ON THE FRONT COVER

THE UNIVERSITY COAT OF ARMS

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colours of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University, support the shield. Both wear collars of the University colours, as does the owl. At the base of the Coat of Arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: Quaecumque Vera (Whatsoever things are true).

The list of candidates for degrees, diplomas, and certificates appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information presented is current as of the program printing deadline.

GREETINGS TO THE GRADUATES

Congratulations, you did it!

For the Class of 2021, your studies, your experiences on campus, the conversations with professors, the fun times with friends ... all of those simple but significant things have been consistently disrupted by the pandemic. As you look back on your time at the university, I hope you'll remember not only the disruption but the challenges you overcame and the lessons we all learned.

The pandemic has taught us many valuable lessons. Our ability to adapt and persevere in spite of stressful times. The importance of connections with people we love. The need for kindness, empathy, and respect to bridge increasingly polarized views. The speed at which new discoveries can be transformed into life-saving solutions. And the need to continue to pursue the university's motto: whatsoever things are true. These are lasting lessons I hope you will remember as you take your next steps beyond university life.

We are incredibly proud of you, our newest graduates. You bring us hope for the future and you inspire us with your energy, enthusiasm, skills, and ideas. Whatever path you choose, strive to make a positive difference in the world. The University of Alberta will be here, cheering you on from the sidelines, as each of you pursues your next hopes and dreams.

PEGGY GARRITTY
Chancellor

Congratulations, Class of 2021!

Today, we celebrate a milestone that marks the completion of years of hard work and dedication. Successfully achieving that goal is only one chapter of your story, and we at the University of Alberta look forward to seeing your future success.

As you convocate, you join the university's community of over 300,000 alumni worldwide, and with them, you hold the power to change the future. Consider the opportunities that lie ahead to start new industries and businesses, renew public services, expand the creative arts, explore new research areas, and lead social, cultural and economic change. Each of you will play a role in shaping the world for your fellow graduates, your families and your communities.

This institution was founded on the promise of "uplifting the whole people." I invite you to dedicate the knowledge and skills you developed during your time at the U of A to pursue that noble aim and to continue to make your alma mater proud.

BILL FLANAGAN
President and Vice-Chancellor

On behalf of the Government of Alberta, it is my pleasure to congratulate the University of Alberta's fall 2021 graduates.

Over the last year and a half, we have all become adept at virtual gatherings, but I know this is probably not the convocation you imagined when you began your studies. Still, as you take time to reflect on the journey that brought you to this point — the skills and knowledge you have gained and the friends made along the way — I hope you will take pride in your hard work and resilience. I hope, too, that you will be looking ahead with optimism to the bright future you will help to create, here in Alberta and elsewhere. There are better days ahead, and you are the innovators who will help drive our recovery.

Your time at the U of A may be coming to an end, but your adventure is just beginning. Enjoy this opportunity to say farewell and celebrate what you have achieved with those you love.

Congratulations again, and best wishes for success in all you do.

HON. JASON KENNEY
Premier of Alberta

CONVOCATION SPEAKER

THE HONOURABLE MURRAY SINCLAIR LLB MSC IPC

The Honourable Murray Sinclair is an Anishinaabe and a member of the Peguis First Nation. He is a Fourth Degree Chief of the Midewiwin Society, a traditional healing and spiritual society of the Anishinaabe Nation responsible for protecting the teachings, ceremonies, laws, and history of the Anishinaabe. He graduated from law school in 1979. He has been involved with the justice system in Manitoba for over 40 years, as a lawyer representing Indigenous clients, as an Adjunct Professor of Law at Robson Hall, as Associate Chief Judge of Manitoba's Provincial Court, and as a Justice of the Court of Queen's Bench. He was the first Indigenous Judge appointed in Manitoba and Canada's second. He served as Co-Chair of the Aboriginal Justice Inquiry of Manitoba and as Chief Commissioner of Canada's Indian Residential Schools Truth and Reconciliation Commission. He retired from the Bench and was appointed to the Senate in 2016. After retiring from the Senate in early 2021, he returned to the practice of law and mentoring young lawyers at Cochrane Saxberg LLP. He is currently writing his memoir.

ALUMNI SPEAKER

SU-LING GOH

Su-Ling Goh is Edmonton's only dedicated health journalist. With more than 15 years of experience on the Health Matters beat, Su-Ling brings knowledge, perspective, context, and heart to her accurate and award-winning stories.

She has a Bachelor of Science degree from the University of Alberta (with Specialization in Zoology), and a NAIT Radio and Television diploma.

Su-Ling enjoys covering a wide range of health-related subjects — from diet and fitness to complex medical research. She has been honoured with national awards from the Society of Obstetricians and Gynaecologists of Canada, the Canadian Association of Paediatric Health Centres, and the Canadian Medical Association. She has also received three regional journalism awards from RTDNA Canada, and a University of Alberta Alumni Award.

Su-Ling is a regular emcee for local events including the Glenrose Rehabilitation Hospital Foundation Courage Awards, the Mayor's Awards for Persons with Disabilities, and the University of Alberta Alumni Awards. Her volunteer and advocacy efforts have garnered numerous awards from non-profit organizations such as the ALS Society, CNIB, the Kidney Foundation, and the Alberta Rehabilitation Coordinating Council.

The St. Albert, Alberta native began her career in 1997 as a writer and videographer for A-Channel Edmonton (now CityTV), before moving to Calgary to become an entertainment reporter. For six years, Su-Ling hosted "Inside Entertainment", a national show on Global. She covered some of the world's most glamorous red carpet events and interviewed Hollywood stars, including George Clooney, Brad Pitt, Julia Roberts, and Tom Cruise. Highlights include walking the red carpet at the Cannes Film Festival and chasing down U2's Bono at the Grammys. In 2006, Su-Ling was thrilled to return to her hometown to join the station she grew up with, Global Edmonton.

Su-Ling grew up in a family where health care was a regular subject at the dinner table. She describes being the Health Matters Reporter as the best job in the world — and is honoured to share inspiring stories of people courageously facing the unthinkable.

You can email story ideas to Su-Ling.Goh@GlobalNews.ca

JE TE RETROUVE – I REMEMBER YOU

Music and lyrics by France Levasseur-Ouimet, PhD. Translation by France Levasseur-Ouimet and Laurier Fagnan.

Bilingual version as it is actually sung (follow bold text). Regular text is translation of what is being sung.

FRENCH

1st verse and refrain, bridge and last refrain

1ST VERSE

Quand je pense à d'où je viens
À cette route qui m'a conduit à qui je suis
Quand je pense aux jours passés
Ton nom me vient comme un refrain
Que j'aime chanter
Quand je pense à tous ces gens
Qui ont laissé un coin d'ciel bleu au
Fond de moi

REFRAIN

Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient
Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
D'hier à demain,
D'hier à demain

2ND VERSE

Quand je retourne chez moi
Par habitude je refais tous les mêmes pas
Quand je marche dans les rues
J'entends des voix qui font écho au fond de moi
Quand je pense à cette langue
Qui me raconte, qui me récite et qui me dit

REFRAIN

Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient
Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
D'hier à demain, d'hier à demain

BRIDGE

Tu es ma jeunesse
Tu es mes racines
Tu es mon histoire

DERNIER REFRAIN (DEUXIEME PARTIE SEULEMENT)

Je te retrouve, je te retrouve
Tu es la source qui m'a nourri
Tu es la main qui m'a pétri
Tu es la route qui m'a conduit
D'hier à demain
D'hier à demain

ENGLISH

2nd verse and 2nd refrain

1ST VERSE

When I think of where I come from
Of the road that has led me to who I am
When I think of days gone by
Your name comes to me like a melody
that I want to sing
When I think of all the people
Who have left a piece of blue sky
deep inside of me.

REFRAIN

I remember you, I remember you
You are the source of my dreams
You are the music that I sing
You are the strength that sustains me
I remember you, I remember you
You are the words that I compose
You are the source of my every gesture
You are the road that has led me
From yesterday to tomorrow
From yesterday to tomorrow

2ND VERSE

You have made me who I am
Empowered me to seek and learn and understand
You have taught me how to dream
To value hope, to search for truth and honesty
Memories of youth and friends are like a song
That warms my heart and never ends

REFRAIN

I hear your name and I remember you
And all the years that have gone by
Cannot erase the sense of pride
That lingers deep within my soul.
I hear your name and I remember you
The words of those who showed the way
Revealed the price we'd have to pay
To build tomorrow from today
And all our dreams will carry on

BRIDGE

You are my youth
You are my roots
You are my history

LAST REFRAIN

I remember you, I remember you
You are the source that has nourished me
You are the hand that has molded me
You are the road that has led me
From yesterday to tomorrow
From yesterday to tomorrow
