Message from the PRESIDENT

AMDG

Dear Friends,

Like the founding of the school in 1877 and its historical rededication to the City of Detroit in 1977, the opening of the Science and Engineering Center this year is a celebration of the remarkable and enduring spirit of U of D Jesuit. It is, I believe, the Spirit of the Lord. And, it is why I say with easy conviction, "The Kingdom of God is here."

Since July, I have been with many groups of people: Alumni Golf Outing, Mothers' Club, Dads' Club, Alumni Mothers' Club, New Parents, Auction parties, Board of Directors, Friends and Benefactors, Alumni, Faculty and Staff, prospective students and parents, football games, soccer games, tennis matches, Student Senate, and just hanging out. I'm exhausted! Just kidding. It is energizing. In all these groups the Spirit is alive in a common dedication to forming our students to become Men for Others to the Greater Glory of God. It is a privilege to be with you and be part of this 140-year tradition. Thank you for welcoming me.

Of course, the best group to be with is the students. My top three moments with them to date:

- 1) Giving the students permission to take their jackets off at the Mass of the Holy Spirit.
- 2) Bringing twenty pizzas to the football team during one of their study halls.
- 3) Listening to our Student Senate officers answering questions of prospective new parents.

They were poised and well spoken. The Spirit clearly dwells within them.

Let us continue together to build the Kingdom here. My prayers are ever with you. Go Cubs!

THEODORE G. MUNZ, S.J.

President

MISSION STATEMENT

University of Detroit Jesuit High School and Academy is committed to providing the highest quality of Jesuit college preparatory education to young men in southeast Michigan. U of D Jesuit, in collaboration with parents, will challenge its students to go beyond academic excellence, to be reflective, to be committed to the service of personal faith and the promotion of justice: to be "Men for Others."

DEVELOPMENT

AMDG

Dear Friends,

The new Science and Engineering Center opened on August 22nd, the first day of the new academic year! The center was completed on schedule and within its original budget. The excitement of the alumni, students, parents, and faculty touring the center has been palpable. Some of the comments heard are as follows: "It is so big." "Spectacular" "The architecture and sandstone match well, you cannot easily tell which building was constructed in 1930 and which in 2016." "I am inspired by the display of faith quotes and iconography in the halls; even a quote from one of our alumni, Guy Consolmagno, S.J. '70. "The stained-glass window is stunning bringing together faith and science." "Every time I look at the stained-glass window, I see something new." "The center is a definitive statement on the importance of academic excellence at The High." "The new center makes me very proud to be an alumnus and a member of the U of D Jesuit family."

We invite you to stop by and tour the new center. Call Tom Totte '74 at (313) 927-2347, I would enjoy showing you around. Also, please share with me your comments on the new center and anything else at thomas.totte@uofdjesuit.org.

Follows are the most frequently asked questions about making a gift to The High.

Q. When can I make my gift to the new Science and Engineering Center?

A. Now. If you wish to make a gift or multi-year pledge, please contact Tom Totte '74 at (313) 927-2347, or Katie Szniewajs (313) 927-2325. We hope that 100% of the alumni, parents of current students and graduates, and friends will make a gift and participate in this exciting and visionary project.

Q. What gift amount is necessary to have our name on the permanent benefactor recognition wall in the new Science and Engineering Center?

A. Your name will be seen by future generations with a gift of a \$1,000.00 or more.

Q. When does the fundraising campaign conclude for the new Center?

A. We will be accepting gifts and multi-year pledge through December 31, 2016. Of course, your pledges may be paid subsequent to December 31, 2016 on the timeline you decide.

Q. Can I designate my gift to a specific purpose of interest to me?

A. Yes. Gifts designated to the greatest needs of the school are preferred by us. If there are causes important to you such as Jesuit and Catholic Identity Formation, Black Awareness Society for Education (BASE) activities, athletics, faculty professional development, fine arts, eco-car, or robotics to name a just few, please let us know your interest when you make your gift.

Q. What is the School's greatest annual fundraising need?

A. Tuition assistance. For the current academic year, more than 300 students received assistance totaling about \$2 million.

Q. Do you accept gifts of appreciated equity securities and mutual funds?

A. Yes. The instructions for stock gifts can be found on the website www.uofdjesuit.org/Waystogive "Gifts of Stock Securities". You may also call Tom Totte '74 at (313) 927-2347.

Q. Do you accept IRA Qualified Charitable Contributions from those 70½ years and older?

A. Yes. Only two easy steps are necessary to make this happen. First, call Tom Totte '74 at (313) 927-2347 and we will provide you the information you need. Second, call your IRA financial institution to make a gift directly to U of D Jesuit. That is all you need to do.

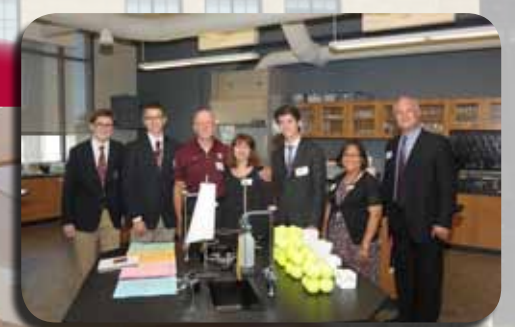

Thank you very much for all you do to support the education of 900 young men at The High. We appreciate hearing from you; contact me at either thomas.totte@uofdjesuit.org or (313) 927-2347.

Who's New At The High? - Newest Faculty & Staff

Anthony Campana (Science Department)

Tony just finished his fourth year teaching middle school level science and so far has loved every minute of it. After working for 30 years in the music industry, Tony decided to pursue his dream of becoming a teacher, receiving a Master's degree, Education Specialist in Science Curriculum certification and is working towards his Ph.D. in Science Education at Wayne State University. His goal as an educator is to provide students with a safe environment to wonder, experiment, fail, and succeed. Becoming a teacher has allowed Tony to use his creative skills to help engage his students. He likes to learn about new things and will take the time to seek out ideas that will help him grow as an educator, as well as a person. His personal and professional experiences have motivated him to raise awareness about the need to teach children how to think critically, using logic and reason in their search for real truth. On Sunday mornings, you can find Tony leading the folk group at the National Shrine of the Little Flower Basilica. He has been married to his wife Lani for 22 years and has two sons who both attend U of D Jesuit.

Tony will be teaching 8th Grade Science and 9th Grade Conceptual Physics.

Matthew Dery (English Department)

Matt Dery joins the faculty at University of Detroit Jesuit after a two decade career in the sports broadcasting industry. A Cleveland native who has now called Detroit home for the past 20 years, Dery last worked at Detroit Sports 105.1 as mid-day host in September of 2013, and then co-hosted in afternoon drive from 2-6 PM with Free Press columnist Drew Sharp on "Dery and Sharp". He spent four years as the afternoon update anchor for the Valenti and Foster show on 97.1 The Ticket. Prior to that, Dery spent 12 years at WDFN and 12 years as the Pistons Pre-game, Half-time and Post-game Host. In addition to sports talk, Dery has a passion for play-by-play. He has done the play-by-play for numerous Pistons radio games filling in for George Blaha and Mark Champion, and he was the radio and internet voice of the University of Detroit Mercy Titans for 12 years. Currently, Matt fills in at Sports Radio 92.3 FM "The Fan" in Cleveland and is the in-game host at the new United Shore Professional Baseball League in Utica.

Dery has also been the fill-in voices of the Detroit Shock of the WNBA, the Detroit Fury of the AFL, and the Detroit Vipers of the IHL. He has done additional work for the MSU Spartans football network, Mac Hoops on FSD, the Motor City Bowl network, Sportstime Ohio in Cleveland, and HSTV. Dery also hosted the all-new "Bowling for Dollars" on WADL TV 38.

Matt's passions are his family and his favorite team, the Cleveland Indians. He and his wife, Heather, have been married for five years. Dery has two children, Jace and Reese, and a step-son, AJ. Dery is a 1995 graduate of Syracuse University.

Matt will be teaching the 9th Grade 21st Century Media & Communications and 11th/12th Grade Journalism classes.

Steven Krepp (World Language/Social Studies Departments)

Steven Krepp is the newest addition to the Latin and Social Studies teaching staff. Along with teaching he will be aiding the freshman football team as an assistant coach. Steven was born and raised in Flint, Michigan, graduated from Swartz Creek High School, spent some years at the University of Michigan-Flint before he transferred to Grand Valley State University to study Classics. When he began his Classics career in archaeology, it was soon discovered that the job outlook was bleak. With the guidance of his professors, Steven found his path as a Latin teacher. Networking with various Latin teachers around Michigan, he was able to secure an adjunct Latin teaching position at Sacred Heart Academy in Grand Rapids where he was able to gain paid experience before his student assisting and teaching experience. With such excellent experiences, mentor teachers, and professors his path now leads Steven here, to the University of Detroit Jesuit High School and Academy where he already feels at home having met many of the faculty members. Besides teaching, his hobbies include being outdoors, hiking, biking, fishing, photography, and the study of military and nautical history. Steve will be teaching 8th Grade Latin, Latin I, and U.S. History. He looks forward to a great year working with all of you and sharing my passion of teaching.

Jeffrey Schmitz (Math Department)

Jeff is very excited to begin his teaching career at U of D Jesuit this year. Before joining the faculty here he attended Madonna University where he graduated with honors in the spring of 2016. He earned a Bachelor of Science degree, majoring in math and minoring in chemistry. While at Madonna, Jeff also played for the Men's Basketball program for four seasons and was named captain of the team his senior year. After he finished playing at Madonna he began his high school coaching career at South Lyon High School during the 2015/2016 season. Jeff is excited to help out coaching in the U of D Jesuit basketball program this upcoming season. Outside of school and athletics, he is a very outgoing and thrill seeking person. He loves to spend time outdoors doing just about anything, from lounging on the lake to hiking in the woods.

Jeff will be teaching 7th Grade Math and 9th Grade Algebra I.

Clarence Wilson '84 (Science Department)

Clarence graduated from University of Detroit Jesuit High School in 1984. He obtained a Bachelor of Science degree in Mathematics and a Master of Science degree in Computer Science from the University of Detroit Mercy. Clarence is passionate about teaching and has taught in both the K-12 and university arenas. Over the years, he has worked as Mathematics and Computer Science professor at University of Detroit Mercy and as an educational technician and mathematics tutor and teacher in Inkster Public Schools and Mumford High School. Clarence is a member of the Pi Mu Epsilon Mathematical Honor Society, the Mathematical Association of America, and the Association for Computer Machinery. In his spare time, Clarence likes to golf and play video games. On a personal note, Clarence is married and has one son, Colin, who is a freshman at "The High" this year.

Clarence will be teaching the Introduction to Engineering classes, the Computer Science and AP Computer Science classes and the Game Development and Web Design electives.

Who's New At The High? - Alumni Volunteer Corps

The program founded in 1994 by then President, Fr. Timothy Shannon, S.J., provides an opportunity for alumni to use their talents and energies to benefit the U of D Jesuit Community on a daily basis. The AVC program offers a unique opportunity to influence students in many different ways and offers young alumni the chance to be "Men for Others." The AVC's benefit from living as a community in a school-owned house located near the campus, free utilities, a small living stipend, professional career advice, a wide range of work experience, the challenge to serve others and the chance to develop spiritually.

Michigan State University '16

"I decided to become a part of the Alumni Volunteer Corps at U of D Jesuit because I wanted an experience unlike any other and to give back to a school that gave me so much. The High instilled in me both the academic integrity as well as the brotherhood that proved to help very much in my college career, and I want to make sure that students get the same experience that I was so lucky to have. I am currently applying to medical school, and this year I will be working with Mrs. Oshikiri in the Chemistry room as well as coaching skiing and lacrosse!"

Jeff Cavanagh '12

Boston College '16

Major: Mathematics

"I became an AVC because I want to help students improve themselves mentally, physically, and spiritually in the pursuit of becoming Men for Others. During my time here I was pushed to be better and figure out who I was, which is a process I hope to facilitate for current students. Also after four years at both U of D Jesuit and Boston College, I cannot get enough of the Jesuit experience. While I am here I hope to train in the weight room and work with Campus Ministry. As far as my future I do not have any concrete plans, but I hope to help others increase their quality of life through self-improvement."

William Fattore '11

University of Michigan '16

Major: Political Science

"I decided to become an AVC because I wanted to reconnect with and give back to the institution that has influenced me most in my life. This school is unlike any other, and the longer you're removed from here the more you realize it. The education, camaraderie, diversity, and "Men for Others" mantra have helped me become the man that I am today and the man I was meant to be. I hope that over the course of this year I can help mold this next wave of Cubs into becoming the men they were called to be as well."

Andrew Lepczyk '12
Michigan State University (Lyman Briggs College) '16
Major: Human Biology

"Having three older brothers come through before me, attending U of D Jesuit was never a choice, my fate was sealed, and I was destined to be a Cub. U of D Jesuit is an outstanding school and I consider myself truly blessed to be able to call it home. I came back to The High to give back to the place that helped me lay the foundation for my future and shape me into a "Man for Others". U of D Jesuit gave me the tools and confidence I needed to succeed in college, and now I am able to inspire and educate these young men just as I had a few years prior. As for my responsibilities this year, I will be working in the new STEM center with Mrs. Foerg assisting with her biology curriculum. Beyond the classroom, I hope that I will help these young men grow mentally and spiritually extending far beyond just academics. From here, I plan continue my education with intentions to attend dental school in the fall. AMDG"

Minor: Political Science

"My decision to apply to become an AVC paralleled my decision to attend U of D Jesuit when I participated in the Cub for a Day program over a decade ago. I continue to believe that U of D Jesuit offers a unique education. An education that even occurs when playing Spades in the Atrium. Coupled with my enjoyment of the classroom environment, whether as a student, a senior service volunteer or as a Teacher's Assistant at Boston University, applying to become an AVC was a straightforward decision."

Isaac Piepszowski '12
Loyola University Chicago '16
Major: Biophysics

"I returned to be an AVC at U of D Jesuit because as my time at Loyola University Chicago progressed I began to value my experience at the High even more as I continued to reflect on the importance of service in my life. At Loyola I grew in my understanding of the core Jesuit values of education, and while considering the steps to take after college I knew above all I wanted embrace the motto of Men and Women for Others, and what better than to serve the community that taught me those very values. With the new STEM building and my biophysics degree both almost complete, I found peace and assurance that being an AVC at U of D Jesuit would be a perfect fit and provide a year to grow in knowledge, faith, and community."

Forensics Team's California Trip a Success

On Memorial Day Weekend, nine members of the U of D Jesuit High School forensics team traveled to Sacramento, California for the National Catholic Forensic League's 2016 Grand National Tournament. A great time was had by all exploring the state's capitol city and competing at locations like Sacramento State. While all Cubs performed wonderfully, a shout out goes to fellow Team Detroit member Maureen McGough (Mercy '16), who placed 11th in the nation in oral interpretation. Head coach Alexander Davidson '06 would like to thank all friends, family members, alumni and community members whose generous donations made this special cross-country trip a possibility for our Cubs. The team looks forward to this upcoming season when they aim for another trip to the national competition, this time in Louisville, Kentucky.

Marching Band Starts New Tradition; Academy Choir Added

The Marching Band has started new tradition this year with a 6:30 Pep Rally before every home football game. At 90 members strong, the Band continues to thrive and impress under the leadership Music Director Mr. Chris Charboneau. Our Choir and Orchestra have moved into a new classroom because of the growth of the Music Department as well. We have added Academy Choir as a new class this year, which is taught by Mrs. Michelle (Gaunt) Linkous.

Irish Studies Program Begins at The High

Senior Edward Thomson was the first U of D Jesuit student to participate in the Irish Studies Program over the summer. The Program was created by two schools in the Cleveland area: Walsh Jesuit and St. Ignatius. Two online courses, Irish Literature and the peace process in Northern Ireland centering around Catholic Social Teachings, were required for the program. Edward traveled to Ireland and had the opportunity to speak with local leaders about the conflict with the majority of his time spent in Belfast as well as Achill Island, County Mayo. It was a great experience for him and there are plans to continue this program in the future.

U of D Jesuit Seniors Named National Merit Semi-finalists

The National Merit Scholarship Program announced that two U of D Jesuit seniors, Brendan Hogan and Nolan Kirkman, were named National Merit Semi-finalists. Recognition by the National Merit Scholarship Program is nothing new for U of D Jesuit students, as U of D Jesuit is one of the few schools to have had students recognized as National Merit Semifinalists every year since the program's inception in 1955. These two seniors represent another generation of U of D Jesuit students being recognized for their ability and affirming the school's commitment to academic excellence.

Increasing Numbers in Showcased Student Writers and Artists

Inscape, U of D Jesuit's student-run literary magazine, has seen an increasing rise in the number of writers and artists submitting their work for its annual publication. Last year, the number of submissions reached to triple digits for one of the magazine's best issues yet. With growing awareness through the annual Halloween scary story contest and toiletry drive for Ladies of Charity, Inscape has been getting itself out there with positive results. More Cubs are willing to put themselves out there and share their creative work with the community. Moderator Alexander Davidson '06 and his editorial staff of 10th-12th graders anticipate an excellent Detroit-themed edition this spring in celebration of the school's anniversary.

Generation of Promise

On Friday August 13th, six U of D Jesuit juniors, (Anthony Campana, Peter Chekal, Reggie Galanto, Oscar Torres, Connor Turco and Xavier Weintraub) headed to Camp Copneconic in Fenton for Focus:Hope's Generation of Promise orientation retreat. The weekend retreat was the kick off of a yearlong program which will have our students along with 50 other students from 15 Detroit area schools building a community of young leaders who celebrate diversity and are dedicated to combating discrimination in the Detroit metropolitan community. Anthony, Peter, Reggie, Oscar, Connor and Xavier are a part of Generation of Promise Class 26. Since 1990, U of D Jesuit has had 120 students participate in this program. Current seniors TJ Thomas, Colin Labuda and Paul Cataldi felt their experience last year was very valuable. Colin LaBuda said, "Generation of Promise really opened up my eyes and world view about Detroit and diversity within the city."

The students spent the weekend retreat participating in activities designed to build leadership skills, teamwork, trust and effective communication skills. In the coming months, they will meet once a month to explore more about Detroit and themselves. They will have a walking tour of the city and meet with various Detroit leaders. They will experience cultural diversity days spending time immersed in local communities. There will be sessions focused on exploring and discussing critical issues including racism, disability awareness, poverty and social justice among other topics. In the winter there will be student exchanges where our cubs will host a student from another school to share what it is like to be a student at U of D Jesuit. In return our Cubs will also spend a day as a guest at another cooperating high school. At the end of the school year students will share their experience and pledge to continue to take active leadership roles in their communities. Isaac Piepszowski '12, Generation of Promise alumnus and current AVC said, "Generation of Promise was a pivotal experience in my high school experience which allowed me to begin to make connections with other young leaders within the city as well as the Metro Detroit Area. The experience challenged me to think critically about important issues in our city and society and instilled a commitment to social justice and leadership in the city of Detroit."

Junior Earns Nova Award from Boy Scouts

The Boy Scouts of America has been making a major push with Science, Technology, Engineering, and Mathematics (STEM) in an attempt to broaden its appeal. One program launched within the past few years was the Nova/SuperNova program. Nova awards are the entry-level STEM awards. One our students was a recipient!

Nathan Vinarcik '18 was one of two Eagle Scouts who earned the highest Boy Scouts of America STEM award, the Thomas Edison Silver SuperNova. Along with being an Eagle Scout, he's the Vice-President of Image and Spirit for the UDJ FIRST Robotics team.

This is a great honor for Nathan. He is pictured here in the Ellipse of our new STEM Center in uniform. Congratulations, Nathan!

Baseball - Jim Mancuso '02

The 2016 baseball season saw the Cubs make a return trip to the MHSAA quarterfinals. This was their second appearance since 2013.

The 2016 club experienced the expected ups and downs during the spring, but that did not detour them from their ultimate goal of a long state tournament run. A few key injuries along the way gave opportunities to some younger players to get some key experience which will prove to be beneficial in the years to come.

Led by a strong, determined senior class the Cubs rolled through the district and regional rounds with wins against Southfield, Grosse Pointe South and Detroit Western. The Cubs ran into the eventual State Champ and Central Division foe Warren De La Salle in the quarterfinals.

Three seniors added to the ever growing line of Cubs in college ball for 2016. Pierce Mueller (OF) will be part of the inaugural team at Lawrence Tech University. Daigoro Otaka (INF) heads off to Yale University after his All Regional season and Jared Demkowicz (P/INF) will take his talents down Sewanee University to continue his playing career. The success of the 2016 is the result of the hard work and commitment the 2016 seniors provided the program over their four years at The High.

It was another successful year in 2016 for the Cubs baseball program and with the continued commitment and young talent coming up through the ranks it looks to be another exciting spring for the baseball program in 2017.

Golf - Paul Diehl '73

Three seniors went on to play at the college level: Jack Wolfe (Wittenberg), Evan Sale (Berry College) and Connor Hamm (University of Tampa). Ryan Bird '16 was named Academic All-American. The JV-A team finished with a 15-5 record, while the JV-B team ended up 8-7.

Football - Oscar Olejniczak '91

There was great excitement coming into the 2016 season. This team worked extremely hard over the summer and their hard work paid off as they clinched a playoff berth and hope to make a run.

Along with workouts and 7 on 7 over the summer, we had a number of team bonding events. We had our 3rd annual BonAnno Paintball Classic, linemen picnic, big brother social and we spent the morning volunteering at Gleaners.

Over the last year, we have had a number of our players receive college scholarships to play football at the next level. A few of the seniors have already made their decisions and others are still deciding. Jeremiah Riordan committed to the University of Buffalo. AJ Thomas committed to Western Michigan. Scott Nelson has received 15 scholarship offers and has not made his decision yet. Junior Carlos Vettorello has received a number of offers and will receive more over the next year. A number of other players have the potential to receive scholarships over the next year, including junior Elijah Collins, who is having a great year with double digit touchdowns, which has caught the attention of Division I programs.

Thank you to all of the alumni for their support of the school and the football program. The team is working hard to improve on our season from last year where we lost in the first round of the playoffs to the eventual state champion, Detroit King. The players are continuing to do a great job of representing U of D Jesuit and the football program in the classroom and in the community. The football program hopes that you will make it to a game. Go Cubs!

Four Questions: Fr. Theodore G. Munz, S.J.

Born and raised in the Cincinnati area, Fr. Munz attended St. Xavier High School. He attended the University of Detroit, where he earned a bachelors in philosophy. He holds a master's degree in business administration from the University of Chicago and graduate degrees in theology from the Jesuit School of Theology of Santa Clara University in Berkeley, CA.

Father Munz was the team leader for the founding of Cristo Rey Jesuit High School in Chicago from 1994-1996. He served as president of Loyola Academy in suburban Chicago from 1996-2009. Later, he served as treasurer of the Midwest Jesuits. He took office as U of D Jesuit's 29th president on July 1, 2016.

1. Why did you decide to become a Jesuit?

The Jesuit mystique rubbed off on me. The Jesuits at my alma mater, St. Xavier in Cincinnati, were witty, bright, and urbane. Their commitment to the faith that does justice as companions of Jesus was a bold and exciting mission that I wanted to be part of. Being a Jesuit is my way of being a man for others.

2. Why did you want to become President of U of D Jesuit?

It's all about the people and the mission. Everyone I meet, whether it is students, faculty and staff, parents, alumni, or friends, has a genuine affection for the school. Everyone belongs. Everyone is committed to forming our students to be Men for Others in the 465-year tradition of Jesuit education. I am very happy to be part of U of D Jesuit's "Commitment to Mission, Commitment to Detroit."

3. The word "Jesuit" is a word that you value immensely. What makes a school truly "Jesuit" ?

This is hard to answer in a few sentences. Borrowing from my homily at the Mass of the Holy Spirit, a school is Jesuit when it passes on the tradition of Jesuit spirituality that is rooted in the Spiritual Exercises of St. Ignatius and the Constitutions of the Society of Jesus. Since the first school at Messina in 1548 and the opening of U of D High in 1877, Jesuit schools form men and women to be leaders in service. Graduates of Jesuit schools are formed to be leaders who love and care for others; who have bold visions of working for the greater glory of God; who are highly creative and adaptable in carrying out those bold visions in a variety of cultures and countries; and who possess a confident and humble awareness of who they are. Another way of saying this is that the graduate at graduation is loving, committed to justice, open to growth, religious, and intellectually competent.

4. What would you tell any prospective parents, current parents, or alumni about your vision for the future of our school?

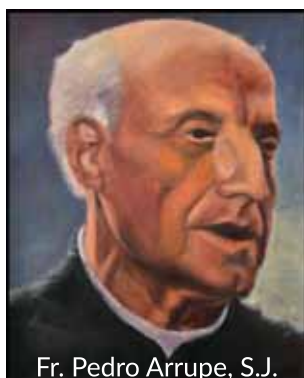

I have many dreams for our school. The dreams always come back to a simple phrase: The Kingdom of God is here. Everyone belongs. Everyone cares for one another. We are united in diversity. We are proud to be in Detroit. I hope for everyone here that each day they know more intimately that God loves them. I want the Jesuit mystique to rub off on our students and everyone who belongs to U of D Jesuit. I want our students to make friends for life. I want our students and alumni to discover that they have brothers and sisters around the country and around the world who share the tradition of Jesuit education, men and women for others who together ever seek the greater glory of God.

The Arrupe Society

Supporting The Jesuit High School Experience in Detroit

Tom O'Keefe '64

Fr. Pedro Arrupe, S.J.

With a vision for the future of The High, Fr. Malcolm Carron, S.J. '35 established the Arrupe Society in 1985. The Arrupe Society is named in honor of Fr. Pedro Arrupe, S.J. who was Father General of the Jesuits in 1977 when the decision to remain in the City of Detroit was made. Fr. Carron wanted to be sure that U of D Jesuit

would continue to graduate Cubs who would be well-prepared as leaders and as Men for Others who would serve their families, parishes and communities. Continuing Fr. Carron's work, our benefactors who have included U of D Jesuit in their will or estate plan have similarly laid the foundation for our future.

This year, nine benefactors have joined the Arrupe Society, bringing total membership to 212. Over the years, Arrupe Society members have given more than \$11,000,000 to support our school. Some members have named The High as the beneficiary of their IRAs. Others have made provisions in their wills to establish a named perpetual scholarship. While the details of their legacy gifts differ, these alumni and friends share the same generous sentiment: to provide ongoing financial support so that future generations of Cubs will graduate with a well-rounded perspective, a sense of humility and justice and an entire world of possibilities ahead of them.

We are grateful to these benefactors who have joined the Arrupe Society between July 2015 and June 2016.

Sponsoring A Circle of Care Scholarship

Will Change Their Future and Yours Too!

By Thomas L. Totte '74

How can I achieve my philanthropic desire to change a young man's future?

I wish to have my name or the name of a loved one on a scholarship at The High?

The answer to these questions is to become a Circle of Care Scholarship sponsor. A sponsor makes a special commitment to fund a U of D Jesuit education. There are two possible Circle of Care Scholarship opportunities, "Annual" and "Endowed".

The **Annual** Circle of Care Scholarship Program has these features:

- The sponsor is specifically assigned to the student during his four-years here. Sponsors will have the opportunity to meet the student and parents at the Annual Dinner, usually held in early October. Also, there is communication three times during the year between the student and the sponsor. These letters allow you to follow the student during his days at the School.
- This is a sponsor-named scholarship. You may name the scholarship for yourself, or for another person(s) you would like to honor.
- The sponsor is matched with a student selected by the School's Financial Aid Committee. Selected students must meet and maintain certain academic, financial, and discipline eligibility standards.
- For the upcoming academic year, the gift is a four-year pledge of \$11,500 per year (a total of \$46,000 over the four years). A four-year pledge ensures that the student will have tuition assistance during his years at The High. The tuition to educate a student is \$12,375 for the current academic year.

Several benefactors have taken an extra step and have endowed their Circle of Care Scholarship gift. The endowed gift allows them to link their legacy with that of U of D Jesuit in the form of a named scholarship. Their gift will fund in perpetuity the tuition for a student at The High. All the features of the Annual Circle of Care Scholarship also apply to the Endowed Circle of Care Scholarship. For the upcoming academic year, an **Endowed** Circle of Care Scholarship is a gift of \$230,000. The gift may be paid over a period of five years.

If you are interested in hearing more about the Circle of Care Scholarship, please contact me at (313) 927-2347 or at thomas.totte@uofdjesuit.org.

On the following page we recognize the Circle of Care Scholarship sponsors for the academic year as of August 31, 2016. "Annual Scholarship" sponsors are those who made a four-year commitment to fund a student's tuition. "Endowed Scholarship" sponsors have either a fully-endowed scholarship, or one which is partially-endowed and continues to be funded towards full endowment.

Czarnecki '61 and Curley '63 honored at annual Alumni Senior Luncheon

By Jack Donnelly '99

On April 27, 2016 the 29th Annual Alumni Senior Luncheon took place at the Detroit Athletic Club. This year's Alumnus of the Year recipients were Walter Czarnecki '61 and Jack Curley '63. Both Jack and Walt are incredible supporters of our institution. Walt championed the Shell Eco-Car program here at The High and has been very involved in many aspects. Jack, whose name graces Curley Hall, has been a loyal contributor to our sports program and facilities. Both men were honored by Fr. Karl Kiser, who, in front over 300 seniors and alumni, received a standing ovation for his time here at U of D Jesuit. The 2016 undefeated Class "A" State Champion Basketball team was also acknowledged and capped off the afternoon by leading the Cub faithful in our traditional fight song to close out the day.

On June 3, 2016 the Grand Reunion Weekend kicked off with a golf outing at Warren Valley Golf Course in Dearborn. The weather was fantastic and everyone had a great time seeing their classmates. The Friday Stag Night was a success as well. It was Fr. Kiser's final Reunion and it was also the 50th reunion for the class of '66. More than 500 people showed up during the entire weekend, which was capped off by Saturday's Mass and Dinner on Saturday, June 4, 2016. As always, it's great to see our alumni and their guests come back to the High and see what has changed and what has stayed the same.

The U of D Jesuit Athletic Hall of Fame Dinner, now in its third year, will add seven more outstanding Cubs in the class of 2016.

According to U of D Jesuit Athletic Director and Hall of Fame committee chair Nick Kocsis, "Every induction class is special. We have been able to celebrate a wide diversity of teams, eras and sports over the last few years. It really is a tribute to the quality and variety of individual our institution forms. This induction class is has some stellar athletes and individuals. They are all 'Men for Others'"

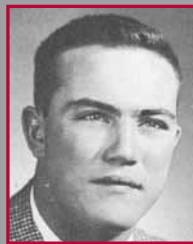

Throughout the 2015-2016 school year, nominations were solicited and added to over 90 possible quality inductees gathered from the school's 139-year history. This year seven individuals were selected for induction. Aside from the individual inductions, Mr. Terry Keating '56 was selected to receive the Athletic Hall of Fame's "Tom Coyne '62" Distinguished Service Award. That award is given annually to someone who has represented the mantra of being a "Man for Others". The Distinguished Service Award was originally presented to Tom Coyne '62 in 2014. Last Year Mr. Chuck Gumbel '64 was honored with the first award officially given in Tom Coyne's name. Another highlight of the evening will include the induction of the 1960 U of D Jesuit Baseball team into the Hall of Fame's Ring of Honor. Teams will be inducted as a whole for their accomplishments and not as individuals.

For more information about the Hall of Fame Dinner on December 3, 2016, please contact Athletic Director Nick Kocsis at (313) 927-2350.
