MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 20, 1928

The Board of Trustees of the University of Illinois met at the University, at Urbana, at 9 o'clock a. m. on Thursday, September 20, 1928.

When the board convened, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of June 29, 1928. On motion of Mr. Trees, the minutes were approved as printed on pages 665 to 764 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CHANGES IN THE BUDGET

(1) Aside from the minor changes made in the budget in accordance with the authority granted me at the time it was approved, I desire to report that I authorized the promotion of Mr. A. I. Andrews from Assistant Professor of Ceramic Engineering at \$3,500, to Associate Professor at \$4,000.

The Supervising Architect reports that through an error the salary of Mrs. Ruthe E. Murphey, Senior Clerk in the Physical Plant Division, was put in the budget at \$1,680 instead of \$1,740 which she received last year. I directed the Secretary of the Board to send her a contract at the same salary as she received last year (\$1,740).

I recommend the following increases for the year 1928-29:

- (a) William E. Britton, Professor of Law, from \$5,750 to \$6,500.
- (b) Joseph A. Morrow, Superintendent of Buildings, from \$4,500 to \$5,000.
- (c) Lawrence W. Murphy, Associate Professor of Journalism and Acting Director of the School of Journalism, from \$4,500 to \$5,000.
- (d) A. W. Secord, Assistant Professor of English, from \$2,600 to \$3,000.

On motion of Mr. Trees, these increases were approved.

REPORT ON CERTAIN CONTRACTS AND OTHER MATTERS

(2) In view of the impracticability of getting a meeting of the Board or of the Finance Committee or the Executive Committee, to act on certain matters, I secured the approval of the members individually or the authority of the President of the Board for the following matters:

1. Contract with William Bayley Company, Springfield, Ohio, for sash for Materials Testing Laboratory, at their low bid of \$7,130, as published in the Board Minutes of May 23, page 619.

2. Contract with the Armstrong Cork & Insulation Company for furnishing and applying "Acousticork" to the under side of the crane bay roof in the Materials Testing Laboratory, at a price of \$2,017. This is the only company that manufactures this material.

3. Contract with O. L. Kern & Company for heating of the remodeled Davenport and Kappa Houses at their low bid of \$1,864.

4. Contract with Hedstrom Schenk Coal Company for approximately 1,000 tons of Pocahontas Mine Run Coal for the Chicago Departments for 1928-29 at their low bid of \$6.40 net per ton.

5. Award of contract for R.O.T.C. uniforms for advanced courses to De Moulin Brothers & Company at \$29.55 per uniform. The government allowance is \$30 per uniform.

6. Award of contract for ventilating the old chapel to Henry Reuter & Sons of Kankakee, at their low bid of \$2,471.

7. Contract with Rezilite Manufacturing Company for impervious flooring to cover the wooden floors in the old part of the Chemistry Building at a price of \$2,830.

The letters indicating the procedure in these various matters have been filed with the Secretary of the Board.

On motion of Mr. Barr, the action of the President of the University in carrying out the wishes of the Finance Committee and of the Executive Committee, as indicated by their signatures, was approved and confirmed.

**INVESTMENT OF THE MCKINLEY PROFESSORSHIP
ENDOWMENT FUND**

(3) I submit herewith a report of the action of the Finance Committee and the Executive Committee in the reinvestment of the funds in the McKinley

Professorship Endowment, which became necessary because the securities provided by the late Senator McKinley in establishing this Endowment, namely, the 7 per cent cumulative preferred stock of the Illinois Power and Light Corporation, were called in July. On the written approval of the members of these committees individually and of the President of the Board, filed with the Secretary, I requested the Treasurer and the Comptroller to invest the funds accordingly. The Comptroller reports that in accordance with the Committee's action, the following investments have been made:

INVESTMENT OF PORTIONS OF MCKINLEY ENDOWMENT AND
E. A. WALLACE SCHOLARSHIP FUNDS

(4) I submit a report, filed with the Secretary, of the action of the Finance Committee and the Executive Committee investing \$8,000 in a mortgage loan on farm land owned by Chester W. Richards in Champaign County, four miles east and six miles north of Urbana, being 160 acres with good improvements. Of the total amount, \$5,500 is the uninvested balance of the Wallace Scholarship Fund and the remainder is out of the McKinley Professorship Fund. The land is valued at \$32,000, exclusive of improvements. The interest is 5% and the term five years. This loan was recommended by Treasurer Burke, and the recommendation was concurred in by the Comptroller and myself, and forwarded to the Finance Committee. They approved it and later the Executive Committee did also. The investment was accordingly made. The Comptroller reports that in accordance with the Committee's action the following investments have been made:

SCHEDULE D

On motion of Mr. Trees, the contracts for these elevators were awarded to the Otis Elevator Company, the lowest bidders.

DEATH BENEFIT—PROFESSOR E. C. HAYES

(6) Professor Edward Carey Hayes, Head of the Department of Sociology, died on August 7, 1928. He had been on the staff since 1907, and his salary for 1927-28 was \$5,500; therefore, the death benefit payable is \$2,750. He has named as his beneficiary his wife, Mrs. Annie Lee Bean Hayes.

I recommend that \$2,750 be appropriated from the Reserve and Contingent Fund to pay this death benefit and that the Comptroller be authorized to make the payment to Mrs. Hayes.

On motion of Mrs. Busey, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

DEATH BENEFIT—MR. W. M. CROUCH

(7) Mr. W. M. Crouch, Laboratory Helper in Botany, died on September 10, 1928. He had been on the staff for six years, and, under the rules of the Board, a death benefit of \$378 is payable in his case.

I recommend that \$378 be appropriated from the Reserve and Contingent Fund to pay this death benefit and that the Comptroller be authorized to make payment to Mr. Crouch's legal representative.

On motion of Mrs. Busey, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

IMPROVEMENTS ON CARTER-PENNELL FARM

(8) On recommendation of Professor H. C. M. Case, Head of the Department of Farm Organization and Management, endorsed by Professor J. C. Blair, Acting Dean of the College of Agriculture, I recommend that the sum of \$1,300

¹Two per cent deducted from bid for each building if awarded all three.

²Three per cent deducted from bid for each building if awarded all three.

be appropriated from the operating fund of the Carter-Pennell farms for the construction of a new stable to house cattle.

On motion of Mrs. Grigsby, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

APPROPRIATION FOR GREENHOUSES AND STORAGE HOUSES

(9) I recommend that the sum of \$27,000 be appropriated from the Reserve and Contingent Fund for the purpose of extending the greenhouses of the Department of Horticulture, and for the erection of two frost-proof storage houses for vegetables.

On motion of Mrs. Evans, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

REQUEST OF PROFESSOR RUSK, HEAD OF THE DEPARTMENT OF ANIMAL HUSBANDRY, FOR ADDITIONAL APPROPRIATION

(10) On request of Professor Rusk, Professor Burlison representing Dean Mumford concurring, I request an appropriation of \$15,000 to the Beef Cattle Division from estimated receipts, in addition to appropriations already made.

On motion of Mr. Trees, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

SPECIAL NON-RECURRING APPROPRIATIONS

(11) I recommend that the following non-recurring appropriations be made from the Reserve and Contingent Fund, under the conditions described on page 737 of the June minutes of the Board governing such appropriations:

Graduate School—Research in Illinium.....	\$ 5 000
College of Medicine—Equipment.....	10 000
College of Agriculture—Equipment.....	20 000
College of Engineering—Equipment.....	20 000
Bureau of Business Research—Equipment and operation.....	8 750
	<u>\$63 750</u>

On motion of Mrs. Evans, these appropriations were made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

APPROPRIATION FOR LOCAL IMPROVEMENT ASSESSMENTS

(12) I recommend that the sum of \$20,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to pay off the remaining instalments of the assessments for the paving of First Street, Fourth Street, and Stadium Drive, to stop the interest thereon.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

APPROPRIATION FOR TILE ROOFS ON NEW DAIRY BARNs

(13) On request of the Supervising Achitect I recommend that an appropriation of \$7,000 be made from the Reserve and Contingent Fund for tile roofs on the new Dairy Barns.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

THE NUTRITION INVESTIGATION

(14) At the meeting of February 13, 1926, I called your attention to this investigation which had begun about twenty years before, and reported that a search of the records convinced me that the University had agreed to publish the results of this investigation in five volumes together with a pamphlet summary. Volume 2 has never been published, and the Institute of American Meat Packers has raised with me the question whether the University would publish this. I reported to you that I felt that we were bound to do this under the terms of the original understanding, and informed you that the completion and publication of this work might take as much as \$10,000.

On June 12, 1926, I reported to you that two meetings of the Nutrition Commission had been held and that the Commission still recommended the publication of Volume 2. The manuscript is now ready and I request an appropriation of \$5,000, or so much thereof as may be necessary, from the Reserve and Contingent Fund to publish this volume, in an edition of not more than 1,000 copies.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

COMMERCIAL TESTS

The President of the University was asked to consider and report on the matter of commercial tests.

HONORARIUM FOR DEAN DANIELS AS ACTING DEAN OF THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(15) Dean Daniels carried in addition to his own work the burden of the work of the Dean of the College of Liberal Arts and Sciences while the latter was absent from November to the end of the year. I recommend that an honorarium of \$1,000 be granted him and request appropriation of that amount for that purpose from the Reserve and Contingent Fund.

On motion of Dr. Noble, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Ward.

COMPENSATION FOR D. R. MITCHELL

(16) Pursuant to the action of the Board of Trustees at the meeting on June 29 (Minutes, page 753) I authorized the Legal Counsel to consult with the attorneys for Mr. D. R. Mitchell, who had filed a claim in the Court of Claims of Illinois for compensation for an accident which occurred on October 13, 1927, while he was engaged in his duties as Instructor in Mining Engineering, and advise them that the Board of Trustees would award compensation in accordance with the Workmen's Compensation Act. Mr. Mitchell's attorneys decided to dismiss the proceedings in the Court of Claims and to accept this

award. Mr. Mitchell has elected to accept \$1,815, the present value of his compensation.

I recommend that an appropriation of \$1,815 be made from the Reserve and Contingent Fund for this purpose and that the Comptroller be authorized to make settlement with Mr. Mitchell.

On motion of Mrs. Busey, this recommendation was adopted, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

EXECUTIVE STAFF FOR MCKINLEY HOSPITAL

(17) In accordance with the policy adopted by the Board of Trustees on April 8, 1925 (Minutes, page 196), I recommend that Doctors J. H. Beard, V. A. Ross, and Maude L. Etheredge be reappointed as the executive staff for McKinley Hospital to serve from July 1, 1928, to July 1, 1929.

On motion of Mrs. Evans, this recommendation was concurred in.

REQUEST FROM PROFESSOR GARNER

(18) Professor J. W. Garner, Head of the Department of Political Science, who has been given sabbatical leave on half salary for the year 1928-29, has been asked by the Geneva Institute for International Relations to give a series of lectures during its second term, which extends from about the first of April to July 10, on salary.

In view of the special character of the proposed engagement, on motion of Dr. Noble, this matter was referred to the President of the University, with power to act.

LEAVE OF ABSENCE FOR MISS RUTH WARDALL

(19) I recommend that Miss Ruth Wardall, Head of the Department of Home Economics, be given leave of absence on pay on account of illness for the month of September, and that the President of the University be authorized to extend this leave further if necessary, on account of Miss Wardall's health.

On motion of Mr. Barr, this leave was granted.

LEAVE OF ABSENCE FOR MISS MARY E. BRENNAN

(20) On request of the Supervising Architect, I recommend that Miss Mary E. Brennan, Chief Clerk in the Power Plant Accounting Office, be given sick leave of absence on full pay for one month during the summer in addition to the month's vacation and two weeks' sick leave allowed under the rules.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR MISS MAUD GUBBINS

(21) On recommendation of Dean Noyes, I authorized a leave of absence on full pay for Miss Maud Gubbins, Clerk in the Infirmary, from July 1 to September 1, on account of illness, and request confirmation of my action.

On motion of Mr. Trees, this action was confirmed.

LEAVE OF ABSENCE FOR MISS SADIE L. STUBBS

(22) On request of the Supervising Architect, I recommend approval of his action, in my absence, in granting Miss Sadie L. Stubbs, his assistant, leave of absence without salary during the month of August.

On motion of Dr. Noble, this action was confirmed.

ARRANGEMENT WITH ST. JOSEPH HIGH SCHOOL FOR PRACTICE TEACHING IN AGRICULTURE

(23) On recommendation of Professor Nolan, approved by Professor Cameron for Dean Chadsey, I agreed with the Board of Education of the St. Joseph

High School to take advantage of their work in vocational agricultural teaching for observation and practice by our students in vocational agriculture in the College of Education under the instruction of Mr. Melvin Henderson of our own staff. Mr. Henderson, therefore, is the joint employee of the St. Joseph High School and the University, being, under the latter appointment, Assistant in Agricultural Education, on three-fourths time, at a salary of \$1,800. The St. Joseph Board of Education undertakes to transport our students between the University and St. Joseph free of charge to the University and the students. I ask approval of my action.

On motion of Mr. Barr, this action was approved.

APPEARANCE IN VOODRY CASE

(24) At the meeting of April 12, 1928 (Minutes, page 581), I made a report on my correspondence with Mr. John M. Sullivan, attorney, Bloomington, Illinois, concerning the bequest of Anna J. Voodry (see Minutes, June 8, 1908, page 523; July 8, 1911, page 208). On June 25, Mr. Sullivan wrote me as follows:

BLOOMINGTON, ILLINOIS, June 25, 1928

Hon. David Kinley, President, University of Illinois, Urbana, Illinois

DEAR SIR:

Early in the year I wrote you relative to the Anna J. Voodry estate and notified you at that time that Paul F. Beich desired to be released of his trusteeship. You replied under date of March 30 and stated that Judge Harker was of the opinion that there was some \$5,000.00 worth of personal property in the estate. Upon receipt of your letter I began an investigation in this estate and found the records rather meager and for a time was of the opinion that you were correct in the assumption that there was more than \$2,800 in the body of the estate. A study of the report, however, I think, is conclusive that the assumption is wrong and that, in fact, there is slightly less than \$2,800.00 in the corpus of the estate. I am inclosing a copy of the Will, the Inventory and the report of J. Dickey Templeton, Administrator, with the Will annexed, in order that you may have all the facts before you.

The report of the Administrator with the Will annexed discloses the fact that of the \$6,247.66, being the total amount received by the Administrator, etc., \$946.78 was interest to which Earl C. Voodry would be entitled as beneficiary under the Will. In the report it also shows that the total amount paid to Paul F. Beich was \$3,739.33 and from this should be deducted the \$947.78 [\$946.78?] income, leaving a balance of \$2,792.55, which appears to be the net balance held in trust, of which the University of Illinois is the other beneficiary.

If there is any further information you desire in this matter I will be glad to furnish it if it is within my power and after you have gone over the matter would like to know if the University will enter its appearance for the purpose of having a successor of Mr. Beich appointed by the court.

Thanking you for your courtesies in this matter, I am

Very truly yours,

JOHN M. SULLIVAN.

The Legal Counsel advised that the University might safely execute an entry of appearance in the case. The matter came up too late to have the proper action taken by the Board at the meeting on June 29, and therefore I had the Legal Counsel prepare a form of entry, which was submitted to the members of the Executive Committee for their signatures. On their approval, I instructed the Secretary to execute the waiver and directed the Legal Counsel to file it with the Court.

On motion of Mr. Trees, this action was confirmed.

DIPLOMAS OF HELEN GERTRUDE ROSS AND HELEN HOCKADAY

(25) By action of the Council of Administration, the diplomas of Miss Helen Gertrude Ross (Bachelor of Arts) and Miss Helen Pearl Hockaday (Bachelor

of Science in Music Education in the College of Education) were withheld at the Commencement Exercises and were to be awarded at the discretion of the President of the University.

I report that I have given these young women their diplomas as of June, 1928, and request that this be made a matter of record.

This report was received for record.

PURCHASE OF MEYERS PROPERTY

(26) The Comptroller reports that pursuant to the action of the Board on May 23, 1928 (Minutes, page 603), and on approval by the Legal Counsel of all documents, he has concluded the purchase of Lot 51 in College Place, Champaign (the G. H. Meyers property), at a purchase price of \$12,500. As the purchase was concluded subsequent to April 1, 1928, the University will be required to pay the general taxes for 1928 on this property, payable in 1929, amounting to approximately \$100.

This report was received for record.

GIFTS TO THE UNIVERSITY

(27) The following gifts have been offered the University, and I have authorized their acceptance:

1. From the Eli Lilly & Company of Indianapolis, Indiana, manufacturers of pharmaceutical and biological products, a fellowship amounting to \$1,800 a year for a study of allergy to secure information about such diseases as hay fever, asthma, sensitization of various proteins, etc.

2. From the Chemical Foundation, the additional sum of \$1,000 for the continuance of the work in sewage research, along the lines of previous gifts of similar amounts, received each year since 1925.

3. From E. I. DuPont de Nemours & Company of Wilmington, Delaware, the sum of \$750 for the renewal of the DuPont Fellowship in Chemistry.

REPORT ON E. A. WALLACE MEMORIAL SCHOLARSHIP FUND

(28) The following report from the Comptroller on the E. A. Wallace Memorial Scholarship Fund for the year ending June 30, 1928:

July 21, 1928

President David Kinley, 355 Administration

DEAR PRESIDENT KINLEY:

I send you herewith a report of the E. A. Wallace Memorial Scholarship Fund, a copy of which I have sent to the Board of Education of Havana, Illinois, as is required in the Will establishing this fund and as per my letter enclosed.

Cordially yours,
LLOYD MOREY,
Comptroller

July 21, 1928

Mr. A. E. List, President, Board of Education, Havana, Illinois

MY DEAR SIR:

In accordance with the provisions of the Will of Gertrude Haweis, I send you herewith a statement of the E. A. Wallace Memorial Scholarship Fund for the year ending June 30, 1928.

You will note that on that date there was a balance of \$163.48 in the income account of this fund. The income for the year 1928-29 will be approximately \$450.00, making a total of something over \$600 available for the year 1928-29.

This fund is available to meet the board and tuition of young men students from Havana, Illinois, nominated by your Board. The average cost of the items mentioned, for one year for a student, would be about \$350.

If you desire to make one or more nominations for beneficiaries from this fund for the coming year, kindly do so to President Kinley in the same manner as heretofore.

Very truly yours,
 LLOYD MOREY,
Comptroller

QUARTERLY REPORT OF THE COMPTROLLER
TO THE BOARD OF TRUSTEES
QUARTER ENDING JUNE 30, 1928
SUMMARY

Reserve and Contingent Fund

The unappropriated balance of the Reserve and Contingent Fund (estimated excess of income of the year over appropriations) at the beginning of the quarter was \$164,736. Net deductions during the quarter totalled \$20,560, as per Schedule A, leaving a balance of \$144,176 in the Reserve and Contingent Fund at the close of the quarter before closing the books. After closing the books as of the end of the fiscal year, the balance was \$375,549. The corresponding balance a year ago was \$310,556.

Budget Income

Realization of the budget income for twelve months ending with the present quarter as per Schedule B, was as follows:

	Estimate For Year	Per Cent of Year's Estimate Realized	
		This Year	Last Year
State Appropriations for Operation.....	\$4 500 000	100.0	100.0
Federal Funds.....	397 947	99.9	99.9
Student Fees.....	850 000	100.1	105.3
Agricultural Sales			
Credited to Revolving Accounts.....	128 840	100.8	97.2
Credited to budget estimate of Agricultural Income.....	115 300	106.3	93.8
Miscellaneous Sales and Receipts.....	77 065	153.5	121.5

Treasurer's Balance

The cash balance in all funds in the hands of the University Treasurer at the close of the quarter, allowing for outstanding warrants, was \$817,706, Schedule D. On the corresponding date a year ago, the balance was \$734,995.

Budget Expenditures

Board appropriations to departments for the current fiscal year total \$5,888,382, including salaries \$3,821,164, expense and equipment \$2,067,218. These were 96.3% expended at the end of the quarter, and 1.4% encumbered. (Included in Schedule C). On the corresponding date a year ago these appropriations were 93.6% expended and 1.7% encumbered. Balances have been lapsed into Reserve and Contingent Fund or carried forward subject to reappropriation.

Building and Improvement Funds

Building and Improvement funds for the biennium were 48.3% expended at the end of the quarter, and 37.6% encumbered.

Endowment Funds

Endowment funds from private gifts for special purposes (see Schedule D) are distributed as follows:

Educational Endowments.....	\$110 000
Student Loan Endowments.....	169 704
(Of which \$114,933 was outstanding in student notes at the end of the quarter.)	
Scholarship and Prize Endowments.....	89 172
Other Endowments.....	91 431
<i>Total</i>	<u>\$460 307</u>

Indebtedness on Property

Outstanding indebtedness on University property at the end of the quarter consisted solely of 6% bonds totalling \$60,000 on the Dental Building in Chicago, due in 1932. Of this amount \$7,600 is held in the Treasury of the University (Schedule D).

Residence Halls

A summary of the operations in the residence halls for the year ended June 15, 1928, is shown as Appendix I. The balance from operations in the Woman's Residence Halls at that date was \$114,886, and in the Davenport House \$9,904.

Stadium Fund

An Appendix is included giving the report of the Memorial Stadium Fund, of which the Board of Trustees is custodian. (See Appendix II).

LLOYD MOREY,
Comptroller

APPOINTMENT OF DR. ERIC A. FENNEL

(33) On recommendation of Dean Davis, I recommend that Dr. Eric A. Fennel, formerly pathologist of the clinic at Honolulu, T. H., be appointed Associate Professor of Pathology and Bacteriology at an annual salary rate of \$4,500 from October 1, 1928, to April 1, 1929.

On motion of Mr. Barr, this appointment was made.

APPOINTMENT OF MISS RUTH MARY KELLOGG

(34) On recommendation of the Dean of the College of Agriculture, I approved as an emergency matter the appointment of Miss Ruth Mary Kellogg as Assistant Professor of Home Management in the Department of Home Economics, for one year from September 1, 1928, at a salary of \$3,000.

On motion of Dr. Noble, this appointment was made.

RETIREMENTS

(35) Under the rules of the Board, the following members of the staff retired on September 1, 1928, provision for their retiring having been made in the budget:

Dan Meneely, physical plant employee, age 68, on July 27, 1928, length of service twenty-one years.

Sell Hamlin, physical plant employee, age 68, January 16, 1928, length of service twenty-three years.

This report was received for record.

PETITION FOR VACATING PART OF HARVEY STREET

(36) The Supervising Architect recommends, and I concur, that the City of Urbana be petitioned to vacate that portion of Harvey Street extending 311.5 feet south of the Illinois Traction Company's right of way, inasmuch as the University owns all the abutting property and there seems no likelihood that the street will ever be opened south. This street divides the property used by the University for coal storage, and it is desirable to enclose the space with a concrete wall along the north property line.

On motion of Dr. Noble, this recommendation was adopted.

SALE OF MEYERS HOUSE ON GREGORY AVENUE

(37) On recommendation of Professor White, I recommend that the Meyers house be sold to the highest bidder for removal and that the Comptroller and Professor White be authorized to call for bids and sell the house to the highest responsible bidder.

On motion of Mrs. Evans, this recommendation was approved.

GREEN STREET PAVEMENT

(38) The City of Champaign has recently re-surfaced Green Street to Wright, and the question arises whether the University will improve Green Street through its property.

In view of the many factors involved, I am not prepared now to recommend an appropriation for the repaving of Green Street, but do recommend that the whole matter be referred to the Committee on Buildings and Grounds for consideration and report, if possible, at the next regular meeting of the Board.

On motion of Mr. Trees, this matter was referred to the Committee on Buildings and Grounds for consideration and report, if possible, at the next meeting of the Board.

PROPOSED AGREEMENT WITH THE ILLINOIS POWER AND LIGHT CORPORATION

(39) Professor White submits a proposed agreement with the Illinois Power and Light Corporation to furnish the University with electrical power. I rec-

ommend that this be referred, for examination and report as promptly as possible, to a special committee of the Board.

On motion of Dr. Noble, this matter was referred to a special committee consisting of the President of the Board, Mr. Trees, and Mr. Barr.

FINANCIAL REPORT OF MCKINLEY HOSPITAL

(40) The Comptroller submits the following financial report of the McKinley Hospital, for the year 1927-28:

July 12, 1928

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I send you herewith, in final form, the financial report of the McKinley Hospital for the year 1927-28. On June 18, I sent you a preliminary report for this period. The figures as given in the enclosed report differ only slightly from those of the preliminary report. For future reference, the report now submitted should replace the one formerly sent you.

Cordially yours,
LLOYD MOREY,
Comptroller

ENDORSEMENT OF THE CHICAGO HISTORICAL SOCIETY

(41) The Chicago Historical Society has asked the University to endorse its project to build a modern Historical Library and Museum on site to be provided by the Commissioners of Lincoln Park in Chicago. The Society would appreciate the adoption of the following resolution by the Board of Trustees of the University of Illinois:

RESOLUTION

WHEREAS, the General Assembly of the State of Illinois has recently enacted legislation by virtue of which the Commissioners of Lincoln Park are authorized to allocate a site in the Park to the Chicago Historical Society,

AND WHEREAS, the Society proposes to erect on this site a modern, artistic, fireproof building for the purpose of an historical library and museum which will provide special rooms for children and adult education and modern lecture equipment, together with a lecture service in the public schools on special subjects as desired and approved by the Superintendent of Schools,

AND WHEREAS, the work of this great organization is educational, and its sphere of influence is state wide, although its building is centrally located in our great metropolitan city,

NOW THEREFORE BE IT RESOLVED that the Trustees of the University of Illinois are of the opinion that the project of this Society to erect a modern, artistic, fireproof building for its work, with special provisions for children and adult education and other educational conveniences, deserves the support of the public of the City of Chicago, and hereby expresses its approval of this great project.

On motion of Dr. Noble, this resolution was adopted.

REPORT, WOMAN'S RESIDENCE HALLS

(43) A report on the operation of the Woman's Residence Halls.

September 19, 1928

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I send you herewith a financial report of our two large Woman's Residence Halls as of September 12, 1928, which is approximately the beginning of a new year of operations.

The operation this summer resulted in a small loss and the expenditures for repairs and replacements amounted to over \$12,000. As a result, the net balance in the Residence Halls fund which on June 15, 1928, was as per my letter of July 14, \$114,886.01, was on September 12, 1928, as per the enclosed report, \$102,477.60.

Cordially yours,

LLOYD MOREY
Comptroller

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

October 13, 1928

A meeting of the Board of Trustees of the University of Illinois was held at 9:30 a. m. on Saturday, October 13, 1928, at the Blackstone Hotel, in Chicago. As there was no quorum at the hour designated, a recess was taken.

EXECUTIVE COMMITTEE MEETING, OCTOBER 13, 1928

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Saturday, October 13, 1928, during the recess in the meeting of the Board on the same day. Mr. Armstrong, chairman, and Mr. Trees, a member of the Committee, were present; also Mr. Barr, Mrs. Grigsby, and Dr. Noble, members of the Board, and President Kinley, Professor White, and Professor Morey.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Executive Committee considered the following matters presented by the President of the University.

SALE OF ARBOR STREET HOUSE

(1) The Supervising Architect and Comptroller report that pursuant to the authorization of the Board of Trustees at the September meeting to advertise and sell to the highest bidder the house at 1115 Arbor Street, Champaign, they advertised the house and received only one proposal—from Mr. E. L. Allen, who offered \$80 for the house and agreed to remove all debris, provided that he be permitted to work out the amount of the purchase price. They accepted this proposal as it is practicable and it is important that the house be removed. Mr. Allen has been from time to time employed by the University.

This report was received for record.

APPOINTMENT OF DR. E. T. HILLER AS ACTING HEAD OF THE DEPARTMENT OF SOCIOLOGY

(2) On recommendation of Dr. A. H. Daniels, then Acting Dean of the College of Liberal Arts and Sciences, in August, on the occasion of the death of Professor Hayes, I appointed Dr. E. T. Hiller, Associate in Sociology, Acting Head of the Department of Sociology until further notice. Dean Babcock has considered the matter since his return, and, at his request, I now recommend that Dr. E. T. Hiller be promoted to the rank of Assistant Professor and that his salary be made \$3,250 instead of \$3,000 for the current academic year, beginning September 1, and that he be made Acting Head of the Department for the year.

On motion of Mr. Trees, this appointment was made.

REBATE ON FREIGHT PAID ON COAL

(3) The Illinois Commerce Commission has recently ordered certain reductions in freight rates on coal shipped into Champaign and Urbana, effective the middle of October. Under the law, the rates may, by order of the Commission, be made retroactive over a two-year period, and the carriers concerned required to refund the difference on all coal shipped by them into this territory during that period.

The University did not join with the complainants, who were local coal dealers, but may become a beneficiary of the Commission's action on proper application.

I request that this application be authorized, and that the Legal Counsel be directed to take the necessary steps to institute the proper proceedings.

On motion of Mr. Trees, this recommendation was adopted.

SALARY OF MRS. N. S. TALBOT

(4) Dean Noyes makes a very urgent request that the salary of Mrs. N. S. Talbot, who holds the position of Assistant to the Dean and Associate in English, be made \$3,500, beginning September 1 of this year.

After a prolonged discussion of the matter with Dean Noyes, I concur in this recommendation.

On motion of Mr. Trees, this recommendation was approved.

GIFT OF MEDICAL BOOKS

(5) A Chicago physician, a member of the class of 1902, and one-time Instructor in Surgery (1902-04) in the College of Medicine, has offered his professional library, consisting largely of surgical works, to the University.

I recommend that the University accept this gift, and that the books be placed in the Library of the College of Medicine with an appropriate label or plate in each book.

On motion of Mr. Trees, this recommendation was adopted.

ELECTRICAL ENGINEERING SOCIETY LOAN FUND

(6) The Electrical Engineering Society of the University, an organization of students, wishes to establish a student loan fund with the money it has made on the electrical shows of the past several years. The fund is to be known as "The Electrical Engineering Society Loan Fund," and is to be administered under the general University regulations providing loan funds in addition to the following special restrictions:

1. The name of the fund shall be "The E. E. Society Loan Fund."
2. Loans may be made only to students in good standing in the Department of Electrical Engineering.
3. Until the amount of the fund is over five thousand dollars (\$5,000), loans may be made only to juniors and seniors. After this limit is reached, sophomores may receive loans.
4. Not more than one-fourth of the total amount of the fund may be loaned in any one of the first three years of the existence of the fund.
5. One student shall not be loaned more than ten per cent of the total fund, and in no case shall the total loaned to one student exceed the limit set by the "General Regulations for Student Loan Funds" of the University.

On motion of Mr. Trees, this gift was accepted under the conditions named.

APPOINTMENT OF DR. SOL LITT AS INSTRUCTOR IN OBSTETRICS AND GYNECOLOGY ON SALARY

(7) I recommend that Dr. Sol Litt of the Clinical Faculty be appointed Instructor in Obstetrics and Gynecology, on one-half time, for one year beginning September 1, 1928, at a cash compensation of \$1,000.

On motion of Mr. Trees, this appointment was made.
The Executive Committee adjourned.

SECOND SESSION, OCTOBER 13, 1928

When the Board convened on October 13, 1928, after the recess, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President David Kinley was present; also Professor J. M. White and Professor Lloyd Morey.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of September 20, 1928. On motion of Mr. Trees, the minutes were approved as printed on pages 1 to 42 above.

LETTER FROM DR. HERMAN M. ADLER

The Secretary read a letter from Dr. H. M. Adler declining his appointment.

On motion of Mr. Trees, the President of the University was requested to acknowledge receipt of Dr. Adler's letter and to extend him an invitation to appear at the next meeting of the Board, with such other persons as he may wish to introduce.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPROPRIATION FOR OBJECTS OF ART

(1) I recommend that \$5,000 be appropriated from the Reserve and Contingent Fund for the purchase of objects of art.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Ward.

APPROPRIATION FOR SCHOOL OF MUSIC

(2) At the request of Director Stiven, I recommend that an appropriation of \$450 be made from the Reserve and Contingent Fund to the School of Music to provide for the salaries of additional, temporary, part-time teachers, who need to be employed on account of the heavy registration in the band and orchestral instrument department.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Ward.

NEEDS OF CHICAGO DEPARTMENTS

(3) A request that Dean Davis, Dean Noyes, and other members of the staff of the Colleges of Medicine and Dentistry be heard on the building needs of the colleges.

This hearing was granted. Dean Davis introduced Dr. Hedblom, Dr. Petersen, Dr. Singer, Dr. Welker, Dr. Hess, and Dr. Humiston; and Dean Noyes introduced Dr. Gallie and Dr. Dittmar, all of whom made statements.

BOOTH ST. LOUIS COLD STORAGE BONDS

Mr. Trees, for the Finance Committee, presented the following recommendation:

On information from the President of the University that there is some likelihood that an opportunity will be offered the University to sell the Booth St. Louis Cold Storage Bonds it holds at par, or better, the Finance Committee recommends that the Comptroller and Treasurer be authorized to sell these bonds at par or better when an offer to purchase them at the price indicated is received.

On motion of Mr. Trees, this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Ward.

STATEMENT OF PRESIDENT OF THE UNIVERSITY CONCERNING APPROPRIATIONS FOR THE BIENNIUM 1929-31

(4) In making up the budget of the University your Board has consistently followed the sound policy of deciding on the amount to be asked for, from two points of view. The first is, what is the minimum amount necessary to conduct the operations of the institution efficiently, allowing for necessary increase in attendance and necessary improvements? The second question is, what is the amount that the public can reasonably be expected, through the Legislature, to afford in view of other public needs and general economic conditions? The problem is to bring the answers to these two questions together. A third amount is usually indicated by summing up the amounts requested by different divisions or departments of the institution and this is usually, if not always, much in excess both of what can be reasonably expected and what is necessary for operation under existing conditions and proper expansion in the biennial period.

There is no limit to what an institution, like the University, may properly undertake to do in research and education, excepting the limitation of expense. The limitation makes it impossible to gratify the ambitions and wishes of heads of departments and other officers who very properly are thinking mainly of their own work. It must be constantly kept in mind that the officers of the University are spending the people's money. In other words, we are bound to guard the public purse as well as bound to do what is necessary for the best welfare of the University.

Following my practice in approaching the make-up of my recommendations concerning our legislative budget, I have asked the deans to consult with their department heads and to submit to me their conclusions as to the additional amounts which, in their opinions, should be requested for operation and for buildings in the next biennial period. While some of the information supplied is a bit indefinite, the best summation that I can make of the increased amounts requested for operation aggregates about \$760,000 for the biennium. This is more, in my opinion, than is necessary for our needs though that amount and more could be well utilized in desirable new work.

In the matter of buildings, as usual, a great volume of requests has been put up. There are many service buildings which the University still needs, or will shortly need, the aggregate cost of which far exceeds any amount that the University could properly ask for, or would be likely to get, in a single biennium. I listed twenty-one such buildings in 1924. Of these, seven have been erected, or are in process of erection, either in whole or in part. The others on the list, together with new proposals, with estimates suggested to me, are as follows:

Completion of Men's Gymnasium.....	\$225,000
Administration Building.....	350,000
A Museum.....	500,000
Shop Laboratories.....	250,000
Mining Laboratory Addition.....	150,000
Addition to complete the Auditorium.....	50,000
Addition to complete Music Building.....	200,000
Addition to complete the Vivarium.....	10,000
Service Buildings for Agriculture.....	200,000
Boiler House Addition.....	170,000
Deep Well and Filtration Plant.....	80,000
Chemistry Building Annex.....	500,000
Chemistry Building for Industrial Chemistry.....	65,000
Auditorium for Education Building.....	25,000
Electrical Engineering Laboratory.....	500,000
Changes in other Engineering Laboratories.....	46,000
Agricultural Laboratory Unit.....	500,000
Home Economics Building.....	500,000
Animal Husbandry Abattoir.....	25,000
Animal Husbandry Storage House.....	75,000
Agronomy Seed House.....	40,000
Gymnasium for Women.....	400,000
Journalism Building.....	250,000
Medical and Dental Buildings.....	1,500,000
<i>Total</i>	<u>\$6,611,000</u>

In addition to the above, as you are aware, you have discussed somewhat the advisability of asking for an appropriation for dormitories for men. If such a policy should be decided on for the coming biennium, it would not be worth while, I think, to begin with a request for less than a million dollars. West Residence Hall for Women cost \$325,000 and houses 150. In my opinion, a dormitory for men could not be constructed on the plan of this building for women and would be more expensive per capita. A million dollar building would probably house from 300 to 400.

Still further, some people are of the opinion that we need a Fine Arts Building, a campanile, and a building to replace University Hall. The latter alone would cost \$1,000,000.

The aggregate amount necessary to erect these buildings—and these are not all that are suggested—would exceed \$8,000,000, an amount which, as I have already remarked, exceeds what we could get if we asked for it and what we should ask for if we could get it. For the appropriation of such an amount in a single biennium would mean a far heavier burden of taxation for our purposes, than, in my judgment, we would have any moral right to propose. However, it is possible to group these various proposed buildings according to the intensity of our immediate need for them. We must try to supply what we may call our “bread and butter needs” first. By these words, I mean the buildings without which the work of the University cannot be efficiently carried on. We are bound to ask for those and leave it to the judgment of the Legislature whether it can furnish sufficient money to erect them.

It is my opinion that the University should aim at a stabilized, approximately permanent budget. We cannot go on adding new buildings and new work indefinitely. There must be a “supply” of operating means, including staff and material equipment, which may be called sufficient to satisfy the normal “demand” for teaching and research. This should continue from year to year expanding under ordinary conditions and only to care for increasing numbers and to take over occasional important new problems of research.

Our budget needs are to be determined not by the gross annual enrollment of the University but by the peak load of enrollment. This comes in the first semester of each year. If we have sufficient means to care for this number of students in one semester, we can care for the same number in the second semester, and possibly also in the Summer Session; but the enrollment in the second semester seldom equals that of the first semester, and that of the Summer Session, of course, never does. While our gross enrollment for the year has run up to 14,000 or more, the peak load enrollment is 2,000 or more less than that, and shows an annual increase of about 425. However, there have been years when this annual addition was much exceeded. For example, in 1923 the addition was nearly 1,000, and in 1919, under immediate post-war conditions, it was nearly 2,500. I am speaking of peak load figures only. The number of graduates from four-year Illinois high schools has increased between 1925 and 1927 by more than 4,000. But the number for 1927 was approximately the same as that for 1926. We get about nine or ten per cent of the graduates of the four-year Illinois high schools from year to year. The probability is that there will not be a great increase in the next three or four years over that of the past five.

After considering all the proposals in consultation with Comptroller Morey and Professor White, I have come to the conclusion that the most pressing buildings needs are for the Chicago Departments of Medicine and Dentistry, for an annex to the Chemical Laboratory, for a Gymnasium for Women, and the necessary addition to the Physical Plant. Professor White, after frequent conferences with the Chicago Deans concerned, has reached the conclusion that to furnish a complete building and equipment for Medicine and Dentistry, in accordance with modern needs and standards, would require \$3,000,000 or more; but that certain divisions or units of the buildings can be put up as we have erected our new Library Building, these divisions or units being determined by the departments of work which can be transferred from the present old buildings to a new building without impairing the unity of the work of the colleges. He advises me, therefore, that \$1,500,000 should be the amount asked for, because that amount will furnish building facilities sufficient to care for the laboratory, classroom, and office work of divisions which can thus be set apart. They are probably anatomy, chemistry, physiology, and pharmacology.

That the College of Medicine particularly needs more facilities is shown, apart from all other considerations, by the fact that for five or six years now we have been unable to admit all applicants who could meet the requirements for admission. Year by year, we have had to turn away from 50 to 100 students capable of being admitted. This year the number was 159. The need for increased facilities is very evident. Our Dental Building has been described, I am informed, as the worst building used by any college of dentistry in the country. It should be remembered that there is a mortgage on this building

of \$60,000, due in 1932. I am advised that the land alone on which the building stands is doubtless worth that amount.

Our Chemical Laboratory is crowded to overflowing, and we shall need relief within the next two years. An annex can be erected south of the present building.

The need for the addition to the physical plant is so obvious as to require little comment. We cannot operate without heat and light, and our present equipment is taxed to the limit. The University water varies in color from the ordinary color of water to red and inky black from the vegetable and other materials in it. To make it palatable and to make it more usable for sundry scientific and engineering purposes, it needs to be filtered. Moreover, we need an additional well, both for fire protection and a larger water supply.

For years the College of Agriculture has been asking for the completion of the cattle feeding plant and an Agronomy Seed House. These are estimated at \$75,000 and \$40,000 respectively.

A Woman's Gymnasium has become a pressing need. The Woman's Building is overcrowded, and the young women do not have opportunities for physical education and the upbuilding of their physical condition equal to those of the young men. This work should be taken out of the Woman's Building and put in a new building over in the vicinity of the Residence Halls and the Woman's Athletic Field.

If the above are, as I think they are, our most pressing needs, the amount required to supply them will be \$1,000,000 out of our \$10,500,000 appropriated, and a supplementary emergency appropriation of \$1,500,000 will be necessary for the buildings proposed for the Chicago Departments.

While I am not much impressed with requests for new buildings in order to have more attractive quarters or because other universities have such and such buildings, we cannot ignore altogether comparison with other institutions in this respect, for the reason that the facilities offered students determine whether students will come and also are part of the basis of rating the work of the institution. It is proper, therefore, to give some consideration to the facilities provided by other institutions.

Considered from this point of view, great as our progress has been, it has been much less than that of several of our sister state institutions. This is particularly true if we include the gifts and appropriations for these institutions. For example, during the past six or seven years the University of Michigan has received as gifts \$2,647,850 for buildings and other capital purposes, while at the same time the Legislature has appropriated \$11,750,000. This does not include the appropriations to the Michigan Agricultural College which must be added in order to make a proper comparison with our appropriations for buildings and capital purposes. These appropriations since 1921 have aggregated \$3,664,250, making the total appropriations and gifts for the work in agriculture and the rest of the University in Michigan \$18,062,100 as against appropriations of \$7,500,000 and gifts of \$1,805,000 for Illinois, or a total of \$9,305,000.

In the same period the University of Minnesota has had \$8,824,371. Iowa University and Iowa State College, the College of Agriculture, together have had \$7,454,576 in appropriations and \$2,318,000 in gifts, a total of \$9,772,576. California might also be cited as well as several of the endowed universities.

On deciding on the amount which it seems well to ask for our Medical and Dental Buildings, we are bound to take into consideration what other states and other universities are doing in these lines. Moreover, it would be worse than useless to appropriate money for these purposes unless the amount were adequate to give us an equipment first-class in character. The State of Illinois cannot afford to do these things on a scale so small that the provisions would be unproductive of results of the first importance. The State of Iowa, three or four years ago, appropriated, as I recall, about \$2,500,000 to supplement a gift of that amount for the erection of medical buildings, making a total of over \$5,000,000. Northwestern University has erected new medical buildings at an aggregate cost, including the land, of \$5,900,000. The University of Chicago is erecting a new medical plant and hospital at a total cost exceeding \$5,000,000; Minnesota has expended \$2,670,000 and has in addition the facilities of four great hospitals. Michigan has spent at least \$4,500,000.

Our waiting list of from 60 to 100 or more students a year in Medicine points to the necessity of adding to our plant, even at the cost of replacing our present structures with modern buildings and equipment. The amount proposed, \$1,500,000, will provide about half of the buildings necessary to take care of our medical and dental work in a way that will be up to date. In order to be efficient, they must be in close proximity to the hospitals. Therefore, they should be located on the ground available in the old ball park in which the Educational and Research Hospitals stand. If necessary, a provision should be included in the bill erecting them there, although hitherto the Department of Public Welfare has kindly consented to the erection of our Research Laboratory and Library and our Clinical Buildings on these grounds. Therefore I assume that there will be no objection to the erection of these other buildings.

For operation, especially for salaries and equipment, I do not believe that it is necessary to ask for as much as the various college officers have suggested. The amounts asked for range all the way from a few thousand dollars to \$87,000 per year.

In 1921 when your Board first requested the Legislature for an appropriation of \$10,500,000 per biennium, the opinion was expressed that if that amount were granted for each biennial period, it would not be necessary to add to it through a period of four or perhaps five biennial periods. The total amount was lessened in 1921 by the excision of \$1,640,000. If that amount had not been cut out, so that we could have had the full \$10,500,000 beginning in 1921 for each two-year period, we would not now have to ask for the \$1,500,000 necessary for the new Medical and Dental Buildings. In other words, our plan of progress on the building side is short in a degree equivalent to what the amount cut out of our bill in 1921 would have supplied. If the Legislature will now restore \$1,500,000 of the \$1,640,000 which was cut out in 1921, as an addition to our regular appropriation of \$10,500,000, we shall be able to erect these new buildings in Chicago, without checking the progress of the departments at Urbana.

The lapse of years has made the restoration of the sum mentioned more necessary because of the increasing need of the Chicago Departments. We must either continue to turn away students and continue for an indefinite period to do our work in medicine and dentistry with inferior equipment and be forced to a second-class rating in those lines of work, or else we must now have restored to our budget substantially the amount lost from it in 1921.

Since we began operating on our present budget system appropriations have been made to the University, under the influence of outside parties, for two special purposes. These are the maintenance of an Experiment Station in Cook County and the establishment of a School of Journalism. The appropriation for each has been \$15,000 per year. The latter was intended to supplement what the University already was expending on this work in the Department of English and was not intended, or expected, to meet the whole expense. The former amount was an addition for a separate purpose and not a supplementary appropriation. We should not include the former amount in our ordinary budget as the Experiment Station is a developing proposition. It is my opinion that its interests require that it continue to be a separate item. Otherwise, pressure of other interests in agriculture might reduce the amount available for the Experiment Station.

The best estimate I can make leads me to the conclusion that we can safely follow the plan we have adhered to since 1921, namely, to transfer \$500,000 from the building appropriation of last time, add to the sum for operation the \$30,000 which the Legislature at the last session added of its own accord for the School of Journalism, making the total asked for operation \$9,530,000 aside from the appropriation for the Cook County Experiment Station, which should continue a separate appropriation and for which the proper Representative or Senator should still introduce a separate bill.

Having settled on what I think is the total amount needed for operation, I requested the Comptroller, with whom, as well as with Professor White and

the deans, I have conferred on this matter at various stages, to distribute the total among the items prescribed by the State budget law in such proportions as our needs seem to demand.

In view of all these considerations, I submit the following as the budget which, it seems to me, may well be adopted by the Board, sent in proper form to the Department of Finance, and recommended to the Legislature:

*SUGGESTED UNIVERSITY BUDGET FOR 1929-31
For Operation*

	<i>Per Year</i>	
	<i>Present</i>	<i>Proposed</i>
Salaries and Wages.....	\$3 275 000	\$3 515 000
Travel.....	40 000	35 000
Office expense, including printing and publications....	140 000	150 000
Operation.....	465 000	485 000
Repairs.....	160 000	160 000
Equipment.....	290 000	290 000
Improvements other than new buildings.....	130 000	130 000
Journalism.....	15 000	
<i>Total, per year.....</i>	<i>\$4 515 000</i>	<i>\$4 765 000</i>
<i>Total for biennium.....</i>	<i>9 030 000</i>	<i>9 530 000</i>

For Buildings

For additions to the Boiler House with equipment, new deep well, and Filtration Plant.....		\$250 000
Woman's Gymnasium.....		300 000
Chemistry Annex.....		335 000
Agricultural Buildings.....		115 000
(a) For completion of cattle feeding plant.....	\$75 000	
(b) Agronomy Seed House.....	40 000	
Special appropriation for Medical and Dental Laboratories.....		1 500 000
<i>Total.....</i>		<i>\$2 500 000</i>

I recommend that the above requests be approved as the ones to be submitted to the Department of Finance and to the Legislature for the coming biennium 1929-31, and, unless your Board desires to follow a different procedure this time, that the President be directed to prepare and secure the introduction of a bill for appropriations to the University from the State in accordance therewith and to take charge of the matter from now on.

Action on this matter was deferred. At this point, Mr. Trees withdrew.

PAVING IMPROVEMENTS

Mr. Barr presented the following report:

A meeting of the Committee on Buildings and Grounds was held in Chicago on Saturday, October 13, 1928. Present, Mr. George A. Barr, Chairman; Mrs. Grigsby, and Dr. Noble.

On motion of Dr. Noble, the Committee voted to recommend that the improvement of Springfield Avenue and University Avenue be urged, and that the University express to the cities of Urbana and Champaign its willingness to bear its part of the expense.

H. E. CUNNINGHAM, *Clerk*

GEORGE A. BARR
HELEN M. GRIGSBY
W. L. NOBLE

On motion of Dr. Noble, this recommendation was adopted.

LEAVE OF ABSENCE FOR PROFESSOR REXFORD NEWCOMB

(5) I recommend that leave of absence on full salary for the second semester of this academic year, be granted Professor Rexford Newcomb under the rules of the Board.

On motion of Mrs. Evans, this leave was granted.

CHANGE IN STATUS OF PROFESSOR E. W. LEHMANN

(6) Dean Mumford recommends that the status of Professor E. W. Lehmann, Head of the Department of Farm Mechanics, who was given a sabbatical leave of absence under the rules for a year, beginning September 1, 1928 (Minutes, April 12, 1928, page 585, and May 23, 1928, page 605), be changed to leave of absence without pay for the first semester of the academic year.

I concur in this recommendation.

On motion of Dr. Noble, this recommendation was adopted.

APPROPRIATION FOR REPRINTS OF MONOGRAPH ON THE COLLEGE OF MEDICINE

(7) At the request of Dean Davis, I recommend that an appropriation of \$700 be made from the Reserve and Contingent Fund to purchase 5,000 reprints of an article on the University College of Medicine to be published soon by the Rockefeller foundation.

On motion of Dr. Noble, this appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Trees, Mr. Ward.

CHANGE IN SOUTH PORCH OF UNIVERSITY HALL

(8) Professor White reports that the south porch of University Hall is unsightly and expensive to maintain, as well as being objectionable in slippery weather. He wants to make a grade entrance and put the stairs inside. I recommend that this matter be approved.

On motion of Dr. Noble, this recommendation was approved.

OFFER OF TENNESSEE PRODUCTS CORPORATION

(9) The Tennessee Products Corporation of Nashville, Tennessee, has offered the University \$1,000 to establish a research assistantship in the field of organic synthesis of compounds derived from carbon monoxide and hydrogen and other compounds of similar character. This is along the lines of the high-pressure gas research started a year and a half ago.

On recommendation of Dean Daniels and Professor Adams, I recommend that this offer be accepted.

On motion of Dr. Noble, this offer was accepted.

REPORT OF CONTRACTS AND PURCHASE ORDERS

COMPTROLLER'S REPORT

(11) The report of the Comptroller for the quarter ending September 30, 1928.

**QUARTERLY REPORT OF THE COMPTROLLER
TO THE BOARD OF TRUSTEES
QUARTER ENDING SEPTEMBER 30, 1928**

SUMMARY

Reserve and Contingent Fund

The unappropriated balance of the Reserve and Contingent Fund (estimated excess of income of the year over appropriations) at the close of the quarter was \$215,605, as per Schedule A. The balance at the corresponding date a year ago was \$368,378.

Budget Income

Realization of the budget income for the quarter as per Schedule B was as follows:

	<i>Estimate For Year</i>	<i>Per Cent of Year's Estimate Realized</i>	
		<i>This Year</i>	<i>Same Date Last Year</i>
State Appropriations for Operation (per cent realized represents portion expended to September 30, 1928).....	\$4 500 000	25.1	22.7
Federal Funds.....	438 075	47.0	49.7
Student Fees.....	850 000	41.3	41.3
Agricultural Sales			
Credited to Revolving Accounts.....	124 860	23.0	19.5
Credited to Agricultural Income.....	131 700	24.1	22.4
Miscellaneous Sales and Receipts.....	90 000	21.3	22.0

Treasurer's Balance

The balance in all funds in the hands of the University Treasurer at the close of the quarter, allowing for outstanding warrants, was \$1,268,570, Schedule D. On the corresponding date a year ago, the balance was \$1,116,847.

Budget Expenditures

Board appropriations to departments for the current fiscal year total \$5,061,481, including salaries \$3,921,228, expense and equipment \$2,040,253. These were 19.5% expended at the end of the quarter, and 2.4% encumbered. (Included in Schedule C). On the corresponding date a year ago these appropriations were 18.9% expended and 3.1% encumbered.

Building and Improvement Funds

Endowment funds from private gifts for special purposes (see Schedule D) are distributed as follows:

Professorial and Lectureship Endowments.....	\$119 686
Student Loan Endowments.....	170 999
(Of which \$125,742 was outstanding in student notes at the end of the quarter.)	
Scholarship and Prize Endowments.....	84 486
Other Endowments.....	91 431
<i>Total</i>	<u>\$466 602</u>

Indebtedness on Property

Outstanding indebtedness on University property at the end of the quarter consisted solely of 6% bonds totalling \$60,000 on the Dental Building in Chicago, due in 1932. Of this amount \$7,600 is held in the Treasury of the University (Schedule D).

Residence Halls

A summary of the operations in the residence halls for the year to September 12, 1928, is shown as Appendix I. The balance in the residence halls fund at the end of the quarter was \$102,477, and in the Davenport House \$8,641.

Stadium Fund

An Appendix is included giving the report of the Memorial Stadium Fund, of which the Board of Trustees is custodian. (See Appendix II).

COOPERATIVE INVESTIGATION OF ELIMINATION OF STRETCHING
OF LEAD SHEATHS OF HIGH-VOLTAGE CABLES

(12) I report approval, on recommendation of the Dean of the College of Engineering, of an agreement with the Utilities Research Commission for a cooperative investigation of methods of eliminating the stretching of lead sheaths of high-voltage cables. The Commission agrees to pay the University the sum of \$2,400 to cover the expenses of this investigation, and the agreement has been drawn up for the period of one year beginning October 1, 1928. The agreement is of the form and character hitherto authorized by the Board for similar investigations.

This report was received for record.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

October 26, 1928

A meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a. m. on Friday, October 26, 1928, pursuant to adjournment on October 13.

The following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Ward.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of October 13, 1928. On motion of Mr. Trees, the minutes were approved as printed on pages 43 to 66 above.

LEGISLATIVE BUDGET

Mr. Trees offered a motion that the legislative budget be approved as presented on page 51 above, and that the President of the University be directed to prepare and secure the introduction of a bill for appropriations to the University from the State in accordance therewith, and to take charge of the matter from now on.

Dr. Noble offered as an amendment that for the item of \$1,500,000 for Medical and Dental Laboratories there be substituted an item of \$1,000,000 for freshman dormitories for boys.

In this connection, President Kinley presented (a) a resolution of the Illinois Press Association (see below) and (b) a report of the house committee to visit educational institutions of the last General Assembly (House Journal, June 20, 1927, page 1126) on the condition of the Medical and Dental Buildings.

The amendment was defeated.

The motion offered by Mr. Trees was carried. Dr. Noble asked to be recorded as voting aye for all except the Medical and Dental Laboratories.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

RESOLUTION OF ILLINOIS PRESS ASSOCIATION

(1) Mr. W. W. Loomis, President of the Citizen Publishing Company of La-Grange, and President of the Illinois Press Association, has written me that at the annual meeting of the Association on October 11 and 12, "a resolution was prepared expressing satisfaction with the development of the School of Journalism and urging upon the trustees the erection of a permanent home for the school in the immediate future. While I recognize the desirability of such a building, it seemed to me we should not be impatient or inconsiderate of other departments, and at my suggestion the resolution was changed to urge a home for the School of Journalism as soon as consistent with the building plans of the trustees. We want the building but we also recognize the more-pressing need of some other departments."

This report was received for record.

REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF DENTISTRY

(2) On recommendation of the faculty of the College of Dentistry the University Senate recommends that the following subjects be prescribed for admission to the College of Dentistry effective in September, 1929:

Chemistry	8 semester hours
(At least 4 semester hours must be qualitative analysis)	
Biology or Physics	6 semester hours
English	6 semester hours
(Elective subjects)	40 semester hours

On motion of Mrs. Busey, this requirement was adopted.

DEGREE FOR JOHN KELLY MOEUR

(3) On recommendation of the faculty of the College of Medicine, the University Senate recommends that the degree of Doctor of Medicine be conferred upon Mr. John Kelly Moeur as of the class of 1928.

On motion of Dr. Noble, this degree was conferred.

SABBATICAL LEAVES OF ABSENCE

(4) On recommendation of the head of the department and the dean in each case, I recommend that sabbatical leaves of absence on one-half pay for the year 1929-30 be granted under the rules to the following members of the staff:

H. V. Canter, Professor of Classics

John Van Horne, Associate Professor of Romance Languages

S. C. Staley, Associate Professor of Physical Education and
Athletic Coaching

W. V. Balduf, Assistant Professor of Entomology

On motion of Mrs. Grigsby, these leaves were granted.

LEAVE OF ABSENCE FOR MISS MARIE SORENSEN

(5) On recommendation of Dean Davis, I recommend that Miss Marie Sorensen, Dispensary Nurse in the College of Medicine, be given leave of absence from October 15 to December 15 without pay, in order that she may visit her people, who live abroad.

On motion of Mrs. Ickes, this leave was granted.

RELEASE OF CERTAIN PATENT RIGHTS

(6) In the course of recent investigations by Dr. T. E. Layng and assistants into the mechanism of combustion of liquid hydrocarbons in the presence of accelerators and inhibitors (anti-knock substance for gasolines and lubricating oils), and by Dr. D. B. Keyes of the electroplating of aluminum, several patentable features appeared. These features, so far as it was possible to determine at the time of discovery, were new.

Further research in connection with Doctor Layng's project has proved that it has no anti-knock value; and Doctor Keyes's project is one which would require so much money to develop with such a small chance of its being commercially valuable that the Committee does not think the University should patent it.

I recommend that the discoveries be released so far as the University is concerned, and that Doctors Layng and Keyes be permitted to file applications for patents if they wish.

On motion of Dr. Noble, this recommendation was adopted.

GIFTS TO THE COLLEGE OF ENGINEERING

(7) Dean Ketchum reports that the following gifts have been offered to the University:

1. From the Western Electric Company of Chicago—twenty-five adjustable drafting tables, valued at approximately \$500, to be delivered at Champaign free of charge.

2. From Mr. Louis W. Sipley of Philadelphia—certain slides and descriptive material covering engineering topics such as feed water heaters, feed water treatment, air compressors, etc.

3. From the Gleason Gear Works—two models of gears, valued at approximately \$50.

These can be used in the Department of Mechanical Engineering and I have authorized Dean Ketchum to accept them.

This report was received for record.

FORM OF RECOGNITION FOR GIFTS

On motion of Dr. Noble, the matter of form of recognition for gifts was referred to a special committee consisting of President Armstrong, President Kinley, Mr. Trees, and Mr. Ward, for consideration and report.

AUDIT REPORT OF THE ATHLETIC ASSOCIATION

(11) In accordance with the by-laws of the Athletic Association, I submit a report from the Comptroller of an audit of its accounts for the fiscal year ending June 30, 1928.

This statement was received for record.

On motion of Mr. Ward, the Committee on Physical Education was asked to confer with the directors of the Athletic Association and to make a report on the relations between the Athletic Association and the University.

HOME ECONOMICS CAFETERIA, FINANCIAL REPORT

(12) The Comptroller submits the following report of the financial operations of the Home Economics Cafeteria for the year 1927-28:

October 2, 1928

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I send you herewith a financial statement of the Home Economics Cafeteria for the year 1927-28.

The results for the year have been very satisfactory. The income has been slightly less than that of the previous year but better than that for 1924-25 and 1925-26. It has been sufficient to meet the operating expenses satisfactorily, including necessary repairs and replacements, a proper proportion of salaries of instructors in charge, and leave a surplus of \$283.69.

The accumulated surplus in the Cafeteria fund at the close of the year after allowing for the purchase and installation of an electric toaster and a water softener is \$602.27.

Cordially yours,
LLOYD MOREY
Comptroller

MEMORIAL TO DR. MOREAU ROBERTS BROWN

(13) Dr. James M. Brown, a member of the class of 1899 of the College of Medicine, has presented the University with a bronze plate in memory of his father, Moreau Roberts Brown, who was Professor of Laryngology and Rhinology at the College of Medicine from 1898 to 1902.

I recommend that this plate be accepted, to be hung in some suitable place in the College of Medicine.

On motion of Mrs. Ickes, this recommendation was adopted.

**AGREEMENT WITH LESLIE IRVIN FOR OPERATION OF THE
CARTER-PENNELLS FARM**

(14) Dean Mumford recommends that the agreement with Mr. Leslie Irvin for the operation of one of the Carter-Pennell farms for the year beginning March 1, 1928, (approved by the Board May 23, 1928; Minutes, page 607), be extended for one year from March 1, 1929.

I concur in this recommendation.

On motion of Mr. Barr, this recommendation was approved.

APPROPRIATION FOR CLAYTON-BENNINGTON DRAINAGE DISTRICT

(15) I recommend that an appropriation of \$80, or as much thereof as may be necessary, be made from the Reserve and Contingent Fund to pay the University's share of the assessment against University land in the Clayton-Bennington Drainage District, which crosses the University's Experiment Field at Minonk in Woodford County.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Blair, Mr. Small.

**EXTENSION OF AGREEMENT FOR INVESTIGATION OF DRYING
OF CLAY WARES**

(16) On recommendation of Dean Ketchum I recommend that the agreement with the National Brick Manufacturers Association for a cooperative investigation of the Drying of Clay Wares by the Engineering Experiment Station (original agreement for this investigation approved by the Board of Trustees November 19, 1925, page 459) be renewed for one year. The Association has deposited with the University a check for \$600 to cover the cost of this investigation.

On motion of Mrs. Evans, this recommendation was adopted.

CHANGE OF NAME OF JAMES JOHN WOLFSON

(17) I report for record a legal change in the name of James John Wolfson, who was appointed under that name as an Assistant in the Department of Psychology, to James Wolfson Lechay.

This report was received for record.

HEARING FOR DR. ADLER

(18) A report that Dr. Adler had written that he would be unable to be present at the meeting today.

On motion of Dr. Noble, the President of the University was requested to inform Dr. Adler of the date of the next meeting in Chicago.

REPORT ON AUTOMOBILE PERMITS

(19) In accordance with the request of the Board at the September meeting, I submit a report on the number of permits to operate automobiles granted for the first semester, 1928-29:

Driving for or with the family.....	310
To use in earning a living.....	122
Driving to or from classes for those who live at a distance.....	80
Physical disability.....	5
For personal reasons—this last includes married men, men who are past thirty, and graduate students registered in undergraduate courses.....	25
<i>A total of</i>	542

26 cars in storage

The corresponding figures for the first semester of last year are as follows:

For family use.....	381
Work.....	154
Commuting.....	109
Physical disability.....	12
Personal.....	9

A total of..... 665

As to the method of issuing permits, "for the first two years this matter was left in the hands of a committee consisting of the Secretary of the Council, Dean Thompson, and Dean Harno, who gave considerable time to the matter and considered each case personally. During these two years the principles on which permits were granted were pretty well established and it was the opinion of every one concerned that, excepting in unusual cases, it was not necessary to refer the matter to the committee. Whenever there has been a question this year the Secretary has called one dean or another in consultation with reference to the matter, and particular cases have been taken to the Council for its action. This has seemed quite a satisfactory way to every one concerned."

Dean Clark, Dean Harno, and Dean Thompson were introduced. Each one made statements concerning the administration of the rules on permits for students to operate automobiles.

On motion of Dr. Noble, the report was received for record and the committee was commended for the efficient, far-seeing, and just manner in which they have administered these rules.

TREASURER'S REPORT AND INVESTMENTS

Mr. Trees offered the following report for the Finance Committee.

The Finance Committee recommends to the Board of Trustees that the Annual Report of the Treasurer as of June 30, 1928, be approved and accepted, but that the list of investments now owned by the University of Illinois be sub-

mitted to two reputable trust companies for study and report as to diversification, compliance with the Illinois statute regarding investment of trust funds, and rating of the securities, with their recommendations as to a set-up for our complete investment list.

MERLE J. TREES
MARY E. BUSEY
ROBERT R. WARD

On motion of Dr. Noble, this recommendation was adopted.

SIZE OF PORTRAITS

Mrs. Busey, for the special committee on the size of portraits, made a report of progress.

DATE OF NOVEMBER MEETING

On motion of Mr. Trees, it was voted to hold the November meeting at the Blackstone Hotel, in Chicago, at 9:30 a. m. on Friday, November 16, 1928.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record the following list of appointments made by the President of the University.

Carr, Claire Eugene, Resident in Neurology, in the College of Medicine, for eleven months beginning October 1, 1928, at a cash compensation at the rate of fifty dollars (\$50) a month. (October 11, 1928)¹

Cohen, Maurice L., Instructor in Pathology and Bacteriology, in the College of Medicine, on one-fourth time, for five months beginning October 1, 1928, at a cash compensation at the rate of fifty dollars (\$50) a month. (October 11, 1928)

Johnston, William, Laboratory Helper in the Department of Pharmacology and Therapeutics, in the College of Medicine, for eleven months beginning October 1, 1928, subject to the rules of the Civil Service Commission, at a cash compensation at the rate of one hundred twenty dollars (\$120) a month. (October 18, 1928)

Kamnetz, Alta E., Stenographer in the Department of Pathology and Bacteriology, in the College of Medicine, on one-half time, for eleven months beginning October 1, 1928, at a cash compensation at the rate of sixty dollars (\$60) a month. (October 15, 1928)

Kline, Esther May, Stenographer in the Department of Home Economics, in the College of Agriculture, beginning November 1, 1928, and continuing until August 31, 1929, subject to the rules of the Civil Service Commission, at a cash compensation at the rate of seventy-five dollars (\$75) a month. (October 11, 1928)

Lynch, Dorothy Emma, Assistant in Junior Club Work, in the Department of Home Economics, in the College of Agriculture, beginning October 22, 1928, and continuing until August 31, 1929, at a cash compensation at the rate of one hundred twenty-five dollars (\$125) a month. (October 19, 1928)

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 16, 1928

The November meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a. m. on Friday, November 16, 1928.

When the Board convened, the following members were present: President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Ward.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of October 26, 1928. On motion of Mr. Trees, the minutes were approved as printed on pages 67 to 75 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

AUDITORS' REPORT

- (1) The report of the auditors for the quarter ending September 30, 1928.
October 29, 1928

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRs:

We have audited the accounts of the University of Illinois for the quarter ending September 30, 1928.

We verified the account of Cash Receipts and Disbursements as shown by the books of the Business Office.

We have verified all items of Cash, Investments and Receivables as shown in the Balance Sheet.

We have also verified in total all disbursements made on account of the University by the State Auditor.

In our opinion the statements contained in the Comptroller's report reflect the true financial condition of the University at September 30, 1928.

ARTHUR YOUNG & COMPANY

This report was received for record.

APPROPRIATION FOR COLLEGE OF DENTISTRY

- (2) On request of Dean Noyes, I recommend that \$1,400 be appropriated from the Reserve and Contingent Fund to provide for the salary of a technician and wages of an assistant on special research work.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Ward; no, none; absent, Mrs. Ickes, Dr. Noble, Mr. Small.

APPROPRIATION FOR WORK IN THE UNIVERSITY FORESTRY

- (3) I recommend that an appropriation of \$500 be made from the Reserve and Contingent Fund to the Supervising Architect's budget for additional work in clearing up the University forestry.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Ward; no, none; absent, Mrs. Ickes, Dr. Noble, Mr. Small.

APPROPRIATION FOR BRONZE BUST OF LINCOLN

- (4) On request of the Supervising Architect, I recommend that an appropriation of \$450 be made from the Reserve and Contingent Fund for the purchase of a bronze bust of Lincoln by Hermon MacNeil of New York to be placed in the niche in Lincoln Hall.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Ward; no, none; absent, Mrs. Ickes, Dr. Noble, Mr. Small.

At this point, Dr. Noble took his place with the Board.

APPROPRIATIONS FOR WORKING DRAWINGS FOR NEW BUILDINGS

- (5) On request of the Supervising Architect, I recommend that an appropriation of \$5,000 be made from the Reserve and Contingent Fund as a revolving fund for working drawings and preliminary plans for some of the buildings asked for the next biennium.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mrs. Ickes, Mr. Small.

At this point, Mrs. Ickes took her place with the Board.

APPROPRIATION FOR ARCHAEOLOGICAL EXPLORATIONS

(6) I recommend that an appropriation of \$600 be made from the Reserve and Contingent Fund for additional work in connection with the archaeological explorations which the University has been conducting in various parts of the State.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Ward; no, none; absent, Mr. Small.

FINISH HARDWARE FOR LINCOLN HALL ADDITION AND MATERIALS TESTING LABORATORY

(7) The Supervising Architect submits the following schedule of bids for finish hardware for the Lincoln Hall Addition and the Materials Testing Laboratory, which were opened on October 25 with President Armstrong of the Board present:

<i>Bidders</i>	<i>Bids</i>	
	<i>Lincoln Hall Addition</i>	<i>Materials Testing Laboratory</i>
Sargent & Co.....	\$2 750 00	\$1 725 00
C. J. Werner.....	3 100 00	1 900 00
Holder Hardware Co.....	3 154 00	1 740 00

The Supervising Architect recommends, and I concur, that the awards be made to the low bidders who are Sargent and Company in both cases.

On motion of Mr. Trees, this award was made.

STEAM TURBINE FOR POWER PLANT

(8) An appropriation of \$30,000 was made at the June 29, 1928, meeting of the Board (special appropriations, page 738) for the purchase and installation of a new steam turbine in the Power Plant. The Supervising Architect reports that he has received bids on the turbine as follows:

General Electric Company.....	\$16 850
Westinghouse Electric and Manufacturing Company.....	17 571

The order was placed with the General Electric Company.

This report was received for record.

DENTAL BUILDING BONDS

(9) At various times, for example January 12, 1924, and November 19, 1925, you have authorized the Comptroller to purchase bonds of the College of Physicians and Surgeons outstanding against the Dental Building, provided he could get them at par or less.

Under date of November 5, 1928, the Comptroller writes me that the University now owns \$12,300 of the bonds on the Dental Building; that of this sum \$7,600 is owned outright and is in our treasury and \$4,700 represents investment of trust funds.

The Comptroller now recommends that the portion of the bonds held by us representing investment of trust funds, namely, \$4,700, be taken over by our general fund and the proceeds reinvested in other securities; and also that we cancel and retire the bonds which we own outright, amounting to \$7,600.

I concur in the Comptroller's recommendations and request an appropriation of \$4,700 from the Reserve and Contingent Fund to pay into the trust fund the amount necessary for the redemption of these bonds.

I further recommend that this money be invested in appropriate trust fund securities to the credit of the various trusts represented.

I further concur in the recommendation of the Comptroller that the bonds owned by the University be canceled.

On motion of Mrs. Evans, the matter of the disposal of the bonds held as trust-fund investments was referred to the Finance Committee for consideration and report.

On motion of Mrs. Ickes, the bonds of the College of Physicians and Surgeons of Chicago (\$7,600) owned outright were ordered canceled and retired.

HEARING FOR DR. ADLER

(10) A request that Dr. H. M. Adler and his associates be heard at this time on the reasons for his refusal of his appointment.

This hearing was granted, and Dr. Adler was introduced; with him were Mr. Cyrus McCormick, Jr., Judge Mary M. Bartelme, Dr. Ludvig Hektoen, Mr. J. H. Schaffner, and Mr. Roy C. Osgood, all trustees of the Behavior Research Fund. All of these persons made statements concerning the work of the Bureau of Juvenile Research and the building proposed for its work.

President Armstrong thanked Dr. Adler and the Representatives of the Behavior Research Fund for their presentation of the matter, and they retired.

At this point, Mr. Blair withdrew.

INSURANCE ON NEW BUILDINGS

(11) The contracts for the addition to Lincoln Hall and for the Materials Testing Laboratory provide that the University carry the necessary insurance on these buildings during the period of construction. On request of the Supervising Architect that the first instalment of this insurance, amounting to \$23,000 on Lincoln Hall and \$80,000 on the Materials Testing Laboratory, be placed, the Comptroller advertised for bids and submits the following schedule:

BIDS RECEIVED ON INSURANCE FOR LINCOLN HALL AND MATERIALS TESTING LABORATORY. RATES ARE PER \$100 FOR ONE YEAR, WITH 80% CO-INSURANCE

Bidder	Lincoln Hall		Materials Testing Laboratory	
	Fire	Tornado	Fire	Tornado
Burton & Trelease.....	.30*	.234*	.75	.40
D. G. Swannell.....	.30*	.234*	.30*	.234*

H. E. Wilcox.....	.245	.639	.245	.639
Monier & Morrisey }.....		.474		.474
Campbell & Son }				

The above bidders did not state the companies with whom the insurance would be placed.

I recommend that the Comptroller be authorized to distribute this insurance equally among the several agencies submitting the lowest bids, on the basis of these bids, and to add to it until the completion of the buildings, in consultation with the Supervising Architect, and that the rest of the insurance be handled by the Comptroller and the Supervising Architect to the best advantage for the University, until the completion of the buildings.

On motion of Dr. Noble, these recommendations were adopted.

DECISION OF U. S. CUSTOMS COURT

(12) A report of a decision of the United States Customs Court on payment of duty on articles imported by or for the University.

This report was received for record.

GIFT OF MR. ROBERT ALLERTON

(13) Mr. Robert Allerton of Monticello has offered the Department of Architecture the sum of \$800 to be used during the summer of 1929 "for a trip through New England by the two juniors who stand best in Professor Newcomb's class in the History of Architecture." The plan is to enable these students to study early American architecture in New England and the trip is to be planned by Mr. Allerton and Professor Newcomb.

I recommend that this gift be accepted, to be used under the conditions specified by Mr. Allerton and to be known as "The Allerton American Traveling Scholarship."

On motion of Mrs. Grigsby, this recommendation was adopted.

PORTRAIT OF DIRECTOR GEORGE A. HUFF

(14) The alumni and members of the active chapter of Kappa Sigma Fraternity have presented a portrait of Director George A. Huff by the distinguished artist, Mr. Frank O. Salisbury of London, to the University, the presentation having been made by Mr. George R. Carr of the class of 1901 at the Alumni Reunion on Homecoming Day, October 27. When the portrait arrived, the day before the presentation, I appointed a committee consisting of Professors E. J. Lake, C. E. Bradbury, L. C. Dillenback, and J. M. White, to pass on its artistic quality, in accordance with the rules of the Board. The committee unanimously recommended the acceptance of the portrait, and, accordingly, I accepted it for the University at the public ceremony referred to.

On motion of Mr. Trees, this report was received for record, and the President of the University was requested to convey to the donors an expression of the appreciation of the Board.

GIFT OF HORSE CHESTNUTS

(15) The University has received through Miss Barbara Bayne, Tree Historian of America, three horse chestnuts from the Friendship tree at Bath, Pennsylvania, which has a historical connection with the lives of George Washington, General Henry Lee, and General Robert Brown. The purpose of this gift is to perpetuate the historic tree at Bath. Professor White plans to plant the chestnuts in one of the greenhouses, then transfer them to the Nursery, and to transplant the trees later on some Arbor Day.

This report was received for record.

REPORT ON COOPERATIVE RESEARCH AND COMMERCIAL TESTS

(16) In accordance with the instructions of the Board (Minutes, September 20, 1928, page 7) I submit the following report on Cooperative Research and Commercial Tests.

At the meeting of the Board of Trustees on December 14, 1916, President James presented a statement from the Dean of the College of Engineering that he had arranged to carry on certain cooperative experiments between the University of Illinois, through its Engineering Experiment Station, and the Committee on Locomotive Feed-Water Heating of the International Railway Fuel Association and also between the University and the American Arch Company.

This agreement provided that tests be made on certain locomotives, under the direction of Professor E. C. Schmidt; that all results secured from the investigation be the property of the Engineering Experiment Station to be published as Station Bulletins or otherwise as determined by the Director of the Station; and that "the results also will at all times be open to the inspection and use of the representatives of the American Arch Company."

The University agreed to contribute the use of its plant and such service of staff as may be necessary to the supervision of the work and the summarization of data.

The American Arch Company agreed to provide the continued use of the locomotive and to supply funds for all supplies, to equip the locomotive with devices to be tested, provide service of men necessary to operate the locomotive and laboratory, to take readings and work up results. The Company agreed to make deposits in advance of actual expenditures. This agreement was approved by the Board.

The other agreement, for locomotive feed-water heating, made similar provisions. This also was approved. So far as I have been able to find, these were the first agreements for cooperative research. The above form of agreement appears to have been taken as a model for future agreements by the Engineering Experiment Station.

At the meeting on July 17, 1918, a contract similar in its terms for cooperative work in heating and ventilation was approved.

Another cooperative agreement of this kind with the United States Bureau of Mines was approved January 8, 1919.

In February, 1921, Dean Richards published Engineering Experiment Station Circular No. 9 in which he set forth the general form of agreement for cooperative research and commercial tests.

On September 14, 1920, adjourned to September 28, 1920, and May 16, 1925 (page 230), the Board made a declaration of policy concerning certain kinds of research problems. This declaration of policy was published in the Extracts of the Board of Trustees published December, 1926, page 20. All agreements entered into since 1921 have followed the general form outlined by Dean Richards in his Circular No. 9, whether the proposed research was in engineering or some other line.

COMMERCIAL TESTS

At its meeting on March 12, 1918, the Board approved proposed regulations governing commercial tests submitted by the Comptroller after consultation with members of the Engineering staff. These regulations are printed in the Extracts from the Laws of the Board of Trustees, published December, 1926, page 18.

REPORT ON COOPERATIVE RESEARCH PROJECTS BEING CARRIED ON BY THE UNIVERSITY OF ILLINOIS

College of Liberal Arts and Sciences

Chemistry

Research work on the physiological effect of tartrates, established by the Calumet Baking Powder Company which provided \$1,000 a year for this work. (Accepted October, 1926)

Research work on the nature of detonation in internal combustion engines established by the Standard Oil Company of Indiana which provided \$1,000 a year. (Accepted February, 1928)

Geology

Research on oil reservoirs in cooperation with the National Research Council and the American Petroleum Institute, which has furnished \$4,600 for this work for the year beginning June 15, 1928.

College of Medicine

Fellowship of \$1,800 per annum provided by Eli Lilly and Company for an investigation of allergy, such as hay fever, asthma, etc. (Accepted September, 1928)

College of Agriculture

Agreement with the Illinois State Electric Association and the Central Illinois Public Service Company for an investigation of the use of electricity in agriculture. A total of \$13,300 was received for this work. The investigation was completed September 1, 1928, but the results are still to be published by the University.

From the Illinois Cannery Association the sum of \$3,000 a year for a period of five years for investigational work in cannery crops. There are no restrictions regarding the use of the money, except that \$300 a year is used in payment of rent of a tract of land leased by the Association for the use of the Department of Horticulture in connection with these investigations. This agreement was started in 1923 and expires in 1929. The Cannery Association does not propose to renew it.

Several of the departments carry on cooperative projects with various divisions of the United States Department of Agriculture.

PRESIDENT'S UNIVERSITY LECTURE FUND

(17) A request for an appropriation from the Reserve and Contingent Fund of \$1,500 for University lectures under the immediate direction of the President of the University.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small, Mr. Ward.

ACTIVE SERVICE FOR DEAN DAVENPORT

(18) A request for authority to call Dean Eugene Davenport back into active service for a period of service to end not later than June 30, 1929, on terms to be arranged.

On motion of Mrs. Ickes, this authority was given.

COOPERATIVE INVESTIGATION OF ILLINOIS COALS

(19) On recommendation of Dean Ketchum I recommend approval of an agreement with the Zeigler Coal and Coke Company of Chicago for a cooperative investigation of Illinois Coals, this investigation to cover two fields, viz:

(A) Preparation and washability tests—to be carried on under the direction of the Mining Engineering Department.

(B) Combustion tests—to be carried on under the direction of the Mechanical Engineering Department in the Power Plant.

On motion of Mr. Barr, this agreement was authorized.

¹Money is contributed for the annual stipend of two Research Graduate Assistants who are employed in gas engineering research.

²No formal contract; money is contributed as a gift to be expended without restrictions.

BUILDING FOR CHEMICAL EXPERIMENTS

(20) A recommendation that an appropriation of \$4,000, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to house certain experiments in Chemistry.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small, Mr. Ward.

DEATH BENEFIT FOR PROFESSOR EMMEL

(21) A recommendation that \$2,100 be appropriated from the Reserve and Contingent Fund for a death benefit for Professor V. E. Emmel, who died November 7, 1928. The amount of payment is based on Professor Emmel's last continuous service of seven years.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small, Mr. Ward.

REPORT ON ATHLETIC ASSOCIATION

Mr. Trees, for the Committee on Physical Education, presented the following report:

The Committee on Physical Education wishes to report that it has held a conference with the Board of Directors of the Athletic Association in reference to the relationship of the University to the Athletic Association.

It is the opinion of your Committee that the present method of operation is quite satisfactory and should be continued.

It is recommended, however, that hereafter, when the budget of the Athletic Association is submitted to the Board of Trustees, it should be studied with the idea of approval or correction and not received simply as a matter of record.

MERLE J. TREES
GEORGE A. BARR
HELEN M. GRIGSBY

On motion of Mr. Trees, this report was adopted.

SIZE OF PORTRAITS

Mrs. Busey presented the following report for the special committee to consider the size of portraits to be hung in University buildings, the place of hanging, and other elements involved.

To the Board of Trustees: University of Illinois

Your Committee first investigated the facts with reference to portraits now in University Buildings and that data is shown on the accompanying blue print. It seemed worth while to include memorial tablets, mosaic portraits, and busts in order to have a complete record. In some cases the name of the artist does not appear but probably can be determined by taking the paintings out of the frames.

It is interesting to note that there are three paintings by Ralph Clarkson, one by Louis Betts, and one by Grover, as well as our three recent ones by Trebilcock, Hawthorne, and Salisbury. All these men have high reputations as portrait painters. All but five of these paintings are under fourteen square feet in area if we include Judge Harker's which is but little larger.

Your Committee recommends that, as a general standard, the area of visible canvas be limited to fourteen square feet unless, because of special circumstances, the Board sees fit to change the ruling. Such a regulation would prevent any paintings being made of larger size without permission from the Board.

The policy now being followed in the locating of portraits is to hang the Presidents' portraits in the Library and all others in rooms of the College or Department with which the person's teaching has been most closely affiliated. We recommend that this policy be adopted.

Under this ruling Director Huff's portrait would hang in the New Gymnasium but until the north wing is built there is no really suitable room for it. In the interim we recommend that it be hung in the corridor leading south from the north entrance of the New Library Building.

On motion of Mrs. Busey, this report was adopted.

APPROPRIATION FOR ALUMNI NEWS

On motion of Mr. Barr, the action of the Board in appropriating \$3,000 for the *Alumni News* (October 13, 1928, page 59) was rescinded.

Mr. Barr presented the following report of the Committee on Alumni.

The Committee on Alumni held a meeting in Chicago November 16, 1928. Present, George A. Barr and Mrs. Busey. Mr. Barr called to the attention of the committee the fact that the language of the report of this committee recommending to the Board of Trustees the appropriation of \$3,000 for the *Alumni News*, which recommendation was adopted at the meeting of the Board held October 13, did not state the exact purpose intended. It was intended that the money might be used in the general improvement of the publication and not simply to change the publication from a monthly to a weekly publication. Your committee therefore recommends that an appropriation of \$3,000 be made toward the expense of the improvement of the *Alumni News*.

GEORGE A. BARR
MARY E. BUSEY

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small, Mr. Ward.

LETTER FROM CYRUS McCORMICK, JR.

President Kinley read the following letter from Mr. Cyrus McCormick, Jr., handed to him in the Board meeting:

November 16, 1928

To the President and Trustees of the University of Illinois:

Referring to our very interesting discussion of this morning, I take the liberty of suggesting the appointment of a committee from your Board to meet with a committee from the Board of Trustees of the Behavior Research Fund and a committee representing the University of Chicago. It would be the duty of this joint committee to discuss and report back to their parent Boards the feasibility or the contrary of any possible plan of joint cooperation. I suggest that the invitations for any such meeting should be issued in the name of the Behavior Research Fund.

There seemed to me to be three possible eventualities which might conclude our discussion:

(1) The University of Illinois might decide to oppose our project, in which case we would not be able to secure the support of the University of Chicago, and the hopes we now hold and the plans for a rosy future which we now have in our minds would be fruitless.

(2) The University of Illinois might decide that such plans as we discussed this morning were good but that it did not wish to cooperate in them for good and sufficient reasons. The University might, therefore, express itself as not being sufficiently concerned with the program to collaborate in the development of the joint scheme. In this case we would proceed simply with the University of Chicago as a partner and would accomplish more good than we could under item one above referred to, but not as much as could, in our opinion, be accomplished by item three below.

(3) The University of Illinois could express its willingness to cooperate with the University of Chicago and with ourselves, in which case the tripartite scheme of joint operation would proceed with the greatest possible chance of success.

I take the liberty of suggesting that all details should be argued out in the joint committee I am recommending and that no one of the three parties to this discussion should at any period consider itself bound by the discussion until mutually satisfactory plans for cooperation can be accomplished.

Very respectfully,

CYRUS MCCORMICK, JR.
President, Board of Trustees,
Behavior Research Fund

Mr. Trees offered a motion that the President of the University acknowledge Mr. McCormick's letter, and that, as Mr. McCormick suggested, a committee of three be appointed to secure information and, at a proper time, to meet with representatives of the Trustees of the Behavior Institute, for information purposes only, and to report to the Board. This motion was carried.

Mr. Armstrong later appointed Mr. Trees, Mr. Barr, and Mr. Armstrong (with the President of the University *ex officio*) to serve on this special committee.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 11, 1928

The December meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a. m. on Tuesday, December 11, 1928.

When the Board convened, the following members were present: President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present.

As there was no quorum, a recess was taken.

EXECUTIVE COMMITTEE MEETING, DECEMBER 11, 1928

A meeting of the Executive Committee was held at the Blackstone Hotel, in Chicago, at 9:45 a. m. on Tuesday, December 11, 1928. All the members of the Executive Committee were present: Mr. Armstrong, Chairman, Mrs. Evans, Mr. Trees; also Mrs. Busey and Mrs. Grigsby, members of the Board, and President Kinley.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Executive Committee considered the following matters presented by the President of the University.

AUDIT OF ATHLETIC ASSOCIATION ACCOUNTS

(1) At the November 16 meeting of the Board I was asked to inquire whether it would not be a good thing to have an annual audit of the accounts of the Athletic Association made by an outside firm of accountants, in addition to the audits made our own people. Mr. Morey's opinion is as follows:

"Concerning the audit of the Athletic Association I would say that the only thing that we are doing that could be reduced, if we continue to make the audit, is the preparation of a report at the end of the first six months. Our plan of auditing is what is known in auditing procedure as a 'continuous audit.' We do the work from time to time when it can be done to the best advantage and the work of the year as a whole constitutes the year's audit. No work is duplicated at successive times. It has been our practice, however, to submit two reports during each year and it is possible that one report at the end of the year would now suffice." He adds: "If it is felt that the accounts should be audited by an outside firm of accountants, it would be my feeling that there would be no occasion for continuing the audit by my office. That audit is made by certified public accountants and I believe conforms to the standard of reputable accounting firms. I would not see any advantage in having the work done twice."

Mr. Huff's opinion is as follows:

"I do not believe that an audit made by an outside firm of accountants would be of any more value than that made under the direction of Mr. Morey. However, if any of the members of the Board think it advisable there certainly is no objection to having it done, and I agree with you that if such an audit is made by an outside firm that one audit by our own people would be sufficient."

It was voted, on motion of Mr. Trees, that this report be received for record and that the present practice be continued.

USE OF LABORATORIES DURING HOLIDAYS

(2) The Council of Administration, on recommendation of a special committee appointed to study and report on the matter, recommends that authority be given to open the University laboratories during the Thanksgiving, Christmas, and Easter holidays (to enable students who need more time for their laboratory work to catch up with their classes) on the following conditions:

1. That there is sufficient demand reasonably to assure the University that the expenses incurred will be defrayed by the fees collected.

2. That a scale of fees be adopted to cover expenses for laboratory materials used and for properly qualified assistants to conduct the laboratory exercises.

3. That in case laboratories are opened during such periods the assistants employed shall exercise only the ordinary duties necessary for the supervision of the work, and persons shall not be permitted to undertake such supervision who also undertake or have undertaken to become special tutors for students carrying on the laboratory work.

I concur in these recommendations.

On motion of Mrs. Evans, these recommendations were approved.

PROMOTION TO THE THIRD YEAR IN THE MEDICAL CURRICULUM

(3) The Council of Administration, acting for the Senate, on recommendation of the Faculty of the College of Medicine, recommends the adoption of the following requirement to govern promotion to the third year of medicine:

To register for any work of the third year in the College of Medicine, a student must have secured a grade of C or better in seventy-five per cent of the work of the first two years of the curriculum.

On motion of Mr. Trees, this recommendation was approved.

SABBATICAL LEAVES OF ABSENCE

(4) On recommendation of the heads of the departments and the deans concerned, I recommend that Mr. H. E. Babbitt, Professor of Sanitary Engineering, and Miss Clarissa Rinaker, Assistant Professor of English, be given sabbatical leaves of absence on one-half salary for the year 1929-30, under the rules.

They have complied with all of the requirements provided by the rules for leaves of absence.

On motion of Mrs. Evans, these leaves were granted.

**TITLES OF DR. ROSSLEENE ARNOLD HETLER AND
MISS ANNA SCHREIBER**

(5) On recommendation of Dean Mumford, I recommend that the title of Dr. Rossleene Arnold Hetler, Assistant Professor of Nutrition, be amended by the addition of "Assistant Chief in Nutrition," and that that of Miss Anna Schreiber, Instructor in Foods, be amended by the addition of "First Assistant in Foods," in order that they may have Experiment Station titles, as they are both doing Purnell work.

On motion of Mr. Trees, these recommendations were approved.

**APPROPRIATION FOR CUT STONE WORK ON
ARCHITECTURAL BUILDING**

(6) On request of the Supervising Architect I recommend that an appropriation of \$360 be made from the Reserve and Contingent Fund to pay a claim of the Adam Groth Company, who did the cut stone work on the Architectural Building, for extra labor required on the carved panels on the east and west ends of the building because of elaboration of the carving required after their bid was accepted.

On motion of Mr. Trees, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mr. Trees.

**APPROPRIATION FOR HAY SHED AND TARGET RANGE
FOR MILITARY DEPARTMENT**

(7) For some time we have needed a storage shed for the hay furnished by the War Department for the Military Department animals. There is also need for a target range in the Armory. After studying the matter carefully the Supervising Architect has submitted estimates of the cost of providing these facilities and requests an appropriation of \$7,500 for these purposes.

Therefore, I recommend that an appropriation of \$7,500 be made from the Reserve and Contingent Fund to be expended as follows:

1. For a Hay Storage Shed, \$4,500.
2. For a Target Range, \$3,000.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mr. Trees.

APPOINTMENT OF DEAN DAVENPORT

(8) Pursuant to the action of the Board at its last meeting, I have conferred with Dean Eugene Davenport concerning his return to full-time active service as special assistant to the President at his old salary. He agrees to do this on these terms. Accordingly, I request an appropriation of \$3,500 from the Reserve and Contingent Fund, or so much thereof as may be necessary,

to pay the balance of his full-time salary and to meet such expenses as his work may entail in travel and clerical service and otherwise for such a period as I may need him, not to extend beyond the end of June next and beginning when he reports for duty.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mr. Trees.

APPROPRIATION FOR ELECTRICAL ENGINEERING LABORATORY

(9) Professor White informs me that after consulting with Dean Ketchum and Professor Paine, he is of the opinion that when the old Laboratory for Theoretical and Applied Mechanics is vacated, on completion of the new structure, it should be connected with the present Electrical Engineering Laboratory on the other side of the Boneyard, both buildings entirely remodeled and the Laboratory equipped with up-to-date apparatus, and rewired. After studying his proposal it seems to me that the plan is an excellent one and will give the University a first-class Electrical Engineering Laboratory with plenty of room, although, of course, not in a new building. This will be far cheaper than a new building. Therefore, I have approved Professor White's suggestion and concur in recommending to you the necessary appropriations. The amount required will be \$50,000, of which about \$23,000 will be necessary for the material construction to connect the buildings, \$15,000 for remodeling, and the balance for equipment. I therefore recommend an appropriation of \$50,000 from the Reserve and Contingent Fund for these purposes.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mr. Trees.

COOPERATIVE INVESTIGATION OF CLAY SEWER PIPE

(10) On recommendation of the Dean of the College of Engineering, I recommend approval of two agreements with the Clay Products Association of Chicago for cooperative investigations to be carried on in the Engineering Experiment Station, viz.:

1. An investigation of clay sewer pipe. The agreement has been executed for a period of one year from February 1, 1929, and the Association agrees to pay the University \$6,000 for the expenses of the investigation.

2. An investigation of jointing materials for clay sewer pipe. The agreement has been executed for a period of two years from February 1, 1929, and the Association agrees to pay the University \$2,000 for the expenses of the investigation.

These agreements are of the form and character authorized by the Board for cooperative investigations.

On motion of Mr. Trees, these agreements were approved.

REPORT OF CONTRACTS AND PURCHASE ORDERS

(11) The following report from the Comptroller of contracts and purchase orders executed since the last report was made.

CONTRACTS EXECUTED BY THE COMPTROLLER NOVEMBER 11, 1928, TO DECEMBER 6, 1928

This report was received for record.

USE OF FIELD REFRIGERATOR

(12) The Department of Agronomy has made arrangements with the United States Department of Agriculture for the use of a field refrigerator which belongs to the United States Department and which the latter will not need until May, 1929. The proposal is to bring the machine from Bloomington to Urbana to be used here in some of the Experiment Station projects, and to return the machine to Bloomington next spring. The representative of the United States Department suggests that the University take out fire and tornado insurance on this equipment during the time it is in our possession. Dean Mumford concurs in this suggestion, and, therefore, I recommend that authority be given to take out the necessary insurance, the cost to be charged to the Department of Agronomy.

On motion of Mrs. Evans, this recommendation was approved.

SOY BEAN STORAGE TESTS

(13) Sometime ago I authorized the Agricultural Experiment Station to make arrangements with Mr. Eugene Funk, the seed man of Bloomington, for the storage of 600 bushels of soy beans in our experiment storage bins on the south farm from about November 1, 1928, to September 1, 1929, to be used in a study of the storage, shrinkage, and artificial drying of farm crops. The only expense involved in connection with the use of these beans, at the time the proposal was put up to me, was the delivery of the beans from our bins to the railroad station after we are through with them. (The beans were to be delivered to our bins by local growers.)

Dean Mumford feels that we should assume some responsibility in connection with this matter, chiefly the risk of fire, inasmuch as the beans do not belong to us and their storage in our bins is to the University's advantage.

Therefore, I recommend that the University insure these beans for \$800 against any loss and that the cost be met from funds of the Department of Agronomy.

On motion of Mrs. Evans, this recommendation was approved.

CONTRACT FOR PRINTING OF ANNUAL REGISTER

(14) The Comptroller submits the following quotations received by the Purchasing Agent for printing and binding the Annual Register for 1928-29:

Rogers Printing Company, Dixon, Illinois.....	\$6800
Gentry Printing Company, Chicago, Illinois.....	7025
W. B. Conkey Company, Hammond, Indiana.....	7340
Review Printing and Stationery Company, Decatur, Illinois.....	9820
Rand McNally and Company, Chicago, Illinois.....	No quotation
R. R. Donnelly and Sons, Chicago, Illinois.....	No quotation

Pantagraph Printing and Stationery Company, Bloomington,
 Illinois.....No quotation
 Jefferson Printing Company, Springfield, Illinois.....No quotation

The above amounts are based on unit prices as applied to last year's Register.

The Purchasing Agent, the Director of the University Press, and the Comptroller recommend that the contract be awarded to the Rogers Printing Company of Dixon, the low bidder.

I concur.

On motion of Mr. Trees, this award was made to the low bidder as recommended.

PORTRAIT OF DEAN THOMAS ARKLE CLARK

(15) A year and a half or so ago, a group of students and members of the faculty organized a committee to raise funds for a portrait of Dean Thomas Arkle Clark. Funds were raised and the portrait was painted by Mr. Charles W. Hawthorne. The portrait is now offered the Board by the following letter.

URBANA, ILLINOIS, December 5, 1928

President David Kinley, 355 Administration Building

DEAR MR. PRESIDENT:

For the committee in charge of the portrait of Dean Clark, painted by Mr. Charles W. Hawthorne, I am very glad, through you, to present to the Board of Trustees of the University this portrait which has been made possible by the generosity of students and friends of Dean Clark.

Very truly yours,

LA FORCE BAILEY

I recommend that the portrait be accepted.

On motion of Mr. Trees, this portrait was accepted.

LEASE, AMERICAN CAN COMPANY

(16) A recommendation from Dean Mumford, in which I concur, that we renew a lease with the American Can Company for the use of a closing machine and change parts, at a rental of \$1.00 a year, plus an insurance fee of \$14.

On motion of Mr. Trees, the renewal of this lease was authorized.

At this point, Dr. Noble took his place with the Board, and the Executive Committee adjourned.

SECOND SESSION, DECEMBER 11, 1928

When the Board convened after the recess on December 11, 1928, the same persons were present as before, and Dr. W. L. Noble was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 16, 1928. On motion of Mrs. Grigsby, the minutes were approved as printed on pages 77 to 89 above.

ATHLETIC ASSOCIATION EMPLOYEES

On recommendation of President Kinley, and on motion of Mr. Trees, the Board approved the proposal of the Athletic Association to extend the University's plan of compensation for accidents, retiring allowances, and death benefits, to its staff of employees, at its expense.

MILITARY TRAINING

President Armstrong presented for Mr. Barr the following recommendation:

After consideration of the arguments presented by Dr. Paul H. Douglas and his associates at the Board Meeting on May 23, 1928, in favor of abolishing prescribed military training at the University and also the arguments presented on the other side by the delegates from certain patriotic societies heard at the meeting of June 12, 1928, I recommend that the University adhere to its present policy with reference to military training.

GEORGE A. BARR

On motion of Mrs. Evans, this recommendation was accepted and approved.

BOOTH-ST. LOUIS BONDS

Mr. Trees, for the Finance Committee, presented a recommendation that the Treasurer and the Comptroller be authorized and directed to dispose of the bonds of the Booth-St. Louis Cold Storage Company, given by the late Senator McKinley, at a price of 95 or better.

On motion of Mr. Trees, this recommendation was adopted.

PLANS FOR STADIUM

On motion of Mr. Trees, it was voted that the Board permit and authorize the Athletic Association to replace the wooden bleachers now at the south end of the Stadium with concrete seats, constructed in accordance with the original design and plans of the entire structure, the whole expense to be met by the Athletic Association out of its own funds, without any expenditure of University funds, the choice of architect and all plans and details to be subject to the approval of the Board, on recommendation of the Supervising Architect who shall also have supervision of construction.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record the following list of appointments made by the President of the University:

Burrows, S. J., Assistant in Anatomy, in the College of Medicine, on one-fourth time, for seven months beginning November 1, 1928, at a cash compensation at the rate of twenty-eight dollars twelve and one-half cents (\$28.12½) a month. (November 19, 1928)¹

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 9, 1929

The January meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Wednesday, January 9, 1929.

When the Board convened, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, and Mr. Simpson, who had taken the oath of office previous to the meeting.

President Kinley was present; also Professor Morey, Comptroller.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of December 11, 1928. On motion of Mr. Trees, the minutes were approved as printed on pages 91 to 99 above.

EXECUTIVE COMMITTEE MEETING, JANUARY 9, 1929

The Secretary presented for record a minute of a meeting of the Executive Committee.

EMPLOYMENT OF HOLABIRD AND ROOT FOR STADIUM AND SKATING RINK PLANS

On recommendation of the President of the University, made at the request of Director George Huff and Professor J. M. White, members of the Executive Committee individually approved the employment of Holabird and Root as architects for the skating rink plans and the plans for the replacement of the wooden seats at the south end of the Stadium with concrete seats. At a meeting held January 9, 1929, at 9 a.m. in Chicago, the Executive Committee in session confirmed the individual actions of its members authorizing the employment of Holabird and Root as architects for the skating rink and the south stand of the Stadium.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

QUARTERLY REPORT OF THE COMPTROLLER

(1) The report of the Comptroller for the quarter ending December 31, 1928.

SUMMARY*Reserve and Contingent Fund*

The unappropriated balance of the Reserve and Contingent Fund (estimated excess of income of the year over appropriations) at the beginning of the quarter was \$215,605. Net deductions during the quarter totalled \$87,064, as per Schedule A, leaving a balance of \$128,541 in the Reserve and Contingent Fund at the close of the quarter. The balance at the corresponding date a year ago was \$226,001.

Budget Income

Realization of the budget income for the six months ending with the present quarter, as per Schedule B, was as follows:

	<i>Estimate For Year</i>	<i>Per Cent of Year's Estimate Realized</i>	
		<i>This Year</i>	<i>Same Date Last Year</i>
State Appropriations for Operation (per cent realized represents portion expended to December 31, 1928).....\$	500 000	54.0	51.5
Federal Funds.....	438 075	51.6	54.1
Student Fees.....	850 000	51.7	51.3
Agricultural Sales			
Credited to Revolving Accounts.....	124 860	54.3	49.4
Credited to Agricultural Income.....	131 700	61.6	64.7
Miscellaneous Sales and Receipts.....	90 000	48.1	53.5

Treasurer's Balance

The balance in all funds in the hands of the University Treasurer at the close of the quarter, allowing for outstanding warrants, was \$1,063,959, Schedule D. On the corresponding date a year ago, the balance was \$929,038.

Budget Expenditures

Board appropriations to departments for the current fiscal year total \$5,981,386, including salaries, \$3,926,188, expense and equipment, \$2,055,208. These were 45.2% expended at the end of the quarter, and 2.6% encumbered. (Included in Schedule C.) On the corresponding date a year ago these appropriations were 45.7% expended and 2.4% encumbered.

Building and Improvement Funds

Building and Improvement funds for the biennium were 39.5% expended at the end of the quarter, and 40.3% encumbered, as per Schedule C.

Trust Funds

Endowment funds from private gifts for special purposes (see Schedule D) are distributed as follows:

Professorial and Lectureship Endowments	\$119 686
Student Loan Endowments	175 101
(of which \$153,217 was outstanding in student notes at the end of the quarter.)	
Scholarship and Prize Endowments	84 486
Other Endowments	91 431
<i>Total</i>	<u>\$470 704</u>

Indebtedness on Property

Outstanding indebtedness on University property at the end of the quarter consisted solely of 6% bonds totalling \$60,000 on the Dental Building in Chicago, due in 1932. Of this amount \$7,600 was in the Treasury of the University at the date of this report awaiting cancellation as of January 1, 1929 (Schedule D).

Residence Halls

A summary of the operations of the residence halls for the year to December 15, 1928, is shown as Appendix I. The balance in the Residence Halls fund at the end of the quarter was \$117,890, and in the Davenport House, \$7,543.

Stadium Fund

An appendix is included giving the report of the Memorial Stadium Fund, of which the Board of Trustees is custodian. (See Appendix II.)

On motion of Mrs. Evans, this recommendation was adopted, and authority was granted as requested.

At this point Mr. Walter T. Fisher entered the meeting and presented to President Armstrong a letter, which was not read to the Board but which President Armstrong stated was a personal letter addressed to Mr. Walter T. Fisher and signed by Len Small and stated that Mr. Fisher had been appointed a Trustee in place of Mrs. Anna Wilmarth Ickes, resigned. The oath of office having been administered by the Secretary, Mr. Fisher took a seat with the Board.

APPROPRIATION FOR DEPARTMENT OF ANIMAL HUSBANDRY

(3) On recommendation of Dean Mumford, I recommend that the excess of Animal Husbandry receipts from sales over the budget estimate for 1927-28, amounting to \$3,496.34, be appropriated to the department of Animal Husbandry, to be used for the publication of four manuscripts which the department has prepared as the result of its investigations of swine.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small.

APPROPRIATION TO LAW LIBRARY

(4) On request of Dean Harno, I recommend that an appropriation of \$2,500 be made from the Reserve and Contingent Fund to the College of Law for additions to the Law Library.

On motion of Mrs. Busey, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small.

APPROPRIATION FOR MEDICAL LIBRARY

(5) On request of the Library Committee of the College of Medicine for additional funds, and on recommendation of Director P. L. Windsor of the University Library, I recommend that an appropriation of \$2,450 be made from the Reserve and Contingent Fund to the College of Medicine for additions to the Medical Library.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small.

APPROPRIATION FOR ARCHEOLOGICAL EXPLORATIONS

(6) Dr. Warren K. Moorehead, who has been in charge of our archeological explorations, requests an additional \$500 to complete the work on the Ogden-Dickson Mound near Lewistown.

I recommend that an additional appropriation of \$500 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Dr. Noble, Mr. Small.

ACADEMIC TITLES OF J. D. BILSBORROW AND J. C. SPITLER

(7) I recommend that the academic titles of Messrs. J. D. Bilsborrow and J. C. Spitzer in the Extension Service be changed to read in each case, "Assistant State Leader of Farm Advisers with the rank of Assistant Professor."

On motion of Mr. Barr, this recommendation was approved.

LEAVE OF ABSENCE FOR PROFESSOR B. SMITH HOPKINS

(8) On request of Professor B. Smith Hopkins of the Department of Chemistry, approved by Professor Roger Adams and Dean Babcock, I recommend that he be given a sabbatical leave of absence for one year, under the rules, arrangements as to time to be approved by the President of the University.

On motion of Mrs. Busey, this leave was granted.

ADVISORY COMMITTEE FOR THE DEPARTMENT OF CERAMIC ENGINEERING

(9) On nomination of the Illinois Clay Manufacturers Association and the Chicago Section of the American Ceramic Society, I recommend that the following be appointed as members of the Advisory Committee for the Department of Ceramic Engineering, to serve during the year 1929:

On nomination of the Chicago Section of the American Ceramic Society

WILLIAM SCHLAKE, President, Illinois Brick Company, 111 West Washington Street, Chicago.

H. J. LUCAS, General Manager, Northwestern Terra Cotta Company, 2525 Clybourn Avenue, Chicago.

W. E. LEVIS, Vice President and General Manager, Illinois Glass Company, Alton.

I. B. FRY, Vice President and General Manager, Coonley Manufacturing Company, Clyde.

J. A. DeCELLE, Manager, Chicago Hardware Foundry Company, North Chicago.

JOHN CLIFFORD, President, Chicago Pottery Company, 1924 Clybourn Street, Chicago.

On nomination of the Illinois Clay Manufacturers Association

F. W. BUTTERWORTH, Western Brick Company, Danville.

On motion of Mr. Trees, these appointments were made.

APPOINTMENT TO ADVISORY COMMITTEE OF THE COLLEGE OF AGRICULTURE

(10) On recommendation of Dean Mumford, I recommend that Mr. J. F. Ammann of Edwardsville be appointed as a member of the General Advisory Committee of the College of Agriculture to fill the vacancy caused by the resignation of Mr. Hans Jepsen.

On motion of Mrs. Evans, this appointment was made.

C.P.A. CERTIFICATES

(11) The Committee on Accountancy recommends, and I concur, that the following candidates who passed the November, 1928, examination for Certified Public Accountant, as certified by the Board of Examiners, be awarded the C.P.A. Certificate:

OGDEN ASHLEY	H. EVERETT OLSON

EDWARD J. NORMAN	CHARLES N. WILSON

On motion of Mr. Simpson, these certificates were awarded.

**AMENDMENT OF REGULATIONS GOVERNING THE
THOMAS J. SMITH SCHOLARSHIPS IN MUSIC**

(12) For some time it has seemed to me that our regulations governing the Smith Scholarships in Music might well be revised. After receiving the report of a Committee and studying the matter, I recommend that the following rules be adopted to replace the present regulations governing the scholarships:

THOMAS J. SMITH SCHOLARSHIPS IN MUSIC

Captain Thomas J. Smith of Champaign, Illinois, on September 17, 1914, conveyed to the Board of Trustees of the University of Illinois certain farm lands to aid in the construction of what is now the Tina Weedon Smith Memorial Building, with the further stipulation that the Board of Trustees shall grant annually in the University of Illinois four free scholarships in Music "for young women who may seek a musical education but who are unable to pay the customary charges for instruction in Music."

REGULATIONS

1. Applicants for original appointment must satisfy in full the entrance requirements of the University for the School of Music as stated in the University Register and must matriculate in that School for the semester immediately following their appointment.

2. Each applicant for original appointment to one of these scholarships shall present satisfactory evidence of promise in Music and of inability "to pay the customary charges for instruction in Music."

3. Each applicant shall submit an essay of not fewer than 250 words on some subject in music, chosen by herself, to show that she has adequate training in English composition.

4. These scholarships shall be awarded "by way of preference to candidates from Champaign County." In case the number of successful candidates from Champaign County is fewer than the number of available scholarships, the remaining scholarships may be awarded to candidates from other counties in Illinois. In case the number of acceptable applicants exceeds the available scholarships, the order of their appointment shall be determined by the Committee on Thomas J. Smith Scholarships in Music, on the basis of comparative promise in Music and of financial need.

5. These scholarships shall be good for one year and shall exempt the holders during this period from matriculation, incidental, and music fees. They may be renewed for one, two, or three years provided the scholars maintain at least an average grade of B in all subjects.

6. An annual assignment of these scholarships shall be made in September of each year by a committee of three appointed by the President, to be known as the Committee on Thomas J. Smith Scholarships in Music. Vacancies in the second semester may be filled by the Committee.

On motion of Mrs. Grigsby, these regulations were adopted.

SALE OF HOUSES ON SKATING RINK SITE ON FIFTH STREET

(13) On recommendation of the Supervising Architect I recommend that the two houses on the Fifth Street property, which is the site of the proposed skating rink to be built by the Athletic Association, be advertised for sale and sold to the best advantage possible by the Comptroller and that the net proceeds be turned over to the Athletic Association inasmuch as the land and houses were a gift to the University from the Association.

On motion of Mr. Barr, this recommendation was adopted.

RELEASE OF PATENT RIGHTS TO DR. H. C. KREMERS

(14) Dr. Harry C. Kremers, Assistant Professor of Chemistry, has developed the use of Misch metal as an electrolytic rectifier. Although there is no likelihood that the process will have any immediate commercial value, it appeals to him as worth controlling.

The Committee on Patents is of the opinion that the University is not interested in the patent and recommends that Dr. Kremers be permitted to take out the patent himself, if he chooses to do so.

I recommend that Dr. Kremer's discovery be released so far as the University is concerned and that he be permitted to file an application for a patent for the process.

On motion of Mrs. Evans, this recommendation was adopted.

**COOPERATIVE INVESTIGATION OF FATIGUE TESTS OF METALS
AT ELEVATED TEMPERATURES**

(15) On recommendation of the Dean of the College of Engineering, I recommend approval of an agreement with the Joint Research Committee of the American Society of Mechanical Engineers for a cooperative investigation of fatigue tests of metals at elevated temperatures, to be carried on in the Engineering Experiment Station. The agreement has been drawn for a period of one year from January 1, 1929, and the Joint Research Committee agrees to pay the University two thousand dollars to cover the expenses of the investigation.

The agreement is of the form and character authorized by the Board for cooperative investigations.

On motion of Mrs. Grigsby, this agreement was authorized.

**EXTENSION OF AGREEMENT FOR COOPERATIVE INVESTIGATION
OF CAST IRON PIPE**

(16) On recommendation of the Dean of the College of Engineering I recommend that the agreement entered into between the University and the Sectional Committee on Cast Iron Pipe (Minutes, October 12, 1927, page 473) for an investigation of cast iron pipe, which expired November 1, 1928, be extended to November 1, 1929.

On motion of Mr. Trees, this agreement was extended.

**EXTENSION OF AGREEMENT FOR COOPERATIVE INVESTIGATION
OF BOILER FURNACE REFRACTORIES**

(17) On recommendation of the Dean of the College of Engineering I recommend that the agreement entered into between the University and the Special Committee on Boiler Furnace Refractories of the American Society of Mechanical Engineers (Minutes, April 12, 1928, page 582) for an investigation of boiler furnace refractories, which expired November 1, 1928, be extended to November 1, 1929.

On motion of Mrs. Busey, this agreement was extended.

**ACCIDENT COMPENSATION FOR EMPLOYEES ENGAGED IN
COOPERATIVE RESEARCH PROJECTS
AND COMMERCIAL TESTS**

(18) Sometime ago I raised with the officers concerned the question of compensation for accidents of employees engaged in cooperative research projects and commercial testing, asking them to study the whole matter and report on a sound and proper

policy for the University to establish in such cases. This committee submits the following recommendations:

1. We recommend that the policy of the University in such cases should be the same as that adopted by the Board of Trustees on June 29, 1928, regarding the faculty in general when engaged in extra hazardous work, namely, that these persons be included in the scheme whereby compensation may be awarded in case of accident arising out of the employment.

2. We recommend that in all cases where a piece of work is undertaken under the conditions of a cooperative agreement, the cost of any compensation arising from accidents to employees engaged in this work be paid from the funds provided for the investigations.

3. It is impracticable to assume that each fund must individually stand responsible for any accidents that might occur within its field of work as a single accident might easily involve the total amount of the fund in some cases. No individual or organization would likely accept a contract in which such a provision was included. Consequently, we recommend that for the purposes of providing protection and of apportioning the cost equitably among all funds, liability insurance in the form of a group policy on all employees in cooperative research projects be taken out.

The expense of such a policy would be apportioned to the different funds in accordance with the ratio of their payrolls to the total payroll of all such funds. In this way the cost to each fund would be nominal. A preliminary estimate of the cost of this insurance gives an average of approximately \$2 per \$100 of the annual payroll. As the payroll represents at least 75 per cent of the total expense, the approximate burden would be $1\frac{1}{2}$ per cent of the total of each fund.

4. We recommend that in each cooperative research agreement hereafter entered into, the following paragraph be included:

It is agreed that there shall be purchased and maintained in force adequate liability insurance covering all persons at any time engaged in the research or investigation herein contemplated in case of accidental injury or death arising out of or in the course of such employment; and the cost of such liability insurance shall be paid from the funds provided by the party with whom contract is made.

5. A limited amount of commercial testing is done under the rules of the Board covering this subject. Such work is accepted only when it is of scientific value or facilities for doing it do not exist elsewhere. In the majority of cases, the work is assigned to members of the staff as a part of their University service and the University collects the charge made for the service. Occasionally the work is of such a nature that it is necessary to call on members of the staff to do it on their own time and give them permission to render a bill for their own services, a procedure which is authorized by our rules.

It is clear to us that work falling under the first group should be treated as University work and the University should assume any expense that might arise out of accidents resulting therefrom. We believe further that the University might probably do the same for the second class of work even though individual members of the staff may receive extra compensation therefor. They do this work at the request of the University and in the interest of the public service of the University and there would seem to be no practicable manner of otherwise placing the responsibility. It should be added that the amount of this kind of work is very small and is steadily diminishing.

Respectfully submitted,

M. S. KETCHUM
SVEINBJORN JOHNSON
W. L. BURLISON (acting for
Dean MUMFORD)
LLOYD MOREY

I concur in these recommendations and recommend that the above report be adopted as a policy to be followed by the University.

On motion of Mr. Trees, this recommendation was adopted.

CANCELATION OF DENTAL BUILDING BONDS

(19) The Comptroller reports that in accordance with the action of the Board of Trustees on November 16 (page 79) the sum of \$7,600 of first mortgage bonds on our Dental Building purchased from University funds and held in the Treasury has been canceled as of January 1, 1929.

This report was received for record.

GIFT FROM CHEMICAL FOUNDATION

(20) The Chemical Foundation has offered the University the sum of \$7,500 to be used in research on high pressure gas reactions. I have authorized acceptance of this offer.

This report was received for record.

GIFTS TO THE UNIVERSITY

(21) The K-G Welding and Cutting Company has donated to the Department of Mechanical Engineering a welding torch and a cutting torch and regulators, valued at approximately one hundred twenty-five dollars.

Mr. Charles D. Carey of Cheyenne, Wyoming, a jersey breeder who has been interested in our work in dairy husbandry, has given the Department of Dairy Husbandry a jersey bull calf.

Mead Johnson & Company of Evansville, Indiana, manufacturers of infant diet materials, have donated to the University \$5,300 for the establishment of a fellowship in the College of Medicine for a clinical study of irradiated ergosterol under the direction of Dr. Julius H. Hess. The Company acknowledges the regulations governing gifts to the University for research purposes, and agrees that its gift shall be subject to them.

The E. I. du Pont de Nemours and Company has renewed the du Pont fellowship in chemistry, amounting to \$750, for the academic year 1929-30.

This report was received for record.

C.P.A. REPORT

(22) The report of the Committee on Accountancy for the year ending June 30, 1928.

Dr. David Kinley, President

DEAR MR. PRESIDENT:

The University Committee on Accountancy respectfully submits herewith a report of its work for the year ended June 30, 1928.

PERSONNEL

The membership of the University Committee has been as follows: Professor M. H. Robinson, Chairman; Professor W. E. Britton; Registrar G. P. Tuttle, Secretary, *ex-officio*. Mr. D. A. Grossman, Examiner in the Registrar's Office, has served again as Clerk of the Committee.

Mr. Herbert Pope of Chicago was appointed in October, 1927, to succeed Mr. W. F. Dodd as a member of the Board of Examiners. The organization of the Board has been as follows:

Mr. Arthur Andersen, C.P.A., Chairman
 Mr. Harold Benington, C.P.A., Secretary
 Mr. Herbert Pope, LL.B.

EXAMINATIONS

Two examinations have been held during the year, one on November 17 and 18, 1927, and one on May 10 and 11, 1928. A total of 424 candidates sat at these two

examinations. Of these 61 were successful and have been awarded the certificate as follows:

FEE FOR CERTAIN COURSES IN FRENCH AND SPANISH

(24) On recommendation of the Acting Head of the Department of Romance Languages, the Dean (also the Provost in this case), and the Comptroller, I recommend that a fee of fifty cents per semester be established for students registered in French 25 and Spanish 25 (courses for teachers, on methods of teaching French).

On motion of Mrs. Evans, these fees were approved.

**ACCIDENT COMPENSATION FOR MEMBERS OF FACULTY ENGAGED
IN EXTRA HAZARDOUS EMPLOYMENT**

(25) At the meeting of June 29, 1928 (Minutes, pages 751-3), the Board extended the policy of compensation for accidents to members of the faculty who may be injured when actually within the scope of their duties engaged in employment which by fair and reasonable construction can be regarded as extra hazardous. Since that meeting I have made inquiry and asked the opinions of the Deans, Directors, and other officers of the University to determine what courses of study and what classes of work might be so regarded. The opinions I have received indicate that so many courses of study and the work of so many departments involve some element of hazard, that it is difficult to draw distinctions. In view of these circumstances, I recommend that no special list of courses or departments be approved as coming within this extended policy, but that each case of accident be considered on its merits.

On motion of Mr. Trees, this recommendation was adopted.

LOCATION OF ALMA MATER GROUP

(26) A statement concerning the location for the Alma Mater group by Mr. Lorado Taft, which was referred to a special committee.

The committee was asked to renew its consideration of this matter and to report at the February meeting of the Board.

BEHAVIOR INSTITUTE

Mr. Trees, for the Special Committee to meet with representatives of the Trustees of the Behavior Institute (Minutes, November 16, 1928, page 86) made the following report.

Your committee appointed to make a recommendation concerning the request of the Trustees of the Institute of Behavior for certain cooperative action, recom-

mends the adoption of the following statement as the sense of the Board and its transmission to the Trustees of the Behavior Institute as your reply:

The Board of Trustees of the University of Illinois have studied as fully as they could the request of the Trustees of the Behavior Institute, have viewed the matter from all suggested points of view, and, remembering the relation of the Institute of Juvenile Research to the Research and Educational Hospitals, set forth in the agreement between the Department of Public Welfare and the University, as originally recommended by Dr. Herman Adler and others, and remembering also the wide scope of the field of juvenile research, regret that at the present time they do not see their way clear to commit themselves on the matter submitted to them by their distinguished and respected fellow citizens, the Trustees of the Institute of Behavior.

On motion of Mr. Trees, this report was adopted.

BOOTH-ST. LOUIS BONDS

Mr. Trees, for the Finance Committee, reported that the Booth-St. Louis Cold Storage bonds have not been sold as authorized (page 97) because of the improved position of these securities, and recommended that the action of December 11, 1928 (page 97), ordering the sale of these bonds be rescinded.

On motion of Mr. Trees, this recommendation was adopted.

ELECTRICAL ENGINEERING SOCIETY LOAN FUND

Mr. Trees, for the Finance Committee, made the following report:

The Comptroller reports that pursuant to the action of the Board of Trustees on October 13, 1928 (page 45), accepting the offer of the Electrical Engineering Society of the University to establish a Student Loan Fund with money which the Society has made on the electrical shows, the Society turned over to him the sum of \$2,600 in United States bonds which have been deposited with the Treasurer of the University. He requests authority for the sale of these bonds at the market to make the Fund available to students in accordance with the provisions of the gift. I recommend that he be authorized to sell these securities as funds for these loans are needed.

On motion of Mr. Trees, this report was adopted.

TRUST FUND INVESTMENTS

Mr. Trees, for the Finance Committee, made the following recommendation:

The Finance Committee recommends that the Board of Trustees authorize and direct the Treasurer of the University to sell the securities shown on Schedule A attached.

RECOGNITION OF GIFTS

Mr. Trees, for the Special Committee to consider the form of recognition of gifts to the University, made the following report:

After careful study of the matter and, especially, inquiry into the practice of certain other institutions, it is the opinion of your committee that it would be inadvisable to initiate the practice of commemorating gifts with bronze tablets to be affixed on the walls of University buildings. The reasons are these:

1. They will become so numerous as to become common and will occupy too

much wall space. In our own case, if we initiate the practice, we should, in the first instance, provide a dozen or more tablets.

2. This method does not call the matter as fully to the attention of people interested as some other method. The tablets are seen only by a few students, a few members of the faculty, and the occasional visitor. Therefore, it is neither widely commemorative nor widely suggestive.

3. The method is unduly expensive.

Other methods followed in many institutions are these:

1. Due acknowledgment by the Board of Trustees and printing in the minutes.

2. Acknowledgment in the President's Annual Reports.

3. Acknowledgment at Commencement time.

4. Acknowledgment through the newspapers at the time of the gift and, in some cases, on those occasions when the prizes, loans, fellowships, etc., are awarded.

5. A special pamphlet, perhaps year by year or occasionally, enumerating the gifts to the University with due acknowledgment of their source. Such pamphlets get wide circulation.

It seems to your committee that acknowledgment written in the minutes of the Board, in the President's Reports, in the Catalogue, are all good. These methods are followed by the University at present. In addition, your committee is of the opinion that it would be well to publish occasionally, at the discretion of the President of the University, a pamphlet or booklet giving a brief account of these gifts with due acknowledgment and appreciation.

On motion of Mr. Trees, this report was adopted.

BONDS ON DENTISTRY BUILDING

Mr. Trees, for the Finance Committee, recommended that no action be taken with respect to the proposed cancelation of bonds of the College of Physicians and Surgeons, on the Dentistry Building, purchased with and held for University trust funds (page 79).

On motion of Mr. Trees, this recommendation was adopted.

IMPROVEMENT OF STREETS

Mr. Barr, for the Committee on Buildings and Grounds, made the following report:

We recommend that the Board of Trustees oppose the opening of any additional streets through the University Campus, but that the Board adopt a policy that will favor its cooperation with the Twin Cities in the widening and improvement of streets adjoining to and around the campus, as well as the widening and improvement of Springfield and University Avenues.

GEORGE A. BARR
MERLE J. TREES

On motion of Mr. Barr, this recommendation was adopted.

LETTER FROM MRS. ICKES

President Armstrong read a letter from Mrs. Anna Wilmarth Ickes, expressing her regret at the severance of her connection with the Board.

On motion of Mrs. Evans, the President of the Board was requested to express to Mrs. Ickes the regret of the Board for her resignation, and its pleasure at her promise to continue her support of the University in the General Assembly.

DATE OF FEBRUARY MEETING

On motion of Mr. Trees, the date of the February meeting was set for Wednesday, February 20, 1929, at 9:30 a.m. at the Blackstone Hotel, in Chicago.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

February 13, 1929

The February meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Wednesday, February 13, 1929.

When the Board convened, the following members were present: President Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 9, 1929. On motion of Mrs. Evans, the minutes were approved as printed on pages 101 to 125 above.

EXECUTIVE COMMITTEE MEETING, JANUARY 28, 1929

The Secretary presented for record minutes of a meeting of the Executive Committee.

A meeting of the Executive Committee of the Board was held in Chicago on Monday, January 28, at 5:20 p.m. There were present President J. W. Armstrong, Mrs. Laura B. Evans, and Mr. Merle J. Trees. President Kinley also was present. The following matters were presented by the President of the University and acted on:

(1) Recommendation that Professor W. B. McDougall be granted leave of absence on half pay for the rest of the year. Moved by Mr. Trees that the recommendation be approved and it was approved unanimously.

(2) For convenience in shipping property and keeping accounts relating to the same, the War Department has requested that the Board designate some one as Military Property Custodian. I recommend that this title be created and assigned to the officer designated to receive property from the War Department and correspond with the Department with regard to the same, and that the President of the University be authorized to designate as Military Property Custodian either the Comptroller of the University or the Professor of Military Science and Tactics or some other University officer, as after further inquiry appears expedient. It was moved by Mrs. Evans that the recommendation be approved; that the title of Military Property Custodian be created; and that the President of the University be authorized to designate the proper University officer to act as such. The motion was carried unanimously.

(3) On request of Dean Mumford, I recommend that Victor M. Cain be appointed Chief Clerk in Agricultural Administration at a salary of \$150 per month, effective January 1, 1929, and that his salary be provided for by a transfer of the necessary amount from the wages allotment of the present fiscal year to the salary budget of Agricultural Administration. It was moved by Mr. Trees that the President's recommendation be approved and the motion was unanimously carried.

(4) On request of the Head of the Department of Physiology in the College of Medicine, approved by Dean Davis, I recommend that an appropriation of \$400 be made from the Reserve and Contingent Fund to meet the expense of additional instruction in physiology for students in the College of Dentistry, necessitated by a change in the curriculum which makes it necessary to teach physiology this academic year to both the second and third year students. It was moved by Mrs. Evans that the recommendation be approved and the motion was unanimously carried.

J. W. ARMSTRONG
MERLE J. TREES
LAURA B. EVANS

At this point, Dr. Noble took his place with the Board.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CHANGES IN CURRICULUM IN FLORICULTURE

(2) I have approved the action of the Council of Administration (acting for the University Senate) on the recommendations from the Faculty of the College of Agriculture for the following changes in the curriculum in floriculture:

(1) That in the third year students be permitted to choose between Horticulture 7 (Spraying), three hours, and Entomology 20 (Insect Control), four hours.

(2) That Business Organization and Operation 2 (Marketing Organization and Operation), three hours, be substituted in the fourth year of the curriculum for Business Organization and Operation 1 (Industrial Organization and Management), three hours.

On motion of Mrs. Evans, this action was approved.

APPROPRIATION FOR LIBRARY

(3) On request of Director P. L. Windsor I recommend that an appropriation of \$5,000 be made from the Reserve and Contingent Fund to the Library for "Library Expense."

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emerson.

APPROPRIATION FOR DEPARTMENT OF HORTICULTURE

(4) I recommend that the sum of \$1,500 be appropriated from the Reserve and Contingent Fund to the Department of Horticulture for operating the new greenhouses

for the remainder of the fiscal year and that in addition the sum of \$900, or so much thereof as may be realized from the receipts of sales of products of these greenhouses, be also appropriated to the same department for the same purpose.

On motion of Mr. Simpson, this appropriation, of a possible total of \$2,400, was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson.

APPROPRIATION FOR BENEFICIARY OF MISS MARION SPARKS

(5) Miss Marion Sparks, on the Library Staff since 1904, and Librarian in the Chemistry Library since 1912, died on February 11. I recommend that an appropriation of \$1,000 be made from the Reserve and Contingent Fund to pay the death benefit due, and that the Comptroller be authorized to make payment to Miss Sparks's beneficiary.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson.

APPROPRIATION FOR SCHOLARSHIPS AND FELLOWSHIPS

(6) On recommendation of the Dean of the Graduate School I recommend that \$25,000 be appropriated in the budget for 1929-30 for graduate fellowships and scholarships.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson.

PAYMENT FOR SERVICES OF A. R. HALL IN SETTLEMENT OF JOSEPH CARTER ESTATE

(7) I recommend the payment of a fee of \$500 from the Carter-Pennell Trust Fund to Mr. A. R. Hall of the firm of Hall & Holaday, Danville, for services which he rendered after the creation of the Carter-Pennell Trust and before the final settlement of the estate of Joseph Carter.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson.

RESIGNATION OF PROFESSOR PHILBRICK

(8) Professor Francis S. Philbrick, who is on leave of absence without salary and who is visiting professor of law at the University of Pennsylvania, has submitted his resignation to take effect at the end of the academic year.

Dean Harno recommends, and I concur, that this resignation be accepted.

On motion of Mr. Simpson, this resignation was accepted.

APPOINTMENT OF PROFESSOR M. I. SCHNEBLY

(9) On recommendation of Dean Harno, I recommend that Professor Merrill I. Schnebly, at present visiting professor of law on our staff, be appointed professor on indefinite tenure, effective September 1, 1929, at a salary of \$7,000 a year.

On motion of Mrs. Busey, this appointment was made.

ADJUSTMENTS IN DEPARTMENT OF PHYSICAL EDUCATION FOR WOMEN

(10) The absence of Miss Louise Freer, Director of Physical Education for Women, who was given leave on half salary for the second semester of the present year (Min-

utes, February, 1928, page 544), requires some adjustments in the department to take care of her work. I recommend approval of the following adjustments:

1. The payment of \$200 additional salary to the Acting Director during the second semester.
2. The payment of \$100 additional salary to the Acting Director during the summer.

On motion of Mrs. Grigsby, these adjustments were authorized.

EXTENSION OF AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(11) On recommendation of Dean Ketchum I recommend that the following agreements for cooperative investigations in the Engineering Experiment Station be extended as indicated in each case:

1. Investigation of fissures in steel rails (approved by the Board in May, 1928) for one year from September 31, 1928. (This agreement is with the Utilities Research Commission.)
2. Investigation of steam and hot water heating (approved by the Board, March 9, 1926) for one year from April 1, 1929. (This agreement is with the National Boiler and Radiator Manufacturers' Association and the Illinois Master Plumbers' Association.)

On motion of Dr. Noble, these extensions were authorized.

INVESTIGATION OF USE OF PHOSPHATE ROCK AS FERTILIZER

(12) On recommendation of Dean Mumford I recommend acceptance of an offer from the Ruhm Phosphate and Chemical Company and the Thomson Phosphate Company of \$750 a year each (a total of \$1,500 a year) for a period of three years, payable in quarterly amounts of \$187.50, for research work on certain unsolved problems connected with the use of phosphate rock as fertilizer, and recommend approval of the agreement for this investigation. The agreement is of the form and character hitherto authorized by the Board for similar investigations.

On motion of Mr. Simpson, this agreement was authorized.

OFFER OF RESEARCH FUND FROM ILLINOIS CANNERS ASSOCIATION

(13) The Illinois Cannery Association has offered to increase the fund they have been giving the University from \$3,000 to \$5,000 a year for a period of five years, beginning March 1, 1929, to continue the investigations which have been conducted by the Department of Horticulture on sweet corn. On recommendation of Dean Mumford and Professor Blair I recommend acceptance of this offer.

On motion of Mr. Trees, this offer was accepted.

BIOGRAPHIES OF FORMER PRESIDENTS

(14) The publication of the biographies of former Regents Gregory and Peabody (the latter having been published by the University) suggested to me the idea of the publication of similar biographies of former Presidents Draper and James. I suggested to Honorable Harlan H. Horner of Albany, formerly President Draper's secretary, and to President James's son, Dean Herman G. James of the University of Nebraska, that if they would prepare such biographies, acceptable to the University, the University would undertake to publish them. I present the idea for the approval of the Board and request an expression of willingness on the part of the Board to publish the volumes, when they are ready, in form and content similar to the biography of Regent Peabody.

On motion of Mrs. Evans, the Board approved the general policy involved in publishing these biographies.

PATENTS OF DISCOVERIES BY MEMBERS OF THE STAFF

(15) The Committee on Patents has recently had under consideration three discoveries which have been made by members of the staff, viz:

1. A device and process for sewage treatment developed under the direction of Dr. A. M. Buswell, Professor of Sanitary Chemistry.

A. The device is a circulating system which prevents the accumulation of scum and foam in digestion tanks, makes possible the collection of valuable gases, and permits the construction of Imhoff tanks with thirty per cent greater efficiency than heretofore.

B. The process is an improvement in the digestion of sewage by dividing the process into two stages—the first lasting from five to seven days and producing ninety per cent of the valuable gases. The two-stage process may be carried out in a series of tanks in which only the first requires the expensive covered construction now necessary for gas collection.

2. The discovery by Professor N. W. Krase of the Department of Chemistry of a method for making benzaldehyde from benzene and carbon monoxide in the presence of aluminum chloride and other substances.

3. The design and use of a three-electrode photo-electric cell for the operation of radio receiving sets, developed by Professors Charles T. Knipp and H. A. Brown, in which the troublesome hot filament (and with it the "A" battery) is entirely eliminated. It is proposed to use the cell as a detector and also as an amplifier.

In case No. 1 the Committee recommends that a patent be applied for by Doctor Buswell (the patent to be paid for by the University) and assigned by him to the University as this is the result of research work in which the University has been cooperating and any rights which the public may have in the discovery should be protected. I concur.

In case No. 2 the Committee believes that this is a process which will require a large sum of money for its development and which can be used only by a company doing a highly specialized work in that field. The Committee recommends that the University release to Doctor Krase any interest that it may have in the process and that he be permitted to apply for a patent on his own account if he wishes. I concur.

In case No. 3 the Committee reports that apparently the development was not made at the expense of the University and that it does not appear to be distinctive in character. The Committee recommends that the University release to Professors Knipp and Brown any interest that it may have in the process and that they be permitted to apply for a patent on their own account if they wish.

I concur in these recommendations.

On motion of Dr. Noble, the recommendation concerning Dr. Buswell's process was approved.

On motion of Mr. Fisher, the recommendation concerning Dr. Krase's process was concurred in.

On motion of Mr. Simpson, the recommendation concerning the Brown-Knipp radio tube was concurred in.

EXCHANGE OF BOTANICAL SPECIMENS WITH HARVARD UNIVERSITY

(16) On request of Professor F. L. Stevens of the Department of Botany, endorsed by Professor Charles F. Hottes and Dean Babcock, I recommend that authority be given the department to send to the Harvard Herbarium seventy-four specimens of *Meliola* from duplicates in our collection, in part exchange for 450 specimens sent us some time ago and now in our herbarium.

On motion of Dr. Noble, this exchange was authorized.

RESOLUTION OF ILLINOIS STATE SCHOOL BOARD ASSOCIATION

(17) Sometime ago Mr. Trees referred to me a letter which had been addressed to him as "President of the Board of Trustees" by Mr. A. D. McLarty, Secretary of the Illinois State School Board Association, transmitting the following resolution: "Be it resolved:

That this association respectfully requests the Board of Trustees and the faculty of the University of Illinois to establish and maintain an extension course in business administration available to school board members of the state having for its aim the qualification of board members in the performance of their duties."

After inquiring into the matter and giving it careful consideration, I wrote Mr. McLarty that I do not see how we could undertake to establish a correspondence course (which I found is what his Association had in mind) as suggested in his communication. We have no money for it and if we did it in this case we should be obliged to establish similar courses in many other lines. This, it seems to me, would not be the wisest expenditure of money necessary to manage the work. Moreover, it might fairly be claimed that this is a function of the State Superintendent of Public Instruction.

I pointed out to Mr. McLarty that it is possible, however, that the University might undertake in its regular routine to carry on investigations through one or more of its bureaus, to do something not only for the State School Board Association but for other local governing groups. For instance, the Bureau of Business Research might, at nominal expense, undertake an investigation into the finances and other business aspects of public school systems.

As his letter was addressed to the former President of the Board, I present the matter herewith, and recommend that the Board approve the President's answer as setting forth the University's policy.

On motion of Mrs. Evans, this recommendation was concurred in.

GIFTS TO THE UNIVERSITY

(18) I report receipt of the following gifts to the University, the acceptance of which I have authorized:

From Sigma Delta Kappa, law fraternity, a large cup, on which will be inscribed the names of the students who make the highest scholastic record in law in their freshman year, and which is to be placed in the Law Building, probably in the Law Library.

From Mr. Julius Rosenwald of Chicago, sixty-one bound volumes of Hebrew classics, including poetry, prose, works on Palestine and the history of the Jews, and reference and general works. The money value of the collection is probably \$100, and Director Windsor reports that it makes a worth while addition to our books of Jewish interest.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(19) The following report from the Comptroller on contracts and purchase orders executed since the last report:

February 8, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I transmit herewith report of the Purchasing Agent of purchase orders issued during the month of January, 1929, amounting to \$1,000 or more. There have been no contracts executed by the Comptroller since the last report.

Cordially yours,

LLOYD MOREY
Comptroller

PURCHASE ORDERS ISSUED IN JANUARY AMOUNTING TO \$1000 OR MORE

<i>Department</i>	<i>Firm</i>	<i>Description</i>	<i>Amount</i>	<i>Procedure</i>

This report was received for record.

SICK LEAVE FOR DR. W. F. PETERSEN

(20) Dr. W. F. Petersen of the College of Medicine has undergone an operation which will keep him off duty for some time. On request of Dean Davis, I recommend that he be given sick leave until May 1 on full pay.

On motion of Dr. Noble, this leave was granted.

PROPOSAL FOR REBATE ON PAVEMENT ALONG CARTER-PENNELL TRUST FARMS

(21) I submit herewith a proposal that the University join in a movement to secure from the State Legislature a rebate on the pavement through Rankin and other municipalities, part of which runs along the Carter-Pennell Trust farms, which road

the State has taken over. The original pavement cost Mr. Joseph Carter about \$6,000.

I recommend that no action be taken.

On motion of Dr. Noble, this recommendation was adopted.

GEORGE WASHINGTON BICENTENNIAL

(22) A recommendation that an appropriation of \$500 be made from the Reserve and Contingent fund for the participation of the University in the George Washington Bicentennial celebration in 1932.

On motion of Mr. Trees, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson.

MCKINLEY HOSPITAL

On motion of Dr. Noble, the President of the Board was requested to appoint a special committee of three members to investigate and make recommendations on the problems arising from the operation of the McKinley Hospital.

President Armstrong appointed Dr. Noble, Mr. Barr, and Mrs. Busey to serve on this committee.

LOCATION OF ALUMNI MEMORIAL GROUP

Dr. Noble, for the special committee on the location of the Alumni Memorial Group, presented the following report:

To the Board of Trustees, University of Illinois

Your Committee, to which was referred the question of location for the Taft Alma Mater Statue which the Alumni Association is going to give the University, recommends the approval of a location on the meridian axis of the campus and a few feet south of the Auditorium. This is the location recommended by Mr. Platt and Mr. Vitale and has been concurred in by Lorado Taft, as evidenced by the enclosed letter from Mr. Abbott.

We further recommend that Mr. Platt be asked to design the setting of the Statue, including the pedestal, and that the Supervising Architect of the University be instructed to proceed as rapidly as possible with the construction work.

It is understood that the total costs, including Mr. Platt's services, shall be paid by the Alumni Association. The enclosed letter from Mr. Abbott evidently anticipates this procedure.

Dr. W. L. NOBLE
Mrs. LAURA B. EVANS
Professor JAMES M. WHITE

On motion of Dr. Noble, this report was adopted.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record the following list of appointments made by the President of the University.

Alciatore, Jules C., Assistant in Romance Languages, on one-fourth time, for five months beginning February 1, 1929, at a cash compensation at the rate of thirty-seven dollars fifty cents (\$37.50) a month (this superseding his previous appointment). (January 12, 1929)¹

Anderson, A. Marie, Instructor in Art and Design, for five months beginning February 1, 1929, at a cash compensation at the rate of two hundred dollars (\$200) a month (this superseding her previous appointment). (January 21, 1929)

Berg, Clarence P., Assistant in Chemistry, on one-half time, for five months beginning February 1, 1929, at a cash compensation at the rate of seventy dollars (\$70) a month (this superseding his previous appointment). (February 4, 1929)

¹The date in parenthesis is the date on which the appointment was made by the President of the University.

Bronstein, Isadore P., Assistant in Pediatrics, in the College of Medicine, beginning January 7, 1929, and continuing until September 1, 1929, without salary. (January 11, 1929)

Busby, John A. C., Instructor in Obstetrics and Gynecology, in the College of Medicine, for seven months beginning February 1, 1929, without salary. (January 21, 1929)

Carlock, Margaret L., Assistant in Romance Languages, on one-half time, for five months beginning February 1, 1929, at a cash compensation at the rate of seventy dollars (\$70) a month. (February 4, 1929)

Cell, John Wesley, Assistant in Mathematics, on two-thirds time, for five months beginning February 1, 1929, at a cash compensation at the rate of ninety-three dollars fifty cents (\$93.50) a month. (January 21, 1929)

Clark, Francis Matthew, Assistant in Bacteriology, for five months beginning February 1, 1929, at a cash compensation at the rate of one hundred fifty dollars (\$150) a month (this superseding his previous appointment). (January 11, 1929)

Nester, Henry George, Assistant in Zoology, for five months beginning February 1, 1929, at a cash compensation at the rate of one hundred sixty dollars (\$160) a month (January 21, 1929)

Oden, R. J. E., Instructor in Anatomy, in the College of Medicine, on one-fourth time, for four months beginning February 1, 1929, at a cash compensation at the rate of twenty-five dollars (\$25) a month. (February 4, 1929)

Otte, Betty, Secretary to the Dean and Director, in the Department of Administration, in the College of Agriculture and in the Agricultural Experiment Station, for six months beginning March 1, 1929, at a cash compensation at the rate of one hundred ten dollars (\$110) a month. (February 4, 1929)

Paden, William Reynolds, Assistant in Soil Biology, in the Department of Agronomy, in the College of Agriculture and in the Agricultural Experiment Station, on one-fourth time, beginning February 1, 1929, and continuing until June 12, 1929, at a cash compensation at the rate of thirty-seven dollars fifty cents (\$37.50) a month (this superseding his previous appointment). (February 5, 1929)

Palmer, Mahlon Phelps, Resident in Otolaryngology, in the College of Medicine, for three months beginning April 1, 1929, at a cash compensation at the rate of fifty dollars (\$50) a month. (January 21, 1929)

Pence, Dwight, Assistant in Anatomy, in the College of Medicine, on one-fourth time, for two months beginning February 1, 1929, at a cash compensation at the rate of twenty-five dollars (\$25) a month. (January 25, 1929)

Preston, Herbert Dodson, Assistant in Animal Husbandry, in the College of Agriculture, beginning February 15 and continuing until September 1, 1929, at a cash compensation at the rate of one hundred twenty-five dollars (\$125) a month. (February 8, 1929)

Rehm, John B., Assistant in Bacteriology, on one-half time, for five months beginning February 1, 1929, at a cash compensation at the rate of sixty dollars (\$60) a month. (January 11, 1929)

Summerfield, Marion Clarke, Specialist in Office Organization and Management, in the Department of Administration, in the College of Agriculture and in the Agricultural Extension Service, for six months beginning March 1, 1929, at a cash compensation at the rate of one hundred fifty dollars (\$150) a month (this superseding her previous appointment). (February 4, 1929)

Smith, Vivian Thomas, Assistant in the Bureau of Educational Research, in the College of Education, on one-half time, for four months beginning February 1, 1929, at a cash compensation at the rate of fifty-eight dollars thirty-three cents (\$58.33) a month. (January 21, 1929)

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

March 12, 1929

The annual meeting of the Board of Trustees of the University of Illinois was held at the Capitol, in Springfield, at 10:30 a.m. on Tuesday, March 12, 1929.

When the Board convened, all the members were present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of February 13, 1929. On motion of Dr. Noble, the minutes were approved as printed on pages 127 to 140 above.

MR. J. W. ARMSTRONG ELECTED PRESIDENT OF THE BOARD

Governor Emerson, who was asked to act as Chairman, called for nominations for the office of President of the Board of Trustees for one year.

Mrs. Evans nominated Mr. J. W. Armstrong.

On motion of Mr. Trees, the nominations were closed, and the Secretary was instructed to cast the unanimous ballot of the meeting for Mr. Armstrong as President. Mr. Armstrong was declared elected, and he took the chair.

MR. H. E. CUNNINGHAM ELECTED SECRETARY

Mrs. Grigsby nominated Mr. H. E. Cunningham for the office of Secretary of the Board for one year.

On motion of Mr. Blair, the nominations were closed, and the President of the Board cast the ballot of the meeting for Mr. Cunningham, and he was declared elected Secretary.

MR. A. M. BURKE ELECTED TREASURER

Dr. Noble nominated Mr. A. M. Burke of Champaign to succeed himself as Treasurer of the University for a term of two years.

On motion of Dr. Noble, the nominations were closed, and the Secretary cast the ballot of the meeting for Mr. Burke, and he was declared elected Treasurer.¹

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

Mrs. Busey nominated Professor Lloyd Morey for the office of Comptroller for one year.

On motion of Mr. Blair, the nominations were closed, and the Secretary was instructed to cast the ballot of the meeting for Professor Morey, and he was declared elected.

EXECUTIVE COMMITTEE

Dr. Noble nominated Mrs. Busey and Mr. Trees to serve for one year as members of the Executive Committee, with the President of the Board as Chairman. Mrs. Busey asked to be excused from this service, and Dr. Noble nominated Mrs. Grigsby instead.

On motion of Dr. Noble, the nominations were closed, and the Secretary of the Board cast the ballot of the meeting for Mr. Trees and Mrs. Grigsby, and they were declared elected members of the Executive Committee.

DR. DAVID KINLEY ELECTED PRESIDENT

Mr. Blair nominated Dr. David Kinley to serve as President of the University at the pleasure of the Board, under the new law.

On motion of Mr. Trees, the nominations were closed, and the Secretary cast the unanimous ballot of the Board for Dr. Kinley, and he was declared elected President of the University. The Secretary was directed to notify Dr. Kinley of his election and to escort him to the room. Dr. Kinley briefly expressed his appreciation of the confidence of the Board in him.

¹See page 143.

TREASURER'S BOND

On motion of Dr. Noble, the Treasurer's bond was fixed at \$1,500,000.

ELECTION OF TREASURER

On motion of Dr. Noble, the election of the Treasurer was reconsidered.

On motion of Dr. Noble, Mr. A. M. Burke of Champaign was elected Treasurer of the University, for the next term of office, on proper qualification, and when he furnishes a satisfactory bond.

On motion of Dr. Noble, the Treasurer was requested to submit promptly a bond as required to the Finance Committee for investigation and report to the Board of Trustees.

AUTHORITY TO RECEIVE FUNDS

On motion of Mr. Blair, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois is authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois on account of the Agricultural Experiment Station of the University.

DELEGATION OF SIGNATURES

On motion of Mrs. Evans, the President and the Secretary of the Board of Trustees were authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to the Auditor and to the Chief Accountant in the Business Office authority to sign his name, as President of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The Secretary of the Board of Trustees is authorized to delegate to the Bursar and to the Assistant Bursar in the Business Office authority to sign his name, as Secretary of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The President and the Secretary of the Board of Trustees are authorized to delegate to the Comptroller and to the Assistant to the Comptroller authority to sign the name of the President or of the Secretary of the Board of Trustees to vouchers against the State Auditor, and to warrants on the University Treasurer in case of emergency; provided that under no circumstances shall the Comptroller or the Assistant to the Comptroller sign the names of both the President and the Secretary to the same warrant or voucher.

At this point, Governor Emmerson withdrew.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

PLANS FOR SKATING RINK

(1) A request that Professor White be allowed to present the plans for the skating rink to be built by the Athletic Association.

Professor White presented the plans for the skating rink.

On motion of Mr. Trees, action on these plans was deferred until the next meeting. The President of the University was requested to ask Director Huff to present this matter to the Board.

CONTRACT FOR TESTING MACHINE FOR MATERIALS TESTING LABORATORY

(2) Among the items of equipment desired by the College of Engineering for the new Materials Testing Laboratory provided for in the appropriation therefor is a new testing machine. Experts on the faculty have been investigating the matter for some time and have made a report and recommendation, concurred in by the Dean and the Supervising Architect, for a three-million pound machine. The Purchasing Agent received bids in accordance with the specifications drawn by our people as follows:

	<i>Capacity of Machine</i>	
	<i>2-million lb.</i>	<i>3-million lb.</i>
Tinius Olsen Testing Machine Company	\$35 000	\$45 000
Riehle Bros. Testing Machine Company	50 000	60 000
Southwark Foundry and Machine Company	39 500	44 000

By making several slight changes in the specifications which will not reduce the efficiency of the machine, the Southwark Foundry and Machine Company will furnish a three-million pound hydraulic testing machine for \$40,000, f.o.b. Urbana, Illinois.

The Supervising Architect and Dean Ketchum recommend that a contract for a three-million pound hydraulic testing machine under the revised specifications be placed with the Southwark Foundry and Machine Company at a price of \$40,000 f.o.b. Urbana, to be paid for out of the legislative appropriation for the Materials Testing Laboratory and equipment.

I concur in this recommendation.

On motion of Mr. Barr, this recommendation was adopted.

DELEGATION OF SIGNATURES

(3) I recommend that the deans and directors and heads of departments and other officers be authorized and permitted to name other responsible members of the staff to sign their names to papers requiring their signatures, according to the following provisions:

1. The names of the person or persons to whom this authority is delegated must be formally approved in advance by the President, on recommendation of the Comptroller, and, in the case of department heads, by the dean or director, and notice of that approval must be sent to all parties concerned. The person thus delegated may not sign any paper until he has been notified by the Comptroller that the President has approved the delegation.

2. Such delegation of authority to sign another officer's name shall be confined to responsible officers of the University, of a rank not lower than that of associate professor, excepting that others may be permitted to exercise this authority when properly conferred for the signing of routine papers, such as requisitions for supplies, payroll vouchers, and similar papers of a routine character, for which appropriation has been duly made by the Board specifically (and not in lump sum as is done, for example, for equipment, the individual pieces of which are to be duly selected and approved by the dean) and also papers which have already been signed in some other form by the dean; for example, if a requisition for a certain sum has been approved by the dean or other proper officer it may not be necessary for him personally to sign vouchers or other documents therefor, but his signature may be appended thereto by the properly delegated party.

3. The person or persons to whom authority to sign is delegated shall in every case sign the name of the head of department or dean or other officer, as the case may be, with his or her own signature thereunder.

When the list of people to whom authority to sign for others has been duly submitted, on recommendation of the Comptroller and approved by the President, the President will report the list to the Board.

It is the purpose of these regulations to facilitate the handling of business in the absence of an administrative officer, or in an emergency.

On motion of Mr. Blair, these regulations were adopted.

APPROPRIATION FOR VISIT OF THE GENERAL ASSEMBLY

(4) I recommend that an appropriation of \$1,300, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to cover the expenses connected with the visit of the members of the General Assembly who will visit the University on March 14 and 15.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Emmerson.

APPROPRIATION FOR INJURIES TO EMPLOYEES

(5) On request of the Comptroller I recommend that the sum of \$1,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for Injuries to Employees to supplement the appropriation of \$2,000 provided in the budget approved in June, 1928.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Emmerson.

APPROPRIATION FOR BENEFICIARY OF ROBERT J. DRAKE

(6) Mr. Robert J. Drake, Assistant in Athletic Coaching since 1925, died on March 3. I recommend that an appropriation of \$100 be made from the Reserve and Contingent Fund to pay the death benefit due, and that the Comptroller be authorized to make payment to Mr. Drake's beneficiary.

On motion of Mrs. Evans, this recommendation was adopted and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Emmerson.

APPOINTMENT OF PROFESSOR GLENN R. MORROW

(7) On recommendation of Dean Daniels, Acting Head of the Department of Philosophy, and Dean Babcock, I recommend that Dr. Glenn R. Morrow, Associate Professor of Philosophy at the University of Missouri, be appointed Professor of Philosophy on indefinite tenure beginning September 1, 1929, at a salary of \$5,000 a year.

On motion of Mr. Blair, this appointment was made.

APPOINTMENT OF DR. GORDON F. CADISCH

(8) On recommendation of Dean H. W. Mumford and Professor E. L. Bogart, Head of the Department of Economics, I recommend that Dr. Gordon Francis Cadisch, at present Assistant to the Dean and Acting Head of the Department of Economics and Sociology at the University of Maryland, be appointed Extension Specialist in Agricultural Economics with the rank of Assistant Professor, at a salary rate of \$3,400 a year, beginning June 1, 1929, or as soon thereafter as he can report for duty.

On motion of Mr. Trees, this appointment was made.

RESIGNATION OF PROFESSOR W. B. McDUGALL

(9) Dr. W. B. McDougall, Associate Professor of Botany, has submitted his resignation from the Faculty with the request that it be effective September 1, 1929. I have accepted this resignation.

This report was received for record.

LEAVE OF ABSENCE FOR MISS RUTH A. WARDALL

(10) On recommendation of Dean Mumford, I recommend that Miss Ruth A. Wardall, Head of the Department of Home Economics, be given a sabbatical leave of absence on one-half salary during the year 1929-30, under the rules.

On motion of Mrs. Busey, this leave was granted.

LEAVE OF ABSENCE FOR ASSOCIATE PROFESSOR JOHN VAN HORNE

(11) On October 26 (page 69) Dr. John Van Horne, Associate Professor of Romance Languages, was granted a sabbatical leave of absence on half pay for the year 1929-30. He has just received notice of his appointment to a Guggenheim Fellowship for study and travel abroad. He has asked for permission to accept this appointment in addition to his leave. The appointment will not interfere with his travel and his study while on leave, but, on the contrary, will assist him in his work. The appointment imposes no engagements of any kind whatever except the diligent prosecution of the work for which you grant leave.

I recommend that he be authorized to accept this appointment.

On motion of Mrs. Busey, this recommendation was adopted.

RECOMMENDATIONS FOR APPOINTMENTS AND PROMOTIONS FOR 1929-30

(12) I request confirmation of my action in approving in advance of the budget the following new appointments and promotions for 1929-30:

John Paul Heironimus, Assistant in Classics at \$2,000.

C. A. Jacokes, Assistant in Mathematics on two-thirds time at \$1,000.

John Franklin Locke, Assistant in Mathematics on two-thirds time at \$1,000.

Carl O. Mohr, Assistant in Entomology at \$1,625.

Change in status and salary of Dr. N. W. Krase of the Department of Chemistry from the rank of Assistant Professor at \$3,500 to the rank of Associate Professor on indefinite tenure at a salary of \$4,200 a year.

James Nardin Truesdale, Assistant in Classics on one-half time at \$600.

Paul Shaner Dunkin, Assistant in Classics on one-half time at \$600.

Ellis R. Ott, Assistant in Mathematics on one-half time at \$700.

Armond William Bear, Assistant in Mathematics on one-half time at \$750.

The positions in each case already exist and there are no changes from the existing budget except in the case of Dr. Krase.

On motion of Mrs. Busey, the action of the President of the University was confirmed.

AUTHORIZATION TO PERMIT DR. ELMER ROBERTS TO CARRY OUT SCIENTIFIC INVESTIGATIONS IN CHINA

(13) On recommendation of Dean Mumford and Professor Rusk, Head of the Department of Animal Husbandry, I recommend that Dr. Elmer Roberts, Associate Professor of Animal Breeding, be permitted to spend the year 1929-30, or so much thereof as is necessary, in China in order to carry out certain investigations of the inheritance of resistance to disease—all expenses including traveling and equipment to be paid out of Purnell funds.

On motion of Mr. Trees, this recommendation was approved.

REQUIREMENTS FOR GRADUATION IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(14) The University Senate recommends the adoption of new requirements for graduation in the College of Liberal Arts and Sciences to be effective for the class entering the University in September, 1929. The changes from the present requirements are:

1. A provision that the requirements in rhetoric and foreign language may be met by passing the usual courses in these subjects or by passing proficiency examinations.

2. The requirement in foreign language is changed so as to require a reading knowledge of at least one foreign language equivalent to that obtainable after four semesters of college work.

3. The changes in the "group requirements," aimed at simplification, provide that these requirements must be completed before the beginning of the senior year instead of at the beginning of the junior year as provided in the old requirements.

4. The choice of minor subjects is restricted to two departments; there is no such restriction in the old requirements.
 5. At least thirty hours of the work taken in the junior and senior years must be in courses not open ordinarily to freshman or sophomore students.
 6. The requirement limiting the amount of work (forty semester hours) which can be taken in any one department for credit is removed.
 7. The total number of hours which students may take outside of the Arts and Sciences group is restricted to thirty-six, or the equivalent of a year's work.
- A detailed statement of the new requirements follows:

*PROPOSED NEW REQUIREMENTS FOR GRADUATION FROM THE
COLLEGE OF LIBERAL ARTS AND SCIENCES*

*(Approved by the University Senate, February 11, 1929, for transmission to the
Board of Trustees)*

University Requirements: Each candidate must meet the general University requirements with respect to registration and residence, and must also secure credit in approved courses amounting to one hundred thirty hours, an hour being one class period a week for one semester. Each class period presupposes two hours of preparation by the student, or the equivalent in the laboratory or drawing room.

A. Prescribed subjects.

To be commenced in the first semester of the freshman year, except as otherwise provided, and to be continued until the completion of the requirements.

1. Hygiene—1 hour.
2. Physical Education—4 semesters.
3. Military Science (for men)—4 semesters or the equivalent.
4. Rhetoric—2 semesters. This requirement may be satisfied by either of the following methods:
 - (I) Passing Rhetoric 1 and 2.
 - (II) Passing a proficiency examination equivalent to an examination in Rhetoric 2.
5. Foreign Language—A reading knowledge of a foreign language (French, German, Greek, Latin, Spanish, or Italian) equivalent to that obtainable after four semesters of a foreign language when commenced in college. This requirement may be satisfied by either of the following methods:
 - (I) Passing French 2b, or a more advanced course;
German 5 or 6, or a more advanced course;
Greek 4, or a more advanced course;
Latin 1a, or a more advanced course;
Spanish 2b, or a more advanced course;
Italian 2b, or a more advanced course.
 - (II) Passing a proficiency examination equivalent to the final examination in any of the courses mentioned in 5 (I).

B. To be taken prior to the senior year.

1. Liberal Arts
English literature, foreign literature (based on the first two years of college work in the language chosen, or its equivalent), economics, history, political science, philosophy, and sociology; a total of 15 hours chosen from at least three departments, including one course in English or foreign literature, or in the history of philosophy.
2. Science
Astronomy, bacteriology, botany, chemistry, geography, geology, entomology, mathematics, physiology, physics, psychology, and zoology; a total of 15 hours chosen from at least three departments, including one course with a minimum of four hours' laboratory work per week.

In any curriculum in which fewer than 15 hours of laboratory science are required a student who enters without at least one unit of laboratory science shall be required to substitute 5 hours of laboratory science for 5 hours of free electives in the requirements for graduation.

C. To be taken after the freshman year.

1. In the major subject as defined by departments with the approval of the faculty, 20 hours.

2. In the minor subjects, 20 hours in one or two departments designated by the department in which the major subject is pursued, and approved by the faculty, with not less than 8 hours in each department, if two subjects are chosen.
3. Thirty hours of the work taken in the junior and senior years must be in courses not open ordinarily to freshmen or sophomores.

D. Electives.

1. All courses offered by the departments of this college except those exclusively for students in other colleges.
2. The total credit in art and design is limited to 20 hours.
3. Not more than 36 hours' credit toward graduation will be given for courses offered in other colleges and schools of this University, aside from the first year's work in the College of Medicine, and courses acceptable for major and minor credits.
Such courses must be selected from a list approved by the Faculty.

E. The degree of Bachelor of Science will be granted in lieu of the degree of Bachelor of Arts to students whose major is in mathematics, a science, or home economics, on petition to the Dean not later than six weeks preceding the granting of the degree.

On motion of Mrs. Grigsby, these requirements were adopted.

**COMMUNICATION CONCERNING UNIVERSITY'S PATENT POLICY
FROM STATE BOARD OF NATURAL RESOURCES AND
CONSERVATION**

(15) The following letter from the Secretary of the State Board of Natural Resources and Conservation:

President David Kinley, University of Illinois

February 15, 1929

DEAR PRESIDENT KINLEY:

The following motions passed by the Board of Natural Resources and Conservation yesterday at Springfield have some relation to questions of University policy, especially, as Professor Buswell is an employee both of the University and of the Board of Natural Resources and Conservation:

It was moved that the Board approve of a policy by which the University shall take out patents for processes developed by the Water Survey, the patents to be assigned to the University and used for the benefit of the University and the public.

It was moved that the directors of the Geological and Water Surveys be authorized to enter into cooperation with the U. S. Geological Survey in the study of problems connected with the drilling of wells for water and that the director of the Board in conjunction with the committees in charge of the two Surveys may make such changes in the budgets asked for as may be necessary. It is understood that the work undertaken shall be on a genuine cooperative basis.

Yours sincerely,

W. A. NOYES

Secretary, Board of Natural Resources and Conservation

The purport of this action is that the University's policy with reference to patents of discoveries and inventions by people in its employ shall be extended to those who are employed in the State Surveys (the State Water Survey, State Geological Survey, and the State Natural History Survey) and that the State Board of Natural Resources and Conservation surrenders to the University all of its rights and privileges in this matter.

On motion of Dr. Noble, this delegation of rights was accepted.

OFFERS FROM AMERICAN MEDICAL ASSOCIATION

(16) The Committee on Scientific Research of the American Medical Association has appropriated \$300 to aid Dr. B. Z. Rappaport, Hospital Pathologist and Director, in his work on ascariasis, and \$300 to Dr. C. I. Reed, Assistant Professor of Physiology and Physiological Chemistry, to aid in his work on the effects of phototherapy, etc.

I recommend acceptance of these offers.

On motion of Dr. Noble, these gifts were accepted.

OFFER FROM THE CHEMICAL FOUNDATION

(17) The Chemical Foundation has offered \$7,000 to the University for the research work which Professor Roger Adams is doing on the organic chemicals for the treatment of lepers; \$2,750 of this is to be used to pay the salary of a skilled research assistant of experience, and the remainder for the preparation of material for testing lepers in the Philippines and for carrying on the program here at the University. The Foundation attaches no conditions to its offer.

I recommend that this gift be accepted.

On motion of Mr. Barr, this gift was accepted.

GIFTS TO THE UNIVERSITY

(18) Under the rules of the Board, I have authorized the acceptance of the following gifts:

1. From Professor George W. Myers of the University of Chicago, his library of about 700 books, including 300 works on mathematics, astronomy, mathematical pedagogy, and philosophy.

2. From the Modern Coal Burner Company of Chicago, one of their type A-24 stokers to the department of mechanical engineering. The commercial value of this stoker is \$350.

3. From Judge A. W. Summers of Eldorado, forty-seven volumes of law books, including some rare text books and some early Illinois township, city, and village laws.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(19) The following report from the Comptroller on contracts and purchase orders executed since the last report.

This report was received for record.

ADJUSTMENT IN BUDGET OF COLLEGE OF DENTISTRY

(20) On request of Dean Noyes, I recommend that the appropriation of \$800 provided under special non-recurring appropriations (Minutes, June 29, page 738) for the purchase of a violet-ray machine, be released for the purpose of securing other equipment to be used in research and graduate work, on the recommendation of the Dean and approval of the President.

On motion of Dr. Noble, this recommendation was approved.

LATE REGISTRATION FEE FOR GRADUATE SCHOOL

(21) On recommendation of the Dean of the Graduate School, endorsed by the Comptroller, I recommend that the regulation governing late registration in the Graduate School be changed to read as follows:

Registration, including the payment of fees, must be completed by the close of the registration days of the Graduate School. Otherwise, a fee of \$5.00 for late registration will be charged all former students.

On motion of Mr. Simpson, this rule was adopted.

RETURN OF PROFESSOR E. W. LEHMANN

(22) Professor E. W. Lehmann, Head of the Department of Farm Mechanics, who was given leave of absence without pay for the first semester (Minutes, October 13, page 52), returned to duty on February 1. I have, therefore, authorized him to resume his position on his regular salary at full rate, beginning February 1, 1929.

On motion of Mrs. Evans, this action was confirmed.

REPORT ON SALE AND REINVESTMENT OF TRUST FUND SECURITIES

(23) At the January 9 meeting of the Board (Minutes, page 122) the Finance Committee recommended the sale of certain securities representing trust funds and the purchase from the proceeds of certain other securities as reinvestment of these funds, and the Board approved these recommendations. The Comptroller submits the following report on the sale and the investment thereof:

March 9, 1929

President David Kinley, 355 Administration Building, West

MY DEAR PRESIDENT KINLEY:

I submit this report of investment transactions as per instructions of the Board of Trustees of January 9, 1929.

The report includes a list of the securities which the Board directed to be sold and of the amount received from the sale. It also shows the purchases made from the proceeds of this sale from items approved by the Board of Trustees. These securities are exceptionally high grade and have been difficult to buy. This fact accounts for the time which has elapsed since the order of the Board was made.

There remains on hand in various permanent funds the total sum of \$1,733.14 available for investment. This sum includes the excess of sales over purchases, indicated in the enclosed report. Unless otherwise instructed, I will see that additional securities from the list already approved by the Board are purchased to approximately cover the balance of cash on hand.

Cordially yours,

LLOYD MOREY
Comptroller

On motion of Mr. Trees, this report was received for record.

HIGHWAY AT ALEDO

Mr. Armstrong, for the Executive Committee, reported that an arrangement, having the oral approval of the donor of the experiment field at Aledo, had been made for the location of a highway through the tract, taking twenty-eight hundredths of an acre.

On motion of Mr. Trees, this right of way was granted, subject to the receipt of a release from the donor, and the proper officers of the Board were empowered and directed to sign the necessary papers when the release is received.

INSPECTION OF HOUSES

Mrs. Grigsby presented the following:

A meeting of the Committee on Student Welfare was held at the Blackstone Hotel, in Chicago, on Wednesday, February 13, 1929. Mrs. Grigsby, Mrs. Evans, Mr. Simpson, and President Kinley were present.

On motion of Mrs. Evans, it was voted to recommend to the Board that the proper officers of the University, through the President, be authorized and instructed to inspect all houses in which students live to promote safety, health, and good living conditions, and to enlist the cooperation and aid of such public officers as may be necessary.

HELEN M. GRIGSBY
LAURA B. EVANS
F. H. SIMPSON

On motion of Mrs. Grigsby, this recommendation was adopted.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

April 10, 1929

The April meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a.m. on Wednesday, April 10, 1929.

When the Board convened, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 12, 1929.

On motion of Mr. Trees, the third paragraph on page 143 was corrected to read as follows:

On motion of Dr. Noble, Mr. A. M. Burke of Champaign was elected Treasurer of the University, for the next term of office, on proper qualification and when he furnishes a satisfactory bond.

On motion of Mr. Trees, the minutes were approved, as corrected, as printed on pages 141 to 153 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

MEETING OF THE EXECUTIVE COMMITTEE, MARCH 25, 1929

(1) Minutes of a meeting of the Executive Committee:

A meeting of the Executive Committee was held at the Union League Club in Chicago on Monday, March 25, 1929. There were present: President J. W. Armstrong, Mr. Merle J. Trees, Mrs. Helen Grigsby, and President Kinley.

Director Huff presented plans for the proposed replacement of the wooden seats at the south end of the Stadium (see Board Minutes, December 11, 1928, page 97). It was moved by Mr. Trees that the general plans of the Stadium addition be approved, with the understanding that the structural design meets with the approval of the engineering department of the University in charge of reinforced concrete. The motion was carried.

At the request of Director Huff, President Armstrong of the Board appointed Mr. Trees to be present as the representative of the Board at the opening of the bids on this proposed addition to the Stadium.

The meeting adjourned.

BUDGET FOR USE OF CAPPER-KETCHAM FUNDS FOR EXTENSION WORK

(2) The so-called Capper-Ketcham Act passed by Congress last year and assented to by the General Assembly of Illinois provides \$20,000 a year in additional funds for the Extension Service of the University. The bill provides that 80 per cent be used in the counties and the remainder is available for local needs.

I submit herewith the following budget for the year 1928-29 which was approved by members of the Executive Committee of the Board, April 3, 1929:

Expense and Equipment

1. Wages of temporary employees.....	\$ 1 000
2. Office expense.....	250
3. Printing and publications.....	250
4. Travel.....	500
5. Reserve fund, unassigned.....	2 000
<i>Total, expense and equipment.....</i>	<i>\$ 4 000</i>

Salaries

Home Advisory Work

7 New County Home Advisers, term ending June 30, 1929.....\$ 7 000

Junior Club Work

9 County Junior Club Leaders, term ending June 30, 1929..... 6 300

3 District Junior Club Specialists, term ending June 30, 1929..... 2 700

Total salaries.....\$16 000

Total budget.....\$20 000

On motion of Mr. Trees, this action was confirmed and the budget was approved by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

SKATING RINK

(3) A request that Director Huff be heard concerning the plans for the skating rink.

This hearing was granted.

Director Huff made a statement concerning the plans.

On motion of Mr. Barr, it was voted to be the sense of the Board that the matter of entering into contracts by the Athletic Association for the construction of a skating rink should be deferred until the December meeting of the Board.

DIRECTORS OF THE ATHLETIC ASSOCIATION

(4) A recommendation that the following be appointed directors of the Athletic Association to serve until March, 1930.

Mr. GEORGE A. HUFF, Champaign
 Judge O. A. HARKER, Champaign
 Mr. A. R. HALL, Danville
 Professor F. A. RUSSELL, Urbana
 Mr. J. P. KRATZ, Monticello

On motion of Mrs. Evans, these directors were appointed.

APPROPRIATION TO THE DEPARTMENT OF CHEMISTRY

(5) Owing to the increase in the number of advanced students in Chemistry, the appropriation for expenses has proved inadequate, and Professor Adams is asking an additional appropriation. I, therefore, recommend an appropriation of \$4,000 from the Reserve and Contingent Fund for general supplies for the Chemistry Department.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

APPROPRIATION FOR BENEFICIARY OF W. F. KAISER

(6) W. F. Kaiser, Storekeeper in the Physical Plant, died April 2, 1929. The death benefit which accrued in his case amounts to \$864. I recommend that this amount be appropriated from the Reserve and Contingent Fund and that the Comptroller be authorized to make payment to his beneficiary.

On motion of Mr. Trees, this recommendation was approved, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

APPROPRIATION FOR ARCHEOLOGICAL EXPLORATIONS

(7) I recommend that an appropriation of \$600, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to meet the expenses of closing up present work on account of the Indian archeological explorations.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

APPROPRIATION FOR JOURNAL OF ENGLISH AND GERMANIC PHILOLOGY

(8) At the request of Dean Daniels of the Graduate School, I recommend that an appropriation of \$600 be made from the Reserve and Contingent Fund for the *Journal of English and Germanic Philology* to supplement the funds provided in the 1928-29 budget for the expense of printing for the year.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

PURCHASE AND FRAMING OF PICTURES AND PORTRAITS FOR COLLEGE OF MEDICINE

(9) Dean Davis requests permission to use \$200 from the Contingent Fund of the College of Medicine for the purchase and framing of pictures and portraits of noted physicians and scientists, to be hung in the Research Laboratory and Library. The Medical Library now has a collection of about forty-five photographs which could be framed at a cost of \$1 each, but it is desirable to purchase others to supplement this collection. I recommend that this expenditure be authorized.

On motion of Mr. Barr, this expenditure was authorized.

PURCHASE OF RADIUM FOR COLLEGE OF MEDICINE

(10) Dean Davis recommends the purchase of a supply of radium for the use of the Departments of Surgery, Obstetrics, Dermatology, and Roentgenology. He recommends the purchase of fifty milligrams of radium needles, costing \$3,500, and ten milligrams of radium plaques, costing \$700. If the radium is purchased it will be desirable to insure it against loss and theft, which insurance will cost \$143 a year.

I recommend that the purchase of radium needles and plaques be authorized, the total cost not to exceed \$4,200, and that the Comptroller be authorized to purchase insurance against loss or theft, the cost not to exceed \$143—all to be charged to the Special Equipment Fund of the College of Medicine.

On motion of Mr. Trees, this recommendation was approved.

REFUND OF FEE TO A. A. ROSENFELD

(11) The Council of Administration recommends that Mr. Arthur A. Rosenfeld, a former student of the senior class at the University, who was forced to drop out on February 20 on account of illness, be given a refund in full of the incidental fee which he paid for the second semester.

On motion of Mr. Barr, this refund was authorized.

COOPERATION WITH FOREST PRODUCTS LABORATORY OF THE UNITED STATES DEPARTMENT OF AGRICULTURE

(12) The Forest Products Laboratory of the United States Department of Agriculture at Madison, Wisconsin, has asked the University to cooperate with the laboratory in their research on wood and wood celluloses through Dr. George L. Clark of our Department of Chemistry. This work will involve no direct expense to the University but will bring to it the following advantages:

1. The X-Ray Laboratory of the Chemistry Department will be officially designated for exclusive fundamental studies of the X-Ray structures of wood celluloses and other related substances.

2. The work will be in line with Professor Clark's researches and will give the University opportunity to make discoveries for publication.

3. The publication of all results will be exclusively under the authority of the University.

4. The University will obtain specimens not available elsewhere.

I recommend that this cooperative work be authorized.

On motion of Mr. Simpson, this work was authorized.

LEAVE OF ABSENCE FOR PROFESSOR OLDFATHER

(13) On recommendation of Dean Babcock, I recommend that Professor Oldfather, Head of the Department of Classics, be given leave of absence with full pay from February 1 to September 1, 1929, on account of ill health. His work in the department has been, and will be, carried on by his colleagues without additional cost to the University.

On motion of Mr. Fisher, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR WALTER L. SUMMERS

(14) On recommendation of Dean Harno I recommend that Professor Walter L. Summers, of the College of Law, be given leave of absence without pay for one year from September 1, 1929, to enable him to do legal research work for the Humble Oil and Refining Company and the Texas Gulf Sulphur Company, which is in his field of law.

On motion of Mr. Barr, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR R. S. SMITH

(15) On recommendation of Dean Mumford I recommend that Dr. R. S. Smith, Professor of Soil Physics, be given a leave of absence for two weeks on full pay during the summer in order that he may examine the so-called Podsol soils which occur in northern New England, northern New York, northern Michigan, and northeastern Minnesota. In addition to this time on leave he plans to spend part of his vacation in making this study.

On motion of Mr. Trees, this leave was granted.

LEAVE OF ABSENCE FOR MISS METTA M. LOOMIS

(16) On recommendation of Dean Davis, concurred in by Director P. L. Windsor, I recommend that Miss Metta M. Loomis, Librarian in the College of Medicine, be given leave of absence for one month on full pay in order that she may spend the period from July 15 to September 15 in travel abroad, during which time she will promote the interests of the Medical College Library in Europe.

On motion of Mr. Fisher, this leave was granted.

LEAVE OF ABSENCE FOR MISS JOSIE B. HOUCHENS

(17) On recommendation of Director P. L. Windsor, I recommend that Miss Josie B. Houchens, Binding Librarian, be given leave of absence for one month without pay, to enable her to teach in the Columbia University Library School during the summer.

On motion of Mr. Barr, this leave was granted.

LEAVE OF ABSENCE FOR MISS ANNA C. GLOVER

(18) On recommendation of Dean Mumford, I recommend that Miss Anna C. Glover, Secretary of the Agricultural Experiment Station, and Manager of Publications, be given leave of absence for one and one-half months, dating from June 12, on full pay, in order that she may travel abroad.

On motion of Mrs. Grigsby, this leave was granted in recognition of loyal service without a break through many years.

LEAVE OF ABSENCE FOR MISS LILLIAN HART

(19) On recommendation of Dean Chadsey, I recommend that Miss Lillian Hart, Secretary of the College of Education, be given leave of absence for two months, without pay, since she wishes to spend the summer in travel abroad.

On motion of Mr. Simpson, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR E. L. BOGART

(20) On request of Professor E. L. Bogart, Head of the Department of Economics, endorsed by Dean Thompson, I recommend that he be given a leave of absence for the year 1929-30 without pay, in order to accept a one-year appointment on the staff of Claremont College, to assist that institution in its organization.

On motion of Mr. Trees, this leave was granted.

GIFT OF THE FLEISCHMANN YEAST COMPANY

(22) The Fleischmann Yeast Company of New York has offered the University a grant of \$3,500, to be known as the Fleischmann Research Fund, for a study by the College of Medicine of the effect of yeast on the digestive tract. The Company agrees to the conditions and restrictions which, under our rules, govern such investigations. The first payment of \$1,750 toward this fund has already been received.

I recommend the acceptance of this offer.

On motion of Mrs. Evans, this gift was accepted.

GIFTS TO THE UNIVERSITY

(23) Under the authority given me by the rules of the Board, I have accepted the following gifts to the University:

1. From Mrs. J. W. Hays of Urbana, widow of the former Superintendent of Schools of Urbana, a collection of books and other literature on the History of Education in Illinois, covering more than a half century.

2. From Professor C. F. Hottes, Head of the Department of Botany, a set of sixty-six lantern slides illustrating important subjects in German architecture and German life, presented to the Department of German.

This report was received for record.

SUNDRY APPOINTMENTS FOR 1929-30

(24) I have made the following appointments for next year in positions already existing and at the salaries already provided, or less, and ask confirmation of my action:

Dr. Wilfrid Wilson of Carlisle, England, formerly a student at the Universities of London, Cambridge, and Amsterdam, Instructor in Mathematics at \$2,200 for one year.

Oliver K. Bower, Instructor in Mathematics at \$2,200.

Paul Cramer, two-thirds time Assistant in Mathematics at \$1,000.

Carl Walter Strom, two-thirds time Assistant in Mathematics at \$1,000.

John H. Butchart, two-thirds time Assistant in Mathematics at \$935.

Charles C. Hower of Conway, Arkansas, one-half time Assistant in Classics at \$700.

Curtis Lakeman Newcombe, of Morgantown, West Virginia, one-half time Assistant in Zoology at \$600.

Margery Washburn, Portland, Oregon, one-half time Assistant in Zoology at \$600.

On motion of Mr. Barr, the President's action was confirmed.

PRESENTATION OF "ALMA MATER" STATUE

(26) The Alumni Association reports that the "Alma Mater" statue group will be presented to the University at commencement time, and requests that someone be designated by the Board to accept it for the University.

On motion of Mr. Barr, the President of the Board and the President of the University were designated to accept this gift.

RELEASE OF RIGHT OF WAY ACROSS ALEDO EXPERIMENT FARM

(27) At the March meeting of the Board (Minutes, page 151) it was stated that the oral approval of the donor of the Experiment Field at Aledo had been secured for the location of a State Highway through the tract. The Board granted this right of way subject to the receipt of a release from the donor. Under direction of the Legal Counsel, this was done by securing a dedication of the right of way signed by the original grantor as well as by the President and Secretary of the Board. This dedication has been handed by me to the Secretary of the Board with the request that he or the Comptroller have it recorded, the report of that action to be made to the Board for record. The land is in part of the southeast quarter of Section 18, Township 14 North, Range 3 West. The original grantors are Archie G. Bridgford and Mollie T. Bridgford. As stated above, these join with the President and Secretary in granting this right of way.

This report was received for record.

REPORT OF COMMITTEE ON CARTER-PENNELLS FARMS

(28) A meeting of the Committee on the Carter-Pennell farms, consisting of Deans Mumford and Ketchum, Professor Ruth Wardall of the Department of Home Economics, and the President of the University, was held in the President's Office on April 9. Dean Mumford, Director of the Agricultural Experiment Station, presented the report for the year ending February 28, 1929. The Committee examined this report and approved it for transmission to the Board of Trustees. I submit it herewith, and recommend that it be referred to the Committee on Agriculture for examination and report.

On motion of Mr. Trees, this report was referred to the Committee on Agriculture for examination and report.

**PATENT OF PHOSPHATE PROCESS FOR PREVENTION OF EMBRITTLE-
MENT OF STEEL IN BOILERS**

(29) The Committee on Patents recommends that the University file an application for the patent of a process for the prevention of embrittlement of steel in boilers through the use of phosphate, which has been developed by the Engineering Experiment Station in one of the cooperative investigations undertaken under agreement with the Utilities Research Commission. I am informed that the cost of securing the patent will not exceed \$1,000.

I recommend that the application for a patent of this process be authorized and that an appropriation of \$1,000, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this recommendation was concurred in. The appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

COMMITTEE ON PRESIDENCY

(30) A statement concerning the Presidency of the University.

On request of President Kinley that the Board take steps looking toward the selection of his successor, and on motion of Mr. Trees, the President of the Board of Trustees was requested to appoint a special committee of three members of the Board, to serve with himself, to consider the matter of selecting a successor to President Kinley on his retirement, and to make recommendations to the Board.

President Armstrong later appointed the following members to serve with him on this committee: Mr. Barr, Mrs. Busey, Mr. Trees.

PURCHASE OF DENTAL BUILDING BONDS

(31) The Comptroller reports that he has just received advice that the owners of \$1,500 of six per cent bonds on the Dental Building due in 1932 would like to dispose of them, and requests that he be authorized to secure them if he can do so at par or less and accrued interest.

I concur in this recommendation and recommend that an appropriation of \$1,530, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Trees, this recommendation was approved and the appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

REPORT OF AUDIT

The Secretary presented for record the report of the audit for the quarter ending December 31, 1928.

March 25, 1929

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRS,

We have audited the accounts of the University of Illinois for the quarter ending December 31, 1928.

We verified the account of Cash Receipts and Disbursements as shown by the books of the Business Office.

We have verified all items of Cash, Investments and Receivables as shown in the Balance Sheet.

We have also verified in total all disbursements made on account of the University by the State Auditor.

In our opinion the statements contained in the Comptroller's report reflect the true financial condition of the University at December 31, 1928.

Yours faithfully,

ARTHUR YOUNG & Co.

TREASURER'S BOND APPROVED

Mr. Trees presented, for the Finance Committee, the bond of the Treasurer, with certain letters concerning the responsibility of the sureties who signed the bond.

BOND

KNOW ALL MEN BY THESE PRESENTS, That we, ARTHUR M. BURKE, as Principal, and EUGENE I. BURKE, JOSEPH C. DODDS, ORIN L. PERCIVAL, DAVID B. WRIGHT, ARTHUR SHERIDAN, ALLEN F. MOORE, MATHEW W. BUSEY and ALMOND W. STOOLMAN, as sureties, are held and firmly bound unto the Board of Trustees of the University of Illinois, in the penal sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our respective heirs, executors, administrators and assigns, and each of them, by these presents.

THE CONDITION of the above obligation is such that

WHEREAS, the above bounden ARTHUR M. BURKE, was on the 12th day of March, A.D. 1929, duly elected to the office of treasurer of the University of Illinois, for a period ending on the 12th day of March, A. D. 1931, or until his successor shall be appointed and qualified and is about to assume the duties of said office:

NOW, THEREFORE, if the said ARTHUR M. BURKE shall well and truly perform and faithfully discharge the duties of Treasurer of said University of Illinois, during his term of office, and shall faithfully keep and truly account for all moneys, bonds, securities or other property coming into his hands as such Treasurer, during his term of office, and shall pay when properly drawn and presented to him all warrants, authorized by the Board of Trustees of the University of Illinois, drawn against funds in his hands belonging to the said University of Illinois, and at the expiration of his term of office, on due request to him, shall pay over and deliver to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys, bonds, securities or any other property received by him as such Treasurer and not otherwise lawfully paid out or disposed of, and shall deliver to his successor in office, or any other person appointed to receive the same, the property, papers, and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener, if thereunto requested by the Board of Trustees of the said University of Illinois, render a just

and true account of his doings, as such Treasurer, then this obligation shall be null and void; otherwise to remain in full force and effect.

WITNESS OUR HANDS AND SEALS THIS 28th day of March A.D. 1929

When the Board convened, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 10, 1929.

On motion of Dr. Noble, the minutes were approved as printed on pages 155 to 168 above.

HONORS DAY CONVOCATION

On motion of Mrs. Evans, the Board voted to take a recess at 9:45 a.m. in order to attend the Honors Day Convocation in a body.

MATTERS PRESENTED BY PRESIDENT KINLEY

After the recess, the Board considered the following matters presented by the President of the University.

AUDITORS' REPORT

(1) The report of Arthur Young & Company of their audit of the accounts of the University for the quarter ending March 31, 1929, accompanied by a letter explaining a statement in the report.

May 10, 1929

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRS,

We have completed the audit of the accounts of the University of Illinois for the quarter ending March 31, 1929, and now submit our report thereon together with our Certificate of Audit and the following details:

Schedule I Income Realized for the quarter ending March 31, 1929

Schedule II Cash Receipts and Disbursements for the quarter ending March 31, 1929

Appendix A Details of Examination and Verification

Appendix B System of Internal Check in Force

Appendix C Tentative Program for Regular Quarterly Audits

In accordance with your request we have made a detailed examination of the books and records of the Business Offices in Urbana and in Chicago and of the various Departments. Details of the work done are given in Appendices A and B. Income Realized and Cash Receipts and Disbursements are summarized in Schedules I and II, respectively. In Appendix C we submit a Tentative Program for Regular Quarterly Audits, on which we comment later.

We find that during the period covered by our audit, all income has been properly recorded and that all cash receipts have been promptly deposited with the Treasurer of the University. All disbursements are supported by vouchers properly prepared and duly authorized. Cash and securities have been verified by inspection, actual count and confirmation received direct from the depositories. Purchases have been made after obtaining quotations and competitive bids wherever practicable.

The system of accounting is well adapted to give a proper control of detail records and an adequate survey of financial condition and of operations. The entries in the journals, cash books and ledgers have been correctly footed and posted throughout.

Supporting documents, such as warrants, vouchers, sales tickets, cash reports, etc., in the Business Offices and in the various Departments were found properly filed and easy of access.

We have carefully investigated the system of internal check safeguarding the University's funds. A description of the more important features noted is given in Appendix B.

The Comptroller's report to the Board of Trustees for the quarter ending March 31, 1929, a copy of which accompanies our report, has been checked with the books in the Business Office and has been found in agreement throughout. This report exhibits the Balance Sheet, Trust Accounts and Appropriation Accounts as at March 31, 1929, in full detail, together with statements of operation, and we submit no additional statements other than Schedules I and II which contain figures for the quarter under audit only.

While we have found the system of accounting and of internal check very satisfactory, we offer the following recommendations:

1. To extend the practice of numbering blank forms so as to include those now in use which are not numbered, to-wit—
 - Forms Bursar 11-24 and 2-29-5823-S used in the collection of students' loans and interest thereon
 - Form 10-27-344-S used for report of money received by the Home Economics Department

Form 2-28-4110-S used for cash receipts vouchers in the Business Office in Chicago

Report of cash sales in the Dairy Department—This report has been made out on numbered forms until March 4, 1929, and thereafter on forms not numbered

2. To take up, from time to time, the files of sales tickets, sales books and daily cash reports kept in the various Departments and to check portions of them, selected at random, into the books of account. This would furnish an independent test of the accuracy of the records in the Business Office and would assure the Comptroller that the department files are being maintained in their present condition, which we found to be complete and orderly.
3. In order to facilitate comparison with the Registrar's records, the account, Income from Students' Fees, may advantageously be subdivided according to sources and semesters, as follows—
 - Tuition and Laboratory Fees, Urbana, Summer Session
 - Tuition and Laboratory Fees, Urbana, First Semester
 - Tuition and Laboratory Fees, Urbana, Second Semester
 - Tuition and Laboratory Fees, Chicago, Summer Session
 - Tuition and Laboratory Fees, Chicago, First Semester
 - Tuition and Laboratory Fees, Chicago, Second Semester
 - Diploma Fees, Urbana, for Diplomas Issued October 19
 - Diploma Fees, Urbana, for Diplomas Issued February 19
 - Diploma Fees, Urbana, for Diplomas Issued June 19
 - Diploma Fees, Chicago
 - High School Fees, Urbana
 - Locker Fees, Urbana
 - Locker Fees, Chicago

In conclusion we would state that while the audit for the quarter ending March 31, 1929, has been made in detail, the time occupied by regular quarterly audits may be shortened materially by restricting part of the work to substantial tests. These tests would extend along the different lines of investigation without, however, making a complete check of all items. In Appendix C we submit a Tentative Program of Audit which we consider adequate in connection with the system of accounting and of internal check now prevailing in the Business Office of the University of Illinois, with the changes recommended. If no irregularities are discovered in the course of an audit as outlined, we would feel entirely justified in issuing an unqualified certificate.

Yours faithfully,

ARTHUR YOUNG & Co.

CERTIFICATE OF AUDIT

May 10, 1929

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRS,

We have audited the accounts of the University of Illinois for the quarter ending March 31, 1929, and we hereby certify that, so far as we have been able to ascertain by a detailed audit,

All Income which the University should have received during the period stated has been received and duly accounted for.

All Disbursements have been made for University purposes and have been properly authorized, and the expenditures have been correctly recorded in the books of account.

The Cash and Securities as shown by the books as at March 31, 1929, are correct in amount and have been verified by actual inspection, count or direct confirmation from the depositories.

The Quarterly Report of the Comptroller to the Board of Trustees as at March 31, 1929, showing the Balance Sheet and Detailed Accounts as at that date, together with Statements of Operation for the nine months ending March 31, 1929, is in accordance with the books and, in our opinion, is correct.

Yours faithfully,

ARTHUR YOUNG & Co.

APPENDIX A
*DETAILS OF EXAMINATION AND VERIFICATION FOR THE
QUARTER ENDING MARCH 31, 1929*

Sales tickets, sales books and daily cash reports kept in the various Departments have been checked into the cash receipts vouchers and the charge journals in the Business Office.

Students' fee cards on file in the office of the Registrar, of the Business Manager of the Chicago Departments and of the Principal of the University High School, together with the locker permits filed in the Bursar's Office have been totalled and agreed with the account of Income from Students' Fees.

Income from Trust Fund investments has been computed and agreed with the income shown by the Trust Fund accounts.

The Bursar's file of collections of students' loans and interest thereon has been checked into the cash receipts vouchers.

Purchase orders have been examined with respect to quotations and delivery of goods to the respective departments. In the case of competitive quotations, both the successful and the unsuccessful bids have been inspected. The records of the Purchase Department show that during the quarter under audit, eighty-four per cent of all purchases have been made after quotations had been obtained.

The Vouchers supporting all disbursements made through the State Auditor and the University Treasurer have been examined as to authorization, receipt of goods or services, agreement of prices with purchase orders, classification of expenditure and approval by the Comptroller and the Auditor. Pay roll vouchers have been checked against the file of Appointees certified by the Secretary of the Board of Trustees and the file of Employes certified by the State Civil Service Commission. In the case of temporary employes, the approval of the Head of the Department has been noted.

The lists of vouchers certified to the State Auditor and the warrants drawn on the University Treasurer have been checked into the cash disbursements book. The lists of vouchers paid and returned by the State Auditor have been checked against the lists of certified vouchers in the Business Office, and the State Auditor's statement of warrants paid has been agreed with the records of the Business Office, taking into account vouchers certified but not paid at March 31, 1929.

The signatures to the warrants drawn on the University Treasurer have been verified by presentation to the persons delegated by the Board of Trustees to sign warrants.

The cash receipts vouchers filed in the Bursar's Office have been examined as to supporting vouchers and have been checked into the cash receipts book. The cash receipts vouchers in the office of the Business Manager for the Chicago Departments have been checked against the deposits shown on the statements of the depository Bank.

The cash receipts book, cash disbursements book, the charge journals and the general journal have been footed and the postings to the general ledger have been checked.

The footings and balances of the general ledger accounts have been recalculated and proved correct.

The cash account with the University Treasurer has been checked against the statements rendered by the Treasurer, and the balance as at March 31, 1929, shown by the books has been reconciled with the balance shown by the statement of the Treasurer of the same date, taking into account warrants outstanding at March 31, 1929. Warrants outstanding at December 31, 1928, have been checked into the reconciliations prepared by us as at December 31, 1928, and as at March 31, 1929, respectively.

The amount shown to be in the hands of the University Treasurer at March 31, 1929, has been verified by confirmation received directly from the depository Bank and by inspection of certificates of deposit held by the Treasurer.

Petty cash funds have been verified by actual count and reconciliation with statements of depository Banks.

Trust fund investments have been verified by inspection and count of the securities.

Students' loans have been verified by inspection of the notes on file. The notes have been totalled and agreed with the controlling account in the general ledger.

Accounts Receivable.—The individual accounts in the accounts receivable ledger have been examined as to collectibility and have been totalled and agreed with the

controlling account in the general ledger. Of the total outstanding at March 31, 1929, 90 per cent were of March 1929 dating, 3 per cent December 1928 to February 1929, 7 per cent prior to December 1928.

Mortgage bonds payable have been verified by a certificate obtained from the Trustee.

Military deposits outstanding at March 31, 1929, have been verified by checking the file of duplicate deposit tickets against the register in the Bursar's office and agreeing the total of open items with the controlling ledger account.

The balances of the appropriation accounts have been totalled and agreed with the control accounts in the general ledger. The appropriation accounts kept in the office of the Business Manager of the Chicago Departments have been checked against the corresponding accounts at the Business Office in Urbana.

Stadium Fund.—Cash receipts and disbursements have been verified by inspecting the supporting vouchers and checking them into the cash book. The cash in Bank at March 31, 1929, has been confirmed to us by the depository Bank.

The bond of the University Treasurer, in the amount of \$1,500,000, and the bond of other Officers, Members of the Faculty and Employees, in a total of \$163,400 have been inspected.

Insurance in force at March 31, 1929, against losses by fire, windstorm, burglary, forgery and accidents, as shown by the insurance register, has been verified by inspection of the insurance policies.

The records of the meetings of the Board of Trustees on January 9, February 13 and March 12, 1929, have been examined. All actions affecting the finances of the period under audit have been given effect in the books of the Business Office.

The Comptroller's report to the Board of Trustees as at March 31, 1929, has been checked in detail into the books and has been found to be in agreement therewith.

The report of the Comptroller to the Governor of the State of Illinois, covering the state appropriations for the period from July 1, 1927, to March 31, 1929, and local funds receipts and disbursements for the quarter ending March 31, 1929, has been checked into the books and has been found to be in agreement therewith.

APPENDIX B SYSTEM OF INTERNAL CHECK IN FORCE MARCH 31, 1929

In all departments where the cash receipts are of sufficient volume, *cash registers* are in use. The keys are in the custody of a sub-cashier in the Bursar's office. The readings are taken by the sub-cashier and verified by the cashier of the department. The cash is then counted and taken up by the sub-cashier, and a duplicate cash receipts record is prepared, one copy of which remains in the department, the other being incorporated in the daily cash receipts vouchers prepared in the Bursar's office. Duplicate *cash sales tickets*, supporting the daily cash report, are made out by the Department, one copy going to the department files, the other to the cash receipts voucher in the Bursar's office. With a few exceptions, noted elsewhere in our report, all departmental cash records are made out on numbered stationery.

In the case of departments not receiving a sufficient amount of cash to warrant the use of a cash register, a numbered *bound book* containing duplicate sales tickets is issued to the department. A record is kept in the Bursar's office covering each sales book issued, with a space provided for each sales ticket, to be filled in as the tickets are sent in by the department. Each sales ticket is accounted for.

Charge sales tickets are likewise made out in duplicate on numbered forms, one copy being filed by the Department, the other being sent to the Bursar's office. Here it is posted to the accounts receivable ledger and listed on duplicate numbered *journal sheets*, separate sheets being prepared for each Department. One copy of the journal sheet is sent to the Department, the other is entered in an invoice register, the monthly totals of which are posted to the general ledger.

In the office of the Business Manager of the *Chicago Departments*, cash receipts vouchers are prepared in duplicate. The original is forwarded to the Bursar's office in Urbana; the duplicate, supported by sub-vouchers, is filed in the Chicago office. All cash received is deposited with the National Bank of the Republic, Chicago, for account of The Citizens State Bank, Champaign, Illinois, for credit of Arthur M. Burke, Treasurer.

A close control is exercised over the collection of *students' fees*. About 97 per cent of all fees are collected on registration days. The fee card originates in the office of the Registrar. Each card consists of a series of detachable coupons, all bearing the student's name, course of study, etc. The amount of each fee is filled in by the Registrar in accordance with a printed list showing the fee payable for each course. The fees charged are checked by the Auditor. On registration days, coupon 3 is detached and held by the Head Accountant, coupons 8 and 9 are handed to the Cashier. Coupon 9 is the student's receipt. From time to time, as the collection of fees proceeds, paid coupons 8, together with the cash received, are taken up by the Head Accountant; coupons 8 are then totalled and agreed with the total of the corresponding coupons 3. A receipt for the amount turned over is given to the Cashier and the cash is handed to a representative of the depository Bank, who issues a deposit ticket. Paid coupons 8 are filed in the Bursar's office; the corresponding coupons 3 are stamped Paid and sent to the Registrar's office. The Registrar now issues class cards for each student and forwards them to the Instructors in charge. No student is admitted to a class unless the Instructor has a card to that effect.

In exceptional cases, students who are not prepared to pay their fees are granted a short time allowance. This privilege is extended to them by the Comptroller in person. A *deferred fees list*, showing students' fees in arrears, is kept in the Bursar's office and collection is followed up closely.

Files of paid fee coupons, certified by the Bursar's office, are also maintained in the Chicago Business Office and in the office of the Principal of the University High School.

When the collection of each semester's fees has been completed, the Registrar renders a report to the Board of Trustees, showing the totals of all students' fees certified to him.

Collection of *students' loans* and interest thereon is made under the direction of the Bursar. A duplicate receipt is made out, the original for the student, the duplicate for the file of students' loan papers. A cash receipts record is then prepared in duplicate, showing all collections of principal and of interest for the day. One copy is placed in the Bursar's files, the other is filed with the general cash receipts voucher.

Bond interest coupons are clipped by the Treasurer, who has the custody of the securities. He forwards to the Bursar's office a deposit ticket for the amount, together with a detailed list of the coupons collected. This list is checked by the Bursar against the detailed securities ledger.

All cash received, both in Urbana and in Chicago, is deposited intact to the credit of the University Treasurer.

All disbursements are made by warrant, drawn either by the State Auditor, upon vouchers certified by the Business Office, or by local warrant drawn upon the Treasurer of the University. Petty expenditures are made from petty cash funds operated on the imprest plan.

Pay Rolls.—Prior to the issuance of warrants or certification to the State Auditor, all pay roll vouchers for Appointees and for Employees under the civil service system are checked against the certifications by the Secretary of the Board of Trustees and by the State Civil Service Commission, respectively. The pay of temporary employees is certified by the Head of the Department.

A valuable feature of the system of internal check is the rendering of *monthly statements* by the Business Office to the Heads of the various Departments. The detailed accounts of department income and of appropriations are typed in triplicate by the use of bookkeeping machines. The master sheet constitutes the ledger account; the duplicate, showing the transactions for the month, together with opening and closing balances, is sent to the Head of the Department, the triplicate to the Dean of the respective Colleges. This relieves the Departments of the burden of bookkeeping and furnishes them with current statements of income and expenditure, encumbrances and free balance. While the examination and detail checking of these reports is not obligatory upon the Heads of the Departments concerned, many, if not all of them are vitally interested in the status of their Departments and may be depended upon to detect and report any material errors committed.

APPENDIX C
TENTATIVE PROGRAM FOR REGULAR QUARTERLY AUDITS
MARCH 31, 1929

1. Examination of the general ledger accounts, proof of postings from books of original entry, proof of footings and balances.
2. Tracing into the cash books all cash receipts vouchers, vouchers certified to the State Auditor and warrants drawn on the University Treasurer; proof of footings of cash books and postings to the general ledger.
3. Comparison of totals of deposits, totals of warrants drawn and cash balance as shown by the records of the Business Office with the statements rendered by the Treasurer of the University.
4. Verification of cash balance by confirmation to be obtained direct from the depository bank and by inspection of certificates of deposit.
5. Verification of petty cash funds by actual count and by reconciling petty cashiers' bank balances with confirmations from the depository Banks. In the case of petty cash funds advanced to persons connected with the University but not located in Urbana, inspection of written acknowledgments in the hands of the Bursar.
6. Inspection of bonds, mortgages and other securities held by the Treasurer of the University and agreeing the securities seen with the securities ledger.
7. Inspection of trust fund notes receivable (students' loans) and totaling and agreeing them with the control account in the general ledger.
8. Checking the summaries of charge sales (journal sheets) into the invoice register; footing the invoice register and checking posting of totals to the general ledger.
9. Examination of accounts receivable ledger and agreeing total of balances with control account in the general ledger.
10. Balancing all general journal entries and checking posting to the general ledger.
11. Reconciling the State Auditor's statement of vouchers paid with the Business Office records of vouchers certified.
12. Detail examination of changes in non-expendable trust fund reserve.
13. Auditing the accounts of the Stadium Fund to the same extent as the accounts of the University.
14. Substantial tests of income, by comparing the original records of departments producing income, together with independent calculations, where applicable, with the records in the Business Office.
15. Examining a number of vouchers supporting the disbursements, as to authorization, receipt of goods and services, agreement with purchase orders, classification of expenditure and approval by the Comptroller and the Auditor. This examination should be more extensive with respect to local disbursements.
16. Examining the records of the meetings of the Board of Trustees with respect to all actions affecting the finances of the University, and noting the effect given them in the records of the Business Office.
17. Checking the Quarterly Report of the Comptroller to the Board of Trustees against the general and detail ledger accounts in the Business Office.
18. Auditing the books and records of the Business Office of the Chicago Departments to the same extent as those of the Business Office of the University at Urbana.

May 16, 1929

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRs,

In reference to the certificate which we have given concerning the audit of the accounts of the University for the quarter ending March 31, 1929, we wish to state that the expression "so far as we have been able to ascertain by a detailed audit" is not a qualification of our certificate.

We are perfectly satisfied that all of the income of the University has been received and accounted for. What we meant by the expression was that it is conceivable

that income should have been received from sources which are entirely unknown to the authorities of the University and which no amount of auditing would reveal.

So far as the records of the University are concerned all income to which the University is shown to be entitled has been received and accounted for.

Yours faithfully,

ARTHUR YOUNG & Co.

On motion of Dr. Noble, the report was received for record, the explanatory letter to be printed as a part of the report.

ASSISTANT PROFESSORSHIP IN SOCIOLOGY

(2) A request for authority to fill the position in Sociology made vacant by the withdrawal of Assistant Professor Theodore Abel, at a salary of \$3,500 a year.

On motion of Mrs. Evans, this appointment was made.

APPOINTMENT OF DR. JOHN THEODORE BUCHHOLZ AS PROFESSOR OF BOTANY

(8) On recommendation of Dean Babcock and Professor Hottes, I recommend that Dr. John Theodore Buchholz of the University of Texas be appointed Professor of Botany, beginning September 1, 1929, at an annual salary of \$6,000.

On motion of Mr. Barr, this appointment was made.

**APPOINTMENT OF DR. ARTHUR GIBSON VESTAL AS
ASSOCIATE PROFESSOR OF BOTANY**

(9) On recommendation of Dean Babcock and Professor Hottes, I recommend that Dr. Arthur Gibson Vestal of Stanford University be appointed Associate Professor of Botany, beginning September 1, 1929, at an annual salary of \$4,200.

On motion of Dr. Noble, this appointment was made.

APPOINTMENT OF DR. M. J. WASSERMAN

(10) On recommendation of Dean Thompson and Professor Bogart, I recommend that Dr. Max Judd Wasserman be appointed Assistant Professor of Economics for two years beginning September 1, 1929, at an annual salary of \$3,250.

On motion of Mr. Trees, this appointment was made.

**APPOINTMENT OF DR. HERBERT JOSEPH REICH, ASSISTANT
PROFESSOR OF ELECTRICAL ENGINEERING**

(11) On recommendation of Dean Ketchum, I recommend the appointment of Dr. Herbert Joseph Reich, Instructor of Physics at Cornell University, as Assistant Professor of Electrical Engineering, for one year beginning September 1, 1929, at a salary of \$3,000.

On motion of Mr. Fisher, this appointment was made.

**APPOINTMENT OF DR. M. H. HUNTER AS ACTING HEAD OF
THE DEPARTMENT OF ECONOMICS**

(12) Dean Thompson and Professor Bogart recommend that Dr. M. H. Hunter, Associate Professor of Economics, be appointed Acting Head of the Department for the year 1929-30.

I concur in this recommendation.

On motion of Mrs. Busey, this appointment was made.

**RESIGNATION OF PROFESSOR EDWARD A. BOYDEN,
PROFESSOR OF ANATOMY**

(13) I report the resignation of Professor Edward A. Boyden as Professor of Anatomy, to take effect at the end of the academic year. He has accepted a position at the University of Alabama.

This report was received for record.

**APPOINTMENT OF ANDREW J. CASNER AS
INSTRUCTOR IN LAW**

(14) Dean Harno recommends the appointment of Mr. Andrew J. Casner as Instructor in Law for ten months, beginning September 1, 1929, at a salary of \$2,500 for the period.

I concur in this recommendation.

On motion of Mrs. Grigsby, this appointment was made.

RESIGNATION OF ARTHUR G. ELDRIDGE

(15) A report of the resignation of Arthur G. Eldredge as Director of Photographic Laboratory and Instructor in Photography, to take effect June 30, 1929.

This report was received for record.

RESIGNATION OF MISS CORA K. MILLER

(16) A report that Miss Cora K. Miller, Assistant to the Dean of Women since 1924-25, has announced that she will not be able to accept reappointment for next year because she has decided to go on with advanced studies.

This report was received for record.

**MR. JOHN MEDLOCK APPOINTED TO BOARD OF EXAMINERS
IN ACCOUNTANCY**

(18) On recommendation of the Committee on Accountancy, I recommend the appointment of Mr. John Medlock, a resident partner of the firm of Price-Waterhouse & Company, as a member of the Board of Examiners in Accountancy for three years, from July 1, 1929, to fill the place which will be vacated by the expiration of the term of Mr. Harold Benington on June 30.

On motion of Mr. Barr, this appointment was made.

APPOINTMENTS TO THE FRANCIS J. PLYM FELLOWSHIP IN ARCHITECTURE AND THE PLYM SCHOLARSHIP IN ARCHITECTURAL ENGINEERING

(19) On recommendation of the Plym Fellowship Committee and the Plym Foreign Scholarship Committee, concurred in by Dean Ketchum, I recommend the following appointments:

William Piers Crane, II, of the class of 1928, as the Sixteenth Plym Fellow in Architecture.

Eldon Louis DeCosted, of the class of 1928, to the Sixth Plym Foreign Scholarship in Architectural Engineering.

On motion of Mr. Fisher, these appointments were made.

DEGREES OF DOCTOR OF MEDICINE AND CERTIFICATES IN MEDICINE

(20) I submit a list of candidates recommended by the University Senate on April 15 for certificates in Medicine as of February, 1929, and for the degree of Doctor of Medicine as of the date indicated in each case, and request authority to confer the degrees and to issue certificates and diplomas accordingly.

Certificate in Medicine

LOUIS PARMACEK—December 31, 1928

RALPH OTIS PETERSON—November 1, 1928

NICHOLAS ERNEST SODARO—January 31, 1929

FREDERICK BURNHAM WESTERN—December 31, 1928

On motion of Mrs. Evans, this authority was granted.

LEAVE OF ABSENCE FOR PROFESSOR H. C. M. CASE

(21) Dean Mumford recommends that Professor H. C. M. Case, Head of the Department of Farm Organization and Management, be given two weeks' leave of absence with pay during the coming summer so that he may spend his vacation period and this additional two weeks in an inspection of the agriculture of England and Scotland and in attending a conference on Agricultural Economics and Farm Management.

I concur.

On motion of Mr. Trees, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR W. L. GAINES

(22) Dean Mumford recommends that Professor W. L. Gaines of the Dairy Department be given leave of one month on pay during the summer to be devoted, with his month's vacation, to the study of work in his line being carried on in the various experiment stations in the West and Southwest. Professor Gaines intends to drive his own car at his own expense visiting the stations in Arkansas, California, Texas, Missouri, and probably other places.

I concur in the recommendation.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR MISS FANNIE M. BROOKS

(23) Dean Mumford recommends, and I concur, that Miss Fannie M. Brooks, Assistant Professor of Home Economics Extension, be given a leave of absence for one month from July 13 to August 13, without pay, for travel in Europe.

On motion of Mrs. Evans, this leave was granted.

LEAVE OF ABSENCE FOR MR. C. M. LINSLEY

(24) Dean Mumford recommends that Mr. C. M. Linsley, Assistant Professor of Soils Extension, be given a month's leave of absence, without pay, during which time and during his vacation month he will visit various experiment stations in Europe. I concur.

On motion of Mrs. Busey, this leave was granted.

SICK LEAVE FOR DR. ALICE H. SULLIVAN

(25) Dean Babcock reports that Dr. Alice H. Sullivan, Associate in Psychology, will be unable to resume her teaching duties before the end of the semester, on account of illness. In the meantime her work will be taken care of by her colleagues.

Dean Babcock recommends, and I concur, that she be given sick leave for one month, beginning May 11, without reduction of pay.

On motion of Mrs. Evans, this leave was granted.

ABSENCE OF MR. D. A. ALBRECHT

(26) Dean Mumford reports that Mr. D. A. Albrecht, Assistant in Farm Mechanics in the College of Agriculture and the Experiment Station, was absent from April 1 to May 15 on account of a serious operation. His work during the present semester has been entirely in the Station and was postponed temporarily, so that it was not necessary for the Department to incur any expense on account of his absence.

This report was received for record.

EXTRA-HAZARDOUS CHARACTER OF EMPLOYMENT OF H. M. NEWELL IN DEPARTMENT OF HORTICULTURE

(27) On June 29, 1928 (page 751), the Board approved a policy of extending compensation for accidents to certain members of the faculty. Under this plan, work which is considered extra-hazardous must be previously approved as necessary for the work of the University, and specific recognition given by the Board of Trustees to the extra-hazardous character of the work before it is undertaken, if the University is to assume any responsibility in case of accident.

Under this provision, Dean Mumford requests authority for Mr. H. M. Newell, Assistant in Fruit and Vegetable Marketing in the Department of Horticulture, to go on with studies on certain fruit handling and shipping experiments, which work will require his riding on freight trains, being about railroad yards, and at times riding inside refrigerator cars for short distances, between May 6 and October 1, 1929.

I recommend that this work be recognized as being extra-hazardous, but necessary to the studies which are being carried on by the University, and that Mr. Newell be authorized to go on with it under the conditions mentioned.

On motion of Mr. Barr, this recommendation was approved.

REQUEST OF ETA KAPPA NU, HONORARY ELECTRICAL ENGINEERING FRATERNITY

(28) The Eta Kappa Nu Honorary Electrical Engineering Fraternity, which will celebrate on October 28, 1929, the twenty-fifth anniversary of its founding at the University, at which time it will hold its annual convention at Urbana, requests permission to place an appropriate marker on the campus commemorating the founding of the Fraternity. Their officers have in mind a boulder with a plate attached, and wish permission to place this boulder on the campus near where the Association was founded, which was under a tree on what was then the south campus, or else on some spot near the Electrical Engineering Laboratory. The Supervising Architect recommends that the Fraternity be given permission to place such a marker. I concur, with the proviso that the size, character, and location of the marker be subject to the approval of the Supervising Architect.

On motion of Mr. Trees, this recommendation was adopted.

REPORT OF MR. VITALE

(29) A request that Mr. Ferruccio Vitale, Landscape Architect, be permitted to present his report on the landscaping of the campus.

This request was granted, and Mr. Vitale read the following report:

GENTLEMEN:

By a resolution of your Board of Trustees on June 29, 1928, we were retained as consulting Landscape Architects to study, in collaboration with Mr. Charles A. Platt, Architect, and with James M. White, Supervising Architect, a comprehensive scheme of planting for the University especially in regard to the South Campus, a new plan for which had been prepared by Mr. Platt and had been accepted by your Board. The planting design was to be in harmony with, and serve as a setting for the imposing buildings located on the Campus and if modifications of the general plan, in regard to roads and walks alignments, seemed advisable suitable recommendations were to be made.

The undersigned visited the University on September 10th for the first time in order to make himself familiar with the aspect of the grounds, with the nature of the buildings, of vegetation, etc., and received every assistance from Mr. White, from whom he obtained a very clear idea of the needs of the University and of the planting requirements.

The undersigned visited again the University on October 8th and 9th, 1928, in order to check on the ground, in consultation with Mr. White, a very rough preliminary study. He also received from the office of the Supervising Architect additional plans and data.

Definite preliminary plans were then prepared and made ready for discussion by March 15th of this year. On March 22nd Mr. White, Mr. Platt and the undersigned had a conference at our office when the entire project was gone over in detail.

The plans submitted with this report show a design representing the best thought of the three collaborators.

We take this opportunity to express our appreciation of the intelligent help given to us by Professor Stanley White of the School of Landscape Architecture of your University. Professor White, while on a leave of absence, was in our employ for a time and contributed not only his thorough knowledge of local conditions, but valuable ideas as well.

The Problem

The astounding popularity of college and university training throughout the country is compelling all institutions for higher learning to look forward to ever increasing numbers of students and to make for them ever larger provisions in land, buildings and equipment. The need of a comprehensive scheme of architectural development was readily recognized by your Board as the only means of avoiding haphazard growth, duplication of effort and expense, and disharmony of result. The Platt plan was obtained embodying a conception of great dignity and of majestic scale, based upon sound American architectural tradition. This plan brings into organic relationship the old Campus with the new, and endeavors to establish a sound method of physical expansion maintaining order, balance, unity and, therefore, beauty.

The landscape setting of such an architectural conception is of the greatest importance. Charles F. McKim used to say that architecture is best enjoyed through trees. In such a problem planting should not merely be an external decoration of buildings, but should emphasize the plan, in majesty, in scale, in serenity and comfort. The plan of Illinois upon which the University is built dictated to Charles Platt a formal plan, the grandeur of which will be realized more and more as additional structures are built. To contribute by planting to the enhancement of that grandeur and to the maintenance of the dignity, unity and effectiveness of the formal plan is, in our opinion, the achievement which the landscape architect must endeavor to obtain.

The Design

On the basis of the above stated principles we are submitting to you a set of plans which you will find to embody a very simple scheme of planting design.

We have endeavored, first of all, to set all present and future buildings on appropriate broad terraces, defined by parapet walls, hedges, posts, etc., so that a well

defined architectural line be established along the malls and the avenues. These terraces should be free from small scale planting, such as shrubs and herbaceous plants, and the new buildings should not be covered with clinging vines which, in a very short time, will hide completely their architectural beauty. Vines may be used as accents over the doorways and windows only if they are of a sketchy, open type, such as *Wisteria*, *Actinidia*, *Celastrus scandens*, etc. As accents to the main entrances, trees on either side may be used, if they are susceptible of control, such as *Juniperus virginiana* or *Thuja occidentalis* var. *occidentalis* or *Taxus cuspidata*. But in the main the terraces should be an expanse of green interrupted only by necessary walks with benches alongside of them and trees, such as *Malus floribunda*, for shade, flower and silhouette values. The open vistas, so carefully studied by Mr. Platt in their length and width, in relation to the mass of his buildings, are the great malls of our plan. The arteries of traffic are avenues of single or double lines of trees according to the width of the building lines. Malls and avenues should be planted with long lived native trees, sufficiently diversified to relieve monotony and insure protection in case of an attack by disease upon a species, but not exaggerated at the expense of continuity of form, color and texture, and of the feeling of restraint and of serenity which is the fundamental conception of our design. In the malls the broad space between multiple rows of trees should be carefully graded and maintained as a lawn.

As a contrast to the great malls which constitute the principal elements of the new plan, the interior courts have a use and a character entirely their own. The scale there is reduced to something intimate and personal. There is little connection between the courts and the great spaces outside and none between one court and another. Each functions in its relations to the buildings which give it existence. Its value depends on the contrast it presents to the severity of the great malls.

Each court being entirely independent there may be as many modes of development as there are courts. They can provide seats where students take their work outdoors. They may have space devoted specifically to gardening or to other purposes. The typical plan would include trees for shade, seats, walks, perhaps hedges and occasionally a feature carrying some memorial significance.

As no single court has been completed this work must be postponed until the future but a suggestive arrangement of the space between the new Commerce and Architecture buildings may give an idea of the possibilities afforded.

Boundaries

Owing to the casual growth of the old campus there has never been any adequate expression of the boundaries, which should receive appropriate recognition. The problem is a difficult one because of the entire lack of conformity of existing structures to alignment, set-backs, architectural style or color and kind of building material.

In some places the set-back is sufficient to permit new treatment without much difficulty. At other points the situation is decidedly cramped. Any uniform architectural expression is practically out of the question.

The problem resolves itself into determining a medium which will provide an impressive, though not a formidable barrier. A low hedge would be inadequate in scale for such a position. The solution suggested is a double line of small trees of such habit that they would present a strong mass of foliage at a height of from fifteen to thirty feet above the level of the ground, at the same time allowing perfectly free range of vision below the branches. This kind of a marker for the boundary would permit very easy adaptation to a variety of conditions, sometimes receiving the main sidewalk, sometimes changing to a single line to permit of more light for a building, sometimes breaking around a facade or across an important point of access.

The species indicated for this purpose is the *Carpinus caroliniana* or American hornbeam, a tree of good form and rugged constitution capable of withstanding difficult conditions of exposure. It will agree in general effect with the elms that are already established.

Gateways

At critical points where there are natural places for entrance and exit there should be provided, sooner or later, some dignified form of gateway in architecture suitable to the position. The Green Street approaches from the East and West should be given treatment comparable to their importance. The new points of access at Sixth Street, and at Goodwin Avenue should have suitable recognition and the approaches at Armory Avenue and at Mathews Avenue also.

Minor gateways are needed at many of the intermediate points centering on the various streets as occasion demands. Such gateways have been successfully provided in other universities through the interest of the alumni and friends and are particularly appropriate for memorials.

Plant Types

In a region so rich in plant materials as Illinois it would be easy to recommend a very large number of trees, both deciduous and evergreen, and to diversify so abundantly their selection for the avenues and the malls as to add a great deal of interest to the plan from a botanical point of view. But, as we have already remarked, such a tempting course would tend to minimize the impressiveness and the serenity of the planting design. We have, therefore, selected very few species or varieties and have shown them clearly on the plans, indicating also the number required. Great prominence has been given to the American elm as, thanks to the foresight of the university pioneers, it is already conspicuously established and has, therefore, great traditional value. No tree is more majestic nor better adapted in form and in scale to form the setting of the University's new buildings.

A new note has been introduced by the use of a few varieties of the Crabapple. This tree is a native of Illinois, is correct in size, form and scale for the purposes indicated in plan and elevation upon the terraces. The season of their bloom will eventually have an association value at a time of year when the academic program is drawing to a close.

For low hedges the *Taxus cuspidata* (Japanese yew) is recommended and for higher ones *Thuja occidentalis* *wareana* (Siberian arborvitae). The former is of slow growth, does not need trimming more than once a year, has proved its adaptability to local conditions and can easily be maintained at a uniform height of three to four feet. The latter is exceedingly hardy, and is easily obtainable at moderate cost. *Tsuga canadensis* or *caroliniana* (Canadian or Carolina hemlock) can also be used for the same purpose, if not exposed to wind or scorching sun.

Nursery

We recommend that at an early date a parcel of land of about twenty acres be selected and set aside for the purpose of maintaining a nursery. In this area all plants required for the ultimate development of the campus should be grown, not only as an efficient and economical method of production, but also to maintain uniformity of size and age among the trees required to carry out the plan at long intervals of time.

This recommendation is made especially in regard to the trees for the malls and for the avenues and for the hedge materials.

Planting Revisions

During the period of reconstruction of the older parts of the campus when existing buildings are serving out their terms of usefulness, it is wise to change the present layout as little as possible, merely taking care of current needs as occasion demands.

The complexity of the old development does not lend itself to a new scheme of improvement without a disproportionate and unreasonable expenditure. As the more ancient parts of the plan are revised into the new schedule, it is reasonable to retain wherever possible the nonconforming incidents, such as old trees simply for the sentimental interest that is attached to them. It is, therefore, strongly suggested that changes of the physiognomy of the old campus be avoided except for conspicuously valid improvements.

In the North campus, South of Green Street there is at present an area heavily planted. Our plan shows which portion of it should be retained, encouraged and added to and which portion should be cleared in time. In the new campus the forestry has been retained in the main, in spite of its incongruous medley of species and varieties of trees, as now that its original purpose is apparently fulfilled, it still retains a value as a background to the Women's area, as a separation between campus and town and as a terminal of an important cross axis. It is recommended, however, that the present policy of thinning out be continued and that, in connection with the new flower garden, the vistas indicated in the plan be cut through.

If the planting plan of the South campus is to be carried out, it may be necessary to make some readjustments in the alignment of the Memorial Elms on Gregory Drive, Sixth Street and South Drive. Our knowledge of their exact location is not

sufficient to determine this. But, if a readjustment is necessary, we recommend that it be done at an early date when the trees are still young, and, therefore, the cost of moving them and the danger of losses are small.

The new buildings are now being rapidly covered by clinging vines. These vines should, in our opinion be removed at an early date, and others such as Actinidia, Celastrus, etc., planted with a view of framing the doorways. Likewise the shrubbery and herbaceous materials placed at the entrances and at the corners should be taken out as they are incongruous and out of scale.

The Flower Garden

The adopted University plan contemplates the ultimate removal of the existing flower gardens. These gardens have had in the past an educational value not only for the students but also for a very large number of visitors from all parts of the State. Such an important educational element should, therefore, be provided for in the new plan.

We have indicated an area to be set aside for this purpose at the easterly end of the cross axis through the women's athletic field. If a water basin were designed and constructed at this point for the purpose of ending appropriately that important axis, a garden of charm and interest could be located around it. This is a subject which requires separate study. The point to be made now in this connection is that, if this garden is to have a beneficial educational value for the people of the State of Illinois, the design must be obtained by the best talent available and its execution and maintenance must be entrusted to men of a high degree of skill.

Plan Revisions

In accordance with instructions and suggestions received from your Supervising Architect and in collaboration with Mr. Platt, several revisions of the plan in matters of detailed alignment of streets and walks have been made and a new plan for the women's dormitory and athletic field area is submitted. In the future, undoubtedly, further revisions will be necessary. May we suggest that at the present time a comprehensive, accurate topographic survey be made of existing conditions and that upon this survey be recorded, from time to time, the changes brought about by the execution of the plan so that in the future studies can be made without the loss of time entailed by the piecing together of fragmentary data. Such a record survey will be useful also, in conjunction with the plans herewith submitted, in formulating a policy for the execution of the scheme of building and landscape development as a unit, and for the preparation of estimates for appropriation purposes.

Conclusion

An examination of the plans and of this report will make clear, we believe, that our endeavor throughout our studies, has been mainly directed to the devising of a planting design which will give, in the course of time, a maximum of impressiveness with utmost simplicity. For many years to come, undoubtedly, the South Campus will have a bare and uninviting appearance, even if the trees planted are of a fair nursery size, but in the eternal life of the University the day will come when the vision of the present builders will be fully realized. It is, therefore, very much worth while to adopt now the policy of making the present subordinate to the future and jealously to watch for and to prevent opportunistic endeavors to deviate from it. We feel confident that, ultimately, the planting scheme submitted will be found adequate, in majestic scale and in harmony with the serenity of an institution of learning.

Respectfully submitted,

FERRUCCIO VITALE

¹The plans mentioned were displayed to the Board and were taken in charge by the Supervising Architect.

On motion of Dr. Noble, this report was received for record, and the special committee on landscaping was discharged.

On motion of Mr. Fisher, the Board voted to extend to Mr. Vitale an expression of its appreciation of the valuable report presented by Mr. Vitale.

On motion of Dr. Noble, the President of the Board was requested to appoint a committee of three members of the Board, to consider the campus planting, to work as a sub-committee of the Committee on Buildings and Grounds. President Armstrong later appointed Mr. Trees, Chairman, Mrs. Grigsby, and Mr. Fisher.

On motion of Mr. Trees, Mr. Vitale's report was referred to this sub-committee for further study and report.

APPROPRIATION FOR BUILDING STUDIES

(30) On request of the Supervising Architect I recommend that an appropriation of \$5,000 be made from the Reserve and Contingent Fund as a revolving fund for expense of working drawings for new buildings, in the Supervising Architect's Office.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

EXPERIMENTAL SPRAYING OF PEACH ORCHARDS

(31) A request for authority to approve proposed contracts with Mr. C. J. Thomas, of Carbondale, and Mr. F. L. Graves, of Villa Ridge, connected with an experiment in spraying peach orchards by the Department of Horticulture, when satisfied that the proposed contracts sufficiently protect the University, and are duly approved by the Legal Counsel.

On motion of Mrs. Grigsby, this authority was granted.

APPROPRIATION FOR INSECTARY

(32) On request of Professor C. L. Metcalf, Head of the Department of Entomology, endorsed by Dean Babcock and Professor White, I recommend that an appropriation of \$1,200, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for the erection of a small insectary adjoining the Entomology Building.

The insectary is needed for the following purposes:

(a) To permit the Department to rear insects for study and for use in the classroom.

(b) To keep a variety of insects alive on growing plants and in soil, and aquatic insects in water during the entire year.

(c) The room will be used by every member of the staff and by graduate students in connection with their research problems.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson, Mr. Trees.

BOARD OF TRUSTEES APPROPRIATION

The President of the Board reported that he had authorized a detailed audit of the University accounts for the quarter ending March 31, 1929, after consultation with the members of the Executive Committee.

On recommendation of the Comptroller, approved by the President of the University, and on motion of Mrs. Grigsby, \$1,300 was appropriated to Board of Trustees expense, from the Reserve and

Contingent Fund, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson, Mr. Trees.

APPROPRIATION FOR HEALTH SERVICE

(33) On request of Doctor Beard, approved by the Comptroller, I recommend that an appropriation of \$800 be made from the Reserve and Contingent Fund to the Health Service to supplement its expense and equipment budget.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

PUBLICATION OF FEDERAL AND STATE LAWS CONCERNING THE UNIVERSITY

(34) The Director of the University Press reports that the supply of booklets containing the laws of the United States and the State of Illinois concerning the University is practically exhausted and raises the question whether a new set should not be published.

He estimates that it will cost not over \$750 for a booklet of from 120 to 160 pages.

I recommend that an appropriation of \$750, or so much thereof as may be necessary, be appropriated for the reprint of this booklet, and that there be included all of the opinions of the Attorney General and the Legal Counsel affecting the University.

On motion of Mrs. Grigsby, this recommendation was adopted. The appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

APPROPRIATION FOR "PUBLISHERS' TRADE LIST ANNUAL"

(35) On recommendation of the Director of the University Press, seconded by Librarian Windsor and approved by the Comptroller, I recommend that an appropriation of \$500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to the University Press, for the publication in the "Publishers' Trade List Annual" of a catalog of the publications of the University, and for extra copies of this catalog.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

APPROPRIATION FOR MEETING OF FEDERATION OF ILLINOIS COLLEGES

(36) I request authority to invite the Federation of Illinois Colleges to hold their annual convention at the University in February, 1930, and recommend that an appropriation of \$500, or so much thereof as may be necessary, be made for the expenses of this convention.

On motion of Dr. Noble, this authority was granted. The appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Grigsby, Mr. Simpson.

APPROPRIATION FOR BENEFICIARY OF W. F. KAISER

(37) The Comptroller reports that in computing the death benefit in the case of Mr. W. F. Kaiser an error was made in his office as to the amount which was payable under

the rules. The correct amount is \$960 instead of \$864, which he recommended, and which was appropriated at the meeting on April 10.

Therefore I recommend that an additional appropriation of \$96 be made from the Reserve and Contingent Fund to make the full payment.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Grigsby, Mr. Simpson.

APPROPRIATION FOR DEPARTMENT OF ANIMAL HUSBANDRY

(38) Dean Mumford approves and recommends for your approval a request from Professor Rusk that \$6,300 of anticipated excess receipts of the Department of Animal Husbandry be appropriated to the Department, distributed as follows:

General and Farming (College)	\$1 250
Meats (Station)	600
Sheep (Station)	200
Animal Pathology (Station)	4 250

I concur.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Grigsby, Mr. Simpson.

APPROPRIATION OF PURNELL FUNDS

(39) Dean Mumford requests that the balance of \$3,144.45 in the Purnell Expense and Equipment Budget, which is subject to appropriation, and the sum of \$2,500, which was provided in the Purnell Administration Salaries Budget for a "Rural Sociologist," but which was not used because no suitable person could be secured for the position, be released and assigned for the following purposes:

For the publication of sundry agricultural bulletins	\$2 300 00
For the use of various departments on assignment by the Dean ..	3 344 45

I recommend approval.

On motion of Mr. Trees, this recommendation was adopted, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

CONTRACTS FOR REMODELING OF THE ELECTRICAL ENGINEERING LABORATORY

(40) The Supervising Architect submits the following schedule of bids received for the general work, heating, plumbing, ventilating, and wiring, for the remodeling of the Electrical Engineering Laboratory, for which an appropriation of \$50,000 was made at the Board Meeting on December 11, 1928:

May 14, 1929

President David Kinley, 355 Administration West

DEAR PRESIDENT KINLEY:

Bids were opened at 11:00 o'clock this morning in my office, as advertised, for the Remodeling of the Electrical Engineering Laboratory, with Mr. Cunningham present for the Board of Trustees.

The following bids were received:

General Work

A. W. Stoolman, Champaign	\$28 987 00

He recommends that the contract for these thirty-one tables be awarded to the lowest bidder, the Walrus Manufacturing Company of Decatur, at their bid of \$2,279.32, payable from the State appropriation for the building.

I concur in this recommendation.

On motion of Mr. Barr, this contract was awarded to the lowest bidder as recommended.

CONTRACT WITH WESTERN FUEL COMPANY FOR COAL FOR THE CHICAGO DEPARTMENTS

(46) The Comptroller submits the following bids secured by the Purchasing Agent on coal, approximately 1,500 tons (Pocahontas Mine Run), for the Chicago Departments for the year beginning May 1, 1929:

Western Fuel Company (to Aug. 1, 1929).....	\$6.00 Net ton

Consumers Company.....	6.50
Crerar Clinch Coal Company.....	6.65
Eastman Coal Company.....	6.70
Bunge Bros. Coal Company.....	6.75

They recommend, and the Supervising Architect concurs, that the contract be awarded to the Western Fuel Company of Chicago, the lowest bidder.

I concur in this recommendation.

On motion of Mrs. Evans, this contract was awarded to the lowest bidder as recommended.

OFFER OF FUNDS FROM THE TRUSTEE OF THE MUTUAL BENEFIT HOSPITAL FUND FOR THE MCKINLEY HOSPITAL OPERATING FUND

(47) At the suggestion of the Comptroller, the Trustee of the Mutual Benefit Hospital Fund, Dean Thomas Arkle Clark, offers \$1,500 from that fund for the expenses of the McKinley Hospital. This procedure is in accordance with the regulations of the Mutual Benefit Hospital Fund and I recommend that the offer be accepted.

On motion of Mrs. Grigsby, this gift was accepted.

COOPERATIVE INVESTIGATION OF CONCRETE

(48) The Dean of the College of Engineering requests approval of an agreement with the Western Brick Company of Danville for a cooperative investigation of concrete made with light aggregate, by the Engineering Experiment Station. The agreement has been drawn for a period of one year from June 1, 1929, and the Western Brick Company agrees to pay the University \$5,000 to cover the expenses of the investigation.

The agreement is of the form and character hitherto authorized by the Board for cooperative investigation. The Legal Counsel approves.

I concur.

On motion of Mrs. Evans, this agreement was approved.

**COOPERATIVE INVESTIGATION OF THE USE OF POTASH
SALTS AS FERTILIZERS**

(49) The Director of the Agricultural Experiment Station requests approval of an agreement with the Agricultural and Scientific Bureau N. V. Potash Export My. of Amsterdam, Holland, for a cooperative investigation by the Agricultural Experiment Station, of the factors which determine the extent to which the presence of nitrate nitrogen may affect the response of crops to fertilization with potash salts. This agreement has been drawn for a period of one year beginning April 1, 1929, with the understanding that it may be extended for additional periods, under the same terms or other terms as may be mutually agreed upon, and the contracting company agrees to pay the University \$1,500 to cover the expenses of the investigation.

The Legal Counsel approves and I concur.

On motion of Mr. Trees, this agreement was approved.

**DISPOSAL OF INCOME FROM BOOTH-ST. LOUIS COLD STORAGE
BONDS, A PART OF THE ORIGINAL GIFT OF THE
MCKINLEY HOSPITAL**

(50) The following letter from the Comptroller requesting instructions on the disposal of the income from the Booth-St. Louis Cold Storage Bonds:

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

On October 23, 1925, the Board of Trustees appropriated the sum of \$15,000 toward the completion of McKinley Hospital with the understanding that the income on the \$25,000 of Booth-St. Louis Cold Storage Bonds, which were part of the original gift of the Hospital, be used to liquidate this loan with interest at two per cent. This procedure was followed in 1925-26, reducing the indebtedness to \$14,450. In 1926-27 the income from the bonds was appropriated toward the deficit in operation of the Hospital for that year (June 10, 1927). On June 29, 1928, the Board voted that the income from these bonds should be added to the capital as long as funds of the Hospital Association are sufficient to meet the deficit of the Hospital.

The deficit of the Hospital for 1927-28 was met by a gift from the Trustee of the Mutual Benefit Hospital Fund (page 760, Minutes of June 29, 1928). This gift also provided a sufficient amount to take care of the expenses of the current year to date.

The sum of \$3,000 is now accumulated in the income account of the Booth bonds representing the income for 1927-28 and 1928-29. I am uncertain as to whether the action of June 29, 1928, above referred to is intended to indicate that the original plan to liquidate the loan to the Hospital, by applying this income, should be carried out and would appreciate an interpretation of this point before proceeding further.

Cordially yours,

LLOYD MOREY

On motion of Mr. Barr, the action of June 29, 1928, was reaffirmed, the earnings of these bonds to be applied to the reduction of the indebtedness to the University.

THE PURCHASE OF DENTAL BUILDING BONDS

(51) The Comptroller reports that, in accordance with the action of the Board on April 10, 1929 (page 163), he has purchased \$1,500 of bonds of the College of Physicians and Surgeons against the Dental Building, due 1932, at a price of 98, and recommends that these bonds be cancelled and retired as was done in the case of similar bonds formerly purchased in this manner (Minutes, November 16, 1928, p. 80).

I concur in this recommendation.

On motion of Mr. Trees, this recommendation was approved.

**RECOMMENDATION CONCERNING THE RESEARCH AND
EDUCATIONAL HOSPITAL**

(52) A recommendation that the University concur in the following suggested modifications to the existing agreement with the Department of Public Welfare:

*AMENDMENT TO THE PRESENT CONTRACT BETWEEN THE
DEPARTMENT OF PUBLIC WELFARE AND UNIVERSITY FOR THE
OPERATION OF THE RESEARCH AND EDUCATIONAL HOSPITAL*

It is agreed during the years of 1929 and 1930, the department and the University will continue to operate under the present contract with the following changes:

First. No recommendations will be made either by the University or the Department in the selection of the Managing Officer except by joint agreement, and the Governor will be requested to name someone mutually acceptable.

Second. The Director agrees that important questions of policy, allocations of space to departments, and divisions, and similar questions, will be submitted to a joint committee to the University and to the Department.

Third. During the years 1929 and 1930 a committee consisting of three (3) representatives of the University designated by the President and three (3) representatives of the Department designated by the Director shall work out for tender to the 56th General Assembly, a bill for the permanent operation and financing of the Research & Educational Hospitals, the Eye, Ear, and Nose Infirmary, Psychiatric Institute, the Institute for Juvenile Research, and the Surgical Institute for Crippled Children.

On motion of Mr. Barr, it was voted to concur in the modifications suggested, and the President of the University was authorized to appoint the necessary committees.

ROBERT LAUGHLIN REA SCHOLARSHIP FUND

(53) A recent inquiry into the matter shows that no formal procedure or regulations to govern appointments to the Rea Scholarships in the College of Medicine have ever been adopted. This Scholarship Fund was established by the Will of Dr. Robert Laughlin Rea, probated in Cook County, August 14, 1899, before the University took over the College of Physicians and Surgeons. The bequest reads as follows:

"I give and bequeath the sum of \$5,000 to the 'Chicago College of Physicians and Surgeons' (now located at the corner of West Harrison and Honore Street in said Chicago) to be invested by said College and the income thereof to be applied toward the payment of the tuition of worthy and indigent students in said College, such students to be selected by said College and not to be less than four students at a time. And I direct that all the above bequests be paid within three years after my decease."

When the property of the College of Physicians and Surgeons was turned over to the University in 1913, the sum of \$4,800 (the bequest having been reduced by inheritance tax and attorney's fees) of College of Physicians and Surgeons bonds, representing the investment of this fund, was included. Since then a portion of these Physicians and Surgeons bonds has matured and the matured portion included the Rea Scholarship investment. The proceeds were invested in other Physicians and Surgeons bonds of later maturity, and in \$50 of United States bonds, by the Board of Trustees. The present total principal of the fund amounts to \$4,800, the investments consisting of bonds having a par value of \$4,750, and costing \$4,706.80, the balance being in cash. The present income from the fund amounts to \$290 per year. If the principal had to be reinvested under present conditions, the income would probably not exceed \$230. Two ways are open to assign scholarships: (1) to place a permanent value on each scholarship and then award as many scholarships as the income will produce (not less than four); (2) award four scholarships each year, making the amount of each as much as the income makes possible.

The latter plan seems to carry out more closely the intention of the donor. I, therefore, recommend the adoption of the following regulations to govern this fund:

**REGULATIONS FOR THE ROBERT LAUGHLIN REA
SCHOLARSHIP FUND**

1. The scholarships are to be known as "The Robert Laughlin Rea Scholarships in the College of Medicine."
2. The purpose of the scholarships is "to help pay the tuition fees of needy students."
3. Four Scholarships are available each year, their value depending upon the income of the fund (for 1929 the value of each scholarship is \$75).
4. Applicants for the scholarships shall have completed one full year's work in the College of Medicine of the University of Illinois.
5. Applications in writing shall be made to the dean of the College of Medicine and the awards shall be made in September of each year by a committee of three appointed by the President of the University to be known as the "Committee on Robert Laughlin Rea Scholarships in Medicine."
6. Scholastic standing, character, and financial need, shall be considered in making the awards.

On motion of Mrs. Busey, these regulations were adopted.

**WINDSTORM AND LIGHTNING DAMAGE TO COOK COUNTY
EXPERIMENT STATION BUILDINGS**

(54) The Comptroller reports that on March 31, the buildings at the Cook County Experiment Station were damaged by windstorm and lightning. The buildings are fully covered by insurance and the estimate of the loss, which will be paid by the insurance company, has been made on such a basis that it will cover fully the costs of all necessary repairs. The amounts are:

Chimney and Service Building.....	\$325.00
Greenhouse.....	132.25

\$457.25

On request of the Comptroller, I recommend that this amount be appropriated on receipt of payment from the insurance company to meet the expense of repairs on these buildings.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

THEFT OF PLATINUM WARE

(55) The Comptroller reports the theft of platinum ware valued at \$850 from Room 115 of the Chemistry Building sometime between April 11 and 12. The stolen ware consisted of fifteen crucibles, two dishes, and a platinum cone filter—a combined weight of 329.59 grams. The platinum was kept in a case having a glass door, which was locked, entrance to the case being made by smashing the door. The theft was reported to the sheriff, local police, and pawn shop dealers.

This report was received for record.

GIFTS

(56) I report the gift from Mr. Allan B. Brown of Kansas City, a member of the Class of '17, of a set of war maps, a number of war time newspapers, and letters collected by him during his service in the World War.

Dr. J. Sterling Kingsley, Professor of Zoology, *Emeritus*, offers us his library, consisting of books and pamphlets on zoology, which he will send to the University in the summer. Professor Kingsley will leave on a trip around the world in August, and has offered to collect rare zoological specimens for shipment to the University. The only expense involved will be bottles, preserving chemicals, and shipping charges from New York to Urbana. I ask authority to accept his kind offers, the University to pay the expenses mentioned.

On motion of Mrs. Evans, this authority was granted.

COMPTROLLER'S QUARTERLY REPORT

(58) The report of the Comptroller for the quarter ending March 31, 1929.

April 12, 1929

To the Members of the Board of Trustees of the University of Illinois

I transmit herewith the Quarterly Report required of me covering the financial transactions of the University for the quarter ending March 31, 1929. The Report includes the following statements:

Schedule A. Statement of the Reserve and Contingent Fund, or working balance of general income, for the quarter.

Schedule B. Realization of Income for Operation. This statement shows the estimated income for all purposes other than for new buildings provided for by Special State Appropriations, for the current fiscal year, and the amount realized from each source to March 31. The amount realized from State Appropriations is the amount of vouchers certified to the State Auditor for payment from these appropriations. The amount realized from Student Fees is the net amount after allowing for all rebates. The amount realized from Sales is the total sales irrespective of whether collection has been made in cash.

Schedule C. Summary of Receipts and Disbursements. This statement shows the amount of cash receipts from all sources for the current fiscal year to March 31, deposited with the Treasurer of the University, also, the amount appropriated to the University by the State for the current fiscal year. It shows also the disbursements from funds in the hands of the University Treasurer and from State appropriations and the unexpended (not unencumbered) balance in each fund as at March 31.

Schedules D to M, inclusive, show the appropriations made by the Board of Trustees for the current fiscal year, the expenditures from these appropriations, the outstanding encumbrances in the form of orders and contracts, and the free balances on March 31. Included with appropriations under the heading "Total Credits" are reappropriations of balances from the previous year and sales credited to departments.

Schedule N shows operations of storerooms and service departments. Costs of materials and labor are first charged to these revolving accounts, and later are charged

to appropriation accounts when the service has been completed, the revolving accounts being credited.

Schedule O covers only the cash transactions of the residence halls, hospital, and tenant houses. The latter are houses which have not yet been removed from land purchased for future use. A complete statement, showing net income and surplus, is given in Appendix I.

Schedule P shows all trust endowments held by the University, and Schedule Q gives the operations of all expendable trust funds.

Schedule R is a balance sheet showing all assets for which the Board of Trustees is responsible and all commitments and obligations of those assets.

The figures contained in this Report are cumulative for the fiscal year to date and, therefore, represent the financial operation of the University for the nine months ending March 31, 1929, and the financial condition of the University at that date.

This report is subject to audit by the accounting firm employed by the Board for that purpose. The certificate of audit will be furnished as soon as the audit is complete.

Respectfully submitted,

LLOYD MOREY
Comptroller

SUMMARY

Reserve and Contingent Fund

The unappropriated balance of the Reserve and Contingent Fund (estimated excess of income of the year over appropriations) at the beginning of the quarter was \$128,541. Net deductions during the quarter totalled \$15,373, as per Schedule A, leaving a balance of \$113,168 in the Reserve and Contingent Fund at the close of the quarter. The balance at the corresponding date a year ago was \$164,736.

Budget Income

Realization of the budget income for nine months ending with the present quarter as per Schedule B, was as follows:

	<i>Estimate For Year</i>	<i>Per Cent of Year's Estimate Realized</i>	
		<i>This Year</i>	<i>Same Date Last Year</i>
State Appropriations for Operation (Per Cent realized represents portion expended to March 31, 1929).....	\$4 500 000	79.8	79.1

Treasurer's Balance

The cash balance in all funds in the hands of the University Treasurer at the close of the quarter, allowing for outstanding warrants, was \$1,386,300, Schedule C. On the corresponding date a year ago, the balance was \$1,294,820.

Budget Expenditures

Board appropriations to departments for the current fiscal year total \$6,003,102, including salaries \$3,931,008, expense and equipment \$2,072,094. These were 69.8 per cent expended at the end of the quarter, and 2.1 per cent encumbered. (Included in Schedule D). On the corresponding date a year ago these appropriations were 69.8 per cent expended and 2.3 per cent encumbered.

Building and Improvement Funds

Building and Improvement funds for the biennium were 49.6 per cent expended at the end of the quarter, and 30.8 per cent encumbered, as per Schedule D. On the corresponding date last biennium, they were 57.9 per cent expended and 32.3 per cent encumbered.

Trust Funds

Endowment funds from private gifts for special purposes (see Schedule P) are distributed as follows:

Professional and Lectureship Endowments.....	\$119 686
Student Loan Endowments.....	177 040
(Of which \$164,959 was outstanding in student notes at the end of the quarter.)	
Scholarship and Prize Endowments.....	84 556
Other Endowments.....	80 031
<i>Total</i>	<u>\$461 313</u>

Indebtedness on Property

Outstanding indebtedness on University property at the end of the quarter consisted solely of 6% bonds totalling \$52,400 on the Dental Building in Chicago, due in 1932 (Schedule R).

Residence Halls

A summary of the operations of the residence halls for the year to March 15, 1929, is shown as Appendix I. The balance in the Residence Halls fund at the end of the quarter was \$133,454, and in the Davenport House fund \$9,827.

Stadium Fund

An Appendix is included giving the report of the Memorial Stadium Fund, of which the Board of Trustees is custodian. (See Appendix II.)

SCHOLASTIC REQUIREMENTS IN COLLEGE OF MEDICINE

(59) The faculty of the College of Medicine recommends, and the Council of Administration, acting for the University Senate concurs, that the following scholastic requirements be adopted:

1. Grades of at least "C," or 75 per cent, or an equivalent grade from institutions using a different system of marking as determined by the University, in at least three-fourths of the work of the two years of pre-medical courses shall be required for admission to the freshman class of the College of Medicine (effective for students entering October 1, 1930).

2. Grades of at least "C," or 75 per cent, in at least three-fourths of the work of the first two years in the College of Medicine shall be required for the degree of Bachelor of Science in Medicine (effective for candidates for B.S. in June, 1931).

3. Grades of at least "C," or 75 per cent, in at least three-fourths of the work of the four years made up of the two pre-medical years and the first two years in the College of Medicine, shall be required of students before they may continue in the clinical, or third and fourth years of the College of Medicine (effective for students beginning third year in College of Medicine, October 1, 1931).

On motion of Mr. Trees, these requirements were adopted.

REPORT OF SPECIAL COMMITTEE ON ILLINOIS POWER AND LIGHT CORPORATION CONTRACT

President Armstrong presented the following report:

The special committee to which was referred a proposed agreement with the Illinois Power and Light Corporation to furnish the University with electrical power reports as follows:

Your Committee had this matter considered by the Electrical Engineering Department of the University and by Professor White for study and, after giving the matter full consideration, the committee is impressed with the advantages of having an arrangement with the Power Company which will enable the University to obtain electrical power if necessity should require at any time, and especially to obtain power during the summer months when the heating plant is not in operation.

A written agreement has been prepared which seems to comply with the requirements of the University for the furnishing of this electrical power by the Power Company.

Your committee, therefore, recommends that the agreement presented be submitted to the Legal Counsel of the University as to its legal aspects and, if approved by him, that the same be entered into by the Board of Trustees.

J. W. ARMSTRONG
MERLE J. TREES
GEORGE A. BARR

On motion of Dr. Noble, this report was adopted.

OPERATION OF MCKINLEY HOSPITAL

Dr. Noble, for the special committee on the operation of the McKinley Hospital, made a report of progress.

CARTER-PENNELL REPORT

Mrs. Busey, for the Committee on Agriculture, reported that the committee had considered the report, and recommended that it be approved.

*The Sixth Annual Report of the Carter-Pennell Farms
March 1, 1928, to February 28, 1929*

The net income to the University from the Carter-Pennell farms was \$2,302.21 for the year ending February 28, 1929. This is the best income received from the farms in any year that they have been under the control of the University except in 1923. In that year a slightly larger income was realized, due to the inclusion of some of the preceding year's income in the 1923 report. The larger income for the past year reflects directly the soil improvement work which has been done and the change in the type of farming.

While the quality of crops harvested was good for the past year, the yields were reduced because of dry weather in that locality, especially at the time when the corn crop needed more water. The severe winter of 1927 killed much of the clover and all of the alfalfa seeding. This handicapped the North Farm because of its dependence on the alfalfa as a hay crop for cattle and made it necessary to purchase some hay to carry through this winter. It is the estimate of the men on the farms that the yield of corn was reduced from 15 to 20 bushels per acre below what it might have been if weather conditions had been more favorable during July. While the type of soil in that locality is not one which stands drouth, the growing of legumes on the farms and the addition of humus to the soil should gradually make the land more resistant to dry weather.

The North Farm showed a net profit of \$1,253.65 and the South Farm a net profit of \$1,048.56, after allowing all current expenses except taxes (which remain an undetermined item) and a pro-rated share of the cost of permanent improvements. The income on these farms compares favorably with the income on other farms in this part of the state. The Department of Farm Organization and Management receives through its office records from all over the state from men who are electing to keep farm records as a part of the extension and research work of the University. For the most part these men are superior farmers. From the showing made during the past year it would appear that conditions on the Carter-Pennell farms have now been brought to a point where the income compares favorably with this group of selected farmers.

Mr. Leslie Irvin, who had been operating the South Farm, moved to the North Farm a year ago, and changed to a livestock system of farming. At the beginning of the year a number of young cattle were on hand, and at the present time the dairy herd has been built up to 17 producing cows. The present income from dairying exceeds \$125 a month, which is divided between the University and Mr. Irvin. However, it is only in recent months that the full plan for the operation of the North Farm has been realized. It is believed that the income on this farm should increase considerably under Mr. Irvin's operation, as he is a man who is willing to accept the best practices and to make the farm a better demonstration of good practice.

A new cow stable was built on the North Farm at a cost of \$1,250. This has made it possible to handle the cattle as they should be. It is apparent that an increased production per cow was realized and the improvement makes it possible to increase the size of the dairy enterprise. This increase should not only add to the income, but should also make possible the more rapid building up of the farm, since practically all crops produced will be fed on the farm.

Mr. Harry Irvin, a brother of the man on the North Farm, is operating the South Farm, and the returns from the farm indicate that he is doing a good grade of work. It is believed that the farm in years of favorable weather conditions will show a greater productivity.

No major improvements are contemplated on the farms for the coming year. Because of the necessity, however, of repairing the fence along the hard road on both farms, it will be necessary to expend some money for labor. On the North Farm a considerable retail trade in dairy and poultry products is developing with residents of Rankin. This trade adds both to the expense on the farm and to the income to the University and to Mr. Irvin. Considering this tendency it seems that the University will be justified in making some adjustment on labor so that all of the increased burden will not fall on Mr. Irvin. It is proposed to encourage this trade during the current year to determine whether or not it is desirable.

The schedules supplied by the Comptroller of the University show in detail the accounts of both the Carter-Pennell farms for the year 1928-29 and include the more significant items for the total of the preceding five-year period and the full six-year period. Schedule A indicates that in cash and accounts receivable there is \$2,020.04 on hand. However, \$1,271.80 of this amount must be held in reserve until it is determined in court whether or not the University will have to pay taxes for the years 1926 and 1927. If it is decided that these taxes do not have to be paid, the reserve for the purpose might be transferred to the Carter-Pennell Student Loan fund. With the current income from the farms, it is recommended that \$500 be transferred to the Carter-Pennell Student Loan fund.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 11, 1929

The June quarterly meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a.m. on Tuesday, June 11, 1929.

The following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson.

President Kinley was present.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DEGREES TO BE CONFERRED IN JUNE

(1) The Secretary has the recommendations of the University Senate for degrees which were conferred at the Commencement exercises of the Chicago Departments on June 8; degrees to be conferred at the exercises in Urbana-Champaign on June 12; and degrees to be conferred at the end of the Summer Session, the latter subject to the completion of certain requirements.

I request approval of the conferring of degrees at the exercises in Chicago on June 8; and authority to confer degrees in accordance with the recommendations of the University Senate on June 12; and the same authority to confer degrees on recommendation of the University Senate at the end of the Summer Session when the requirements of the candidates concerned have been met.

On motion of Mrs. Evans, approval of the conferring of degrees in Chicago was given, and authority to confer degrees as recommended was granted.

HONORARY DEGREES

(2) The University Senate has approved a recommendation from the Council of Administration that the honorary degree of Doctor of Laws (LL.D.) be conferred on the following persons at the Commencement exercises on June 12:

LORADO TAFT—Class of 1879
 WILLIAM LAMONT ABBOTT—Class of 1884
 ROBERT FRANKLIN CARR—Class of 1893

The services which each of these men has rendered to the University, to the State, and to the nation are so outstanding and so generally known that it seems unnecessary to go into detail regarding the matter.

After consideration, and on motion of Mrs. Grigsby, these degrees were awarded as recommended.

APPOINTMENTS TO THE STAFF FOR 1929-30

(3) I request confirmation of my action in approving in advance of the budget the following appointments for 1929-30 in positions already existing and at salaries already established, or less:

In Civil Engineering

Kenneth C. Tippy, Research Graduate Assistant, \$600

In the Engineering Experiment Station

Joseph LeConte Boon, Research Graduate Assistant, \$600
 Richard Marston Lawrence, Research Graduate Assistant, \$600

In Physical Education (for Women)

Laura Jewel Huelster, Assistant, \$1,700

Office of the Dean of Women

Irene Dorothy Pierson, Assistant to the Dean of Women, \$1,950

On motion of Mr. Barr, these appointments were confirmed.

APPOINTMENT OF DR. ROSSLEENE ARNOLD HETLER

(4) Dean Mumford and Professor Wardall recommend that Dr. Rossleene Arnold Hetler, Assistant Professor of Nutrition in the Department of Home Economics, be appointed Acting Head of the Department for the academic year 1929-30, at a salary of \$4,000, during the absence of Miss Wardall, who is to be on sabbatical leave during that time.

I concur.

On motion of Mrs. Busey, this appointment was made.

LEAVE OF ABSENCE FOR DR. OLIVE C. HAZLETT

(5) Dean Babcock and Professor Townsend recommend that Dr. Olive C. Hazlett, Assistant Professor of Mathematics, who has been on leave of absence without pay during the present academic year, be appointed Associate Professor of Mathematics at \$4,000 a year and that her leave of absence without pay be extended until September 1, 1930, she to return then on the terms of this appointment.

I concur.

On motion of Mrs. Busey, this appointment was made.

RESIGNATION OF PROFESSOR ALBERT TEN EYCK OLMSTEAD

(6) I report with regret the resignation of Professor Albert Ten Eyck Olmstead as Professor of History to take effect September 1, 1929. Professor Olmstead has accepted a position with the new Oriental Institute established recently at the University of Chicago.

This report was received for record.

APPOINTMENTS TO ALLERTON AMERICAN TRAVELING SCHOLARSHIPS

(7) The Dean of the College of Engineering and the Head of the Department of Architecture recommend that Mr. Buford L. Pickens, of the junior class, and Mr. William V. Reed, of the senior class, be appointed to the two Allerton American Traveling Scholarships for the summer of 1929.

I have approved these recommendations, and ask confirmation.

On motion of Mrs. Grigsby, this action was confirmed.

CHANGE IN REQUIREMENTS FOR GRADUATION IN THE SCHOOL OF MUSIC

(8) The University Senate recommends the following changes in the requirements for graduation in music effective September 1, 1929:

1. A minimum requirement of 20 hours in the minor of applied music, with 2 to 4 hours' credit for each course taken, depending upon the student's proficiency.
2. A minimum requirement of 2 hours of credit in a new course, "Accompanying and Ensemble," of all students in music except those majoring in theory.

On motion of Mrs. Busey, these requirements were adopted.

CHANGE IN REQUIREMENTS FOR THE DEGREE OF DOCTOR OF LAW (J.D.)

(9) The University Senate recommends that candidates for the degree of Doctor of Law (J.D.) be required to register in a thesis course for credit, this requirement to be effective September 1, 1929.

On motion of Mr. Barr, this requirement was adopted.

**REAPPROPRIATION OF FUNDS FOR THE DEPARTMENT
OF HORTICULTURE**

(10) In May, 1928, the Board appropriated \$1,238.15, this being unappropriated balances from receipts in the Department of Horticulture, for the publication of four manuscripts prepared by the Department. There remains a balance of \$1,120.41 in this fund, due to the fact that three of the four manuscripts were withdrawn from publication after further consideration. Dean Mumford recommends that the balance be reappropriated for the publication of two manuscripts, viz.,

1. A Comparison of the Transpiration Rates of Twenty-One Deciduous Fruit Species, by V. W. Kelley, estimated at \$300.

2. Inheritance in Lettuce, by C. E. Durst, estimated at \$725.

I concur in this recommendation.

On motion of Mr. Simpson, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Trees.

REAPPROPRIATION OF UNUSED BALANCES

(11) The Comptroller recommends that the following balances, which will remain in departmental appropriations at the close of the fiscal year ending June 30, 1929, be reappropriated for the purposes indicated in each case:

Department of Botany	\$ 350
(For research assistance for Professor F. L. Stevens)	
Bureau of Business Research	\$1 600
(For employment of extra assistance during the summer)	
Department of Physiology (College of Medicine)	\$ 150
(For employment of student assistants during the summer)	

On motion of Mrs. Evans, these balances were reappropriated, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Trees.

APPROPRIATION FOR ANIMAL HOUSES

(12) I request an appropriation of \$1,000 from the Reserve and Contingent Fund for the building of small animal houses in connection with the work of our Laboratory of Animal Pathology, the expenditure to be made after further conferences and satisfactory conclusion of the discussion.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Trees.

THE ALUMNI DIRECTORY

(13) The Comptroller estimates that the cost of the Alumni Directory from now on will aggregate something over \$14,000. To meet it there is at present a balance of \$11,880, so that an appropriation of approximately \$2,400 will be necessary. There will be receipts from sales probably running up to \$10,000 if not more.

In view of the above facts I recommend that an appropriation of \$2,400, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to be added to the present balance for the expense of publishing the Alumni Directory.

On motion of Mr. Barr, this appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Trees.

PATENT ON PLATING PROCESS

(14) On recommendation of Professor Roger Adams, concurred in by a Committee of the Faculty which advises me on such matters, I recommend that Dr. L. F. Yntema

of the Chemistry Department, who has developed a process for the plating of metallic surfaces with molybdenum, be permitted to take out a patent on his own account if he wishes, since the process does not appear to be of sufficient public interest to warrant the University in acquiring a patent right.

On motion of Mr. Fisher, this release was approved.

PATENT ON BABBITT PROCESS

(15) On recommendation of Professor W. C. Huntington, Head of the Department of Civil Engineering, concurred in by the same committee, I recommend that Professor H. E. Babbitt, Professor of Sanitary Engineering, who has developed a process for the treatment of sewage which he feels should be made available to the municipalities of the state without restriction, be authorized to apply for a patent to be transferred to the University, under our regulations.

This process is a two-stage method whereby the sewage sludge and the liquid are treated separately. This method makes it possible to use smaller tanks and reduces certain troubles caused by foaming and grease accumulations. This process in no way conflicts with the recent patent secured by Dr. A. M. Buswell of the Chemistry Department as his process requires construction of two sludge digestion tanks, whereas this requires only one sludge digestion tank; nor does it infringe on the Imhoff patent because there is no continuous flow of sewage in the Babbitt process which treats sludge and not the sewage.

On motion of Mr. Barr, Professor Babbitt was authorized to make application for a patent, as recommended.

FOREIGN PATENT ON SEWAGE TREATMENT

(16) The following communication from Messrs. Brown, Jackson, Boettcher, & Diener, patent attorneys, concerning the application of Professor A. M. Buswell and Mr. Sidney L. Neave for a patent on sewage treatment which they have filed in accordance with the action of the Board of Trustees on February 13 (Minutes, pages 135-6):

CHICAGO, Illinois, May 31, 1929

Board of Trustees, University of Illinois

GENTLEMEN:

We are in receipt of notice from the Patent Office that the application of Arthur M. Buswell and Sidney L. Neave, Case 1, for patent on Sewage Treatment, was filed on May 9, 1929, and received Serial No. 361,570.

According to the latest published report, the division in charge of this application may not reach it for about eight (8) months, although it often happens that the Examiner acts at an earlier date.

In the most important foreign countries, publication or use of the invention will deprive you of the right to protection, except that within a year after filing the above mentioned U. S. Application, an application on the same invention can be filed in such foreign countries with the same effect as if filed at the same time as the U. S. Application.

We are advising you of this at present so that you may not unintentionally lose any of your rights, and so that you may consider carefully whether protection in foreign countries on this invention is likely to be worth while. If you are interested, let us know, and we will send you a reminder before the time limit expires for obtaining protection abroad. Otherwise we shall assume you do not care to protect this invention outside the United States.

Yours very truly,

BROWN, JACKSON, BOETTCHER, & DIENER

Professor White, Chairman of the Committee on Patents, reports that it was impossible to have a meeting of the Committee in time to make a recommendation on the matter because Professor Parr, of the Committee, and Professor Buswell were out of town. However, Dean Ketchum, another member of the Committee, expresses the following opinion, in which Professor White concurs:

"The University is interested principally in protecting the public in the United States and this will be accomplished by a United States patent. The only exception to the above might be that it would be wise to obtain a Canadian patent. The Uni-

versity would not be in a position to enforce foreign patents and I do not believe that we would be justified in going to the expense and trouble of obtaining foreign patents."

On motion of Mr. Barr, it was voted to release to the inventors any rights to foreign patents (except Canadian) on this process.

**FOREIGN PATENT ON PREVENTION OF EMBRITTEMENT
OF STEEL IN BOILERS**

(17) The following communication from Messrs. Brown, Jackson, Boettcher, & Dienner, patent attorneys, concerning the application of Professor S. W. Parr and Mr. F. G. Straub for a patent on prevention of embrittlement of steel in boilers which they have filed in accordance with the action of the Board of Trustees on April 10 (Minutes, page 163).

CHICAGO, Illinois, June 5, 1929

Board of Trustees, University of Illinois

GENTLEMEN:

We are in receipt of notice from the Patent Office that the application of Samuel W. Parr and Frederick G. Straub, Case 1, for patent on PREVENTION OF EMBRITTEMENT, was filed on May 25, 1929, and received Serial No. 366,085.

According to the latest published report, the division in charge of this application may not reach it for about nine months, although it often happens that the Examiner acts at an earlier date.

In the most important foreign countries, publication or use of the invention will deprive you of the right to protection, except that within a year after filing the above mentioned U. S. application, an application on the same invention can be filed in such foreign countries with the same effect as if filed at the same time as the U. S. application.

We are advising you of this at present so that you may not unintentionally lose any of your rights, and so that you may consider carefully whether protection in foreign countries on this invention is likely to be worth while. If you are interested let us know, and we will send you a reminder before the time limit expires for obtaining protection abroad. Otherwise we shall assume you do not care to protect this invention outside the United States.

Yours very truly,

BROWN, JACKSON, BOETTCHER, & DIENNER

On motion of Dr. Noble, it was voted to release to the inventors any rights to foreign patents (except Canadian) on this process.

On motion of Dr. Noble, the President of the Board was authorized to appoint a committee of five members (the President to be chairman) on matters pertaining to patents. President Armstrong later appointed the following members to serve with him on this committee: Mr. Fisher, Dr. Noble, Mr. Simpson, Mr. Trees.

**COOPERATIVE AGREEMENT FOR INVESTIGATION OF EFFECT OF
NITRATE OF SODA ON SOIL AND CROPS**

(18) The Director of the Agricultural Experiment Station recommends approval of an agreement with the Chilean Nitrate of Soda Educational Bureau of New York City for a cooperative investigation of the effects of applications of nitrate of soda on the soil and on crop growth in various cooperating systems, and also to determine the best methods of utilization of this material as a fertilizer, to be carried out by the Agricultural Experiment Station. The agreement has been drawn for a period of one year from September 1, 1929, and the cooperating company agrees to pay the sum of \$1,500, in quarterly installments, to cover the expenses of the investigations.

The agreement is of the form and character hitherto authorized by the Board for cooperative investigations. I recommend that it be approved.

On motion of Dr. Noble, this agreement was approved.

**AGREEMENTS WITH MESSRS. C. J. THOMAS OF CARBONDALE AND
F. L. GRAVES OF VILLA RIDGE FOR USE OF
PEACH ORCHARDS**

(19) Pursuant to the authority given me by the Board on May 17 and on further investigation of the proposal, I authorized the Comptroller and Secretary of the Board to execute for the University contracts with Mr. C. J. Thomas of Carbondale and Mr. F. L. Graves of Villa Ridge for the use of their orchards for experimental spraying.

This report was received for record.

**DEDICATION OF RIGHT OF WAY ACROSS ALEDO
EXPERIMENT FIELD**

(20) The Board has authorized the dedication of a part of the Aledo Experiment Field, in Mercer County, to the State of Illinois, Department of Public Works and Buildings, Division of Highways, as part of Highway Route 83, Section 124-x. The original grantors of this field, Archie G. Bridgford and Mollie T. Bridgford, his wife, have joined in the dedication, which has been recorded in Volume 150 of Deeds, on page 135, in the Recorder's Office in Mercer County, and the dedication has been forwarded to the Department of Public Works and Buildings.

This report was received for record.

**LABORATORY FEES IN THE URBANA DEPARTMENTS
FOR 1929-30**

(21) The Comptroller and the Provost submit the following schedule of laboratory and other special fees in the Urbana Departments for 1929-30, which I recommend be adopted.

SPECIAL FEE FOR COURSE IN ANATOMY

(22) On recommendation of the Head of the Department of Anatomy and the Dean of the College of Medicine, the Provost and the Comptroller recommend that a special fee of \$100 a semester be charged for the material of the course "Anatomy 62," a special course in dissection, which may be shared by not more than two students.

I concur in this recommendation.

On motion of Dr. Noble, this fee was authorized.

GIFTS TO THE UNIVERSITY

(23) I report the following gifts:

Eli Lilly and Company of Indianapolis, manufacturers of pharmaceutical and biological products, have offered to renew the Lilly Research Fellowship in the College of Medicine for the academic year 1929-30. This fellowship amounts to \$1,800 a year and is for a study of allergy to secure information about such diseases as hay fever and asthma.

The General Electric Company has offered to donate to the Department of Electrical Engineering two 110-15,000 volt, single-phase transformers of low current capacity, valued at approximately \$40.

The American Society of Civil Engineers, which has contributed \$1,200 a year for the past three years for the employment of two Research Graduate Assistants on the Reinforced Concrete Arch Investigation, has offered to continue these assistantships for the year 1929-30, and has sent the University \$1,200 to cover the stipend.

Mr. A. B. Seymour of the Farlow Cryptogamic Herbarium, Harvard University, Cambridge, Massachusetts, has donated a number of centuries of Illinois plants, and more are to follow. Mr. E. R. Bogusch, formerly of the Witte Museum, San Antonio, Texas, and now Assistant in Taxonomy here, has presented to the Herbarium 1,500 specimens of Texas plants having a market value of approximately \$150.

Since all these gifts comply with the conditions of acceptance of gifts laid down by your authority I have authorized their acceptance.

This report was received for record.

WILLIS PRENTICE KIMBLE LOAN FUND

(24) Mrs. Willis Prentice Kimble, whose late husband was a member of the Class of 1879, has offered the President of the Board the sum of \$1,000 to be "Added to funds which are used in providing sums to be loaned to students who have need of money to help them in completing their University course."

Mrs. Kimble wishes loans to be made from this fund to members of the sophomore, junior, and senior classes, and not in excess of \$100 to any one individual.

I recommend that this offer be accepted and the thanks of the Board extended to Mrs. Kimble.

On motion of Mr. Simpson, these recommendations were adopted.

PORTRAIT OF PROFESSOR FREDERICK GREEN

(25) The faculty, alumni, and students of the College of Law offer the University a portrait of Professor Frederick Green, painted by Professor Charles E. Bradbury. A committee appointed by me to pass on the artistic quality of this portrait, as required by the rules of the Board, commends the portrait and recommends its acceptance.

I recommend that the portrait be accepted.

On motion of Mrs. Busey, this portrait was accepted.

On motion of Dr. Noble, this report was received for record.

OFFER OF FUNDS FROM TRUSTEE OF MUTUAL BENEFIT HOSPITAL FUND

(27) The Trustee of the Mutual Benefit Hospital Fund, Dean Thomas Arkle Clark, offers \$4,500 from that fund for the purchase of equipment and supplies for the McKinley Hospital for the year 1929-30. This procedure is in accordance with the regulations of the Fund and I recommend that the offer be accepted.

On motion of Dr. Noble, this assignment of money was accepted.

LEAVE OF ABSENCE FOR MISS FLORENCE HARDING

(28) Director Windsor recommends that Miss Florence Harding, Librarian in charge of the Modern Language Seminar, be given leave of absence without pay for six weeks during the summer in order that she may go abroad.

I concur in this recommendation.

On motion of Mr. Barr, this leave was granted.

WORK ON ELECTRICAL LABORATORY

(29) A statement from the Supervising Architect that the contractor, A. W. Stoolman, on the Electrical Engineering Laboratory had not yet begun the work.

On motion of Dr. Noble, the President of the Board was directed to notify Mr. Stoolman that his bondsmen will be held responsible if this building is not ready for occupancy in September by reason of his delay in commencing the work.

LIGHTING FIXTURES FOR LIBRARY, LINCOLN HALL, AND MATERIALS TESTING LABORATORY

(30) At the May meeting, the Supervising Architect submitted bids received for lighting fixtures for the third unit of the Library, the Lincoln Hall addition, and the Materials Testing Laboratory (Minutes, page 192), but made no recommendation for the award of contracts except for the Library Addition, which contract was awarded to the Hughes-Krabbe Company of Champaign on the basis of their low bid of \$886.

He now recommends that the contract for lighting fixtures for the other two buildings be awarded to the General Electric Supply Corporation of Chicago on the basis of their low bid in each case, viz.,

For the Addition to Lincoln Hall.....\$1 195 89
 For the Materials Testing Laboratory..... 1 953 80

I concur in this recommendation.

On motion of Mr. Barr, these contracts were awarded to the lowest bidders, as recommended.

CONTRACT FOR CLASSROOM CHAIRS FOR LINCOLN HALL ADDITION

(31) The Supervising Architect submits the following bids received for 840 classroom chairs for the Lincoln Hall Addition:

American Seating Co.....\$4 620 00
 Baird-Swannell, Inc..... 4 788 00

and recommends that the order be placed with the American Seating Company, the lower bidder.

I concur.

On motion of Mrs. Grigsby, this contract was awarded to the lower bidder as recommended.

RENTAL OF LINCOLN AVENUE HOUSE AND SALE OF FURNITURE TO THE WOMAN'S LEAGUE

(32) The Supervising Architect submits a recommendation, in which the Dean of Women and the Comptroller concur, that the monthly rental charge to the Woman's League for the so-called Beta House, the cooperative house at 901 South Lincoln Avenue, be increased from \$80 to \$125, or \$1,500 for the year, beginning September 1, 1929; and that the furniture in the house be sold to the Woman's League for \$2,000. I recommend approval.

On motion of Mrs. Busey, these recommendations were concurred in.

BUILDING CONTRACTS WITHOUT BONDS

(33) In accordance with the instructions of the Board at its last meeting, I requested the opinion of our Legal Counsel as to the power of the Board to let building contracts without bonds. Following is his reply:

May 29, 1929

President David Kinley, 355 Administration (West)

MY DEAR PRESIDENT KINLEY:

Answering your letter of May 23, in which you inquire concerning the power of the Board of Trustees to let building contracts without bonds, I have to advise that I have carefully examined the statutes of Illinois without finding any provision anywhere requiring the Board to take bond from persons contracting to erect public buildings. I take it that the policy of taking bonds in such cases, in the case of municipalities and of certain types of state contracts, is fairly established by law as well as by custom and practice. Whether to require bond when University buildings are constructed or repaired seems to be left to the sound discretion of the Board of Trustees. I believe this answers the question.

Yours very truly,

SVEINBJORN JOHNSON
Legal Counsel

PROPOSED RENEWAL OF INVESTMENT

(34) The following letter from the Comptroller explains itself:

June 10, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

Among our trust fund investments is included a first mortgage on real estate in Franklin County to M. M. Hart, as per Minutes of the Board of Trustees, September 20, 1928. This loan matures June 16, 1929. Mr. Hart has requested that it be renewed for five years on the same terms as at present, as per the enclosed letter. Mr. A. M. Burke recommends that this extension be made. I also recommend accordingly and request that I be authorized to make the necessary arrangements for the extension of this loan.

This loan is a first mortgage on 339 acres of land adjoining the corporate limits of the city of Benton and pays interest at the rate of 7 per cent per annum.

Cordially yours,

LLOYD MOREY
Comptroller

On motion of Mr. Barr, this matter was referred to the Finance Committee, with power to act.

On motion of Mrs. Busey, the President of the Board was designated to act as chairman of the Finance Committee during the absence of Mr. Trees.

FEES PAID BY MR. V. E. LANDWEHR

(35) A letter from Mr. E. D. Landwehr concerning a possible refund of fees paid by his son, who failed in his studies after a full year's attendance in the School of Pharmacy.

The President read a letter which he had written Mr. Landwehr explaining that no refund could be made under the University rules and explaining why.

On motion of Mr. Barr, the President of the University was instructed to inform Mr. Landwehr that the statement made to him by the President was in accordance with the rules and that no refund of fees could be made in this case.

ARCHITECTS FOR CHICAGO BUILDINGS

(36) A statement concerning the employment of architects for the new buildings in Chicago.

Mrs. Evans offered a motion that Schmidt, Garden, & Erikson be employed as architects for these buildings.

Mrs. Busey offered a substitute motion that the matter be referred to the Committee on Buildings and Grounds, for consideration and report at the next meeting. The substitute motion was adopted.

LICENSE FOR KUNZ PHOTO-ELECTRIC CELL

Mr. Fisher presented the following report:

The committee appointed May 17, 1929, on the license of the Kunz photo-electric cell patent to DeForest Phonofilms, Inc., recommends that steps be taken to develop by correspondence the matter of a possible license to the clients of Knight Bros. subject to the license to DeForest Phonofilms, Inc.

WALTER T. FISHER
GEORGE A. BARR

On motion of Mr. Fisher, this report was adopted.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 17, 1929

The July meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a.m. on Wednesday, July 17, 1929.

The following members were present: President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of May 17 and June 11, 1929.

On motion of Dr. Noble, the minutes were approved as printed on pages 169 to 257 above.

EXECUTIVE COMMITTEE MEETING, JUNE 28, 1929

The Secretary presented the minutes of a meeting of the Executive Committee.

On motion of Dr. Noble, these minutes were received for record.

A meeting of the Executive Committee of the Board of Trustees was held at the office of George A. Barr in Joliet, June 28, 1929, at 10:30 a.m.

Present: President Armstrong, Mr. Barr, and Professor James M. White, Supervising Architect, who presented the following matters on behalf of President Kinley.

EMPLOYMENT OF L. H. STRUBINGER

(1) In accordance with the policy adopted by the Board of Trustees on June 29, 1928 (page 751), extending compensation for accidents to certain members of the faculty provided that work which is considered extra-hazardous must be previously approved as necessary, Dean Mumford requests authority for Mr. L. H. Strubinger, Assistant in Olericulture and Assistant in the Department of Horticulture, to assist in the studies of fruit handling and shipping. It will require his riding on freight trains, being about railroad yards, and riding inside of refrigerator cars for short distances. He will assist Mr. H. M. Newell, who was authorized at the May meeting of the Board to work under these conditions.

President Kinley recommends that this work be recognized as being extra-hazardous but necessary to the studies which are being carried on and that Mr. Strubinger be authorized to engage in it under the conditions mentioned.

On motion of Mr. Barr, this recommendation was approved.

APPROPRIATION FOR BENEFICIARY OF W. A. CUMMINS

(2) Professor White reports that Mr. W. A. Cummins, painter foreman in the Physical Plant Division, died on June 11, 1929. He had been employed since November 1, 1916, and his salary during the past year was \$2,700 per year. Under the rules the amount of death benefit accrued in his case was 50 per cent or \$1,350.

The Comptroller recommends, and the President concurs, that an appropriation of \$1,350 be made from the Reserve and Contingent fund to pay this death benefit and that the Comptroller be authorized to make payment to Mr. Cummins's designated beneficiary, Mrs. Lucy Cummins.

Mr. Barr moved that the recommendation be concurred in and that an appropriation of \$1,350 be made for the purpose requested. Mr. Barr and Mr. Armstrong voted aye on this motion.

RENEWAL OF STADIUM INSURANCE

(3) The Comptroller requests authority to renew the insurance on the Stadium and an appropriation of \$1,440 for the purpose. The insurance will be renewed in the same companies and at the same rate as for the present policies.

Mr. Barr moved that the insurance be renewed and that an appropriation of \$1,440 be made for the payment of premiums. Mr. Armstrong and Mr. Barr both voted aye.

OPERA CHAIRS FOR LECTURE ROOM IN LINCOLN HALL ADDITION

(4) The Supervising Architect presented the following schedule of bids which had been obtained by the Purchasing Agent for 703 upholstered opera chairs in the lecture room in Lincoln Hall Addition:

Steel Furniture Co., Grand Rapids, Mich.....	\$5 501 70 installed
Heywood-Wakefield Co., Chicago, Ill.....	5 853 73 installed
American Seating Co., Chicago, Ill.	6 043 00 installed

On advice of the Purchasing Agent, the Comptroller and the Supervising Architect recommend that the contract for these chairs be awarded to the Steel Furniture Company of Grand Rapids, Michigan, who are the lowest bidders, at their bid of \$5,501.70, payable from the State appropriation. The President concurs.

On motion of Mr. Barr this contract was awarded to the lowest bidder as recommended.

PATENT OF TEST FOR MEASURING PHOSPHATE CONTENT OF SOILS

(5) The Department of Agronomy has developed a new test for measuring the phosphorus content of soils. Professor Burlison and Dean Mumford are of the opinion that the public should be protected by the patenting of this test.

The entering of the patent claims will establish the date of priority and will hold any patent features for two years in the Patent Office and they could then be allowed to lapse and be revived for one year, so that filing of such claims would provide for three years of protection, which would give sufficient time to determine the advisability of further procedure. The cost of filing claims plus attorney's fees for the preparation of the application would be about \$50.

President Kinley recommends that Professor Burlison be authorized to file application for patent, the same to be assigned to the University.

On motion of Mr. Barr, this motion was adopted.

CONTRACT FOR SIDEWALKS AND DRIVEWAY FOR LINCOLN HALL ADDITION

(6) The Supervising Architect presents the following schedule of bids for sidewalks and driveway for Lincoln Hall Addition:

<i>Bidders</i>	<i>Lincoln Hall Walks and Drive</i>
F. A. Somers	\$1 322 78
Kent and Company	1 350 00
Sowers and Corkery	1 400 00
King and Petry	1 600 00
J. H. Hunzinger and Company	1 675 00

The Supervising Architect recommends, with the President's concurrence, that the contract be awarded to F. A. Somers of Urbana, the lowest bidder, at his bid of \$1,322.78, payable from the State appropriation.

On motion of Mr. Barr, this contract was awarded to the lowest bidder as recommended.

BIDS ON ELECTRICAL SWITCHBOARD FOR LINCOLN HALL ADDITION

(7) The Supervising Architect presents the following bids for the electrical switchboard for the Lincoln Hall lecture room:

Wurdack Electric Company	\$6,500 less 5% for cash—10 days
Frank Adam Electric Company	8,300—5% in 10 days

He states that these bids are from two firms whom he selected to bid on this work and whose bids, as nearly as he can tell, are on the basis of the specifications.

The Supervising Architect recommends, and President Kinley concurs, that the contract be awarded to the Wurdack Electric Manufacturing Company of St. Louis, the lower bidder, on the basis of their bid of \$6,500, less five per cent (5%) for cash in ten days, payable from State appropriation.

On motion of Mr. Barr, this contract was awarded to the lower bidder as recommended.

CONTRACT FOR MUSEUM CASES FOR LINCOLN HALL ADDITION

(8) The Supervising Architect submits the following schedule of bids on museum cases for Lincoln Hall:

1. Wahlfeld Manufacturing Company	\$7 465 00
2. Walrus Manufacturing Company	7 629 40
3. Jorgeson and Company	9 090 00

He recommends that the contract be awarded to the Wahlfeld Manufacturing Company of Peoria, the lowest bidder, on the basis of their bid of \$7,465.00, payable from the State appropriation for the building. President Kinley concurs in this recommendation.

On motion of Mr. Barr, the contract was awarded to the lowest bidder as recommended.

**CONTRACT FOR STAGE EQUIPMENT IN LECTURE ROOM OF
LINCOLN HALL ADDITION**

(9) The Supervising Architect submits the following schedule of bids for stage equipment in the lecture room of the Lincoln Hall Addition:

	<i>As Specified</i>	<i>With Specified Alternate</i>
Sosman & Landis.....	\$4 478 plus 485 ¹ —\$4 963	\$5 503 plus 485 ¹ —\$5 988
Civic Opera Shops.....	4 575 plus 200 ¹ —\$4 775	6 719 plus 200 ¹ —\$6 919
Acme Scenic Studios.....	5 566	6 149
Twin City Company.....	4 356	5 397
Volland Studios.....	4 300	5 484
National Theatre Supply.....	5 670	6 562 19

He recommends that the contract be awarded to the Volland Scenic Studios of St. Louis, Missouri, on their bid which, with their alternate bid on the rigging, amounts to \$5,484. This bid is \$87 above the Twin City Company's bid which, however, did not fully comply with the specifications, as in certain cases the Twin City Company reduced the dimensions specified for curtains so that the Volland Scenic Studios may be considered to be the lowest bidders. The President concurs in this recommendation.

On motion of Mr. Barr, this contract was awarded as recommended.

**CONTRACT FOR STAGE LIGHTING EQUIPMENT IN LECTURE
ROOM OF LINCOLN HALL ADDITION**

(10) The Supervising Architect submits the following schedule of bids on the stage lighting equipment in the lecture room of Lincoln Hall Addition:

	<i>As Specified</i>	<i>With Specified Alternate</i>
Sosman & Landis.....	\$.1 099 00 plus 175 ² —\$1 274	\$1 341 00 plus 175 ² —\$1 516
Major Equipment Company.....	1 547 42	2 074 50
Hub Electric Company.....	1 430 14	1 757 89
National Theatre Supply Company....	1 591 10	1 724 14
Belson Manufacturing Company.....	1 444 37	1 567 03

He recommends that the contract be awarded to the Belson Manufacturing Company of Chicago, the lowest bidder, on the basis of their bid of \$1,567.03, payable from the State appropriation. President Kinley concurs in this recommendation.

On motion of Mr. Barr, this contract was awarded to the lowest bidder as recommended.

**EXPENDITURE FOR MUSEUM CASES FOR LINCOLN HALL
ADDITION**

(11) The following recommendation from the Supervising Architect:

"I recommend that whatever free balance there may be in the appropriation for the Addition to Lincoln Hall be spent for museum specimens, to be selected from the accompanying lists submitted by Professor Neil C. Brooks and Mr. H. N. Couch. But in the event that you do not consider that these funds may be used for this purpose, then I recommend that we increase the order for museum furniture to take up the balance."

President Kinley approves the expenditure for museum cases, but not for material.

On motion of Mr. Barr, the expenditure of the free balance in the appropriation for Lincoln Hall Addition for museum cases was approved.

¹Amount added for delivery and installation.

²\$175.00 added for cables.

ADDITIONS TO CONTRACT FOR GENERAL WORK ON LINCOLN HALL ADDITION

(12) The Supervising Architect requests approval of the following additions to J. H. Hunzinger's contract for the general work on the Lincoln Hall Addition:

Additional plastering on the fourth floor	\$4 900 00
Construct three additional dormers as per architect's drawings— sheets 58 and 59	2 275 00
Additional ornamental plaster in Lincoln Hall lecture room	4 900 00
Insulite mastic flooring 1/8" in thickness on approximately 12,440 sq. ft. of museum floors in Lincoln Hall in accordance with proposal of Insulite Chemical Company	2 350 95
Install sound-absorbent on ceiling of lecture hall—2900 sq. ft. @ .70	2 030 00
Painting of lecture hall, approximate areas: 1066 sq. yds. flat surface; 415 sq. yds. ornamental surface; 270 sq. yds. acoustical surface tinted	2 000 00
General painting of rooms in old part of Lincoln Hall which were necessarily damaged by new construction work	1 900 00

Total Additions \$20 350 95

He states that either competitive bids were obtained for this additional work, or other figures were obtained in order to check Mr. Hunzinger's proposals to do this work as additions to his contract.

President Kinley states that these proposals appear to be proper and advisable and that he concurs in the Supervising Architect's request that these additions be approved.

On motion of Mr. Barr, these additions were approved.

LIGHTNING RODS FOR LINCOLN HALL ADDITION AND MATERIALS TESTING LABORATORY

(13) The Supervising Architect submits the following schedule of bids for lightning rods on Lincoln Hall Addition and the Materials Testing Laboratory:

	<i>Lincoln Hall Addition</i>	<i>Materials Testing Laboratory</i>
J. L. Oakes	\$ 862 25	\$1 477 88
St. Louis Lightning Rod Company	722 00	1 272 00
Wipke Lightning Rod Company	713 15	1 590 55
		1 329 55
Miller Lightning Rod Company	1 347 00	1 771 00

He recommends that contracts be awarded to the lowest bidders who, in the case of Lincoln Hall Addition, are the Wipke Lightning Rod Company of Kirkwood, Mo., at their bid of \$713.15, and in the case of the Materials Testing Laboratory are the St. Louis Lightning Rod Company at their bid of \$1,272. President Kinley concurs in this recommendation.

On motion of Mr. Barr, these contracts were awarded to the lowest bidder in each case, as recommended.

PUMPS FOR MATERIALS TESTING LABORATORY

(14) The Supervising Architect presented the following schedule of bids which had been obtained by the Purchasing Agent for pumps for Materials Testing Laboratory:

	<i>Chicago Pump Company, Chicago</i>	<i>Allis Chalmers Manufacturing Company, Chicago</i>	<i>American Well Works, Chicago</i>	<i>Aurora Pump Company, Aurora</i>
1 13,500-gallon capacity		\$4 708	\$5 540	
2 2,000-gallon capacity		1 168	1 730	\$2 040
2 1,000-gallon capacity	\$1 312	1 082	1 075	1 286
1 500-gallon capacity	656		492	541

The Purchasing Agent recommends, and the Supervising Architect and President Kinley concur in his recommendation, that the order for the first two items be placed with the Allis Chalmers Manufacturing Company at a total cost of \$5,876 and for the last two items with the American Well Works at a total cost of \$1,567, all payable from the State appropriation.

On motion of Mr. Barr the orders for these pumps were placed with the two companies as recommended.

The Executive Committee adjourned.

ARCHITECTS FOR CHICAGO BUILDINGS

Mrs. Grigsby, for the Committee on Buildings and Grounds, presented the following report:

The Committee on Buildings and Grounds to which was referred the matter of selecting an architect for the Chicago medical building reports as follows:

The Committee held two meetings and gave the matter full consideration. We recommend the employment of Granger & Bollenbacher as architects for this building on a basis of 6 per cent commission for their services to include full architectural service.

GEORGE A. BARR, *Chairman*
HELEN M. GRIGSBY
W. L. NOBLE
F. H. SIMPSON

On motion of Mr. Simpson, this report was adopted.

On motion of Mrs. Busey, the employment of Granger & Bollenbacher was authorized as recommended.

RENEWAL OF LOAN TO MR. M. M. HART

President Armstrong, for the Finance Committee, reported that final arrangements for the renewal of the loan to Mr. M. M. Hart of Benton (Minutes, June 11, 1929, page 255) had not been completed.

On motion of Dr. Noble, the Finance Committee was authorized and directed to extend the loan made to Mr. M. M. Hart, for \$15,000 due June 16, 1929 (Board Minutes, September 20, 1928, page 4), five years from date of maturity, or until June 16, 1934, on the following conditions:

1. That the payment of the loan be guaranteed by Judge W. H. Hart.
2. That \$500 of the principal (with interest) be paid by August 15, 1929.
3. That \$500 of the principal be paid yearly, besides the interest, to be paid by the last interest date each year.
4. That \$2,500 in addition to the \$500 annual payment, besides the interest, be paid on the principal on or before December 15, 1932.

LANDSCAPING THE CAMPUS

Mrs. Grigsby, for the special committee on landscaping the campus, to which Mr. Vitale's report was referred, made a report of progress.

McKINLEY HOSPITAL

Dr. Noble, for the special committee on the McKinley Hospital, made a report of progress.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DEATH OF MR. FREDERIC L. HATCH

(1) Announcement of the death of Mr. Frederic L. Hatch, at Spring Grove, on July 7, 1929.

On motion of Mrs. Busey, the following resolution was adopted:

IN MEMORY OF FREDERIC LEWIS HATCH

WHEREAS, the late Honorable Frederic Lewis Hatch was a member of the Board of Trustees of the University of Illinois from 1899 to 1905, and from 1907 to 1913, and also President of the Board from 1903 to 1905, and

WHEREAS, in his death on July 7 the Board of Trustees lost an honored colleague, and the University a distinguished alumnus and friend,

THEREFORE BE IT RESOLVED that the Board of Trustees of the University of Illinois hereby expresses to his family its heartfelt sympathy, and that this testimony of its appreciation and sorrow be spread on the Minutes and a copy sent to his widow and the surviving members of his family.

C. P. A. CERTIFICATES

(2) The Committee on Accountancy recommends that the following candidates, who are certified by the Board of Examiners in Accountancy as having passed the May, 1929, examination, be awarded C. P. A. certificates.

I concur in this recommendation.

On motion of Mrs. Grigsby, these certificates were awarded.

LEAVE OF ABSENCE FOR MR. H. L. GILL

(3) Director George Huff recommends that Mr. Harry L. Gill, Associate in Physical Education and Athletic Coaching, and track coach, be given leave of absence on half pay during the year 1929-30, although, under the rules, he is not eligible since he does not hold professorial rank.

On motion of Dr. Noble, Mr. Gill was given leave of absence without pay for the year beginning September 1, 1929.

APPOINTMENT OF FRANCIS W. LOOMIS AS PROFESSOR AND HEAD OF THE DEPARTMENT OF PHYSICS

(4) In accordance with the authority given me at the meeting of the Board on May 17, 1929 (page 178), I have appointed Professor Francis W. Loomis, of New York University, to the position of Professor and Head of the Department of Physics, at a salary of \$7,000 a year.

On motion of Mrs. Grigsby, this action was confirmed.

APPOINTMENT OF PROFESSOR ROBERT DANIEL CARMICHAEL AS HEAD OF THE DEPARTMENT OF MATHEMATICS

(5) Dean Babcock recommends, and I concur, that Professor Robert Daniel Carmichael be appointed Head of the Department of Mathematics at a salary of \$8,000 a year, effective September 1, 1929.

On motion of Dr. Noble, this appointment was made.

APPOINTMENT OF DR. F. P. REAGAN AS ASSOCIATE PROFESSOR OF ANATOMY

(6) Dean Davis and Professor Kampmeier recommend that Dr. Franklin Pearce Reagan, of Indiana University, be appointed Associate Professor of Anatomy in the College of Medicine, at a salary of \$5,250 a year.

I concur in this recommendation.

On motion of Mrs. Evans, this appointment was made.

APPOINTMENT OF DR. ALLAN G. BRODIE

(7) Dean Noyes requests that Dr. Allan G. Brodie of Newark, New Jersey, be appointed Professor of Orthodontia, on one-half time, at a yearly salary of \$4,500, for one year beginning September 1, 1929.

On motion of Dr. Noble, this appointment was made.

APPOINTMENT OF DR. JOHN W. ALBIG AS ASSISTANT PROFESSOR OF SOCIOLOGY

(8) Dean Babcock recommends that Dr. John W. Albig, Instructor in Sociology at the University of Michigan, be appointed Assistant Professor of Sociology for two years from September 1, 1929, at a salary of \$3,000 a year.

On motion of Mr. Simpson, this appointment was made.

APPOINTMENT OF DR. FREDERICK STANLEY RODKEY AS ASSOCIATE PROFESSOR OF HISTORY

(9) Dean Babcock and Professor Larson recommend that Dr. Frederick Stanley Rodkey of Miami University be appointed Associate Professor of History on indefinite tenure, beginning September 1, 1929, at a salary of \$3,700 a year.

On motion of Mrs. Grigsby, this appointment was made.

EXTENSION FORESTER IN THE COLLEGE OF AGRICULTURE

(10) Dean Mumford informs me that under the federal law providing for the appointment of an extension forester, the appointee to that position in each State is required to act under the supervision of the Director of Extension of the College of Agriculture

of the State. I am of the opinion that authority should be given to Director Mumford by your Board to exercise this supervision, and therefore request that such authority be given him.

On motion of Dr. Noble, this authority was granted.

CHANGES IN REQUIREMENTS FOR DEGREE IN LIBRARY SCIENCE

(11) The Council of Administration, acting for the University Senate, recommends the following changes in the requirements for the degree of Bachelor of Science in Library Science:

1. That Library 30 (library practice), a three-hour course, be discontinued.
2. That Library 16 (a course in order and accessions), Library 3b (selection of books), and Library 31b (cataloguing) all be changed from two-hour to three-hour courses.
3. That Library 17 (classification) be reduced from a three-hour to a two-hour course.

On motion of Mrs. Grigsby, these requirements were adopted.

CHANGES IN REQUIREMENTS FOR DEGREE IN AGRICULTURE

(12) The Council of Administration, acting for the University Senate, recommends the following changes in the requirements for graduation in the College of Agriculture:

1. That the requirement of Horticulture 39a-39b (Special Lectures in Landscape Architecture) be discontinued.
2. That Botany 8 (Plant Ecology, three hours) be required in Landscape Architecture.
3. That Chemistry 24 (Quantitative Analysis, five hours) be substituted for Chemistry 22 (Quantitative Analysis, three hours).
4. That two semesters of English literature be required in the curricula in Home Economics instead of the present set requirement of English 1 and 2 (Survey of English Literature, 8 hours).

On motion of Mr. Simpson, these requirements were adopted.

FEE FOR GRADUATE COURSE IN ORTHODONTIA

(13) The Dean of the College of Dentistry recommends, and the Provost and the Comptroller concur, that a special tuition fee of \$600 be charged for a graduate course in orthodontia which will cover a full calendar year, for the training of those who wish to practice orthodontia as a specialty.

I concur in this recommendation.

On motion of Mrs. Busey, this fee was authorized.

LIVING QUARTERS OF STUDENTS

(14) The Council of Administration recommends adoption of the following regulation concerning living quarters of students:

No unmarried undergraduate student may occupy living quarters in which there does not reside some person in general charge approved by the University.

On motion of Mrs. Evans, this rule was adopted.

COOPERATIVE INVESTIGATION OF EFFECT OF GAS HEATING ON FLUE PIPING AND CHIMNEYS

(15) The Dean of the College of Engineering recommends approval of an agreement with the Utilities Research Commission for a cooperative investigation of the Effect of Combustion Products of Gas Heating on Flue Piping and Chimneys, to be carried on by the Engineering Experiment Station. The agreement is drawn for a period of one year beginning July 1, 1929, and the Utilities Research Commission agrees to pay \$7,500 in quarterly installments to cover the expenses of this investigation.

The agreement is of the form and character of similar agreements hitherto approved by the Board and since it was desired to begin work July 1, I authorized the Comptroller and Secretary to execute it for the University.

On motion of Dr. Noble, this action was confirmed.

INTERNATIONAL ASSOCIATION OF MILK DEALERS RESEARCH ASSISTANTSHIP IN DAIRY HUSBANDRY

(16) The International Association of Milk Dealers has offered to establish a research assistantship in Dairy Husbandry for a two-year study by the Agricultural Experiment Station of factors affecting the marketability of fluid milk. Dean Mumford and Professor Ruehe recommend acceptance of this offer and approval of a cooperative agreement for the establishment of this assistantship and the study.

This agreement is drawn for a period of two years, beginning September 1, 1929, and the Association agrees to pay \$1,200 per year for the expenses of the investigation. The agreement is of the form and character of agreements hitherto authorized by the Board for such investigations.

Dean Mumford recommends approval.

On motion of Mrs. Evans, this agreement was approved.

CONTRACT FOR MILITARY UNIFORMS

(17) The Comptroller submits the following proposals secured by the Purchasing Agent for uniforms for students in the advanced course of the R. O. T. C. for the year 1929-30:

Associated Military Stores, Chicago.....	\$29 75
Craddock Company, Kansas City.....	29 65
Jacob Reed's Sons, Philadelphia.....	27 75
Hirsch, Weintraub & Company, Philadelphia.....	29 50
DeMoulin Bros. Company, Greenville, Ill.....	29 55
The Lilley Company, Columbus, Ohio.....	27 20
Clayton Uniform Company, Chicago.....	29 90

Each proposal was accompanied with a sample uniform to show style and tailoring.

The Purchasing Agent and the Commandant both recommend, and the Comptroller concurs, that the contract be awarded to the Associated Military Stores of Chicago on the basis of their bid of \$29.75 per uniform. While this bid is not the lowest, our people believe that the workmanship and style of uniforms submitted by this firm are superior to those submitted by the other bidders.

I concur in this recommendation and recommend that the Comptroller and the Secretary of the Board be authorized to conclude a contract with the Associated Military Stores for the purchase of uniforms at \$29.75 per uniform.

On motion of Mr. Simpson, this contract was authorized.

CONTRACT FOR PRINTING AND BINDING OF ALUMNI DIRECTORY

(18) On February 14, 1928 (Minutes, page 555), the President of the University was directed to take the necessary steps to publish the Alumni Directory and an appropriation of \$15,000 was made for this purpose, which has been supplemented by an appropriation of \$2,400, made June 11, 1929.

In accordance with these instructions, I authorized the Comptroller and Purchasing Agent to secure proposals for the printing and binding of this Directory. The lowest proposal for this work was made by the Illinois Printing Company of Danville, their total price being estimated at \$7,934 for printing and binding 4,000 copies. This total is based on unit prices (i.e., prices per page for composition, per form for lock up, press work, ink, stock handling, binding, wrapping for mailing including cartons) as applied to specifications furnished by us. It does not include paper or alterations. The paper will cost approximately \$1,100 but there is no basis for estimating the cost of alterations. This stated total price is subject to change, depending on the extent of the alterations and the final number of pages, but, based on unit prices, it is the lowest proposal.

Since the printer and the editor desired to get the work started by July 1, I authorized the Comptroller and the Secretary of the Board to conclude a contract with this firm for the work on the basis of the price stated.

On motion of Mrs. Grigsby, this action was confirmed.

**CONTRACT FOR WRIGHT STREET AND BURRILL AVENUE
SIDEWALKS**

(19) The Supervising Architect submits the following bids received on sidewalks for the west side of Burrill Avenue from Green Street to Springfield Avenue and along the east side of Wright Street from Green Street to Springfield Avenue:

BIDS RECEIVED—JUNE 25, 1929

<i>Bidders</i>	<i>Bids</i>
Kent & Company, Champaign.....	\$3 530 00
King & Petry, Champaign.....	4 345 00
F. A. Somers Company, Inc., Urbana.....	4 644 99
Sowers & Corkery, Urbana.....	4 700 00

He recommends that the contract be awarded to King & Petry of Champaign at their bid of \$4,345, this being, all things considered, the most favorable to the University.

I concur in this recommendation.

On motion of Mr. Simpson, this contract was awarded to King & Petry as recommended.

INTERIOR DECORATING IN THE MCKINLEY HOSPITAL

(20) At the request of Dean T. A. Clark, I authorized the Supervising Architect to do certain renovating of painting, decorating, etc., at the McKinley Hospital, at a cost not to exceed \$1,000, to be paid from his maintenance appropriation.

This report was received for record.

CANADIAN PATENTS ON DISCOVERIES AND INVENTIONS

(21) At its meeting on June 11, the Board voted to release to the inventors and discoverers the foreign rights on the treatment of sewage and the prevention of embrittlement, with the exception of Canadian patents. No action was taken, however, with reference to the filing of applications by the University for Canadian patents. I asked our patent attorneys, Messrs. Brown, Jackson, Boettcher, & Dienner, for information on the probable cost of taking out patents in Canada on various cases. They inform me that applications for all foreign patents should be made before the American patent is issued, and, in order to preserve the benefit of the American filing date, should in each case be made within one year of the date of filing in the United States. They report that it is too late to make application for the Kunz cell in Canada but quote the probable cost of filing applications in Canada on the following cases which are still pending:

Hugh A. Brown Case 2, U. S. Serial No. 40725—Radio Broadcasting.....	\$127
Arthur M. Buswell Case 1, U. S. Serial No. 361602—Sewage Treatment.....	92
Buswell and Neave Case 1, U. S. Serial No. 361570—Sewage Treatment.....	92
Parr and Straub Case 1, U. S. Serial No. 366085—Prevention of Embrittlement	92

On advice of Professor White and others, I recommend that application for patents in Canada be filed by Hugh A. Brown on his Case 2 (U. S. Serial No. 40725) (Radio Broadcasting) and by Messrs. Parr and Straub on their Case 1 (U. S. Serial No. 366085) (Prevention of Embrittlement), these Canadian patents to be assigned to the University when granted; and that the Canadian patent rights on the other two cases be released to Messrs. Buswell and Neave.

On motion of Dr. Noble, this recommendation was adopted.

APPROPRIATION FOR NEW BUILDINGS

(22) On request of the Supervising Architect, I recommend that the funds appropriated by the Fifty-sixth General Assembly for new buildings and other permanent improvements for the biennium 1929-31 be appropriated as follows:

Medical and Dental Laboratories and Equipment (in Chicago)	\$1 500 000
Chemistry Annex.....	335 000
Woman's Gymnasium.....	300 000

Addition to Power Plant (Boiler House addition and equipment, new deep well, and filtration plant) . . . \$	250 000
Agricultural Buildings and Equipment (Completion of Cattle Feeding Plant and Agronomy Seed House)	115 000

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emerson, Mr. Fisher, Mr. Trees.

INSURANCE ON CHICAGO PROPERTIES

(23) On report from the Comptroller that fire insurance amounting to \$30,000 on the Medical Building and contents, and \$6,000 on the Pharmacy Building and contents was due to expire on July 16, 1929 (before the date of this meeting), I consulted the President of the Board concerning the renewal of this insurance. The Comptroller had submitted the following bids which he had secured on a renewal for three years (to make the insurance expire at approximately the same date as other insurance on the Chicago properties):

(Bids based on 80 per cent co-insurance clause)

Agency	\$30,000	\$6,000
	Medical Building	South portion Pharmacy Building
	Rates per \$100	
Rollins, Burdick, Hunter Company . . .	\$. 53	\$. 57
McKey & Poague 59	. 59
W. A. Alexander & Company 85	. 65
Prussing & Company	1. 35	. 85

He recommended that this insurance be placed with Rollins, Burdick, Hunter Company, the lowest bidders, at the rate of 53 cents per \$100 on the Medical Building and 57 cents per \$100 on the Pharmacy Building. The premium amounts to \$193.20. There is also needed an additional sum of \$45.50 to pay the premium on a policy on the north portion of the Pharmacy Building, which was cancelled by one company and assumed by another at the same rate but maturing at a later date than the original policy. Other similar adjustments may be necessary during the year.

The President of the Board authorized me to have the Comptroller place the insurance in accordance with his recommendations.

I request confirmation of my action in authorizing the placing of this insurance and recommend that the sum of \$500, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to cover the cost thereof, and for necessary adjustments during the current year.

On motion of Mrs. Evans, the action of the President was confirmed, and the appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emerson, Mr. Fisher, Mr. Trees.

APPROPRIATION FOR PUBLICATION OF HISTORY OF CAMPUS PLAN

(24) Some time ago members of the Board expressed a desire to have the "History of the Growth and Development of the Campus Plan" brought down to date. Accordingly, at Professor White's suggestion, Assistant Professor T. E. O'Donnell was engaged to do this. The original history was prepared by Mr. L. Deming Tilton, formerly of Professor White's staff. The manuscript of the history has now been completed.

The Supervising Architect recommends that this history be published. An edition of 2,000 copies will cost approximately \$2,160. He also recommends that Professor O'Donnell, who devoted a considerable amount of his own time to writing the history, be allowed \$800 for his services, plus \$37.50 for the expense of typing, materials, etc.

I concur in these recommendations, and recommend further that an appropriation of \$3,000 be made from the Reserve and Contingent Fund for the payment of \$837.50 to Professor O'Donnell for expenses and services, the balance, or so much thereof as may be necessary, to be used for the publication of an edition of 2,000 copies of the history, to be sold at such price as the Comptroller and President may determine, allowance of complimentary copies to be determined by the President.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

APPROPRIATION FROM EXCESS HORTICULTURAL RECEIPTS TO THE DEPARTMENT OF HORTICULTURE

(25) Dean Mumford and Professor Blair recommend that \$850, or as much thereof as may be necessary, be appropriated from excess horticultural receipts for the year ended June 30, 1929, for the expense of overhauling the central and north storage machines in the Horticulture Field Laboratory.

I concur in this recommendation.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

REAPPROPRIATION OF UNEXPENDED BALANCES

(26) The Comptroller requests that the following balances from the year 1928-29 be reappropriated as of July 1, 1929, to cover the expenses of work and transactions which could not be completed on June 30.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

REBATE ON FREIGHT ON COAL

(27) A letter from the Legal Counsel:

July 17, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

On October 13, 1928, the Board of Trustees authorized me to take the necessary steps to institute proper proceedings to recover excessive freight payments made on coal shipments to the University. The action of the Board appears on page 44 of the Minutes for October, 1928.

We asked the Commerce Commission for an early hearing but did not receive notice of the date until a few days ago when the Commerce Commission advised that the matter would come up at Chicago on July 25.

We prepared the necessary complaint and the evidence has been largely prepared in our offices. The matter, however, is highly technical and practice in rate cases is highly specialized. I, therefore, feel that I should have the assistance of a specialist in this field in order to insure against the miscarriage of justice due to lack of familiarity in this technical field. We, therefore, yesterday and again this morning interviewed Mr. H. M. Slater who is more thoroughly informed in this field than any individual of whom we have knowledge in Illinois, and he proposes to give us the assistance required upon the following terms:

A 15 per cent commission upon the amount recovered with a minimum fee of \$1,500, no commission nor fee to be paid him in the event that the University recovers nothing in this action. According to our calculations, the University may recover or seem to be entitled to recover approximately \$25,000 as a maximum. On this basis, Mr. Slater may be entitled to a commission of \$3,750 as a maximum and if the recovery is not over \$10,000, his commission would be \$1,500 as outlined above.

You should be advised that rate experts usually take cases of this sort on the basis of a commission of 50 per cent of the recovery. Because of the work which we have done in preparing the case, Mr. Slater came down to the basis outlined.

We recommend in the circumstances that we be authorized to accept this proposal and to engage the services of Mr. Slater on the basis outlined.

You understand, of course, that if there be no recovery there will be nothing due from the University to Mr. Slater.

Yours very truly,
SVEINBJORN JOHNSON
Legal Counsel

On motion of Mrs. Evans, the employment of Mr. Slater was authorized, on the terms explained in Judge Johnson's letter, with the stipulations that no commission shall be paid unless there is recovery and that the commission shall not exceed the amount recovered.

THE BUDGET FOR 1929-30

(28) I submit the budget for the fiscal year beginning July 1, 1929, and the academic year beginning September 1, 1929, with the request that it be approved and that the President of the University be authorized to make such changes and adjustments as may be necessary, to make such additional appointments as are necessary, and to accept resignations offered, in accordance with the needs of the University and the equitable interests involved.

On motion of Mr. Simpson, the budget was approved as presented, and authority was granted as recommended. The vote was as follows: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

Explanatory Notes

Departmental appropriations are made under the captions "Salaries" and "Expense and Equipment." Unless otherwise indicated, no transfers may be made between these appropriation captions except with the approval of the President of the University.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1. All balances lapse at the end of the term indicated or at August 31.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against for services of employees temporarily engaged to do the work contemplated by the position and for no other purpose. When appointments are made at salary rates less than the amounts provided in the budget, the unused funds will not be available for use except with the approval of the President.

Appropriations for Expense and Equipment are available for one year beginning July 1 and ending June 30. These appropriations are based on an estimated distribution of expenditures according to the various budget classifications of "Wages, Office Expense, etc." Expenditures must be made in approximate accord with that distribution, material departure from which must be approved in advance by the Dean of the College concerned, the Director of the general department concerned, or the corresponding general officer, and in all cases by the Comptroller. All unencumbered balances in these appropriations lapse June 30.

The Salary Budget

This budget as printed is corrected to August 1, 1929.

Unless otherwise indicated, appointments are governed by the following conditions:

1. The service required in all positions in the teaching staff is for the academic year ending with Commencement. Salaries of positions of the rank of Associate and above are payable in twelve equal monthly installments; salaries of other ranks, in ten equal monthly installments.

2. The service required in all positions in experiment stations and bureaus of research, and research positions in other departments is for a full year of twelve months, allowing for vacations, and salaries are payable in twelve equal monthly installments.

3. The service required in all other positions—administrative, clerical, and service positions—is for a full year of twelve months, allowing for vacations, and salaries are payable in twelve equal monthly installments.

4. All appointments begin September 1, 1929. C. S. (Civil Service) appointments are for one year.

¹The \$11,100 Cooperative Demonstration Fund appropriated by the United States Department of Agriculture will be paid directly to the farm advisers through the Extension Service by the United States Treasury Office as follows: 37 advisers @ \$300—\$11 100
An additional amount of \$200 is available to cover the cost of penalty envelopes and cards for the farm and home advisers, which are purchased by the United States Department of Agriculture and shipped to Illinois. 200

Total \$11 300

²To be increased in June, 1930, if any balances are available due to unused salaries accruing from vacancies in the counties. (This does not mean any increase in the salaries of farm advisers, but an increase in the amount of the advisers' salaries paid from federal funds).

³Includes \$700 each for auto expense @ 7c per mile actually traveled.

NEW APPOINTMENTS TO THE STAFF FOR 1929-30

(29) A list of new appointments to minor positions on the staff for 1929-30 has been approved since the last report was made to the Board. The names are included in the budget under the respective departments.

On motion of Mrs. Grigsby, the action of the President in making these appointments was confirmed.

SPECIAL NON-RECURRING APPROPRIATIONS

(30) I recommend that appropriations be made for special purposes as listed below.

These appropriations are over and above the budget appropriations for normal operation and equipment and are for special non-recurring needs of the year or for securing necessary important but costly equipment which should not be included in the normal operating budget.

Appropriations for these special purposes are made in total for the benefit of all departments of the College indicated unless otherwise specified and may be expended only on order of the Dean of the College, and, for expenditures exceeding \$500, the approval of the President. All such requisitions, however, should be sent to the Comptroller. All requisitions must show total expense of installation and necessary physical alterations and the purchase must not add to the net annual operating expense of the department or college without provision having been previously made therefor.

No expenditures may be made from the appropriations to the various Colleges other than the Graduate School for research of individual members of the staff or for graduate instruction except for work in the experiment stations or bureaus of research. No expenditures may be made from the appropriation to the Graduate School for equipment other than for the purposes of the research of individual members of the staff or for graduate instruction, not including, however, equipment for the work of the experiment stations and bureaus of research.

²To be assigned by President.

On motion of Mrs. Evans, these appropriations were made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

GYMNASIUM AND AUDITORIUM FOR HIGH SCHOOL

(31) After conference with the Dean of the College of Education, the Supervising Architect recommends that an appropriation of \$25,000 be made for the construction of an addition to the Education Building to house a gymnasium and auditorium for the University High School. I concur.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

SUGGESTED PURCHASE OF JONES PROPERTY

(32) The Supervising Architect recommends that an appropriation of \$9,000, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund, for the purchase of the Jones property on Railroad Street in Urbana, which is just east of the land on which the University coal is stored.

On motion of Mrs. Evans, this matter was referred to the Committee on Buildings and Grounds for consideration and report.

APPROPRIATION FOR CHANGES IN CERAMICS BUILDING

(33) The Supervising Architect recommends that an appropriation of \$7,500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund, for certain structural improvements in the Ceramics Building, which will be required with the removal of the material testing equipment to the new laboratory.

I concur in this recommendation.

On motion of Mrs. Busey, this appropriation was made by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

APPROPRIATION FOR PRINT SHOP

(34) The Supervising Architect recommends that an appropriation of \$1,600, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for certain building changes to provide additional space for the Print Shop for storage.

I concur in this recommendation.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

ATHLETIC ASSOCIATION BUDGET

(35) The Board of Directors of the Athletic Association submits the budget for the year 1929-30.

I recommend that this budget be referred to the Finance Committee for consideration and report.

This budget was referred to the Finance Committee as recommended.

¹Does not include deposits, breakage fees, locker fees and infirmary fees. During the academic year a total of \$18,001.92 has been assessed on account of these items. The total refunds on these items have been \$4,699.20. The year figures are given rather than the semester figures because several of these fees are assessed the first semester and refunded in June.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(37) The following report from the Comptroller on contracts and purchases executed since the last report:

July 12, 1929

President David Kinley, 355 Administration West

DEAR PRESIDENT KINLEY:

I transmit herewith report of contracts executed by the Comptroller since the last report, together with report of the Purchasing Agent of purchase orders issued during the month of June, 1929, amounting to \$1,000 or more.

I am also submitting a summary of all purchase orders for the year ending June 30, 1929. As the report indicates, a total of 14,328 orders were issued during the year representing a total amount of \$933,545. Of this number 102, representing a cost of \$275,155, were \$1,000 or over in amount and have been reported to the Board in detail month by month.

Orders placed within the State of Illinois represented 76 per cent of the total.

Definite prices were secured, competition being followed in every case practicable, on 56 per cent of the orders issued. These orders represented 84 per cent of the total cost of all orders placed.

Respectfully submitted,
LLOYD MOREY
Comptroller

CERTIFIED COPIES OF UNIVERSITY APPROPRIATION BILL

(38) I submit herewith certified copies of the Acts passed by the 56th General Assembly, making appropriations to the University of Illinois for 1929-31. These include the general appropriation bill providing for a total of \$12,095,000 (\$12,030,000 plus \$65,000 interest on the endowment funds of the University), the reappropriation of Federal funds granted under Acts of Congress passed 1890 and 1907 (totaling \$100,000), and an appropriation of \$20,000 for the Cook County Experiment Station.

(SENATE BILL NO. 115)

An Act making appropriations for the University of Illinois and providing for the expenditure thereof.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

SECTION 1. There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1929, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of four million seven hundred sixty-five thousand dollars (\$4,765,000) per annum, payable as follows: Out of money paid into the State Treasury and set apart for the use and maintenance of the University of Illinois, in accordance with an Act entitled, "An Act to provide by

State tax for a fund for the support and maintenance of the University of Illinois," approved June 10, 1911, in force July 1, 1911, as amended July 7, 1927, two million seven hundred and fifty thousand dollars (\$2,750,000) per annum; out of any funds in the State Treasury not otherwise appropriated, two million and fifteen thousand dollars (\$2,015,000) per annum; for the following objects and purposes:

For salaries and wages.....	\$3 515 000 per annum
For office expenses, including printing and publications.....	150 000 per annum
For travel.....	35 000 per annum
For operation.....	485 000 per annum
For repairs.....	160 000 per annum
For equipment.....	290 000 per annum
For improvements other than new buildings.....	130 000 per annum

Total.....\$4 765 000 per annum

Sec. 2. There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1929, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of two million five hundred thousand dollars (\$2,500,000) payable out of any funds in the State Treasury not otherwise appropriated, for buildings as follows:

Addition to Power Plant:

(Boiler House Addition and equipment, new deep well, and filtration plant).....	\$ 250 000
Woman's Gymnasium and Equipment.....	300 000

(SENATE BILL NO. 114)

An Act appropriating to the University of Illinois the money granted by an Act of Congress, approved August 30, 1890, entitled, "An Act to apply a portion of the proceeds of the public lands to the more perfect endowment and support of the colleges for the benefit of agriculture and the mechanic arts, established under the provisions of an Act of Congress, approved July 2, 1862," and the money granted by an Act of Congress, approved March 4, 1907, entitled "An Act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1908."

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

SECTION 1. That the sum of fifty thousand dollars (\$50,000) per annum, or so much thereof as shall accrue to the State of Illinois under the provisions of an Act of Congress entitled, "An Act to apply a portion of the proceeds of the public lands to the more complete endowment and support of the colleges for the benefit of agriculture and the mechanic arts, established under the provisions of an Act of Congress, approved July 2, 1862," approved August 30, 1890, and an Act of Congress entitled, "An Act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1908," approved March 4, 1907, during the two years beginning July first, 1929, is hereby appropriated to the University of Illinois.

Whenever any portion of said sum shall be received by the State Treasurer from the United States, it shall immediately be due and payable into the treasury of the University of Illinois.

Sec. 2. Upon the order of the President of the Board of Trustees of the University of Illinois, countersigned by its secretary and with the corporate seal of said University attached thereto, the Auditor of Public Accounts is hereby authorized and directed to draw his warrants on the State Treasurer for the sums appropriated in Section 1 of this Act.

SALARY OF MR. C. E. JANVRIN, NATURAL HISTORY LIBRARIAN

(40) By action of the Board when the Natural History Library was accepted from the Natural History Survey, it was agreed that Mr. C. E. Janvrin, Librarian, should be paid his full salary by the University after an adjustment had been made between the University and the Natural History Survey. Our salary payments for the year for appointments like this run to August 31; those on the Survey to June 30.

On account of this discrepancy, on recommendation of Director P. L. Windsor of the Library, I request an appropriation of \$200 from the Reserve and Contingent Fund to pay the balance of Mr. Janvrin's salary for the months of July and August.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Trees.

LEAVE OF ABSENCE FOR MR. LLOYD MOREY

(41) Mr. Lloyd Morey, Comptroller, requests leave of absence from the University for the purpose of travel and study in this country and abroad for five months from September 1, 1929, to January 31, 1930.

On motion of Dr. Noble, this leave was granted. The matter of making the arrangements necessitated by the absence of the Comptroller was referred to the President of the University.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 18, 1929

The September meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a.m. on Wednesday, September 18, 1929.

When the Board convened, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of July 17, 1929.

On motion of Dr. Noble, the minutes were approved as printed on pages 259 to 349 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

LEAVE OF ABSENCE FOR PROFESSOR H. M. WESTERGAARD

(1) A request from Dr. H. M. Westergaard, Professor of Theoretical and Applied Mechanics, approved by the Head of the Department, Professor Enger, and the Assistant Dean of the College, for leave of absence without pay during the academic year 1929-30 to accept a position as technical expert in the Department of the Interior.

I submit this without recommendation.

On motion of Mr. Barr, this leave was granted. It was voted that the Board looks with disapproval on requests from members of the staff for leave of absence so near the time for beginning work.

LEAVE OF ABSENCE FOR MISS M. A. SOUDER

(2) A recommendation from Dean Mumford that Miss M. A. Souder, Associate in Home Management Extension, be given a leave of absence for the month of September without pay on account of illness.

I authorized this leave on the terms suggested. Since Miss Souder is doing extension work her absence does not interfere with regular University work. I request confirmation of my action.

On motion of Mrs. Grigsby, this action was confirmed.

LEAVE OF ABSENCE FOR MISS HELEN E. MCCULLOUGH

(3) Owing to illness, Miss Helen E. McCullough, Associate in the Department of Home Economics, is not able to resume her duties at present. The Acting Head of the Department requests, with Dean Mumford's approval, that Miss McCullough be given a leave of absence on pay until October 1, pending developments.

On motion of Mrs. Busey, this leave was granted.

At this point, Mr. Blair took his place with the Board.

APPOINTMENT OF DR. ARTHUR RANDOLPH KELLY

(4) A recommendation of Professor E. T. Hiller, of the Department of Sociology, approved by the Dean of the College, that Arthur Randolph Kelly of 28 Chatham Street, Cambridge, Massachusetts, be appointed Assistant Professor of Anthropology in the Department of Sociology, for two years, at a yearly rate of \$3500, the appointment to be effective when he reports for duty.

On motion of Mrs. Evans, the President of the University was authorized to make this appointment.

APPOINTMENT OF MR. RAY R. HAMM AS DIRECTOR OF THE PHOTOGRAPHIC AND BLUE-PRINTING LABORATORIES

(5) On recommendation of the Superintendent of Business Operations and the Comptroller I appointed Mr. Ray R. Hamm of Champaign as Director of the Photographic and Blue-Printing Laboratories, beginning August 1, 1929, and continuing until August 31, 1930, at a salary of \$208.33 per month, to be paid out of the receipts of the Laboratories.

I request confirmation of my action.

On motion of Mr. Trees, this action was confirmed.

RESIGNATION OF PROFESSOR J. D. FITZ-GERALD

(6) Professor J. D. Fitz-Gerald of the Department of Romance Languages submitted his resignation, effective September 1, 1929, in order to accept a position at the University of Arizona. I accepted the resignation.

This report was received for record.

EMERITUS PROFESSORSHIPS FOR DOCTORS JOSEPH M. PATTON AND WILLIAM M. HARSHA

(7) Dean Davis and Professor Williamson, Head of the Department of Medicine, recommend that Dr. Joseph McIntyre Patton, who served as Assistant in Medicine

from 1883-90, and as Professor of Physical Diagnosis, Associate Professor of Medicine and Professor of Clinical Medicine from 1899 to date (without salary), be retired effective September 1, 1929, with the rank of Professor of Clinical Medicine *Emeritus*.

Dean Davis also recommends that Dr. William McIntyre Harsha, who served as Professor of Surgery (without salary) from 1891 to 1925, when he retired from the faculty, be given the rank of Professor of Surgery *Emeritus*, effective September 1, 1925.

I concur in these recommendations.

On motion of Dr. Noble, these recommendations were adopted.

ADJUSTMENTS IN THE BUDGET

(8) Recommendations of adjustments in the salary budget, as of September 1, 1929:

1. That the salary of Professor L. C. Dillenback, Professor of Architectural Design, be made \$6,000 instead of \$5,000.

On motion of Mrs. Grigsby, this increase was authorized.

2. That the salary of Professor W. C. Huntington, Head of the Department of Civil Engineering, be made \$7,000 instead of \$6,500.

On motion of Mr. Barr, this recommendation was adopted.

3. That Assistant Professor Arthur Hamilton be made Associate Professor of Romance Languages, on indefinite tenure, at a salary of \$3,500 a year.

On motion of Mrs. Busey, this recommendation was adopted.

4. That the salary of Assistant Professor R. R. Barlow of the School of Journalism be made \$3,500 instead of \$3,000.

5. That the salary of Mr. L. F. Rickey, Associate in the Department of Agronomy, be increased from \$3,600 to \$3,800.

On motion of Mrs. Evans, these recommendations were adopted.

6. Dean Davis reports that Dr. S. A. Levinson, Director of the Hospital Laboratory and Assistant Professor of Pathology, who was recommended by the Dean for appointment on three-fourths time at \$2700, is disinclined to accept the position for less than \$3000. This is on a full time \$4000 basis and seems to me not unreasonable. The Dean recommends that the \$3000 salary be granted.

This increase was approved.

7. At the July meeting of the Board I reported that Professor A. B. Coble had been offered \$10,000 by a sister institution. I pointed out the desirability of meeting that offer and was informally instructed by the members present to say to Professor Coble that the salary offer would be met. I so informed him and he agreed to stay with us. I ask formal approval of this action.

I may add that this salary as a maximum is becoming more usual in the better class of institution. If we are to keep our best men we shall, it seems to me, be obliged to make this our maximum salary, bearing in mind, of course, that only a very few can expect to get it. In some departments other universities are paying as high as \$12,000. I do not myself think it necessary for us to go beyond the smaller figure as our maximum, certainly for a good while to come. However, \$10,000 is becoming so usual that it will be impossible for us to avoid paying this unless we are willing to acknowledge that we cannot compete for the few really first-class men in certain departments.

In this connection I recall to your attention the Legislative Resolution, passed by the General Assembly in 1909, on the matter of University salaries: "It is the sense of this General Assembly that the Board of Trustees of the University of Illinois should adopt such a policy as will in their judgment attract to, and retain in, the service of the university and the State, the best available ability of this and other countries."

On motion of Dr. Noble, the salary of Professor Coble was fixed at \$10,000 a year, beginning September 1, 1929.

On motion of Mr. Trees, the President of the Board was requested to appoint a special committee of three members (including the Presi-

dent of the Board) to investigate budget matters in conference with the President of the University, and to report to the Board.

President Armstrong appointed Mr. Trees and Mr. Barr to serve with him on this committee.

EXECUTIVE STAFF OF MCKINLEY HOSPITAL

(12) A recommendation that Doctors J. H. Beard, V. A. Ross, and Maude L. Etheredge be reappointed as the executive staff of McKinley Hospital, to serve from July 1, 1929, to July 1, 1930, in accordance with the policy adopted by the Board on April 8, 1925 (Minutes, page 196).

On motion of Dr. Noble, this recommendation was adopted.

EMPLOYMENT OF MR. CHARLES PLATT

(13) The Supervising Architect submits the following recommendation:

September 10, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

Mr. Platt is already at work on the drawings for the Women's Gymnasium, but the Board of Trustees have not formally approved the terms of his employment.

I am submitting an agreement which I recommend be approved. This is the same form which we used on the Commerce Building, and under the agreement on

that building, we paid Mr. Platt just about 2½ per cent commission on the cost of the building. I presume that the percentage would not run much more than this on the Gymnasium.

Yours truly,

JAMES M. WHITE
Supervising Architect

On motion of Dr. Noble, the employment of Mr. Platt was authorized as recommended.

APPROPRIATION FOR WRIGHT STREET AND ARMORY AVENUE LIGHTS

(14) The Supervising Architect reports that the City of Champaign will install lights on Wright Street between University and Springfield Avenues, and on Armory Avenue between First Street and the Illinois Central property line. The University's share of the assessment for this improvement will be \$1,066.78 for Wright Street, and \$504.47 for Armory Avenue.

The Supervising Architect requests that an appropriation of \$1600, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to pay the University's share of these improvements.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Dr. Noble, Mr. Simpson.

PURCHASE OF BONDS ON THE DENTAL BUILDING

(15) The Acting Comptroller states that he has been advised by the Stock Yards Trust and Savings Bank of Chicago that they have for disposal at 98 plus accrued interest \$1500 of the six per cent bonds on the Dental Building. He requests that in accordance with the previous policy of the Board an appropriation of \$1500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for the purchase of these bonds at 98 plus accrued interest and that he be authorized to redeem them accordingly.

On motion of Mr. Trees, this recommendation was adopted, by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

ADDITION TO LIBRARY SCHOOL STAFF

(16) A statement from Professor P. L. Windsor, Director of the Library School, that the registration will be so far in excess of that of last year in the beginning class that more help is needed and requesting authority to find an additional assistant at \$1500. I have authorized him to do this inasmuch as the matter is urgent, and ask approval.

On motion of Mrs. Evans, this action was confirmed.

DEATH BENEFIT—RUTHE E. MURPHEY

(17) The Acting Comptroller requests an appropriation of \$870 from the Reserve and Contingent Fund to pay the death benefit of Ruthe E. Murphey who was an employee in the Physical Plant and who died August 21, 1929. This is payable to her beneficiary, Mr. M. W. Murphey.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

DEATH BENEFIT—FRANCIS CRATHORNE

(18) The Acting Comptroller requests an appropriation of \$382.47 from the Reserve and Contingent Fund to pay the death benefit of Francis Crathorne who was retired September 1, 1926, and died July 21, 1929. This is payable to his beneficiary, Arthur R. Crathorne.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

ASSESSMENT AGAINST UNIVERSITY FOR PROPOSED SYSTEM OF SEWERS ON WEST SIDE OF CHICAGO

(19) A letter from Professor White stating that he has notice of assessments against the University on account of its Chicago property under date of September 9, 1929, and that the court will be asked to confirm the assessments on September 26. These assessments are on account of the proposed system of sewers on the west side of Chicago north of Harrison Street, which includes, therefore, our medical and dental properties. The assessment on account of the medical site is \$1370.25, on account of the dental, \$725, and on account of the pharmacy, \$650.35, making a total of \$2,745.60, which is payable in five annual installments with 5 per cent interest.

There is some indication that these assessments may be reduced. I recommend that the matter be taken up by our Legal Counsel with the Superintendent of Special Assessments of the City of Chicago, the Legal Counsel being empowered to advise the Superintendent that the University will accept an assessment when satisfied that such assessment is a fair assessment.

On motion of Dr. Noble, this recommendation was adopted.

COOPERATIVE INVESTIGATION OF THE GROWTH OF TOXIN FORMATION BY CLOSTRIDIUM BOTULINUM IN CERTAIN CANNED MEAT PRODUCTS

(20) A recommendation from the head of the Department of Bacteriology and the Dean of the College, that an agreement with the Institute of American Meat Packers, for a cooperative investigation of the Growth of anti-toxin Formation by Clostridium Botulinum in certain canned meat products, be approved. The agreement is drawn for a period of one year beginning September 15, 1929, and the Institute of American Meat Packers agrees to pay \$3500 to cover the expenses of this investigation.

On motion of Mrs. Evans, this agreement was authorized.

APPROPRIATION FOR COLLEGE OF DENTISTRY

(21) By a misunderstanding, part of the special appropriation made for Dental Research was allowed to lapse on June 30, last, instead of being carried forward, as the Dean had requested, to meet the expenses which occurred through the summer in this work. The Dean requests an appropriation, which should be \$375. I request this appropriation from the Reserve and Contingent Fund.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

REPORT ON KEY SYSTEM TRANSIT COMPANY BONDS

(22) The University holds bonds of the face value of \$5,000 of the Key System Transit Company (part of the principal of the Marcus Russell Trust Fund). These bonds are of the Series General and Refunding Mortgage Gold Bonds, at 5 per cent, dated July 1, 1923.

On May 17, 1929, the Board directed the Comptroller and the Treasurer to sell the bonds at the best price obtainable (Minutes, page 212). In July, the Comptroller reported that no bids had been received on these bonds and that the interest coupons due July 1, 1929, had been returned unpaid.

Judge Johnson, Legal Counsel, then corresponded with Cushing and Cushing, a reputable law firm in San Francisco, and with the Secretary of the Readjustment

Committee of the Key System Transit Company. A reorganization is planned by the Company, which contemplates, among other things, that holders of the class of bonds which the University has may receive par for par of five per cent cumulative second preferred stock provided that they purchase at \$25 per share one share of six per cent cumulative first preferred stock for each \$100 of bonds held. The University would have to purchase for cash \$1250 of first preferred stock in order to receive second preferred stock in exchange for our bonds. This investment would yield a total of \$325 a year. The actual value of the preferred stock which it is proposed to issue appears to be uncertain.

On August 16, Judge Johnson received a telegram from Cushing and Cushing in which they stated that the time to deposit the bonds would not be extended after August 20; that the present market value of the bonds was about 20 per cent and that if the bonds were not deposited the amount received by bondholders after foreclosure would probably be less than the present market value. On August 21 the Legal Counsel received a letter from Cushing and Cushing to the effect that the time to deposit had been extended to September 20.

On September 3, Judge Johnson received another telegram from Cushing and Cushing in which they again advised the University to deposit the bonds under the reorganization plan or to sell at present market. Judge Johnson wrote me on September 4 that he believed the proper course was to deposit the bonds, take the receipts and sell them or sell the bonds at the current market price, if they have any.

Under date of September 11, President Armstrong of the Board suggested in a letter that the securities be forwarded by the Treasurer to some bank in Oakland, California, to be held subject to telegraphic instruction after the Board Meeting on September 18.

Accordingly, on September 12, I directed Mr. A. M. Burke, Treasurer of the Board, to send the securities to some depository in Oakland, California, to be held subject to instructions of the Board after its meeting on September 18.

Mr. Trees, for the Finance Committee, presented a recommendation that the Treasurer be authorized and directed to deposit these bonds with the proper officer or agent of the company and to take certificates and sell them at the market price.

On motion of Mr. Trees, this recommendation was adopted.

LISTING UNIVERSITY EMPLOYEES

(23) The last General Assembly passed an act requiring State Departments and officers, including the Board of Trustees of the University, to file "in the office of the Auditor of Public Accounts before the end of each calendar year, a list of all employees in their respective offices or departments for the past calendar year, stating the names of the persons employed, the total salary paid each employee for the past calendar year, their addresses, showing the streets and cities and counties in which they vote."

I request instructions as to the method which the Board wishes to be followed in complying with this act.

On motion of Mr. Barr, the President of the University was directed to compile the list and to make the report as required.

AMERICAN LEGION BUILDING IN PARIS

(24) A request from Lt. Col. Francis E. Drake, President American Legion Building Corporation, that the University provide a bronze memorial tablet to be placed in the new building erected by the American Legion in Paris.

The President of the University was asked to get the opinion of the Legal Counsel on this matter.

REPORT ON MODIFICATION OF AGREEMENT CONCERNING RESEARCH AND EDUCATIONAL HOSPITAL

(25) Following instructions of the Board at its meeting on May 17, 1929 (Minutes, page 198), the agreement between the Department of Public Welfare and the University concerning the operation of the Research and Educational Hospital was amended, as directed. The amendment agreement was signed by Honorable Rodney

H. Brandon, acting for the Department of Public Welfare, and myself, acting for the University.

This report was received for record.

RETIREMENT OF MEMBERS OF THE STAFF

(26) Under the rules of the Board concerning retirement, the following members of the staff are due for retirement, beginning September 1, 1929:

BEVIER, ISABEL, *Professor, Home Economics*
 BROOKS, MORGAN, *Professor, Electrical Engineering*
 BROTHERS, E. D., *Lecturer, Medical and Dental Jurisprudence*
 CARMAN, A. P., *Professor, Physics*
 SNYDER, J. C., *Physical Plant*
 SPRINKLE, D. C., *Horticulture*
 MCINTIRE, W. A., *Record Clerk, Agronomy*

Professor Bevier requests, and Dean Mumford concurs, that she be continued in active service for one year, beginning September 1, 1929.

Mr. Sprinkle, who reached the retiring age last year, and who was permitted to continue for the year 1928-29, asks to be continued for another year. He is the night watchman in the Floriculture Division. Dean Mumford and Professor Blair recommend that his request be granted. The Supervising Architect concurs in their recommendation.

Mr. Snyder, in the grounds department, will reach the retiring age on August 12, after 27 years' service. He asks to be continued during the year 1929-30. His request is endorsed by his foreman, the Superintendent of Grounds, and the Supervising Architect.

Dr. Harry Sands Grindley, Professor of Animal Nutrition, and Associate Chief of Animal Nutrition in the Agricultural Experiment Station, having reached the age of 65, asks to be retired as of August 31, 1929, under Section III, Paragraph (a) of the rules governing retiring allowances. He has been on the staff continuously since 1894, and previous to that time he served as an assistant in chemistry in 1888-89. Dean Mumford and Professor Rusk recommend approval of his request.

On motion of Mr. Trees, these recommendations were adopted.

Director P. L. Windsor of the Library recommends that Miss Amanda Flattery, Cataloger, be put on the retired list as of September 1, 1929. Miss Flattery is 73 years old and has served on the staff continuously since November 25, 1913. She does not come under the retiring allowance system since she had not served fifteen years when she became 68. She has now completed fifteen years of service. In view of her excellent and faithful service and the fact that she will soon not be able to stand the daily strain of her work, I concur.

On motion of Mrs. Evans, this recommendation was approved.

Dean Mumford recommends that Mr. W. T. Marsh, laborer in the Department of Dairy Husbandry, who was 70 years old on January 26, 1929, and who, on April 13, 1929, had completed fifteen years of service, be retired on July 1. Mr. Marsh, like Miss Flattery, does not come under the rules since he had not served fifteen years when he became 68. Moreover, our practice has been to make all retirements effective September 1. I recommend that Mr. Marsh be retired, effective September 1, 1929, in view of his service and the fact that in the work in which he is employed he is subject at his age to more than average danger of accidental injury, and it would be better to replace him with a younger man.

On motion of Mr. Blair, this recommendation was approved.

RETIRING ALLOWANCES AND DEATH BENEFITS FOR EMPLOYEES OF THE ATHLETIC ASSOCIATION

(27) Judge O. A. Harker, Secretary of the Board of Directors of the Athletic Association, submits, on their behalf, the following resolution adopted by that Board, concerning retiring allowances and death benefits for employees of the Athletic Association and requests its approval by the Board of Trustees of the University:

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION OF THE UNIVERSITY OF ILLINOIS, that from and after September 1, 1929, all members of the staff and employees of said Athletic Association shall be thereafter employed on contract which shall provide that compensation for services shall be paid to them by the said Athletic Association as follows:

1. Such part thereof in cash as the Board of Directors shall from time to time fix and determine, to be paid to them for such time only as they shall satisfactorily perform the services of their respective employments.

2. A part thereof in the value of death benefits to be provided by the said Board of Directors for them, or their respective heirs, legal representatives, or designated beneficiaries, based on the cash portion of compensation agreed to be paid to them by the said Athletic Association for the academic year during which death shall occur, in the following amounts and under the following conditions, to-wit:

Death during first year of service, nothing.

Death during second year of service, 10% of cash compensation for the academic year.

Death during third year of service, 15% of cash compensation for the academic year.

Death during fourth year of service, 20% of cash compensation for the academic year.

Death during fifth year of service, 25% of cash compensation for the academic year.

Death during sixth year of service, 30% of cash compensation for the academic year.

Death during seventh year of service, 35% of cash compensation for the academic year.

Death during eighth year of service, 40% of cash compensation for the academic year.

Death during ninth year of service, 45% of cash compensation for the academic year.

Death during tenth or any succeeding year of service, 50% of cash compensation for the academic year.

PROVIDED, HOWEVER, that no death benefit shall be in excess of \$3,000.

Death benefits shall not be paid in the following cases:

(a) If employee commits suicide.

(b) If in the judgment of a majority of the members of the Board of Directors, an employee's death is caused or contributed to by his use of intoxicating liquor, or by his violation of any law of the State of Illinois.

(c) No employee shall be entitled to receive death benefits from the said Athletic Association unless he has been in the continuous employment of the Association for at least 10 months prior to death.

3. As to all employees of the Athletic Association who have been in the service of the Association for fifteen or more years and who shall be in the employment of, and active service of the Association the following retiring allowances are provided for to be paid by the Board of Directors in the following amounts and under the following conditions, to-wit:

(a) An employee of said Association shall retire at the age of 68. Said retirement to begin on the first day of September following his sixty-eighth birthday anniversary. An employee after continuous service of 15 years may with the consent of the Board of Directors retire after reaching the age of 65 years.

(b) Upon the retirement there shall be paid to the employee retiring during his life an amount equal to 25% of the average cash portion of compensation which has been paid to him during the last five years prior to retirement, together with 1% of such average amount additional for each year of his service for the Association; the maximum payment, however, not to exceed one-half of such average amount. And no retiring allowance shall be paid in excess of \$3,000.

(c) All members of the staff retired hereunder shall be subject to call by the Board of Directors for the performance of such specific duties for the Board as shall be assigned to them.

4. All rights and claims of any employee in or to death benefits and retiring allowances as aforesaid shall cease with the termination of such services whether such termination is voluntary or otherwise.

ADOPTED, June 4, 1929.

Attest O. A. HARKER
Secretary

On motion of Mr. Trees, this resolution was approved.

REQUEST FOR DEFERMENT OF INTEREST PAYABLE ON PREFERRED STOCK OF THE URBANA COKE CORPORATION

(29) The following letter from Professor S. W. Parr, requesting that the interest on the Preferred stock of the Urbana Coke Corporation, become cumulative December 1, 1929 instead of December 1, 1926, as provided in the original contract:

June 15, 1929

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

You will recall the provision in the contract between the University and the Urbana Coke Corporation wherein it was stated that the interest, six per cent, on the preferred stock should be cumulative beginning December 1, 1926.

What would you think of the propriety of asking the Board of Trustees to authorize a change of date to read December 1, 1929?

I can see no possible chance that any revenue may accrue soon on account of the coking process; certainly not before a year from December 1, 1929. I shall be exceedingly happy if an industrial installation is even ready for operation by that time.

The Urbana Coke Corporation has spent something over \$135,000.00 not counting the \$50,000.00 of preferred stock issued to the University. All of this sum has been devoted to experimentation. It seems to me that it would be a fair proposition under all the circumstances to recognize the date of December 1, 1929, as the time for counting cumulative interest.

I am not writing this note as an official of the Urbana Coke Corporation but purely as a personal matter. It is possible that such relinquishment might be credited to my account by the Urbana Coke Corporation and thereby substantially maintain

my ratio of holdings in the Company. I, of course, have not been in a position to add my share of cash investment to the experimental costs as they have accumulated in the last three years. It would seem to me appropriate for the Urbana Coke Corporation to credit my account with this cumulative interest if the University sees its way clear to make the suggested alteration.

Very truly yours,

S. W. PARR

On motion of Mr. Barr, this matter was referred to the Finance Committee for investigation and report.

AUDIT OF UNIVERSITY ACCOUNTS

(30) In connection with their detailed audit of the University's accounts for the quarter ending March 31, 1929, Arthur Young & Company suggested a program for regular quarterly audits which they consider adequate in connection with the system of accounting and internal checks now prevailing in the University's Business Office. These suggestions appear in the report which was presented at the meeting of May 17, 1929 (Minutes, page 177).

The Comptroller recommends adopting these suggestions and that the firm be advised of the Board's action.

I concur in this recommendation.

On motion of Mrs. Busey, this recommendation was adopted.

PATENT ON PROCESS FOR PRODUCTION OF GAS BY FERMENTATION OF CORN STALKS

(31) A recommendation from Professor J. M. White that the University assume the expense of securing the patent on a process developed by Professor A. M. Buswell for the production of gas by the fermentation of corn stalks, and accept the assignment of the patent.

On motion of Dr. Noble, this recommendation was adopted.

APPROPRIATION FOR SERVICES OF PATENT ATTORNEYS

(32) A recommendation from Professor James M. White, chairman of the Committee on Patents, that an appropriation of \$456 from the Reserve and Contingent Fund be made for the services of Brown, Jackson, Boettcher, & Diener, as the costs to date in connection with the patent applications on the Phosphorus Test (Minutes, July 17, 1929, page 261), and on the Cellulose Digestion, Case 1 (Gas from corn stalks, etc.).

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

REQUEST TO MANUFACTURE AND SELL TEST SOLUTION FOR MEASURING PHOSPHORUS CONTENT OF SOILS

(33) A recommendation from Professor James M. White and Dean Mumford concerning granting permission to the Urbana Laboratories to manufacture and sell the solution described in the Agricultural Experiment Station Bulletin No. 337 and called "A Field Test for Available Phosphorus in Soils," for which the University has a patent application pending.

September 12, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I am returning the letter of August 21 from the Urbana Laboratories requesting permission to manufacture and sell the solution described in Agricultural Experiment Station Bulletin No. 337, entitled "A Field Test for Available Phosphorus in Soils."

Dean Mumford and Professor Burlison have made a careful check on the cost of the manufacture and bottling of this solution and find it to be seventy-four cents a quart. The Urbana Laboratories propose to sell it at \$1.00 a pint, \$1.50 a quart, or \$5.00 a gallon. As the cost of seventy-four cents does not include any selling costs or general overhead, it seems to me that this is a reasonable scale of prices.

The above information was obtained from Dean Mumford under date of September 5. I enclose his recommendation of August 30, to give the Urbana Laboratories the right to sell this test material and I concur in his recommendation on the basis of the information received September 5 as to cost and selling price.

I therefore recommend that the Urbana Laboratories be granted permission to make this solution under such supervision as Professor Burlison feels is necessary to insure its being strictly in accordance with the formula, and that they be permitted to advertise and sell the product at the proposed prices; this privilege to be granted without royalty to the University until November 1, 1929, at the end of which period the question of the payment of a royalty shall be reviewed. The University reserves the right of withdrawing this privilege upon thirty days' notice, after November 1, 1929.

I further recommend that the Urbana Laboratories be required to keep records of their sales so that they may be examined by the University at any time. This provision is desirable so that we may obtain information as to the terms under which patent rights should be granted.

Yours very truly,

JAMES M. WHITE
Chairman—Committee on Patents

On motion of Mrs. Evans, this recommendation was concurred in.

REQUEST OF GENERAL TALKING PICTURES CORPORATION ON INFRINGEMENT OF KUNZ PATENT

(34) A request of the General Talking Pictures Corporation, apparently successor to the DeForest Phonofilms, for permission to bring suit against certain people who are infringing the Kunz patent. The contract between the University and the DeForest Phonofilms Company provides that the Company shall bring suit but must first obtain permission from the University.

On motion of Mr. Barr, this matter was referred to the President of the University, with power to act after conference with the Legal Counsel.

REPORT ON EXTENSION OF HART LOAN

(35) The Acting Comptroller, Mr. H. M. Edwards, under date of September 9, reports as follows:

September 9, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I desire to report that in accordance with the action of the Board of Trustees under date of July 17, 1929, an extension agreement on the loan of \$15,000 to Mr. M. M. Hart of Benton, Illinois, has been completed and delivered to the Trevett-Mattis Banking Company. The extension is for five years from July 16, 1929, and the agreement which was signed by Mr. M. M. Hart and Judge W. H. Hart provides:

- (1) That \$500 of the principal (with interest) be paid by August 15, 1929;
- (2) That \$500 of the principal be paid yearly, besides the interest, to be paid by the last interest date of each year.
- (3) That \$2,500 in addition to the \$500 annual payment, and in addition to interest be paid on the principal on or before December 15, 1932.

I would report further that a payment of \$500 with interest due August 15, 1929, has been received.

Cordially yours,

H. M. EDWARDS
Acting Comptroller

This report was received for record.

REPORT ON EXPENDITURE OF APPROPRIATION FOR ALUMNI NEWS

(36) The Comptroller submits the following report received by him from Mr. C. J. Roseberry, Executive Manager of the Alumni Association, showing how the appropri-

ation of \$3000 made by the Board at its meeting of November 16, 1928 (Minutes, page 86), "toward the expense of the improvement of the Alumni News" was expended:

REPORT OF ATTEMPT AT BURGLARY IN THE ADMINISTRATION BUILDING

(37) The Comptroller submits a report of an attempt at burglary in the Administration Building on Friday morning, July 26.

The loss consisted of property damage only, which was entirely covered by insurance.

This report was received for record.

CONTRACT WITH HINNERS ORGAN COMPANY

(38) On August 7 the Purchasing Agent, acting for the Comptroller, submitted the following bids, secured by Director F. B. Stiven, covering the building and installation of a practice organ in the Music Building. These bids were based on specifications compiled by Director Stiven:

Hinners Organ Company.....	\$1285 00
Wicks Organ Company.....	1400 00
Moller Organ Company.....	1500 00
Kimball Organ Company.....	2800 00
Estey Organ Company.....	3052 50

After conference on the telephone with President Armstrong and Mrs. Grigsby of the Executive Committee, I authorized the Comptroller and the Secretary of the Board to execute a contract for the University with the Hinners Organ Company, the low bidder.

On motion of Dr. Noble, this action was confirmed.

RESEARCH ON EFFECTS OF RADIATION ON LIVING ORGANISMS

(39) The National Research Council has assigned to Dr. J. T. Buchholz (who joins the staff this year as Professor of Botany), \$1250 for research on the effects of radiation on living organisms. One of the conditions of the grant is that the University accept these funds. This merely involves keeping the accounts of this grant in the same manner as accounts of other funds of the University are kept. I have authorized the Comptroller to accept these funds, and request confirmation of my action on this matter.

On motion of Mrs. Evans, this action was confirmed.

GIFTS TO THE UNIVERSITY

(40) The Chemical Foundation, Incorporated, has made an appropriation of \$15,000 covering a period of two years, to be payable quarterly, for work on Partial Oxidation to be carried on under the direction of Professor D. B. Keyes. This research problem is an attempt to discover a method of simplifying the steps involved in the manufacture of organic chemicals by substituting air as the oxidizing agent for other agents. Many organic chemicals are oxidation products of other organic compounds and the

present methods of manufacture involve several steps using costly oxidizing agents. There are no restrictions on this gift except that the money be used for investigation of Partial Oxidation.

The Standard Oil Company of Indiana has sent a check for \$1200 to the University for the continuation of a research assistantship on the nature of detonation in internal combustion engines, under the conditions and University regulations which were laid down when the assistantship was established.

The Tennessee Products Company of Nashville, Tennessee, has sent a check for \$1000 to the University for the continuation of a research assistantship in the Department of Chemistry established by that company last year.

Mr. L. L. Valentine of Chicago, who is a prominent collector of art objects, has offered the University a painting, "April," by Wilson H. Irvine, A. N. A. This painting was part of a collection which was lent the University for an exhibit last spring. The painting is 24 by 27 inches and is valued at \$500. A Committee which advises me on such matters reports that it is a fine piece of work.

Mrs. Ross Mattis of Champaign, sister of the late Senator William B. McKinley, has presented the University with a portrait of Senator McKinley, to be placed in the McKinley Hospital. For the present, it has been hung in the Art Gallery.

The Sherzer Rolling Lift Bridge Company has offered to contribute \$300 for experiments now being carried on by Professor W. M. Wilson of the Department of Civil Engineering, to determine allowable bearing pressure on the edge of web plates.

The Ruhm Phosphate and Chemical Company of Tennessee has offered the Agricultural Experiment Station four wheelbarrow phosphate spreaders.

The American Can Company of Chicago has given the Department of Bacteriology 30 cases of canned corn and 20 cases of condensed milk for use by students in studies of microorganisms in normal foods.

The Western Electric Company has offered the Department of Electrical Engineering a filter, three resistance boxes, a condenser, and a relay, valued at \$100.

I have authorized acceptance of these gifts.

This report was received for record.

GIFTS OF PICTURES OF GERMAN BRICK ARCHITECTURE

(41) Mr. Arthur Woltersdorf of Chicago has presented to the Department of Architecture one-half of a collection of photographs of German Brick Architecture which has been a traveling exhibit in the United States during the past year (the other half has been presented to the University of Michigan). Dean Ketchum and Professor Provine recommend acceptance of this gift. Since this is an imported collection, the regulations of the Treasury Department require that the recipient execute a bond to the effect that these photographs imported by Mr. Woltersdorf and donated to the University shall not be sold or exposed for sale or be used in any way contrary to law.

I recommend that this gift be accepted, that the following resolution be adopted, and that the Secretary be directed to issue a certified copy of this resolution to be sent to the United States Customs Service:

RESOLUTION

RESOLVED, that H. M. Edwards, Acting Comptroller, be and is hereby authorized and directed to execute in the name of the Board of Trustees of the University of Illinois, a bond to the United States of America in the sum of two hundred five dollars (\$205) to the effect that photographs of German Brick Architecture imported by Arthur Woltersdorf and donated to the University of Illinois for use in its Department of Architecture, shall be used only for the purpose of exhibition and shall not be sold or exposed for sale or use in any way contrary to the laws and regulations of the United States.

On motion of Mr. Blair, this resolution was adopted.

On motion of Mr. Barr, the Comptroller was authorized to execute a bond for two hundred five dollars as required.

On motion of Mr. Barr, the Secretary was directed to send a certified copy of the resolution to the United States Customs Service.

RESOLUTION CONCERNING PARK SYSTEM IN THE MEDICAL CENTER ON THE WEST SIDE OF CHICAGO

(42) The following letter from the Vice-President of The Presbyterian Hospital in Chicago was received by me in July. If your Board acquiesces in the request to endorse the proposition explained in the letter I suggest the adoption of the following resolution:

July 2, 1929

DEAR PRESIDENT KINLEY:

Enclosed please find copy of a letter which is being sent by order of the Board of Managers of The Presbyterian Hospital of The City of Chicago in the interests of Medical Center on the west side of the city to the following public authorities:

Hon. William Hale Thompson, Mayor of Chicago;
 Hon. Anton J. Cermak, President of the Board of County Commissioners;
 Hon. Herman N. Bundeson, Coroner;
 Hon. James Simpson, Chairman of the Chicago Plan Commission;
 Hon. Michael J. Faherty, President of the Board of Local Improvements;
 Hon. Arnold H. Kegel, Commissioner of Health;
 Hon. Michael Zimmer, Warden of the Cook County Hospital.

A copy is also being sent, with a letter similar to this, to the following:

Mr. Harold H. Swift, President of the Board of Trustees of the University of Chicago;

Rev. Robert M. Kelley, S.J., President of Loyola University.

Will you kindly bring this matter to the attention of your Board of Trustees with a view to similar action, and any other and further action that they may deem proper. For your information, the matter is being studied by the technical staff of the Chicago Plan Commission.

Yours respectfully,

ALFRED T. CARTON
V.P. Presbyterian Hospital

RESOLUTION

WHEREAS, the Board of Managers of the Presbyterian Hospital of the City of Chicago has addressed a letter to the Board of Trustees of the University of Illinois requesting their cooperation in urging upon the public authorities of the City of Chicago and the County of Cook that the public interest demands the creation of parks, parkways, and boulevards requisite for a medical center in which are located institutions for the care of the sick under the control of various universities and hospitals, together with provision for the future growth.

NOW, THEREFORE BE IT RESOLVED by the Board of Trustees of the University of Illinois that the Board hereby expresses its approval of the proposal to form a park district which will include the area roughly bounded by Jackson Boulevard on the north, Ogden Avenue on the northwest, Robey Street on the west, Ashland Boulevard on the east, and Taylor Street on the south, within which are located the Cook County Hospital; the Presbyterian Hospital; the Medical Hospitals and Schools of the University of Illinois; Rush Medical College of the University of Chicago; the Medical College of Loyola University; and other hospitals and medical schools, and

BE IT FURTHER RESOLVED, that the President of the Board of Trustees be authorized and requested to send the sense of this resolution to the proper public authorities and others interested.

On motion of Mr. Blair, this resolution was adopted.

QUARTERLY REPORT OF COMPTROLLER

(43) The quarterly report of the Comptroller as of June 30, 1929:

To the Members of the Board of Trustees of the University of Illinois:

I transmit herewith the Quarterly Report required of me covering the financial transactions of the University for the quarter ending June 30, 1929. The Report includes the following statements:

Schedule A. Statement of the Reserve and Contingent Fund, or working balance of general income, for the quarter.

Schedule A 1. Statement of Budget Income for the year 1928-29.

Schedule B. Realization of Income for Operation. This statement shows the estimated income for all purposes other than for new buildings provided for by Special State Appropriations, for the current fiscal year, and the amount realized from each source to June 30. The amount realized from State Appropriations is the amount of vouchers certified to the State Auditor for payment from these appropriations. The amount realized from Student Fees is the net amount after allowing for all rebates. The amount realized from Sales is the total sales irrespective of whether collection has been made in cash.

Schedule C. Summary of Receipts and Disbursements. This statement shows the amount of cash receipts from all sources for the current fiscal year to June 30, deposited with the Treasurer of the University, also the amount appropriated to the University by the State for the current fiscal year. It shows also the disbursements from funds in the hands of the University Treasurer and from State Appropriations and the unexpended (not unencumbered) balance in each fund as at June 30.

Schedule D is a summary of the appropriations made by the Board of Trustees for the current fiscal year, the expenditures from these appropriations, the outstanding encumbrances in the form of orders and contracts, and the free balances on June 30. Included with appropriations under the heading "Total Credits" are reappropriations of balances from the previous year and sales credited to departments.

Schedule E shows operation of storerooms and service departments. Costs of materials and labor are first charged to these revolving accounts, and later are charged to appropriation accounts when the service has been completed, the revolving accounts being credited.

Schedule F is a summary of all trust endowments held by the University, and Schedule G is a summary of the operations of all expendable trust funds.

Schedule H is a balance sheet showing all assets for which the Board of Trustees is responsible and all commitments and obligations of those assets.

Appendix I is a summary of the operations of the Residence Halls for the year.

Appendix II is a report of the Memorial Stadium Fund, of which the Board of Trustees is custodian.

The figures contained in this Report are cumulative for the fiscal year and, therefore, represent the financial operations of the University for the fiscal year ending June 30, 1929 and the financial condition of the University at that date.

This report is subject to audit by the accounting firm employed by the Board for that purpose. The certificate of audit will be furnished as soon as the audit is complete.

Respectfully submitted,

LLOYD MOREY
Comptroller

AUDITORS' REPORT

(45) The report of Arthur Young & Company of their audit of University accounts for the year ending June 30, 1929, and for the quarter ending June 30, 1929.

September 6, 1929

Board of Trustees, University of Illinois

DEAR SIRS:

We have audited the accounts of the University of Illinois for the year ending June 30, 1929, and we hereby certify that, so far as we have been able to ascertain by an extended detail examination,

All Income which the University should have received during the year has been received and duly accounted for.

All Disbursements have been made for University purposes and have been properly authorized, and the expenditures have been correctly recorded in the books of account.

The Cash and Securities as shown by the Books as at June 30, 1929, are correct in amount and have been verified by actual inspection, count or direct confirmation from the depositories.

The Annual Report of the Comptroller to the Board of Trustees as at June 30, 1929, as submitted to us, showing the Balance Sheet and detailed accounts as at that date, together with Statements of Operation for the year ending June 30, 1929, is in accordance with the books and, in our opinion, is correct.

Yours faithfully,

ARTHUR YOUNG & Co.

September 6, 1929

Board of Trustees, University of Illinois

DEAR SIRS:

We have audited the books of the University of Illinois for the quarter ending June 30, 1929, and submit the following brief summary of the work done and the result of the audit:

The Cash Receipts have been verified by checking all cash receipts vouchers into the cash book, supplemented by an examination of a substantial portion of the orig-

inal departmental records. Cash received as recorded has been duly deposited with the University Treasurer. The Disbursement Warrants drawn upon the University Treasurer and the warrants certified to the State Auditor have been checked into the cash book, and a substantial portion of the supporting vouchers has been examined with respect to authorization, object of expenditure, and receipt of goods or services by the University. The footings of the cash book have been proved.

The Cash Balance in the hands of the University Treasurer as at June 30, 1929, together with the Securities in his custody, as shown by the books of account, have been verified by actual inspection and confirmation from depositories.

The Income for the quarter under audit has been verified by extensive detail checking and by comparison with independent records; these tests have been extended to cover the larger items of income for the entire year ending June 30, 1929, thus supplementing our previous audits.

The accounts of the Chicago Departments and of the Stadium Fund have been audited along the lines indicated above and have been found correct.

The records of the meetings of the Board of Trustees of April 10, May 17 and June 11, 1929, have been examined and all actions affecting the finances of the University, in so far as they had been consummated up to the time of our audit, have been checked into the books of account.

We hereby certify, that so far as we have been able to ascertain by an extended detail examination,

All Income which the University should have received during the quarter ending June 30, 1929, has been received and duly accounted for.

All Disbursements have been made for University purposes and have been properly authorized, and the expenditures have been correctly recorded in the books of account.

The Cash and Securities as shown by the books as at June 30, 1929, are correct in amount and have been verified by actual inspection, count or direct confirmation from the depositories.

The Report of the Comptroller to the Board of Trustees for the quarter ending June 30, 1929, copy of which is attached hereto, is in accordance with the books and, in our opinion, is correct.

The Financial Report of the Comptroller to the Governor of the State of Illinois, for the period beginning July 1, 1927, and ending June 30, 1929, is in accordance with the books and, in our opinion, is correct.

Yours faithfully,

ARTHUR YOUNG & Co.

These reports were received for record.

FINANCIAL REPORT OF MCKINLEY HOSPITAL

(46) The following Financial Report from the Comptroller on the operations of the McKinley Hospital for the year ending June 30, 1929:

July 19, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I send you for your files copy of a financial report of McKinley Hospital for the year ending June 30, 1929. A preliminary report was sent you some time ago giving an estimate of the conditions at the end of the year. The actual deficit for the year \$4672.56 as compared with \$6046.67 for the preceding year. In addition, purchases of equipment aggregating \$5940.45 were made during the year. Funds to meet the deficit as well as for the purchase of this equipment were supplied from the Mutual Benefit Hospital Fund.

Cordially yours,

LLOYD MOREY
Comptroller

This report was referred to the special committee on the Hospital for consideration and report.

LANDSCAPING THE CAMPUS

At this point, Mr. Barr presented a report of the Committee on Buildings and Grounds.

September 18, 1929

Your Committee on Buildings and Grounds presents the attached report of its sub-committee on Landscaping as its report, and recommends that the same be adopted by the Board as the report of this committee.

GEORGE A. BARR
W. L. NOBLE
HELEN M. GRIGSBY
MERLE J. TREES

September 18, 1929

Mr. George A. Barr, Chairman Committee on Buildings and Grounds

Your committee on landscaping of the campus, to which was referred Mr. Vitale's report, believe that his recommendations should be followed as rapidly as financial considerations permit. The plans which he submitted with his report are worked out in great detail with reference to much of the planting, but there are phases of the development for which he should make more detailed studies and planting lists. This applies particularly to the architectural details which are features of the hedge plantings and also the design of the gardens which terminate the east and west axis at the Forestry.

It is very desirable that he should be instructed to proceed with the design of the architectural features involved in the planting around the new South Campus buildings. He has submitted a list of all of the trees required for his entire planting scheme and has also included the hedge plants. The cost of these varies with the size, but of a size which we would probably purchase, the total cost of this planting material is estimated at \$32,500. It would be impossible for us to plant all of this at the present time, even if we had it, but as Mr. Vitale has stressed the importance of purchasing enough planting material so that we will always have a reserve in the nursery to use for expansion and for filling in gaps, it seems best to purchase as much planting material as possible this fall and in the spring.

We have an opportunity to purchase 300 budded American elms, 3 to 3½ inches in size, at \$9.00 each, based upon taking the 300. We also have a quotation on 2,550 Japanese yews, 12 to 18 inches in height, at \$1.50 apiece, and on 500 American hornbeams, 2 to 3 feet in height, at \$48.00 per hundred. Mr. Vitale considers it advisable for us to purchase the elms and yews on the above terms. He has not been advised of the quotation on the American hornbeam, but as this is rather difficult to get, we believe that we ought to make the purchase. We can plant 250 of the elms in accordance with Mr. Vitale's plan, and 50 should be put in the nursery for replacements. We would probably be able to plant most of the yews this fall and in the spring, but the architectural features of the hedge around the Library, Commerce, and Architectural Buildings should be in place before that hedge is planted.

The following is an estimate of the costs of the above phases of the work:

300 elms @ \$9.00, plus \$1.50 each for labor.....	\$3 150 00
2550 yews @ \$1.50, plus 25c each for labor.....	4 495 00
Architectural features in front of the Library, Commerce, and Architectural Buildings.....	2 500 00

\$10 145 00

To this will have to be added freight and something for Mr. Vitale's services for further study involved. Of the total \$10,000 included in the budget for drives and planting this year, about \$500 has been spent. The program outlined above will probably exceed the balance by \$1500 or \$2000.

We therefore recommend that the major program this year be planting and that Mr. Vitale be instructed to complete the studies for the architectural features in connection with the terrace planting around the Library, Commerce, and Architectural Buildings, and that the present appropriation be supplemented by an appropriation of \$2000 in order to enable us to take advantage of the rather large purchases of elms and yews which can now be advantageously made, though before purchasing, we may find some other nurseries which can quote prices of interest to us.

A list of all the planting material needed is attached to this report, also a planting list for the 300 elms which it is proposed to plant this fall and in the spring.

Committee on Campus Planting
MERLE J. TREES
HELEN M. GRIGSBY

Elms that can be planted now following Vitale plan

- 10 North of Library
- 21 East of Library (west walk)
- 18 East of Commerce (west walk)
- 15 West of Morrow plots (east walk)
- 24 West of New Agr. Bldg. (east walk)
- 24 West of Genetics (east walk)
- 57 Around Stock Pavilion
- 55 Pennsylvania Ave. (Goodwin to Fourth)
- 26 Pennsylvania Ave. (Goodwin to Forestry)
- 38 Goodwin (Nevada to Gregory)
- 8 South of President's House (Mathews to Goodwin)

300 elms

-50 if east and west walk trees are not replaced with budded elms

On motion of Mr. Barr, this report was adopted.

On motion of Mrs. Busey the appropriation of \$2000 from the Reserve and Contingent Fund for landscaping was made by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

INVESTMENT OF MCKINLEY FUND

Mr. Trees presented for the Finance Committee a recommendation that six hundred dollars of the McKinley Endowment Fund (Public Utilities) be invested in Fourth Liberty Bonds.

On motion of Dr. Noble, this recommendation was adopted.

OPERATION OF MCKINLEY HOSPITAL

Dr. Noble presented the following report.

September 17, 1929

Board of Trustees, University of Illinois

Your Committee on McKinley Hospital begs to submit the following observations and report:

Physical Properties

Building high-class in every particular. Top floor has capacity of 35 beds; the second floor has a capacity of 20 beds for patients and 8 rooms for nurses; the first

floor has a capacity of 32 beds, making a total capacity at the present time without crowding of 87 beds for patients. The Operating Room is completely furnished with up-to-date and expensive equipment except lighting for night operations.

Patients

The number of patient days treated in the last year were 7210 from July 1, 1928, to June 30, 1929, from which an income was received of \$4.34 per unit. The cost of service to these patients per unit was \$4.99, leaving a deficit per unit of \$.65. Our total deficit for the year was \$4,672.56. When you consider that the Hospital is capable in this period of time of furnishing approximately 26,100 patient days service, the deficit is negligible. As the best means to overcome this deficit, we would urge that an extra effort be made to secure a larger membership to the Hospital Association, and also, urge that a larger number of patients be referred to McKinley Hospital rather than other hospitals in the city, thus utilizing the same overhead and reducing the cost per capita.

Respectfully submitted,

W. L. NOBLE
MARY E. BUSEY
GEORGE A. BARR
Committee

On motion of Dr. Noble, this report was received for record.

PURCHASE OF JONES PROPERTY

Mr. Barr presented the following report from the Committee on Buildings and Grounds:

September 18, 1929

Your Committee on Buildings and Grounds to which was referred the matter of the purchase of the property known as the Jones property on Railroad Street in Urbana, recommends that the recommendation of the Supervising Architect on that subject made at the July Meeting, be concurred in, that an appropriation of \$9000, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for the purchase of said property and that said property be purchased at a price not to exceed \$9000.

GEORGE A. BARR
W. L. NOBLE
HELEN M. GRIGSBY
MERLE J. TREES

On motion of Dr. Noble, this report was adopted.

On motion of Mr. Barr, the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble; no, none; absent, Mr. Emmerston, Mr. Fisher, Mr. Simpson, Mr. Trees.

The Board resumed consideration of matters presented by the President of the University.

REVOLVING FUND IN DENTISTRY

(50) Dean Noyes of the College of Dentistry requests that the proceeds from the extension work in dentistry and the orthodontia course be put into a Revolving Fund for the maintenance of those lines of work.

On motion of Mrs. Evans, this fund was established.

APPOINTMENT OF H. M. EDWARDS AS ACTING COMPTROLLER

(51) At the July Meeting the Board granted a leave of absence until the beginning of the second semester to Comptroller Lloyd Morey and directed me to make the arrangements necessary to care for his work in his absence.

In accordance with my understanding of your action and directions, my recommendations are:

1. That Mr. Morey's leave be sabbatical on half salary.

2. That Mr. H. M. Edwards be made Acting Comptroller until February 1, on Mr. Morey's return; and that he be paid \$100 a month during the term of his additional responsibility, on account of that responsibility, and no longer.

3. That Mr. J. E. Millizen be made Acting Purchasing Agent for the term of Mr. Edward's services as Acting Comptroller, and that he be paid \$50 a month additional salary on account of his additional responsibility for the term of services as such, and no longer.

4. That the President be authorized to approve the employment of such additional help as may be necessary, the expense of the same to be charged to the unused half of Mr. Morey's salary.

On motion of Mr. Barr, these recommendations were adopted.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

October 10, 1929

The October meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Thursday, October 10, 1929.

When the Board convened, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees.

President Kinley was present; also, during part of the day, Professor J. M. White, Supervising Architect, and Mr. H. M. Edwards, Acting Comptroller.

APPROVAL OF MINUTES DEFERRED

On motion of Mrs. Busey, the approval of the minutes of the meeting of September 18, 1929, was deferred until the minutes are printed.

EXECUTIVE COMMITTEE MEETING, SEPTEMBER 30, 1929

The Secretary presented the minutes of a meeting of the Executive Committee, as given below.

On motion of Mr. Trees, these minutes were received for record.

A meeting of the Executive Committee was held in the office of Mr. Merle J. Trees, in Chicago, at 9 o'clock a.m. on Monday, September 30, 1929. Mr. James W. Armstrong, chairman, Mrs. Helen M. Grigsby, Mr. Merle J. Trees, and President David Kinley were present.

The Executive Committee considered the following matters presented by the President of the University.

ADDITIONAL PROVISIONS FOR THE COLLEGE OF MEDICINE

(1) For the past few years the number of students seeking admission to the College of Medicine whose credentials were entirely satisfactory has been beyond the capacity of the College. A large number who seek admission are rejected, of course, because they cannot meet the educational requirements. The excess to which I have reference is composed entirely of people who have met our requirements. About 175 of these were on our waiting list the other day and some of them have been on that waiting list for a year. This situation has been very distressing to me and of course to the applicants and their friends, and I have frequently cast about for some way of easing the situation temporarily until our proposed new buildings are up.

The entrance requirements of the College of Dentistry have been raised to include two years of college work. As usual when the requirements are increased, prospective attendance in the College of Dentistry has largely fallen off. This will doubtless be the case for a year or two until those desiring admission have prepared themselves to meet the additional requirements. I have conferred with the Dean of the College of Medicine, the Heads of the Departments especially involved, and with Professor White, Supervising Architect, concerning the utilization of the space hitherto thus occupied for the use of medical students during the coming year. We are all agreed that by adding somewhat to our staff and equipment and making some changes in the physical plant, a considerable number of those on our waiting list can be accommodated. It is our opinion that these temporary provisions will carry us through until the time of the completion of our new buildings. Therefore, I beg leave to make the following recommendations:

1. That authority be given the President of the University to add to the staff in physiological chemistry to the extent of one or more individuals at a salary or salaries not exceeding \$3,000 for the current academic year and that an appropriation of that amount be made for this purpose.

On motion of Mr. Trees, this recommendation was approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Grigsby, Mr. Trees.

2. That the sum of \$1,000 be appropriated for desk equipment and materials made necessary by the proposed addition to the student body.

On motion of Mrs. Grigsby, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Grigsby, Mr. Trees.

3. That authority be given the President of the University to add to the staff of the Department of Anatomy to the extent of one or more individuals at a salary or salaries not exceeding \$1,600 for the current year and that an appropriation of that amount be made for this purpose.

On motion of Mr. Trees, this authority was granted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Grigsby, Mr. Trees.

4. That an appropriation of \$500 be made to the expense budget of the Department of Anatomy for wages for additional assistants and for the purpose of securing additional cadavers.

The Supervising Architect informs me that he can provide from money already appropriated for physical plant extension for the necessary changes of desks, putting floors in proper condition and similar matters.

We shall probably find it necessary to make further provision in the second semester.

On motion of Mrs. Grigsby, this recommendation was approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Grigsby, Mr. Trees.

LEAVE OF ABSENCE FOR MISS McCULLOUGH

(2) A recommendation that Miss Helen E. McCullough, Associate in Home Economics, be granted leave of absence without pay, on account of illness, until January 31, 1930.

On motion of Mrs. Grigsby, this leave was granted.

APPOINTMENT OF MRS. MARY WERTS BEAM

(3) A recommendation that Mrs. Mary Werts Beam be appointed Assistant in Textiles, on full time, from October 1, 1929, to January 31, 1930, with salary at the rate of \$133.33 a month.

On motion of Mr. Trees, this appointment was made.

The Executive Committee adjourned.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DEATH BENEFIT—PROFESSOR G. A. GOODENOUGH

(1) A request from the Acting Comptroller for an appropriation of \$3,000 to pay the death benefit in the case of Professor G. A. Goodenough who died on September 29, 1929. This is payable to his beneficiary, Mrs. Goodenough. I recommend that this appropriation be made from the Reserve and Contingent Fund and that the Acting Comptroller be authorized to make the payment.

On motion of Mrs. Evans, these recommendations were adopted, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Dr. Noble.

METHODS OF MAKING PURCHASES

(2) A request that for the information of the Board Mr. H. M. Edwards, Purchasing Agent and Acting Comptroller, be heard concerning the methods followed in making purchases for the University.

This request was granted. Mr. Edwards made a statement outlining the procedure followed. Professor White also made a statement.

While Mr. Edwards was making his statement, Dr. Noble took his place with the Board.

PLANS FOR PAVING

(3) A request that Professor White be heard concerning plans for improving the paving of streets bordering on the campus.

Professor White made a statement giving his views. No action was taken on this matter.

APPROPRIATION FOR PRINT SHOP

(4) A request from the Director of the University Press for an appropriation of \$800 from the Reserve and Contingent Fund for constructing tables and shelving, installing lights, wiring, and moving machinery and equipment in the Print Shop due to the additional space allowed them from changes in the basement of the Administration Building which were authorized by the Board at the July Meeting.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

REVOLVING FUND IN DENTISTRY

(5) At the meeting of September 18, I presented a request from Dean Noyes of the College of Dentistry that the proceeds of the extension work in Dentistry and the Orthodontia course be put into a revolving fund for the maintenance of those lines of work.

As you are aware, the creation of a revolving fund, according to the accountants, means that the receipts from the operations of the activities concerned go into a separate fund and are used to meet the expenditures of that activity alone. Expenditures must correspond with receipts and cannot exceed the total amount thereof. Inasmuch as no one can anticipate what the amount of the receipts will be and inasmuch as the expenditures expand with the receipts, an appropriation of a definite sum is impossible and in no business house that I know anything about is any further action taken than to appropriate the receipts from the particular revolving fund to the purpose of such fund. You authorized the establishment of this fund requested by Dean Noyes. Inasmuch as the question of making an appropriation was raised at that time, in order to make the records technically complete, I now recommend that you appropriate the proceeds of the revolving funds in extension and orthodontia courses in Dentistry, when they begin to come in, to the purposes of these courses, the limitation being that under no circumstances shall the amount of receipts be exceeded by the expenditures.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

ADDITIONAL ASSISTANTS IN PHYSICS

(6) A request from Professor F. W. Loomis, Head of the Department of Physics, concurred in by Assistant Dean Jordan of the College of Engineering, acting for the dean, for an appropriation of \$1250 to provide for the salaries of four one-quarter-time assistants (being equivalent to one full-time assistant) for the Department.

Since this was an emergency matter, I authorized the addition of this amount to the budget and approved the appointment of the necessary additional assistants. I request confirmation of my action in the matter.

On motion of Mrs. Grigsby, the action of the President was confirmed. The appropriation from the Reserve and Contingent Fund was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

PROMOTION OF MISS VIRGINIA H. WEAVER

(7) Miss Virginia H. Weaver, Associate in the Department of Home Economics, is not satisfied with her reappointment as Associate at a salary of \$2800 and asked me for a review of her case.

After conference with the Dean, the Acting Head of the Department, and others, I desire to recommend that she be given the rank of Assistant Professor without change of salary.

On motion of Mrs. Evans, this recommendation was adopted.

SALARY OF HAROLD D. TRIMBLE, ASSISTANT HIGH SCHOOL VISITOR

(8) When the budget was made up, Professor Clevenger, High School Visitor, recommended that the salary of Mr. Trimble be made \$4,000, instead of \$3,600 as it was. I would have concurred in the recommendation and advised the increase but for the fact that at about this time certain rumors came to me concerning the methods of inspection followed by Mr. Trimble. For that reason I held the matter up. Since that time I have thoroughly investigated the whole case and am of the opinion that there was no sufficient ground for the criticisms made and that the attack on Mr. Trimble was unjustified. For that reason I now request that his salary be made \$4,000 for the current academic year, effective as of September 1, last.

On motion of Mr. Trees, this recommendation was adopted, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

RESIGNATION OF PROFESSOR T. E. LAYNG

(9) Dr. T. E. Layng, Assistant Professor of Chemistry, has resigned his position, effective October 1, 1929, in order to accept a position in one of the chemical industries.

This report was received for record.

RESIGNATION OF MR. G. A. MILLS

(10) Mr. G. A. Mills, Assistant to the Comptroller, has resigned his position effective October 18.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR L. M. LARSON

(11) Professor L. M. Larson, Head of the Department of History, has been seriously ill for the last two or three weeks and it seems certain that he will not be able to return to his duties this semester. Dean Babcock recommends that he be given sick leave until February 1 on full pay.

On motion of Mrs. Grigsby, this leave was granted.

SICK LEAVE FOR MARY L. BLACKWELL

(12) A recommendation from Dean Babcock that Miss Mary L. Blackwell, clerk in the Department of Chemistry, be given sick leave without pay from September 16 to December 1, 1929.

On motion of Mrs. Busey, this leave was granted.

EXHIBITION OF PAINTING AND SCULPTURE

(13) A recommendation from Professor E. J. Lake, Head of the Department of Art and Design, endorsed by the members of a Committee on Art Collections in Charge of the Purchase of Works of Art, for authority to arrange for an exhibition of painting and sculpture by the Grand Central Galleries of New York to be held in the Architectural Building from October 19 to November 4. The cost of this exhibition will be between \$400 and \$800, depending on the number of sales which result from the exhibition. I recommend approval, the cost of the exhibition to be charged to the appropriation for the purchase of objects of art.

On motion of Mrs. Grigsby, this recommendation was approved.

NAMING OF STREETS AND BUILDINGS

(14) A considerable confusion is already beginning to arise in the naming of streets and walks on and around the campus under our control and also in connection with our buildings. From time to time the wish is expressed by sundry people that a definite policy be formulated for naming both buildings and streets. For example, we hear talk about East Walk and West Walk, South Drive and North Drive, and various other names of informal character. Since the portion of Burrill Avenue south of University Hall has been cemented a practice has grown up of naming it the Broad Walk. It seems to me unfortunate that there should be any likelihood of the passing of the name of Burrill Avenue for all parts of this walk. That name should apply from its beginning at Springfield Avenue clear down to the road in front of the cemetery. Unless something is done, practice will establish some names that will not be favored by your Board. I think this matter might be referred to a special committee or else to the Buildings and Grounds Committee, as you think best, for report at a relatively early meeting.

On motion of Mr. Barr, this matter was referred to a special committee of three members of the Board, to be appointed by President Armstrong, for investigation and report at the next meeting of the Board. President Armstrong appointed Mr. Barr, Mrs. Busey, and Mrs. Evans to serve on this committee.

SIGNATURES OF PRESIDENT AND SECRETARY OF THE BOARD

(15) A request from Mr. H. M. Edwards, Acting Comptroller, for instructions as to whether his appointment as Acting Comptroller carries with it the authority to sign the names of the President and the Secretary of the Board of Trustees, in accordance with the action of the Board of Trustees on March 12, 1929.

On motion of Dr. Noble it was voted that in the opinion of the Board the authorization of March 12, 1929, applies to the Acting Comptroller during the time the Comptroller is on his leave of absence granted by the Board.

ENTRY OF APPEARANCE IN THE PROBATE OF THE WILL OF MARGARET MCCARTNEY

(16) A notice from the Chicago Title and Trust Company that the will of Margaret McCartney, deceased, a former resident of Oak Park, has named the University of Illinois as a contingent beneficiary. Under the terms of the will the residuary estate of a present value of \$15,000 or \$20,000 is bequeathed to the Chicago Title and Trust Company, the income to be paid to certain persons during their lives and on the death of the last survivor the principal and accumulated income to be turned over to the Foundlings Home of Chicago and the Illinois Children's Home and Aid Society. The will provides that if these organizations are not in existence, or if there be no non-sectarian institution organized for the same purpose to which the fund can be paid, the Trustee shall pay it to the University of Illinois.

The Chicago Title and Trust Company submitted a form of appearance with the request that it be executed by the Board of Trustees. President Armstrong signed it for the Board.

On motion of Mr. Fisher, the action of the President of the Board in this matter was confirmed.

CLAIM OF CORNELIUS E. O'DONNELL FOR REFUND OF FEES ON ACCOUNT OF MILITARY SCHOLARSHIP

(17) A request from Mr. C. E. O'Donnell, a senior in the University, for a remission of the matriculation and incidental fees paid by him during his first three years in the University. This request is filed in connection with his application for a military scholarship to be effective beginning the year he entered the University, since he was eligible to receive one at that time but failed, through ignorance of his rights, to apply.

The Legal Counsel advises that Mr. O'Donnell is clearly entitled to the scholarship under the law and to a refund of the fees paid by him.

On motion of Mr. Simpson, this refund was authorized.

MILK DEALERS' ASSOCIATION'S RESEARCH ASSISTANTSHIP IN DAIRY HUSBANDRY

(18) The Board has accepted an offer of the International Association of Milk Dealers to establish a two-year Special Research Assistantship in Dairy Husbandry for the study of factors affecting the marketability of fluid milk. (Minutes, July 7, 1929, page 268). The customary agreement was drawn up for this investigation. This agreement includes the following statement:

"It is agreed by the International Association of Milk Dealers, 228 North LaSalle Street, Chicago, Illinois, that they will not under any circumstances use the name of the University of Illinois in any advertisement, whether with reference to the cooperative agreement or any other matter."

The Head of the Department of Dairy Husbandry raised the following question with reference to this paragraph:

"A question has been raised regarding the meaning of this paragraph. Is it the intent of this ruling to prevent the use of a reference to a bulletin or article which might be published by some division of the University, in any advertising material? As an example, the Milk Council of Chicago published an advertisement a short time ago in which they made reference to certain facts as published in Bulletin No. 318, of the Agricultural Experiment Station, University of Illinois. If the International Association of Milk Dealers should sign an agreement containing the paragraph under question, they would according to their contract be giving up certain privileges which others, not under contract, could enjoy."

I replied as follows:

"When the University has published the results of a piece of research in circular form or bulletin or article, the publication having been duly authorized, it is open to any writer on the subject of the bulletin to refer to or quote from the bulletin, giving proper credit. The purpose of the paragraph referred to in your letter is to prevent any firm or individual from putting forth an advertisement of the ordinary kind and saying, for example, that this is endorsed by the University of Illinois, or, we have had experiments conducted by the University of Illinois, or any other phrase indicating that the University has approved, endorsed, or in any way given countenance to the specific action or the merits of specific articles of particular companies. Whether the advertisement published sometime ago by the Milk Council of Chicago violates this rule or not, I cannot say without seeing it. The whole purpose of the provision is to prevent individuals and corporations from using the name of the University to promote their special interests."

The Association now asks whether the above statement, as made in my letter, can be made a part of the Articles of Agreement, or attached as a rider thereto, so that it can be identified as a part of the contract.

On motion of Mr. Barr, the statement of the President of the University was accepted, to be attached as a rider to the contract.

PURCHASE OF BONDS OF THE COLLEGE OF PHYSICIANS AND SURGEONS

(19) A report from the Acting Comptroller, Mr. H. M. Edwards, that in accordance with the authorization of the Board at its meeting on September 18 he has completed the purchase of \$1500 of the Bonds of the College of Physicians and Surgeons at a price of \$96 and accrued interest, and recommends that these bonds be canceled and retired. I concur.

On motion of Mrs. Evans, this recommendation was adopted.

REPORT ON PROPOSED ASSESSMENT FOR SYSTEM OF SEWERAGE IN CHICAGO

(20) A report from the Legal Counsel that in accordance with the action of the Board at its meeting on September 18, he has taken up with the Superintendent of Special Assessments in Chicago the matter of the proposed assessment on the University's property on the West Side to determine whether the assessment is fair and just. The Superintendent advises that the method used in calculating the assessment on the University's property is the same as that used in determining the assessment for all other properties in the district. The statement of the Superintendent does not necessarily show that the assessment is just, although it may show that it is not discriminatory.

On motion of Mr. Barr, this matter was referred to the President of the University for such further action as may seem advisable.

REPORT ON BRONZE TABLET IN A. E. F. MEMORIAL BUILDING

(21) An opinion from the Attorney General of Illinois holding that the Board of Trustees has no power to appropriate public funds for a bronze tablet to be installed in the American Expeditionary Forces Memorial building in Paris in memory of the alumni and students of the University who served in the World War, as proposed in the letter of Colonel Francis E. Drake, President of the "American Legion Building, Paris," which was presented to the Board at its September meeting.

This report was received for record.

REPORT OF CONTRACTS AND PURCHASE ORDERS

PRIVILEGES OF RETIRED MEMBERS OF THE ACADEMIC STAFF

(23) Recommendations concerning privileges of retired members of

1. Members of the teaching and research staffs who have been retired shall be entitled to the privileges of the floor at all meetings of their faculties and of the University Senate, if they were members of the Senate before retirement, but shall not be entitled to vote.

On motion of Mrs. Evans, this recommendation was adopted.

2. If a member of the staff under retirement is provided with research assistance, he shall, at the end of each academic year, not later than June 1, make a report in at least general terms directly to the President, of the work he has been doing with this research assistance during the year. In no case may a research assistant be granted to a retired member of the staff for a longer period than one year at a time, and such assistant may be continued only if the annual report of work shows progress or promise.

On motion of Mr. Trees, this recommendation was adopted.

3. With the approval of the department head and dean of the Graduate School, and of the President, a retired member of the faculty may offer conferences with advanced students in his line of work if said member had offered graduate courses before his retirement.

On motion of Mr. Barr, this recommendation was adopted.

REINVESTMENT OF MCKINLEY PROFESSORSHIP FUNDS

(24) A report from the Acting Comptroller that in accordance with the authorization of the Board at its meeting on September 18 he has purchased one Fourth Liberty Loan bond of the par value of \$600 at $98\frac{1}{2}$, the net total cost being \$590.63,

as an investment of part of the endowment funds of the McKinley Professorship of the Economics of Public Utilities.

This report was received for record.

At this point, Mr. Fisher withdrew.

PURCHASE OF GASOLINE CRANE

(25) A letter from the Acting Comptroller:

URBANA, ILLINOIS
October 10, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

Following are quotations received on a Gasoline Operated Crane for use in the handling of coal:

		<i>F.O.B.</i>
Link Belt Company.....	\$10 360	Chicago
American Hoist & Derrick Co.....	9 790	St. Paul, Minn.
H. D. Conkey & Company.....	8 175	Mendota, Ill.
Bucyrus Erie Company.....	9 935	Erie, Pa.
Marion Steam Shovel Company.....	10 685	Marion, O.
Osgood Company.....	11 705	Marion, O.
Ohio Power Shovel Company.....	13 175	Lima, O.
Industrial Brown Hoist Company.....	12 530	Cleveland, O.

Mr. J. A. Morrow, Superintendent of Buildings, has made careful inquiry concerning the equipment which each bidder proposed to furnish. He has seen the machines in operation and has found the one manufactured by the Link Belt Company best suited to our use. The three on which lower prices were made are much lighter than that of the Link Belt Company and reduced to a price per pound are more expensive. The H. D. Conkey Company machine is not suited to our use, being much too light and not having proper bucket equipment. Mr. Morrow checked the specifications with Professor Leutwiler and Professor Polson of the Department of Mechanical Engineering and has their opinions that mechanically, the Link Belt machine is superior to the others.

Mr. Morrow requests that the order be placed with the Link Belt Company at a price of \$10,360 f.o.b. Chicago and I recommend that the order be placed accordingly.

This purchase will be made from a specific appropriation of \$12,500 included in the 1929-30 budget for Physical Plant Extension.

Very truly yours,
H. M. EDWARDS
Acting Comptroller

APPROVED:
JAMES M. WHITE
Supervising Architect

On motion of Mr. Barr, the Acting Comptroller was authorized to make this purchase on the terms proposed, on the receipt of a written statement from Mr. Trees and the Supervising Architect certifying that certain questions which have not been clarified are satisfactorily answered.

REPRODUCTION OF PRESIDENT KINLEY'S PORTRAIT

(26) A recommendation from Professor White that the Editor of the *Illio* be permitted to send the portrait of President Kinley to Chicago for color reproduction.

On motion of Mrs. Evans, this recommendation was adopted.

QUARTERLY REPORT OF THE COMPTROLLER

(28) The following quarterly report of the Comptroller to the Board of Trustees as of September 30, 1929:

REPORT OF THE COMPTROLLER
QUARTER ENDED SEPTEMBER 30, 1929
SUMMARY

Reserve and Contingent Fund

The unappropriated balance of the Reserve and Contingent Fund (estimated excess of income of the year over appropriations) at the close of the quarter was \$294,085, as per Schedule A. The balance at the corresponding date a year ago was \$215,605.

Budget Income

Realization of the budget income for the quarter, as per Schedule B, was as follows:

	Estimate For Year	Per Cent of Year's Estimate Realized	
		This Year	Same Date Last Year
State Appropriations for Operation (Per Cent realized represents portion expended to September 30, 1929).....	\$4 765 000	21.9	25.1

Treasurer's Balance

The cash balance in all funds held by the University Treasurer at the close of the quarter, allowing for outstanding warrants, was \$1,212,712, Schedule C. On the corresponding date a year ago, the balance was \$1,268,570.

Budget Expenditures

Board appropriations to departments for the current fiscal year total \$6,231,388, including salaries \$4,117,349, expense and equipment \$2,114,039. These were 19.0% expended at the end of the quarter, and 2.7% encumbered. (Included in Schedule D). On the corresponding date a year ago these appropriations were 19.5% expended and 2.4% encumbered.

Trust Funds

Endowment funds from private gifts for special purposes (see Schedule F) are distributed as follows:

Educational Endowments.....	\$119 686
Student Loan Endowments (Of which \$160,936 was outstanding in student notes at the end of the quarter).....	181 782
Scholarship and Prize Endowments.....	84 556
Other Endowments.....	80 031

Total..... \$466 055

Indebtedness on Property

Outstanding indebtedness on University property at the end of the quarter consisted solely of 6% bonds totalling \$50,900 on the Dental Building in Chicago, due in 1932. Of this amount \$1,500 is held in the Treasury of the University (Schedule H).

Residence Halls

A summary of the operations in the residence halls for the year to September 12, 1929, is shown as Appendix I. The balance from operations in the residence halls at the end of the quarter was \$149,685, and in the Davenport House \$10,064.

Stadium Fund

An Appendix is included giving the report of the Memorial Stadium Fund, of which the Board of Trustees is custodian. (See Appendix II).

APPROPRIATION FOR BENEFICIARY OF PROFESSOR
C. S. CRANDALL

(29) Professor C. S. Crandall of the Department of Horticulture died on July 11, 1929. He was in active service on the staff from September 1, 1902, until September 1, 1926, when he was retired under the retiring allowance system. The death benefit which has accrued in his case amounts to \$1102.50.

I recommend that an appropriation of \$1102.50 be made from the Reserve and Contingent fund and that the Comptroller be authorized to make payment to the heirs or legal representative of Professor C. S. Crandall.

On motion of Mr. Barr, the President of the University was authorized to instruct the Comptroller to make this payment. The appropriation was made by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emerson, Mr. Fisher.

THANKS FROM ALUMNI ASSOCIATION

(31) A letter from the President of the Alumni Association:

September 21, 1929

Mr. David Kinley, President, University of Illinois

DEAR PRESIDENT KINLEY:

Will you kindly convey to the Board of Trustees the thanks of the officers of the Alumni Association for the \$3000.00 appropriation for the improvement of the *Alumni News*?

With the aid of this appropriation the *Alumni News* can accomplish its purpose much better than would otherwise be possible, and the help from the Board of Trustees is very much appreciated.

Sincerely,
C. S. PILLSBURY

BOND OF ACTING COMPTROLLER

(32) A report that proper action has been taken to transfer the bond of Mr. Morey to the Acting Comptroller during Mr. Morey's absence.

The name of Mr. Morey was removed from this schedule bond effective September 1, 1929, and the name of Mr. Edwards was added as at that date in the amount of \$25,000 which was the amount of Mr. Morey's bond. Before this change was made, it was necessary for Mr. Edwards to file the usual application for bond. When Mr. Morey returns the only action which will be necessary will be to replace his name and remove that of Mr. Edwards from the schedule.

This report was received for record.

ROYALTIES FOR KUNZ CELL

(33) A report from the Comptroller that no report of royalties due from the General Talking Films Corporation, successors to DeForest Phonofilms, Inc., for the use of the Kunz cell, has been received since December 1, 1928.

On motion of Mr. Trees, the President of the University was authorized to direct the Legal Counsel to take this matter up with the General Talking Films Company, and to take whatever action may be necessary.

AUTHORITY TO MAKE PURCHASES

(34) A letter to the Legal Counsel and an opinion of the Legal Counsel on the matter of the authority of the Purchasing Agent to act after an appropriation has been made by the Board.

September 30, 1929

Judge Sveinbjorn Johnson, 316 Law Building

DEAR JUDGE JOHNSON:

At the last meeting of the Board the question was raised whether the laws of the Board of Trustees, as they have existed since 1908, do, as a matter of fact, give the

Comptroller proper authority to make purchases for the University, unless specific directions are given by the Board to make the particular purchases.

The authority of the Comptroller will be found in Section 45-A, page 34 of the Extracts from the Laws of the Board of Trustees, dated December, 1926. Section 46 on the following page describes the authority of the Purchasing Agent who acts under the general direction of the Comptroller.

I call your attention first to Section C of Article 45, providing that "no expenditures shall be made excepting on authority of the Board and after an appropriation has been made therefor, as evidenced by its records." I call your attention also to the statement in Section 46 to the effect that the Purchasing Agent shall not make purchases "unless the records of the Board show that the purchase has been authorized and that an appropriation has been made therefor by the Board." In view of these provisions, I beg leave to submit the following questions:

1. Is the making of an appropriation by the Board sufficient authorization for the Comptroller, through the Purchasing Agent, to go ahead and purchase the article or articles for which the appropriation is made, or is it your opinion that in addition to making the appropriation the Board records must show action specifically authorizing the purchase?

2. Appropriations are made in the budget of the University either for the purchase of single articles or of a group of articles of the same general character and described under the same general head. For example, an appropriation of \$200 may be made for the purchase of a single microscope or other specifically named piece of apparatus. On the other hand, an appropriation may be made, as has been the custom for the past twenty-five years or more, if not previously, for a group of articles under some general head such as, "Equipment for the School of Music," "Equipment for the College of Engineering," or what not. If an appropriation of the latter kind is made for, we will say, equipment for the School of Music, is it necessary, under the rule, or under the law, or both, that each particular, separate piece of equipment to be bought shall also be authorized specifically by the Board, or may the Comptroller make the purchase of the various pieces of apparatus or equipment necessary and charge each of these to the appropriation for the general purpose? It is understood that when an appropriation is made for such a general purpose as equipment the list of things desired has been submitted by the department head and the dean to the President for inspection and approval or disapproval. As a matter of fact, practically every department in the University makes a request for equipment involving a much larger expenditure than I am ordinarily willing to approve. I have, therefore, in most cases, cut down the amount asked for before submitting my recommendations to the Board. The changing of the original list submitted may change the order of importance of the remaining articles for which an appropriation is made in toto. That is to say, if the department head asks for \$20,000 for equipment, say, in Mechanical Engineering, and submits a list of things which he would like to buy with \$20,000 and receives only \$10,000 he may revise his list and make a new list with a different scale of relative importance assigned to the articles in the original list. In other words, he must choose which are of most importance within the \$10,000 limit. It is, therefore, practically impossible to decide in advance exactly what particular pieces of apparatus the appropriation may be used to get, excepting in a general way. One reason for this is that the people who make up these lists prepare them far in advance. Some of the people who make them up are not present when the budget is adopted and new requirements for apparatus, due to changing enrollment, may come up at any time after the opening of the year and, of course, after the budget has been approved.

To give some illustrations: (1) A certain sum of money is appropriated for the purchase of library books. Is the Comptroller at liberty under his general authority to approve and purchase the books recommended by the heads of departments with the approval of the Librarian, or should he submit the title and price of each single book to the Board to receive authority to purchase it? This is an extreme illustration but the principle involved is the same as in the case, for example, of Mechanical Engineering or Electrical Engineering, where a lathe or a dynamo would be bought and charged against an appropriation for equipment in either of the departments. (2) An appropriation is made to the School of Music for equipment. May the Comptroller purchase the articles submitted by the Director of the School and approved by the President, whether sent in one by one at different dates or in a group, after

the Board has made an appropriation for "School of Music Equipment," provided, of course, that the total expenditure shall not exceed the appropriation? Must the Board take action directing the purchase of the particular articles before each is bought? (3) The Board makes annually an appropriation known as the "President's Entertainment Fund." This meets the expenses of receptions, monthly and others; entertainment of University guests, individually, or in groups; and all matters of that kind. May the Comptroller, under his general authority, pay such expenses or must he have action of the Board directing him to pay such expenses when duly submitted? Does the direction pertain to the whole group of different kinds of entertainment? Or, on the other hand, is it necessary for the Board to direct the Comptroller to meet the expenses of each particular entertainment?

If an appropriation has not been made for a specific article or for a group of articles, to be drawn against as per the practice described above, of course the specific request must go to the Board of Trustees for an appropriation, whether it be \$100 or \$5,000. It happens, therefore, that the Comptroller in presenting his monthly report of purchase orders to the Board reports sometimes the purchase of an article costing from \$500 to \$1,000 or several thousand dollars under the general authority given him by the rules, charged to the appropriation for the general group of articles of which the article purchased is one. At the same meeting, I may present a request for an appropriation of \$200 or \$300 for some article or articles. Surprise is sometimes expressed that the Comptroller makes an expenditure of the former magnitude while I am asking for specific authority for an expenditure of the smaller magnitude. The reason is that in the former case an appropriation has already been made, either for the particular article, or for a group of which the particular article bought is one; whereas no appropriation had been made in the latter case. Hence, a special request is necessary.

Summing the whole matter up:

1. A specific article, whether it cost \$10 or \$1,000, may not be purchased unless an appropriation has been made for the purpose by the Board of Trustees in advance.

2. If an appropriation has been made for a specific article, do the existing rules of the Board give the Comptroller sufficient authority to go ahead and purchase it without getting an action of the Board ordering him to purchase, in addition to making the appropriation?

3. When the Board has made an appropriation of, say, \$8,000 for equipment for the School of Music, is the Comptroller at liberty, on recommendation of the Director of the School of Music with the approval of the President, to purchase specific articles whose cost totals or falls within the whole amount appropriated for the group of articles, assuming that the general rules of the Board now in existence give him authority to make purchases when appropriations have been made? The essence of this question is, of course: Is an appropriation for a group purpose proper and sufficient without specification of the individual article?

4. If the rules of the Board do not at present give the Comptroller authority to purchase without a specific order to purchase, will you kindly suggest the amendments necessary to cover this point?

5. If, in your opinion, the appropriation of a total sum of money, like \$50,000 for the Library, does not carry with it sufficient authority to justify the Comptroller on recommendation of the Librarian to purchase the books called for by the several departments, must the Board order the purchase of individual books, or in what form can it make its appropriation so as to render this unnecessary?

I shall be much obliged if you will kindly consider these questions and prepare an answer for submission to the Board at its meeting on October 10, if possible.

Very truly yours,
DAVID KINLEY
President

October 7, 1929

President David Kinley, 355 Administration (West)

MY DEAR PRESIDENT KINLEY:

Your letter of September 30, 1929, raises two specific questions of law and in the background a matter of administrative policy. The latter is peculiarly a problem for you and the Board of Trustees to solve.

Your first question is, in substance, this: From the making of an appropriation for the purchase of a specific article may authority be implied to consummate the

purchase without further action by the Board of Trustees, or must the Board, in addition to making this specific appropriation, specifically authorize the proper officers to make the purchase?

The appropriation of money for the specific purchase of an article is a legislative act, but beyond the act of setting apart the particular sum is a decision on the policy of making the recommended purchase. That decision also involves an exercise of the legislative function. Once the Board has resolved that the article should be acquired and has appropriated the amount necessary, there remains merely the act, largely ministerial, of going into the market for the article. For the performance of the latter act the Board has named a Comptroller and Purchasing Agent who, with the specific approval of the President—"the executive agent of the Board"—execute the *policy* and make the purchase. With this last act the Board itself can normally, in the nature of things, have but little practical concern. The Board is in session for a few hours, approximately, once every thirty days. During the interim much business must necessarily be transacted by an institution the size of the University of Illinois. The other alternative is continuous sessions by the Board. I am clearly of the opinion, whether considered in the light of common sense or of legal analogies, that an appropriation of a specific sum for the purchase of a particular article implies an authorization to the Comptroller and the Purchasing Agent, without further action by the Board, to purchase the article.

The second question, as I understand from the illustrations which accompany it, is this: Assume an appropriation of \$50,000 for equipment for the School of Music without specification therein of the items for which the gross sum shall be expended; from the act of the Board of Trustees in making such an appropriation may it be legally inferred that the Comptroller and the Purchasing Agent, with the approval of the President, may, without further authorization as to each specific item of equipment or expenditure, go into the market and purchase such specific equipment as shall be deemed needful by the School of Music, the officers named, and the President? This question involves the whole subject of the legal effect of group or class, as distinguished from specific, appropriations. After consideration of the whole matter and an examination of the rules and statutes of the Board as found in the official Reports from the beginning, I answer the question in the affirmative.

Inasmuch as the question appears to be rather important, I deem it proper to assign some reason for my conclusion. You refer me to section 45 A, page 34, of the "Extracts from the Laws of the Board of Trustees," dated December, 1926, concerning the authority of the Comptroller, and to section 46 on the following page which describes the authority of the Purchasing Agent. You also refer me to subsection (c) of section 45, that "No expenditures shall be made excepting on authority of the Board, and after an appropriation has been made therefor, as evidenced by its records." Some of these regulations apparently have been in force twenty years, or more.

While the sections to which you specifically refer are important because they define the powers and duties of the Comptroller and the Purchasing Agent, there are other sections which must be noticed. Section 11 (a) on page 3 of the "Extracts from the Laws of the Board of Trustees," December, 1926, contains an answer to the question what the Board has heretofore considered its peculiar function in operating the University of Illinois. It is there said: "The functions of the Trustees are legislative and not executive. The Board is to secure, as far as possible, the needed revenues for the University and is to determine the ways in which the University funds shall be applied. It is to map out the University *policy*, but it must, of necessity, leave the *execution of that policy* to its executive agents. Such agents must be capable, and, within the general line of policy laid down by the Board, they should not be interfered with." The foregoing statement of function appears for the first time, as far as I can ascertain, in the Revision of 1908. See p. 57, Report of 1910. On September 30, 1898, the Board said, in a resolution that "it is no function of a trustee to act as superintendent of the University business."

In the light of the foregoing, the language of the by-laws and the statutes of the University must be read and interpreted. The Board clearly conceives that its functions are legislative rather than administrative or executive in their nature. This is in keeping with the only practical mode in which the University can be operated by the Board. The language used negatives the suggestion that the Board deems it its

proper duty to concern itself with all specific items of purchase, or with all the details of administration.

On September 13, 1892, the Board seemingly approved a compilation of by-laws which appears on pages 41-44 of the Report for 1894. All prior by-laws were repealed and two hundred copies of the compilation ordered printed.

Article X deals with the "business agent," whose powers and duties later devolved on the Comptroller and the Purchasing Agent. Section 1 of this article ends with this proviso: "*Provided*, also that all purchases *must first be authorized by the trustees.*" Thus, what the policy was in September, 1892, when the enrollment was about 714 and the annual appropriation for "taxes, salaries, repairs, and improvements" was about \$64,100, is not open to question. All purchases, except in cases of "necessity" and then only up to \$50 in amount, were required to have the advance approval of the Board.

On December 12, 1907, Report of 1908, p. 414, a committee on revision of the by-laws and the statutes was named. It reported on December 8, 1908, pp. 21 and 53, Report of 1910. Its report was "accepted and adopted." The Comptroller, Chief Clerk and Purchasing Agent displace the old business manager, and the powers and duties of the former are defined in new and materially different terms. The institution was growing and requirements which sufficed early in its history were fast becoming clumsy, impracticable, or obsolescent. There also appears, for the first time apparently, the official declaration by the Board concerning its true function, which I have set forth *supra*. While such a declaration might not be conclusive in all circumstances, it is important in connection with an attempt to interpret the language of the statutes and by-laws so as to give effect to the intent and purpose thereof.

In the revision of 1908 the specific prohibition of the proviso, *supra*, is dropped and there is introduced the method which has been substantially followed since concerning the purchase of equipment, etc. No expenditures were permissible "except on the authority of the Board"; in an emergency the President and the business manager might concurrently expend not to exceed \$350 without prior authorization by the Board; all purchases must be made by the Purchasing Agent, except when "other persons or committees" were given authority by the Board; and the Comptroller was given general charge of the business operations of the University.

We now come to section 34 (d), p. 63, Report of 1910, which, unless it has since been repealed, and of this no affirmative evidence has been found, seems to contain the answer to both questions propounded in your letter. Broadly, it provides that the Purchasing Agent shall make no purchase "unless the records of the Board show that the purchase has been authorized and that the money for payment thereof has been appropriated"; but an order for the purchase of "furniture, apparatus, or equipment" may be made by the Purchasing Agent without specific authorization in advance in all cases where an appropriation has been made by the Board *and when such purchase has the approval of the President*. Sections 34, p. 63, and 37, p. 66, Report of 1910. Section 37 on page 66, Report of 1910, provides that the duties of the business manager shall thereafter be performed by the Comptroller, the Chief Clerk, and the Purchasing Agent.

It is true that not all of the foregoing appears clearly in the pamphlet to which I am referred and which is labeled, "Extracts from the Laws of the Board of Trustees," dated December, 1926. In the first place, the pamphlet purports to be merely *extracts*, and not a complete compilation of the by-laws and statutes; and, in the second place, I do not deem myself bound to accept these "Extracts" as the *complete and exclusive* evidence of all the laws and statutes. The authorization for the publication of the "Extracts" appears on page 299, Report of 1924, and calls for a compilation. There has been no new or reenactment of these "Extracts" so as to make them the sole evidence of the governing rules.

There is not complete clarity in the statutes, nor does it appear that they have in all things been enacted as a unit. To illustrate, subsection (c) of section 34, page 63, Report of 1910, *supra*, says, in reverse order, almost exactly what is said in the concluding paragraph of section 37, page 66, of the same report.

I do not deem it necessary to prolong the consideration of this subject. A by-law of the Board which has not been repealed as far as I can ascertain, confers upon the Comptroller and the Purchasing Agent the power to make purchases of specific articles

with the approval of the President, when an appropriation has been made therefor, or for the group or class to which they belong, and no other prior authorization is necessary.

I should have reached the same conclusion on both propositions, had I not found section 34 (d), Report of 1910. The practical construction of the statutes and by-laws for a period of over twenty years, acquiesced in by several intervening Boards, I should have deemed conclusive on the subject of the correct interpretation of the rules.

Yours very truly,
SVEINBJORN JOHNSON
Legal Counsel

On motion of Dr. Noble, this report was received for record.

SUMMER SESSION WORK BY RETIRED MEMBERS

(35) A statement concerning the propriety of service on the summer session staff of other institutions by retired members of the staff of the University.

No action was taken on this matter.

At this point President Armstrong, being called from the room, asked Mr. Barr to take the chair.

RESIDENCE HALLS FOR WOMEN

(36) A statement concerning the advisability of starting the construction of a unit of a residence hall for women.

On motion of Mr. Trees, the Supervising Architect was directed to submit plans for an additional unit.

REGISTRATION, OCTOBER, 1929

(37) A report that the total number of students registered, as of October 6, 1929, was 12,371.

This report was received for record.

SPECIAL COMMITTEE ON PATENTS

President Armstrong announced that he had appointed Mrs. Evans a member of the Special Committee on Patents in place of Mr. Trees, who asked to be relieved of service on this committee.

TREASURER'S REPORT

Mr. Trees, for the Finance Committee, presented a recommendation that the Treasurer's report be approved.

On motion of Mr. Trees, this report was approved.

AUDIT REPORT OF ATHLETIC ASSOCIATION

Mr. Trees, for the Finance Committee, presented a recommendation that the report of audit of the Athletic Association accounts be received for record.

On motion of Mr. Trees, this recommendation was adopted.

INTEREST DUE FROM URBANA COKE CORPORATION

Mr. Trees reported that the Finance Committee had considered the request of Professor Parr that the date of crediting the cumulative interest payable by the Urbana Coke Corporation be deferred, and that the Committee regretted that it could not recommend the granting of this request.

On motion of Mr. Trees, this report was concurred in.

REPORT OF AUDIT

Mr. Trees, for the Finance Committee, reported a recommendation that the report of Arthur Young & Co. on the audit of the accounts of

the University for the year and for the quarter ending June 30, 1929, be received for record.

On motion of Mr. Trees, this report was received for record.

PRESIDENT'S HOUSE

On motion of Mr. Trees, the Committee on Buildings and Grounds was requested to report at the next meeting of the Board on the location and progress on plans of a house for the President of the University.

COMMITTEE ON SELECTING A PRESIDENT

Mr. Barr, for the Special Committee on Selecting a President of the University, reported that there were sundry expenses connected with the work of the committee, for travel, etc., and requested an appropriation.

On motion of Mrs. Evans, an appropriation of \$3500, or so much thereof as may be necessary, was made from the Reserve and Contingent fund for the expense of this committee, with the provision that all expenses chargeable to this fund are to be certified to the Comptroller by the Chairman of the Special Committee and the Chairman of the Finance Committee. The vote was as follows: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Dr. Noble.

DATE OF NOVEMBER MEETING

On motion of Mr. Trees, it was voted to hold the November meeting at the University, in Urbana, at 9:30 a.m., on Friday, November 15, 1929.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record a list of appointments made by the President of the University.

Alexopoulos, C. J., Assistant in Botany, on one-half time, for ten months beginning September 1, 1929, at a cash compensation of six hundred dollars (\$600). (September 20, 1929)¹

Amelotti, Emil, Assistant in Mathematics, on two-thirds time, beginning at the opening of the first semester, and continuing until February 1, 1930, at a cash compensation at the rate of one hundred dollars (\$100) a month. (September 25, 1929)

Arvin, M. J., Assistant in Physics, in the College of Engineering, on one-fourth time, beginning September 23, 1929, and continuing until June 30, 1930, at a cash compensation at the rate of thirty-five dollars (\$35) a month. (September 24, 1929)

Banta, Alonzella, Filing Clerk in the Agricultural Extension Service, in the College of Agriculture, for one year beginning September 1, 1929, at a cash compensation of one thousand one hundred forty dollars (\$1140). (September 17, 1929)

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 15, 1929

The November meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Friday, November 15, 1929.

The following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees.

President Kinley was present; also Professor J. M. White, Supervising Architect.

President Armstrong reported that he had ordered the change in place of this meeting on request of several members of the Board and by unanimous consent.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of September 18 and October 10, 1929.

On motion of Mrs. Evans, the minutes were approved as printed on pages 351 to 428 above.

IN MEMORY OF ROBERT RUSSELL WARD

On motion of Dr. Noble, the following resolution was adopted:

WHEREAS the late Honorable Robert Russell Ward was a member of the Board of Trustees of the University of Illinois from 1915 to 1921 and from 1927 to 1928, and

WHEREAS in his death on October 19, 1929, the Board of Trustees lost an honored colleague, the University a loyal alumnus, and the State a distinguished citizen,

THEREFORE BE IT RESOLVED that the Board of Trustees of the University of Illinois hereby desires to express to the members of his family its heartfelt sympathy with them in their loss and that this testimony of its appreciation and sorrow be spread upon the Minutes and that a copy of this resolution be sent to the members of his family.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

LEAVE OF ABSENCE FOR JUDGE JOHNSON

(1) Judge Johnson has been appointed by President Hoover a member of the American Commission to represent the United States at the Millennial Celebration of Iceland in 1930. This will necessitate his absence from the country from about the first week in June until approximately the first of August, 1930.

I recommend that leave of absence be granted Judge Johnson for this purpose for such time as necessary from the necessary date in June until the close of the summer vacation.

On motion of Mrs. Grigsby, this leave was granted.

SICK LEAVE FOR MISS HELEN PEFFER

(2) Miss Helen Peffer, Assistant in the School of Journalism, has been absent on account of illness since October 10, or thereabouts. Her work thus far has been carried by her associates. I therefore recommend that she be given sick leave on pay from October 10 to date, November 15.

On motion of Mrs. Busey, this leave was granted.

LEAVE OF ABSENCE FOR DEAN M. S. KETCHUM

(3) Dean M. S. Ketchum of the College of Engineering has been ill since September and there is no likelihood now that he will be able to return to his duties before the beginning of the second semester. In the meantime his work is being taken care of by Assistant Dean Jordan.

I recommend that Dean Ketchum be given sick leave on full pay from September 1, 1929, to January 31, 1930, or such portion of that time as may be necessary.

On motion of Mr. Barr, this recommendation was adopted.

REQUEST FROM MR. MOREY

(4) A request from Mr. Morey for a modification of the terms of his leave of absence for the first semester.

On motion of Mr. Barr, this matter was referred to the President of the University with power to act.

RELEASE OF PROFESSOR CHARLES F. GREEN

(5) A request from Dr. Charles F. Green, Assistant Professor of Mathematics, that he be released from his position and contract beginning November 16, to enable him to accept a position with the General Electric Company which offers him an unusual opportunity to be of service in research work in the development of means of safety in the operation of aeroplanes.

Professor Carmichael, the head of the Department of Mathematics, and Dean Babcock recommend that Professor Green be released. I concur.

On motion of Mr. Simpson, this release was granted.

**CONTINUATION IN ACTIVE SERVICE OF PROFESSOR
W. S. BAYLEY**

(6) A request from Professor W. S. Bayley, head of the Department of Geology, who, under the rules, is due for retirement at the end of the present academic year, that he be continued in active service in his present position for one year beginning September, 1930.

I have consulted a majority of the members of the department of higher rank, and other officers, and finding them preponderantly of the opinion that the interests of the department will be promoted by continuing Professor Bayley in service for another year, I so recommend.

On motion of Mr. Trees, this recommendation was adopted.

**APPROPRIATION FOR PROPOSED SURVEY OF COLLEGES OF
PHARMACY AND PHARMACEUTICAL EDUCATION**

(7) A request from Dean W. B. Day of the School of Pharmacy that the University contribute \$100 a year for three years toward a survey of schools of pharmacy and pharmaceutical education to be conducted by the American Association of Colleges of Pharmacy, and a recommendation that an appropriation of \$100 be made as payment for the current year.

On motion of Mr. Trees, this project was approved and the appropriation was made as recommended, by the following vote: Aye, Mr. Barr, Mrs. Evans, Mrs. Grigsby, Mr. Simpson, Mr. Trees; no, Mr. Armstrong, Mrs. Busey, Mr. Fisher, Dr. Noble; absent, Mr. Blair, Mr. Emerson.

APPROPRIATION FOR ELECTRICAL ENGINEERING LABORATORY

(8) A request from the Supervising Architect for an additional appropriation of \$5,000 for the rewiring of the remodeled Electrical Engineering Laboratory and the resetting of equipment.

I recommend that \$5,000 be appropriated from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emerson, Mr. Trees.

PURCHASE OF COAL FOR POWER PLANT

(9) A recommendation from the Acting Comptroller, Mr. H. M. Edwards, concurred in by the Supervising Architect, that the responsibility for the purchase of coal for use in the Power Plant at Urbana be placed on the Supervising Architect, who is in charge of operation, with authority to act for the Comptroller in the consummation of such purchases. On receipt of requisitions covering purchases made in this way bearing the approval of the Supervising Architect the Acting Comptroller will authorize the issuance of Purchase Orders to confirm the transactions.

Mr. Edwards further requests that the delegation of this authority be limited to the period of his service as Acting Comptroller, and that the continuation of this arrangement after such period be subject to confirmation by Mr. Morey on his return, February 1, 1930.

I recommend approval of this arrangement.

On motion of Mr. Trees, this recommendation was adopted.

**PURCHASE OF MILLING MACHINE FOR DEPARTMENT
OF CHEMISTRY**

(10) On recommendation of Dean Babcock of the College of Liberal Arts and Sciences based on a request of Professor Roger Adams, Head of the Department of Chemistry,

I ask permission to authorize the purchase of a milling machine for the Department of Chemistry at a cost of \$1946.50 including freight, the amount to be charged against the appropriation for Special Equipment in the College of Liberal Arts and Sciences.

On motion of Dr. Noble, this purchase was authorized.

REPORT ON PURCHASE OF CRANE

(11) A report of the purchase of a gasoline-operated crane for handling coal, from the Link-Belt Company, in accordance with the action of the Board at its meeting on October 10. The purchase of this equipment was authorized at this meeting, subject to the written approval of Mr. Trees and a statement from the Supervising Architect certifying that certain questions which were raised at the meeting had been satisfactorily answered. The specifications were checked over by Professor White and Mr. Trees approved the purchase.

This report was received for record.

EQUIPMENT FOR DEPARTMENT OF PHYSICS

(12) An appropriation of \$15,000 for special equipment for the College of Engineering was approved by the Board in the annual budget. The Dean of the College of Engineering has approved a requisition from the head of the Department of Physics for a glass spectrograph of a certain model to cost, with duty, brokerage, freight, insurance, etc., \$2,425, the amount to be charged against the appropriation already made. I have approved and authorized this purchase for the reasons that these articles are manufactured specially and that two of them happened to be on the manufacturer's hands in Germany, likely to be sold any day, and not replaceable before next spring.

On motion of Mr. Simpson, the President's action in this matter was confirmed.

PURCHASE OF CALVES FOR EXPERIMENTAL PURPOSES FOR THE DEPARTMENT OF ANIMAL HUSBANDRY

(13) The following letter from the Acting Comptroller concerning a requisition submitted to him by the Department of Animal Husbandry for the purchase of Hereford calves for experimental purposes:

October 31, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I am enclosing a requisition from the Department of Animal Husbandry calling for the expenditure of approximately \$5500 for two cars of Hereford calves to be purchased from the Chicago Producers Commission Association. This is the Chicago unit of the National Producers Feeder Pool which is a cooperative association for the marketing of livestock.

There is no definite quotation made by the Chicago Producers Commission Association but the price will be determined by the price at which a representative of the Pool who goes into the producing territory, contracts with the producer. The price is based largely upon the central livestock market at the time of purchase. Shipment is made direct from the point of production which, I understand, in this case will be Texas.

The following is a statement from Professor H. P. Rusk concerning this purchase:

"In previous years our cattle purchased through the Pool have been cheaper than similar cattle could have been purchased on the open market. This year I shall not be surprised if our Pool calves cost a little more than a similar grade of calves on the Kansas City market but purchasing through the Pool enables us to buy calves all of one brand, uniform quality and age, and have them shipped to us with the least danger of contracting disease enroute. Public stockyards cannot avoid being a source of infection in many cases. Taking all things into consideration I believe that purchasing through the Pool is our best procedure."

This transaction will follow the procedure employed in the purchase of experimental calves in the past. In 1927 the purchase amounted to \$4500 and was reported to the Board of Trustees at the December, 1927 meeting, and a similar purchase amounting to \$6325 was reported in December, 1928.

I have talked again with Professor Rusk concerning the time the shipment should be made and he states that it should come forward early in November. The time of transit will be from seven to ten days and as the weather will probably grow more severe, the possibility of loss through death and sickness in transit will be increased by delay in shipping. Last year the shipment arrived the first week in December and two of the calves were dead and a number of them sick, due to cold weather. Another reason for early shipment is that the more choice grade of stock will be available.

As this purchase would not permit competitive quotations and as it is important that early shipment be made, I request that I be authorized to place the order at once if possible.

Very truly yours,

H. M. EDWARDS
Acting Comptroller

I authorized this purchase.

On motion of Mr. Fisher, this action was confirmed.

AGREEMENTS FOR OPERATION OF THE CARTER-PENNELLS FARMS

(14) A recommendation from Dean Mumford for approval of new leases or articles of agreement with Messrs. John P. Hanson and Harry P. Irvin for the operation of the Carter-Pennell farms for the year beginning March 1, 1930.

On motion of Mr. Trees, this matter was referred to the Committee on Agriculture for consideration and report.

LOCATION OF WOMAN'S GYMNASIUM

(15) A request from the Supervising Architect for approval of the Site for the new Woman's Gymnasium, south of the Woman's Residence Hall.

On motion of Mrs. Evans, this location was approved.

On motion of Dr. Noble, the general design of the Woman's Gymnasium was approved.

APPROVAL OF PLANS FOR NEW MEDICAL BUILDING AND CHEMISTRY ANNEX

(16) A request from the Supervising Architect for the approval of the plans for the new Medical Building in Chicago and the plans for the Chemistry Annex.

On motion of Mrs. Grigsby, the floor plans and general scheme of the medical unit were approved, subject to a restudy of the general architectural effect to be approved by a special committee composed of Mr. Trees, Dr. Noble, and Mr. Fisher.

On motion of Mr. Trees, the plans for the Chemistry Annex were approved.

PAVING WRIGHT STREET

(17) A recommendation from the Supervising Architect that the project to pave Wright Street to a width of thirty-seven feet from University to Springfield Avenues, and of fifty-two feet from Springfield to Armory Avenues, be approved. The total to be paid by the University, including storm drainage sewers and other improvements, is estimated at \$54,000. I concur, provided that we do not thereby convey any of our rights in any University property which may be included in the street.

On motion of Mr. Trees, the recommendation of the President of the University for the paving of Wright Street according to the suggestions of the Supervising Architect was approved, with the reservation that the Board does not thereby waive any rights in the property, and with the proviso that, unless there are engineering or other valid objections, the pavement be made fifty-two feet wide throughout.

SALE OF KEY SYSTEM TRANSIT COMPANY BONDS

(18) A report from the Acting Comptroller that in accordance with the action of the Board on September 18 (Minutes, page 358) the Treasurer of the University has disposed of the bonds of the Key System Transit Company, par value \$5,000, at a price of \$16, making a gross return of \$800 from which is to be deducted \$12.50 for commission and \$34.37 for attorneys' fees, the latter payable to Cushing & Cushing of San Francisco for services rendered by them in connection with this matter.

The net return, amounting to \$753.13, has been credited to the Russell Loan Fund.

This report was received for record.

CANCELLATION OF DENTAL BUILDING BONDS

(19) A report from the Acting Comptroller that, in accordance with the action of the Board of Trustees on October 10, 1929, \$1,500 of first mortgage bonds of the College of Dentistry Building, purchased from University funds, have been cancelled as of December 31, 1929, the next interest date.

This report was received for record.

SUIT AGAINST THE UNIVERSITY BY BERTHA KAPLAN

(20) Miss Bertha Kaplan (now Mrs. Morris Spector) was appointed last January for eight months at a salary of \$183.33 a month as Instructor of Internal Medicine in the Department of Medicine. It appears that she absented herself during July and August, having informed Doctor Williamson that she was resigning, effective July 1. On the basis of that report her salary was stopped at the end of June. She is now suing for her salary for July and August. Her case is pending.

This report was received for record.

LOSS OF GOLD CRUCIBLE BY DEPARTMENT OF CHEMISTRY

(21) A report from the Acting Comptroller of the disappearance from the Department of Chemistry of a gold crucible, valued at \$48.66, some time between October 16 and 22. This crucible was lost while in the custody of Mr. Edward McMahan, an assistant in the Department, to whom it had been issued for use in his research work by Associate Professor C. S. Marvel, under whom Mr. McMahan works.

This report was received for record.

**PAYMENT OF DEATH BENEFIT IN THE CASE OF
PROFESSOR C. S. CRANDALL**

(22) A report from the Acting Comptroller that he has paid the death benefit, amounting to \$1,102.50, due in the case of Professor C. S. Crandall, to Mr. H. S. Capron, of Champaign, Executor of Professor Crandall's estate.

This report was received for record.

TRANSFER OF PATENT RIGHTS IN PHOSPHORUS TEST

(23) A report from the Secretary of the Board that he has received from Brown, Jackson, Boettcher, & Dienner, patent attorneys, the assignment of Mr. Roger H. Bray transferring to the University the whole right, title, and interest in and to the invention disclosed in his application for U. S. Letters Patent Serial No. 386,387, filed August 16, 1929, covering an improvement in Chemical Test, Case 1, (Test for Available Phosphorus in Soils).

This report was received for record.

SALE OF SOLUTION FOR TESTING SOILS FOR PHOSPHORUS

(24) On September 18, 1929 (Minutes, page 363), the Board authorized the Urbana Laboratories to manufacture and sell under certain specified conditions, a solution for testing soils for phosphorus, without the payment of royalties, until November 1, 1929, at the end of which period the question of the payment of royalty should be reviewed. This is the solution for the patent of which Mr. Bray has an application pending.

The Urbana Laboratories requests permission to continue the manufacture and sale of this solution after November 1, 1929. As the Executive Agent of the Board I authorized the company to continue this manufacture and sale until further notice,

but not extending beyond Wednesday, November 20, this permission being subject to confirmation by the Board, and to its decision as to the question of royalties.

On motion of Mrs. Evans, this action was confirmed, and the President of the University was directed to make further inquiry and to report at the next meeting of the Board.

ASSESSMENT OF CEMETERIES FOR LOCAL IMPROVEMENTS

(25) The following report from the Legal Counsel on the liability of cemeteries for assessments for local improvements.

October 18, 1929

Mr. A. J. Janata, 355 Administration (West)

MY DEAR MR. JANATA:

I have been considering your question communicated in your letter of October 14, concerning the liability of cemeteries for assessments for local improvements.

Under the Constitution, both of 1848 and 1870, the Legislature is given the power to exempt certain property from taxation. Under the Constitution of 1848, Section 3 of Article IX, the Supreme Court of Illinois held that the Legislature had no power to exempt the property of cemetery associations from assessments for local improvements; that the exemption authorized by the Constitution had reference to the exercise of the power to levy general taxes. Section 3 of Article IX of the Constitution of 1870 seems to me not to have changed in any material particular Section 3 of Article IX of the Constitution of 1848 on this precise point. Nor do I find in the Statutes of the State any specific exemption of the property of cemetery associations, although the language of Subsection 3 of Section 2 of Chapter 120 exempts from taxation all lands used exclusively as graveyards or grounds for burying the dead. Under the construction put upon the Constitution of 1848 in *City of Chicago v. Baptist Theological Union*, 115 Ill. 245 (1885), I do not believe this would be construed as evidencing an intent to exempt such property from special assessments for local improvements. Of course, private property in a cemetery cannot be sold for such assessments under an order of sale for a delinquent assessment against the property of the association. See *People, etc., v. Bloomington Cem. Assn.*, 266 Ill. 32. Nor would the court, I presume, order a sale of lots in which interment had been made in order to pay delinquent assessments.

I am of the opinion that the property of cemetery associations is not exempt from liability to assessment for local improvements.

Very truly yours,

PURCHASE OF MICROSCOPES

(26) A requisition from the head of the Department of Zoology, approved by the Dean of the College of Liberal Arts and Sciences, for twenty-four microscopes to be charged against funds provided for this equipment in the budget of this department. The Acting Comptroller submits a schedule of quotations received by the Acting Purchasing Agent on this equipment and they recommend that the order be placed with the Bausch & Lomb Optical Company, whose net price, after deducting the allowance they will make on old microscopes which will be turned in as part-payment for the new ones, is \$1,210.42, the lowest quotation received.

On motion of Mr. Barr, this purchase was authorized.

ASSESSMENT FOR SEWERS IN CHICAGO

(27) A report on the special assessment for a proposed system of sewers in Chicago (see Minutes, September 18, 1929, page 358, and October 10, 1929, page 403).

On motion of Mr. Fisher, the President of the University was directed to file objection to the assessment and to notify the assessors that while the University is not bound to pay such assessments, it has taken the ground that it should not stand in the way of public im-

provements and would voluntarily accept its share of the assessment, on condition that if any other assessments for this project are reduced, the University's assessment will be correspondingly reduced.

TELEPHONE PAY STATION IN LIBRARY BUILDING

(28) A recommendation from the Supervising Architect that the Illinois Bell Telephone Company be permitted to install a pay station in the Library Building.

I recommend approval of the following license granting the Illinois Bell Telephone Company this permission.

Permission is hereby granted to the Illinois Bell Telephone Company, its successors and assigns, to construct, operate, and maintain a pay station in the University of Illinois Library Building, Urbana, Illinois, at a place to be designated by the Supervising Architect.

This permission is granted with the understanding that the Illinois Bell Telephone Company will upon ten (10) days notice make such changes, alterations or removals of its property located and maintained, as above set out, as may be requested by the University of Illinois, and will indemnify and save harmless the owners of said property from any and all damages of the said property by reason of any negligence in the construction and maintenance of said company's equipment on the above property.

TRANSFER OF PATENT RIGHTS IN CELLULOSE DIGESTION

(29) A report from the Secretary of the Board that he has received from Brown, Jackson, Boettcher, & Dienner, Attorneys, the Assignment of Arthur M. Buswell and Clair S. Boruff transferring to the University all of their right, title, and interest in their application for United States Letters Patent Serial No. 386,080, covering an improvement in Cellulose Digestion, filed August 15, 1929, Case 1. (Process for the production of gas by the fermentation of cornstalks.)

OWNERSHIP OF PENNSYLVANIA AVENUE

(30) A letter from the Supervising Architect:

October 24, 1929

President David Kinley, 355 Administration (W)

MY DEAR PRESIDENT KINLEY:

The minutes of the Board of Trustees in their First Annual Report, page 147, dated October 18, 1867, contain the following entry:

"Mr Cunningham moved that permission be given to the road commissioners of Urbana township to lay out a road on the south side of the 160 acres known as the Model Farm. Referred to Committee on Farm."

This 160 acres extends from the east and west line thru the center of Armory Avenue to the north line of the cemetery and from Lincoln Avenue to Fourth Street. The part of the 160 acres bordering the cemetery was bought in three parcels and all three abstracts describe the property purchased by the University as extending to the

present north line of the cemetery. The part of that 160 acres fronting on Lincoln Avenue was bought in two parcels, and the Augustus tract fronting on Lincoln Avenue and south of the Forestry extends the University ownership to Florida Street.

There is a section corner stone in the intersection of Lincoln and Florida, and a half-section stone in Lincoln Avenue on the north line of the Forestry. The deeds for the two pieces which were a part of the 160 acres called for property south to the north line of the Augustus property which is the north cemetery line extended, and the deed for the Augustus property gives us title from that point to the section line.

These deeds, therefore, give the University title to a continuous strip of property between Florida and the north line of the Forestry. There is no question but that Pennsylvania Avenue from Lincoln to Fourth is entirely on the 160 acres referred to in the minutes as the Model Farm. The Gallivan Addition as platted extends over on to the University property approximately three feet.

Yours truly,

JAMES M. WHITE
Supervising Architect

CONTRACT WITH DE FOREST PHONOFILMS, INC.

(31) A letter from the Legal Counsel:

October 25, 1929

President David Kinley, 355 Administration (W.)

MY DEAR PRESIDENT KINLEY:

I enclose copy of a letter written yesterday to the General Talking Pictures Corporation, 218 West Forty-second Street, New York City, to call attention to the contract with the De Forest Phonofilms, Inc., concerning the Jacob Kunz patent.

Yours very truly,

SVEINBJORN JOHNSON
Legal Counsel

October 24, 1929

General Talking Pictures Corporation, 218 West Forty-second Street, New York, N. Y.

GENTLEMEN:

This is to call attention to the contract with De Forest Phonofilms, Inc., concerning the Jacob Kunz patent, no. 1381474, under which you have made one quarterly report, namely for the quarter ending March 31, 1929.

The Business Office has, in several communications and by telegraph, called attention to your failure to make the quarterly accounting as stipulated in paragraph 7 of the contract. You are in default for two quarters at this time.

The eleventh paragraph in the contract reads as follows:

"The Licensor shall have the right to terminate this agreement if the Licensee shall fail or refuse to comply fully with the terms hereof. In case the Licensor desires to terminate this agreement because of any default of the Licensee, the Licensor shall serve notice in writing upon the Licensee stating the character of such default and its intention to terminate this agreement. The Licensee shall then have thirty (30) days within which to comply with the terms of this agreement and in case of its failure to do so, this agreement shall become *ipso facto* terminated."

This matter has been referred to my office for attention, and will you kindly communicate with me in this connection immediately?

Yours very truly,

SVEINBJORN JOHNSON

On motion of Mr. Barr, the President of the University was authorized to serve legal notice to terminate this contract.

INVESTIGATION OF REINFORCED CONCRETE ARCHES

(32) A request from Assistant Dean Jordan of the College of Engineering for approval of an agreement with the Bureau of Public Roads of the United States Department of Agriculture for an investigation of reinforced concrete arches to be made by the En-

gineering Experiment Station. This agreement is for four years beginning January 1, 1930, with the understanding that it may be extended on mutual agreement. The Bureau agrees to pay \$12,000, and the American Society of Civil Engineers and the Engineering Foundation will contribute an equal amount for the expenses of this investigation making a total of \$24,000 for the four-year period. The Bureau further agrees that if the contributions from other parties exceed \$12,000, it will contribute additional funds equal to the total contributions received from other sources in excess of that sum, but not to exceed \$20,000. Professor W. L. Wilson of the Department of Civil Engineering, who will be in charge of the investigation, hopes that other outside agencies will provide \$8,000 which will bring \$8,000 more from the Bureau of Public Roads, thus making a total of \$40,000.

I recommend the approval of this agreement.

On motion of Mrs. Evans, this agreement was approved.

GIFTS TO THE UNIVERSITY

(33) The following report of gifts received by the University since the last report was made to the Board.

1. From the E. I. DuPont De Nemours & Company, \$750 for the renewal of the DuPont Fellowship for 1930-31.

2. From the W. A. Jones Foundry & Machine Company, two worm gear speed reducers valued at approximately \$500 for the use of the Department of Mechanical Engineering.

3. From the Cadillac Motor Car Company, one sectionalized Cadillac motor car chassis, the original cost of which was approximately \$10,000, for the use of the Department of Mechanical Engineering.

This report was received for record.

REPORT OF ARTHUR YOUNG & COMPANY OF THE AUDIT OF THE UNIVERSITY ACCOUNTS

(34) The following report from Messrs. Arthur Young & Company of the audit of the accounts of the University for the quarter ending September 30, 1929.

Board of Trustees, University of Illinois, Urbana, Illinois

October 29, 1929

DEAR SIRS:

We have audited the books of the University of Illinois for the quarter ending September 30, 1929, and submit the following brief summary of the work done and the result of the audit:

The Cash Receipts have been verified by checking all cash receipts vouchers into the cash book, supplemented by an examination of a substantial portion of the original departmental records. Cash received as recorded has been duly deposited with the University Treasurer. The warrants drawn on the University Treasurer and those certified to the State Auditor have been checked into the cash book, and a substantial portion of the supporting vouchers has been examined with respect to authorization, object of expenditure and receipt of goods or services by the University. The footings of the cash book have been approved.

The cash balance in the hands of the University Treasurer as at September 30, 1929, together with the securities in his custody, as shown by the books of account, have been verified by actual inspection and confirmation from depositories.

The Income for the quarter under audit has been verified by extensive detail checking and comparison with the files of the Registrar, the Principal of the University High School, the School of Music, Sales Departments and other independent records.

The accounts of the Chicago Departments and of the Stadium Fund have been audited along the lines indicated above and have been found correct.

The records of the meetings of the Board of Trustees of July 17 and September 18, 1929, have been examined and all actions affecting the finances of the University, in so far as they had been consummated up to the time of our audit, have been checked into the books of account. A similar examination has been made of the minutes of previous meetings with respect to items that had not been consummated at the time of previous audits.

The records of the Purchase Department have been examined, and a number of the larger purchase orders issued have been compared with relative bids and quotations.

We hereby certify, that so far as we have been able to ascertain by an extended detail examination,

All Income which the University should have received during the quarter ending September 30, 1929, has been received and duly accounted for.

All Disbursements have been made for University purposes and have been properly authorized, and the expenditures have been correctly recorded in the books of account.

The Cash and Securities as shown by the books at September 30, 1929, are correct in amount and have been verified by actual inspection, count or direct confirmation from the depositories.

The Report of the Comptroller to the Board of Trustees for the quarter ending September 30, 1929, a copy of which is attached hereto, is in accordance with the books and, in our opinion, is correct.

The Financial Report of the Comptroller to the Governor of the State of Illinois for the quarter ending September 30, 1929, and the Final Report of September 30, 1929, covering the appropriations for the biennial period 1927 to 1929, are in accordance with the books and, in our opinion, are correct.

Yours faithfully,

ARTHUR YOUNG & Co.

This report was received for record.

AMENDMENT TO ARTICLE 46 OF THE STATUTES

(36) A suggestion that article 46 of the University statutes as printed in the "Extracts from the Laws of the Board of Trustees," 1926, be considered for possible clarification.

Action on this matter was deferred

MEETING OF EXECUTIVE COMMITTEE, OCTOBER 26, 1929

The Secretary presented for record the minutes of a meeting of the Executive Committee.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a.m. on Saturday, October 26, 1929. Mr. James W. Armstrong, Chairman, Mr. Merle J. Trees and Mrs. Helen M. Grigsby, members of the committee, and President David Kinley were present.

The Executive Committee considered the following matters presented by the President of the University.

BINDER MATERIALS FOR PAVING

(1) A recommendation that the Supervising Architect be permitted and authorized to experiment with binder materials of several companies on sections of our campus

drives, the binder materials to be furnished by the companies without cost to the University.¹

On motion of Mrs. Grigsby, this permission was granted.

APPROPRIATION FOR MOVING OF DEPARTMENTS

(2) A request from the Supervising Architect for an appropriation of \$2,000 for the moving of departments.

This includes moving of departments into Lincoln Hall; the redistribution of books in the first unit of the new Library necessitated by the moving of the seminars from Lincoln Hall; the moving of the English seminar from the top floor of the first unit to the third floor of the third unit; also the rearrangement of the newspaper files; none of these were included in Professor White's estimate in requesting an appropriation of \$1,000 which was made at the July meeting of the Board for the moving of books into the Library.

I recommend that an appropriation of \$2,000 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Grigsby, Mr. Trees.

REMOVAL OF LUNCH WAGON AT CORNER OF ARMORY AVENUE AND FOURTH STREET

(3) For a long time a lunch wagon on wheels has occupied space on our property at the corner of Armory Avenue and Fourth Street.

I recommend that this lunch wagon be ordered removed.

On motion of Mr. Trees, this recommendation was adopted.

CASHIER IN DISPENSARY

(4) A recommendation from the Acting Comptroller that the position of Dispensary Cashier be established in the Dispensary of the College of Medicine at a salary of \$1200 per year beginning November 1, 1929.

This will provide a central cashier to make collections of all dispensary charges hitherto collected in the Dispensary, Drug Room, and in the Department of Dermatology.

Since the other duties of attendants in the separate departments hitherto authorized to collect these charges have become too onerous to admit of their continuing to perform it, I concur in this recommendation and recommend further that an appropriation of \$1,000 be made from the Reserve and Contingent Fund to provide the salary of this position for the balance of the fiscal year 1929-1930.

On motion of Mrs. Grigsby, this recommendation was adopted and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Grigsby, Mr. Trees.

PURCHASE OF NEW ORGAN FOR SCHOOL OF MUSIC

(5) A letter from Director Stiven stating that the Wicks Pipe Organ Company has offered to exchange the present organ installed by them in 1920 for a new three-manual teaching organ at a price of \$1400 plus the cost of installation, which will amount to \$125. The original cash consideration proposed was \$1250, but Professor Stiven wishes to add six couplers at \$25 each, not included in the original specifications. A new organ of this type would cost from \$5,000 to \$6,000, but since the Wicks Company's present organ is a poor instrument in comparison with their new product the Wicks Company is willing to make this concession in price. The Supervising Architect has visited their factory and reports that their manufacturing methods have been greatly improved. Deans and directors of other schools of music in the middle west testify to the quality of the new Wicks organ.

Director Stiven recommends that a new organ be purchased in exchange for the old on the above basis, the cost and installation charges to be paid from the funds appropriated for special equipment for the School of Music for 1929-1930. I concur and recommend that authority be given the Comptroller and Secretary of the Board to execute a contract for this purpose.

On motion of Mrs. Grigsby, this purchase was authorized as recommended.

The Executive Committee adjourned.

MEETING OF EXECUTIVE COMMITTEE NOVEMBER 15, 1929

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in Chicago on Friday, November 15, 1929. Present, Mr. Armstrong, Mrs. Grigsby, Mr. Trees, and President Kinley.

President Kinley requested that the action of the Committee on October 26, 1929, concerning experiments with binder materials, be reconsidered. On motion of Mrs. Grigsby, this action was reconsidered.

President Kinley requested that the action be stated as follows:

BINDER MATERIALS FOR PAVING

(1) A recommendation that the Supervising Architect be permitted and authorized to experiment with binder materials of several companies on sections of our campus drives, the expense (\$600) to be met out of funds already appropriated for Physical Plant extension.

On motion of Mr. Trees, this recommendation was adopted.

The Executive Committee adjourned.

SPECIAL COMMITTEES ON BUDGET MATTERS

Mr. Trees, for the Special Committee on budget matters, presented the following report.

The committee appointed to study budget matters recommends approval of the President's policy of bringing to any meeting of the Board or of the Executive Committee recommendations in reference to any salary or budget adjustments.

On motion of Mr. Trees, this report was adopted.

MOTION TO RECONSIDER APPROVAL OF MINUTES

Mr. Barr offered a motion that the action (page 429) approving the minutes of the meeting of September 18, 1929, be reconsidered. This motion was lost by a vote of five to three.

MCKINLEY HOSPITAL REPORT

Dr. Noble, for the Special Committee on the McKinley Hospital, to which committee the financial report of the Hospital for the past year was referred, made a report of progress.

NAMING STREETS AND BUILDINGS

Mr. Barr, for the Special Committee on naming streets and buildings, made a report of progress and asked for more time.

PRESIDENT'S HOUSE

Mr. Barr, for the Committee on Buildings and Grounds, reported progress and asked Professor White to make a statement on the plans for a house for the President of the University.

Professor White presented preliminary plans and sketches.

On motion of Dr. Noble, the report was received for record and the committee was given further time for the consideration of this matter.

On motion of Mr. Barr, the committee were authorized, if they deem it advisable, to secure the cooperation of Mr. Platt on the plans for the President's house.

PLACE OF DECEMBER MEETING

It was voted, on motion of Dr. Noble, that the December meeting be held in Chicago at 9:30 a.m. on Tuesday, December 10, 1929.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record a list of appointments made by the President of the University.

Aaronson, Abe L., Instructor in Physiological Chemistry, in the Department of Physiology and Physiological Chemistry, in the College of Medicine, on one-fifth time, for ten months beginning November 1, 1929, at a cash compensation at the rate of thirty dollars (\$30) a month. (October 30, 1929)¹

Andersen, A. L., Animal Keeper in the Department of Surgery, in the College of Medicine, on one-half time, beginning October 9, 1929, and continuing until September 1, 1930, subject to the rules of the Civil Service Commission, at a cash compensation at the rate of fifty-seven dollars and fifty cents (\$57.50) a month, this superseding his previous appointment. (November 6, 1929)

Archdeacon, Maude, Stenographer in the Office of the University Press, beginning October 7, 1929, and continuing until August 31, 1930, subject to the rules of the Civil Service Commission, at a cash compensation at the rate of one hundred dollars (\$100) a month. (October 9, 1929)

Batko, John B., Assistant in Anatomy, in the College of Medicine, on one-fourth time, for eight months beginning October 1, 1929, at a cash compensation at the rate of twenty-five dollars (\$25) a month. (October 21, 1929)

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 4, 1929

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Wednesday, December 4, 1929, pursuant to the following call which was sent out by the Secretary on November 29, 1929:

On the call of the President, Mr. James W. Armstrong, a special meeting of the Board of Trustees of the University of Illinois will be held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Wednesday, December 4, 1929, to consider certain matters of finance and appointments, and such other matters as the committees of the Board and the President of the University may present.

The following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present; also Professor J. M. White, Supervising Architect.

President Armstrong stated that this was a special meeting called primarily for the purpose of taking action on the resignation of the Treasurer, and presented the resignation of Mr. A. M. Burke from the office of Treasurer of the University.

After discussion, action on this resignation was deferred.

At this point, Mr. Fisher withdrew for a time; he returned later in the day.

MINUTES PRESENTED

The Secretary presented the minutes of the meeting of November 15, 1929.

Action on the minutes was deferred.

EXECUTIVE COMMITTEE ACTION

The Executive Committee reported its action appropriating \$600, or so much thereof as may be necessary, for the inspection of rooming houses as authorized by the Board on March 12, 1929 (page 151).

This report was received for record.

IN MEMORY OF MRS. CARRIE ALEXANDER-BAHRENBURG

On motion of Mrs. Busey, the following resolution was adopted.

WHEREAS the late Mrs. Carrie Thomas Alexander-Bahrenburg was a member of the Board of Trustees of the University of Illinois from 1901 to 1913, and

WHEREAS in her death on November 25, 1929, the Board of Trustees lost an honored, beloved former colleague, and the University a loyal friend,

THEREFORE BE IT RESOLVED that the Board of Trustees of the University of Illinois hereby desires to express to the members of her family its heartfelt sympathy with them in their loss and that this testimony of its appreciation and sorrow be spread upon the Minutes and that a copy of this resolution be sent to the members of her family.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPOINTMENT OF PROFESSOR JULIO JIMÉNEZ RUEDA

(1) A recommendation from Professor Carnahan, concurred in by Dean Babcock, that Professor Julio Jiménez Rueda of the faculty of the University of Mexico be appointed Visiting Professor of Spanish for the second semester, or from February 1 to June 30, 1930, at a salary of \$3,000 and his traveling expenses from the City of Mexico to Champaign-Urbana and return.

I concur in this recommendation.

On motion of Mr. Trees, this recommendation was approved.

APPOINTMENT OF PROFESSOR OF PHYSICS FOR 1930-31

(2) A request for authority to appoint a professor of Physics in place of Professor Libman, resigned, at a salary not to exceed \$6,000, beginning September 1, next.

On motion of Mrs. Evans, this authority was granted.

RESIGNATION OF DR. ETHEL E. LITTLE

(3) A request from Dr. Ethel E. Little, Associate in Hygiene and Medical Adviser for Women, concurred in by Doctor Beard and Director Huff, that she be released from her contract not later than February 1, 1930, and earlier if a successor can be secured before that date, in order that she may accept another position.

I have authorized her release.

This report was received for record.

APPROPRIATION FOR REPAIRS TO EQUIPMENT IN DEPARTMENT OF ELECTRICAL ENGINEERING

(4) A request from Assistant Dean Jordan of the College of Engineering for an appropriation of \$1425 to the Department of Electrical Engineering to reimburse it for expenses already incurred in repairing equipment damaged by the overflow of the Bone Yard Creek and the backing of water into the basement of the Electrical Laboratory, and to pay for the rest of repairs necessary.

I recommend that \$1425, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for this purpose.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Barr, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

APPROPRIATION FOR MUSEUM CASE

(5) A request from the Curator of the Natural History Museum, concurred in by Dean Babcock, for authority to purchase an additional case for bird specimens, costing \$655, installed, the amount to be charged to the special equipment fund of the College of Liberal Arts and Sciences.

I recommend approval.

On motion of Mrs. Evans, this purchase was authorized.

APPROPRIATION FOR PICTURES FOR COLLEGE OF MEDICINE

(6) A request from Dean D. J. Davis for an appropriation of \$200 for the purchase and framing of pictures of interest to medical students to be hung in the Research Laboratory and Library.

I recommend that an appropriation of \$200 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

APPROPRIATION FOR RETIRING ALLOWANCE FOR E. D. BROTHERS

(7) A request from the Acting Comptroller that an appropriation be made to pay the retiring allowance of Mr. E. D. Brothers, Lecturer in Medical Jurisprudence, who was retired, after a service of 24 years, effective September 1, 1929 (Minutes, September 18, 1929, page 360). His retiring allowance amounts to \$147 a year, but provision for it was not made in the budget for this year.

I recommend that an appropriation of \$147 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

APPROPRIATION FOR PURCHASE OF SAFES FOR DEPARTMENTS OF CHEMISTRY AND AGRONOMY

(8) The Acting Comptroller reports that the present facilities for storing gold and platinum ware used by the Departments of Chemistry and Agronomy do not provide adequate protection against burglary, and recommends that an appropriation of \$500 be made for the purchase of two burglar-proof safes at \$250 each for this purpose.

I recommend that an appropriation of \$500 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

PURCHASE OF A SAFE FOR THE STORAGE OF RADIUM IN THE COLLEGE OF MEDICINE

(9) A request from the Dean of the College of Medicine for authority to use part of the Special Equipment Fund of the College for the purchase of a safe (at a cost of approximately \$200) for the storage of radium. The purchase of this radium was authorized by the Board on April 10, 1929 (Minutes, page 158).

I concur.

On motion of Mrs. Busey, this purchase was authorized.

APPROPRIATION FOR PATHOLOGY AND BACTERIOLOGY IN THE COLLEGE OF MEDICINE

(10) On account of the additional number of students taken into the first-year class in medicine, for whom additional provision was made in the Departments of Chemistry and Anatomy for the current year, (Minutes, page 398), it is necessary to make similar provision in Pathology and Bacteriology and also to prepare in advance material to be used by these students in the second year. Dean Davis reports that the supplies and equipment for the work in the two Departments will require approximately \$2500 and that in addition he will need a full-time instructor, two technicians, and a laboratory helper, the total being \$6080. He requests that this amount be appropriated from the Reserve and Contingent Fund for these purposes and I concur with the proviso that the adjustment among the items be subject to the approval of the President.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

APPROPRIATION FOR PAYMENT FOR SERVICES OF PATENT ATTORNEYS

(11) The Supervising Architect submits a statement received from Brown, Jackson, Boettcher, & Diener for services rendered on various patent matters totalling \$244.20 with the recommendation that this be paid.

I recommend that an appropriation of \$244.20 be made from the Reserve and Contingent Fund for this payment.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

ARCHITECTS' FEE FOR MEDICAL AND DENTAL LABORATORIES PLANS

(12) The Supervising Architect submits the following bill from Granger & Bolenbacher for services rendered on the plans for the Medical and Dental Laboratories, with the recommendation, in which I concur, that the bill be paid and the amount charged to the appropriation for this building.

The contract with the architects calls for the payment of 20% of their fee when the supplementary studies have been completed, to the amount of \$14,400.

On motion of Dr. Noble, this payment was authorized.

PAVING OF STREETS IN URBANA

(13) A recommendation from the Supervising Architect that the Board give consideration to the paving of the streets surrounding Illinois Field. He estimates that to pave the streets in Urbana which are on the east, south, and north sides of the field, and also Springfield Avenue from Romine Street to Mathews Avenue, using concrete pavement 36 feet wide, will cost \$42,000. This can be paid for as a city improvement on the instalment basis, and, inasmuch as the University owns over half the frontage the City of Urbana will proceed with this pavement on request of the University. The University's share of the improvement would be about \$25,500.

On motion of Dr. Noble, this matter was referred to the Committee on Buildings and Grounds for investigation and report.

OWNERSHIP OF PENNSYLVANIA OR MAPLE AVENUE

(14) A report from the Supervising Architect that he has had a survey made by Mr. E. E. Anderson, Civil Engineer in his office, showing the land acquisitions of the University in the South Half of Section 18. This survey shows that the so-called Gallivan Tract overlaps or extends over on University ground on Maple Avenue (which is the extension of Pennsylvania Avenue in Urbana west of Lincoln Avenue) 3.8 feet on its east side and 1.9 feet at its west side—an average of 2.85 feet throughout the width of the Addition of 555.2 feet.

I request instructions as to informing the owners of the adjacent property and the officials of the City of Urbana concerning the limits of the University property.

On motion of Mr. Trees, the President of the University was directed to notify the owners of the property and the City of Urbana, and to take all necessary steps to protect the rights of the University.

REBATES ON SPECIAL ASSESSMENTS

(15) A report from the Acting Comptroller that he has received from the City of Champaign \$2,254.09 in rebates on special assessments—\$1,459.17 on the Fourth Street and \$794.92 on the Armory Avenue assessment.

He reports further that he has been advised by the City Treasurer that there are not sufficient funds at present to make a rebate of \$646.87 on account of the Scott Sanitary Sewer but that the City expects to be able to make payment about the first of the year.

On motion of Mr. Barr, this report was received for record and the proper officers of the University were directed to follow up such rebates and collect them when due.

PURCHASE OF JONES PROPERTY

(16) A report from the Acting Comptroller that in accordance with the action of the Board on September 18, 1929 (Minutes, page 387) he has concluded the purchase of the Jones property for \$9,000, the University to assume the taxes for the year 1929, due in 1930, and special assessments, if any. This property is described as follows:

Lot Two (2) in Block Two (2) in Burpee, Curtis, and Somers Addition of Out Lots to Urbana, except the East Seventy-seven (77) feet thereof.

Lot Three (3) in Block Four (4) of Urbana Railroad Company's Addition to Urbana, Illinois, except the North Sixteen (16) feet of said Lot Three (3).

On motion of Mr. Trees, this report was received for record.

REPORT ON DEFOREST PHONOFILMS INC. CONTRACT

(17) A report from the Legal Counsel that in accordance with the instructions of the Board at its meeting on November 15, he has sent by registered mail a notice to the General Talking Pictures Corporation that the contract between the University and the DeForest Phonofilms Incorporated will be in all things terminated thirty days after the receipt by them of said notice.

On motion of Mrs. Evans, this report was received for record.

CONTRACT WITH STATE BOARD OF VOCATIONAL EDUCATION

(18) A request from the State Board of Vocational Education that the University enter into two contracts with the Board; one for the instruction of six students during the year beginning September 16, 1929, and one for the instruction of two students for one year beginning February 3, 1930. The Board agrees to pay all fees for these students upon presentation of bills for the same by the University. These contracts are of the same form and character as those which have been entered into in the past and I have authorized the Acting Comptroller and the Secretary of the Board to execute them for the University.

On motion of Mrs. Busey, this action was confirmed.

SUIT AGAINST THE UNIVERSITY BY MRS. BERTHA KAPLAN SPECTOR

(19) A report from the Legal Counsel that on November 22 he appeared in the Municipal Court of Chicago for the University in the case of Mrs. Bertha Kaplan Spector

who, as was reported at the November meeting, sued the University for her salary for July and August, 1929. After some arguments the Court quashed the service in the action, being, evidently, of the opinion that it had no jurisdiction over the Board of Trustees of the University of Illinois.

On motion of Mr. Trees, this report was received for record.

THEFT OF MONEY FROM MILITARY DEPARTMENT

(20) A report from the Supervising Architect, transmitting one from Lieutenant F. A. March, Adjutant of the Military Department and Supply Officer of the University, that sometime between 5:00 p.m. on November 5, when he left the office, and 9:00 a.m. on November 6, when he returned, a sum of money (amounting to \$85) disappeared from the safe in the Commandant's Office in the Armory. About \$30 of this amount was for the payment of enlisted men whom Lieutenant March had engaged for the Athletic Association to serve as traffic police on the day of the Homecoming Game; the other \$55 was a reimbursement to him for a personal check which he had issued to pay for similar services of soldiers from Rantoul whom he had secured for traffic work. So there is no loss of University funds involved, since Lieutenant March is responsible for the payroll money and the balance was his own property.

An investigation was immediately started but there seemed to be no clues as to who might have taken the money. The investigation showed that the offices of the Military Department were not always locked when the employees left the building in the evening, so that the entire suite was open to any one who might be passing through the building between five and six o'clock in the evening. This, of course, has been corrected.

On motion of Dr. Noble, this report was received for record.

SUNDAY WORK IN MECHANICAL ENGINEERING LABORATORY

(21) A request from Professor Willard, concurred in by Assistant Dean Jordan, that two research assistants in mechanical engineering be permitted to make certain observations on Sundays in their work with the Low Temperature Testing Plant in the Mechanical Engineering Laboratory which needs to be run continuously and requires observations over long periods of time.

I have authorized this work.

This report was received for record.

GIFTS TO THE UNIVERSITY

(22) The following report of gifts received by the University since the last report was made:

From Mr. James M. Cowan of Aurora, an oil painting, "Pikes Peak" by Ernest Lawson, N.A. The painting may be reasonably estimated at \$1800 market value.

From the Chemical Foundation to the Department of Chemistry, an offer to purchase for use in research work a quartz prism optical spectrograph valued at \$1475.

From Mr. Robert Allerton of Monticello, \$800 for the continuation of the American Traveling Scholarships in Architecture during the current year.

From Mrs. Lucy Orme Morgan of Bloomington, certain historical manuscripts, including letters, newspapers, and a scrapbook of the Civil War period.

From the American Can Company to the Department of Bacteriology for experimental purposes, five hundred empty tin cans for use in the Animal Room, and numerous cans of food for use in the Laboratory.

I have authorized acceptance of these gifts.

This report was received for record.

CONTRACTS AND PURCHASES

(23) The following report from the Acting Comptroller of contracts and purchase orders of \$1,000 or more executed since the last report was made:

CONTRACTS EXECUTED BY THE ACTING COMPTROLLER NOVEMBER 7, 1929 TO NOVEMBER 30, 1929

Minor contracts executed on special authorization of the Board of Trustees at meeting of November 15, 1929:

This report was received for record.

**FUNDS FOR THE STUDY OF TOXINS OF
STREPTOCOCCUS EPIDEMICUS**

(24) A report from Dean D. J. Davis that the Scientific Research Committee of the American Association of Medical Milk Commissions and the Board of Directors of the Certified Milk Producers Association of America has offered to grant him \$3500 for a study of the toxins of the streptococcus epidemicus. In granting these funds, the Committee accepts the conditions and rules of the University covering research projects. Dean Davis recommends that this offer be accepted.

I concur in his recommendation, and recommend further that the Comptroller and Secretary be authorized to execute the usual agreement covering this investigation. This agreement is of the form and character of other agreements heretofore approved by the Board.

On motion of Dr. Noble, the execution of this agreement was authorized as recommended.

SABBATICAL LEAVES OF ABSENCE

(25) Requests from the following members of the staff for sabbatical leaves of absence under the rules for the academic year 1930-31 for the purpose of study and travel abroad:

Professor Ernest Bernbaum
Professor Jacob Zeitlin
Professor John A. Fairlie
Associate Professor Ben E. Perry

These requests are approved by Dean Babcock of the College of Liberal Arts and Sciences and I concur in the approval.

On motion of Mrs. Grigsby, these leaves were granted.

AMENDMENT OF RULE GOVERNING PURCHASES

(26) At the last meeting of the Board I submitted a suggested amendment to Article 46 of the Extracts from the Laws of the Board of Trustees, edition of December, 1926, page 35. After discussion I requested that the matter be held over for further study. I have again consulted our Legal Counsel and now recommend that said article be amended as follows:

Change the sentence reading, "But shall not do so unless the records of the Board show that the purchase has been authorized and that an appropriation has been made therefor by the Board" to read as follows: "But shall not do so unless the records of the Board show that a general or specific appropriation has been made by the Board to meet the same."

The Legal Counsel and myself are of the opinion that this change will remove the ambiguity in the present rule.

On motion of Mr. Trees, this amendment to the statutes was made as recommended.

MANUFACTURE AND SALE OF PHOSPHORUS TEST SOLUTION

(27) As was reported at the last meeting, the Urbana Laboratories requested permission to continue the manufacture and sale of the phosphorus test solution developed by the University. This concern was authorized by the Board to manufacture and sell this solution under certain conditions and without the payment of royalties until November 1, 1929. In accordance with the instructions of the Board at its last meeting, I requested the Superintendent of Business Operations and the Acting Comptroller to inquire into the matter of suitable conditions of a contract and they report as follows:

December 3, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

We have analyzed the report submitted by the Urbana Laboratories as of the date of November 13, of their sales of the solution known as the "Field Test for Available Phosphorus in Soils," and find that to that date they had sold 378½ quarts and distributed it to 17 different states in the union.

The production cost has run somewhat higher than the original estimate of \$.74 a quart and is now figured at \$.94 a quart. The selling price varies with the size of the package and the quantity purchased, but the average on the amount sold to date has been \$1.37 per quart. The cost price of \$.94 includes nothing for overhead or profit so that there is a balance there of \$.43 to cover these items and any royalties which the University decides to charge. The cost of the solution is only about \$.20 a quart, the other charges being for bottling, packing, shipping, etc.

We recommend that a contract be made with the Urbana Laboratories for the manufacture and distribution of this product at a royalty of \$.10 a quart for the balance of this year and for the year 1930, the contract to become effective as of the date of its authorization by the Board of Trustees with the royalties retroactive to November 21, 1929. The contract will provide that the Urbana Laboratories shall keep their records in a manner satisfactory to the Comptroller, and for the payment of royalties quarterly. At the end of the year 1930, operations for the year will be reviewed to determine whether the contract will be continued in force and if so, whether on the same or on a different basis.

A review of the material submitted by the Urbana Laboratories indicates that the price at which this material is being sold cannot be considered commercially profitable, but because of the fact that the company has salesmen on the road selling other products to the farmer, no sales costs are included. We therefore feel that the Laboratories are handling this as a side issue more for the service they are rendering the farmer than because of the profit there is in it to them, and that under these circumstances there is no justification for charging a higher royalty unless we authorize an increase in the price, which does not seem wise at the present time, and the terms recommended as given above are entirely satisfactory to the Urbana Laboratories.

Very truly yours,

JAMES M. WHITE
Supervising Architect

H. M. EDWARDS
Acting Comptroller

On motion of Mrs. Grigsby, the recommendation concerning contract and royalties was adopted.

ELEVATOR FOR AGRONOMY SEED HOUSE

(28) A recommendation from the Supervising Architect that the contract for one direct-lift plunger elevator for the Agronomy Seed House be awarded to the Otis Elevator Company on the basis of their quotation of \$2,000. I concur.

On motion of Mrs. Busey, this contract was awarded as recommended.

CONTRACT FOR PRINTING OF ANNUAL REGISTER

(29) A report from the Acting Purchasing Agent of quotations received for printing the 1929-30 Annual Register. The Acting Purchasing Agent and the Director of the University Press recommend that the contract be placed with the lowest bidder, the Illinois Printing Company of Danville, Illinois, on the basis of their quotation, \$5,965 f. o. b. Urbana.

I concur.

On motion of Mrs. Grigsby, this contract was awarded to the lowest bidder, the Illinois Printing Company, as recommended.

OFFER OF THE BORDEN COMPANY OF NEW YORK FOR MEDICAL RESEARCH WORK

(30) A letter from Dean Davis, dated November 30, informs me that The Borden Company of New York City offers the University \$2,000 for investigation (1) into the value of "powdered, whole, lactic acid milk" which, I understand, is produced by a subsidiary of The Borden Company (known as the Merrell-Soule Powdered Whole Lactic Acid Milk); also (2) on the comparative efficiency of the powdered product vs. the addition of U. S. P. lactic acid to fluid milk, vs. liquid lactic acid milk; also of (3) comparative convenience in preparation and feeding; and finally, (4) palatableness of the milk, absence of undue sourness.

This work would be done by Dr. Julius H. Hess and his associates of our Department of Pediatrics.

I recommend that this offer be accepted in accordance with the regulations of the Board concerning such gifts.

On motion of Dr. Noble, this offer was accepted as recommended.

AUTOMOBILE FOR THE PRESIDENT

(31) A letter from Professor J. M. White, presented without recommendation.

December 3, 1929

President David Kinley, 355 Administration Building (W)

MY DEAR PRESIDENT KINLEY:

I wish you would submit this communication to the Board of Trustees.

The University Cadillac automobile was purchased in December, 1926, and the speedometer shows a mileage of 47,821 miles. A private owner using such a car for the out-of-town service for which it is needed would certainly trade it in, if an advantageous offer could be obtained. The trade-in value of the car is from \$1,000 to \$1,200.

There is a new five-passenger standard Lincoln sedan in stock in Champaign which is regularly priced at \$4,500, which is offered to us at \$3,500. This is practically the price we would have to pay under normal conditions if we traded in the Cadillac. We can use the Cadillac to excellent advantage locally, and I believe under the circumstances we should keep it and buy the new car, which I believe is large enough for most of the service for which a University President will need it, and that in some respects it is a better-sized car for general travel than the larger one. The car as priced is fully equipped with the exception of a heater.

I recommend that an appropriation of \$3,600 be made, or as much thereof as is necessary, to be used for the purchase of a five-passenger, standard, Lincoln sedan for the President of the University.

Yours truly,

JAMES M. WHITE
Supervising Architect

On motion of Mr. Trees, the Supervising Architect was asked to investigate the matter and to make a recommendation at the next meeting.

RESEARCH WORK BY MEMBERS OF THE STAFF

(32) A report on research work conducted by Professor W. A. Noyes and other members of the staff.

The Board expressed its pleasure at the successful manner in which this work is being conducted.

SALARY OF PROFESSOR W. J. R. CAMP

(33) My attention has been called by Dean Davis to a misunderstanding and probably a consequent error in the salary of Dr. W. J. R. Camp of the College of Medicine. His salary was made \$4200 for the current year according to the budget instead of \$4500, recommended by Dean Davis. I have reviewed the case and recommend that his salary be \$4500 instead of \$4200, effective September 1, last, and that he be paid the amount due him on the \$4500 basis for the months of September, October, and November.

On motion of Dr. Noble, this recommendation was adopted.

PAVING OF WRIGHT STREET

(34) At its meeting on November 15 the Board approved a recommendation for the paving of Wright Street in accordance with the suggestions of the Supervising Architect with the provision that the Board does not thereby waive any rights in the property and with the proviso that unless there be any engineering or other valid objections the paving be fifty-two feet wide throughout.

The Supervising Architect submits a letter with reference to the matter, setting forth that the Board of Local Improvements of Champaign are unanimously of the opinion that a width of thirty-seven feet north of Springfield Avenue would be sufficient.

On motion of Mr. Barr, the Board reaffirmed its request that this pavement be made fifty-two feet wide throughout.

DECEMBER QUARTERLY MEETING

The President of the University stated that he knew of no business to come up which would require another meeting of the Board in December.

It was voted, on motion of Mr. Trees, that the quarterly meeting scheduled for December 10 be not held.

MCKINLEY HOSPITAL REPORT

Dr. Noble, for the special committee on the McKinley Hospital, made a report of progress and stated that he hoped to report later in the day.

NAMING STREETS AND BUILDINGS

Mr. Barr, for the special committee on naming streets and buildings, made a report of progress and asked for more time.

CARTER-PENNELL FARMS

Mrs. Busey, for the Committee on Agriculture, made a recommendation that the proposed contracts for the operation of the Carter-Pennell farms for next year be approved, as presented at the last meeting.

On motion of Dr. Noble, this recommendation was adopted.

LOCATION OF PRESIDENT'S HOUSE

Mr. Barr, for the Committee on Buildings and Grounds, reported that the four members of the committee present had met during the luncheon hour, and that two members were in favor of the site south of the Forestry and two in favor of the site on the Horticulture tract. There being an even division, the Committee refers the matter to the Board without recommendation.

On motion of Mr. Barr, discussion of this matter was postponed.

ADJOURNMENT TO DECEMBER 12

On motion of Mr. Barr, it was voted that when this meeting is adjourned, it be adjourned to Thursday, December 12, at 1 o'clock p.m. sharp, at the University.

THE TREASURERSHIP

On motion of Mr. Barr, the President of the Board was requested to appoint a special committee of three members of the Board, to examine into the affairs of the Treasurer and to report to the Board at the adjourned session on December 12.

President Armstrong appointed Mr. Trees, Mr. Barr, and Mr. Fisher to serve on this committee, and stated that in case any one of the three should find it impossible to serve, he, himself would act as a member of the committee instead.

LOCATION OF PRESIDENT'S HOUSE

Dr. Noble presented a motion that when the new residence for the President is built, it be located on the Horticulture tract, facing Florida avenue, and about one and one-half blocks east of Lincoln avenue.

After discussion, this motion was carried, by a vote of four for to two against, with two members present and not voting.

PLANS FOR PRESIDENT'S HOUSE

Mr. Barr, for the Committee on Buildings and Grounds, made a report of progress on the plans for the President's house.

ADJOURNED SESSION, DECEMBER 12, 1929

When the Board convened at Urbana on the afternoon of Thursday, December 12, 1929, pursuant to adjournment, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees. President Kinley was present.

MINUTES APPROVED

On motion of Dr. Noble, the minutes of the meeting of November 15, 1929, were approved as printed on pages 429 to 444 above.

RESIGNATION OF MR. A. M. BURKE AS TREASURER

Mr. Trees presented the following report:

Your special committee to which the matter of the resignation of the Treasurer was referred, reports as follows:

WHEREAS, Mr. Arthur M. Burke has tendered his resignation as Treasurer of the University of Illinois, your committee recommends that the resignation be accepted to take effect today, but without releasing him as such Treasurer under his bond, from liability for any and all his acts while Treasurer, or from fully accounting for all moneys, credits, bonds, securities, and things of value of every nature and description received and held by him as such Treasurer.

On motion of Mr. Trees, this report was adopted.

On motion of Mrs. Busey, the resignation of Mr. Arthur M. Burke as Treasurer was accepted to take effect today, December 12, 1929, but without releasing him as such Treasurer, under his bond, from liability for any and all his acts while Treasurer, or from fully accounting for all moneys, credits, bonds, securities, and things of value of every nature and description received and held by him as such Treasurer.

MR. HAZEN S. CAPRON ELECTED TREASURER

Mr. Barr nominated Mr. Hazen S. Capron, of Champaign, Illinois, for the office of Treasurer of the University, to fill the unexpired term of Mr. Arthur M. Burke, resigned, the term to begin when Mr. Capron qualifies by filing a satisfactory bond with the Board of Trustees.

On motion of Mr. Barr, the Secretary was instructed to cast the unanimous ballot of the Board for Mr. Capron as Treasurer. The ballot was cast, and Mr. Capron was declared elected.

TREASURER'S BOND

Mr. Trees presented, for the Finance Committee, the bond of Mr. Hazen S. Capron as Treasurer of the University for the remainder of the term of Mr. Arthur M. Burke, resigned. The bond follows:

BOND

KNOW ALL MEN BY THESE PRESENTS, That we, Hazen S. Capron as Principal, and Columbia Casualty Company, a Corporation, organized and existing under the laws of the State of New York and duly authorized to transact business in the State of Illinois, and The Fidelity And Casualty Company of New York, a Corporation, organized and existing under the laws of the State of New York, and duly authorized to transact business in the State of Illinois, as sureties, are held and firmly bound unto the Board of Trustees of the University of Illinois, in the penal sum of Two Million (\$2,000,000.00) Dollars lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our respective heirs, executors, administrators and assigns, and each of them, by these presents.

THE CONDITION of the above obligation is such that

WHEREAS, the above bounden Hazen S. Capron, was on the 4th¹ day of December, A.D., 1929, duly elected to the office of Treasurer of the University of Illinois, for a period ending on the 12th day of March, A.D., 1931, or until his successor shall be appointed and qualified and is about to assume the duties of said office:

NOW, THEREFORE, if the said Hazen S. Capron shall well and truly perform and faithfully discharge the duties of Treasurer of said University of Illinois, during his term of office, and shall faithfully keep and truly account for all moneys, bonds, securities or other property coming into his hands as such Treasurer, during his term of office, and shall pay when properly drawn and presented to him all warrants, authorized by the Board of Trustees of the University of Illinois, drawn against funds in his hands belonging to the said University of Illinois, and at the expiration of his term of office, on due request to him, shall pay over and deliver to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys, bonds, securities or any other property received by him as such Treasurer and not otherwise lawfully paid out or disposed of, and shall deliver to his successor in office, or any other person appointed to receive the same, the property, papers, and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener, if thereunto requested by the Board of Trustees of the said University of Illinois, render a just and true account of his doings, as such Treasurer, then this obligation shall be null and void; otherwise to remain in full force and effect.

FLORENCE CARROLL

*Commissioner of Deeds
City of New York*

On motion of Mr. Trees, the above bond was approved and Mr. Capron was declared duly qualified as Treasurer of the University.

RECEIPT FROM MR. CAPRON

Mr. Trees presented a copy of a receipt given by Mr. Capron to Mr. Burke setting forth University property of all kinds received by him.

On motion of Mr. Trees, this receipt with exhibits A and B attached was received to be filed.

INFORMATION ON SURETY COMPANIES

On motion of Mr. Trees, the Comptroller was directed to furnish to the Finance Committee, semi-annually, for report to the Board, information concerning all companies which furnish surety bonds to the University.

PREMIUM ON TREASURER'S BOND

On motion of Mr. Barr, it was voted that the premium on the Treasurer's bond for the ensuing year be paid by the University.

On recommendation of President Kinley and on motion of Dr. Noble, an appropriation of \$5000 was made from the Reserve and Contingent fund to pay this premium for the ensuing year from the date of the approval and acceptance of the bond. The vote was as

follows: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University:

APPROPRIATION FOR EXPENSE BUDGET OF LEGAL COUNSEL

(1) An appropriation of \$100 was made in the budget for the traveling expenses of the Legal Counsel of the University. By my specific direction he has taken several trips not anticipated when the amount above referred to was appropriated. I therefore recommend an additional appropriation of \$150 for travel in the budget of the Legal Counsel, from the Reserve and Contingent Fund.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Trees.

APPROPRIATION FOR TYPE FOR SCHOOL OF JOURNALISM

(2) A request from the Director of the School of Journalism for additional funds to purchase typographical equipment. This additional equipment is needed because of the increase in the number of students registered in the course known as the History and Practice of Printing and Publishing.

I recommend that an appropriation of \$425, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

**APPROPRIATION FOR DEPARTMENT OF PHYSIOLOGY
(MEDICINE)**

(3) As has been previously reported, the increase in the number of students admitted to the first-year class of the College of Medicine has made it necessary to provide additional funds for certain of the departments. Provision has already been made for the departments of Anatomy, Chemistry, and Pathology and Bacteriology. Dean Davis reports that the Department of Physiology will need approximately \$600 a year more for supplies and equipment and \$2400 for an additional full-time instructor on account of the increased enrollment—a total of \$3000. However, this year only one-half of that amount will be required for the work of the second semester and the Dean requests an appropriation of \$1500 to be available February 1, 1930.

I recommend that \$1500 be appropriated from the Reserve and Contingent Fund to the Department of Physiology of the College of Medicine for this purpose.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

SOCIAL FACILITIES FOR STUDENTS

(4) It has been suggested that it would be a good plan to provide in some of our buildings a place or places where young men and women might visit with each other during their leisure time.

I recommend that the President of the University be authorized to make some such arrangements at his discretion and to employ chaperons. I request further that an appropriation of \$500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to pay the expenses of such chaperons.

On motion of Mrs. Grigsby this authority was granted and the appropriation was made, by the following vote: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mr. Fisher, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson.

ARCHITECT'S FEES FOR WOMAN'S GYMNASIUM

(5) The Supervising Architect submits a statement from Mr. Charles A. Platt, architect, for professional services rendered on plans for the Woman's Gymnasium, with a recommendation, in which I concur, that this bill, amounting to \$5036.32 be paid and the amount charged to the appropriation for the building.

On motion of Dr. Noble, this bill was ordered paid.

EXTENSION COURSE IN OTOLARYNGOLOGY

(6) A request from the Dean of the College of Medicine for authority to offer a four months' extension course in otolaryngology, designed as a postgraduate clinical course for physicians, and to be given three times a year. The fee for this course will be \$50 for each period with an additional fee of \$50 if special anatomical dissection work is desired. This course is to be similar to one which is now being offered in the Department of Ophthalmology.

On motion of Dr. Noble, this course was authorized as recommended.

THE ESTABLISHMENT OF CITY PLANNING OPTIONS

(7) A recommendation from the University Senate for the establishment of curricula offering options in City Planning in the Division of Landscape Architecture and the Department of Civil Engineering, these options leading respectively to the degree of Bachelor of Science in Landscape Architecture and Bachelor of Science in Civil Engineering, with request for approval, to be put into effect next year if the budget permits.

CHANGES IN ATHLETIC COACHING CURRICULUM

(8) The University Senate recommends certain changes in the requirements for graduation in the Athletic Coaching curriculum. Briefly the changes are: (a) a decrease from forty-seven to forty-one hours of required work in technical Athletic Coaching courses; (b) an increase from twenty hours to twenty-five in required courses in Education; (c) the requirement of thirty-three hours of specified courses other than work in Education or Athletic Coaching. All concerned are of the opinion that these changes will improve the work. No addition to the budget is required by these changes.

I recommend approval.

CURRICULUM IN PHYSICAL EDUCATION AND ATHLETIC COACHING

Leading to the Degree of Bachelor of Science in Physical Education

A total of 136 semester hours is required for the degree.

SUMMER SESSION FEE IN MUSIC

(9) A recommendation from the Director of the School of Music and the Director of the Summer Session that the following fees for music in the summer session be established:

Students of the School of Music—\$12.50 for the session.

Other students—One lesson a week \$10 for the session; two lessons a week \$18 for the session.

These are in lieu of the present fees of \$6 for one lesson a week and \$10 for two lessons per week for all students.

The Acting Comptroller joins in this recommendation and I concur.

On motion of Mrs. Grigsby, these fees were authorized.

CONTRACT FOR SALE OF PHOSPHORUS TEST SOLUTION

(10) A proposed agreement with the Urbana Laboratories for the manufacture and distribution of the solution known as the "Field Test for Available Phosphorus in Soils." At an earlier part of this meeting (on December 4) the Board voted to enter into an agreement with this concern for the sale of this solution under certain terms and conditions recommended by the Superintendent of Business Operations and the Acting Comptroller.

I recommend approval of this contract.

AGREEMENT

THIS AGREEMENT between the BOARD OF TRUSTEES of the UNIVERSITY OF ILLINOIS, party of the first part, and A. L. WHITING, doing business under the name and style of URBANA LABORATORIES, of the City of Urbana, Illinois, party of the second part, WITNESSETH:

The party of the first part being the owner and holder of an interest in Patent Application Number 386387, under date of August 16, 1929, for a formula for delivering available phosphorus in soil, agrees with the party of the second part:

1. The first party grants hereby to the second party the sole and exclusive right to manufacture and distribute a solution known as the "Field Test for Available Phosphorus in Soils," under the trade name HI-LO-FOSFATE REAGENT, or such other trade name as the party of the second part may determine.

2. The first party reserves unto itself the right to make, or to have made for it, and to use for research work, or to sell to others for research work only, the solution herein referred to.

3. In consideration of the license privilege herein granted, the party of the second part agrees to pay the party of the first part as royalty ten cents (\$.10) a quart, such royalty to cover all quantities manufactured, sold and distributed on and after November 21, 1929, and during the entire life of this contract.

4. For the purpose of accounting, the year shall be divided into quarterly periods beginning on the first days of January, April, July, and October of each year. The party of the second part shall deliver to the party of the first part within fifteen days after the close of each quarterly period a complete report, sworn to, if requested, by the Comptroller, setting forth the total quantity of the solution manufactured pursuant to this agreement during the quarter immediately preceding such report and also the quantity sold or distributed during said period. Payment in full for all royalties due for the period shall accompany the report. The party of the second part agrees to keep its records in such form as will be acceptable to the Comptroller of the first party.

5. The party of the second part agrees to market and distribute the solution herein described in full conformity with all the laws of the United States and of the State of Illinois now in force or hereafter enacted.

6. The party of the second part agrees to use all reasonable efforts to promote the manufacture and sale and distribution of the solution described, and for failure to use such reasonable effort the first party may terminate this agreement at any time.

7. The first party shall have the right to terminate this agreement if the second party fails or refuses fully to comply with any of the terms thereof. In case the first party desires to terminate this agreement because of default of the second party, the first party shall serve notice in writing upon the second party, stating the nature of such default and its intention to terminate this agreement. The second party shall then have thirty days within which to comply with the terms of this agreement, and in case of failure to do so the agreement shall ipso facto be terminated.

8. This agreement shall become operative when approved by the first party and shall continue for a period ending December 31, 1930, unless sooner terminated as herein provided. At the end of the period of this agreement the parties will review the circumstances and determine whether to continue the agreement for a further period, and if so, on what terms.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed by their proper officers in their official capacity and the corporate seal hereunto attached at Urbana, Illinois, this — day of December, 1929.

REPORT OF COMMITTEE ON ACCOUNTANCY

(12) The annual report of the Committee on Accountancy for the year July 1, 1928, to June 30, 1929.

REPORT OF THE
UNIVERSITY COMMITTEE ON ACCOUNTANCY
1928-29

(July 1, 1928—June 30, 1929)

Dr. David Kinley, President

DEAR MR. PRESIDENT:

The University Committee on Accountancy respectfully submits herewith a report of its work for the year ended June 30, 1929.

PERSONNEL

The membership of the University Committee has been as follows: Professor M. H. Robinson, Chairman; Professor W. E. Britton; Registrar G. P. Tuttle, Secretary, *ex-officio*. Mr. D. A. Grossman, Examiner in the Registrar's Office, has served again as Clerk of the Committee.

The University Committee recommended the appointment of Mr. Eric L. Kohler of Chicago to the Board of Examiners to succeed Mr. Arthur Anderson whose term expired June 30, 1928. You presented his name to the Board of Trustees, the Board approved the appointment and Mr. Kohler accepted it. The organization of the Board has been as follows:

Mr. Harold Bennington, C.P.A., Chairman
Mr. Eric L. Kohler, C.P.A., Secretary
Mr. Herbert Pope, LL.B.

OPTICAL SERVICE IN THE COLLEGE OF MEDICINE

(13) A recommendation from the Comptroller and the Dean of the College of Medicine that an arrangement be entered into with a wholesale optical house, on the basis of competitive bids, to furnish optical service to the College of Medicine under the following conditions and requirements:

1. A competent dispensing optician is to be sent daily by the company to a place provided and furnished by the University at a regular time designated by the University.

2. He will take all measurements, make all mechanical adjustments on frames, etc., and collect all charges from the patients. Should glasses purchased by patients require a change of lens within three months from the time of purchase, due to an error on the part of the University staff, the substitution will be gratis. The number of these cases is not to exceed five per cent of the annual total.

3. Prices to be charged shall be specified by contract and shall be based on standard wholesale prices to which the company may add a stated uniform fitting charge for each pair of glasses sold.

4. The company shall assume all charity cases, estimated at not over twelve per cent of the total.

5. All records shall be kept in a form prescribed by the University and shall be open to inspection by the University.

6. An itemized statement in a form prescribed by the University is to be furnished monthly.

7. Prices shall be subject to adjustment quarterly if the volume of charity work is more or less than herein stated, such adjustment to be made by conference of both parties.

8. All materials furnished are to be of uniform, standard quality and patients shall have choice of frames as follows:

(a) Gold-filled, one-tenth to twelve carat.

(b) Shell inner frame.

(c) All shell.

No solid gold frames will be provided.

Only leading wholesale houses who are manufacturers and distributors of standard quality merchandise free from defects will be invited to compete. The contract will be awarded on the basis of lowest price, ability of the company to render the regular service, and diversification of standard optical merchandise which it proposes to supply.

I recommend that this plan be adopted and put in force as soon as a detailed plan can be prepared.

On motion of Mr. Simpson, this recommendation was concurred in.

DELEGATION OF SIGNATURES

(14) At the March meeting (Minutes, page 144, March 12, 1929) your Board approved certain regulations concerning the delegation of signatures by deans, directors, and heads of departments. The Comptroller and myself have discussed the matter pretty thoroughly and I recommend that no further action be taken.

No action was taken in this matter.

FURNITURE FOR U. S. CENSUS OFFICE

(15) A letter from the Supervising Architect proposing to lend such of our surplus furniture as can be spared to furnish an office for the local representative of the U. S. Census Organization.

No action was taken on this matter.

LOCATION OF PRESIDENT'S HOUSE

Mr. Barr moved that the action of the Board on December 4, selecting a site for the President's house, be reconsidered.

This motion was carried unanimously.

Mr. Barr reported that the committee was unable to agree on this matter, and submitted the matter without recommendation.

On motion of Mr. Barr, this report was received and made a matter of record.

After discussion, and on motion of Dr. Noble, the action of December 4 selecting the location on the Horticultural tract was reaffirmed, by a vote of five to four.

COMMITTEE ON SELECTION OF PRESIDENT

Mr. Barr, for the special committee on the selection of a President of the University, made a report of progress, outlining the methods followed by the committee.

This report was received for record.

PRESIDENT A MEMBER OF BOARD COMMITTEES

President Kinley called attention to Article VI, Section 5, of the By-Laws, which provides that the President of the University is *ex officio* a member of all committees.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 7, 1930

The January meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a.m. on Tuesday, January 7, 1930. The following members were present: President Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Fisher.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of December 4, 1929, and of the adjourned session of December 12, 1929.

On motion of Mrs. Evans, the minutes were approved as printed on pages 445 to 470 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

BIDS ON CHEMISTRY ANNEX

(1) A letter from Professor J. M. White, stating that bids on the general contract and the heating, ventilating, plumbing, and wiring of the Chemistry Annex would be received on January 11, 1930.

President Armstrong asked Mrs. Busey and Mrs. Evans to represent the Board at the opening of these bids.

SMITH-LEVER BUDGET

(2) A revised budget for the Smith-Lever extension work for the current year.

On motion of Mr. Barr, seconded by Mr. Blair, this budget was referred to the President of the University, with power to act.

OFFER OF LAND FOR FORESTRY WORK

(3) A letter offering for sale to the University a tract of 56 acres of land planted and suitable for experimental work in forestry.

On motion of Mr. Barr, this offer was declined.

CHAMPAIGN COUNTY MILK PRODUCERS ASSOCIATION

(4) A statement concerning the Champaign County Milk Producers Association.

This matter was discussed at length, and it was the opinion of the Board that a hearing should be granted to representatives of the University and of the Association.

On motion of Mr. Barr, it was voted that when the Board adjourned, it should adjourn to meet at the University, in Urbana, at one p.m. on Saturday, January 11, 1930.

ADMISSION REQUIREMENT FOR NON-ILLINOIS STUDENTS

(5) A recommendation from the Council of Administration that the statement of the scholarship rule governing the admission of non-Illinois students (adopted by the Board of Trustees, February 8, 1922, and amended March 14, 1922—Minutes, pages 153 and 171) be revised to read as follows:

SCHOLARSHIP REQUIREMENT FOR NON-ILLINOIS STUDENTS

An applicant for admission to the University who is not a legal resident of Illinois is required to present with his application for admission to any of the colleges or schools of the University, except as an unclassified student or as a student in the Graduate School, satisfactory evidence that he maintained at the school or college which he last attended, prior to seeking entrance to the University of Illinois, a full schedule of studies with a scholastic average at least ten percent above the passing grade of such school or college.

In case of records which are not kept in numerical grades but in literal or other systems of grading, this requirement will be interpreted to mean an average of one grade above the passing grade; e.g., in a system of A, B, C, and D, with D as the passing grade, the average must be C.

On motion of Mr. Blair, this revision was adopted.

COOPERATIVE AGREEMENT WITH UNITED STATES BUREAU OF PUBLIC ROADS FOR CONCRETE ARCH INVESTIGATIONS

(6) On November 15, 1929, (Minutes, page 437) the Board authorized the execution of an agreement with the Bureau of Public Roads of the United States Department of Agriculture for a cooperative investigation of multiple-span arches. This is a continuation of the work on concrete arches which the Experiment Station has been doing

and for which the American Society of Civil Engineers has supplied the funds as a gift. The agreement with the Bureau of Public Roads as originally drawn was of the form and character of agreements which have been approved in the past. The Bureau wishes to modify this agreement in two respects, viz:

1. To have the investigation under the joint direction of the University and the Bureau.

2. To give the Bureau the right to publish the results simultaneous with or subsequent to publication by the University.

To meet the objections raised by the Bureau to the original form of the agreement, it has been modified as follows:

1. In Section 2, the words "and the Bureau" have been inserted in the second line. The sentence, "If the cooperating parties fail to agree at any point or in any particular, the right to make the final decision will rest with the University," has been added to this section.

2. In Section 4, the last sentence, reading, "The conduct of the tests shall be under the full control of the University through the Engineering Experiment Station which is necessarily responsible for the results secured," has been omitted on the ground of partial redundancy on Section 2 and of irrelevancy to the subject matter of the section itself.

3. In Section 5, a sentence reading, "The Bureau shall also have the right to publish the results simultaneously with or subsequent to publication by the University," has been added. The section clearly states the right of the University to priority publication but gives the Bureau the right of republication.

On motion of Mrs. Busey, the President of the University was authorized to have these changes incorporated in the contract.

AMENDMENT OF REGULATION GOVERNING UNUSUALLY HAZARDOUS WORK OF MEMBERS OF THE STAFF

(7) By action of the Board, dated June 29, 1928 (Minutes, page 751), members of the Educational and Research Staff injured in the prosecution of work of an unusually hazardous nature may receive compensation under your rules under certain conditions provided approval was given in advance for the prosecution of the unusually hazardous work. By later action, under date of January 9, 1929 (Minutes, page 121), you approved a recommendation that owing to the impracticability of classifying the work of the departments from the point of view of being unusually hazardous, each individual case should be considered on its merits. It was not my intention by that recommendation to do away with the requirement of approval in advance for any individual to engage in unusually hazardous work. It seems to me that a practical requirement should be added, namely, that when permission is given an individual to engage in unusually hazardous work it should be only on the conditions that he submit to a physical examination by our Health Service and that the results of that examination are such as to justify the belief that the individual is in a condition to undertake the proposed work. I recommend that such physical examination be hereafter required as a condition of considering any claim for compensation, and that the requirement go into effect now, applying to those now in such work.

On motion of Mr. Fisher, this recommendation was adopted.

FEDERAL COMPENSATION OF MEMBERS OF THE STAFF FOR ACCIDENTS

(8) A recommendation from the Dean of the College of Agriculture that all members of the staff receiving all, or a considerable part, of their salaries from Federal funds be permitted to file with the United States Department of Agriculture information which will make them eligible for compensation from the United States Employee's Compensation Commission in case of accident.

The Legal Counsel saw no objection to their doing so and I instructed the Dean that they might do this.

On motion of Mrs. Evans, this action was confirmed.

ATHLETIC ASSOCIATION ICE SKATING RINK

(9) The following communication from Director George Huff, President of the Board of Directors of the Athletic Association:

December 27, 1929

President David Kinley, 355 Administration, West

DEAR PRESIDENT KINLEY:

At the last meeting of the Board of Directors of the Athletic Association the following action was taken:

"Mr. Hall moved that President Huff be instructed to withdraw the request of this Board for permission of the Board of Trustees to proceed with construction work on the ice skating rink until some future time. Motion seconded by Judge Harker and carried."

Will you kindly submit this matter to the Board of Trustees at its next meeting?

Yours very truly,

GEO. HUFF
Director

Permission to erect a skating rink on land owned by the University (corner of Armory Avenue and Fifth Street) was given the Athletic Association on April 12, 1928 (Minutes, page 586).

On motion of Mr. Blair, this letter was received for record and the Athletic Association was permitted to withdraw its request.

BURRILL AVENUE

(10) I present a statement concerning the use of the name "Burrill Avenue" and request that it be referred to the Special Committee on the naming of campus streets and drives.

This matter was referred to the Special Committee as requested.

CANCELLATION OF CONTRACT WITH GENERAL TALKING PICTURES CORPORATION (DEFOREST PHONOFILMS, INC.)

(11) The Legal Counsel reports that on November 30 there was delivered to the General Talking Pictures Corporation, 218 West Forty-second Street, New York City, a letter notifying them that the contract concerning the Kunz patent would be canceled in accordance with the provisions of the contract unless the delinquencies on the part of the corporation were cleared up within thirty days. This time limit expired December 30 and the contract has, therefore, been canceled as of that date.

This report was received for record.

NEGOTIATIONS WITH KNIGHT BROTHERS CONCERNING THE KUNZ PHOTO-ELECTRIC CELL PATENT

(12) A report from the Acting Comptroller that he has written Knight Brothers several times concerning the proposed purchase by one of their clients of the rights to the Kunz Photo-Electric Cell Patent (this question having been raised by Knight Brothers last year), but that the only information which he has been able to get is to the effect that they have not been able to obtain from their client the necessary information to advise us whether or not a proposal will be made.

The Board at its meeting on June 11, 1928 (Minutes, page 256), voted that steps be taken to develop by correspondence the matter of a possible license to the clients of Knight Brothers subject to the license to DeForest Phonofilms, Inc. Since then the contract with the General Talking Pictures Corporation, successors to DeForest Phonofilms, Inc., has been terminated.

This report was received for record.

OWNERSHIP OF PENNSYLVANIA AVENUE

(13) Pursuant to the instructions of the Board at its meeting on December 4, the Legal Counsel has advised Mr. Lyle Gallivan, owner of "Gallivan's Addition," of the facts relating to the ownership of Pennsylvania or Maple Avenue. He has also brought these facts to the attention of the Mayor and City Clerk of Urbana.

The Legal Counsel has also suggested to Mr. Gallivan how the matter can be adjusted without difficulty. Under the statutes concerning plats and the vacation of

plats Mr. Gallivan may prepare a written instrument to which he may attach a copy of the plat and in which instrument he may describe by metes and bounds the small strip which extends on University property, and declare such strip vacated. This instrument should be executed and acknowledged, approved by the City Council, and recorded in the same manner as the instrument filed and recorded with his original plat. Such a procedure will correct the mistake.

This report was received for record.

LIST OF EMPLOYEES SENT TO STATE AUDITOR

(14) In accordance with the law relating thereto and the action of the Board on September 18, 1929 (Minutes, page 359), a list of the persons employed by the University during the year 1929 was sent to the Auditor of Public Accounts on December 27, 1929, together with a letter of transmittal. The list was compiled by the Comptroller from his records as of December 18, 1929, and included payments for the full calendar year for all members of the staff who are on regular appointment and payments to whom for the rest of the month could be anticipated. A supplementary list of persons not on regular appointment paid after December 18 was made on December 31 and sent to the State Auditor.

The Comptroller wrote me under date of January 4 as follows:

"I desire to report that it cost \$651.28 to prepare the list of employees for the year 1929 as required by act of the Legislature. Of this amount, \$475.32 was for wages of temporary employees and \$175.96 was for printing, postage, and supplies. This expense is in addition to the time of members of the regular staff who assisted in the preparation of the list."

The items of expenditure were:

Clerical: 845 hours @ 40c.....	\$338.00
Typing: 259¾ hours @ 40c.....	103.92
Typing: 42 hours @ 45c.....	18.90
Typing: 29 hours @ 50c.....	14.50
<hr/>	
Total 1175¾	\$475.32
Printing.....	112.96
Postage.....	60.00
Supplies.....	3.00
	<hr/>
	\$651.28

In explanation of this large expenditure it should be pointed out that the work involved was tedious and large in amount. The number of names reported was 6845. The law provides that not only the names and remuneration but also the residence and voting places of the employees must be reported. In any university there are many classes of employees from the point of view of work and tenure. Some, like students or temporary laborers, may be employed for only a few hours. In the multitudinous departments of a university there is constant demand for temporary service of one kind and another. It is conceivable that if a particular kind of service were continuous one or two persons might be employed through the year to perform it. When it is occasional, being needed a large number of times for short periods, the number of persons employed may be multiplied many times. In other words, the list of employees of any university is by no means the same as the list of persons employed continuously through the year. Even some educational positions are filled only for a semester or a few months. These and similar conditions account for the long list of names.

Many in the employ of the University, on its educational staff and in other lines of work, leave at the end of the academic year and their whereabouts cannot be known by the University authorities. For example, some of those employed in the first half of the calendar year, 1929, are in distant states and some even in foreign countries. For us to give their present residences and voting places is, in many cases, impossible.

Moreover, we have never found it necessary before to try to keep a record of voting places of our employees. For that reason the time and labor necessary to compile this list was very great.

This report was received for record.

INSTRUMENTS PURCHASED FOR PHYSICS LABORATORY

(15) I have authorized the purchase of instruments for the Physics Laboratory, from an appropriation already made, as follows:

- 1 Hilger all-metal quartz spectrograph, \$2145.
- 1 Quartz optical system for above, \$1310.

On motion of Mrs. Evans, this action was confirmed.

GIFTS TO THE UNIVERSITY

(16) The following report of gifts received by the University since the last report:

1. From the Rohm and Haas Company of Philadelphia, through Mr. Otto Haas, President, an offer of \$1,000 to establish a research fellowship in the field of high pressure gas reactions—similar to the one now supported by the Tennessee Products Corporation.

2. From the Westinghouse Electric and Manufacturing Company, through Mr. H. H. Coe, Central Station Division, Springfield, an offer of two Capacitors, valued at \$300, for the use of the Department of Electrical Engineering.

3. From the DuPont de Nemours & Company \$750 (payment to be made in September, 1930) to continue the DuPont Fellowship in chemistry for the academic year 1930-31.

This report was received for record.

TREASURER'S REPORT OF COLLECTION OF FUNDS DUE ON CERTIFICATES OF DEPOSIT

(17) A report that Mr. H. S. Capron, Treasurer, has collected the entire amount of \$105,000 due on certificates of deposit which were placed with him for collection by Mr. A. M. Burke, former Treasurer of the University, at the time of the transfer of funds in his custody. The Acting Comptroller reports further that he has received from Mr. Capron duplicates of deposit tickets covering the deposit of the above amount to his account as Treasurer.

December 21, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I submit herewith a letter from Mr. Hazen S. Capron, Treasurer, advising me of collection of the \$105,000.00 due on Certificates of Deposit which were placed with him for collection.

We have received from Mr. Capron duplicates of deposit tickets covering the deposit of the above amount to his account as Treasurer of the University.

Very truly yours,

H. M. EDWARDS
Acting Comptroller

December 19, 1929

Mr. H. M. Edwards, Acting Comptroller, University of Illinois

MY DEAR MR. EDWARDS:

I am pleased to say that I have collected the entire amount due upon the Certificates of Deposit in the aggregate sum of \$105,000.00, which were placed with me for collection by A. M. Burke, former Treasurer of the University of Illinois, at the time the transfer of funds in his custody was made.

Yours truly,

HAZEN S. CAPRON
*Treasurer,
University of Illinois*

On motion of Mr. Blair, this report was received for record.

**LETTERS FROM SURETY COMPANIES CONCERNING
TREASURER'S BOND**

(18) Since the last meeting of the Board letters have been received from the Columbia Casualty Company, dated December 16, 1929, and the Fidelity and Casualty Company of New York, dated December 16, 1929, sureties for Mr. H. S. Capron, Treasurer, confirming the telegrams received on December 12 authorizing the change in the statement in the bond changing the date of Mr. Capron's election from December 4, 1929, to December 12, 1929. The original copies of these letters have been filed with the Secretary of the Board.

This report was received for record.

HONORARIUM FOR MR. ROSEBERRY

(22) As the Board is aware, Mr. C. J. Roseberry, who is on half-time pay of the University as Keeper of the Alumni Records, agreed to edit the Alumni Directory and see it through the press. Mr. Roseberry has been at work on the project for the past two years, practically all on the time of the Athletic Association, the Alumni Association, and his own. He received permission of the officers of those Associations so to do. The work on the Alumni Directory was no part of the work for which he was originally employed. Since he is on half-time only it seems to me proper and right that he should be paid an honorarium for this extra work in editing and publishing the Directory.

Accordingly, I recommend an appropriation of \$1,000 from the Reserve and Contingent Fund for this purpose, one-half of it to be paid now, since the copy is all in the printer's hands and much of it set up, and the other half to be paid when the book appears.

On motion of Mrs. Evans, this recommendation was approved and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher; not voting, Mr. Blair; no, none; absent, Mr. Emmerson, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees.

AWARD OF C. P. A. CERTIFICATES

(23) A recommendation that the following persons who have been certified by the Board of Examiners in Accountancy as having passed the November, 1929, C.P.A. examination be awarded certificates as Certified Public Accountants.

MELVIN V. ANDERSON
 OTTO BAUMGARTNER
 PERSIE GORDON BEENE
 CARL ROEDEL CALDWELL
 WILLIAM R. CORSON
 ALBERT FERBER
 ARTHUR FREDERICK FORAN
 ADOLPH ROBERT HAYES
 EDWARD JAMES MCGEOUGH
 ROY C. OLSON

JOSEPH PELEJ
 ROBERT PENN
 GEORGE OTTO PODD
 NICHOLAS CLEMENS SCHOMMER, JR.
 CHARLES J. SCHUTZ
 BARCLAY J. SICKLER
 FRANCIS WATTERS SMITH
 BERNARD HENRY TRAUT
 NEWTON VAN DERVEER WAGNER
 MAXWELL ROSS YAHR

On motion of Mr. Blair, these certificates were awarded as recommended.

TAFT HONORARY LECTURESHIP FUND

(24) I report the receipt of \$1000 donated for the purpose of helping to establish a Lectureship in honor of Lorado Taft.

This report was received for record.

FINANCIAL REPORT, MCKINLEY HOSPITAL

Mr. Barr, for Dr. Noble, presented the following report, which had been prepared on December 12, 1929, but was not then presented to the Board:

Dr. Noble for the Special Committee on the McKinley Hospital, reported that the financial report for the year ending June 30, 1929, seems satisfactory, and recommended that the report be accepted.

W. L. NOBLE
 GEORGE A. BARR
 MARY E. BUSEY

On motion of Mr. Barr, this report was adopted, and the committee was discharged.

On motion of Mr. Barr, the general matter of the finances of the McKinley Hospital was referred to the Finance Committee for consideration and report, and the President of the Board was authorized to fill Mr. Simpson's place on this committee during his absence.

President Armstrong appointed Mr. Fisher to act as a member of the Finance Committee for the consideration of this matter.

NAMING OF STREETS AND BUILDINGS

Mr. Barr, for the special committee on the naming of streets and buildings, made a report of progress.

MEETING OF THE COMMITTEE ON PATENTS

President Armstrong made the following report.

The Committee on Patents of the Board of Trustees met Friday morning, December 13, 1929, in the Office of President Kinley to discuss the commercial development of Professor Buswell's process for the production of methane gas from corn-stalks. The following members of the Committee were present: Mr. James W. Armstrong, Chairman, Mrs. Laura B. Evans, Mr. Frank H. Simpson, and President Kinley. Professor A. M. Buswell and Professor James M. White were also present. Mrs. Evans was elected Secretary.

After consideration of the various proposals which have been received for the commercial development of Professor Buswell's process, on motion of Mr. Simpson, a sub-committee consisting of Mr. Armstrong as Chairman, President Kinley, Judge Sveinbjorn Johnson, Legal Counsel, Professor James M. White, Supervising Architect,

and Mr. John A. Dienner, of the firm of Brown, Jackson, Boettcher, & Dienner, Patent Attorneys, was appointed for further inquiry into the matter and report to the Committee.

LAURA B. EVANS
Secretary

President Kinley read a report from the sub-committee.
No action was taken on this matter.

AUTOMOBILE FOR THE PRESIDENT

President Armstrong made a report on the purchase of an automobile for the use of the President of the University and his family.

On motion of Mr. Barr, it was voted that a Cadillac limousine be purchased, and that the car now in use be traded in.

President

ADJOURNED SESSION, JANUARY 11, 1930

When the Board met at the University at 1 p.m. on Saturday, January 11, 1930, the following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble.

President Kinley was present; also, during part of the afternoon, Professor H. W. Mumford, Dean of the College of Agriculture, Professor H. A. Ruehe, Head of the Department of Dairy Husbandry,

Mr. A. D. Lynch, Director of Dairy Marketing, of the Illinois Agricultural Association, Mr. Fred Shipley, Resident Manager of the Champaign County Milk Producers Association, Mr. Dewey Prather, Secretary of the Champaign County Milk Producers Association, and Mr. W. I. Riegel, of Tolono, Chairman of our Advisory Committee on Farm Organization and Management.

CHAMPAIGN COUNTY MILK PRODUCERS ASSOCIATION

President Armstrong stated that the purpose of the meeting was to give a hearing to representatives of the Champaign County Milk Producers Association and of the University to ascertain whether or not it were possible to find some practicable and proper arrangement of relations with the Association.

President Kinley presented a copy of the suggested contract with the Milk Producers Association.

THIS AGREEMENT between the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, Urbana, Illinois, party of the first part, and the CHAMPAIGN MILK PRODUCERS, Champaign, Illinois, a corporation under the laws of the State of Illinois, party of the second part

WITNESSETH:

1. The party of the first part agrees to purchase all the fluid whole milk it needs in addition to the milk produced by its own herds for use in its Dairy Plant Laboratory from the party of the second part who, in turn, agrees to furnish the requirements as made by the party of the first part.

2. In keeping with a long-established policy to take appropriate note of local market conditions, especially with reference to retail price in disposing of surplus products in order to avoid loss through unnecessary waste, the party of the first part will purchase the milk it needs for use in its Dairy Plant Laboratory at a price which is substantially equivalent to the so-called pool price paid to the party of the second part by the local milk distributors. The party of the first part agrees to do this on the assumption that such a price has been established as the general local market price for this commodity and will accept, until such conditions change as evidence of such local market price, the certified statement of an officer of the party of the second part. It is understood that the market price which the party of the first part will recognize as the market price shall be the price paid by the commercial distributors who are under contract with the party of the second part.

3. In pursuance of this policy the party of the first part will purchase milk from the party of the second part on a grading basis acceptable to the party of the first part, provided that the party of the first part pay the gross pool price as established by the party of the second part for milk that contains from 300,000-500,000 bacteria per cc., or milk of comparable quality to that graded as grade B by the Association and which contains 4 percent of butterfat.

4. In accordance with the practice followed in the past, the party of the first part agrees to purchase from the party of the second part the normal production of those individual members thereof who have been assigned to deliver milk to the party of the first part and approved by the party of the first part. The party of the second part further agrees to have such of its members deliver milk to the Dairy Plant of the party of the first part as may be approved from time to time by the party of the first part.

5. The deliveries of fluid whole milk shall be made on the premises of the party of the first part at such a point as it may require of the party of the second part. The party of the second part agrees to make such deliveries at the time and place required; but it is agreed that such deliveries may in whole or in part be made by such individual producers of milk as the party of the second part may designate and who are acceptable to the party of the first part. The party of the second part assumes full responsibility for deliveries as to time, manner, and quality by whomsoever such deliveries may be made here under. In all cases deliveries shall be made to the account of the party of the second part, and payments therefor made to the party of the second part on or before the fifth of each month succeeding the month of delivery. The party of the first part shall accompany the account and payment with a statement of the grade,

weights, and butterfat content of each member producer making deliveries for the party of the second part. Hauling charges to be deducted by the party of the first part and paid to the hauler as authorized by member producers and accounting thereof made to the party of the second part.

6. This agreement to become operative fifteen days from the time it is officially approved by the party of the first part and the party of the second part except that non-member producers now delivering milk to the Dairy Plant of the party of the first part may have the option of continuing to deliver milk to the party of the first part under the present verbal understanding with them for sixty days from the time of the acceptance of this instrument.

7. This agreement is to continue in full force and effect until January 1, 1931, renewable, however, from year to year thereafter and cancellable on sixty days notice by either party before the termination of the term.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed by their proper officers in their official capacity and the corporate seal hereunto affixed at Urbana, Illinois, this _____ day of _____.

Mr. Lynch, Mr. Shipley, and Mr. Prather made statements concerning this matter, and retired.

Dean Mumford, Professor Ruehe, and Mr. Riegel also made statements, and retired.

On motion of Mr. Barr, the following resolution was adopted:

WHEREAS the question of the propriety and legality of the University's entering into an exclusive agreement in accordance with the contract submitted to the Board at its meeting on January 7 (adjourned to January 11) to purchase the milk needed in its Dairy Department exclusively from the Champaign County Milk Producers Association has been presented to the Board of Trustees after a somewhat prolonged discussion between members of the faculty and members of said Association, and

WHEREAS said proposed contract, in the opinion of the members of the Board, does not entirely eliminate all the difficulties which the proposed relations with said Association would be likely to produce,

NOW THEREFORE BE IT RESOLVED that the Board of Trustees is in sympathy with all cooperative movements looking towards the economic improvement of society and desires in all practical and proper ways to promote the success of such movements and particularly of the farmers' cooperative marketing organization known as the Champaign County Milk Producers Association, and

BE IT RESOLVED FURTHER that inasmuch as the contract submitted to the Board by a joint committee of the faculty and members of said Association does not clear away all difficulties in the way of the University's action a committee of the Board (of which the President of the Board shall be chairman) shall be appointed to give immediate further consideration to this matter and to report to the Board at its next monthly meeting.

President Armstrong appointed Mrs. Busey and Mrs. Evans to serve with him on this committee.

MATTERS PRESENTED FOR PRESIDENT KINLEY

It being necessary for the President of the University to be absent from the room for a short time, the Board considered the following matters presented for the President, on his request, by the Secretary of the Board.

President David Kinley, 355 Administration (W)

DEAR PRESIDENT KINLEY:

PLAN TO FINANCE DORMITORIES FOR MEN

On motion of Dr. Noble, the President of the Board was authorized to appoint a special committee of three members to investigate a plan suggested for financing the erection of dormitories for men, and to report to the Board.

President Armstrong appointed Dr. Noble, Mr. Fisher, and Mr. Trees to serve on this committee.

APPROPRIATION FOR PRESIDENT'S HOUSE

On motion of Mr. Barr, seconded by Dr. Noble, an appropriation of \$50,000 was made, from the Reserve and Contingent Fund, toward the building of a residence for the President of the University. The vote was as follows: Aye, President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Dr. Noble; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Grigsby, Mr. Simpson, Mr. Trees.

RESOLUTION CONCERNING BURRILL AVENUE

On motion of Mr. Barr, the following resolution was adopted:

WHEREAS the Avenue leading from Springfield Avenue south from the Gymnasium Annex, formerly known as the Old Armory, around University Hall and in front of the Administration Building, the Woman's Building, Lincoln Hall, the new Library, the new Commerce Building, and so on south to the street known as Pennsylvania Avenue (formerly Maple Avenue) was years ago named Burrill Avenue in honor of one of the most distinguished members of the Faculty, who served through many years as Head of the Department of Botany and for a time as Acting President of the University,

AND WHEREAS of late there has grown up a practice of naming a part of this Avenue, "Broad Walk" for the reason that a portion of it has been closed to vehicle traffic,

NOW THEREFORE BE IT RESOLVED by the Board of Trustees that the Board reaffirms the decision to name this Avenue, Burrill Avenue, and requests all connected with the University and others to retain and use this name in their publications and conversations. It would be a great misfortune to have the name of this distinguished member of the Faculty, this great scientist, forgotten in connection with any part of the Avenue dedicated to his name and fame.

DATE OF FEBRUARY MEETING

It was voted to hold the February meeting at 10 o'clock a.m. on Wednesday, February 5, at the Blackstone Hotel, in Chicago.

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

February 5, 1930

The February meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a.m. on Wednesday, February 5, 1930. The following members were present: President Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 7, 1930, and of the adjourned session of January 11, 1930.

On motion of Dr. Noble, the Secretary was instructed to include in the minutes of January 11, on page 482, the proposed contract with the Champaign County Milk Producers Association.

On motion of Dr. Noble, the minutes were approved as corrected, as printed on pages 471 to 494 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

¹The \$25,000 is a new state appropriation for the fiscal year July 1, 1929-July 1, 1930, which is paid by the State Department of Agriculture on the salaries of the home advisers following certification for salary by the Director of Extension.

²The \$11,100 Cooperative Demonstration Fund appropriated by the United States Department of Agriculture will be paid directly to the farm advisers thru the Extension Service by the United States Treasury Office as follows:

37 advisers @ \$300.....	\$11	100
An additional amount of \$200 is available to cover the cost of penalty envelopes and cards for the farm and home advisers, which are purchased by the United States Department of Agriculture and shipped to Illinois.....		200
Total United States Department of Agriculture.....	\$11	300

³To be increased in June 1930 if any balances are available due to unused salaries accruing from vacancies in the counties. (This does not mean any increase in the salaries of the farm advisers, but an increase in the amount of the advisers' salary paid from federal funds.)

This report was received for record.

CHANGE IN STATUS AND SALARY OF DR. A. J. NEDZEL

(4) A recommendation from the Dean of the College of Medicine that Dr. Alexander J. Nedzel be promoted to the rank of Associate in Bacteriology, on full time, at a salary of \$250 a month, effective February 1, 1930.

I recommend approval.

On motion of Mr. Fisher, this recommendation was approved.

APPOINTMENT OF DR. GERHARDT VON BONIN AS ASSOCIATE IN ANATOMY

(5) A recommendation from the Head of the Department of Anatomy, concurred in by the Dean of the College of Medicine, that Dr. Gerhardt von Bonin, Prosecutor in Anatomy at the University of Leyden, be appointed Associate in the Department of Anatomy at an annual salary rate of \$3,000 beginning April 15, or as soon as he is able to report for duty.

I recommend approval.

On motion of Mr. Trees, this appointment was made.

RESIGNATION OF MISS RUTH M. CALDWELL

(6) A report of the resignation of Miss Ruth M. Caldwell, Assistant to the Dean of Women, effective February 1, 1930.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR C. W. PARMELEE

(7) A request from Professor Cullen W. Parmelee, Head of the Department of Ceramic Engineering, for a sabbatical leave of absence under the rules for one year beginning September 1, 1930. The Assistant Dean of the College (acting in the absence of the Dean) recommends that this leave be granted and, since satisfactory arrangements have been made for carrying on his work in his absence, I concur.

On motion of Mrs. Busey, this leave was granted.

LEAVE OF ABSENCE FOR DIRECTOR HUFF

(8) A recommendation that Director George A. Huff be granted leave of absence for six weeks during the winter, with full pay.

On motion of Mrs. Evans, this leave was granted.

LEAVE OF ABSENCE FOR MISS MARIE M. HOSTETTER

(9) A recommendation from Director P. L. Windsor of the Library School that Miss Marie M. Hostetter, Associate in Library Economy, be given leave of absence from February 1, to September 1, 1930, on account of her health.

I recommend that Miss Hostetter be granted this leave, on pay during the month of February and without pay for the balance of the academic year.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR ASSISTANT PROFESSOR W. L. ROOSA

(10) A report from the Director of the School of Music that Assistant Professor W. L. Roosa of the Violin Department has undergone a serious operation and will be absent for three or four weeks from January 28, and a recommendation that he be given sick leave for four weeks or such time as may be necessary for his recuperation. Some of his work can be taken care of by one of his colleagues, but it will be necessary to employ some one else while Mr. Roosa is away.

I recommend that Mr. Roosa be given sick leave, the period and terms to be at the discretion of the President of the University.

On motion of Mr. Trees, this recommendation was concurred in.

APPROPRIATION FOR FELLOWSHIPS AND SCHOLARSHIPS

(11) A recommendation that \$25,000 be appropriated for graduate fellowships and scholarships in the budget for the year 1930-31.

On motion of Mr. Barr, this recommendation was approved.

APPROPRIATION FOR REPRINTS OF MONOGRAPH ON A STUDY OF SKIN REACTIONS AND BLOOD CHEMISTRY

(12) There will soon appear a monograph by our Doctors W. F. Petersen and S. A. Levinson on "A Correlative Study of Skin Reactions, Blood Chemistry, and the Physical Status of One Hundred So-called Normal Individuals." This is to be published, I understand, as a supplement to the Journal of Infectious Diseases, of which Doctor Hektoen is editor-in-chief. Deans Davis and Daniels urgently request the purchase of a certain number of reprints and ask an appropriation of \$500 for the purpose. Dean Daniels writes, "Dr. Davis has emphasized the importance of having the reprints for the purpose of giving the monograph the wide circulation that in his opinion it deserves." According to my understanding, the book will contain 330 pages, including 137 tables and 73 charts.

I concur in the recommendation and request an appropriation of \$500 for this purpose from the Reserve and Contingent Fund.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

TUITION FEE FOR GRADUATE COURSE IN ORTHODONTIA

(13) A recommendation from the Dean of the College of Dentistry, concurred in by the Acting Comptroller, that the special tuition fee of \$600 per year for the graduate course in Orthodontia, authorized by the Board on July 17, 1929 (Minutes, page 267), be made payable in three parts, the first payment to be at the beginning of the second semester, when the course begins, the second at the beginning of the summer work, and the third at the beginning of the first semester of the next academic year.

I recommend approval.

On motion of Mr. Trees, this recommendation was adopted.

AGREEMENTS WITH ILLINOIS CLAY PRODUCTS ASSOCIATION FOR INVESTIGATIONS OF CLAY SEWER PIPE

(14) A recommendation from the Assistant Dean of the College of Engineering that the agreements with the Illinois Clay Products Association for investigations of clay sewer pipe and jointing materials for clay sewer pipe, approved by the Board on December 11, 1928 (Minutes, page 94), be extended for one year beginning February 1, 1930, by agreement of both parties.

I have authorized the extension of these agreements.

This report was received for record.

AGREEMENT WITH AMERICAN CONCRETE INSTITUTE FOR INVESTIGATION OF REINFORCED CONCRETE COLUMNS

(15) On recommendation of the Acting Dean of the College of Engineering I authorized the Comptroller and Secretary to execute an agreement between the University and the American Concrete Institute for a proposed cooperative investigation of reinforced concrete columns. The agreement is drawn for a period of two years beginning with the date of its execution, with the understanding that it may be extended for additional periods under such terms as may be mutually agreed upon; and the Institute agrees to pay the University the sum of \$2,000 on execution of the agreement and to provide materials and additional funds up to the amount of \$3,000 as needed throughout the work.

This agreement varies from our standard form in two respects, viz:

1. The agreement provides that the conduct of the tests shall be under the full control of the University, as is customary in such agreements, but there is an added provision that the tests shall be "in accordance with an outline to be agreed upon between the Advisory Research Committee and the officers of the Engineering Experiment Station." Dean Jordan states that this is essential in order that the results of one phase of this investigation which is being conducted at Lehigh University may be correlated with those obtained here.

2. The agreement provides that the Institute shall have the right of publication simultaneously with the University. A similar provision was authorized by the Board at its meeting on January 7 in the contract with the Bureau of Public Roads for the investigation of concrete arches.

On motion of Mr. Barr, the execution of this agreement was approved.

CONTRACT FOR ELECTRIC WIRING OF CHEMISTRY ANNEX

(16) The following schedule of bids received by the Supervising Architect on the electric wiring for the Chemistry Annex:

BID SCHEDULE

<i>Bidders</i>	<i>Bids</i>
1. Hatfield Electric Co., Indianapolis.....	\$6 497 00
2. Sanborn Electric Co., Indianapolis.....	7 000 00
3. Harrington Electric Co., Cleveland.....	7 700 00
4. Cento, C. R., Decatur.....	7 879 00
5. Marrs-Tanner Electric Co., Danville.....	8 110 00
6. Koeneman Electric Co., St. Louis.....	8 770 00
7. Hughes-Krabbe, Champaign.....	10 475 00
8. Mound City Electric Co., St. Louis.....	10 748 00
9. Conklin, R. E., Urbana.....	10 785 00

He recommends that the contract be awarded to the Hatfield Electric Company, the low bidder, at their bid of \$6,497.

I concur.

On motion of Mr. Barr, this contract was awarded to the lowest bidder as recommended.

CONTRACT FOR SASH FOR CHEMISTRY ANNEX

(17) The following recommendation from the Supervising Architect for the award of the contract for the sash for the Chemistry Annex to the Kawneer Company of Niles, Michigan, on the basis of their quotation of \$15,000.

CHEMISTRY ANNEX

President David Kinley, 355 Administration Bldg. (W)

February 4, 1930

MY DEAR PRESIDENT KINLEY:

In taking bids on the Chemistry Annex, we did not include the sash in the general contract. We desired to obtain a rustless, fire-proof sash with rather large glass areas, and we designed the building on the basis of such sash. The usual type of metal sash with the divided panes would not harmonize with the windows in the Old Agricultural Building and would cause continual expense in the way of painting to avoid rusting.

A window which seems to meet all these requirements is manufactured by the Kawneer Company of Niles, Michigan, and is made of an aluminum alloy. As all window manufacturers make their own types of sash, it is difficult to write a specification which would bring them all on to a competitive basis. We therefore let the different firms who manufacture metal windows make their own proposals if they desired to do so, but we asked no one for figures excepting the Kawneer Company, and therefore we are not under any obligations to the other firms bidding.

The prices on steel sash vary from \$3,602 to \$11,346, with other quotations all the way between. The only rustless metal which can be obtained at a price which we could consider is an aluminum alloy. The Lupton Company bid \$20,373 on a combination projected aluminum window. The Kawneer Company's figure on an aluminum alloy window which seems to meet our requirements fully, is \$15,000. Their window combines the rustless and fireproof features, also gives the necessary facilities for washing from the inside and gives glass of sizes which will keep the Addition reasonably in scale with the Old Agricultural Building.

After carefully studying the situation, I have come to the conclusion that we ought not to consider the steel windows for this job at all, and that we ought to use either wood or aluminum. This new building is subject to an outside fire hazard because the Old Agricultural Building is non-fireproof, as is also the first unit of the Chemistry Building, therefore I feel that we are justified in making this structure a fire stop between these other two buildings.

I therefore recommend that the award of the contract for the sash on this building be made to the Kawneer Company on the basis of their bid of \$15,000.

Very truly yours,
 JAMES M. WHITE
Supervising Architect

I concur in this recommendation.

On motion of Mrs. Evans, this recommendation was approved and the contract was awarded to the Kawneer Company as recommended.

CONTRACT WITH STATE BOARD FOR VOCATIONAL EDUCATION

(18) A report of the authorization of the execution by the Acting Comptroller and Secretary of a contract with the State Board for Vocational Education providing for the payment by said Board of all incidental, tuition, and laboratory fees of Miss Margaret Mankey in the College of Education for a period of one year beginning February 1, 1930. This contract is of the same form and character as those of similar contracts which have been entered into in the past.

This report was received for record.

RELEASE OF E. L. DECOSTED FROM PLYM SCHOLARSHIP CONTRACT

(19) Mr. E. L. DeCosted of the class of 1928 was awarded a Plym Foreign Scholarship in Architectural Engineering for the year 1929-30 last year (Board Minutes, May 17, 1929, page 181). He reports that conditions at home make it impossible for him to go to Europe this year and asks to be released from his contract. He has returned the funds which were advanced him on this scholarship.

On recommendation of the Assistant Dean of the College of Engineering, I authorized the release of Mr. DeCosted from his obligations and the cancellation of his contract.

On motion of Mr. Barr, this action was approved.

AWARD OF PLYM SCHOLARSHIP TO E. M. SEARCY

(20) A recommendation from the Secretary of the Committee on Plym Fellowships and Scholarships, concurred in by the Dean of the College of Engineering, that because of the resignation of Mr. E. L. DeCosted from the Sixth Plym Foreign Scholarship in Architectural Engineering, the appointment be given to Mr. E. M. Searcy of Dwight, Illinois, who was chosen alternate in the competition.

I concur.

On motion of Mr. Trees, this recommendation was adopted.

CHANGES IN OPTICAL SERVICE IN THE COLLEGE OF MEDICINE

(21) A recommendation from the Acting Comptroller that the regulations to govern optical service in the College of Medicine, as authorized by the Board on December 12, 1928 (Minutes, page 468), be amended to read as follows:

CONDITIONS AND REQUIREMENTS FOR CONTRACTING FOR OPTICAL SERVICE IN THE COLLEGE OF MEDICINE

1. A competent dispensing optician is to be sent daily by the company to a place provided and furnished by the University at a regular time designated by the University.

2. He will take all measurements, make all mechanical adjustments on frames, etc., and collect all charges from the patients. Should glasses purchased by patients require a change of lens within three months from the time of purchase, due to an error on the part of the University staff, the substitution will be gratis on the part of the optician. The number of these cases is not to exceed six per cent of the annual total.

3. Prices to be charged shall be specified by contract and shall be based on wholesale prices to which the company may add a stated uniform initial fitting charge for each pair of glasses sold. No charge is to be made for the adjustment of glasses.

4. The company shall assume all charity cases, estimated at not over twelve per cent of the total.

5. All records shall be kept in a form prescribed by the University and shall be open to inspection by the University.

6. An itemized statement in a form prescribed by the University is to be furnished monthly.

7. Prices shall be subject to adjustment quarterly if the volume of charity work is more or less than herein stated, such adjustment to be made by conference of both parties.

8. All materials furnished are to be of uniform first quality and patients shall have choice of frames as follows:

- (a) Gold-filled, one-tenth—twelve carat
- (b) Shell inner rim
- (c) All shell rim

No solid gold frames will be provided.

No steel or aluminico frames will be dispensed to any case.

A suitable spectacle case will be supplied to the patient without extra charge with each new pair of glasses.

9. Only leading wholesale houses, manufacturers, and distributors of standard quality merchandise free from defects will be invited to compete. The contract will be awarded on the basis of lowest prices, ability of the company to render the regular service and diversification of standard optical merchandise which it proposes to supply.

10. The contract will be for an indeterminate period and subject to termination by either party on sixty days' notice.

I recommend approval of these arrangements.

On motion of Dr. Noble, these regulations were approved as amended.

RECEIPT OF FUNDS FOR STUDY OF STREPTOCOCCUS

(22) A report from the Acting Comptroller that he has received the sum of \$1500 from the Certified Milk Producers Association of America to be used for the study of the Toxins of the Streptococcus Epidemicus by the College of Medicine in accordance with the agreement which was approved by the Board at its meeting on December 4, 1929 (Minutes, page 451). Payment of the remaining \$2000 of the \$3500 provided for in this agreement is promised for March, 1930.

This report was received for record.

REBATE ON ASSESSMENT FOR SCOTT SANITARY SEWER

(23) A report from the Acting Comptroller of the receipt of \$136.92 from the City of Champaign to cover partial rebates on special assessments on account of the Scott Sanitary sewer, and that an additional rebate on this assessment of \$643.81 will be paid when the city has available funds.

This report was received for record.

PHOSPHORUS TEST SOLUTION ROYALTIES

(24) A report from the Acting Comptroller of the receipt of \$10.94 from the Urbana Laboratories, Urbana, in payment of royalties due in accordance with the contract with that concern covering the manufacture and distribution of the solution known as "the field test for available phosphorus in soils," covering the period from November 21, 1929, when the payment of royalties became effective, to December 31, 1929.

This report was received for record.

PURCHASE OF TRUCK FOR DEPARTMENT OF DAIRY HUSBANDRY

(25) A report that, on recommendation of the Acting Purchasing Agent, concurred in by the Supervising Architect and the Acting Comptroller, the Department of Dairy Husbandry was authorized by me to purchase a one-ton Reo motor truck for its use in dairy manufactures work at a net price of \$1,075, out of funds provided in the Department's budget.

This purchase was made on the basis of quotations secured from local dealers handling the style of truck which is needed for this work, the Reo people having quoted the lowest figure.

On motion of Mrs. Busey, this report was received for record, and the action of the President of the University was approved.

GIFTS TO THE UNIVERSITY

(26) The following report of gifts received by the University since the last report:

1. From the Western Electric Company of Chicago a direct-current motor with a generator designed to deliver direct, pulsating, and alternating current, valued at about \$500, for use in the Department of Electrical Engineering.

2. From the Kewanee Boiler Corporation of Kewanee, a new Portable Fire Box Boiler, complete with all castings and trimmings, which has a market value of \$700, for the use of the Department of Mechanical Engineering for instructional purposes.

3. From President David Kinley, a collection of 593 bound volumes, 1210 unbound books and pamphlets, and 294 unbound numbers of magazines, dealing with subjects in the field of Economics and related studies. These books have been deposited in the Library.

This report was received for record.

ENGLISH POETRY PRIZE

(27) The University, through the Department of English, awards annually two prizes, one of \$15, and one of \$10, for the best undergraduate poems of the year. The Prize Fund amounts to \$677.50. It does not appear that this fund has ever been officially accepted. The Prize Fund was started with the profits, amounting to \$339.26, made from a dramatic entertainment by Mr. Forbes-Robertson in 1919. Since then it has been supplemented by the profits, amounting to \$326, from the sale of "Illini Poetry," a book of poems published by Professor Bruce Weirick in 1925; by profits from the exchange of securities when the fund was reinvested, amounting to \$2.11; and by a contribution of \$10.13 from the late Professor S. P. Sherman in 1923.

I recommend that this fund be accepted by the Board and that the Comptroller be authorized to carry it as one of the Trust Funds of the University.

On motion of Mr. Trees, this fund was accepted and the Comptroller was authorized to carry it as a Trust Fund.

REPORT OF AUDIT OF UNIVERSITY ACCOUNTS

(28) The following report received by the Secretary of the Board from Arthur Young & Company on their audit of the accounts of the University for the quarter ending December 31, 1929.

January 16, 1930

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIR:

We have audited the books of the University of Illinois for the quarter ended December 31, 1929, and submit the following brief summary of the work done and the result of the audit:

The Cash Receipts have been verified by checking all cash receipts vouchers into the cash book and examining a substantial portion of the original departmental records. Cash received as recorded has been duly deposited with the University Treasurer. The warrants drawn on the University Treasurer and those certified to the State Auditor have been checked into the cash book, and a substantial portion of the supporting vouchers has been examined with respect to authorization, object of expenditure and receipt of goods or services by the University. The footings of the cash book have been proved.

On December 12, 1929, the Board of Trustees received and accepted the resignation of the University Treasurer and on the same day it elected a new Treasurer. The funds in the hands of the resigning Treasurer at December 12, 1929, amounting to \$1,136,163.95, as acknowledged in the Treasurer's statement and as reconciled with the records in the Business Office, have been duly transferred to the new Treasurer, as shown in his statement for the period, December 12 to 31, 1929.

The cash balance in the hands of the University Treasurer as at December 31, 1929, together with the securities in his custody, as shown by the books of account have been verified by actual inspection and confirmation from the depository. Cash on hand has been verified by actual count.

The Income for the quarter under audit has been verified by extensive detail checking and comparison with the files of the Registrar and of the various operating departments.

The accounts of the Chicago Departments and of the Stadium Fund have been audited along the lines indicated above and have been found correct.

The records of the meetings of the Board of Trustees of October 10, November 15, and December 4 and 12, 1929, have been examined and all actions affecting the finances of the University, in so far as they had been consummated up to the time of our audit, have been checked into the books of account. A similar examination has been made of the minutes of previous meetings held during the current and the preceding year, with respect to items that had not been consummated at the time of previous audits.

The records of the Purchase Department have been examined, and a number of the larger purchase orders issued have been compared with relative bids and quotations.

We hereby certify, that so far as we have been able to ascertain by an extended detail examination,

All Income which the University should have received during the quarter ended December 31, 1929, has been received and duly accounted for.

All Disbursements have been made for University purposes and have been properly authorized, and the expenditures have been correctly recorded in the books of account.

The Cash and Securities as shown by the books at December 31, 1929, are correct in amount and have been verified by actual inspection, count or confirmation from the depository.

The Report of the Comptroller to the Board of Trustees for the quarter ended December 31, 1929, a copy of which is attached hereto, is in accordance with the books and, in our opinion, is correct.

The Financial Report of the Comptroller to the Governor of the State of Illinois, for the period beginning July 1, 1929, and ending December 31, 1929, is in accordance with the books, and, in our opinion, is correct.

Yours faithfully,

ARTHUR YOUNG & COMPANY

TRANSFER OF COMPTROLLER'S BOND

(29) A report from Mr. H. M. Edwards, formerly Acting Comptroller, that the bond for \$25,000 which was carried in his name from September 1, 1929, to February 1, 1930, was terminated and that Mr. Lloyd Morey's bond was renewed as of the latter date.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(30) The following report from the Acting Comptroller of contracts and purchase orders executed since the last report:

CONTRACTS EXECUTED BY THE ACTING COMPTROLLER JANUARY 4, 1930, TO JANUARY 31, 1930

Minor contract executed under general regulations:

CONTRACT WITH GENERAL TALKING PICTURES CORPORATION

(31) The contract with the General Talking Pictures Corporation (successors to the DeForest Phonoflms, Inc.) concerning the Kunz photo-electric cell was terminated on December 30, 1929, because of the failure of said Corporation to report sales and to pay royalties as provided for in the contract. No royalties have been paid nor any reports on sales have been made since June 30.

The Comptroller, Mr. Lloyd Morey, who was in New York last month, made inquiry to determine if the Corporation has discontinued the use of the Kunz cell. He reports that the Corporation discovered some months ago that practically the same cell was being made by the G-M Laboratories of Chicago (one of the men in this organization was a student under Professor Kunz), and that the G-M Laboratories considered our patent of no consequence. Under the contract, the General Talking Pictures Corporation had the right to have the cell manufactured for it by other parties and it contracted with the G-M Laboratories for this purpose. The latter, according to information secured by Mr. Morey, sold the same cell to other parties and on such sales no royalties have been paid by any one. Consequently, the General Pictures Corporation, on advice of its Legal Counsel, suspended payment of royalties as of June 30, last.

It seems desirable to determine promptly if the activities of the G-M Laboratories constitute an infringement of our patent and that if this is found to be the case legal steps be taken to protect the rights of the University. Professor Kunz reports that the cell being manufactured by the G-M Laboratories is a duplicate of his cell except as to size. Accordingly, I recommend that the Legal Counsel be authorized and directed, with the advice of the Patent Attorneys of the University, to institute such legal proceedings as the facts may indicate to be necessary in order to protect the University under this patent.

On motion of Mr. Trees, this matter was referred to the Committee on Patents, for investigation and report at the March meeting of the Board.

ASSESSMENT FOR SEWER SYSTEM IN CHICAGO

(32) On November 15 (Minutes, page 435) the Board directed the President to file an objection to the assessment against the University's property in Chicago on account of the proposed system of sewers on the West Side, and to notify the assessors that while the University is not bound to pay such an assessment it will not stand in the way of the improvement but will voluntarily accept its share of the assessment on condition that if other assessments for this project are reduced the University's share will be correspondingly reduced. The Superintendent of Assessments was notified accordingly, through our Legal Counsel.

The Legal Counsel reports that on January 28 he had a conference with the special Assistant Corporation Counsel of Chicago in charge of the lawsuit concerning this special assessment situation at which they reached an understanding that the University will not only be given equal benefits of reductions received by others but possibly more.

This report was received for record.

OWNERSHIP OF PENNSYLVANIA OR MAPLE AVENUE

(33) A recommendation that, for the purposes of the record, the letters written by the Legal Counsel at the direction of the Board (Meeting of December 4, Minutes, page 449) to the Mayor and City Clerk of Urbana and to the owner of the Gallivan Addition to the City of Urbana concerning the ownership of Pennsylvania Avenue be printed in the minutes of the Board.

December 16, 1929

Mr. Lyle Gallivan, 608 South Prospect, Champaign, Illinois

MY DEAR MR. GALLIVAN:

At its meeting on December 4 the Board of Trustees of the University of Illinois directed me to take the necessary steps to clear certain property belonging to it of the cloud cast thereon by the plat of Gallivan's Addition to the city of Urbana certified to by Mr. M. N. Kinch, City Engineer, on September 22, 1928, and bearing your

certificate as owner under date of May 19, 1928, which plat was approved by the Council of the City of Urbana on June 18, 1928, and thereafter duly recorded in the Office of the Recorder of Champaign County.

The situation according to the survey made under the direction of the Office of the Supervising Architect of the University of Illinois is that the University is the record owner of a continuous strip of property between Florida Avenue and the north line of the Forestry; that Pennsylvania Avenue—Maple Avenue, I believe formerly—from Lincoln to Fourth Street is entirely on the one hundred sixty acres purchased by the University many years ago and in the public records referred to sometimes as the Model Farm. It appears, again from the survey made by the Office of the Supervising Architect and from the plat filed by you, that the property embraced within the Gallivan Addition extends over on this University property on Pennsylvania Avenue 3.8 feet at its East end and 1.9 feet at its West end throughout the width of the Addition which I believe is 555.2 feet.

This matter can, of course, be adjusted without difficulty, and I hope with little or no inconvenience to yourself. Under the Statutes concerning plats and the vacation of plats all that would be necessary for you to do is to prepare a written instrument to which you attach a copy of the plat and in which instrument you describe by metes and bounds this small strip which extends upon University property and declare such strip vacated. This instrument should be executed and acknowledged, approved by the City Council, and recorded, in the same manner as the instrument which you filed and recorded with your plat originally. This procedure will effectually correct the mistake.

Let me suggest that you see Professor White and go over this matter with him or somebody in his Office if you desire any further information as to the facts.

The Board of Trustees will call for a report from me as to what I have done in this connection. I am suggesting the above procedure because I think it will be most agreeable to you and to the Board. It seems to me to be wholly unnecessary to resort to any other method which would necessarily involve expense, delay, and inconvenience to all concerned.

Will you please let me hear from you at the earliest possible date?

Very truly yours,
SVEINBJORN JOHNSON
Legal Counsel

December 17, 1929

The Mayor and the City Clerk, Urbana, Illinois

GENTLEMEN:

At its meeting of December 4, 1929, the Board of Trustees of the University of Illinois directed me to call your attention to certain facts concerning the plat of Gallivan's Addition to the City of Urbana, certified to by your City Engineer, Mr. M. N. Kinch, on September 22, 1928, and bearing the certificate of the owner under date of May 19, 1928, and approved by the Council of the City of Urbana on June 18, 1928, and thereafter duly recorded in the office of the Recorder of Champaign County.

According to deeds and instruments of record in the Office of the Recorder of the City of Urbana and according to the records of the University and of the office of the Supervising Architect of the University, the Board of Trustees is the record owner of a continuous strip of property between Florida Avenue and the North line of the Forestry; it also appears that Pennsylvania Avenue, formerly Maple Avenue, I believe, from Lincoln Street to Fourth Street is entirely on the one hundred sixty acres purchased by the University of Illinois many years ago and sometimes known as the Model Farm. To be specific, the University acquired this property now described as Pennsylvania Avenue and formerly as Maple Avenue in April, 1867. The part of this one hundred and sixty acres which borders on the cemetery was bought in three parcels, but all in 1867. In all three instances the abstract describes the properties as extending to the cemetery, and, therefore including Pennsylvania Avenue, or Maple Avenue formerly, as I understand it.

I am, therefore, calling your attention to the fact that improvements have been made upon the tract which has been known as Maple Avenue or Pennsylvania Avenue and which tract has, at all times, belonged and still belongs to the University; that the plat approved by your Council as aforesaid, known as and showing the Gallivan Addition to the City of Urbana extends over and upon Pennsylvania Avenue or Maple

Avenue 3.8 feet at its East side and 1.9 feet at its West side throughout the width of the addition which is 555.2 feet, according to the plat. This much of the platted area, therefore, is upon property which does not belong to Mr. Lyle H. Gallivan, who made the plat and offered the same for approval of your Council. Will you please notice therefore, that the University claims and intends to claim in full all its rights of ownership to all of the property referred to in this letter and particularly to that strip which trespasses upon Pennsylvania Avenue, sometimes and formerly known as Maple Avenue; and that from the fact that improvements have been made upon Pennsylvania Avenue, formerly known as Maple Avenue, no inference can be drawn that the University has surrendered any of its rights, title to or interest in any or all of the property referred to in this letter?

Will your honorable City Council please take note of this letter in your Minutes so that their public records may show the same?

Will the Mayor please acknowledge receipt of this communication?

Very truly yours,

SVEINBJORN JOHNSON
Legal Counsel

On motion of Dr. Noble, these letters were received to be printed in the minutes.

OPENING OF MAIN OR WHITE STREETS THROUGH THE CAMPUS

(34) A recommendation that the following opinion of the Legal Counsel concerning the right of the City of Urbana to extend Main Street between Romine and Wright Streets across Illinois Field be printed in the minutes for record.

June 28, 1929

OPINION CONCERNING LEGAL POWER OF URBANA TO OPEN MAIN STREET ACROSS ILLINOIS FIELD

The Question

The question on which the Trustees desire an opinion relates to the legal power of the City of Urbana to open and extend Main Street over and across Illinois Field, in what is known as Seminary Addition to the City.

The Facts

This street is and for many years has been open and improved from Romine Street, the eastern boundary of the Seminary Grounds, east to Lincoln Avenue; but from Romine Street west to Wright Street, and across Seminary Grounds north of Block 52, Main Street has never been opened or improved. Indeed, that portion of the street does not ever appear to have been in actual use either as a public or as a private way. For over forty years there has been a board or an iron fence around the grounds, enclosing the portion platted as a part of Main Street and which constitutes the plot over which the street, if now extended, would pass.

If the street be extended the effect would be to transect Illinois Field, necessitate the removal of the iron fence, and possibly the maple tree which stands near the line of the proposed extension.

If there be legal power to extend Main Street as proposed, it becomes an open question whether a like power does not exist with respect to Stoughton Street on which the University has constructed valuable improvements, and has others in contemplation.

In November 1863 a plat of Seminary Addition to Urbana was filed. It was prepared by the County Surveyor at the instance of J. C. Stoughton and J. E. Babcock, the owners of the platted land. The deed is recorded in Book Y at pages 208 and 209 in the Recorder's Office in Champaign County. This was a statutory plat and if in all respects in conformity with the statutes, was an offer to the public of the streets and alleys marked thereon for use as public ways. The dedication of the designated streets when accepted by the city and duly opened for public use, could not be withdrawn or vacated by the original owners.

On this plat what is now Main Street appears as "White Street"; and what is Main Street on the plat is now University Avenue. The change of name is a fact of importance.

On January 13, 1896, the mayor of Urbana approved an ordinance in which the following section appears:

"The Street known as "White Street" the route of which is more particularly described as follows, Viz: Commencing on West side of Romine Street, thence running due east between Blocks 42 and 51 of the 'Seminary Addition' to Urbana; thence due east to east side of 'Lincoln Avenue,' shall be known as 'Main Street' in lieu of the name 'White Street.'"

From time to time the City of Urbana accepted the plat, supra, opened and improved the streets as thereon designated. There does not seem to have been formal acceptance of the plat by action of the City Council, but there has been acceptance in fact of various streets and parts of streets by opening and improving them.

Legal Propositions

Certain legal propositions must be stated as a foundation for our conclusion.

In only two ways, pertinent to the present inquiry, may land be dedicated to the public for highway purposes, namely: in the common law or the statutory mode. The dedication in question was effected by the statutory method. An examination of the abstract, handed me as a basis for this opinion, discloses that the plat is deficient in one essential particular from which it would follow, were the abstract correct, that the plat failed as a statutory dedication. I have reference to the requirement of Section 1 of Chapter 109 S.H. Statutes that reference must be made, on the plat, to some "known and permanent monument from which future surveys can be made." No such monument appears on the plat attached to the abstract. On looking up the original record in the office of the Recorder I find that there is a stone shown at the intersection of East Main and Wright Streets. I am, therefore, of the opinion that the plat complies with the statute and that there was a dedication in the statutory mode. Such a plat vests a base, determinable fee in the municipality so long, and only so long, as the land is devoted to the public use. And if such a street be vacated or abandoned, the title to the land, in the absence of valid reservations to the contrary, passes by way of conditional limitation to the owners of the lots abutting thereon. *Prall v. Bruckhart* 299 Ill. 19; Chap. 145 Smith-Hurd Statutes, Sec. 2.

In order that there may be a vesting of title in the public, as a result of the filing of such a plat, there must be an acceptance, expressly or impliedly. Acceptance is implied when the city opens the streets and improves them. But acceptance of a *part* of a street is not necessarily an acceptance of *all* the street; nor is acceptance of one street necessarily an acceptance of other streets shown on the plat. Consequently, opening and improving Main (White) Street to Romine Street, is not necessarily an acceptance of the entire street to Wright Street. *Reichert Co. v. Freeburg* 217 Ill. 384. *Moore v. City of Chicago* 261 Ill. 56. There exists no duty on the part of the public to accept every part of a proffered dedication.

It is also well settled in this state that a city may by non-user abandon a public way and that it may so conduct itself with reference to a strip of land described on a plat as a street as to estop itself from "demanding an opening of the street." The reason is that others may have so conducted themselves in reliance upon the appearances as to make it inequitable to permit the city to change its position to the detriment of one who has in good faith and justifiably acted in the belief that there would be no change. See *Reichert Co. v. Freeburg*, supra. *Dillon Mun. Corp.* sec. 533; *Chicago v. Elgin* 91 Ill. 251.

Independently of the foregoing legal principles, which seem to me controlling and decisive, the following special act of the Legislature, Vol. 2 Private Laws of Illinois, 1869, would seem to settle the matter:

"That so much of East Stoughton and East White streets as lay between Wright street and Romine street, in the seminary addition to the city of Urbana, together with the alleys running through blocks fifty-two (52) and fifty-three (53) of said addition, and the alleys running between lots twenty-seven (27) and twenty-eight (28), in James S. Busey's addition to Urbana, be and the same are hereby declared vacated; and the title to the streets and alleys so vacated, vested in the owners of the contiguous lots.

This act is hereby declared a public act, and shall be in force from and after its passage."

Conclusion

I am of the opinion that the City of Urbana has never accepted Main Street, for public use, farther west than Romine Street, and that the city has no power to extend Main Street across Illinois Field, without first obtaining the consent of the Board of

Trustees; and if there was an acceptance the Legislature by a special act vacated the street in question in 1869.

In closing I add that were I called on to defend in court, in opposition to the asserted power to open, I should contend, were the holding against me on the proposition that there has been no acceptance farther west than Romine Street, that the city has abandoned that portion of Main Street which now is a part of Illinois Field, and that the municipality should be estopped from demanding that the street be now opened, a position in the legal soundness of which I have confidence.

From what has been said it follows, also, that the University is the owner of the plot of ground over which Main Street, if opened as planned, would be extended, either under the vacation statute, or through adverse possession for about sixty years.

SVEINBJORN JOHNSON

Legal Counsel

On motion of Dr. Noble, these letters were received, to be printed in the minutes.

PURCHASE OF COAL FOR POWER PLANT

(35) A recommendation from the Comptroller, Mr. Lloyd Morey, that the arrangements for the purchase of coal for the Power Plant, approved by the Board on November 15, 1929 (Minutes, page 431), be continued. These arrangements were made in the absence of Mr. Morey on recommendation of the Acting Comptroller, Mr. Edwards, with the proviso that their continuation after February 1, 1930, be subject to confirmation by Mr. Morey on his return.

On motion of Mr. Trees, this recommendation was approved.

LEASE OF PROPERTY AT 1105 WEST NEVADA (NOYES HOUSE)

(36) The Comptroller and the Supervising Architect recommend the execution of a contract with Mr. C. M. Brown of Urbana for the lease of the Noyes property for residential purposes for the second semester, or from January 27 to June 27, 1930, at a rental of \$300, payable in monthly installments of \$60 in advance.

I recommend approval.

On motion of Mrs. Evans, this recommendation was approved.

REFUND OF GIFT FROM AMERICAN MEDICAL ASSOCIATION

(37) A request from the American Medical Association that the funds donated by its Committee on Scientific Research to aid Doctor B. Z. Rappaport of the faculty of the College of Medicine in his work on Ascariasis (Minutes, March 12, 1929, page 148) be returned because Doctor Rappaport has not been able to secure the necessary assistance to carry on this work. The Dean recommends that this money be returned.

I recommend that the Comptroller be authorized to return the fund to the donors.

On motion of Dr. Noble, the return of this fund was authorized.

PAVEMENT ON WRIGHT STREET

(38) A statement concerning the proposed pavement of Wright Street in Champaign, with opinions of Attorneys General Maloney and Stead, and of Judge J. O. Cunningham on the powers of the Board relative to the dedication of land for such purposes as streets, and a request that a hearing be granted to Mayor Franks and other officials representing the City of Champaign, and that Professor White be requested to be present at the hearing.

This request was granted. Professor White came as requested. Mayor George Franks, Mr. A. M. Danely, City Engineer, and Mr. E. C. Harrington, City Attorney, were introduced.

Mayor Franks made a statement, and requested that the University assume the entire expense (\$3000) of the widening of Wright street to 52 feet between Springfield and University avenues, because the funds of the City of Champaign were not sufficient to permit the charging of this widening to "public benefit."

Attorney Harrington made a statement concerning an exchange of land between Champaign and the University which is supposed to

have taken place in the early days in order to move Wright Street farther west.

The representatives of the City of Champaign retired.

On motion of Dr. Noble, the President of the University was directed to ascertain the facts concerning this exchange of land, and, if the facts warranted such action, to make a recommendation to the Executive Committee, individually by wire or otherwise, in order to clear the title of the City of Champaign to the part of this street involved.

On motion of Mr. Trees, the Supervising Architect was authorized to confer with the authorities of the City of Champaign in an effort to reach an agreement concerning the cost of the public improvement of Wright street between Springfield and University avenues.

USE OF ALUMNI ADDRESS LIST

(39) A letter from Mr. Roseberry concerning a contract with the magazine "Time" for the addressing of envelopes to alumni:

February 4, 1930

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

President Pillsbury has asked me to submit for your approval the question of renewing our contract with Time Inc. calling for seven insertions in the Illinois Alumni News of page advertising at \$357.00 gross for the contract, or at the rate of \$51.00 per page. The contract provides that we are to address about 30,000 envelopes for Time to circularize our alumni twice within the yearly period of the contract, April 1st, 1930, to March 31, 1931.

Both President Pillsbury and Chairman C. A. Kiler of our advertising committee approve this contract and we hope you will give your consent. In view of the fact that the alumni directory is now off the press we all feel that we should take whatever contracts are offered on this basis, because the Time Inc. or any other firms might easily obtain a copy of the directory and do their own addressing. Many of the alumni associations have been accepting advertising on this basis for some time past, and our executive committee is of the opinion that we should accept such advertising as long as the addresses published in the directory are reasonably good.

Very sincerely yours,

C. J. ROSEBERRY

Executive Manager

On motion of Mr. Trees, this matter was referred to the Committee on Alumni for consideration and report.

On motion of Mr. Barr, it was voted that when the Board does adjourn, it adjourn to meet at the call of the President of the Board.

FINANCING OF DORMITORIES FOR MEN

Dr. Noble presented the following report:

A meeting to consider the financing of dormitories for men at the University of Illinois, was held at the Straus Building in Chicago on January 27, 1930, for which purpose a special committee of three, consisting of Dr. W. L. Noble, Mr. Walter T. Fisher, and Mr. Merle J. Trees, had been appointed by President Armstrong at the meeting of the Board of Trustees on January 7, 1930. Besides Doctor Noble and Mr. Fisher (Mr. Trees being out of the city) of this special committee, there were present at the meeting in Chicago the following persons: Judge Sveinbjorn Johnson, legal counsel for the University; Professor James M. White, Supervising Architect; Mr. H. N. Gottlieb, attorney for Straus & Co.; Mr. McConnell, who proposed the plan; Zachary Davis, architect, and others of the Straus organization.

Mr. Gottlieb said his firm would be greatly interested in advancing money for University construction, either directly or through some intermediary corporation,

as suggested by Mr. McConnell, and he outlined a plan which he thought would be legal.

The study of construction costs seemed to indicate that a room-and-board dormitory, of fireproof construction, on the basis of double rooms might be managed so as to pay the operating costs and the interest charges, but if amortization charges were to be included, the rental charges for the rooms would be prohibitively high.

Professor White gave the following figures on present rooming costs:

Fraternities—\$50 to \$60 a month for room and board

Newman Hall—\$51 a month for room and board

The Granada—\$55 a month for room and board

Illini Hall—\$12.50 (average) per month for room, with two in a room

College Hall—\$11.50 to \$15 a month per man for room only with two in a room

One-half of the men at the University are housed in fraternities and these four dormitories. Two thousand of the balance are probably unfavorably housed, but it is doubtful if half of them could afford to pay \$50 a month for room and board.

The approximate estimates made at the meeting indicated that the hundred percent financing scheme was not feasible, but further studies will be made and there may be some later developments.

W. L. NOBLE
WALTER T. FISHER
MERLE J. TREES

On motion of Dr. Noble, this report was received for record and the committee was discharged.

TRUST FUND INVESTMENTS

Mr. Trees, for the Finance Committee, presented as a report of the committee the following letter concerning trust fund investments.

December 17, 1929

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I submit herewith a complete report of securities in the McKinley Endowment Fund for Economics of Public Utilities which are held in escrow by the Trevett-Mattis Banking Company. I have personally checked and inspected these securities and find that they are as reported. The Treasurer of the University has receipts for all of these securities from the Trevett-Mattis Banking Company.

These securities are held in escrow by the Trevett-Mattis Banking Company in accordance with the terms of the deed of gift which was approved by the Board of Trustees at its meeting of January 12, 1924, (page 376). The provisions covering this point are as follows:

"... the said certificates shall be forthwith deposited with the Trevett-Mattis Banking Company of Champaign, Illinois, and by said bank held in escrow as custodian thereof for the period of ten (10) years from this date, and at the end of said ten year period, the said certificates shall be by said Trevett-Mattis Banking Company delivered to the Board."

"In event any of said preferred stock shall be redeemed or retired, the Board shall reinvest all moneys realized therefrom in other good interest bearing securities. If such retirement or redemption shall occur within said ten year period the securities purchased with the moneys realized from such redemption or retirement shall be likewise deposited with the Trevett-Mattis Banking Company in escrow for the remainder of said ten year period."

"It is understood that the control of said gift and its income shall remain permanently with the Board of Trustees of the University of Illinois, or its successors (except only the physical possession of said securities while held in escrow with said Trevett-Mattis Banking Company), regardless of any legislative act concerning the deposit of any money or property of the University of Illinois either in the State Treasury or elsewhere."

The original securities under this gift consisted of one thousand shares of 7% cumulative preferred capital stock of the Illinois Power and Light Corporation. A report was made to the Board of Trustees at its meeting of May 23, 1928 (page 600) that the Illinois Power and Light Corporation had called the 7% cumulative preferred

stock and was offering in exchange \$6.00 cumulative preferred stock. Since this new stock was not a legal investment of trust funds under the statutes, the Board adopted a recommendation that the Corporation be advised that the Board did not wish to subscribe for any of the new stock. At the meeting of June 12, 1928 (page 631) the Treasurer of the University was authorized to endorse the certificates of stock. The 7% preferred stock was retired on July 2, 1928, the proceeds being \$105 000.00.

At the meeting of September 30, 1928 (page 2), a report of reinvestments of these funds was presented and approved.

A recommendation that certain securities be sold because of their not being legal investments of trust funds was made by the Finance Committee and adopted by the Board of Trustees at the meeting of January 9, 1929 (page 122). This recommendation included some of the securities which had been purchased from the McKinley Endowment. At the same meeting (page 123) a recommendation for the purchase of certain securities was adopted. A report of the purchase of these securities was made on March 12, 1929 (page 150).

In compliance with the terms of the extension of the Hart Loan as reported to the Board at the meeting of September 18, 1929 (page 364) a payment of \$500 was made on August 15, 1929, against the principal of the loan. This amount together with \$100 cash on hand made available for investment \$600 of the fund. At the same meeting (page 386) the Finance Committee recommended that \$600 be invested in Fourth Liberty Bonds. The recommendation was adopted by the Board, and the purchase made, and reported October 10, 1929 (page 404).

The report attached includes the date on which the purchase of each security was authorized by the Board of Trustees which will indicate those included in each of the actions cited above.

Very truly yours,
H. M. EDWARDS

Acting Comptroller

On motion of Dr. Noble, this report was received for record.

APPROPRIATION FOR AUTOMOBILE

President Armstrong called attention to the fact that, although the purchase of an automobile for the use of the President of the University and his family was authorized at the January meeting (page 480), no appropriation was made. He read a letter from Professor White stating that the amount necessary, after providing for a heater and allowing for the exchange of the old car at \$900, was \$3535.

On motion of Mr. Fisher, an appropriation of \$3535 from the Reserve and Contingent Fund was made for this purpose, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson, Mr. Trees.

COMMITTEE ON SELECTION OF A PRESIDENT

Mr. Barr made a detailed oral report on the work of the special Committee on the Selection of a President of the University. He stated that the Committee had invited the Alumni Association and the University Senate to appoint committees to cooperate with the Board committee, and that these organizations had appointed committees as requested. The Board Committee had had several meetings with the cooperating committees and by itself. The President of the

University had been invited to be present at the separate meetings of the Board committee. Mr. Barr stated that many letters had been received concerning persons who might be selected, that many persons had been interviewed by members of the committees, and that the Committee felt that it was making satisfactory progress.

This report was received for record.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record a list of appointments made by the President of the University.

Alphron, Richard B., Technician in the Department of Pathology and Bacteriology, in the College of Medicine, for seven months beginning February 1, 1930, at a cash compensation at the rate of one hundred dollars (\$100) a month. (January 20, 1930)¹

ADJOURNED SESSION, FEBRUARY 20, 1930

When the Board met at 2 p.m. on Thursday, February 20, 1930, at the University, in Urbana, pursuant to adjournment, the following members were present: President Armstrong, Mr. Barr, Mr. Blair, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present.

REPORT OF COMMITTEE ON PRESIDENT

Mr. Barr presented the following report.

REPORT OF THE SPECIAL COMMITTEE APPOINTED BY THE PRESIDENT OF THE BOARD OF TRUSTEES TO MAKE INVESTIGATION AND RECOMMEND A PRESIDENT OF THE UNIVERSITY OF ILLINOIS TO SUCCEED PRESIDENT DAVID KINLEY

To the President and Members of the Board of Trustees of the University of Illinois:

Your committee, heretofore appointed by the President of the Board, to carry on an investigation and to recommend a President to succeed President David Kinley, begs leave to report as follows:

Shortly after your Committee was appointed, it was deemed advisable to have the assistance of a committee representing the Faculty of the University and a committee representing the Alumni of the University, to cooperate with the Committee of the Board. Accordingly the Senate of the University elected a committee of five members of the Faculty and the Alumni Association appointed a committee of three members.

The committee elected by the Senate consisted of Professor E. H. Cameron, of the College of Education, Professor Roger Adams, of the Department of Chemistry, Dean H. W. Mumford, of the Agricultural Department, Professor Frederick Green, of the Law School, and Dean D. J. Davis, of the Medical School. Professor Cameron was named by the committee as its chairman. The Alumni Association elected a committee of three consisting of Robert F. Carr, as chairman, Charles S. Pillsbury, President of the Alumni Association, and United States Judge Fred L. Wham.

Both of these committees labored industriously in assisting the committee of the Board, attended several meetings of the three committees, called by the committee of the Board, assisted in obtaining the names of possible available men and in the investigation of those whose names came to the members of the three committees, gave fully of advice and helped in every way in the work of our committee.

Your committee corresponded directly with many of the leading educators of this country, with the Presidents of most of the State Universities and other leading Universities of the country; and with other persons having the knowledge of University leaders, which would probably enable them to make suggestions that might be valuable. Some of the members of the Faculty Committee visited other Universities in connection with this investigation as did also the chairman of the Alumni Committee and the chairman and some of the members of the committee of the Board.

Your committee carefully considered many men, including several members of our own Faculty. Conferences were held with most of these men and several of them visited the campus of the University.

In due course of time it became apparent to the members of all three committees that President Harry Woodburn Chase of the University of North Carolina would make a satisfactory President. Dr. Chase was highly recommended by educational

leaders from all parts of this country and those who have watched his work closely were unanimous in their commendation of his ability and his capacity to fill the position of President of the University of Illinois.

President and Mrs. Chase recently visited the University, upon the invitation of your committee, and spent two days on the campus. They were entertained while at the University by President and Mrs. Kinley.

At a meeting recently held, attended by the Faculty Committee, Alumni Committee, Committee of the Board of Trustees and several members of the Board of Trustees who are not members of its Special Committee, it was the unanimous opinion of all of those present, that President Chase should be offered the presidency of the University of Illinois.

Your committee therefore recommends that Dr. Harry Woodburn Chase, now President of the University of North Carolina, be elected President of the University of Illinois to take office before the beginning of the next school year, the exact time to be determined by the Board after conference with President Kinley and Dr. Chase.

Your committee wishes to express its thanks to President Kinley for his very helpful cooperation and suggestions in connection with the best method of solving the important problem that we have had before us, and his disinterested willingness to furnish us with all information available concerning the various men from time to time under consideration.

We were greatly helped by the two committees above referred to, and by other members of the faculty. In fact we have had the earnest cooperation of not only the people connected with our own University but also of the Presidents and leading men in many other Universities of the country.

We further recommend that the salary of Dr. Chase as President be fixed at \$20,000.00 per year.

Respectfully submitted,

GEORGE A. BARR

Members of the Committee

On motion of Mr. Barr, this report was adopted.

DR. HARRY WOODBURN CHASE ELECTED PRESIDENT

On motion of Mr. Barr, Dr. Harry Woodburn Chase was unanimously elected President of the University of Illinois, to serve on indefinite tenure, at the pleasure of the Board, at a salary of \$20,000 a year (in addition to the use of the President's house and automobile), the term of service to begin before the opening of the next academic year, the exact time to be determined by the special committee of the Board in conference with President Kinley and Dr. Chase.

On motion of Mr. Barr, the Secretary was directed to send a telegram to Dr. Chase notifying him of his election, to ask for a reply, and to print the reply in the minutes. The telegram was sent, and the following reply was received by the Secretary:

H. E. Cunningham, Secretary, Board of Trustees, University of Illinois:

Please say to the Board of Trustees of University of Illinois that with full appreciation of the honor and in full confidence of the great opportunity at the University of Illinois I accept the election to its presidency.

H. W. CHASE

VOTE OF THANKS TO COMMITTEES

On motion of Mrs. Evans, the Secretary was instructed to transmit to the committees of the Board, the Alumni, and the faculty which cooperated in the selection of a President of the University, an

expression of the thanks of the Board, and of its appreciation of the successful completion of their difficult task.

On motion of Mrs. Evans, the Board committee on the selection of a President of the University was continued, to take up such matters as may naturally come before this committee.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

ARCHITECT'S SERVICES, WOMAN'S GYMNASIUM

(1) A recommendation from the Supervising Architect, in which I concur, that a bill from Mr. Charles A. Platt for architectural services on the Woman's Gymnasium, amounting to \$2023.96 (making a total to date of \$7060.28), be paid from the state appropriation for the building, according to the contract with Mr. Platt.

This bill was approved for payment.

PAVEMENT OF WRIGHT STREET

(2) At the session of this meeting of the Board held February 5, 1930, in the presentation of a request for the pavement of Wright Street, made by city officials of Champaign, a statement was made by Attorney Earl C. Harrington of Champaign concerning an exchange of land between Champaign and the University in 1867 for the rectification of Wright Street at that time, the records of which exchange seem to be incomplete.

The Board directed the President of the University to investigate the facts concerning this exchange of land and, if the facts warranted, to make a recommendation to the Executive Committee in order to clear the title of the City of Champaign to the part of the street involved for street purposes. At my suggestion the request of the officials of the City of Champaign was put in a more formal way through a letter which the Mayor kindly wrote as follows:

February 13, 1930

To the Board of Trustees of the University of Illinois

GENTLEMEN:

A petition has been filed with the Board of Local Improvements of the city of Champaign, for the improvement and paving of South Wright Street from University Avenue to Armory Avenue. In pursuance of that petition, a public hearing was held before the Board of Local Improvements some days ago.

The City Attorney of Champaign, upon examination and investigation of the public records concerning said street, finds that sometime in the year 1867 the location of Wright Street was changed and apparently moved to the west about sixty-six (66) feet. He further finds that the west sixty-six feet of the present street from University Avenue to Springfield Avenue, is comprised of certain lots which apparently were purchased by the University of Illinois and opened for street purposes when the street was relocated at that time.

The records further show that a plat of Wright Street as relocated in 1867, is filed in the office of the Recorder of Champaign County, Illinois, in Book A at page 156, and certified to by J. M. Healey, the city engineer of Champaign at that time. That plat contains a notation that the lots above referred to, were bought by Illinois Industrial University and given by them for street purposes in exchange for a corresponding area of Wright Street as originally platted, and said plat shows the relocation and widening of Wright Street to its present width and in its present location.

It is further found that so far as the records show, said street has been used uninterruptedly in its present condition from 1867 down to the present time.

The City Attorney however, is unable to find any public record of formal action taken by the Board of Trustees of Illinois Industrial, or the University of Illinois, with reference to the relocation of Wright Street as above mentioned or the use of said ground for street purposes.

We would therefore respectfully request that the Board of Trustees take some appropriate action to clarify the condition of the public records with reference to the relocation of said street and if proper to confirm the action of the Board of Trustees of

Illinois Industrial University which apparently was taken at that time but of which no formal record is kept.

Respectfully submitted,

GEORGE B. FRANKS
Mayor of the City of Champaign

In accordance with this request and the instructions of the Board I requested the Legal Counsel of the University, Judge Sveinbjorn Johnson, and the Supervising Architect, Professor James M. White, to look into this matter and to report their findings to me. These officers investigated the matter thoroughly and made a report to me advising that the records of the University and the City on this matter, although incomplete, showed to their satisfaction that such exchange of lots was made in 1867 in fact; that Wright Street was shifted some sixty-six (66) feet more or less from its old location by the University Board of Trustees apparently with the informal consent of the City; that the transaction in effect consisted of locating Wright Street through a certain portion of its length on lots owned by the University, the University receiving in return an equivalent amount of land which had been the right-of-way of the street before the change.

Our Legal Counsel prepared, therefore, a resolution which, in his opinion, should be adopted by the Board in order to clear the record of this transaction, and I concur in his recommendation that this resolution be adopted.

At the previous session of this meeting as above recited, you instructed me to submit this matter to the Executive Committee. The Chairman of the Executive Committee has informed me that inasmuch as the matter has come to a head at a time when the Board was to be in session, the Committee would prefer to have the matter submitted directly to the Board. In compliance with his request I am doing so.

This resolution recommended is as follows:

RESOLUTION CONCERNING ACTION OF BOARD OF TRUSTEES OF ILLINOIS INDUSTRIAL UNIVERSITY TAKEN IN 1867 CONFIRMING THE RELOCATION OF WRIGHT STREET FROM SPRINGFIELD AVENUE TO UNIVERSITY AVENUE

WHEREAS, the records of the University of Illinois show that in the year 1867, in furtherance of a program of campus enlargement, a tier of lots to the west of the Institute grounds (now a part of Illinois Field) was purchased by the Illinois Industrial University, and Wright Street was then moved about sixty-six feet west of its location previous to that time, and located upon lots then acquired by the University of Illinois; and

WHEREAS, such lots referred to in said records are described as follows:

Lots 105, 106, 139, 140, 173, 174, 207, and 208, of the Subdivision of the South Part of Lot One (1) of the Southwest Quarter (SW $\frac{1}{4}$) of Section Eighteen (18), Township Nineteen (19) North, Range Nine (9) East of the Third (3d) Principal Meridian, in Champaign County, Illinois;

and

WHEREAS, the records of the University of Illinois show the actual consideration paid for said lots by the University, and the records in the Office of the Recorder of Champaign County, in Urbana, Illinois, show the recording of deeds to all of said lots, transferring the title to the Trustees of Illinois Industrial University; and

WHEREAS, a plat of Wright Street as it was relocated in 1867 is on file in the Office of said Recorder in Book A, page 156, and certified to by J. M. Healey, the City Engineer, of Champaign, Illinois; and

WHEREAS, the said plat shows that said lots above described by a strip sixty-six feet wide were bought by the Illinois Industrial University and given by them for street purposes in exchange for a corresponding area of Wright Street as originally platted and said plat shows the relocating and widening of said street to its present width of eighty feet;

and

WHEREAS, during all of said period since the occurrence above narrated, and up to the present moment neither the Board of Trustees of the University of Illinois nor any agent or representative of the University of Illinois has questioned the use of Wright Street by the public for street and highway purposes; and

WHEREAS, the Mayor of the City of Champaign has made a request in writing to the Board of Trustees of the University of Illinois that appropriate action be taken to "clarify the public record with reference to the relocation of Wright Street and . . . to confirm the action of the Board of Trustees of the Illinois Industrial University apparently taken" when Wright Street was relocated as hereinbefore set forth; and

WHEREAS, it is the desire of the Board of Trustees of the University of Illinois to confirm of record the action taken, and herein above described, by the Board of Trustees of Illinois Industrial University whereby the city authorities of Champaign relocated Wright Street, as above described; and

WHEREAS, it has always been the policy of the Board of Trustees to cooperate with public officers in making public improvements within the limits of its legal power and the discharge of its duty in protecting the welfare of the University, and it will adhere to this policy in the present instance;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the University of Illinois, acting by authority of law and authorized thereunto, that the action of the Trustees of Illinois Industrial University taken in the year 1867 as above described, with reference to Wright Street whereby that street was relocated as herein described and has been thus used ever since, be and the same is hereby approved and confirmed; and

BE IT FURTHER RESOLVED that the public generally and the people of the cities of Champaign and Urbana, Illinois, continue to have the right to use said street over and across the above described premises for street purposes.

On motion of Mr. Trees, this resolution was adopted,¹ by the following vote: Aye, President Armstrong, Mr. Barr, Mr. Blair, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Emmerson, Mr. Simpson.

CONVEYANCE OF LAND IN COLLEGE PLACE TO THE CITY OF CHAMPAIGN FOR STREET PURPOSES

(3) On April 12, 1928, the Board made an exchange of land in College Place with the City of Champaign for a new location of Gregory Street, the new street being located on land conveyed to the City by the University, and in return the City vacated the old street. On looking up the matter I found that the transaction had been completed but the fact had not been reported to the Board as such matters should be, in my opinion. Accordingly, I instructed the Comptroller to look up the matter. He reports that the deed conveying the land was executed by the President and Secretary of the Board on May 24, 1928, and filed for record in Champaign County on July 10, 1928.

This report was received for record.

GIFT OF MR. ROBERT F. CARR FOR RESEARCH WORK ON ALLERGY

(4) A report that Mr. Robert F. Carr has given the University the sum of \$900 for research work on allergy (asthma, hay fever, etc.) in the College of Medicine.

This report was received for record.

CONTRACT FOR FINISH HARDWARE FOR CHEMISTRY ANNEX

(5) The following schedule of bids received by the Supervising Architect for the finish hardware for the Chemistry Annex:

¹A copy of this resolution, duly executed, was sent, on request of Mr. Harrington, to the office of Mr. Louis A. Busch (of Busch and Harrington, Attorneys), the City Attorney of Champaign, on February 22, 1930.

Thos. Conron Hardware Company, Danville, Ill.....	2 310 00

He recommends that the contract be awarded to the lowest bidder, the Holder Hardware Company of Bloomington, Illinois, on the basis of their bid of \$1,600.00 concur.

On motion of Dr. Noble, this contract was awarded to the Holder Hardware Company, the lowest bidder, as recommended.

STATUS OF CAPPER-KETCHAM FUNDS

(6) The following report from the Comptroller on the estimated income from Federal funds under the Capper-Ketcham act:

February 8, 1930

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

In the budget for the current year, the estimated income from United States under the Capper-Ketcham act was entered as \$40,167.48. (Page 273, minutes of July 17, 1929). This sum was appropriated for extension work in Agriculture as per pages 307 and 320 of the same minutes.

On June 30, 1929, a balance of \$12,571.51 remained unexpended of the Capper-Ketcham fund for the preceding year. This balance was reappropriated for this work on July 17 (page 271). In view of the fact that this balance remained unexpended on June 30, the federal government has deducted this amount from the amount which would be available for the fiscal year 1929-1930 under the provision of the act establishing the fund. The total amount which will be paid to us by the federal government for the current fiscal year will, therefore, be \$40,167.48 less \$12,571.51 or a net total of \$27,595.97. This amount added to the balance carried forward last year will provide the total necessary to meet the budget of this work for the current year. This makes the gross amount available for the current year \$40,167.48 including, rather than in addition to, the unexpended balance carried forward from last year and reappropriated.

Cordially yours,
LLOYD MOREY
Comptroller

This report was received for record.

MR. HUFF'S LEAVE OF ABSENCE WITHDRAWN

(7) A statement that Mr. George A. Huff, who was granted leave of absence on February 5, did not care to avail himself of the privilege this year.

On motion of Mr. Trees, the action granting leave of absence to Mr. Huff was, at Mr. Huff's request, reconsidered and rescinded.

At this point, Mr. Blair withdrew.

PROPOSED AGREEMENT FOR LICENSE, BUSWELL PROCESS

President Armstrong, for the Committee on Patents, presented a proposed form of agreement for the promotion of the Buswell process of cellulose digestion.

This matter was discussed, but no action was taken.

NEWSPAPER REPRESENTATIVES AT BOARD MEETINGS

A request from Mr. D. W. Stevick, publisher of the Champaign News-Gazette, that the press of the state be admitted to all meetings of the Board.

On motion of Mr. Trees, this request was received and placed on file.

ANNUAL MEETING

On motion of Mr. Trees, it was voted that the annual meeting be held at 9:30 a.m. on Tuesday, March 11, 1930, at the Blackstone Hotel, in Chicago.

On motion of Mrs. Evans, Professor Lloyd Morey was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mrs. Grigsby nominated Mrs. Evans, and Dr. Noble nominated Mr. Armstrong, to serve on the Executive Committee for one year, with the President of the Board as Chairman of the Committee.

On motion of Dr. Noble, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for Mr. Armstrong and Mrs. Evans as members of the Executive Committee. The ballot was cast, and Mr. Armstrong and Mrs. Evans were declared elected members of the Executive Committee.

AUTHORITY TO RECEIVE MONEY

On motion of Mr. Armstrong, the following resolution was adopted.

RESOLVED, that the Treasurer of the Board of Trustees of the University of Illinois be and he is hereby authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or to the University of Illinois.

AUTHORITY TO DELEGATE SIGNATURES

On motion of Mr. Trees, the following resolution was adopted.

RESOLVED, that the President and the Secretary of the Board of Trustees be and they are hereby authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to the Auditor and to the Chief Accountant in the Business Office authority to sign his name, as President of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The Secretary of the Board of Trustees is authorized to delegate to the Bursar and to the Assistant Bursar in the Business Office authority to sign his name, as Secretary of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The President and the Secretary of the Board of Trustees are authorized to delegate to the Comptroller authority to sign the name of the President or of the Secretary of the Board of Trustees to vouchers against the State Auditor, and to warrants on the University Treasurer in case of emergency; provided that under no circumstances shall the Comptroller sign the names of both the President and the Secretary to the same warrant or voucher.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

PETITION FOR SUNDAY SPORTS

(1) A sealed letter addressed to the Board, and a letter to the President of the University:

March 7, 1930

DEAR MEMBERS OF THE BOARD OF TRUSTEES:

The members of the Interfraternity Council, which is composed of the house presidents of 76 fraternities and a junior representative from each of the 76 houses unanimously voted to ask your permission for Sunday recreation at the University.

This representative student body feels that if the University's golf course and tennis courts, were opened from one o'clock until evening that it would not interfere with any church services or meetings. Investigations have shown that but very seldom any church function is carried on during the afternoon on Sundays. An investigation also showed that the students of the University are at want for some activity on Sunday afternoon, as now their only form of recreation is the movies.

The Interfraternity Council by asking the Board of Trustees for such permission is in no way trying to violate the spirit of Sunday. They are at the present time working with a committee of ministers to have in each semester a fraternity Sunday which all fraternities will attend in a body, the purpose being to increase the interest of students, which is now lacking in the spiritual side of their life.

Since the action of the Interfraternity Council many other organizations have shown a great deal of interest favoring Sunday afternoon recreation. The *Daily Illini* on their editorial page has written four articles strongly in favor of the petition. Skull and Crescent, a sophomore organization of men, has unanimously favored the plan and various outstanding women have spoken in favor of the idea.

Therefore, the Interfraternity Council with such an inclusive consensus of opinion is asking the Board of Trustees to please carefully consider Sunday afternoon recreation which they feel would increase the physical and moral character of all students.

Respectfully yours,

E. C. HOELSCHER, JR.

(for)

THE INTERFRATERNITY COUNCIL

March 10, 1930

President David Kinley, Blackstone Hotel, Chicago, Illinois

MY DEAR PRESIDENT KINLEY:

According to my promise I am sending this letter to you with the vote taken in the First Council of Woman's League, Monday, March 10th, concerning the matter of using the University athletic grounds on Sundays. The vote was unanimous in favor of the students being permitted to use the athletic grounds on Sundays within restricted hours.

The Woman's League wishes to thank you for your interest in this as well as many other affairs of student interest this year.

Very respectfully yours,

ALBERDINE HATCHER

On motion of Mr. Trees, this matter was referred to the President of the University and the Council of Administration for investigation and report.

President Barr was called from the room and on his request Mr. Armstrong acted as Chairman for a short time during the discussion of the above matter.

DR. LEE HARRISON METTLER MADE PROFESSOR EMERITUS

(2) A recommendation from Dean D. J. Davis, in which I concur, that Dr. Lee Harrison Mettler of Chicago, a former member of the faculty of the College of Medicine, be appointed Professor of Neurology, *Emeritus*.

On motion of Dr. Noble, this recommendation was adopted.

DR. WILLIAM E. GAMBLE MADE PROFESSOR EMERITUS

(3) A recommendation from Dean D. J. Davis, in which I concur, that Dr. William Elliott Gamble of Chicago, and formerly a member of the faculty of the College of Medicine, be appointed Professor of Ophthalmology, *Emeritus*.

On motion of Dr. Noble, this recommendation was adopted.

LEAVE OF ABSENCE FOR PROFESSOR HARDY CROSS

(4) A request from Professor Hardy Cross of the Department of Civil Engineering, concurred in by the head of the Department and the Dean, that he be given sabbatical leave of absence on half pay under the rules for the academic year 1930-31, for the purpose of study and travel abroad.

I recommend approval.

On motion of Mr. Trees, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR FRANK L. STEVENS

(5) A request from Professor F. L. Stevens of the Department of Botany, concurred in by the head of the Department and the Dean, that he be given leave of absence without pay from September 1, 1930, to September 1, 1931, in order that he may serve as Professor of Plant Pathology at the University of the Philippines and for the purpose of study and travel in Australia and the South Sea Islands.

I recommend approval.

On motion of Mrs. Evans, this leave was granted.

PHYSICIANS' EXTENSION COURSE IN ROENTGENOLOGY

(6) A request from the Dean of the College of Medicine for authority to offer a Physicians' Extension Course in Roentgenology, a clinical post-graduate course designed for those desiring to take up Roentgenology as a specialty; and that the fee for this course be \$100 a semester. The course will extend over two semesters of four months each.

I recommend approval.

On motion of Mr. Trees, this recommendation was adopted.

APPROPRIATION FOR RESEARCH WORK IN CHEMISTRY

(7) Professor W. C. Rose requests an appropriation of \$2500 for two years to carry on an important piece of research in the field of amino acids. This request is approved by Professor Roger Adams and Dean Daniels of the Graduate School and also has the approval of Dean Babcock, whom I have consulted on the matter. It seems to me important and I recommend that an appropriation of \$2500 be made from the Reserve and Contingent Fund for the use of Professor Rose in this research, the amount to be spread over two years. It will be supplemented by a grant of \$1500 from the National Research Council.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Emmerson, Mr. Simpson.

APPROPRIATION FOR ARCHAEOLOGICAL EXPLORATIONS

(8) A recommendation that an appropriation of \$3,000 be made from the Reserve and Contingent Fund for archaeological explorations during 1930.

On motion of Mrs. Grigsby, this appropriation was made by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Emmerson, Mr. Simpson.

APPROPRIATION FOR ALUMNI DIRECTORY

(9) A recommendation that \$1200, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for the Alumni Directory to clear

up some outstanding accounts against it, and to provide for postage and the expense of mailing out future orders.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Emmerson, Mr. Simpson.

**COOPERATIVE INVESTIGATION OF NICHOLSON THERMIC
SYPHON BY ENGINEERING EXPERIMENT STATION**

(10) On recommendation of the Dean of the College of Engineering, I have authorized the execution of an agreement with the Illinois Central Railroad and the Locomotive Firebox Company of Chicago for a cooperative investigation of the Performance of a Steam Locomotive Equipped with a Nicholson Thermic Syphon, by the Engineering Experiment Station. The agreement is to cover a period of one year beginning March 1, 1930, with the understanding that it may be extended. The cooperating companies agree to pay the University \$7,000 to cover the expenses of the investigation.

The agreement is of the form and character of similar agreements hitherto approved by the Board. I request confirmation of my action.

On motion of Mr. Armstrong, the action of the President of the University in authorizing this agreement was confirmed.

**COOPERATIVE INVESTIGATION OF SOLUBILITY STUDIES OF
BOILER WATER BY ENGINEERING EXPERIMENT STATION**

(11) On recommendation of the Dean of the College of Engineering, I authorized the execution of an agreement with the Utilities Research Commission for a cooperative investigation of Solubility Studies of Boiler Water by the Engineering Experiment Station. The agreement is to cover a period of one year beginning March 1, 1930, with the understanding that it may be extended. The Utilities Research Commission agrees to pay the University \$10,000 per year to cover the expenses of the investigation.

The agreement is of the form and character of similar agreements hitherto approved by the Board. I request confirmation of my action.

On motion of Mr. Fisher, the action of the President of the University in authorizing this cooperative agreement was confirmed.

EXTENSION OF AGREEMENTS FOR COOPERATIVE INVESTIGATIONS AND RENEWAL OF GIFTS FOR RESEARCH WORK

(12) A report that, on recommendation of the Dean of the College of Engineering, I have authorized the extension of the following agreements for cooperative investigations. The original agreement in each case was approved by the Board and the extensions are necessary in order to continue or to finish the research work concerned.

1. Investigation of Cast Iron Pipe (the Talbot Tests), for one year from November 1, 1929. (The original agreement covered the period November 1, 1927, to November 1, 1929.)

2. Fissures in Steel Rails, for one year from January 1, 1930. (The original agreement covered the period April 2 to December 31, 1928; renewed for one year to December 31, 1929.)

3. Corrosion of Flue Gases, for one year from January 1, 1930. (The original agreement covered the period April 23, 1928, to December 31, 1929.)

4. Water Treatment for Ice Making, for one year from January 1, 1930. (The original agreement covered the period May 23, 1928, to December 31, 1929.)

5. Elimination of Stretching of Lead Sheaths, for one year from January 1, 1930. (The original agreement covered the period October 12, 1928, to October 1, 1929.)

Agreements for the following investigations were extended last year for one year from June 15, 1929:

Boiler Feed Water Treatment
Ageing of Porcelain
Car Axle Failures

Impact in Steel Structures
Testing High Voltage Cables
Enamel Baked in Gas Furnaces

In addition to the above, payments have been received during the past year from the following in continuation of gifts previously accepted by the Board. These were originally outright gifts for specific purposes and no agreements were executed covering them:

1. Chemical Foundation for sanitary research, \$1,000 for the year 1929-30.
2. Calumet Baking Powder Company for fellowship and research, \$1,000 for the year 1929-30.

This report was received for record.

DIRECTORS OF THE ATHLETIC ASSOCIATION

(13) A recommendation that the following be appointed Directors of the Athletic Association of the University to serve until March, 1931, or until their successors shall have been elected:

Director GEORGE HUFF, *Champaign*
Judge O. A. HARKER, *Champaign*
Professor F. A. RUSSELL, *Urbana*
Mr. J. P. KRATZ, *Monticello*
Mr. W. E. C. CLIFFORD, *Champaign*

On motion of Mr. Trees, these appointments were made as recommended.

**CORRECTION OF ERROR IN RESOLUTION CONCERNING
WRIGHT STREET**

(14) A report from the Legal Counsel that the resolution concerning Wright Street, adopted by the Board at the adjourned session of the February meeting held February 20, 1930, contains a misdescription due to a typographical error which occurred in the office of the City Attorney of Champaign. It appears that in the legal description of the section of the land involved the figure 18 instead of the figure 7 is used. The City Attorney, through his representative, Mr. E. C. Harrington, requests that this matter be brought to your attention and a resolution adopted correcting the error and authorizing the City of Champaign to record the corrected resolution.

The Legal Counsel recommends, and I concur, that the following resolution be adopted.

On motion of Mrs. Grigsby, the following resolution¹ was adopted.

AMENDMENT OF RESOLUTION CONCERNING WRIGHT STREET

WHEREAS, at the adjourned session of the Board of Trustees on February 20, 1930, a resolution was adopted approving and confirming the action of the Trustees of Illinois Industrial University taken in the year 1867 with reference to the relocation of Wright Street as in such resolution described; and

WHEREAS, it appears that through a typographical error the description of the property involved is given as in section 18 instead of in section 7:

NOW, THEREFORE, BE IT RESOLVED that the resolution adopted as aforesaid by the Board on February 20, 1930, be and the same is amended by striking from the second paragraph thereof, the third line of description, the word eighteen and the figure 18 in parenthesis and inserting in lieu thereof the word seven with the figure 7 in parenthesis.

BE IT FURTHER RESOLVED that the City of Champaign be authorized at its election to refile and rerecord the aforesaid resolution as thus amended and corrected.

EMBARRASS RIVER DRAINAGE DISTRICT

(15) The Supervising Architect reports that a petition is in circulation for the formation of a drainage district which will improve the stream known as the Embarrass River from its source west of the Stadium to a point west of Tolono about a mile south of the Wabash Railroad, and that through him the University was requested to join

¹A copy of this resolution was sent to the City Attorney of Champaign on March 15, 1930.

in this project since the district would cross the Percival Farm recently purchased by the University.

After careful study the Supervising Architect, the Dean of the College of Agriculture, and myself are agreed that action on this request should be deferred, at any rate until it is clear that a majority of the land owners are favorable to the project.

It was voted, on motion of Mr. Armstrong, that no action be taken on this matter at present.

**AGREEMENT WITH ILLINOIS BELL TELEPHONE COMPANY
FOR USE OF CABLES**

(16) The University has an agreement with the Illinois Bell Telephone Company whereby it rents to the Company ninety-three pairs of underground cable conductors owned by the University and located on the campus. The number of conductors rented has been decreased to ninety-two and the Comptroller submits a new contract revised accordingly.

I recommend that the Comptroller and the Secretary be authorized to execute this contract for the University.

On motion of Mr. Fisher, this recommendation was adopted.

INSURANCE ON CHEMISTRY BUILDING ANNEX

(17) The contracts for the Chemistry Building Annex provide that fire and tornado insurance shall be carried by the University during the period of construction. Following our practice, established when the University itself began to carry insurance on buildings under construction, the Comptroller advertised for and received the following quotations on this insurance:

<i>Agency</i>	<i>Company</i>
(1) Quotation of \$.38 per \$100 per year	
Hayes-Atkinson Agency	Fidelity-Phoenix Fire Ins. Co.
Burt-Rovelstad Company	Fidelity-Phoenix Fire Ins. Co.
(2) Quotation of \$3.888 per \$1000 per year	
Boggs and Cogdal	Hartford Fire Ins. Co.
	Phoenix Co. of Hartford
(3) Quotation of \$.432 per \$100 per year	
Hargis and Hensley	London and Scottish Assurance Corporation, Ltd., London
	Michigan Fire and Marine, Detroit
D. G. Swannell	Liverpool and London Globe, Eng.
	Northern Assurance Co., Eng.
	Palatine Ins. Co. of Eng.
	Lincoln Fire Ins. Co. of N. Y.
	Victory Ins. Co. of Philadelphia
	Alliance Ins. Co. of Philadelphia
Monier and Morrissey	Great American Ins. Co., N. Y.
	U. S. Fire Ins. Co. of N. Y.
Beers and Beers	Springfield Fire and Marine
	St. Paul Fire and Marine
	National Security Fire Ins. Co.
	N. Y. Underwriters Ins. Co., N. Y.
	Firemans Fund Fire Ins. Co., Calif.
Gardner Agency	Westchester Fire Ins. Co., N. Y.
Ralph M. Campbell	Southern Fire Ins. of N. Y.
W. R. Hidy	Hartford Fire Ins. Co.
	Home Ins. Co., N. Y.
	Ins. Co. of N. America of Philadelphia
	Aetna Ins. Co. of Hartford
J. Ray Stanner	Standard Fire Ins. Co. of Hartford
Burton and Trelease	American Ins. Co. of Newark
	County Fire Ins. Co. of Philadelphia
	Sun Ins. Office of London
Harry E. Wilcox	Firemen's Ins. Co., Newark
	Standard Fire Ins. Co., Trenton
A. H. McLean	Ins. Co. of North America of Philadelphia
Mark D. Brown	First Am. Fire Ins. Co. of N. Y.

The Supervising Architect and the Comptroller recommend that fire and tornado insurance (full automatic coverage) on this building be placed with the Fidelity-Phoenix Fire Insurance Company through the Hayes-Atkinson Agency and the Burt-Rovelstad Company, the low bidders, in equal shares at the rate of \$.38 per \$100 per year. I concur.

On motion of Mrs. Evans, this recommendation was adopted.

PURCHASE OF SPECIAL EQUIPMENT FOR THE DEPARTMENTS OF HORTICULTURE AND PHYSICS

(18) Requisitions have been received for the purchase of the following equipment:

Department of Horticulture

Two Spraying Outfits.....\$1 397 70

(Competitive prices have not been secured for the reason that equipment manufactured by the John Bean Manufacturing Company of Lansing, Michigan, is considered to be the best for the purpose. A definite quotation has been made by this company.

Equipment for packing of vegetables (to be installed in the Horticulture Field Laboratory)..... 1 560 00

(This equipment is to be purchased from the Sprague-Sells Corporation of Hoopeston, Illinois, based on quotations secured by the Purchasing Agent.)

Department of Physics

One Mono 29 Double monochromator from P. J. Kipp & Zonen of Delft, Holland, for the use of the Department of Physics, at.... 600 00

The requisitions have been approved by the Dean and the Comptroller in each case. The requisition for the canning equipment, which will need to be installed in the Horticulture Field Laboratory, has, in addition, been approved by the Supervising Architect.

Appropriations for the purchase of this special equipment were made by the Board in the budget for this year.

I recommend that the purchase of this equipment be authorized.

On motion of Mr. Armstrong, this recommendation was adopted.

PURCHASE OF PAPER

(19) A request from the Comptroller for authority to purchase a carload of English Finish Book Paper to be placed in the Office Supply Storeroom for use in the printing of bulletins and other material for the various departments by the Print Shop. Provision for such printing is made in the budgets of these departments and the cost of the paper will eventually be charged to these appropriations. In the meantime, it will be charged temporarily to the Revolving Account of the Office Supply Storeroom. The Purchasing Agent has secured the following quotations on this paper:

Moser Paper Company, 621 Plymouth Court, Chicago, Illinois. . \$6.75 cwt.

Dwight Brothers Paper Company, 626 S. Clark Street, Chicago 6.75 cwt.

Bradner Smith and Company, 333 S. Desplaines Street, Chicago 6.85 cwt.

Chicago Paper Company, 801 South Wells Street, Chicago. . . . 6.89 cwt.

All f.o.b. Urbana

By purchasing a carload of paper, which is a nine months' supply, a saving of approximately eleven per cent is effected.

The Comptroller and the Purchasing Agent recommend, and I concur, that a carload (nineteen tons) of this paper be purchased from the Moser Paper Company on the basis of their quotation of \$6.75 cwt. f.o.b. Urbana.

On motion of Mr. Trees, this purchase was authorized.

CONTRACT FOR PURCHASE OF ACIDS

(20) A request from the Comptroller for authority to execute a contract with the General Chemical Company for the purchase of acids for the year ending February 28, 1931. An exclusive contract makes it possible to secure better prices than can be secured on single purchases.

The Purchasing Agent requested proposals from the General Chemical Company, the Grasselli Chemical Company, and the Mallinckrodt Chemical Works. The

General Chemical Company and the Grasselli Chemical Company have submitted the following quotations:

C. P. Sulphuric Acid, per lb.....	.065
C. P. Muriatic Acid.....	.065
C. P. Nitric Acid.....	.115
C. P. Ammonium Hydroxide.....	.095
Com'l Sulphuric Acid, per cwt.....	1.35
Com'l Muriatic Acid.....	1.35

The Mallinckrodt Chemical Works did not submit any proposals.

Terms are f.o.b. point and the charges for containers are the same in each case. Purchases amount to approximately \$2500 per year and the cost will be charged to the departments using the chemicals for which appropriations have been made in their respective budgets.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with the General Chemical Company on the basis of the above quotations.

On motion of Mr. Armstrong, this contract was authorized.

PURCHASE OF CATTLE FOR EXPERIMENTAL WORK

(21) A report that I have authorized the purchase of twenty head of Purebred Hereford Heifers from the W. A. Pickering Lumber Company, Kansas City, Missouri, for experimental work in the Department of Animal Husbandry at a total cost of \$1,359.20 f.o.b. cars, Kansas City. The selection of stock was made by Professor H. P. Rusk, Head of the Department, and the purchase has been charged to the Expense and Equipment Budget of the Department.

I request confirmation of my action.

On motion of Mrs. Grigsby, the action of the President of the University in authorizing this purchase was confirmed.

PURCHASE OF JOURNAL OF THE RUSSIAN PHYSICAL AND CHEMICAL SOCIETY

(22) A recommendation from the Director of the Library for the purchase of a set of the Journal of the Russian Physical and Chemical Society at a price of \$1500 plus transportation charges from Esthonia. Funds are available in the appropriation for Library Additions for this purpose. It is very desirable to secure this Journal for the Library and I recommend that this purchase be authorized.

On motion of Mrs. Evans, this purchase was authorized.

RELEASE OF PATENT RIGHTS ON DISCOVERIES BY MEMBERS OF THE FACULTY

(23) A report that:

1. Dr. L. F. Audrieth of the Department of Chemistry has discovered a process whereby he can deposit antimony and arsenic upon copper in a hard plate. Professor Roger Adams reports that this may possibly become of some commercial value, but that it will probably require years of development before it is worth while.

2. Dr. H. F. Johnstone of the Engineering Experiment Station has invented a recording dew point indicator. Professor D. B. Keyes, under whose direction Doctor Johnstone works, and Professor S. W. Parr are of the opinion that it will take a great deal of development to make the machine worth while and that it is not likely to be of any value except for scientific purposes.

On recommendation of all concerned, including that of a committee which advises me on such matters, I recommend that the University release its rights in these matters and that Doctors Audrieth and Johnstone be permitted to patent their discoveries themselves if they wish.

On motion of Mr. Fisher, this recommendation was adopted.

ENGINEERING EXHIBIT AT AMERICAN FOUNDRY MEN'S CONVENTION IN CLEVELAND

(24) A request from the Dean of the College of Engineering that permission be given the Department of Mechanical Engineering to furnish the necessary material for an

exhibit of student foundry work at a convention of the American Foundry Men's Association to be held the week of May 12, 1930, at Cleveland, Ohio. The association will pay the cost of transportation involved and also the expense of a student attendant if the size of the exhibit should warrant it. The only expense to the University will be the cost of some new photographs of students at work and of certain equipment in the foundry.

I recommend approval.

On motion of Mr. Armstrong, this recommendation was approved.

OFFER OF CHICAGO TUBERCULOSIS INSTITUTE TO ESTABLISH THE THEODORE B. SACHS RESIDENCY IN TUBERCULOSIS

(25) The Chicago Tuberculosis Institute, through Dr. Max Biesenthal, Chairman of a special committee for the Theodore B. Sachs Memorial Grant, offers the University the sum of \$2,500 to be paid annually for five years for the purpose of establishing a "Theodore B. Sachs Residency" in the field of tuberculosis and allied diseases. This fund is to be paid on or before October 1 of each year and is to be used partly as an honorarium or salary for the person selected, partly to defray such expenses as may be incurred, and partly to pay for the cost of any publications that may result from the work.

I recommend that this offer be accepted.

On motion of Mr. Trees, this offer was accepted.

REPORT OF GIFTS RECEIVED BY THE UNIVERSITY

(26) The following gifts have been received since the last report was made to the Board:

1. From the General Electric Vapor Lamp Company of Hoboken, New Jersey, one uviarc poultry treater.
2. From the Ohio Electric and Controller Company of Cleveland a new type of electric motor valued at \$12 for the use of the Department of Electrical Engineering.
3. From the Independent Order of B'nai B'rith the sum of \$50 for the purchase of books for the Library. This is a continuation of a gift which was originally offered to the University and accepted by the Board on June 7, 1912, the first payment being \$500. Total contributions made by the Order from time to time now amount to \$1540.

This report was received for record.

GIFT OF ILLINI THEATER GUILD FOR EQUIPMENT FOR LINCOLN HALL

(27) Through the Supervising Architect the Illini Theater Guild has given the University the amount of \$1250 to help pay for some of the stage equipment in the theater in Lincoln Hall. The Supervising Architect recommends that this gift be accepted.

I concur.

On motion of Mrs. Evans, this gift was accepted.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(28) The following report from the Comptroller of contracts and of purchase orders of \$1,000 and over executed since the last report was made to the Board.

*CONTRACTS EXECUTED BY THE COMPTROLLER
JANUARY 30, 1930, TO MARCH 6, 1930*

Cooperative Research Agreements executed on special authorization of the Board of Trustees:

This report was received for record.

CONTRACT FOR OPTICAL SERVICE IN DISPENSARY

(29) In accordance with the regulations for optical service in the College of Medicine, as adopted by the Board on February 5, 1930, the Comptroller submits the following proposals:

	<i>New Era Optical Co.</i>	<i>Kramer</i>	<i>Riggs Optical Co.</i>
Frames			
Gold Filled.....	1.25	1.50	1.55
Shell Inner Rim.....	1.35	2.00	1.75
All Shell Frames.....	1.25	1.75	1.35
Total.....	3.85	5.25	4.65
Fitting Charge.....	1.00	.25	.50
Average Cost of Glasses, Except Lenses	2.28	2.00	2.05

A proposal was also received from the American Optical Company, but it cannot be considered on account of unacceptable modifications which were written into their proposal.

The Comptroller reports that, since the average total cost of a pair of glasses to the patient would be substantially the same in each case, an investigation was made of the quality of materials handled by the competing concerns and of the service they are prepared to render. As a result of this investigation it is the opinion of himself and the Dean of the College of Medicine that the contract should be awarded to the Riggs Optical Company because the concern handles and proposes to supply only the highest quality of lenses and frames, whereas the other concerns do not handle materials of a uniform quality and some of their products are distinctly inferior, and because the Riggs Company is in a position to furnish an experienced optician who has been doing similar work at other institutions. Accordingly, he recommends, and I concur, that the proposal of the Riggs Company be accepted and that the Comptroller and Secretary be authorized to execute a contract accordingly.

On motion of Dr. Noble, this recommendation was adopted.

CONTRACT FOR FILTRATION PLANT

(30) A recommendation from the Supervising Architect, in which I concur, that the contract for the construction of the Filtration Plant be awarded to King & Petry, the lowest bidders, on the basis of their bid of \$51,885. This construction is provided for in the legislative appropriation of \$250,000 for "Additions to Boiler House, with equipment, new deep well, and filtration plant."

SCHEDULE OF BIDS

King & Petry, Champaign, Ill.....	\$51 885 00
English Bros., Champaign, Ill.....	53 206 00
G. E. Tillman, Centralia, Ill.....	56 440 00
Sowers & Corkery, Urbana, Ill.....	56 769 00
A. W. Stoolman, Champaign, Ill.....	56 787 00
Bethel & Son, Granite City, Ill.....	61 000 00

On motion of Mrs. Evans, this contract was awarded to King & Petry, the lowest bidders, as recommended.

STANDING COMMITTEES, 1930-31

USE OF ALUMNI ADDRESS LIST

Mr. Fisher, for the Committee on Alumni, presented the following report:

The Committee recommends that the request of the Alumni Association to renew the contracts mentioned in Mr. Roseberry's letter of February 4, 1930 (see page 520), be approved; provided that the University of Illinois shall not be mentioned, directly or indirectly, in the advertising mailed out in the envelopes addressed by the Alumni.

W. T. FISHER

GEORGE A. BARR

On motion of Mr. Fisher, this recommendation was adopted.

COMMITTEE ON PATENTS—BUSWELL PROCESS

Mr. Armstrong, for the Special Committee on Patents, presented a revised form of contract for the development of the Buswell process. This matter was discussed in detail.

On motion of Mr. Fisher, Mr. Trees was added to the Special Committee on Patents.

On motion of Mr. Trees, the proposed contract was authorized, substantially as drawn, and was referred to the special committee to negotiate the terms of section 16 and to report the final contract to the Executive Committee for final action.

PLANS FOR PRESIDENT'S HOUSE

Professor White presented the revised plans for the President's house.

On motion of Mr. Trees, the Supervising Architect was authorized to proceed with the plans and specifications on the basis of the general layout as presented, and to prepare to take bids (omitting the garage and the conservatory for the present) on the basis of fireproof construction up to and including the second floor.

APRIL MEETING

On motion of Mr. Trees, it was voted to hold the April meeting in Urbana, at 9:30 a.m. on Wednesday, April 9, 1930.

EXECUTIVE COMMITTEE MEETING, MARCH 21, 1930

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Union League Club, in Chicago, at 2:30 p.m. on Friday, March 21, 1930.

Mr. George A. Barr, Chairman, Mrs. Laura B. Evans, and Mr. James W. Armstrong, members of the committee, and President Kinley were present.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Executive Committee considered the following matters presented by the President of the University.

SICK LEAVE FOR DEAN KETCHUM

(1) A recommendation that Dean Ketchum be given sick leave of absence, with pay, beginning March 21, 1930.

On motion of Mr. Armstrong, this leave was granted, the date of Dean Ketchum's return to duty to be determined by the President of the University.

SICK LEAVE FOR PROFESSOR PARMELEE

(2) A request from Professor Parmelee, endorsed by Dean Ketchum, for permission to be absent from duty with pay, from March 29 to April 19, 1930, inclusive, in order that he may submit to medical examination and treatment.

I recommend that this request be granted.

On motion of Mrs. Evans this leave was granted.

APPOINTMENTS IN PHYSICS

(3) A request for authority to appoint Dr. James H. Bartlett Assistant Professor of Physics at a cash compensation of \$3,000, and Dr. Gerald M. Alby Associate in Physics at a cash compensation not to exceed \$2,500, both for one year beginning September 1, 1930.

On motion of Mrs. Evans, this authority was granted.

APPOINTMENTS TO THE FACULTY FOR 1930-31

(4) I request approval of the following major appointments to the staff for 1930-31:

1. Professor Horace Ainsworth Eaton of Syracuse University to be Visiting Professor of English for the second half of 1930-31, or for five months from February 1, 1931, at a salary of \$650 a month.

2. Professor Marcel Jean Moraud, Head of the Department of Romance Languages at Rice Institute, Houston, Texas, to be Professor of Romance Languages on indefinite tenure beginning September 1, 1930, at a cash compensation of \$6,000 a year.

3. Associate Professor Charles M. Kneier of the University of Nebraska to be Assistant Professor of Political Science for one year beginning September 1, 1930, at a cash compensation of \$3,400 a year.

4. Dr. Charles S. Hyneman of Syracuse University to be Assistant Professor of Political Science for one year beginning September 1, 1930, at a cash compensation of \$3,200 a year.

On motion of Mr. Armstrong, these recommendations were concurred in.

FUNDS FROM THE STUDENTS' MUTUAL BENEFIT HOSPITAL FUND FOR THE EXPENSES OF MCKINLEY HOSPITAL

(5) The Trustee of the Students' Mutual Benefit Hospital Fund, Dean Thomas Arkle Clark, offers \$5,500 from that fund towards the operating expenses of the McKinley Hospital for the current year. This procedure is in accordance with the regulations

of the Students' Mutual Benefit Hospital Fund and I recommend that the offer be accepted.

On motion of Mrs. Evans, this gift was accepted.

LEAVE OF ABSENCE FOR PROFESSOR A. C. BENJAMIN

(6) A request from Assistant Professor A. C. Benjamin of the Department of Philosophy for a leave of absence without pay for the academic year 1930-31 in order that he may spend the year in travel and study abroad on a fellowship from the Guggenheim Foundation. The Head of the Department and the Dean recommend that this leave be granted and I concur.

On motion of Mr. Armstrong, this leave was granted.

RETIREMENT OF RUDOLPH MESECK

(7) Mr. Rudolph Meseck, Janitor of the School of Pharmacy, requests to be retired as of February 1, 1930, because of ill health. He has been in our service for twenty-eight years, has passed the minimum age of 65 years for retirement, and Doctor Camp of the College of Medicine reports that he is unable to do any work requiring physical exertion. Professor White recommends, Dean Day concurring, that Mr. Meseck be retired as of February 1, 1930, and that an appropriation of \$420 be made from the Reserve and Contingent Fund to pay his retiring allowance from that date to September 1 next. I concur.

On motion of Mrs. Evans, this recommendation was unanimously adopted, by a vote of record, in answer to roll call.

CONTRACT FOR LICENSE OF BUSWELL PROCESS

Mr. Armstrong, for the special committee on patents, presented the following report.

The Special Committee appointed by the Board of Trustees to arrange a contract giving license for use of patent known as Cellulose Digestion Process, invented by Arthur M. Buswell and Clair S. Boruff, submit, with their approval, the attached agreement.

Draft of 3/21/30

OPTION AGREEMENT

Board of Trustees of the University of Illinois, of Urbana, Illinois, a corporation, herein termed "The Board" hereby grants unto Francis N. Bard, party of the second part, an exclusive option to enter into license agreement as per the attached memorandum of agreement, this option to hold for a period of sixty (60) days following the execution of this agreement.

In consideration of this option, party of the second part agrees to make, at its own expense and within the above option period, an investigation of the patent situation relating to the process of Cellulose Digestion, which is the subject of the attached license agreement and to make a full report covering all its findings, to the Board.

Party of the second part shall, within sixty (60) days of the date of exercise of this option, organize, or cause to be organized, a corporation, of a Capital Stock of \$100,000.00, fully paid in or subscribed. If the subscriptions are not fully paid, in cash, then so long as the attached license agreement is in force neither the stockholders nor the corporation shall reduce the capital stock of the corporation, or take any other steps which will relieve them of liability for the amount of the initial subscription. A list of the proposed stockholders shall be submitted to the Board for its approval within ten (10) days following execution of this Option Agreement and the Board shall, within fifty (50) days thereafter, state its approval or disapproval of said stockholders; otherwise, its right of approval or disapproval shall be considered

waived. As soon as Party of the second part shall have secured the Board's approval of the stockholders and shall have effected organization of the corporation, he shall effect transfer of the license agreement unto the said corporation and upon acceptance of said transfer by the Corporation, Party of the second part shall be relieved of all responsibility as a party to the said license agreement.

IN WITNESS WHEREOF, the parties hereto have executed this agreement at Chicago, in the county of Cook and State of Illinois, this twenty-first day of March, 1930.

BOARD OF TRUSTEES, UNIVERSITY OF ILLINOIS

(Party of the second part)

AGREEMENT

THIS MEMORANDUM OF AGREEMENT, made and entered into this _____ day of March, 1930, by and between the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, of Urbana, Illinois, a corporation, hereinafter called the "Licensor" and FRANCIS N. BARD, a resident of the city of Highland Park, and State of Illinois, hereinafter called the "Licensee," WITNESSETH THAT:

WHEREAS, the Licensor is the owner of certain improvements in Cellulose Digestion, the invention of Arthur M. Buswell and Clair S. Boruff, for which an application for Letters Patent of the United States has been filed, Serial No. 386,080, August 15, 1929, and all rights thereunder; and

WHEREAS, the Licensee is desirous of acquiring the exclusive right to manufacture and sell devices for practicing the process embodying the invention and the exclusive right to practice the process, throughout the United States and territories, to the full end of the term for which Letters Patent may be granted under the application aforesaid;

NOW, THEREFORE, in consideration of the premises and the mutual promises of the parties, it is agreed as follows:—

(1) Licensor hereby grants unto Licensee the exclusive license to manufacture and/or sell, and to cause to be manufactured and/or sold, devices for practicing the invention covered by the aforesaid application for Letters Patent and the Letters Patent therefor, or any continuation, division or renewals thereof, or any reissue thereof, together with the exclusive license to practice the process of the aforesaid application for Letters Patent and the Letters Patent therefor, or any continuation, division or renewals thereof, or any reissue thereof, throughout the United States, its territories and possessions, to the full end of the term for which such Letters Patent may be granted, except as this agreement may be terminated as hereinafter provided, and subject to the provisions hereinafter recited.

(2) Licensee agrees to pay to Licensor, upon the execution of this agreement, the sum of Ten Thousand Dollars (\$10,000.00).

(3) Licensee agrees to proceed diligently, and with adequate facilities, to develop the process and the apparatus required to practice the same, to the state of commercial exploitation, subject to the exception hereinafter specified in this paragraph. A period of two years is contemplated by the parties to be adequate time within which such experimental and development work can be completed. In the event that within said two year period the experimental and development work done by Licensee demonstrates to the satisfaction of the Licensee that commercial exploitation of the process is not feasible, the Licensee shall have the right to be relieved of further liability under this contract and to terminate the same by giving ninety (90) days written notice of its desire to cancel the contract, at any time prior to the expiration of said two year period, but not thereafter.

(4) Licensee shall pay a minimum royalty of Ten Thousand Dollars (\$10,000.00) per year, payable quarterly, beginning from and after the second anniversary of the date of the execution of this license agreement, so long as the exclusive license herein granted is in force.

(5) Licensee agrees to keep records of apparatus sold under the license herein granted, in sufficient detail to enable the royalties payable hereunder by the Licensee to be determined, and further agrees to permit its books and records to be examined from time to time to the extent necessary to verify the reports provided for in Par-

agraph 7 hereof, such examination to be made at the expense of Licensor, by a Certified Public Accountant appointed by Licensor, who shall be acceptable to the Licensee.

(6) From and after the completion of the two year development period, Licensee will make reports to Licensor quarterly, within ten (10) days after the last day of January, April, July, and October of each year, during the life of this agreement, and as of such dates, stating the number, description and net selling prices, f.o.b. factory, of the Cellulose Digestion apparatus, or parts thereof, sold by it under the license herein granted. The first such report shall include all apparatus or parts thereof sold by Licensee during the two year development period. Licensee agrees to pay to Licensor, simultaneously with the making of each such report, royalties on the sales included in each such report, at the rate of seven and one-half percent (7½%) of the selling price, f.o.b. factory, of all Cellulose Digestion apparatus, or parts thereof, covered by such report.

All sales on which royalties are to be computed shall be bonafide and shall include the manufacturers profit and shall not be made in any such way as to deprive Licensor of its royalties. Only one royalty shall be paid on any apparatus, or a part or parts thereof.

It is understood and agreed by the parties hereto that the apparatus and parts upon which reports are to be made and upon which royalties are payable shall include all apparatus or parts thereof sold by the Licensee entering into the construction of a Cellulose Digestion and Gas Generating plant, to and including the gas outlet, but no parts beyond the same. The Cellulose Digestion and Gas Generating equipment is understood to include means for charging the same, agitating means and sludge removing means.

Under this agreement, articles shall be considered to be sold when billed out, or if not billed out, then when delivered, or when paid for, if paid for before delivery.

Royalties need not be paid on parts intended for repair of machines upon which royalties have been paid under this agreement. Royalties paid on articles lost or damaged in transit and not accepted by the customer on that account shall be credited against future royalty payments.

(7) If, in any suit for infringement of any Letters Patent under which a license is granted or agreed to be granted in this agreement, any of the claims of said Letters Patent shall be held to be invalid, or not infringed, by a court of last resort, or by a lower court of competent jurisdiction, from whose decree no appeal is taken or certiorari granted within the period allowed therefor, the construction placed upon the patent by the court shall be followed from and after the date of entry of the decree of such court, and royalties shall thereafter be payable by the Licensee only in accordance with such construction until the same shall be modified or reversed by a subsequent court decree, and with respect to claims that are by any such decree held to be invalid, the Licensee shall be relieved of its obligations to make reports and to pay royalties on apparatus which is covered by only such claims, or which is employed for practicing only the process covered by only such claims, until the decision with respect to such claims shall be modified or reversed by a subsequent court decree.

(8) Licensee may, after issuance of the Letters Patent of the United States on aforesaid application, Serial No. 386,080, cancel this agreement at the end of any calendar year, by first giving written notice six (6) months in advance.

(9) Licensee agrees that upon the issuance of Letters Patent on the aforesaid application, or any division, continuation or renewal thereof, to mark the Cellulose Digestion apparatus thereafter sold by it under this license agreement with the legend "Manufactured under license from the Board of Trustees of the University of Illinois," together with the legal form of patent marking applicable to the Letters Patent under which the Licensee shall be licensed hereunder.

(10) Licensee admits the validity of the Letters Patent which are the subject of this agreement or which may be included hereafter under this agreement. This admission of validity is limited to the life of this agreement and to the scope of the license granted.

(11) Any notice required to be served by either party on the other under the provisions of this agreement may be served by enclosing the same in a postpaid wrapper addressed to such other party at its or his last known address and depositing the same by registered mail in any post office.

(12) If the Licensee shall at any time make default in the payment of any royalty or in the making of any report hereunder, or shall commit any breach of any covenant or agreement herein contained, or shall make any false report, and shall fail to remedy any such default or breach within twenty (20) days after written notice thereof by Licensor, Licensor may, at its option, cancel this agreement and revoke the license herein granted, by notice in writing to such effect, but such act shall not prejudice the right of Licensor to recover any royalties or other sums due at the time of such cancellation and shall not prejudice any cause of action or claim to Licensor accrued or to accrue, on account of any breach or default by the Licensee.

(13) This agreement, unless previously terminated in accordance with the provisions hereof, shall run to the full end of the term for which Letters Patent may be granted, reissued or extended, under which a license is granted by the provisions of this agreement, and shall be binding upon the successors and assigns of the respective parties to the extent to which this agreement is assignable.

(14) Licensor agrees, upon written request of the Licensee, to include in this agreement and the license therein contained, such improvements in and to Cellulose Digestion as relate to the aforesaid invention, which Licensor shall acquire prior to the expiration of the Letters Patent issued on the aforesaid application, Serial No. 386,080, or any division or continuations thereof. It is understood that the Licensee shall be free to obtain patents for itself on inventions relating to the subject matter of this agreement.

(15) This contract, and the license herein granted and agreed to be granted, shall be assignable with the business and good will of the Licensee in Cellulose Digestion apparatus, but shall not otherwise be assignable without the written consent of Licensor and, in the event of dissolution or bankruptcy, voluntary or involuntary, or an assignment for the benefit of creditors, the license herein granted shall become null and void and all rights in and to the same shall revert to the Licensor.

(16) In the event of unauthorized use of the patented invention by others, Licensee shall have the right to bring suit in its own name to enforce its exclusive rights in and under the inventions aforesaid. Such suits shall be brought at the expense of Licensee. Licensor shall have the right, if it so elects, to be represented at its own expense in any suit brought under the patent or patents which form the subject of this agreement. In the event that Licensee shall institute suit and make recovery for infringement of Letters Patent which are the subject of this agreement, it shall pay to the Licensor forty percent (40%) of the net amount recovered.

(17) Licensee shall, by giving notice in writing prior to July 1, 1930, of its intention so to do, have the right to apply for and obtain foreign patents in the name of the Licensor, based on aforesaid application, Serial No. 386,080, in all countries which it may elect, and secure exclusive licenses under such patents as it shall take out. In respect to such countries, concerning which Licensee has given such notice, Licensee shall proceed immediately to lodge applications and secure such patents. Licensee agrees that during the continuation of this agreement it will use due diligence to maintain in force all such foreign patents for which it has made application. Licensee agrees to make accounting and pay royalties in accordance with the provisions of paragraphs (4) and (6) hereof, on all apparatus manufactured and sold under such foreign patents.

Licensee shall have the right to sell rights in, to or under any foreign patents taken out by Licensee, provided that the approval of the Licensor is first obtained, and subject to payment to the Licensor of one-half of the purchase price remaining after first deducting expenses of Licensee incurred with respect to the particular patent under, or with respect of which, such sale is made.

Similar rights shall be given to Licensee to apply for foreign patents on new developments or discoveries relating to the subject matter of this agreement owned or controlled by Licensor.

(18) Licensee shall have the right to sub-license others, under any of the United States or foreign patents which are the subject of this agreement, subject to the provision that Licensee shall be responsible for the faithful performance of all covenants hereunder, by such sub-licensee.

(19) During the life of this contract Licensee agrees to proceed diligently, and with adequate facilities, to exploit the sale and distribution of the process and apparatus to the fullest extent.

BOARD OF TRUSTEES

(20) In the event of termination of this agreement, by cancellation for any cause, Licensee agrees to turn over to Licensor its Good Will, list of customers, technical data and such other information as may be the result of its development work up to the time of cancellation, together with the right to make, use and/or sell any and all forms of apparatus developed by Licensee for the practice of the herein licensed process, whether patented or unpatented.

IN TESTIMONY WHEREOF, Licensor and Licensee have caused their respective corporate seals to be hereunto affixed and duly attested, and these presents to be signed by their respective duly authorized officers.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 9, 1930

The April meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a.m. on Wednesday, April 9, 1930. The following members were present: President Barr, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 11, 1930, and of the meeting of the Executive Committee of March 21, 1930.

On motion of Mr. Armstrong, the minutes were approved and received for record as printed on pages 535 to 554 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPOINTMENT OF DR. JOHN A. GOFF AS ASSOCIATE PROFESSOR OF THERMODYNAMICS

(1) On recommendation of the Head of the Department of Mechanical Engineering and the Dean of the College I recommend that Dr. John A. Goff, Research Engineer with the Westinghouse Electric and Manufacturing Company of Pittsburgh, be appointed Associate Professor of Thermodynamics beginning September 1, 1930, at an annual salary of \$4500. This appointment is to fill the vacancy created by the death of Professor Goodenough.

On motion of Mr. Trees, this appointment was made.

PROMOTIONS AND OTHER CHANGES IN THE STAFF FOR 1930-31

(2) A report that I have authorized the following important promotions in the staff for the year 1930-31:

1. Dr. Reynold C. Fuson, Assistant Professor of Chemistry, to be Associate Professor at a salary of \$3800.

2. Dr. Ralph Lloyd Shriner, Assistant Professor of Chemistry, to be Associate Professor at a salary of \$3800.

I also report that I have accepted the resignation of Dr. Leonard F. Yntema, Assistant Professor of Chemistry, to become effective September 1, 1930.

On motion of Mrs. Evans, the action of the President of the University in these matters was confirmed.

LEAVE OF ABSENCE FOR MISS MARY A. MCKEE

(3) A recommendation from the Dean of the College of Agriculture that Miss Mary A. McKee, Extension Specialist in Junior Club Work, be given leave of absence without pay for one month in addition to her regular vacation of one month, leaving June 7 and returning to duty August 7, in order that she may accompany two girls from Illinois, who won a national clothing demonstration contest held in Chicago at the time of the International Stock Exhibition under the auspices of the National 4-H Club Congress, to Europe. These two girls are not University students but are enrolled in 4-H Club work in connection with our Extension Service.

I recommend that this leave be granted.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR MISS JOSIE B. HOUCHENS

(4) A request from Miss Josie B. Houchens, Binding Librarian and Lecturer in the Library School, for a leave of absence during the month of July without pay to enable her to teach Library Science in the summer session of Columbia University. Arrangements can be made to take care of her work here.

Director Windsor recommends approval and I concur.

On motion of Dr. Noble, this leave was granted.

**TRIBUTE OF THE BOARD OF TRUSTEES TO
MRS. MARY ELIZABETH BOWEN-BUSEY**

On motion of Mrs. Evans, the following resolution was adopted.

The members of the Board of Trustees of the University of Illinois record with profound sorrow and a sense of great loss the death on April 7, 1930, of their honored and beloved colleague, Mrs. Mary Elizabeth Bowen-Busey.

Mrs. Busey was born on June 21, 1854, at Delphi, Indiana, where she spent her childhood and the early years of her womanhood. She came to Urbana following her marriage to Colonel Samuel T. Busey in 1877.

From 1905 until her death she served continuously as a member of the Board of Trustees of the University of Illinois, giving gener-

ously of her time and wise counsel. Her interest in the welfare and progress of the University covered all of its activities. She listened sympathetically to every proposal which came before the Board and discharged faithfully and painstakingly every duty which came to her as one of its members.

Her work on the Board was but one phase of her long and faithful career of public service. As a generous benefactress and diligent worker she played a prominent part in the educational, social, and civic affairs of the community. Her uplifting and inspiring influences were even greater than the many material evidences of her deeds and benefactions.

Finally, the Members of the Board would record their appreciation of Mrs. Busey as a woman whose high ideals, sympathetic nature, generous heart, and personal charm drew to her a host of friends among her fellow citizens in strong bonds of respect and affection. In her death the State has lost a distinguished citizen and a loyal servant, and the University and the community a true friend.

In recording this tribute to the memory of their dear friend and colleague, the Members of the Board of Trustees direct the Secretary to send a copy of this message to the members of Mrs. Busey's family as an expression of the sorrow of the Board and its deepest sympathy with them in the great loss which they have sustained.

On motion of Mr. Trees, the Board suspended the transaction of business for ten minutes, out of respect for Mrs. Busey.

VACATION EXTENSIONS FOR L. E. CARD AND H. J. SLOAN OF THE DEPARTMENT OF POULTRY HUSBANDRY

(5) Dr. L. E. Card, Professor of Poultry Husbandry, and Dr. H. J. Sloan, Instructor in Poultry Husbandry, desire to attend the World's Poultry Congress to be held in London, England, in July, 1930, and to spend some time in the British Isles and on the Continent on a tour of special educational value to poultry scientists. They request that their vacations be extended for three weeks in each case (each is entitled to a month) so that they may have enough time to go on the tour.

Dean Mumford recommends approval and I concur.

On motion of Mrs. Grigsby, this recommendation was adopted.

REQUEST OF BELL TELEPHONE LABORATORIES FOR THE SERVICES OF PROFESSOR TYKOCINER

(6) The Dean of the College of Engineering recommends that Professor J. T. Tykociner be permitted to comply with a request from the Bell Telephone Laboratories of New York to appear as a consultant and witness in certain litigation about talking-moving pictures apparatus. Compliance will necessitate a leave of absence aggregating two weeks. I concur.

On motion of Mr. Armstrong, this leave was granted.

LEAVE OF ABSENCE FOR ASSOCIATE PROFESSOR E. A. CULLER

(7) A request from Associate Professor E. A. Culler of the Department of Psychology, concurred in by the Head of the Department and the Dean of the College, for a leave of absence without pay for the academic year 1930-31. Doctor Culler wishes to spend the year at Cornell University working on some research projects sponsored by the Otological Society of America in collaboration with specialists in physiology and other biological sciences.

I recommend approval.

On motion of Dr. Noble, this leave was granted.

GUGGENHEIM FELLOWSHIP FOR PROFESSOR PERRY

(8) Associate Professor Perry was granted sabbatical leave of absence on December 4, 1929, for the year beginning September 1, 1930. He has since received notice of the award of a Guggenheim fellowship for the same period. I recommend that Professor Perry be authorized to accept this fellowship.

On motion of Mr. Armstrong, this recommendation was approved.

APPROPRIATION FOR PATENT EXPENSES

(9) Statements have been received from Brown, Jackson, Boettcher, & Diener, Patent Attorneys, for their services in connection with various patent matters, viz:

Hugh A. Brown, Case 2	
Suppressed wave radio carrier system.....	\$ 10 00
Harold E. Babbitt and Harry Schlenz	
Patent on Sludge Digestion.....	156 50
Preparation of option agreement and license agreement with F. N. Bard on the A. M. Buswell and C. S. Boruff patent application on Cellulose Digestion.....	750 00
	<hr/>
	\$916 50

I recommend that an appropriation of \$1500 be made from the Reserve and Contingent Fund to pay the above and any other patent expenses which may be incurred before the end of the fiscal year.

On motion of Dr. Noble, this appropriation was made, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

DEATH BENEFIT FOR DEAN C. E. CHADSEY

(10) I regret deeply to report the death this morning of Dean Charles Ernest Chadsey of the College of Education. Dean Chadsey was fifty-nine years old and has been on the staff since September, 1919.

The amount of the death benefit is the maximum allowed. I recommend that an appropriation of \$3,000 be made from the Reserve and Contingent Fund for this purpose and that the Comptroller be authorized to make payment to Dean Chadsey's designated beneficiary, Mrs. Callie Price Chadsey.

On motion of Mrs. Grigsby, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

REIMBURSEMENT FOR MUSEUM MATERIAL LOST IN TRANSIT DURING THE WAR

(11) A report from the Comptroller that he has received from the Mixed Claims Commission the sum of \$1304.11 representing reimbursement in full plus interest at five per cent from the date of loss to the date of payment for certain articles purchased by the University for the Museum of European Culture in 1915 and which were lost when the Steamship Arabic on which they were shipped in August of that year was torpedoed and sunk while en route by a German vessel. The amount has been credited to the General Fund.

This report was received for record.

PURCHASE OF DIESEL ENGINE

(12) A requisition from the Department of Mechanical Engineering approved by the Dean of the College for the purchase of one 80 horse power RH-40Z, two-cylinder, 327 r.p.m. (M.W.M. Benz) Diesel Engine from the Chicago Pneumatic Tool Company at a price of \$3500, f.o.b. Urbana. The equipment is to be used for instructional pur-

poses and the cost is to be charged to the appropriation made to the Department and College for equipment.

I recommend approval.

On motion of Mr. Trees, this purchase was authorized.

PRINTING OF MAPS FOR SOIL SURVEY REPORTS

(13) The Comptroller recommends that a contract for printing 5,000 maps each of Jackson, Ford, and Fayette Counties for the soil survey be awarded to the Eastern Offset, Inc., of Baltimore, at an estimated price of \$3,210. An appropriation for this printing has been made in the budget for this year.

I recommend approval.

On motion of Mr. Armstrong, this contract was authorized.

PURCHASE OF LIQUID AIR COMPRESSOR

(14) A report that I have authorized the purchase of a liquid air compressor for the Physical Plant from the Norwalk Company at a price of \$4,085, plus freight and installation costs. The Purchasing Agent secured two quotations on this equipment; the one from the Norwalk Company, and the other from the Air Reduction Sales Company of Chicago. The latter quoted a price of \$12,400 f.o.b. New York City. There do not seem to be any other manufacturers of this type of equipment. An appropriation for this equipment was made in the budget for the current year.

On motion of Mr. Armstrong, this action was confirmed.

INSTALLATION OF SPRAYING EQUIPMENT IN HORTICULTURE EXPERIMENT ORCHARDS

(15) On March 11, 1930 (Minutes, page 543) the Board authorized the purchase of spraying machinery for the Department of Horticulture at a total cost of \$1,397.70. Provision was made for the purchase of this equipment in the present budget. This is stationary equipment and requires piping connections to different points of the orchard to make it useful. The estimate of the cost of this equipment did not include installation costs.

The Dean of the College of Agriculture now requests authority to expend \$1,247.59 from the funds appropriated for special equipment for the College of Agriculture for pipe and labor required for the installation of this spraying equipment.

On motion of Dr. Noble, this authority was granted.

STREET CAR TRACKS ACROSS CAMPUS

(16) I present a statement concerning the "Oregon Street line" across the campus, and request that a hearing be granted to Mr. J. D. McKee, representing the Illinois Power and Light Corporation.

This hearing was granted, and Mr. McKee was introduced. Mr. McKee presented a request that the permit to operate the street-car line across the campus, known locally as the "Oregon Street line," be extended for a period of five years, and retired.

This matter was discussed.

On motion of Mr. Armstrong, the Board declined to extend the permit as requested.

REPORT OF FATIGUE PHENOMENA OF METALS RESEARCH

(17) A report from the Dean of the College of Engineering that the specific problems for whose solution was undertaken the cooperative investigation known as "The Fatigue Phenomena of Metals," which has been in progress since 1919, have been solved and that all contributions received for this investigation have been expended. This work was authorized by the Board on October 4, 1919 (Minutes, page 572), at the request of the Engineering Foundation and was continued through a supplementary contract with the General Electric Company approved by the Board September

14, 1920 (Minutes, page 78). The total amounts which were contributed for this work were:

From the Engineering Foundation.....	\$30 000 00
From the General Electric Company (Through the Engineering Foundation).....	46 000 00
From miscellaneous receipts.....	2 844 80
	\$78 844 80

The staff of the Engineering Experiment Station recommends, and I concur, that this investigation be officially closed.

On motion of Mr. Armstrong, this recommendation was adopted.

URBANA COKE CORPORATION

(18) A request from the Urbana Coke Corporation for a formal release from the provision of Section fourth of their contract (Minutes, December 28, 1925, page 496) which provides that in case the company shall not have expended \$50,000 in research, development, and patent expenses within five years, the company will reassign to the Board, for a consideration of \$1, all rights that may have been assigned to it by the Board. This request is made on the ground that the company has already expended more than the minimum required.

On motion of Mr. Trees, this request was referred to the Special Committee on patents for consideration and report.

FIDELITY BOND FOR BUSINESS OFFICE EMPLOYEES

(19) The fidelity bond covering employees in the University who handle cash or sign the names of officers of the Board of Trustees and warrants and vouchers expired on April 5. The bond covers eighty-two individuals and involves an aggregate amount of \$161,200, the amounts for various individuals varying from \$400 to \$50,000. The Comptroller secured proposals from various insurance brokers on the renewal of this bond, the low bidder being D. G. Swannell of Champaign, representing the Fidelity and Deposit Company of Baltimore, Maryland, who quoted a total premium of \$403 covering regular employees and an estimated premium of \$75 covering temporary employees, a total estimated premium of \$478 per year. Since the old bond expired before the Board meeting I authorized the Comptroller to place the new bond with the Fidelity and Deposit Company of Baltimore, Maryland, through the Swannell Agency.

On motion of Mrs. Evans, this action was confirmed.

LIABILITY INSURANCE FOR COOPERATIVE RESEARCH EMPLOYEES

(20) A report that I have authorized the Comptroller to place the insurance covering persons engaged in cooperative research investigation with the United States Fidelity and Guaranty Company of Baltimore, through Monier and Morrissey of Champaign, at the rate of fifty cents per one hundred dollars per year. There were two other agencies which quoted this figure, viz: H. E. Wilcox representing the Globe Indemnity Company of Newark, New Jersey, and the Burt-Rovelstad Company representing the Commercial Casualty Insurance Company of Newark, New Jersey. Since the United States Fidelity and Guaranty Company of Baltimore is the oldest and strongest of those offering to take the insurance and because the assignment of insurance of this character to more than one company is inconvenient and more expensive, I authorized the Comptroller to place the insurance with the United States Fidelity and Guaranty Company through Monier and Morrissey at the rate quoted. The old insurance expired on April 2. The approximate amount of the insurance is \$100,000 and the approximate amount of the premium is \$500. The rate applies to the exact payroll and the cost is charged to the various funds provided for the cooperative investigations. The policy covers any new work that may be undertaken during the year as well as work now in progress.

On motion of Mr. Armstrong, this action was confirmed.

INSURANCE FOR UNIVERSITY AUTOMOBILES

(21) Pursuant to the policy of the Board adopted on March 13, 1928 (Minutes, page 565), the Supervising Architect and the Comptroller submitted to me a schedule of

bids received by them on property damage and liability insurance covering University automobiles. The lowest bid, \$769, was submitted by Boggs and Cogdal representing the Union Insurance Company of Indiana. The next bid was \$770.29 (only \$1.29 higher), submitted by W. R. Hidy, representing the Hartford Accident and Indemnity Company. The Union Insurance Company is small and rather new and the Supervising Architect and the Comptroller are of the opinion that it does not seem to be of sufficient strength and stability to warrant the University in placing insurance with it.

The Hartford Accident and Indemnity Company is a strong, well-established Company and they, therefore, requested authority to place the insurance with that Company at a cost of \$770.29. Since the old policy expired on April 5, 1930, I authorized them to place the insurance in accordance with their recommendation.

On motion of Mrs. Grigsby, this action was confirmed.

**AWARD OF CONTRACT FOR FINISH HARDWARE IN
CHEMISTRY ANNEX**

(22) The Supervising Architect submits the following schedule of bids received for the finish hardware in the Chemistry Building Annex:

Holder Hardware Company, Bloomington, Illinois.....	\$1 600
Carl J. Werner, Danville, Illinois.....	1 940
Sargent & Company, Chicago, Illinois.....	1 975
Thos. Conron Hardware Company, Danville, Illinois.....	2 310

He recommends that the contract be awarded to the Holder Hardware Company of Bloomington, the lowest bidder, on the basis of their bid of \$1,600 for P. & F. Corbin hardware.

I recommend approval.

On motion of Mrs. Evans, this contract was awarded to the Holder Hardware Co., the lowest bidder, as recommended.

CONTRACT WITH LEONARD SEED COMPANY FOR ONION SEED

(23) A report that on recommendation of the Director of the Agricultural Experiment Station, I have authorized the Comptroller and the Secretary of the Board to execute a contract with the Leonard Seed Company which provides for the purchase of onion seeds from that Company for experimental work at the Cook County Experiment Station and the sale of the onion sets grown in the course of the experiments to the Company. The cost of the seeds will be deducted from the University's bill for the sets delivered at the close of the season. This is the usual way of handling matters of this kind and the contract is of the same form as a similar contract entered into last year.

I request confirmation of my action.

On motion of Mrs. Grigsby, this action was confirmed.

CONTRACTS WITH STATE BOARD FOR VOCATIONAL EDUCATION

(24) A report that I have authorized the Comptroller and the Secretary of the Board to execute contracts with the State Board for Vocational Education providing for the payment by the State Board of all incidental, tuition, and laboratory fees for Mr. Paul Sugar in the College of Law for one year from February 1, 1930, and the payment of the same fees for Mr. Donald M. Brown in the College of Agriculture for one and a half years beginning February 1, 1930. These contracts are of the same form and character as those which have been entered into in the past.

I request confirmation of my action.

On motion of Mrs. Evans, this action was confirmed.

CONTRACT FOR OPTICAL SERVICE IN DISPENSARY

(25) A report that pursuant to the authority granted by the Board on March 11, 1930 (Minutes, page 546), a contract for optical service at the Research and Educational Hospital has been made with the Riggs Optical Company.

This report was received for record.

**EXTENSION OF AGREEMENTS FOR COOPERATIVE
INVESTIGATIONS**

(26) A report that I have authorized the extension of the following agreements for cooperative investigations:

1. An agreement with the Agricultural and Scientific Bureau N. V. Potash Export My. of Amsterdam for an investigation by the Agricultural Experiment Station of the use of potash salts as fertilizers. The original agreement was for a period of one year beginning April 1, 1929 (Minutes, page 197). I have authorized its extension for such a period as funds are provided for this purpose.

2. An agreement with the Ruhm Phosphate and Chemical Company for an investigation of the use of phosphate rock as fertilizer. The original agreement was approved by the Board on February 13, 1929 (Minutes, page 135). I have authorized the extension of the original agreement until February 1, 1931.

3. An agreement with the National Warm Air Heating & Ventilating Association for a cooperative investigation of warm air furnaces. The original contract for this investigation was approved July 17, 1918, and was subsequently extended at various times. I have authorized its further extension to April 1, 1931.

On motion of Mr. Trees, this action was confirmed.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(27) The following report from the Comptroller of contracts and purchase orders executed since the last report was made:

*CONTRACTS EXECUTED BY THE COMPTROLLER

GIFTS TO THE UNIVERSITY

(29) The following report of gifts received by the University:

1. From various public utilities companies (Commonwealth Edison Company, The Peoples Gas Light & Coke Company, Public Service Company of Northern Illinois, Central Illinois Public Service Company, and the Illinois Northern Utilities Company) an offer of \$5,000 per year for five years (from 1930 to 1934 inclusive) for the support of scholarships and fellowships in the economics of public utilities (other

than steam railroads). This is a renewal of a gift made for this purpose five years ago by these companies.

2. From the National Research Council an appropriation of \$1,500 toward the support of investigations on the amino acids which are being conducted by Professor W. C. Rose of the Department of Chemistry. This fund will be available for a two-year period and payments of \$375 will be made semi-annually.

3. From the family of the late Professor Stephen Alfred Forbes 490 bound volumes, 27 unbound volumes, and 159 pamphlets—all from Professor Forbes's library.

4. From Professor and Mrs. Morgan Brooks two bookcases which are good examples of the period to which they belong, and which are excellent examples of workmanship. They will be valuable and interesting as exhibits either in the Residence Halls or the Home Economics Department.

This report was received for record.

PROFESSIONAL DEGREE OF ENGINEER-PHYSICIST

(30) A recommendation from the University Senate, that the degree of Engineer-Physicist be established and offered as one of the professional second degrees in engineering following the degree of bachelor of science in Engineering Physics.

I recommend approval.

On motion of Mr. Trees, this recommendation was adopted.

PATENT OF HIGH-VOLTAGE CABLE TEST

(31) For the past year or two Professor E. B. Paine of the Department of Electrical Engineering has been working on a method of testing high-voltage cables, one of the research projects financed by the Utilities Research Commission. Honorable W. L. Abbott, Chairman of the Commission, is of the opinion that the method is patentable, that it would have some commercial value, and he suggests that the University take steps to protect it. My advisory committee on Patents recommends accordingly.

I recommend that Professor Paine be authorized to file an application for a patent covering his discovery on condition that it be assigned to the University.

On motion of Dr. Noble, this recommendation was adopted.

PATENT OF METHODS OF PURIFYING WATER FOR ICE-MAKING PURPOSES

(32) Doctor Dana Burks, Jr., Special Research Associate in Chemical Engineering, has been working on the purification of water for ice-making purposes. This is one of the projects financed by the Utilities Research Commission. He has developed two methods—one for the freezing of a clear ice block, and the other relating to the chemical treatment of water, both of which, according to the advice of our Patent Attorney are patentable.

I recommend that Doctor Burks be authorized to apply for patents entitled as follows:

"A New Procedure in the Production of Artificial Ice."

"A New Method for the Reduction of Total Solids from a Solution Containing Sodium Bicarbonate or Carbonate."

on condition that they be assigned to the University.

On motion of Mrs. Evans, this recommendation was adopted.

PETITION FOR SUNDAY SPORTS

(33) The following recommendation from the Council of Administration on the petition from the Inter-fraternity Council and the Woman's League of the University for the use of certain recreational facilities on Sunday. This petition was presented to the Board on March 11, 1930 (Minutes, page 538), and referred by the Board to the President of the University and the Council of Administration for investigation and report:

Dr. David Kinley, President

April 2, 1930

DEAR MR. PRESIDENT:

The Council of Administration has voted to recommend to the Board of Trustees that the University tennis courts and golf course be open for recreation on Sundays after one o'clock.

The basis for this action is the report of a special committee of the Council consisting of Deans Thompson and Harno and Director Huff, which was appointed to consider the matter. The report of the committee indicated that all but seven of twenty-four institutions which had been written allow some form of Sunday sports. The report also indicated that there was no objection on the part of local pastors or members of the Dads' Association, who had been written, to the specific things which the students asked for in their petition to the Board of Trustees.

Sincerely yours,

THOMAS ARKLE CLARK
Secretary

On motion of Mr. Trees, seconded by Mrs. Grigsby, the Board adopted the recommendation of the Council of Administration that the University tennis courts and golf course be open for recreation on Sundays after one o'clock.

PUBLIC HIGHWAY THROUGH ELIZABETHTOWN EXPERIMENT FIELD

(34) A request from the Department of Public Works and Buildings of Illinois for a right-of-way through a portion of the Agricultural Experimental Field located near Elizabethtown for public road purposes.

The location of this road through the field has been laid out by the State and local officials in consultation with representatives of the Agricultural Experiment Station staff in such a way that it will not seriously interfere with the experimental work in progress. The Director of the Agricultural Experiment Station recommends that permission be given the Department of Public Works to cut a highway through this field.

This land was deeded to the University for educational purposes. The deed provides, in substance, that if the property ceases for twenty-four months or more to be used as an experimental field, title shall revert to the grantor. The Legal Counsel reports that the Board has legal power to join the grantor of the land in a conveyance of an easement granting a right-of-way through this field and submits the document to be executed by the Board and by Mr. Robert A. Ledbetter, Trustee, who signed for the original donors.

I recommend that the Board of Trustees join in this conveyance.

On motion of Mrs. Evans, this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

REDISTRIBUTION OF BALANCES IN PHYSICAL PLANT EXTENSION BUDGET

(35) The Supervising Architect requests the following redistribution of balances in the budget for Physical Plant Extension for 1929-30, as approved July 17, 1929 (Minutes, page 335). The reason is that in some lines the demand has been less than we anticipated and in others larger:

1. Transfer the free balance of \$4,500 remaining in the assignment for "Heat, Light, and Power Improvements" to the assignment for "Furniture and Fixtures."

2. Appropriate \$6,000 provided for paving and lighting assessments under "General" which was not necessary this year, for the purchase of additional refrigeration in the Vivarium Building.

3. Transfer the free balance of \$7,000 remaining in the other assignments under "General" to "Campus Improvements."

I recommend approval.

On motion of Mr. Armstrong, these transfers were authorized.

CONTRACT FOR LANDSCAPE ORNAMENTS

(36) The Supervising Architect has secured the following bids on architectural and landscape ornaments which were designed by Mr. Vitale and Mr. Platt to terminate the hedges which are being planted around the south campus buildings:

Architectural Decorating Co., Chicago.....\$2 000
 (Unit prices for piers.....\$20.00
 (Unit prices for benches..... 30.00

Geo. Rackle & Sons Co., Cleveland..... 2 512
 Chicago Architectural Stone Co., Chicago..... 2 800

These bids were made on the basis of 70 piers and 20 seats. They are to be of artificial stone.

The Supervising Architect recommends the award of the contract to the Architectural Decorating Company of Chicago for 65 piers and 20 seats at a total price of \$1900, the cost to be paid from the Physical Plant Extension Budget.

I concur.

On motion of Mr. Trees, this contract was awarded as recommended.

INSURANCE ON CHEMISTRY BUILDING ANNEX

(37) On March 11 (Minutes, page 542), the Board authorized the placing of fire and tornado insurance on the Chemistry Building Annex, during its construction, with the Fidelity-Phoenix Fire Insurance Company through the Hayes-Atkinson Agency and Burt-Rovelstad Company at a rate of \$.38 per \$100. The Comptroller reports that the rate mentioned was quoted by a State agent of the company on whom the local agents relied in submitting their proposals and that the company is now unwilling to write the insurance at that rate and has declined to accept the order.

The next low bidder for this insurance was Boggs & Cogdal representing the Hartford Fire Insurance Company or the Phoenix Company of Hartford at a rate of \$.432 per \$100 less 10 per cent or a net cost of \$.3888 per \$100. The companies offered are old, strong, and reliable.

The Comptroller recommends, and I concur, that he be authorized to place the insurance with the Hartford Fire Insurance Company and the Phoenix Company of Hartford through the Boggs and Cogdal Agency on the basis indicated.

On motion of Mr. Armstrong, this recommendation was adopted.

ENTRANCE, GRADUATION, AND SCHOLARSHIP REQUIREMENTS IN THE COLLEGE OF LAW

(38) On recommendation of the Faculty of the College of Law, the University Senate recommends the following changes in the requirements for admission and graduation in the College of Law, and also the addition of certain scholarship requirements:

Admission

The following persons only are admitted as candidates for law degrees:

1. Graduates of Colleges and Universities of approved standing.
2. Students in the University of Illinois of senior standing having at least an average grade of C (3) who are permitted to select courses in law for the degree of Bachelor of Arts or for the degree of Bachelor of Science.

Scholarship Requirements

The grades given at the end of each course are indicated by the letters A, B, C, D, and E. These respectively represent the standing of students as Excellent, Good, Fair, Poor, and Failure.

For the purpose of computing the average grade of a student a system is employed in which the following values are assigned to the grades received: A equals 5; B equals 4; C equals 3; D equals 2; E equals 1. A student in the College of Law will be dropped from the University:

- (1) If at the end of his first year of residence he has not secured an average of 3 in his work; (2) if at the end of his second year he has not secured an average of 3 in all of the law work he has taken up to that time; (3) if he fails in any semester to pass eight hours of the work in which he registered; or if he fails in a summer session to pass in four hours; (4) if registered in less than eight hours in a semester, or in less than four hours in a summer session, he does not pass in all his work. A student, who at the end of his third year of law study, has failed to secure an average of 3 in all law work taken by him in this University will be permitted to continue in this College only by special permission granted on petition. For the purpose of deter-

mining the eligibility of a student to remain in this College, work taken in summer session will be valued with the work of the following year. When taken after the student's third year of law study it will be valued with all of the law work he has taken previously in this University for the purpose of determining his eligibility for graduation.

Requirements for Graduation

Degree of Bachelor of Laws (LL.B.)

The degree of Bachelor of Laws will be conferred on students who having studied law for a period equal to three academic years obtain 84 law credits with an average grade of at least C (3) in such of those credits as were obtained in courses taken in this University.

Students in Other Colleges Electing Law Courses

A student registered in another college of the University who has an average grade of C (3), and who otherwise is eligible to enrollment in the College of Law may elect courses in law provided that not less than two courses amounting to at least five hours are taken per semester, under the advice of the dean of the College of Law as to the course to be taken, and provided, further, that if any such student desires to take more than six hours of law work, he must register in the College of Law and thus become subject to the regulations of that College.

It is recommended that the foregoing proposals become effective as follows:

1. That the proposed change in the requirements for admission shall go into effect on September 1, 1931.
2. That the proposed changes in the requirements as to scholarship in the first and second year shall go into effect at the beginning of the summer session of 1930.
3. That the proposed change in the requirements for graduation shall go into effect on January 1, 1932.
4. That the proposed change in the requirements for students in other colleges electing Law courses shall go into effect September 1, 1930.

On motion of Mrs. Grigsby, these requirements were adopted.

THEFT OF RUGS FROM WOMAN'S BUILDING

(39) The following report from the Supervising Architect on the theft of four rugs from the Woman's Building:

April 5, 1930

President David Kinley

MY DEAR PRESIDENT KINLEY:

Some time between 3:40 and 9:50 p.m. February 3 last, four rugs disappeared from the Upper Parlors of the Woman's Building. Their dimensions were as follows:

$$\begin{array}{r} 8\frac{1}{2} \times 12 \\ 10 \times 13\frac{1}{2} \\ 4 \times 8 \\ 5\frac{1}{2} \times 11\frac{1}{2} \end{array}$$

These rugs were, I think, purchased in 1913, and cost us about \$400. I say about, because there is a little doubt as to the descriptions of certain of the rugs. They have had pretty heavy wear, and the $5\frac{1}{2} \times 11\frac{1}{2}$ runner was in bad condition. We have spent in the last two years \$150 in repairs on the twelve rugs which we had over there. The financial loss therefore is not very great.

On February 4, the local police departments and the Sheriff's office were notified and given a description of the rugs. On the 5th, we sent men to Mattoon and Decatur to present the case to the police departments there, and on the 6th, sent men to Danville, Kankakee, and Bloomington, and communicated with the Sheriffs' offices in McLean, Piatt, and Ford counties. In all of these cases an offer of \$50 was made for evidence that would result in the locating of the rugs. Since that time various local characters have been investigated, and in making a survey of the rooming houses the representatives of the Dean of Men have kept on the look-out for these rugs. We have not gotten any clues.

I do not think it advisable to attempt to replace these rugs, tho prices on Oriental rugs are now lower than they have been for years. For better identification of the rugs which we now have, we are going to have them photographed.

It has been suggested that the remaining eight rugs be used in furnishing the new President's house and that domestic rugs be used in the furnishing of the Upper Parlors. This seems to me to be a good suggestion.

Yours truly,
 JAMES M. WHITE
Supervising Architect

This report was received for record.

This matter was referred to the President of the University.

QUARTERLY REPORT OF THE COMPTROLLER

(41) The report of the Comptroller for the quarter ending March 31, 1930.

**QUARTERLY REPORT OF THE COMPTROLLER TO THE
 BOARD OF TRUSTEES**

QUARTER ENDED MARCH 31, 1930

SUMMARY

Reserve and Contingent Fund

The unappropriated balance of the Reserve and Contingent Fund (estimated excess of income of the year over appropriations) at the close of the quarter was \$190,118, as per Schedule A. The balance at the corresponding date a year ago was \$113,168.

Budget Income

Realization of the budget income for the quarter, as per Schedule B, was as follows:

	<i>Estimate For Year</i>	<i>Per Cent of Year's Estimate Realized</i>	
		<i>This Year</i>	<i>Same Date Last Year</i>
State Appropriations for Operation (Per Cent realized represents portion ex- pended to March 31, 1930).....\$4	765 000	71.3	79.8

Treasurer's Balance

The cash balance in all funds held by the University Treasurer at the close of the quarter, allowing for outstanding warrants, was \$1,154,080, Schedule C. On the corresponding date a year ago, the balance was \$1,386,300. Of the present balance, \$995,114 represents general University funds, Federal funds, and residence hall funds, and \$158,966 represents trust funds.

Budget Expenditures

Board appropriations to departments for the current fiscal year total \$6,270,055, including salaries \$4,120,509, expense and equipment \$2,149,546. These were 69.2% expended at the end of the quarter, and 2.1% encumbered. (Included in Schedule D.) On the corresponding date a year ago these appropriations were 69.8% expended and 2.1% encumbered.

Trust Funds

Endowment funds from private gifts for special purposes (see Schedule F) are distributed as follows:

Educational Endowments.....	\$121 592
Student Loan Endowments (Of which \$177,958 was outstanding in student notes at the end of the quarter).....	182 150
Scholarship and Prize Endowments.....	84 556
Other Endowments.....	80 031
<i>Total</i>	<u>\$468 329</u>

Indebtedness on Property

Outstanding indebtedness on University property at the end of the quarter consisted solely of 6% bonds totalling \$49,400 on the Dental Building in Chicago, due in 1932.

Residence Halls

A summary of the operations in the residence halls for the year to March 15, 1930, is shown as Appendix I. The balance from operations in the residence halls at the end of the quarter was \$182,052, and in the Davenport House \$13,216.

Stadium Fund

An Appendix is included giving the report of the Memorial Stadium Fund, of which the Board of Trustees is custodian. (See Appendix II.)

REPORT, CARTER-PENNELL FARMS

(42) The annual report on the operation of the Carter-Pennell farms.

On motion of Mr. Armstrong, this report was referred to the Committee on Agriculture for consideration and report.

PURCHASE OF MONOTYPE MACHINE

(43) A request for authority to purchase a Monotype composing machine for the Print Shop at a cost (including freight, installation, and motor) not to exceed \$3500. The money for this purchase was appropriated in the special equipment budget for the current year.

On motion of Dr. Noble, this purchase was authorized on terms to be approved by the President of the University and the Director of the University Press.

COMPANIES FURNISHING SURETY BONDS

(44) The semi-annual report of the Comptroller of companies furnishing surety bonds to the University.

On motion of Mr. Armstrong, this report was referred to the Finance Committee for consideration and report.

DEATH BENEFIT FOR MISS MARY L. BLACKWELL

(45) I regret to report that Miss Mary L. Blackwell, Clerk in the Department of Chemistry, died on April 7. She had been in the employ of the University since September 1, 1912, and had been on leave of absence without pay since September 16, 1929, on account of illness. The death benefit allowance in her case is fifty per cent of her salary or \$630.

I recommend that an appropriation of \$630 be made from the Reserve and Contingent Fund and that the Comptroller be authorized to make payment to Miss Blackwell's designated beneficiary.

On motion of Mrs. Evans, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher, Mr. Simpson.

PERMISSION TO CONSTRUCT TENNIS COURTS

(46) A request from the Athletic Association, transmitted by Professor White for Director Huff, for permission to construct, at the expense of the Association, six concrete tennis courts west of the Library and south of Armory Avenue.

On motion of Mr. Trees, this construction was authorized.

TIME OF MAY MEETING

On motion of Dr. Noble, it was voted to hold the May meeting at the University, in Urbana, at 10 o'clock a.m. on Friday, May 9, 1930.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 9, 1930

The May meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a.m. on Friday, May 9, 1930. The following members were present: President Barr, Mr. Armstrong, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 9, 1930, and of the meeting of the Executive Committee of April 10, 1930.

On motion of Mr. Trees, the minutes were approved and received for record as printed on pages 555 to 578 above.

AMENDMENTS TO BY-LAWS

President Barr presented drafts of amendments to Articles IV and V of the By-Laws of the Board, to provide for a standing committee on patents, and to make the term of the President of the University indefinite in accordance with the present law of the State. These amendments were adopted later in the day (see page 590).

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPOINTMENTS TO THE FACULTY FOR 1930-31

- (1) I request approval of the following major appointments to the staff for 1930-31.
1. Dr. Royal Ewert Montgomery, at present a lecturer at the University of Chicago, to be Assistant Professor of Economics for one year beginning September 1, 1930, at a salary of \$3,000 a year.
 2. Dr. C. W. Stillwell, a graduate of Cornell University and at present doing research work at the University of Illinois, to be Associate in Chemistry for one year beginning September 1, 1930, at a salary of \$2800 a year.
 3. Dr. R. H. Lounsbury, at present Associate Professor of Economics at Lawrence College, to be Instructor in Economics for ten months beginning September 1, 1930, at a salary of \$2400 for the period.
 4. Dr. Sybil Woodruff, Assistant Professor of Home Economics at the University of California, to be Assistant Professor of Home Economics, in the College of Agriculture, and Assistant Chief in Foods, in the Agricultural Experiment Station for one year from September 1, 1930, at a salary of \$3500 a year.

On motion of Mrs. Evans, these appointments were approved.

LEAVE OF ABSENCE FOR PROFESSOR A. G. ANDERSON

- (2) A request from Associate Professor A. G. Anderson of the Department of Business Organization and Operation, concurred in by the Head of the Department and the Dean of the College of Commerce, that he be given leave of absence during the academic year 1930-31 without pay. Professor Anderson wishes to spend the year in doing research and finishing work for his doctorate.

I recommend that this leave be granted.

On motion of Mr. Trees, this leave was granted.

APPOINTMENTS OF ACTING DEAN OF THE COLLEGE OF EDUCATION AND DIRECTOR OF THE SUMMER SESSION

- (3) A report that I have asked Dr. W. S. Monroe, Professor of Education and Director of the Bureau of Educational Research, to take over the work of the Dean of the College of Education for the rest of the academic year and that I have asked Dr. Edward H. Cameron, Professor of Educational Psychology, to take over the Directorship of the Summer Session.

I request approval.

On motion of Mrs. Grigsby, this action was approved.

APPOINTMENT OF DONALD PORT AYRES AS PLYM FELLOW

- (4) A recommendation from the Plym Fellowship Committee, concurred in by the Dean of the College of Engineering, that Mr. Donald Port Ayres, who graduated in February, 1929, be appointed the seventeenth Francis J. Plym Fellow in Architecture.

I recommend approval.

On motion of Mr. Armstrong, this appointment was approved.

APPROPRIATION OF PURNELL RESERVE FUND

- (5) In the budget for the present year a portion of the Purnell Fund was set aside as a contingent fund and reserve subject to appropriation later. The Dean of the College of Agriculture now requests that this contingent reserve fund be appropriated as follows:

To Agricultural Economics Purnell Expense and Equipment....	\$33 45
Animal Husbandry Purnell Expense and Equipment.....	200 16
Dairy Husbandry Purnell Expense and Equipment.....	300 00
Farm Organization and Management Purnell Expense and Equipment.....	1 730 00
Home Economics Purnell Expense and Equipment.....	2 900 00
Horticulture Purnell Expense and Equipment.....	67 50

I recommend approval.

On motion of Mrs. Grigsby this fund was appropriated as recommended, by the following vote: Aye, President Barr, Mr. Armstrong, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

PAYMENT FOR ARCHITECTURAL SERVICES ON THE MEDICAL AND DENTAL LABORATORIES

(6) A statement from Granger & Bollenbacher, Architects, of the balance (\$24,000) due them to date for professional services rendered on plans for the new building for the Colleges of Medicine and Dentistry in Chicago. The Supervising Architect, who sends in the statement, recommends payment, the amount to be charged to the State appropriation for the new building. I concur.

On motion of Mrs. Evans, the payment of this bill was authorized.

REBATE ON ASSESSMENT OF SCOTT SANITARY SEWER

(7) A report from the Comptroller of the payment of \$643.81 from the City of Champaign as final payment of the rebates on the special assessment on the Scott Sanitary Sewer. A previous payment of \$136.92 on this assessment was received earlier in the year and reported to the Board on February 5, 1930 (Minutes, page 512).

This report was received for record.

SPECIAL ASSESSMENT AGAINST UNIVERSITY PROPERTY IN CHICAGO

(8) As previously reported (Minutes, September 18, 1929, page 358; November 15, 1929, page 435; February 15, 1930, page 515) a notice was received last September of an assessment against the University on account of its Chicago properties for a proposed system of sewers on the west side of Chicago, north of Harrison Street. The original total assessment on all of the University properties involved was \$2,745.60, payable in five annual installments with five per cent interest. In accordance with the instructions of the Board, I directed the Legal Counsel to notify the assessors that while the University is not bound, under the law, to pay such assessments, the Board of Trustees has always taken the ground that it would not stand in the way of public improvements, and that it would voluntarily accept its share of this assessment on condition that if assessments for this improvement which were protested were reduced, the University's share would be correspondingly reduced.

A report was made at the February meeting of a conference between the Legal Counsel and the Special Assistant Corporation Counsel of Chicago in charge of the law suit concerning this matter, at which an understanding was reached that the University would receive the benefit of reductions.

The Legal Counsel reports that, owing to protests by a large number of property owners, the Court ordered a reduction of approximately twenty per cent. The original assessment against the University is, therefore, reduced by \$549.15 to \$2,196.45.

The Legal Counsel is of the opinion that, in view of all the circumstances, the amount indicated would be fair.

The Supervising Architect and the Comptroller recommend, and I concur, that this assessment be accepted; I recommend further that the amount of the assessment be charged to the State Appropriation for Improvements Other Than Buildings and that it be so included in the budget, and that the Comptroller be authorized to make the payment to the City of Chicago.

On motion of Mr. Fisher, these recommendations were adopted.

**ESTIMATES OF COST OF PUBLIC-IMPROVEMENT PROJECTS
IN URBANA**

(9) The Supervising Architect submits the following estimates, prepared by the City Engineer of Urbana, of the cost of certain public-improvement projects in which, in his opinion, the University should cooperate.

The Mayor of Urbana, in conference with me, requested the cooperation of the University in these matters:

*PUBLIC IMPROVEMENTS PROPOSED BY THE MAYOR AND CITY
ENGINEER OF URBANA SUBMITTED MARCH 13, 1930*

1. Lincoln Ave. Storm drain from U. of I. outlet through Forestry to Boneyard		
820 feet of 48 inch pipe		
1750 feet of 51 inch pipe		
285 feet of 54 inch pipe		
Total estimated cost	\$41 622	
University share on basis of tributary area		\$26 805
2. Paving University Ave. along Illinois Field 57 feet wide and Romine St. from University Ave. to Main St. 37 ft. wide		
Total cost	24 962	
University share on frontage basis		13 854
3. Paving Mathews Ave. 33 ft. wide with concrete from Springfield Ave. to south limit of present paving		
Total cost	46 701	
University share on frontage basis		27 670
4. Paving Springfield ¹ Ave. from Wright to Mathews 37 ft. wide, and Romine St. from Springfield to Main St. 37 ft. wide		
Total cost	26 230	
University share on frontage basis		18 295
		<hr/>
		\$86 624

I recommend that these estimates be received for record with the statement that the Board approves participation in projects 1, 2, and 3 if means permit.

On motion of Mr. Trees, the following resolution was adopted.

WHEREAS, the City of Urbana, Illinois, desires to improve Mathews Avenue, University Avenue, and Romine Street by the construction of new pavements; and

WHEREAS, the Board of Trustees of the University of Illinois finds that these improvements will be to the best interests of the University; therefore

BE IT RESOLVED that the Board of Trustees of the University of Illinois hereby accepts the assessments against University property for these paving improvements (as described above for University Avenue and Romine Street, \$13,854, and for Mathews Avenue, \$27,670) at an estimated total amount of \$41,524, subject to any rebates which may be properly due after the completion of the improvements;

AND BE IT FURTHER RESOLVED that the Board is favorable to the proposed Lincoln Avenue storm drainage system.

¹This item need not be given serious consideration at this time inasmuch as Champaign has not gone ahead with plans to pave its Springfield Avenue. (See letter of J.M.W., 3-21-1930.)

COST OF WRIGHT STREET PAVEMENT

(10) A report from the Supervising Architect that the University's share of the assessment for the paving of Wright Street as it has now been distributed is \$68,139.19.

In order to enable the city to dispose of the bonds to be issued on account of this improvement, I recommend adoption of the following resolution:

WHEREAS, the City of Champaign, Illinois, desires to improve Wright Street adjacent to University property by a new and wider pavement and suitable system of drainage; and

WHEREAS, the Board of Trustees of the University of Illinois finds that this improvement will be to the best interests of the University; therefore

BE IT RESOLVED that the Board of Trustees of the University of Illinois hereby accepts the assessment against University property for this improvement at an estimated amount of \$68,139, subject to any rebates which may be properly due after the completion of the improvement.

On motion of Mr. Fisher, the foregoing resolution was adopted.

USE OF UNIVERSITY PROPERTY

(11) A recommendation from the Council of Administration concerning rules governing the use of University property by outside parties.

On motion of Dr. Noble, action on this matter was deferred until the next meeting of the Board.

PAYMENT OF FEES

(12) A recommendation that the following regulation governing the payment of fees be adopted to supersede existing regulations:

"Fees assessed for any semester are due and payable in full when the student registers. Tuition fees in the professional departments of Medicine, Dentistry, Pharmacy, and Law are payable in two equal installments at the time of registration for the first and second semesters respectively."

On motion of Dr. Noble, this rule was adopted, and the Comptroller was authorized to permit the deferring of payment in accordance with his present practice.

GIFTS TO THE UNIVERSITY

(13) The following report of gifts received by the University:

1. From the F. C. Huyck & Sons Company of Albany, New York, an offer of \$1200 to establish a research fellowship, to be designated "The Frank J. McGovern Research Fellowship," for the fundamental study of the structure of woolen fibers by x-ray diffraction and related methods in the Department of Chemistry for the academic year 1930-31.

2. From the Western Electric Company of Chicago, a Brown and Sharpe Universal Milling Machine (No. 2-A), valued at \$500, for the use of the College of Engineering.

3. From the Chemical Foundation of New York, \$1000 for research work on high-pressure gas reactions.

4. From the Standard Brands Incorporated Company of New York, an offer of \$1000 to be used by Professor Lloyd Arnold of the Department of Pathology and Bacteriology, in his work on "The Antiseptic Properties of the Skin." This money is to be used for supplies, equipment, and temporary help and the company agrees to give the money unconditionally and to comply with the policies of the University regarding research problems.

5. From Mead, Johnson, and Company of Evansville, Indiana, the sum of \$475 to carry on the research work on irradiated ergosterol which was begun last year pursuant to a gift of \$5300 for the establishment of a fellowship for this study (Minutes, January 9, 1929, page 118).

6. The following gifts have been received, as indicated, from the Scherzer Rolling Lift Bridge Company and the American Railway Engineering Association in support of experiments by Professor W. N. Wilson, Department of Civil Engineering, to determine allowable bearing pressure on the edge of large rollers:

The gift of the Scherzer Company in 1929 was reported to the Board on September 18, 1929 (Minutes, page 366). The other gifts have not hitherto been reported. The foregoing, therefore, constitutes a complete record of the gifts received for this investigation.

7. The following botanical specimens for the University Herbarium:

- 20 specimens, plants of Honduras and Salvador,
Value \$5.00
Field Museum, Chicago, Illinois
- 95 specimens, from Block Island, R. I.,
Value \$10.00
William Trelease
- 300 specimens, plants of Texas and Illinois,
Value \$30.00
E. R. Bogusch, Assistant in Botany, University of Illinois
- 420 specimens, Piperaceae of South America,
Value \$84.00
Smithsonian Institution, Washington, D. C.

I have authorized the acceptance of these gifts.

This report was received for record.

GIFT OF MR. ROBERT F. CARR FOR RESEARCH WORK ON ALLERGY

(14) On February 20, 1930 (Minutes, page 530), I reported that the Honorable Robert F. Carr had given the University the sum of \$900 for research work on allergy (asthma, hay fever, etc.) in the College of Medicine. I should have added that this was the first payment on a gift of \$1800 made by Mr. Carr, the balance to be paid six months later.

This report was received for record.

COOPERATIVE INVESTIGATION OF OIL-SULPHUR COMBINATIONS AS INSECTICIDES AND FUNGICIDES

(15) A request from the Dean of the College of Agriculture and the Head of the Department of Horticulture for approval of an agreement with the Crop Protection Institute, whose headquarters are at Durham, New Hampshire, for a cooperative investigation to determine the insecticidal and fungicidal effects of certain oil-sulphur combinations by the Agricultural Experiment Station. This agreement is drawn for a period of one year beginning May 1, 1930, with a provision that it may be extended for additional periods. The Institute agrees to pay \$4,000 for the expenses of this investigation, \$1,000 being payable at once and the balance in installments of \$1,000 each payable on August 1, 1930, November 1, 1930, and February 1, 1931.

I recommend approval of this agreement.

On motion of Mr. Armstrong, this agreement was approved.

EXTENSION OF COOPERATIVE AGREEMENTS

(16) A recommendation from the Dean of the College of Engineering that the following agreements for cooperative investigations be extended:

1. Agreement with the Western Brick Company for an investigation of Concrete made with Light Aggregate. This agreement became effective on June 1, 1929, and will expire June 1 of this year. The Company has paid in a total of \$5,000 to cover

the expenses of this investigation and there is at present a balance of \$937.50 on hand. The Company does not intend to make any further payments.

2. Agreement with the National Brick Manufacturers' Association for an investigation of the Drying of Clay Wares. This original agreement was entered into in November, 1925, and was for a period of one year. It was renewed in March, 1927, for one year. The Association has paid in a total of \$5,475.00 since the investigation was started and has recently sent in an additional check for \$100 to complete the work of the investigation.

I recommend that these agreements be extended, and that the investigations be permitted to continue for such time as there are funds available, but not to exceed one year from June 1, 1930, in the first case and no longer than October 31, 1930 (as recommended by the Dean), in the second case.

On motion of Mr. Fisher, these recommendations were adopted.

LEASE OF LAND NEAR GRANITE CITY FOR AGRICULTURAL AND EXPERIMENTAL PURPOSES

(17) A report that I have authorized the Comptroller and Secretary to execute a lease with Mr. Louis Buenger of Granite City for a small tract of land (approximately one twenty-fifth of an acre) for a period of three years at a rental of \$5 a year for certain agricultural experiments which the Department of Agriculture is conducting in that part of the State.

On motion of Mr. Armstrong, this action was confirmed.

PURCHASE OF LABORATORY GLASSWARE

(18) A request from the Comptroller for authority to purchase from E. H. Sargent and Company 134 cases of Pyrex laboratory glassware at a net total of \$2561.76 for use in various laboratories of the University, particularly chemistry. The following quotations were secured by the Purchasing Agent on this glassware:

E. H. Sargent and Company.....	\$2561	76
Henry Heil Chemical Company.....	2568	65
Schaar and Company.....	2565	75
Wilkins Anderson Company.....	2566	21
A. Daigger and Company.....	2564	24
Chicago Apparatus Company.....	2564	38
W. M. Welch Manufacturing Company.....	2628	14

The supply to be ordered represents a quantity on which the maximum discount can be secured and will provide for our needs for approximately four months. Provision for the purchase of this equipment has been made in the budget of the various departments concerned.

I recommend approval.

On motion of Mrs. Evans, this purchase was authorized as recommended.

PURCHASE OF COAL FOR THE CHICAGO DEPARTMENTS

(19) The Purchasing Agent has secured the following quotations on coal for the College of Medicine and the School of Pharmacy (approximately fifteen hundred tons of Pocahontas Mine Run) for the year beginning June 1, 1930:

Western Fuel Company		
(To August 1, 1930).....	\$6	00 N. T.
(After August 1, 1930).....	6	35
Crevar Clinch Coal Company.....	6	40
E. L. Hedstrom Coal Company.....	6	40
Consumers Company.....	6	45
Burge Bros. Coal Company.....	6	49

The Supervising Architect and Comptroller recommend that a contract be made with the Western Fuel Company in accordance with their quotation of \$6.00 per ton up to August 1, 1930, and \$6.35 per ton thereafter. Experience with this company indicates that the quality of coal supplied and their ability to give good service are satisfactory.

I recommend approval.

On motion of Mr. Armstrong, this recommendation was adopted.

This report was received for record.

AUDIT OF UNIVERSITY ACCOUNTS

(21) The report from Arthur Young & Company, accountants and auditors of Chicago, of their audit of the accounts of the University for the quarter ending March 31, 1930.

On motion of Mr. Armstrong, this report was referred to the Finance Committee for consideration and report.

PROPERTY ADJOINING RESEARCH AND EDUCATIONAL HOSPITAL

(22) A communication from Mr. Abraham Lidsky, attorney for property holders adjoining the grounds of the Research and Educational Hospital, concerning the sale of this property.

On motion of Dr. Noble, this communication was referred to the State Department of Public Welfare.

RELEASE OF PATENT RIGHTS ON PROCESS FOR THE MANUFACTURE OF ANTITOXINS

(23) For some time Dr. William H. Welker, Professor of Physiological Chemistry, has been studying processes for the refining and concentration of antitoxin sera which will eliminate serum sickness reactions. The Dean of the College of Medicine reports that there has been no laboratory experimentation bearing directly upon the problem and that whatever has been done has been published in scientific journals. Doctor Welker's discovery is still in the experimental stage and its development, in order to make it available for public use, will require the services of a competent manufacturing organization. Since the discovery involves merely an idea and no laboratory experimentation, the Dean is of the opinion that equity in the patent should rest entirely with Professor Welker. Doctor Welker had proposed to take out a patent and to assign it to the University merely in order to give the University the fullest possible credit.

On motion of Dr. Noble, this matter was referred to the Committee on Patents.

PURCHASE OF PUMPS FOR FILTRATION PLANT

(24) The Comptroller submits the following quotations secured by the Purchasing Agent for the purchase of three pumps with motors for the new Filtration Plant:

	1 3000 gal.	2 1500 gal.	
	12" pump	10" pumps	
Allis-Chalmers Mfg. Co.....	\$1 239 00	\$1 537 00	FOB Milwaukee
Aurora Pump Company.....	1 309 00	1 685 00	FOB Aurora, Ill.
Fairbanks Morse Company.....	1 279 00	1 928 80	FOB Three Rivers, Mich.

The Supervising Architect recommends the purchase of this equipment from the Allis-Chalmers Manufacturing Company of Milwaukee at the price indicated. The cost will be charged to the appropriation for a filtration plant.

I recommend approval.

On motion of Mr. Trees, this purchase was authorized as recommended.

PURCHASE OF LABORATORY MATERIALS

(25) A request from the Comptroller for authority to purchase laboratory materials for the General Chemical Storeroom for the year 1930-31. These materials will be issued to the various departments, chiefly the Department of Chemistry, by the Storeroom, and the cost will be charged to the departments using them. It is necessary to make the purchases at this time to be assured of delivery by the opening of the fall semester. In accordance with our practice the Comptroller secured competitive quotations on this material. Where our requirements are for standard apparatus, the reward will be made to the low bidder; where optional equipment has been offered, the quality of manufacture and design and the adaptability of the material for requirements has been taken into consideration in addition to the price. Samples were obtained and carefully inspected in advance.

The Comptroller recommends that purchases be made from the following firms at the prices indicated:

Rascher and Betzold, Chicago.....	\$1 854 42
E. H. Sargent and Co., Chicago.....	2 654 80
Schaar and Company, Chicago.....	1 404 68
W. M. Welch Scientific Co., Chicago.....	1 111 86
A. Daigger and Company, Chicago.....	1 953 43
Wilkens Anderson Company, Chicago.....	218 80
Glasco Products, Chicago.....	183 00
Henry Heil Chemical Co., St. Louis.....	72 50
Central Scientific Co., Chicago.....	640 37
Chicago Apparatus Co., Chicago.....	790 15

\$10 884 01

I recommend approval.

On motion of Mrs. Evans, these purchases were authorized as recommended.

PURCHASE OF MILITARY UNIFORMS

(26) The War Department has announced a new plan for the issue of uniforms and commutation in lieu of uniforms effective at the beginning of the next academic year.

The Commandant and the Comptroller recommend that the following plan be adopted:

"Each student entering the advanced course in his third year shall make the regular deposit of \$15, as now required.

Each student on registering in the course will be required to sign an agreement to the effect that he will deposit with the University out of his first check from the Government for commutation of rations, the sum of \$20. This check will be received early in January. The University will thus have a guaranty deposit of \$35 against the payment of the balance of the commutation, and to cover other equipment issued to the students. In the meantime the University will have received payment from the Government for the first installment of \$20 on the uniform. At the end of the year, a refund of the \$15 deposit will be made, less any equipment not accounted for and the remainder carried forward to the succeeding year.

When the student registers the succeeding year and the second installment of the commutation is received from the Government, a refund of \$5 will be made the student out of the balance retained on his account; the remaining \$15 is carried through the second year as the usual deposit. If the student does not reregister for the senior year, the balance due on the uniform will be charged to his deposit."

There are approximately four hundred students in the advanced course and the total cost of the uniforms will therefore be approximately \$16,000. Half of this amount can be collected by the time it is necessary to pay for the uniforms and the remainder must be advanced pending the collection of a full guaranty fund from the students as above outlined. Since there will be on hand deposits made by *all* students in military, amounting to approximately \$50,000, money for the purchase of these

uniforms can be advanced from this fund until sometime in January when settlement is made with the students.

I recommend that the procedure outlined above be authorized.

On motion of Mrs. Grigsby, this procedure was authorized as recommended.

EMPLOYMENT OF MR. D. C. SPRINKLE CONTINUED

(27) A recommendation that the employment of Mr. D. C. Sprinkle, Laborer in the Department of Horticulture, be continued beyond the retiring age, for one year beginning September 1, 1930.

On motion of Mr. Fisher, this continuation was authorized.

RETIREMENT OF MISS ISABEL BEVIER

(28) A recommendation from the Dean of the College of Agriculture that Miss Isabel Bevier, Professor of Home Economics, be retired beginning September 1, 1930, with the rank of Professor of Home Economics, *Emeritus*, and a stipend equivalent to that which a member of the staff of her length of service and receiving an equivalent salary would receive under the retiring allowance regulations.

Professor Bevier was on the staff of the University from September 1, 1900, to September 1, 1921, when she was retired without pay at her own request. She returned to active service on February 1, 1928. She reached the retiring age last year but at her request, and on recommendation of all concerned, she was continued in active service for one year. Her retiring allowance under the rules would be \$2,160 a year.

I recommend approval.

On motion of Mrs. Evans, this recommendation was adopted.

APPOINTMENT OF MR. JOSÉ A. BALSEIRO

(29) A recommendation that Mr. José A. Balseiro be appointed Assistant Professor of Romance Languages, for one year beginning September 1, 1930, at a cash compensation of thirty-seven hundred dollars (\$3700).

On motion of Mr. Armstrong, this appointment was authorized.

REFRIGERATION UNIT FOR VIVARIUM

(30) A recommendation from the Supervising Architect that the purchase of one No. 6 Andiffren Refrigerating Unit for the Vivarium at an expense of \$5849 be authorized, to be paid for from Physical Plant Extension funds as provided at the meeting of April 9, 1930 (page 565).

I concur.

On motion of Mr. Fisher, this purchase was authorized.

VACATION EXTENSION FOR DR. DORSEY AND DR. COLBY

(31) A recommendation from Professor J. C. Blair, endorsed by Dean Mumford, that Dr. M. J. Dorsey and Dr. A. S. Colby of the Department of Horticulture, be granted one month extension of vacation, from August 5 to September 5, with pay, to enable them to attend the International Horticultural Congress in London.

I concur.

On motion of Dr. Noble, this extension was granted.

AUTHORITY TO CONFER DEGREES

(32) A request for authority to confer degrees at the coming Commencement as recommended by the University Senate.

On motion of Mrs. Grigsby, this authority was granted.

STOCKHOLDERS IN COMPANY TO PROMOTE BUSWELL PROCESS

Mr. Armstrong, for the special committee on patents, presented the following list of stockholders in the company to promote the Buswell process, as submitted by Mr. Francis N. Bard.

Vincent Bendix, President, Bendix Aviation Corporation, Chicago, Illinois
 Walter J. Buettner, Vice-President, Bendix Aviation Corporation, Chicago, Illinois

R. E. Bard, President, Bard and Company, Chicago, Illinois

R. A. Bard, President, Chicago Investors Corporation, Chicago, Illinois

F. N. Bard, Chairman, Warchel Corporation, Chicago, Illinois

Frank B. Black, Attorney, Chicago, Illinois

Jerome P. Bowes, Jr., President, Bowes & Company, Chicago, Illinois

Carroll E. Gray, Jr., Executive Vice-Pres., Central Illinois Company, Chicago, Illinois

George R. Jones, Vice-President, Public Service Company, Chicago, Illinois

W. L. O'Neill, Vice-President, Bendix Aviation Corporation, and President, Stromberg Motor Devices, Chicago, Illinois

On motion of Dr. Noble, this list was approved.

STANDING COMMITTEE ON PATENTS

On motion of Mr. Trees, it was voted to amend Article IV, Section 6, of the By-Laws of the Board, by inserting the word "Patents" at the end of the section, to provide for a standing committee, of three members, on patents. The vote was as follows: Aye, President Barr, Mr. Armstrong, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

President Barr notified the Secretary, later in the day, that he had appointed to serve on the standing Committee on Patents: Mr. Fisher, Chairman, Mr. Armstrong, Dr. Noble.

TERM OF THE PRESIDENT OF THE UNIVERSITY

On motion of Dr. Noble, Article V, Section 2, of the By-Laws of the Board was amended to read as follows:

SECTION 2. The President of the University shall be elected to hold his office on indefinite tenure, at the pleasure of the Board.

The vote on this amendment was as follows: Aye, President Barr, Mr. Armstrong, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

CARTER-PENNELL REPORT

Mrs. Grigsby, for the Committee on Agriculture, presented the following report.

A meeting of the Committee on the Carter-Pennell Farms was held in the President's Office at 9:35 Friday morning, May 9, 1930, Mrs. Evans and Mrs. Grigsby being present—Mrs. Grigsby acting as Chairman.

The Committee approved the annual report and recommended that it be accepted by the Board of Trustees, and further concurred in the recommendation of the Committee in charge of the farms that \$750 be transferred from the net income to the Carter-Pennell Student Loan Fund.

HELEN M. GRIGSBY
 LAURA B. EVANS

On motion of Dr. Noble, the report of the Committee was adopted, the annual report on the operation of the farms was accepted, and \$750 income from the farms was transferred to the loan fund, by the following vote: Aye, President Barr, Mr. Armstrong, Mrs. Evans, Mr. Fisher, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Simpson.

USE OF PRESENT PRESIDENT'S HOUSE

On motion of Mr. Trees, the officers of the Board were authorized to arrange with President Kinley, on his return from abroad in 1931, for the use of the present President's House, including heat, water, gas, electricity, maintenance, and care of grounds, for a period not to exceed four years, at a rental of \$1500 a year.

President Barr appointed Mr. Armstrong and Mr. Trees a special committee to confer with President Kinley on this matter. The committee reported, after conference with President Kinley, that the arrangement was satisfactory to him.

DR. DAVID KINLEY MADE PRESIDENT EMERITUS

On motion of Mrs. Evans, Dr. David Kinley was made Professor of Economics and President of the University, *Emeritus*, effective July 1, 1930.

On motion of Mr. Trees, President Kinley was granted leave of absence beginning August 1, 1930, with salary at the present rate until August 31, 1931.

ARCHITECT FOR PRESIDENT'S HOUSE

On motion of Mrs. Evans, the Supervising Architect was authorized to arrange for the employment of Mr. Platt for architectural services on the new house for the President, at a compensation not to exceed \$4000.

DATE OF JUNE MEETING

On motion of Mr. Armstrong, it was voted to hold the June meeting at the University, at Urbana, at 10 o'clock a.m. on Tuesday, June 10, 1930.

GRADUATE SCHOLARS AND FELLOWS

The Secretary presented for record the following supplementary list of scholars and fellows in the Graduate School, appointed by the President of the University:

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 3, 1930

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Tuesday, June 3, 1930, pursuant to the following call which was sent out by the Secretary on May 29, 1930:

On the call of the President, Mr. George A. Barr, a special meeting of the Board of Trustees of the University of Illinois will be held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. (Chicago time) on Tuesday, June 3, 1930, to consider such matters as may be presented by the President of the University and the committees of the Board, and such other matters as may be duly presented.

The following members were present: President Barr, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees.

President Kinley was present; also Professor J. M. White, Supervising Architect.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPROPRIATION FOR LEGAL SERVICES

(1) A statement that he had employed legal counsel for special services in connection with the title to some land, the purchase of which is under consideration, with a request that this action be confirmed and that an appropriation of \$100 be made from the Reserve and Contingent Fund to meet the expense.

On motion of Mrs. Evans this action was confirmed and the appropriation was made, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher.

CONTRACT FOR MEDICAL AND DENTAL COLLEGE LABORATORIES

(2) A letter from Granger & Bollenbacher, Architects for the Medical and Dental College Laboratories building, enclosing a schedule of bids and recommending that the contract be awarded to the lowest bidder, the W. E. O'Neill Construction Company, of Chicago.

I concur.

June 3rd, 1930

To The Board of Trustees, University of Illinois

Subject: Selection of General Contractor for Medical and Dental College Laboratories

GENTLEMEN:

We enclose herewith a Schedule of Bids received at 11:00 o'clock a.m. (Chicago time) on May 26th, 1930, in the Library Room of the Research Laboratory and Library Building, for the general work on the Medical and Dental College Laboratories Building.

We recommend that the contract be awarded to the low bidder, the W. E. O'Neill Construction Company of Chicago, on the basis of their bid "A" of \$798,236.00; plus Alternate No. 4 for the Transformer Room, amounting to \$4,200.00; plus Alternate No. 6 for Kalman Floor Company's Burlap Process Cement Finish on floors, amounting to \$9,400.00; making a total contract of \$811,836.00.

We further recommend that the Contract provide for the option of accepting Alternate No. 2 for Kawneer Sash at an additional cost of \$37,000.00; and for the option of accepting the Contractor's proposal of June 2nd for the omission of steel sash at a deduction of \$40,455.00.

This recommendation is based on a careful study of the qualifications of the two low bidders, a summary of which is attached herewith together with substantiating documents.

Very truly yours,
GRANGER & BOLLENBACHER
By J. O. MERRILL

Mr. J. O. Merrill, of Granger & Bollenbacher, was introduced. He made a statement giving the firm's reasons for recommending that the contract be awarded to the W. E. O'Neill Construction Company.

Mr. W. E. O'Neill was introduced. He stated that his firm would be able to complete the building in ten months under present conditions, or in twelve months at the outside, and retired.

On motion of Mr. Simpson, this contract was awarded to the W. E. O'Neill Construction Company, the lowest bidder, as recommended, subject to the approval of the firm's surety bond by the Board.

ORNAMENTAL LIGHTING ON PENNSYLVANIA AVENUE

(3) A letter from the City Attorney and Corporation Counsel of Urbana asking whether the Board of Trustees of the University of Illinois would have any objection to the city's constructing an ornamental lighting system with standards and globes similar to those in use in the City of Urbana along Pennsylvania Avenue, from Lincoln Avenue to the west end of the concrete pavement, and possibly to Fourth Street; and whether the University would be willing to pay any part of the improvement.

On motion of Mr. Trees, it was voted that, since the granting of this request would involve a departure from the policy of the University to provide lighting facilities for its own grounds, it is inexpedient to comply with this request.

PURCHASE OF PAPER TOWELS

(4) A request from the Comptroller for authority to purchase a carload of paper towels at a cost of \$2,035. Provision for this purchase is made in the budget for Physical Plant operation.

I recommend approval.

On motion of Mrs. Evans, this purchase was authorized.

PURCHASE OF LUMBER

(5) A request from the Comptroller for authority to purchase a carload of oak and white pine lumber from the Clark Thompson Lumber Company of Champaign at a price of \$1,504. Competitive quotations were secured by the Purchasing Agent on this material, the Clark Thompson Company's being the low quotation.

I recommend approval of this purchase.

On motion of Mr. Simpson, this purchase was authorized.

PURCHASE OF VACUUM PUMPS

(6) A request from the Comptroller for authority to purchase two vacuum pumps with motor from C. A. Dunham Company, manufacturers of the equipment desired, at a cost of \$1,659. Provision is made in the Physical Plant Extension Budget for the purchase of this equipment.

On motion of Mrs. Grigsby, this purchase was authorized.

APPROPRIATION FOR DEPARTMENT OF ANIMAL HUSBANDRY

(7) A recommendation from the Dean of the College of Agriculture that the unappropriated balance of the agricultural income from the Department of Animal Husbandry for the year ended June 30, 1929, amounting to \$2,795.04, be appropriated to the Department for its Station account.

I recommend approval.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emerson, Mr. Fisher.

EXPENSES OF STAR COURSE

(8) A request for authority to meet the expenses of the Star Course for rental of University buildings, janitor service, etc., for the past two years, amounting to \$2500, from the appropriation for Visiting Professorships, Lectures, and other functions.

On motion of Dr. Noble, this authority was granted.

APPROPRIATION FOR SCHOOL OF MUSIC

(9) A recommendation that an appropriation of \$200 be made from the Reserve and Contingent Fund to the School of Music for expense and equipment for the balance of the current year.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, President Barr, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mr. Fisher.

MAJOR APPOINTMENTS TO THE STAFF FOR 1930-31

(10) I recommend approval of the following major appointments to the staff for 1930-31:

1. Professor Régis Michaud, at present on the staff of Dartmouth College, as Visiting Professor of Romance Languages for one year at a salary of \$7,000 (\$6,000 of his salary will be paid by the Department and \$1,000 from the Fund for Visiting Professorships). I have authorized his appointment since it was necessary to act promptly in order to get him.

2. Professor Guy Allen Tawney, at present Professor of Philosophy at the University of Cincinnati, as Visiting Professor of Philosophy on one-half time for one year from September 1, 1930, at a salary of \$3,000 (to be charged to the Fund for Visiting Professorships).

3. Dr. Griffith Wynne Williams, at present on the staff of Yale University, as Assistant Professor of Psychology for one year beginning September 1, 1930, at a salary of \$3,000. (Dr. Williams will take the place of Dr. E. A. Culler who will be on leave without pay next year).

4. Dr. Virgil R. D. Kirkham, Chief Geologist of the Pacific Exploring Company of New York City, as Assistant Professor of Geology for one year at a salary of \$3500.

On motion of Mr. Trees, these appointments were approved.

LEAVE OF ABSENCE FOR ASSOCIATE PROFESSOR T. E. PHIPPS

(11) A request from Associate Professor T. E. Phipps of the Department of Chemistry for a leave of absence without pay for the academic year 1930-31 for the purpose of study and travel abroad on a Guggenheim Fellowship.

The Head of the Department and the Dean of the College recommend approval, and I concur.

On motion of Mrs. Grigsby, this leave was granted.

LEAVES OF ABSENCE FOR DIRECTOR GEORGE A. HUFF AND MR. FRANK ROKUSEK

(12) A report that I have authorized Director George Huff to leave the University on May 19 for the rest of the academic year and Mr. Frank Rokusek, Instructor in Athletic Coaching, to leave the University on May 24.

On motion of Mr. Armstrong, this action was approved.

UTILITIES RESEARCH COMMISSION GRADUATE ASSISTANTSHIPS IN THE ENGINEERING EXPERIMENT STATION

(13) The Utilities Research Commission offers the University four additional graduate assistantships in the Engineering Experiment Station of \$800 each for the year 1930-31 to take care of the following projects which are now under way:

- Prevention of Corrosion by Flue Gases.
- Treatment of Natural Waters for Ice Making.
- Effect of Products of Gas Combustion on Flues and Chimneys.
- Solubility Studies of Boiler Waters.

I recommend that these additional assistantships be established for the year 1930-31.

On motion of Dr. Noble, this recommendation was approved.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(14) A recommendation from the Dean of the College of Engineering that the following agreements for cooperative investigations be approved:

1. Two agreements with the Chicago Bridge & Iron Works—one for a cooperative investigation of Cylindrical Shells as Columns and the other for a cooperative investigation of Joints in Wide Plates by the Engineering Experiment Station, for a period of two years. The Company agrees to pay the sum of \$1350 a year for each investigation.

2. Agreement with Armour & Company for a cooperative investigation to determine the possible uses of blood albumen in spray materials. This agreement has been drawn for a period of three months beginning June 1, 1930, and the Company agrees to pay the sum of \$500 for the expenses of the investigation.

These agreements are similar in form and character to other agreements of this nature hitherto approved by the Board.

I recommend approval.

On motion of Mr. Simpson, these agreements were authorized. Mr. Trees requested to be recorded as not voting.

EXTENSION OF COOPERATIVE AGREEMENTS

(15) A recommendation from the Dean of the College of Engineering that the following cooperative investigations which are financed by the Utilities Research Commission be continued for one year from July 1, 1930. The present contract covering these investigations expires on June 30:

1. Ageing of Porcelain.
2. Car Axle Failures.
3. Impact of Steel Structures.
4. Testing of High-Voltage Cables.

The contribution of funds for this extended period is to be on the same basis as in the original contract.

I recommend approval.

On motion of Mrs. Evans, the continuation of these contracts was approved.

AWARD OF PLYM SCHOLARSHIP TO JOHN D. JARVIS

(17) A recommendation from the Plym Scholarship Committee, concurred in by the Dean of the College of Engineering, that Mr. John D. Jarvis of the Class of 1929 be awarded the Seventh Plym Foreign Scholarship in Architectural Engineering.

I recommend approval.

On motion of Mr. Trees, this recommendation was approved.

REQUEST FOR BOOKS FROM GEORGETOWN COLLEGE

(18) A few weeks ago the Chapel and Library Building of Georgetown College, Georgetown, Kentucky, burned to the ground destroying some forty-five thousand library volumes. In trying to recoup its loss the institution is appealing to libraries in other colleges and universities for contributions of duplicate copies and other books which they do not need. Director Windsor reports that we could make up a box or two of books from our duplicates and from our own publications which we could send as a contribution.

I recommend that the Library be authorized to do this.

On motion of Dr. Noble, this authority was granted.

IRA O. BAKER PRIZE FUND

(19) The Comptroller writes me concerning the \$300 of the Vancouver Lumber Company First Mortgage seven and a half per cent Gold Bonds, which were presented to the University by Professor I. O. Baker as part of his gift for a prize fund bearing his name, that interest due on these bonds May 1, 1930, has not been paid. He accompanies his letter with a statement from Peabody and Company of Chicago, signed by their Mr. E. W. Skipworth, saying, "It is our understanding plans are being worked out which contemplate no loss to the bondholders." In a circular letter from Peabody and Company to the holders of these bonds is this statement: "We are also informed that there is slight ground for apprehension of the ultimate outcome from your standpoint. There is every reason to believe that the property, upon which the mortgage securing your bonds is a first lien, is reasonably worth more than the mortgage debt.

"We believe inasmuch as under the British Columbia law, no right of redemption exists after the foreclosure sale, the situation can be worked out rather speedily in a satisfactory manner."

This report was received for record.

RESIDENCE HALL PLANS

(20) A recommendation from Professor White that plans be drawn for a U-shaped residence hall to house 200 girls at an estimated cost of \$400,000; the plan to provide for two social units of 100 each and a single operating unit, and that the construction of the north front and the basement stories of the wings be authorized.

On motion of Mrs. Evans, the Supervising Architect was instructed to proceed to make the necessary plans and specifications for this additional unit of the Woman's Residence Halls.

RESIDENCE HALLS FUND

(21) The Comptroller advises me that at the end of the present semester our Residence Halls Fund will be about \$215,000. He writes that "unless some large expenditure is contemplated this summer it would be desirable to invest a substantial portion of this balance." He advises the investment of approximately \$200,000. I recommend that this matter be referred to the Finance Committee for consideration and report at the next meeting.

On motion of Mr. Armstrong, this matter was referred to the Finance Committee for investigation and report at the next meeting of the Board.

UTILITIES FOR ORGANIZATIONS

(22) The President reported that according to his understanding of the Board's wishes he had advised one of the organizations near the campus that the Board thinks it advisable to ask them to withdraw from the present relationship whereby they use University heat, electricity, and water, at as early a date as they can conveniently adjust their physical plant to supply their own needs.

On motion of Dr. Noble, this action was approved.

PRESIDENT'S SCHOLARSHIP

(23) I recommend that the Board authorize the President of the University to offer a scholarship similar in character to the County Scholarships and subject to the same regulations to any one of the students, candidates for the scholarship offered by Mr. Thomas Edison, who succeeded in passing the preliminary examination and the intelligence test and came up for the examination by the Committee in Springfield on May 24.

On motion of Dr. Noble, this scholarship was authorized.

WIDTH OF PAVEMENTS IN URBANA

(24) A letter from the Mayor of Urbana concerning the width of the proposed pavements on University Avenue and Romine Street, in Urbana.

On motion of Mr. Trees, this matter was referred to the President of the University, with power to act.

RADIO STATION

(25) A statement concerning the University Radio Station.

No action was taken on this matter.

FEES FOR CERTAIN WORK IN MEDICINE

(26) A recommendation that the following fees be established in the College of Medicine.

1. The College of Medicine is authorized to inaugurate an out-patient lying-in service in connection with the Research and Educational Hospital;
2. Each patient when registering shall be given a package of the necessary supplies for which a charge of \$2 shall be made;
3. Each patient receiving the service, except the strictly charity cases, shall be charged a fee of \$10;
4. Each student registering for the course which requires out-patient, lying-in training shall pay a fee of \$15.

On motion of Mr. Simpson, this recommendation was adopted.

The Board adjourned.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 9, 1930.

On motion of Mr. Blair, the minutes were approved as printed on pages 579 to 592 above.

TRIBUTE OF STUDENTS TO PRESIDENT KINLEY

Mr. Blair read the following tribute presented by the students of the University to President David Kinley. On motion of Mr. Blair, the Secretary was instructed to incorporate this tribute in the minutes of the Board.

TO:

DAVID KINLEY

PRESIDENT OF THE UNIVERSITY OF ILLINOIS

The students of the University, through us their representatives, present to you this scroll as you are about to retire from the Presidency of the University after your long and eventful period of devoted and distinguished service as Professor, Dean, and President.

We would express our deep appreciation and gratitude for your unremitting and watchful care for our best welfare.

We would convey to [you] our abiding esteem, our best wishes and our hope to share in forwarding the great work for the University to which you have so nobly and generously given these many fruitful years.

HENRY W. MEERS

President of the Student Council

VERNON L. KRETSCHMER

President of the Illinois Union

ELIZABETH DEBERARD

President of the Woman's League

REPORT OF AUDIT

On motion of Mr. Trees, the following report of Arthur Young & Company of their audit of the accounts of the University was accepted.

May 2, 1930

Board of Trustees, University of Illinois

DEAR SIRs:

We have audited the books of the University of Illinois for the quarter ended March 31, 1930, and submit the following brief summary of the work done and the result of the audit.

The Cash Receipts have been verified by checking all cash receipts vouchers into the cash book and examining a substantial portion of the original departmental records. Cash received as recorded has been duly deposited with the University Treasurer. The warrants drawn on the University Treasurer and those certified to the State Auditor have been checked into the cash book and a substantial portion of the supporting vouchers has been examined with respect to authorization, object of expenditure and receipt of goods or services by the University. The footings of the cash book have been proved.

The Cash Balance in the hands of the University Treasurer as at March 31, 1930, together with the Securities in his custody, as shown by the books of account, have been verified by actual inspection and confirmation from the depository. Cash on hand has been verified by actual count.

The Income for the quarter under audit has been verified by extensive detail checking and comparison with the files of the Registrar and of the various operating departments. Income on securities was found to have been promptly collected and deposited with the University Treasurer.

The accounts of the Chicago Departments and of the Stadium Fund have been audited along the lines indicated above and have been found correct.

The records of the meetings of the Board of Trustees of January 7, February 5, and March 11, 1930, as well as of the meeting of the Executive Committee of the Board of Trustees, held on March 21, 1930, have been examined and all actions affecting the finances of the University, in so far as they had been consummated up to the time of our audit have been checked into the books of account. A similar examination has been made of the minutes of meetings held prior to the quarter under audit with respect to transactions uncompleted at the time of previous audits.

The records of the Purchasing Division have been examined and a number of the larger purchase orders issued have been compared with relative bids and quotations. Bids and contracts on new buildings under construction have likewise been examined and checked against the amounts reported to the Board.

We hereby certify, that so far as we have been able to ascertain by an extended detail examination:

All Income which the University should have received during the quarter ended March 31, 1930, has been received and duly accounted for.

All Disbursements have been made for University purposes and have been properly authorized and the expenditures have been correctly recorded in the books of account.

The Cash and Securities as shown by the books at March 31, 1930, are correct in amount and have been verified by actual inspection, count or confirmation from the depository.

The Report of the Comptroller to the Board of Trustees for the quarter ended March 31, 1930, a copy of which is attached hereto, is in accordance with the books and, in our opinion, is correct.

The Financial Report of the Comptroller to the Governor of the State of Illinois, for the period beginning July 1, 1929, and ended March 31, 1930, is in accordance with the books and, in our opinion, is correct.

Yours faithfully,
ARTHUR YOUNG & Co.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 19, 1930

The adjourned session of the June meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Thursday, June 19, 1930. The following members were present: President Barr, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Simpson, Mr. Trees.

President Kinley was present; also Professor Lloyd Morey and Professor J. M. White.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of June 3 and June 10, 1930.

On motion of Dr. Noble, the minutes were approved as printed on pages 593 to 609 above.

LETTER FROM PRESIDENT KINLEY

The Secretary presented the following letter from President Kinley.

June 18, 1930

Mr. H. E. Cunningham, Secretary, Board of Trustees

DEAR MR. CUNNINGHAM:

This is to give you a written acknowledgment for record of my appreciation of the action of the Board at the meeting of May 9 in offering me the use of the present President's House for a period not to exceed four years at a rental of \$1500 a year after my return in 1931 and to say that I accept said offer with appreciation and thanks.

I desire also to put on your record my expression of appreciation and gratitude for the generous action of the Board in giving me leave of absence beginning August 1, next, with continued salary.

Very truly yours,

DAVID KINLEY
President

On motion of Dr. Noble, this letter was received for record.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

RECEIPT FOR SECURITIES, TAFT FUND

(1) A receipt from Mr. H. S. Capron, Treasurer, for securities given by the Alumni Fund for the Taft Lectureship Fund.

CHAMPAIGN, Illinois
June 18th, 1930

Received of David Kinley, President of the University of Illinois at Urbana, Illinois, the following described bonds:

\$2 500 00	Central Maine Power Company First and Gen. Mtg. Series C $5\frac{1}{2}\%$ of 1949 Nos. CD38, CM796/7 Aug. 1, 1930, and subsequent coupons attached.

HAZEN S. CAPRON
Treasurer, University of Illinois

This receipt was received for record.

TAFT LECTURESHIP FUND

(2) Supplementing the list of donors to the Taft Lectureship Fund, submitted at the meeting on June 10, 1930, I report the name of Mr. Merle J. Trees.

This report was received for record.

THE LORADO TAFT LECTURESHIP ON ART

(3) The amount of \$26,406.50 having been raised by the contributions of a number of people for the purpose of endowing a lectureship on art to be known as The Lorado Taft Lectureship on Art, I recommend the adoption by the Board of the following provisions for the management of this Fund and Lectureship:

1. The contributions to the Fund having been made with the distinct understanding that the amount raised was to be held as a perpetual trust for the capital endowment of the Lectureship, the Board of Trustees hereby pledges itself to observe this condition by investing the funds from time to time in such securities as will, in its judgment, be proper for the purpose and in accordance with the statutes of the State.

2. This endowment shall be known as The Lorado Taft Lectureship on Art.

3. The income of the endowment shall be used to provide a series of lectures each year by one or more persons eminent in some field of art, and, if deemed desirable, to publish said lectures, or some of them, from time to time, and for no other purpose.

4. The lecturer or lecturers of each year shall be selected by the President of the University on recommendation of a committee of the Faculty of the Departments of Art and Architecture to be appointed by the President from year to year. This committee may include, at the President's discretion, one or more artists of reputation outside the University. However, the invitation to deliver the first series of lectures shall be extended to Mr. Taft himself.

On motion of Mr. Trees, these regulations were adopted.

STATEMENT CONCERNING DEAN KETCHUM

(4) There is considerable uncertainty as to whether Dean Ketchum will be able to resume his duties in September. I recommend that the position of Dean of the College of Engineering be kept open until it becomes evident whether or not Dean Ketchum will be able to carry on the work of the office and not later than September 1, and that if in the opinion of the President of the Board and the President of the University he should not prove able to do so he be given a leave of absence on half-pay for the first semester of the next academic year.

On motion of Mr. Fisher, this recommendation was adopted.

**ASSIGNMENT FROM MUTUAL BENEFIT HOSPITAL FUND TO
MCKINLEY HOSPITAL**

(5) The Trustee of the University of Illinois Mutual Benefit Hospital Fund offers the sum of \$4,000 from that fund to the McKinley Hospital for equipment. I recommend that this assignment be accepted for the purchase of equipment, but that the equipment to be purchased be referred with power to act to Dr. Noble and the President of the University.

On motion of Mrs. Evans, this recommendation was adopted.

REAPPROPRIATION OF UNEXPENDED BALANCES

(6) A recommendation from the Comptroller that the following balances from the year 1929-30 be reapportioned as of July 1, 1930, to cover the expenses of work and transactions which will not have been completed by June 30. the close of the fiscal year.

BUDGET FOR 1930-1931

(9) I submit the budget for the fiscal year beginning July 1, 1930, and the academic year beginning September 1, 1930, with the request that it be approved and that the President of the University be authorized to make such changes and adjustments as may be necessary, to make such additional appointments as are necessary, and to accept resignations offered, in accordance with the needs of the University and the equitable interests involved.

On motion of Dr. Noble, the budget was approved, and authority was granted to the President of the University, as requested, by the following vote: Aye, President Barr, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Emmerson, Mrs. Grigsby.

Explanatory Notes

Departmental appropriations are made under the captions "Salaries" and "Expense and Equipment." Unless otherwise indicated, no transfers may be made between these appropriation captions except with the approval of the President of the University.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1. All balances lapse at the end of the term indicated or at August 31.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against for services of employees temporarily engaged to do the work contemplated by the position and for no other purpose. When appointments are made at salary rates less than the amounts provided in the budget, the unused funds will not be available for use except with the approval of the President.

Appropriations for Expense and Equipment are available for one year beginning July 1 and ending June 30. These appropriations are based on an estimated distribution of expenditures according to the various budget classifications of "Wages, Office Expense, etc." Expenditures must be made in approximate accord with that distribution, material departure from which must be approved in advance by the Dean of the College concerned, the Director of the general department concerned, or the corresponding general officer, and in all cases by the Comptroller. All unencumbered balances in these appropriations lapse June 30.

The Salary Budget

Unless otherwise indicated in the Budget:

1. All appointments begin September 1, 1930.
2. C.S. (Civil Service) appointments are for one year. Appointees to stenographic and clerical positions are assigned to departments at the convenience of the University. The University reserves the right to change such assignments during the year if the needs of the University and of the departments require such action.
3. Salaries of positions of the rank of Associate and above are paid in twelve equal monthly installments. Salaries of other ranks, in ten equal monthly installments.
4. The service required in all positions in experiment stations and bureaus of research, and in research positions in other departments, is for a full year of twelve months, with allowance of one month for vacations, and salaries are paid in twelve equal monthly installments.
5. The service required in all other positions—administrative, clerical, and service positions—is for a full year of twelve months, with allowance for vacations, and salaries are paid in twelve equal monthly installments.

¹The \$25 000 State Appropriation for the fiscal year July 1, 1930-July 1, 1931, will be paid by the State Department of Agriculture on the salaries of the county home advisers following monthly certification for salary by the Director of Extension.

²The \$11 100 Cooperative Demonstration Fund appropriated by the United States Department of Agriculture will be paid directly to the farm advisers through the Extension Service by the United States Treasury Office as follows:

37 Advisers @ \$300	\$11 100
An additional amount of \$200 is available to cover the cost of penalty envelopes and cards for the farm and home advisers, which are purchased by the United States Department of Agriculture and shipped to Illinois.	\$ 200
Total United States Department of Agr. Fund	\$11 300

³To be increased in June 1931 if any balances are available due to unused salaries accruing from vacancies in the counties. (This does not mean any increase in the salaries of the farm advisers, but an increase in the amount of the advisers' salary paid from federal funds.)

⁴Unused balances in salary budget items may be transferred to expense and equipment budget by the Director.

⁵Salary includes \$700 each for auto expense @ 7c per mile actually travelled.

⁶Part salary.

EXPENSE AND EQUIPMENT BUDGET

(11) The budget for expense and equipment for the year beginning July 1, 1930. The totals are shown in the summaries preceding the salary budget.

On motion of Mr. Trees, this budget was approved by the following vote: Aye, President Barr, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Emmerson, Mrs. Grigsby.

CHANGE IN THE BUDGET

(12) A recommendation that Dr. Harold H. Punke be appointed Instructor in Education at a salary of \$2200, vice Corey at \$1800.

On motion of Mr. Simpson, this appointment was made.

ADDITION TO BUDGET FOR PHYSICAL EXAMINATION OF STUDENTS IN THE CHICAGO DEPARTMENTS

(13) A request from the Deans of the Chicago Departments to establish facilities for the physical examination of new students as is done in our so-called Health Service at Urbana-Champaign. Doctor Beard, University Health Officer, at my request, went to Chicago, conferred with the Deans, examined their proposals, and recommends the adoption of the plan proposed by them. Their plan involves the use of the same standard medical records as are used at Urbana with such slight revisions as local and scholastic conditions require. It involves the examination of approximately five hundred students in two days immediately preceding registration. The Medical Staff will offer a sufficient number of the younger physicians to conduct this examination and laboratory facilities for the ordinary routine urinalyses and tests. The Dental Staff will offer assistance in the examination within their field. All this will necessitate the employment of a medical adviser on part time who will have charge, will coordinate the work, will follow up the students and give perhaps two hours a day for conference with those who are ill or injured but in no case to aid in medical practice with the students.

I recommend that this position of medical adviser in the Chicago Departments be established as part of our Health Service, with the stipend of \$2,000 for one-third time, this being interpreted to mean two to two and one-half hours a day, to be under the immediate authority of the Dean of the College of Medicine.

I recommend further that the sum of \$500 be appropriated for operation and supplies.

On motion of Dr. Noble, these recommendations were adopted, by the following vote: Aye, President Barr, Mrs. Evans, Mr. Fisher, Dr. Noble, Mr. Simpson, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Emmerson, Mrs. Grigsby.

THE ATHLETIC ASSOCIATION BUDGET

(15) The Board of Directors of the Athletic Association submits its budget for the year 1930-31. I recommend that it be referred to the Finance committee for consideration and report.

On motion of Mr. Simpson, this recommendation was adopted.

OPTION FOR BUSWELL PROCESS DECLINED

At this point, Mr. Barr presented a letter from Mr. F. N. Bard.

June 9, 1930

Mr. Geo. A. Barr, President, Board of Trustees, University of Illinois

DEAR SIR:

In connection with the option extended to me by your Board for the development and use of the Buswell Sewage Disposal, I wish to advise that I have failed to take up the option and although no reply has been received to my letter requesting an extension of the option, I wish to withdraw this request also.

My associates and I consider that this process is an excellent one and has substantial possibilities. These possibilities, however, are considerably in the future and we do not feel that we are justified in undertaking the development of the process under the conditions specified and with the information at hand. Our reasons in part, are as follows:

1. There are a number of processes by which the farmer can secure gas for lighting purposes, which are cheaper than the Buswell system apparently is and easier to handle. They do not afford the advantages of the Buswell system but it would take a long time to educate the farmer into doing the work involved in the Buswell system.

2. The production of gas on a large scale is apparently assured but it is a question whether the process will compete with natural gas and the methods being introduced to produce gas from oil well products and by-products.

3. The value of the fiber after the cellulose has been digested cannot be ascertained even approximately. The two possible uses for this material are in fiber board and paper stock and a careful investigation of these two materials indicates that there is a large over-production at the present time and it would only be possible to dispose of this product if the price were far below that of competing materials.

As the raw materials referred to above become more scarce, or the consumption of our population more nearly approaches the available supply of material, the Buswell process will come into its own. In the meantime, it is not considered advisable to try and carry along under continued expense for a number of years in the face of the competitive conditions enumerated.

Thanking you and your associates for the courtesies already extended, we are,

Very truly yours,

F. N. BARD

On motion of Mr. Fisher, Mr. Bard's letter was received and made a matter of record.

REASSIGNMENT OF APPLICATION FOR PATENT OF CELLULOSE DIGESTION TO PROFESSOR A. M. BUSWELL AND C. S. BORUFF

(16) In view of the recent letter of Mr. Bard, addressed to President Barr, withdrawing from his agreement to develop the Buswell process for cellulose digestion, Professor Buswell requests that the application for a patent be reassigned to him and his associate in this project, Mr. C. S. Boruff.

It will be remembered that this research was carried on by State Water Survey Funds and that Professor Buswell and Mr. Boruff assigned their application for a patent to the University in the general interest. It is obvious that it will be a long

time before the process can be developed commercially. For that reason, together with the attitude of Mr. Bard's associates, it seems desirable to reassign this patent.

Mr. Buswell was introduced, and made a statement on this matter.

On motion of Mr. Fisher, the following resolution was adopted.

RESOLVED, that permission be given A. M. Buswell to apply at his own expense and for his own benefit, for patents in foreign countries (other than Canada) on his cellulose digestion process covered by U. S. Letters Patent, Serial No. 386,080;

FURTHER RESOLVED, that the matter of releasing to Mr. Buswell the United States and Canadian rights in his invention be referred to the Committee on Patents, with the request that the Committee report at the next meeting.

REVISED CURRICULUM IN ARCHITECTURE

(17) A recommendation from the Council of Administration, acting for the University Senate, that the curriculum in architecture outlined in detail below be adopted.

The proposed reorganization of the work provides for three options. For those who have the aesthetic or creative ability, the design option is planned; for those of a practical mind, the construction option is offered; and for those who want to engage in the general practice of architecture the option in general architecture is offered. The three options offer the same degree, Bachelor of Science in Architecture, on the completion of the work.

I recommend that this curriculum be approved and that it be put into effect as far as possible in September, 1930.

**CHANGES IN CURRICULA IN CHEMISTRY AND
CHEMICAL ENGINEERING**

(18) A recommendation from the Council of Administration, acting for the University Senate, that the curricula in chemistry and chemical engineering be modified by the substitution of four semester hours of elective work for the second semester's work in chemical technology (Chemistry 60b, four hours).

I recommend approval.

On motion of Mr. Simpson, this recommendation was approved.

RESIGNATION OF PROFESSOR L. C. DILLENBACK

(19) Professor L. C. Dillenback of the Department of Architecture has submitted his resignation, to become effective September 1, 1930.

I recommend that this resignation be accepted.

On motion of Mr. Trees, this resignation was accepted.

RELEASE OF DR. ROYAL E. MONTGOMERY

(20) A recommendation that Dr. Royal E. Montgomery, who was appointed Assistant Professor of Economics for one year beginning September 1, 1930, (Minutes,

May 9, 1930, page 580), be released from his contract in order that he may accept another position.

On motion of Mrs. Evans, this release was granted.

SICK LEAVE FOR MISS JESSIE BEADLES

(21) Miss Jessie Beadles, Assistant in Animal Nutrition, has been incapacitated by a street car accident since May 6 and the Dean of the College of Agriculture reports that her convalescence may require as much as three months. He recommends that because of her long and faithful service to the University, covering a period of approximately thirteen years, she be given sick leave with full pay from May 6 to July 6.

I recommend approval with the additional recommendation that Miss Beadles be given leave without pay from July 6 to September 1, 1930, or until such date as she is able to return to her duties during the present academic year.

On motion of Mr. Fisher, this leave was granted.

EXTENSION OF VACATION FOR MISS BESSIE PACKARD

(22) A recommendation from the Head of the Department of Home Economics and the Dean of the College of Agriculture that in recognition of her long and faithful service extending over eighteen years Miss Bessie Packard, Secretary of the Department of Home Economics, be given two weeks' vacation with pay in addition to her regular month's vacation. I concur.

On motion of Mrs. Evans, this extension was granted.

**UNUSUALLY HAZARDOUS EMPLOYMENT OF H. M. NEWELL AND
L. H. STRUBINGER**

(23) A request from the Dean of the College of Agriculture that H. M. Newell and L. H. Strubinger in the Department of Horticulture be authorized to engage in certain studies of fruit-handling and marketing which will involve riding on freight cars, being about railroad yards, and at times riding inside of refrigerator cars for short distances; and that specific recognition be given to the unusually hazardous character of the work. These studies are conducted throughout the summer and early fall.

I recommend that this work be recognized as unusually hazardous but necessary to the studies carried on by the University and that Messrs. Newell and Strubinger be authorized to engage in it.

On motion of Mr. Simpson, this recommendation was approved.

PURCHASE OF BOOK PAPER FOR PRINT SHOP

(24) A request from the Comptroller for authority to purchase a carload of book paper for use in the Print Shop, viz: Keystone English Finish at \$6.00 per 100 pounds, and Montrose English Finish at \$6.75 per 100 pounds, the total cost to be \$2,900, f.o.b. Urbana, from the Moser Paper Company of Chicago. A similar purchase was approved by the Board on March 11, 1930 (Minutes, page 543) based on the low price of various quotations secured at that time. The same price is available at present and a further supply of this stock is needed. The cost will be charged to the budget allotments for printing of the various departments for whose bulletins and other publications this paper will be used.

I recommend approval.

On motion of Dr. Noble, this purchase was authorized.

**CANCELLATION OF CONTRACT WITH CROP PROTECTION
INSTITUTE**

(25) A recommendation from the Dean of the College of Agriculture and the Head of the Department of Horticulture that the agreement with the Crop Protection Institute for a cooperative investigation of the use of certain oil-sulphur combinations as insecticides and fungicides, approved May 9, 1930 (Minutes, page 584), be canceled because of the financial embarrassment of the Company which was to furnish the funds for this work.

I recommend that the contract be canceled.

On motion of Mr. Simpson, this contract was canceled.

REBATES ON SPECIAL ASSESSMENTS

(26) Reports have been made previously of rebates received from the City of Champaign on special assessments for public improvement projects. The Comptroller reports that these rebates have now been paid in full and submits the following final statement of the amounts received and also a report of those improvements on which there were no rebates:

GIFTS TO THE UNIVERSITY

(27) The following report of gifts received by the University:

1. From the National Research Council the sum of \$900 in support of research work by Professor J. T. Buchholz of the Department of Botany on the "Effects of Radium Treatment on Pollen Tube Growth." This is a renewal of a similar grant made last year.
2. From the Yale University Press copy of certain works by the press in the fields of government and international relations, for the University Library.

This report was received for record.

BRONZE TABLET MEMORIAL TO MISS MARION E. SPARKS

(28) A report from the Head of the Department of Chemistry that some of the alumni wish to purchase a bronze tablet to be installed in the Chemistry Building as a memorial to Miss Marion E. Sparks who was Librarian in the Department for many years and who died in 1929. I have authorized the Department to go ahead with their plans for this memorial.

On motion of Mr. Simpson, this action was approved and confirmed.

THEFT OF PISTOL FROM THE MUSEUM IN THE ARMOY

(29) A report from the Supervising Architect and the Commandant that on May 16, 1930, a person or persons unknown forced the wire barrier enclosing the equipment on display in the Military Museum in the Armory and removed an Army, 45 caliber, automatic pistol, and one pistol clip, valued at \$24.39. This occurred at a time when

an unusual number of persons passed through the Museum due to the presence here of a number of out-of-town visitors for the Interscholastic activities.

This report was received for record.

APPOINTMENTS TO THE E. A. WALLACE SCHOLARSHIP

(30) A report from the Secretary of the Board of Education of District No. 61 at Havana, Illinois, that pursuant to the provisions of the bequest of the late Mrs. Gertrude Hawies in establishing the E. A. Wallace Memorial Scholarship said Board has nominated Dale Huff and Wayne Craggs of Havana as beneficiaries of this scholarship.

This report was received for record.

BOILER HOUSE ADDITION

(31) The following letter from the Supervising Architect:

June 18, 1930

Boiler House Addition

President David Kinley, 355 Administration (W)

DEAR PRESIDENT KINLEY:

After various studies for the increasing of the capacity of our boiler house, we have finally come to the conclusion that the most economical one is to raise our present boilers about five feet so as to be able to put in forced draft grates with economizers and induced draft fans for handling the gases.

By raising and re-equipping the eight boilers which we have and building an additional stack, we will increase the capacity of the plant by 4,000 horse-power. With the money available we can change over four of the boilers and build the stack and probably raise the roof over the entire area so that hereafter the other four boilers can be raised as needed.

This plan was submitted to Mr. Abbott before he left for Europe and I received a letter from him under date of May 21, from which I quote the following paragraph:

"I fully concur in your proposition to equip some of the boilers of the proposed plant with forced draft. This will very materially increase your steaming capacity and will make your loafing boilers work according to modern standards. There is some doubt in my mind as to your ability to retain the present grates, as the grates should be divided into zonal forced-draft areas in which different draft pressures are carried. Also, we have our boilers supplied with a plenum box, which gives auxiliary air above the fire, creating a turbulence which effectively eliminates all smoke and quite noticeably improves the efficiency."

This job is one which, as far as the labor is concerned, we will do very largely ourselves and will contract for stokers, fans, breeching, economizers, and the new stack.

I desire approval of this general scheme and authority to proceed with the work, subject to the awarding of the contracts necessary to carry out the part of the work which we will not do on force account.

The amount available for this work is about \$160,000.

Yours very truly,

JAMES M. WHITE
Supervising Architect

I recommend approval.

On motion of Dr. Noble, this recommendation was adopted.

INVESTMENT OF WALLACE SCHOLARSHIP FUND

Mr. Fisher, for the Finance Committee, presented the following recommendation:

June 19, 1930

To the Board of Trustees:

The Finance Committee recommends the purchase of the following described farm mortgage as an investment of the Wallace Scholarship Fund, \$5491.67, and other uninvested trust funds: First 5% Mortgage \$7000 on 80 acres in Hensley Township, Champaign County, Illinois, owned by Simon Kaiser, due September 1, 1931.

MERLE J. TREES, *Chairman*
WALTER T. FISHER
F. H. SIMPSON

On motion of Mr. Trees, this recommendation was adopted.

At this point, Mr. Trees withdrew, and, the absence of a quorum having been noted, the Board adjourned.

EXECUTIVE COMMITTEE MEETING, JUNE 19, 1930

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Thursday, June 19, 1930, immediately following the adjournment of the meeting of the Board on the same day. Mr. George A. Barr, Chairman, and Mrs. Laura B. Evans, member of the Committee, were present; also, Mr. Walter T. Fisher, Dr. William L. Noble, and Mr. Frank H. Simpson, members of the Board, and Dr. David Kinley, Professor Lloyd Morey, and Professor J. M. White were present.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Executive Committee considered the following matters presented by the President of the University.

STUDIES ON MEDICAL AND DENTAL COLLEGE LABORATORIES BUILDING

(1) A recommendation from Professor J. M. White that Granger & Bollenbacher be authorized to make architectural studies of the second unit of the Medical and Dental College Laboratories Building, the expense, not to exceed \$10,000, to be charged to the appropriation for the first unit.

On motion of Mrs. Evans, these studies were authorized, by the following vote: Aye, Mr. Barr, Mrs. Evans.

RESEARCH IN POLITICAL SCIENCE

(2) A recommendation that \$500 be appropriated from the Reserve and Contingent Fund for 1930-31 for research in Political Science.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Evans.

BALANCE REAPPROPRIATED

(3) A recommendation that the balance of the appropriation (approximately \$1500) for the use of the Committee on the selection of a President, be reapropriated.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Evans.

PLANS FOR CATTLE FEEDING PLANT

(4) The plans for the proposed Cattle Feeding Plant.

On motion of Mrs. Evans, these plans were approved, and the Supervising Architect was authorized to take bids on the construction of the plant.

TIME OF JULY MEETING

On motion of Mrs. Evans, it was voted to set the date for the July meeting of the Board as July 23, 1930, in Urbana.
