

20th INTERNATIONAL SYMPOSIUM ON **FLAVINS & FLAVOPROTEINS**

Second Announcement

July 12-16, 2020 in Graz, Austria

The registration for the 20th International Symposium on Flavins and Flavoproteins is now open! Early bird fees are available until March 31. Since attendance is limited to 180 participants, we recommend registering as soon as possible. Upon registration you have the opportunity to apply for a lecture, a young investigator talk or a poster presentation with a focus in the following areas of research:

- **Application & Engineering of Flavoenzymes**
- **Flavoenzymes in Health & Disease**
- **New Flavins & Flavoproteins**
- **Photobiocatalysis by Flavoenzymes**
- **Flavin-dependent Photoreceptors**
- **Structure-Function Relationships in Flavoenzymes**

Conference registration is now
OPEN

Confirmed Speakers

Karen ALLEN (USA)
Monica BALSERA (ESP)
Willem van BERKEL (NL)
Janine COPP (CAN)
Dale EDMONDSON (USA)
Ulrich ERMILER (GER)
Marco FRAAIJE (NL)
Kevin GARDNER (USA)
Silvia GLÜCK-HARTER (AT)
Theodore GOODSON (USA)
Samer GOZEM (USA)
Russ HILLE (USA)
Frank HOLLMANN (NL)
Todd HYSTER (USA)
Andrea MATTEVI (ITA)
Jason MICKLEFIELD (UK)
Anne-Frances MILLER (USA)
Caroline PAUL (NL)
Nigel SCRUTTON &
Flaviano GIORGINI (UK)
Pablo SOBRADO (USA)
Sebastian WESTENHOFF
(SWE)

Organizing Committee:

Peter MACHEROUX
Gustav OBERDORFER
Andreas WINKLER
(Graz University of Technology)

Karl GRUBER
Wolfgang KROUTIL
(University of Graz)
