken at the door.

Then on Saturday, March 16, we will celebrate St. Pat's Day with the Paisley Craze Band at the Saturday Night Dance. We encourage everyone to "don the green" and wear your favorite St. Pat's attire as you may win a prize. Paisley Craze will be playing music of the 60s era. The dance begins at 6PM. This is a free event for all who present a TE issued ID.

We finish out the month of March with the Beach Party Happy Hour Dance on Thursday, March 21. For this dance, YaYa Diamond will return as the DJ. The event begins at 5PM. This year, everyone will have the opportunity to purchase a bratwurst or hamburger meal for just \$5.00 or you may bring your own picnic meal to the event. The pavilion will be cleared for dancing and the surrounding beach area will be lit up. If you attended last year's beach party, then you know how much fun it was. So, grab your beach chairs and coolers, and join us for the last big event of the season. We hope to see everyone there.

We hope everyone enjoys the activities and events this month. A special thank you goes out to all the residents who have given their time and volunteered to make each event happen. And, a huge shout out to the TE Maintenance staff who set up and take down for each event and make everything happen.

Until later.....KTG

CLUBS & ORGANIZATIONS

The Art Club

Hi from the Art Club. I can't believe it is March already and we are winding down our season. I must be getting older because it seems the time went by much faster this year than last! We have had wonderful classes in January and February with our club artists creating beautiful pictures with help from various local instructors. We only have a few classes left this year: one with Kris Peterson on Thursday, March 7, and two with Alan Berkshire on Monday, March 11 and Thursday, March 14. Then we are done! On Thursday, March 21, there will be people in the Art Room from 12:30PM – 4PM to help you mat and frame your paintings for the Art Show. Let John Guest know if you will be coming to get help so he has an idea of how many there will be.

Our last meeting of the year will be on Monday, March 4 at 1PM. We need everyone to come out and participate - old members and new members. Our old members bring their knowledge of what has worked in the past and our new members bring new ideas for us to try. We cannot have a successful club unless we have good turnouts to our meetings so we can have input from everyone. Especially at this last meeting, we need everyone's feedback on what they liked this year, what they didn't like (hopefully nothing), and most importantly what they want for next year. We will also be electing new officers which is vital to the success of the club. As you can see, it will be a very important meeting. It is crucial that

you make your voices heard so that next year can be as great as this year, or even better; though, that might be difficult as John Guest did such an outstanding job lining up the classes.

Now, let's discuss the icing on the cake for the Art Club . . . the Annual Art Show! The Art Show will be held on Sunday, March 24 in Mark's Hall (the small hall) from 2PM – 4PM. There will be paintings from all our artists and there will be displays from the other art and craft clubs here in the park. There will also be the infamous Cookie Table! Come out and be amazed at the art your friends and neighbors have created and have some delicious cookies and punch. Between the beautiful art, the Cookie Table, and the company, you couldn't ask for a better afternoon!

I hope everyone enjoys their summer and keeps on painting so when you come back next season your brush is still limber and you're ready to keep on painting. I know that there will be another great schedule of local instructors to teach you and guide you next season. We are so blessed to have all the talented instructors who have taught so many of us to paint. We are also blessed to have several gifted instructors among our own members who are willing to share their time and knowledge with us. We have a wonderful Art Club and this has been a great year for our club. Let's all work together to continue it next year.

See you in 2025!

Beautification Club

The Beautification Club is off to a busy year. Many thanks to all who attended the Back to the 80s party and to all of those who helped with this event.

On March 5, we have the Ladies Tea which will feature a special guest and lots of prizes. Wear that special hat and a smile and remember to place your name on the back of your ticket for the prize drawings.

The BC encourages you to swing by the Marina and check out the new park benches. These benches were purchased by the following families: Deb and Steve Smrke, Janet Brown, Toni Smith and the family of one of our first residents, the Robert Garrett family in memory of loved ones, along with a donation from the club. Thank you all for helping the Beautification Club to continue to "pretty up our park."

Bocce News

I want to thank all who helped at the Bocce French Toast breakfast and those who bought tickets. It turned out great, and the food was fantastic. The 50/50 winner received \$204 and \$204 went to Bay Pines Veterans Hospital (thank you, as I benefit from VA services). We also donate profits to the Christmas dinner and other clubs who need funds.

As I write this, we are getting ready for the Canada/USA tournament. I ought to stay neutral but GO USA! This coming month is the Members Tournament on the 15th. It is an all-day event starting with sign-up at 8AM – the games start right after all are signed up. If you want to play, you must be a member at least two weeks prior to the 15th — **If you sign up to play, plan on being there all day, this is a winner progression tournament and sometimes goes on until sunset!** There will be food available; brats, hot dogs, hamburgers, chips, pop, and water. You do not have to be a member to buy food; there is a minimal cost. It's a lot of fun (and yet serious) so please come out and cheer for your favorite team!!

On another note, there will be a Bocce social on the 22nd at the beach pavilion after regular play; starting at 3:30PM. Bocce will supply the meat, and the rest is potluck.

It is CERT BREAKFAST time again. Our next breakfast will be March 11th in the Large Hall from 9AM - 10:30AM. You will need to purchase your ticket ahead of time at the Post Office the Wednesday before the breakfast, 10AM – 12PM. We have a great menu, as always, which will include biscuits and gravy, made to order omelets, grits, pancakes with homemade blueberry syrup, casseroles, bagels and rolls, juice, coffee, and more. This is an all you can eat event except for the cinnamon rolls, one per person. Our last breakfast for the season will be April 8th.

Important information from CERT for the community. Our Command Center during an activation event is in the Activity Center. We have our radio operators available for the community should they have a need of any kind. We can communicate with the Emergency Services, as well as having trained volunteers, here in the Park to assist you.

We would like to hear from all of you about the services we could offer the community. Currently, Active Shooter, Stop the Bleed, Search and Rescue, and a new program showing an actual hurricane event in Florida and the part CERT plays in the aftermath, are available. Our events are open to all residents of Trailer Estates. The events are held in the mornings, usually at 10AM.

We here in Trailer Estates are always looking for members to be HAM operators as that is our only means of communication in a disaster, should we lose cell or 911 system. CERT will offer classes for Ham licensing test preparation when we receive enough interest. Just send an email to the address above to enroll or for more information. In an emergency, CERT may authorize a licensed HAM radio operator to broadcast with a CERT member present. If you are interested, let us know and we will get you in the next class even if you are not a CERT member. If you have a HAM license, CERT would like to have you join. Send an email or call to join the class. (See contact information at top of article)

Trailer Estates needs more CERT trained volunteers, FEMA requires that all CERT members be certified to respond to a disaster. At the completion of your CERT Basic Training class, you are issued a CERT badge that identifies you to other First Responders. CERT Basic Training classes are to be held when we have at least 10 volunteers. Email your interest to originaltr@cs.com to receive an application via email. CERT is a part of FEMA/Homeland Security. If you wish for more information about CERT, google FEMA/CERT. The classes are free and once completed, your certification/identification is accepted nationwide. Be sure and visit our website www.cert-te.org.

CLUBS & ORGANIZATIONS

Horseshoe Club

The Horseshoe Club is one of the oldest clubs in Trailer Estates. We compete each year against other parks and clubs. We currently play against Hawaiian Island, Tripar, and Anna Marie Island. Not everyone plays in the competitive events. We play on Monday, Wednesday, and Friday with play starting at 8:30AM. However, you will see several early birds starting around 8AM. Play is open to men and women. We will give you instructions to learn and improve your game. Lessons are available by appointment, and can be at your convenience.

We enjoy the game of horseshoes, but more than anything, the fellowship and camaraderie are great. Horseshoes is a game of skill and thinking. It also gives you some exercise, without tearing up that treadmill. Come on down and check us out; you will be glad that you did. For additional information on Horseshoe Club activities, call Archie Canterbury at 810-240-4887 or Tim Kirkpatrick at 941-739-0006.

Michigan-Canada Club Party

Our search for a leader is ongoing, so if you are interested, please contact Krissi Garrette at 517-282-2880. At the last annual party, we had over 100 volunteers. There are many available to assist, but we need a leader. This event could be coffee and donuts, a potluck, a lunch, a dinner; whatever, you the leader, want it to be.

Neighborhood Watch

Do you know that if you are aware of 'squatters,' attempted break-ins, trespassers, thefts, vandalism, or any suspicious activity there is a good team of patrollers to investigate, assist and help keep you and your property safe? NW should be notified for EVERY incident; however, if you witness an actual crime, please call 911 immediately. By then contacting NW, we can not only assist the sheriff but also follow up with continued efforts in the matter. SEE SOMETHING, SAY SOMETHING. Please help us help you.

Pickleball

We, at pickleball, are having a great season and we welcome anyone who wants to join us and have fun and get exercise at the same time. Our numbers are increasing, but there is always room for one more.

We are again having a very successful beginner's program, thanks to the leadership of Chuck Furlong. If you have never played before, or simply want to brush up on your game, come on down.

The playing schedule for advanced members and the schedule for beginners are posted on the bulletin board adjacent to the south entrance to the Large Hall. These schedules are also listed on the Trailer Estates web site calendar. Please note that at times, some of the playing days are superseded by special park events.

CLUBS & ORGANIZATIONS

Share-A-Craft

Even though our season is in full swing, it's not too late to join Share-A-Craft. We are a 48 year young service organization that also promotes friendships, enjoyable company, and a way to meet new people and make new friends.

We have activities three days per week: Tuesday is Workshop and meets from 9:30AM – 11:30AM; Wednesday is Quilting and is held from 9:30AM – 11:30AM and 1PM – 3PM; and Stitchery is on Thursday from 9:30AM – 11:30AM. All activities are held in Craft Room 1.

Workshop is when we make the cozies, scrubbies, cards, potato bags, and all the other items we sell at the monthly Bazaars. All money raised is donated back to organizations within Trailer Estates. For more information about Workshop, contact Kaye Wo-loshyo at 217-971-7302.

When the Quilters meet they are creating the gorgeous quilt that is raffled off at the March 2nd Bazaar. For information on joining the Quilting Group contact Carolyn Marra at 330-309-7498.

Stitchery is when our members meet to work on their own craft projects, learn new crafts or teach interested members a new kind of craft. It is also a time to receive help with a complicated project or encouragement to finish their UFO-UnFinished Object. For information regarding Stitchery contact Eileen Bohall at 941-807-6611 or Roxanne True at 502-531-3260.

Our next Business Meeting will be held on Tuesday, March 5 at 10AM. Immediately following our meeting, we will be having our Year Ending Pot Luck at the Beach Pavilion. Saturday, March 2 will be the final Bazaar and the quilt will be raffled at this time. Raffle tickets will be sold at the Post Office on Thursdays from 11AM – 2PM, and at the Bazaar.

T E Singles Group

The newly formed Trailer Estates Singles Group (TESG) met for the first time on Friday, January, 12 at 3:30PM in the Pelican Room at the Activity Center. The following Friday, the members filled out contact information and an interest survey about activities and interests inside and outside the park. Ed and Joan Frearson demonstrated Wii bowling. After a short meeting, the group became better acquainted over a restaurant dinner. Some members attended the Sock Hop at an American Legion on Saturday evening. The group will continue to meet weekly, planning activities (i.e. bocce and shuffleboard) and events (i. e. movies and theater) for opportunities to socialize as a group. Interested in joining in the fun? Contact Sue Livasy at 231-947-5086.

Meet Your Neighbor

BILL and MARY JANE MUMFORD

When our Literary Ladies group decided to embark on a writing project called Meet Your Neighbor, I spoke up and said that I wanted to write about Bill and Mary Jane Mumford. Back in the spring of 2009, my parents, Norm and Marcia Miller, were both ill. My brother David and I were trying to figure out how to get them out of the hospital, back to 6921 Park Lane, and then on home to Petoskey, Michigan. Bill, a retired pilot, helped us arrange a private plane. Mary Jane was so helpful and kind. My parents and the Mumfords were good friends through the church, golf, and park activities.

Not only was I interested in writing about the Mumfords because of their connection with my parents, but also because of their important and lengthy service to our community. Bill joined the Video Club initially to obtain advice about purchasing a video camera. He continued until recently, videoing all board meetings, church, and other activities. Then, Bill edited and scheduled videos to be seen on air by TE residents over our TV channel, which is now #732. Both my dad and Bill were in the men's golf league, and his comment to my dad was, "Don't be short, Norman."

Mary Jane and Janet VanderMolen did blood pressure screenings together for many years. Cookies for Sharing was one of Mary Jane's projects; providing homemade Christmas cookies to those age 85 plus and to people who had lost a loved one. She served on the church board and sang in the choir, along with Bill. Rug-hooking and the Share-A-Craft group were two other interests of Mary Jane.

Bill was born on August 20, 1931, in North Adams, Massachusetts where he was raised. He took a North Adams State Teachers Course for two years, but in his third year changed to be an aviation cadet. Pilot training was for a year in Missouri and Texas. Bill was then commissioned as a Second Lieutenant in the Air Force. This pilot can list all the airlines for which he later flew, ending with U.S. Air, until an age-forced retirement at 60, in 1991.

Mary Jane was born on October 15, 1931, in North Adams, Massachusetts but was raised on a multigenerational family farm in Stamford, Vermont. Since childhood, she always wanted to be a nurse and attended Union University School of Nursing in Albany, New York. After her three years of training to be an R.N., Mary Jane moved back home to save money. She worked at a North Adams hospital where the nurses cooked breakfast for their patients! This nurse married Edward Nassif on May 22, 1954, and continued her career at Cornell Medical Center in NYC until her husband's transfer to the Albany area. After that, Mary Jane was a devoted stay-at-home mom until her daughter and son went off to college. She completed her career in various nursing homes.

Bill was first to come to Trailer Estates, renting a trailer for his mother to spend winters here. He and Mary Jane were high school classmates in North Adams, Massachusetts. They reconnected at their 40th class reunion and were married on June 9, 1990. The couple bought two lots at 1715 Iowa, and the old 1958 trailer was removed. Bill and Mary Jane designed their new triple wide mobile with Jacobsen's, placing it on an angle. It was scheduled to be delivered on Mary Jane's 69th birthday but was delayed. The year 2000 saw them living in their new home where they have resided ever since!

The Mumfords, Bill and Mary Jane, are much loved members of our community, and we are so thankful to them for what they have contributed to TE to make it "a little piece of paradise." I personally am grateful for the opportunity to reminisce with this lovely couple about my late parents and get acquainted with their daughter and son-in-law, Peg and Mike Wilson, who now own Joe and Bev Salerno's place.

Jokes Of The Month

EXERCISES FOR SENIORS

We all know how important exercise is as we grow older. So, here are a few suggestions. . .

I start by standing outside with a five-pound potato sack in each hand, extend my arms straight out to my sides, and hold them there as long as I can.

After a few weeks, I moved up to 10-pound potato sacks, then 50-pound potato sacks. Finally, I got to where I could lift a 100-pound potato sack in each hand and hold my arms straight out for more than a minute!

Next, I started putting a few potatoes IN the sacks, but I would caution you not to overdo it at this level.

Charter Communications. Programming may vary. Channels, Tiers and Packaging subject to change. Services not available in all areas. Charter issued digital receiver or CableCARD required to view programming channels, except for Basic Service viewable with customer owned TV equipped with digital QAM Tuner subject to future service changes when a market transitions to All Digital. Charter issued digital receiver required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD or Digital Terminal Adapter customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide.

In a switched digital market, due to system technology enhancements access to certain digital channels will require a digital receiver, as HDTVs & digital QAM tuners equipped with CableCARDs or TV's equipped with Digital Terminal Adapter's cannot access certain digital channels requiring two-way communication (e.g., PPV & On Demand programming). CableCARD customers with TiVo equipment will also need a Tuning Adapter for access to such digital channels.

SAP - Second Audio Programming (Spanish Language when available) is offered on analog Basic Service & Expanded Service channels. Check your interactive program guide for further details. Channel numbers listed are for either analog cable-ready TV sets or Charter digital receivers. Customers using a QAM tuner TV or other personal QAM tuner device, not connected to a digital receiver, must activate the Auto Program feature, as described in the TV/ device's Owner's Manual, to receive some digital services.

Any contractual relationship between the parties will be the result of formal negotiations and will only become effective upon execution of the contract by representatives of the parties authorized to enter into such agreements. **Areas Served:** Anna Maria, FL, City of; Bradenton Beach, FL, City of; Bradenton, FL, City of; Holmes Beach, FL, City of; Manatee County, FL; Manatee County, FL; Manatee County, FL; Palmetto, FL, City of
