To serve and support the United States, the naval service, the Naval Academy and its alumni by furthering the highest standards at the Naval Academy; by seeking out, informing, encouraging and assisting outstanding, qualified young men and women to pursue careers as officers in the Navy and Marine Corps through the Naval Academy; and by initiating and sponsoring activities which will perpetuate the history, traditions, memories and growth of the Naval Academy and bind alumni together in support of the highest ideals of command, citizenship and government.

FOUNDATION MISSION

To support, promote and advance the mission of the Naval Academy by working in conjunction with Academy leadership to identify strategic institutional priorities, and by raising, managing and disbursing private gift funds that provide a margin of excellence in support of the nation's premier leadership institution.

HISTORIC HEIGHTS

2021 was a record-setting year punctuated by the historic close of the *Called to Serve, Daring to Lead* campaign. The success of the campaign will have a multi-generational impact on the Brigade of Midshipmen and expand resources to support the Naval Academy alumni community.

Thanks to the overwhelming generosity of the alumni community—more than 39,000 individual donors—the *Called to Serve, Daring to Lead* campaign skyrocketed past its ambitious \$400 million goal. The campaign officially closed on 30 June 2021 after surpassing **\$541 MILLION**.

Because of the passion and commitment demonstrated by the alumni community, future generations of midshipmen will reap the rewards of the *Margin of Excellence*. They will benefit in the form of expanded international experiences, experiential leadership development opportunities, world-class cyber security educational resources at Hopper Hall, support from the Ron Terwilliger '63 Center for Student-Athletes and a host of newly funded professors and Stockdale Center positions.

FEATURE

Donor support generated some \$57,965,755 million in cash receipts including \$10,365,718 million in unrestricted Naval Academy resources during 2021. In 2021, the Naval Academy Alumni Association and Foundation supported:

- The dedication of the Ron Terwilliger '63 Center for Student-Athletes.
- The return of the graduation ceremony to Navy-Marine Corps Memorial Stadium.
- Raising \$1.38 million during the 2021 All Academy Challenge from 5,192 donors.
- Induction Day for the Class of 2025 in June.
- A record 22 class reunions.
- The honoring of the Class of 2020 Distinguished Graduates.
- The honoring of 250 family members of those killed in action and in operational losses in the Honor Our Fallen Heroes event on 11 September 2021.

"The success of the past year is a direct tribute to the commitment and passion of our donors," said Ron Terwilliger '63, Chairman of the Foundation's Board of Directors. "The historic achievements accomplished during a pandemic is a testament to a community dedicated to ensuring the next generation of midshipmen are equipped with the resources they need to succeed as junior officers."

The COVID-19 pandemic upended life in many ways but it could not derail the dedication of alumni, parents and friends of the Naval Academy from ensuring future midshipmen have all the tools necessary to thrive once they enter the fleet. Thanks to alumni philanthropy, the Naval Academy Alumni Association and Foundation was able to support a range of programs and capital projects throughout the *Called to Serve, Daring to Lead* campaign including:

- 22 newly funded staff positions at the Naval Academy.
- The Class of 1963 Center for Academic Excellence, endowed by J. Ronald Terwilliger '63 and Classmates, which delivers academic support and resources through 50,000 appointments with midshipmen each year.
- 2,600 midshipmen international experiences.
- More than 10 new or renovated facilities—including Akerson Tower at Navy-Marine Corps Memorial Stadium, and the Naval Academy golf course.
- The Naval Academy Center for Cyber Security Studies, Hopper Hall.
- The expansion of the Class of 1969 Alumni Mentoring Program to more than 4,100 participants.
- Serving nearly 7,000 alumni transitions through the Service Academy Career Conference (SACC).

Construction of a new 65,000-square-foot Alumni Center on the banks of College Creek began in the fall of 2021. The Alumni Center will serve as a home for reunions, receptions and special events. It is scheduled to be complete in Summer 2023.

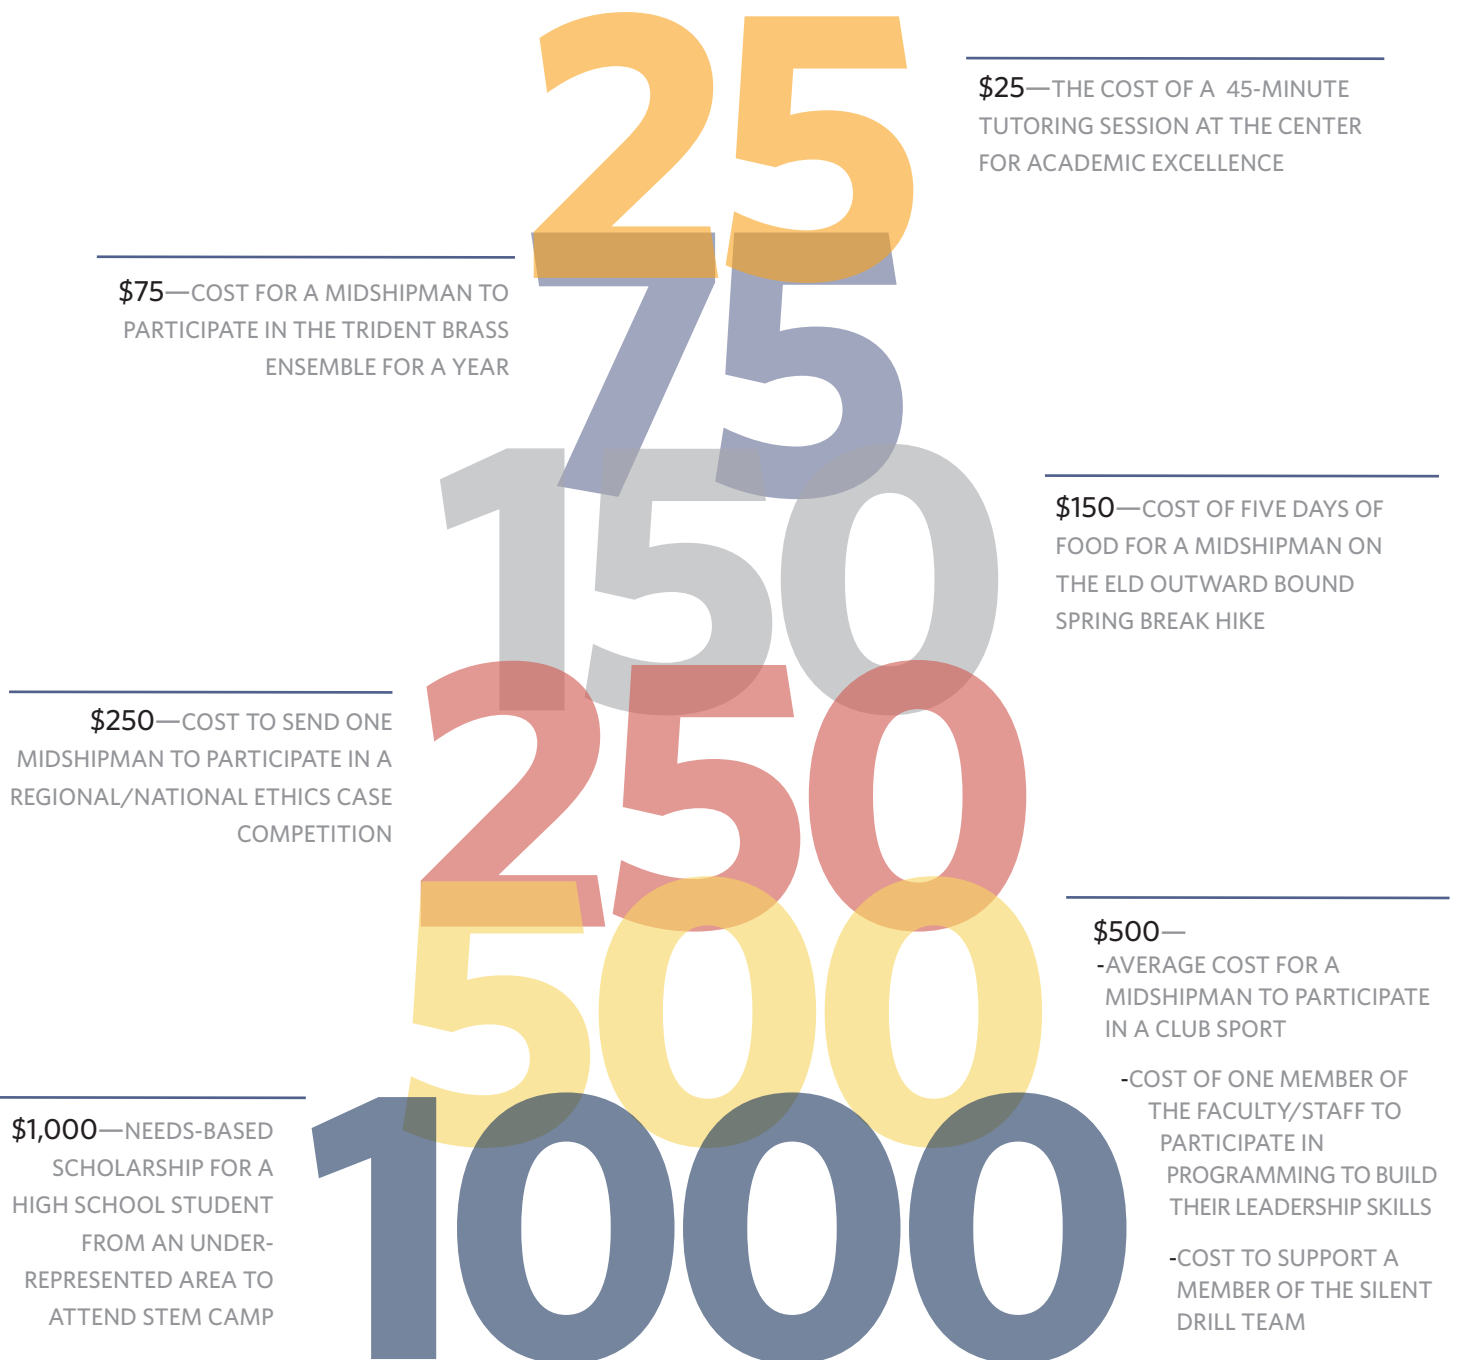

Closing out the campaign during a pandemic created a series of challenges but the extraordinary generosity of donors ensures the Naval Academy will remain the preeminent public institution in the nation.

“Thank you to each member of the alumni community including parents, friends of the Academy and volunteer leaders,” Terwilliger said. “Through turbulent times, your resolve propelled this effort to historic heights. It is clear the ties that bind us remain strong and unwavering.”

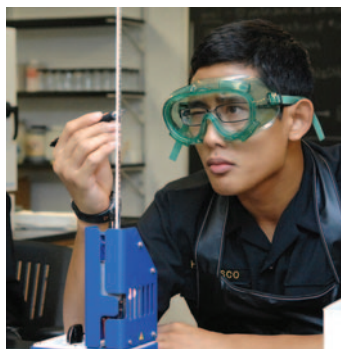

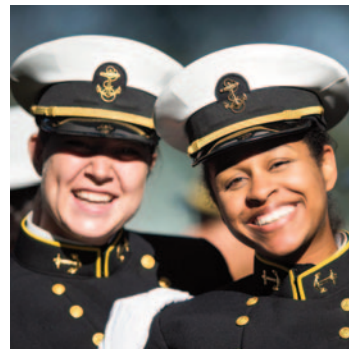

ALL GIVING LEVELS MAKE A BIG IMPACT

MARGIN OF EXCELLENCE

LETTER FROM THE CHAIRMEN

By Ron Terwilliger '63 and Admiral Mark E. Ferguson '78, USN (Ret.)

Beginning in July 2021, the Naval Academy Alumni Association and Foundation kicked off its Year of Gratitude. The *Called to Serve, Daring to Lead* campaign officially closed on 30 June 2021 with a record \$541 million raised.

At the outset of this nine-year campaign, the goal was an ambitious \$400 million. The Naval Academy Alumni Association and Foundation provides the margin of excellence to the Brigade of Midshipmen through the remarkable generosity of our philanthropic community.

Donor gifts help fund the necessary tools required to produce Navy and Marine Corps officers ready to lead upon graduation, including experiential leadership development, study abroad and language/cultural immersion programs and gold-standard academic and athletic facilities. The Naval Academy remains the No. 1 Public School according to *U.S. News and World Report* in part because of the support the alumni community delivers.

This donor report illustrates our collective commitment to the future of the Naval Academy. Your generosity makes it possible to sustain the programs that deliver the education and training needed to prepare future officers morally, mentally and physically.

During this Year of Gratitude, we say thank you for helping lay the foundation for future success. While we celebrate the extraordinary philanthropy of our philanthropic community in the past campaign, we never lose focus on our mission to ensure the Naval Academy remains the very best in the world at producing men and women of character to lead sailors and Marines in peace and war.

Thank you for partnering with us in this steadfast commitment to our Academy.

Sincerely,

Ron Terwilliger '63

LIFETIME GIVING UNRESTRICTED

Those who have served as leadership donors in lifetime unrestricted giving have made particularly distinctive commitments in support of the Academy. Naval Academy Fund gifts have a profound impact which ultimately serves to advance all of the Academy's strategic priorities. These supporters are typically unsung, without named positions or recognition in bricks and mortar that accompany many other gifts. Since 2016, the Naval Academy Foundation has honored those who have made Naval Academy Fund gifts of \$1 million or more in a display in the Armel-Leftwich Visitor Center. They, and those who have made unrestricted gifts of \$100,000 or more, are recognized below.

“

I believe all donors have an opportunity to support the Naval Academy in whatever way speaks most pointedly to them. Some of my most endearing memories and enduring friendships are those I have with my lacrosse teammates. I choose to continue to support Athletic Excellence with the intent and hope of giving other athletes the same, invaluable gift—a lifetime of shipmates who become chosen family.

The new Alumni Center will provide a wonderful venue to host reunions and other alumni events as well as to celebrate the accomplishments of our graduates across the full spectrum of service to the nation and their communities. Becoming a plankowner was a great way to help make this terrific facility a reality and support my 50th reunion class project in the process!

“

I was blessed to have parents that started me out on the right path in life and to be selected to attend the Naval Academy. Those blessings and luck prepared me for a successful career in business, for which I'm thankful. Sharing our financial resources to ensure these future leaders can obtain the best education and training possible at an institution that's always striving for excellence is, for my wife and me, the very best way to give back in appreciation for the blessings we have received.

CONSECUTIVE-YEAR GIVING

A loyal and growing group of alumni, parents and other friends of the Academy have made a gift through the Foundation for at least 25 years. These donors have played a critical role in shaping the culture of philanthropy that help make the achievements of today's Academy possible. We are profoundly grateful for their commitment and honored to continue to recognize them here.

“

In turbulent times, the nation's best leaders are the ones who lead ethically and who strive to make decisions through a moral lens. It is an imperative. The Boeing Company is very proud to answer the call in supporting the Stockdale Center and the pursuit of ethical leadership by our future naval leaders.

CONSECUTIVE-YEAR GIVING

“

I am tremendously proud and grateful to have graduated from the Naval Academy. I have found that I stay most connected to the Naval Academy through giving. It has kept me linked to my class and classmates but also allowed me to meet and work with so many other alumni that I may not have crossed paths with. They are amazing people that all share a bond that is our dedication to USNA and our shared experiences. I continue to be motivated by their passion for giving back.

PRESIDENT'S CIRCLE

The President's Circle is the premier giving society of the Naval Academy Foundation, recognizing more than 1,900 donors annually. Over the last 27 years, the President's Circle community has grown into a group that not only provides significant resources to the Academy, but one that also provides donors the opportunity to increase their own engagement and deepen relationships as alumni, parents and friends who support the Academy. President's Circle donors are invited to celebrate their philanthropic impact annually during President's Circle Weekend held in Annapolis where they interact with Yard leaders, faculty and the midshipmen who benefit from their generosity. Thank you to all our President's Circle donors!

“

The Behrens Family Scholars and Fellows Fund is to provide financial assistance to midshipmen and professors involved with Nuclear Engineering Programs at USNA. The Behrens Family has had numerous members who served in U.S. Navy during WWII and during the years after. The account is currently controlled by James W. Behrens of Annapolis who is a retired U.S. Navy civilian science and technology advisor who served in The Pentagon from 1989 to 2001. He is an active member in the American Nuclear Society and its Nuclear Nonproliferation Policy and Operations and Power Divisions.

“

The Naval Academy left an indelible impression on me by shaping how I learn, encouraging me to explore and developing me professionally. As I reflect, I believe it was my time on the Yard that provided me with the courage and competence to pursue dreams I thought were impossible. The Naval Academy's transformative effect on my life inspires me to remain involved and give back. While there are a number of ways to give back to the Naval Academy and its mission, I choose to give back via the Naval Academy Fund. I want the Brigade of Midshipmen—the next generation of leaders—to have the same transformative opportunities for growth, exploration and character development that I did. I consider it an investment not just in the lives of midshipmen, but in future colleagues, partners and leaders of our society.

“

The Naval Academy provided me the ‘brick and mortar’ and tools by which I was able to enjoy three successful careers: Navy, corporate and a personal consulting business. The Naval Academy was very good to me and in turn I plan to be good to the Naval Academy through both annual contributions and membership in the Robert Means Thompson Society.

— CAPT Edward R. Hamm '67, USN (Ret.)

”

ROBERT MEANS THOMPSON SOCIETY

The Robert Means Thompson Society recognizes individuals who have made a gift for the future of the Naval Academy, either through an estate gift or a gift that pays them an income for life. Through thoughtful planning and the use of tax-wise giving techniques, these gifts are often the largest gifts individuals make in support of the Naval Academy. In 2021, the Robert Means Thompson Society celebrated its 25th anniversary and the members who contributed nearly \$250 million in support of the Naval Academy during that time. Membership in RMTS provides the Naval Academy Foundation with an opportunity to thank members for their future generosity during their lifetimes.

CORPORATIONS, FOUNDATIONS AND ORGANIZATIONS

Support received from corporations and foundations is critical to the success of the U.S. Naval Academy and Brigade of Midshipmen. In 2021, our partners provided support for many new initiatives including project-based learning/Capstone collaboration and funding, academic enrichment opportunities through international programs as well as internships and curricular expansion in new and exciting areas like autonomy and data analytics. In-kind gifts enhanced or upgraded existing labs and helped to outfit new labs in Hopper Hall.

Thank you to the partners below for making a difference at the Naval Academy.

ALUMNI

The shared experiences and immense pride uniting Naval Academy alumni across generations, service assignments and current stages of life has helped fuel a remarkably generous alumni community. In 2021, the Naval Academy Foundation received gifts from more than 13,000 alumni representing 91 classes, all 50 states, several U.S. territories and four additional countries.

The Naval Academy Foundation appreciates the vital support it receives from the Naval Academy alumni community across the United States and around the world.

“

As we considered our options for distribution of our assets, we realized not only could we take care of our own family, but we could also invest in and express our appreciation to our Naval Academy family, current and future. We both believe in the institution’s mission and its relevance going forward. After a few worthwhile meetings with Foundation staff to evaluate options, we committed. Once we did that, it felt like exactly the right thing to do, reinvesting the benefits reaped from the skills and abilities the Navy developed in us. Go Navy!

PARENTS

Naval Academy parents show their support for their sons and daughters in countless ways during their years as midshipmen, throughout their service in the Navy and Marine Corps, and as they continue to navigate the personal and professional opportunities and challenges that face young leaders. These parents also show their support through their generosity to the Naval Academy and eager engagement as members of the Naval Academy community. In 2021, 1,891 Naval Academy parents contributed to the mission of this top leadership institution—215 were President’s Circle donors; and 3,244 were members of the Alumni Association and Foundation. Thanks to all parents for their loyal and inspiring support.

SUPPORT YOUR NEW
U.S. NAVAL ACADEMY
ALUMNI ASSOCIATION
AND FOUNDATION CENTER.
BE PART OF HISTORY.
BECOME A PLANKOWNER.

For more information, visit www.usna.com/give/plankowner

The U.S. Naval Academy Alumni Association and Foundation Center will be a lasting legacy for alumni, parents and friends—and will allow for significant opportunities for individual and class recognition throughout the property to acknowledge our history and ongoing support needed to sustain our level of commitment to the Brigade and greater Naval Academy community.

A Plankowner is any individual who commits to a contribution of \$12,500 or more through an outright gift or multi-year pledge to the new Alumni Association and Foundation Center by 31 December 2022.
