

Plantes Vasculaires du Nouveau - Brunswick

Dicotylédones

Synonymes

Familles : Aceracées à Brassicacées

Vascular Plants of New Brunswick

Magnoliopsida (Dicotyledons)

Synonyms

Families : Aceraceae to Brassicaceae

Aceraceae (Acéracées) (Alt : Sapindaceae) :

Acer ginnala Maxim.	Érable ginnala Érable de Sibérie	Amur Maple Chinese amur maple
Acer negundo L. Acer fraxinifolium Nutt., non Negundium fraxinifolium Raf. Acer interius Britton Acer negundo forma dorei B. Boivin Acer negundo forma sanguineum Martin Negundo aceroides (L.) Moench. Negundo aceroides Moench, non (L.) Moench Negundo negundo (L.) H. Karst. 1883, non Sudw. 1891 Negundo nuttallii (Nieuwl.) Rydb. Rulac negundo (L.) Hitchc., nom. illeg.	Érable à Giguère Aulne-buis Érable à feuilles composées Érable à feuilles de Frêne Érable à Giguère pubescent Érable argilière Érable bois-barré Érable du Manitoba Érable négondo Érable negundo Érable négondo Négondo Négundo Plaine à giguère	Manitoba Maple Ashleaf Maple Ash-Leaf Maple Ash-Leaved Maple Box Elder Box-Elder Boxelder Boxelder Maple Box-Elder Maple California Boxelder Inland Manitoba Maple Sugar Maple Western Boxelder
Acer negundo var. violaceum (Kirschn.) Jaeg. Acer negundo forma violaceum (Booth ex G. Kirchn.) F. Seym. Acer negundo var. violaceum (Booth ex G. Kirchn.) H. Jagger Negundo aceroides ssp. violaceum (Kirschn.) Jaeger Negundo aceroides ssp. violaceum (Booth ex G. Kirchn.) Holub 1974, non W.A. Weber 1982 Negundo aceroides ssp. violaceum (Kirchn.) W.A. Weber Negundo aceroides var. violaceum Kirsch. Negundo aceroides var. violaceum Booth ex G. Kirchn. Negundo nuttallii (Nieuwl.) Rydb.	Érable à feuilles composées variété violacée	Box Elder
Acer pensylvanicum L. Acer canadense Marsh. Acer striatum Du Roi	Érable de Pennsylvanie Bois d'original Bois barré Érable jaspé	Striped Maple Goosefoot Maple Moose-Bark Moose Maple Moosewood Whistlewood
Acer platanoides L. Acer platanoides L. "Crimson King" Acer platanoides L. "Globosum" Acer platanoides L. "Schwedleri" Acer platanoides L. "Schwedleri Crimson King" Acer platanoides forma Schwedleri (K.Koch) Schwer. Acer platanoides var. globosum G. Nicholson Acer platanoides var. palmitifidum Tausch Acer platanoides var. rubrum Herder Acer platanoides var. schwedleri K. Koch Acer platanoides var. schwedleri Nichols	Érable de Norvège Érable plane Érable platanioïde Faux sycomore Iseron Main-découpée Plaine Plane	Norway Maple

Aceraceae (Acéracées) (Alt : Sapindaceae) :

<p>Acer pseudoplatanus L. Acer pseudoplatanus L. "Leopoldii" Acer pseudoplatanus L. "Purpureum" Acer pseudoplatanus var. leopoldii Lem. Acer pseudoplatanus var. purpurascens Van Houtte Acer pseudoplatanus var. purpureum Loudon</p>	<p>Érable sycomore Érables des montagnes Faux platane Grand érable Érable blanc Sycomore</p>	<p>Sycamore Maple Sycamore</p>
<p>Acer rubrum L. Acer coccineum Michx. f. Acer rubrum L. "Sanguineum" Acer rubrum forma breviramuscolum Vict. Acer rubrum forma columnare Rehd. Acer rubrum forma pallidiflorum (K.Koch) Fern. Acer rubrum forma tomentosum (Desf.) Dansereau Acer rubrum var. rubrocarpum Detmars. Acer rubrum var. sanguineum (Spach) Pax Acer rubrum var. tomentosum Tausch Acer sanguineum Spach, non Carrière Acer stenocarpum Britt. Acer tomentosum Desf. Rufacer carolinianum (Walter) Small Rufacer rubrum (L.) Small</p>	<p>Érable rouge Plaine Plaine rouge</p>	<p>Red Maple Scarlet Maple Soft Maple Swamp Maple Swamp-Maple</p>
<p>Acer rubrum var. trilobum Torr. & Gray ex K. Koch Acer carolinianum Walt. Acer rubrum var. tridens Alph. Wood Acer semiorbiculatum Pax. Rufacer carolinianum (Walt.) Small</p>	<p>Érable rouge variété trilobée</p>	<p>Red Maple</p>
<p>Acer saccharinum L. Acer dasycarpum Ehrh. Acer saccharinum var. laciniatum Pax Acer saccharinum var. wieri Rehder Argentacer saccharinum (L.)
