Galbraith

**A thank you from
The Mottistone Fold**

Eoin Mhor 8th of Mottistone
A prolific sire of champions and bulls

Since the Mottistone Fold dispersal sale in 2020, it has given me great pleasure to read the press show results of the Mottistone bred stock and/or their descendants. The Burns Family (Tippeteraig), Cannon Hill Farm (Cawthorne), Kevin Carnegie (Balrownie), Graham Easton (Ranch), Grant Hyslop (Black Glen), Willie Maclean (Sguir Mor), Ewen Macmillan (Luruha), Robert Tedbury (Hardham) and V & K Thomson (Clackriach) have all enjoyed multiple champion successes – Oban February, Royal Highland, Great Yorkshire, Turriff National, Dalmally and Stars of the Future to name just a few.

In Germany the Bange Family (Sunderberg) with their **Cameron Ruadh** was bull calf champion and reserve male at the Cloppenberg Open 2022, beating 35 bulls of all ages. Their **Maclean Dubh of Mottistone** was graded 9/9/8 from a maximum of 9/9/9 in the compulsory Korung National bull assessment.

In particular, I am proud of Ewen Mamillan's **Murchad Dubh of Mottistone** selling for 15000gns as the overall male champion last Oban February, the fifth time a Mottistone bred bull has achieved that honour. A year earlier at the UA Oban Sale, Willie Maclean's **Cameron of Sguir Mor** was the sales topper at 10000gns. Kevin Carnegie's young **Gilleasbaig of Balrownie** won championships, reserve championships or first places at eight shows. It was good to see Grant Hyslop's bred **Eoin Mhor of Black Glen** doing so well at major shows. Grant supported us since he started his now well-known championship-winning Black Glen fold.

Stars of The Future has been special for Mottistone descendants – 2021 junior male champion and reserve, junior female and overall interbreed native junior champion; 2022 senior champion and reserve senior interbreed champion, junior male and overall junior champion, junior female champion and reserve junior overall.

Congratulations to you all and thank you again!
Michael Poland

The Lili Anns have a special background story, too long to tell in the catalogue, but in short came to Ardbhan completely by chance as a surprise birthday present from Granny Ena to a 5-year-old Fraser. They have taken pride of place as one of our best female producing lines, always oozing elegance and class.

Being a native Uist pedigree, our cherished Murans, as tough as their name implies, survive there too. They have pre-eminence amongst our herd for their excellent breeding qualities, producing strong, thrifty progeny with their plentiful supply of milk. This young lass is not the first Muran to make the sale in Oban and she definitely won't be the last.

From outstanding bulls to tremendous heifers, our Maireads can do it all. They are one of our more versatile pedigrees and close to the heart of Ardbhan Chief, Angus, being one of the first lines he ever bred after becoming registered in 1985. They also serve as one of few links we have to Kirkibost of Ardbhan, the famous bull that made a name for our fold in the 90s.

Tick acclimatised. Organic fold. "Lovely Lady" is the perfect name for this sweet girl and unsurprisingly she's not the first dun Leitidh to strut her stuff in the ring; her cousin, Leitidh Odhar Bhuntata, was doing exactly that years ago and now lives happily in Ireland. All the Leitidh's are actually related to our Murans, as the first of each line were sisters, originating from a cow bred on the neighbouring island of Benbecula. For an extra bit of spice, this young lady right here now has Rona in her genes through her sire, Gille Ban Ron; a brother of Rona Ribhinn's dam.

Tick acclimatised. Organic fold. A rare opportunity to purchase a descendant from the historical Balranald Fold of North Uist; one of the oldest registered folds in the world. They sadly dispersed in 1921 but a handful of their successors remain at Ardbhan today, the Buidheags being one of our most abundant as they have given us many heifers over the years! This girl is from the first crop of calves of our new stock bull, Ruaridh of Craigowmill, and we believe she is an outstanding credit to him.

Tick acclimatised. Organic fold. Last for us but no means least, here we have another daughter of Calum Dubh of Killochries. Through her dam she has a strong connection back to the Isle of Canna, renowned breeders of typically black, hardy, traditional cattle capable of surviving in harsh environments. Our Canna bred residents have become integral members of our herd as they thrive in places that many would not, especially in the long, hard winters.
