GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

Matriculated University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a bachelor's degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, or (3) students not meeting their departmental continuation policy.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission, including payment of a \$25 application fee, with the Registrar's Office. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration, Immigration and Naturalization Service, and Social Security Administration may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

ENROLLMENT SERVICE FEE

The \$50 Enrollment Service Fee is not required for Summer Quarter. If a payment has been made for the coming Autumn Quarter, it cannot be credited to Summer Quarter fees. Summer Quarter fees are entirely separate from fees collected for the other quarters and, therefore, credit balances in student accounts may not be applied to Summer Quarter tuition. Student account credit balances must be either refunded or applied to autumn, winter, or spring quarters.

NONMATRICULATED STUDENTS

During summer, nonmatriculated students receive the same priority as matriculated students for registration appointments, have equal access to departmental advisory offices, and may preregister for summer classes if they receive their admission and preregistration eligibility notification in time.

TUITION-EXEMPT FACULTY/STAFF

With the approval of their department heads, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister; registration may occur no earlier than the last day of the registration period. Faculty/staff who register before the last day will not be eligible to use a tuition exemption that quarter. Registration appointments are not required. Faculty/staff enrolling as new matriculated students must be officially admitted by the Office of Admissions by May 15. Faculty/staff members who are former students returning, either in the same classification or as nonmatriculated students, should apply at the Registration Office, Window 8, second floor, Schmitz Hall no later than June 18.

Employees should present their approved tuition exemption cards at Sections, Hutchinson Hall, according to the schedule listed below. A \$5 registration fee will be collected at the time of registration. The alpha-numeric priority will change each quarter. Regularly admitted faculty and

staff members who are unable to meet this schedule may register late by paying a \$25 fee if registering by the tenth day of the quarter; \$75 if registering after the tenth day. Term *b* students may register through July 25 without a late fee; July 28-30 with a \$25 late fee; and after July 30 with a \$75 late fee.

Summer Quarter Registration date: June 18, 1986

Last names beginning with Q-Z (8-9 a.m.); A-B (9-10 a.m.); C (10-11 a.m.); D-E-F (11 a.m.-noon); G-H (noon-1 p.m.); I-J-K (1-2 p.m.); L-M (2-3 p.m.); N-O-P (3-4 p.m.); makeup (4-4:30 p.m.).

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students on a space available basis. "Access" students are limited to two courses per quarter. The fee is \$5, whether one or two courses are attended. As auditors, students do not receive credit and are not expected to do laboratory work or to take examinations. Registration may be made in person on Wednesday, June 18, between 8 a.m. and 2 p.m. at the Sections branch office, in Hutchinson Hall. Interested students should go to the area marked *Access*. For additional information on mail-in registration or about the program in general, telephone University Extension, 543-2300, between 8 a.m. and 5 p.m. and ask for Conference Management.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement.

Attendance in courses as an auditor is by consent of the instructor and is on a space-available basis. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be cancelled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. *Access: University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Hutchinson Hall registration or add/drop area is reached by a full flight of stairs; so wheelchair users and other students with mobility limitations should go to the Sections Office at 264 Schmitz. Students using this location need no Change of Registration Appointment Card (although those registering for the first time do need a registration appointment).

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543-8924, and the academic adviser of that department immediately to evaluate whether some accommodation of the facilities will be necessary.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

Using the *Summer Quarter Bulletin* and the quarterly *Time Schedule*, plan your program of study for the summer. See an academic adviser if you have questions about registration procedures, the courses you wish to take, or if approval of your quarterly program of study is required.

Nonmatriculated students may consult advisers in the academic department offering the courses they wish to take (adviser approval of summer programs is not required, however).

PREREGISTRATION

1. Eligibility

Preregistration is open to all students continuing from Spring Quarter, matriculated or nonmatriculated, and to new and returning students applying early enough to be notified of preregistration eligibility. Exceptions are tuition-exempt faculty/staff and older adults auditing under the Access program, who may register only during the last day of in-person registration (see General Information section for specific registration dates).

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Window 3, Registration Office, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop basic programs.

Continuing students preregistering may turn in forms at:

- Registration lobby, second floor, Schmitz Hall
 - B10 Padelford
 - Fourth-floor student lounge, T-wing, Health Sciences Building
- New or returning students preregistering must turn in forms at Schmitz Hall.

3. If You Miss Preregistration

Obtain in-person registration appointment beginning May 12 at Window 8, Schmitz Hall. Term *a* or full-quarter students registering after June 18 will pay a \$25 late registration fee; after July 7 the late registration fee will be \$75. Term *b* students may register through July 25 without a late fee; July 28–30 with a \$25 late fee; and after July 30 with a \$75 late fee. Late fees are to be paid at the Student Accounts and Scholarships Office, 129 Schmitz.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, sophomores, and nonmatriculated. Schedules will be mailed May 30.

5. Registered Students

Students who preregister but are not scheduled into any courses are not considered registered students. They are not included on the current file of registered students, and are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION

1. Eligibility

In-person registration is primarily for newly admitted and returning former students who do not apply early enough to be eligible for preregistration or who miss preregistration. New students who miss the May 15 closing date for matriculated status may apply for Summer Quarter as nonmatriculated students. Former students in their same classification and applicants for nonmatriculated status may apply by mail through June 1; after June 1 they must apply in person. Former students apply in person at the Registration Office, second floor, Schmitz Hall; new students apply in person at the Office of Admissions, 320 Schmitz. When admission is confirmed, a registration appointment will be issued. Students applying in person June 12–18 may register at the same time they apply.

Continuing students who miss preregistration, tuition-exempt faculty/staff, and older students in the Access program also register during in-person registration. All students, except Access students, must be admitted to the University before attempting to register.

2. How to Register

See an academic adviser as indicated in the registration instructions that you received with your registration appointment.

Develop a schedule of classes selected from courses in the quarterly *Time Schedule*. List the classes on a worksheet, available from your adviser, or at Window 3, second floor, Schmitz Hall, and take it together with your registration appointment (or your faculty/staff exemption

card) to the Sections branch office in Hutchinson Hall. If your registration appointment is for, or after, 4 p.m., try to see an adviser an hour early so that you can arrive at Sections by the time indicated on the appointment. *Your classes will be scheduled while you wait.*

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

SPECIAL-DATE COURSES

In general the registration, fee payment, and grading requirements of special-date courses will depend on whether the course is identified as an "a," "b," or full-quarter course.

For courses that begin or end on dates other than the standard dates of term *a*, term *b*, or full quarter:

Late registration fees. A \$25 late registration fee will be charged after the first day of the course.

Registration drop/add fee. A \$20 late registration fee will be assessed for either dropping or adding a special-date course after the first day of the course.

Tuition refunds. Full refund if course is dropped no later than the first day of course instruction. One-half refund if course is dropped during the first 40 percent of the course. After 40 percent of the course is completed, no refund.

Grading. No grade and no entry on record if course is dropped by first day. Free drops permitted with "W" grade through first 40 percent of course. No drop permitted after 40 percent except limited preemptory drops as available to each student (see preemptory drops under regular drop schedule). No drops of any kind on last day of course.

LATE REGISTRATION

Students whose initial registration occurs after June 18 (July 25 for term-*b* courses) will be charged a late registration fee.

Type of Course	Registration Date	Late Registration Fee
full-quarter	June 23–July 7	\$25 (\$75 thereafter)
term <i>a</i>	June 23–July 7	\$25 (\$75 thereafter)
term <i>b</i>	July 28–July 30	\$25 (\$75 thereafter)

Instructor signatures are required after official change periods.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) *All changes to a student's program should be completed during the official change period (see calendar).* Changes are made by appointment only. Appointments are available, beginning June 5, at Window 3, second floor lobby, Schmitz Hall. Hutchinson Hall add/drop area is reached by a full flight of stairs so wheelchair users and other students with mobility limitations should use the sections office at 264 Schmitz. Students using this location need no Change of Registration Appointment card. A student who arrives more than a half-hour late will be required to make a new appointment. Evening-only students may change their programs without an appointment any time after 5 p.m. and no later than 6:15 p.m. during the first three days of school; they should go directly to Sections in Hutchinson Hall.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, Forest Resources and the Department of Biology may make changes during the first week of the quarter, without an appointment in the lobby of the T-wing, Health Sciences Building.

Graduate students may make registration changes in 264 Schmitz during the first week of the quarter. No appointments are necessary during this week. Early changes in Hutchinson require appointments.

Changes made after the official change periods cost \$20 and may result in fee forfeiture (see item 3 of this section).

b) *Students will be expected to present University of Washington Summer Quarter 1986 student identification cards when requesting appointments. Tuition-exempt faculty and staff present faculty/staff identification cards and copy of their program.* No more than one change appointment will be issued to a student at a time. Additional

change appointments will be issued only after the initially assigned appointment has been used or has expired.

c) Credit changes in variable credit courses and changes to or from S/NS grading may be accomplished without change appointments during the change period. Changes to or from S/NS (Satisfactory/Not Satisfactory) grading must be made during the official change period.

2. Grades in Dropped Courses and Drop Restrictions

After the Official Change Period, courses may be dropped under the following conditions:

- a. Dropped courses will not be entered on the student's record—
 - full-quarter courses: through July 7.
 - term *a* courses: through June 27
 - term *b* courses: through July 30
- b. Dropped courses will be entered on the student's record with a grade of W—
 - full-quarter courses: July 8–18 (graduate students, July 7–August 8)
 - term *a* courses: June 30–July 7 (same for graduate students)
 - term *b* courses: July 31–August 6 (graduate students, July 31–August 8)
- c. Undergraduate student deadline to drop courses—
 - full-quarter courses: July 18
 - term *a* courses: July 7
 - term *b* courses: August 6
- d. Graduate student deadline to drop courses—
 - full-quarter courses: August 8
 - term *a* courses: July 7
 - term *b* courses: August 8

A limited number of drops are permitted after this date (see below). No drops of any kind are permitted after July 16 for term *a* courses and August 15 for full-quarter and term *b* courses.

Undergraduate students may make a limited number of drops after the aforementioned deadlines as determined by the number of credits earned at the University. While completing the first 44 credits at the University, the student has three drops permitted after the deadline, but before the last week of instruction. Any of these three drops not used by the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. *No drops of any kind are permitted after July 16 for term a courses or after August 15 for term b courses and full-quarter courses.*

Graduate students do not earn late drops; they may drop courses only until the date specified.

Students may petition the Registrar to drop a course after the regular drop deadline if: (1) the student is unable to complete the course in question due to a severe mental or physical disability, or (2) unusual and extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course.

3. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter, June 27. Courses added after this date may result in additional fees, which are payable at the time of the change. Only partial fee reductions will result for full-quarter and term *a* courses dropped after June 27. Term *b* courses dropped by July 30 will result in full refund of fee differential.

b) For each category of course (full-quarter, term *a*, or term *b*, there is a period during which students owe one-half the tuition and fees associated with dropped courses. Example: An undergraduate originally registered for 5 credits. The fee for 5 credits is \$265. The student then drops a 3-credit course during the half-payment period. The total number of credits for which the student remains registered is 2. Tuition and fees are due for the 2 credits (\$106) and one-half the difference between 5 credits and 2 credits, in this case an additional \$79.50. Total fees owed are \$185.50. The student has been registered in the dropped course for more than the first five days of the quarter or term and therefore must pay half the fees for the course.

Type of Course	Half-payment Period
full-quarter	June 30–July 7
term <i>a</i>	June 30–July 7
term <i>b</i>	July 31–August 6

c) After these final dates, there is no reduction in the amount of tuition and fees owed.

d) Dropped courses become effective the date received in Sections.

4. Courses Added After the Official Change Periods

The instructor's signature is required for adding a full-quarter or term *a* course after June 27; a term *b* course after July 25.

Courses audited may not be changed to a credit registration after June 27 for full-quarter courses or term *a* courses; and after July 30 for term *b* courses.

FEE PAYMENT

1. You will be billed for tuition and fees based on the number of credits on your program at the end of the first week of the quarter, including courses added or dropped through June 27. The fee statement will be mailed on June 30 to the address you indicate at the time of registration. If you have not received your tuition billing by July 7, please contact the Student Accounts and Scholarships Office for the amount due. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. There is no late payment period.

If payment is not received by July 11, your registration will be canceled. *Even if your registration is canceled, you are obligated for one-half your tuition and fees unless you have officially withdrawn from your summer classes by June 27 (term b registrants excepted).*

2. If you have a scholarship or a grant, or will be receiving educational aid, you must pay the required fees if the notice of award is not on file at the Student Accounts and Scholarships Office.

3. If you are permitted to reregister after cancellation for nonpayment, you will be assessed a \$75 reregistration fee. When you reregister, you must reregister for *all* classes on your original schedule. All fees for reregistration must be paid by cash, money order, or cashier's check.

4. Credit card checks are not accepted.

Half-credit increments are charged at the next fee level. In contrast to academic year procedures, the \$50 enrollment service fee is not required. There is no reduction in fees for auditors.

Special Course and Laboratory Fees

The amounts listed in the above fee schedule normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them, and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

CHANGE OF ADDRESS

If you change your address after you have registered, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by University Extension including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, conferences, or the Access program;

2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student health insurance and wish to cancel your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the amount billed less the indicated amount for insurance. If you wish to change or add coverage, you must do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition/fees and the student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International Students

International students must subscribe to the student insurance plan. Penalties for not paying insurance fees by the tuition due date are the same as tuition penalties under Fee Payment section. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter, (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary.

To be eligible for the student health insurance plan, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. If the health insurance premium or waiver is not submitted by the tuition due date registration cancellation may result. International students who want coverage during Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not wish to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, pay the regular tuition and fees plus \$2.

WASHINGTON STUDENT LOBBY (WSL)

An optional \$1 fee is indicated on the fee statement for the Washington Student Lobby (WSL), a voluntary, independent organization of University students whose purpose is to influence the state legislative process on matters of special interest to students. Students who do not wish to support this activity simply pay the regular tuition and fees. Students who wish to support WSL pay the regular tuition and fees plus \$1.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. If you register and subsequently wish to withdraw from all your summer classes, you must withdraw officially from Summer Quarter. Unofficial withdrawal by nonpayment of fees by the July 11 deadline results in a financial obligation of one-half your tuition and fees (term *b*-only registrants excepted).

2. Obtain a withdrawal form from the Withdrawal Office, 264 Schmitz, or from your advisory office. Some colleges and schools require adviser approval to withdraw from classes, but most students (including students in the College of Arts and Sciences and all non-matriculated students) may withdraw in person or by writing directly to the Withdrawal Office.

3. Present or mail the withdrawal form to the Withdrawal Office, 264 Schmitz. *Withdrawals are effective the date they are received in the Withdrawal Office*; fee refunds or fees owed will be based on this date. **No withdrawals will be accepted after July 16 for term *a* courses or after August 15 for term *b* and full-quarter courses.** The fee schedule below will be followed:

Full-quarter or term *a*-only courses

a. Students withdrawing *before* the sixth class day of the quarter or term (June 30) do not pay tuition or fees.

b. Students withdrawing on the sixth through the tenth class day of the quarter or term (June 30–July 7) are obligated for one-half their tuition and fees.

c. Students withdrawing *after* the tenth class day of the quarter or term (July 7) are obligated for full tuition and fees.

d. Students whose registration is canceled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

Term *b*-only courses

a. Students withdrawing on or before June 30 do not pay tuition or fees. Students withdrawing after June 30 and *before* the sixth class day of the term (July 31) are eligible for a full refund of tuition and fees.

b. Students withdrawing on the sixth through the tenth class day of the term (July 31–August 6) are obligated for one-half their tuition and fees.

c. Students withdrawing after the tenth class day of the term (August 6) receive no refund of tuition or fees.

d. Term *b*-only registrants who do not pay their tuition and fees by July 11 will have their registration automatically canceled. However, because this date occurs during the official withdrawal period for term *b*-only registration, these students are not obligated for one-half their tuition and fees.

4. Students who were unable to turn in their withdrawal on time because of extenuating circumstances may petition the Comptroller's Office. Petition forms are available in the Student Accounts and Scholarships Office, 129 Schmitz.

5. If you have been accepted for Summer–Autumn, withdrawal from Summer Quarter *on or after June 23* does not affect your Autumn Quarter status. Withdrawal must, however, be official to guarantee Autumn Quarter space. Withdrawal from Summer Quarter *prior to June 23* invalidates summer registration, and a new application for Autumn Quarter is required.

6. Courses dropped as part of a University withdrawal completed by July 7 for full-quarter registration and by June 27 and July 30 for term *a* and term *b* registration, respectively, receive no grade and no entry. Withdrawals after these dates result in the courses being assigned a grade of "W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report grades from 4.0 to 0.7 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range will be converted by the Registrar's Office to 0.0. For graduate students, grades reported in the range 1.6–0.1 will be converted to 0.0; 100–200-level courses are excluded from credits earned and grade-point averages although such grades are recorded on the transcript; for 300-level courses and courses numbered 600, 601, 700, 750, and 800 grades are recorded and credit is allowed, but grades are not included in the grade-point averages. Numerical grades may be considered equivalent to letter grades as follows:

Undergraduate/Graduate*

A	4.0–3.9	
A–	3.8–3.5	
B+	3.4–3.2	
B	3.1–2.9	
B–	2.8–2.5	
C+	2.4–2.2	
C	2.1–1.9	
C–	1.8–1.5	* Lowest grade earning credit
D+	1.4–1.2	for graduate students is 1.7.
D	1.1–0.9	
D–	0.8–0.7	Lowest passing grade for undergraduates.
E	0.0	Failure or Unofficial Withdrawal. No credit earned.

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz.

Repeating Courses

With the approval of the academic department offering the course, an undergraduate student may repeat a course once. Both the original grade and the second grade will be computed in the student's grade-point average but credit will be allowed once. Students repeating courses should so indicate on their registration form.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Summer Quarter course must be made up by the last day of Autumn Quarter, or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the

Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter *in residence*. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the course work is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. When the final grade is received, it is posted under the quarter in which the final grade is received.

Incomplete grades can be awarded only if the student is doing satisfactory work up until the last two weeks of the quarter. A student who receives an Incomplete grade should never reregister for the course to remove the incomplete.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. A course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation (electives only). Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the

student's transcript. *S/NS must be elected during initial registration or during the official change of program period.* Undergraduate students earning grades of 2.0 or above receive a grade of S (Satisfactory) while grades below 2.0 are recorded as NS (Not Satisfactory).

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on a S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average, N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a W is recorded. N, I, or X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

FINAL EXAMINATIONS

There is no separate final examination week during Summer Quarter. Finals are ordinarily given during the last scheduled class unless all students and their instructor agree on another time.

The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for changing the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent. If the instructor determines that

neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure that the room is going to be available.

Questions concerning the examination schedule should be directed to Room Assignments, 543-1080.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Distance Learning office provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Distance Learning courses are separate from residence tuition and are \$32 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Distance Learning credit should consult his or her departmental advisor prior to enrolling in a Distance Learning course. Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).

W COURSES OFFERED SUMMER QUARTER 1986

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983 or later must complete 10 credits of courses designated "W." W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses taught Summer Quarter 1986 have been designated as W courses.

PARKING REGULATIONS

THE UNIVERSITY OF WASHINGTON

STUDENTS PARKING GUIDE

The University of Washington endorses and promotes several modes of alternative transportation. To avoid traffic congestion and high transportation costs while commuting to campus, choose riding a bicycle, moped, motorcycle, carpool, vanpool, use the ride-matching service, or ride the bus rather than driving alone.

Transit

Many buses commute daily to the University District and through the campus, stopping along Stevens Way at five locations. Timetables are available at Commuter Information Centers located at the HUB-main floor, South Campus Center, University Hospital Lobby, and By George Deli. Monthly bus passes for Metro and Community Transit are sold at a discount with a current ASUW card at the HUB, South Campus Center, and Cashier's Office in Schmitz Hall.

Health Sciences Express

Shuttle bus service is available between the University Hospital/Health Sciences Center and affiliated hospitals and medical facilities. For more information, call 545-1522.

Carpool Parking (Daily Pay)

Three or more persons—Vehicles entering with three or more persons can park for 50¢ per day, payable upon entrance. Parking area will be assigned by the gate attendant. A designated number of spaces is available between 7 a.m. and 4 p.m. to carpools entering campus through the following gates:

Gate 2 (NE 45th St. and 17th Ave. NE entrance to campus)—175 spaces. Parking area N-5.

Gate 3 (25th Ave. NE entrance to campus)—75 spaces in Padelford Garage.

Gate 1 (NE 41st and 15th Ave. NE)—Between 7 a.m. and 9:30 a.m., a designated number of spaces (300) is available in Central Plaza Garage. After 9:30 a.m., three person carpools will be parked on a space available basis.

Two or more persons—Montlake Lot—E-1 (north of the IMA tennis courts)—Carpool spaces are available in the south end between 7 a.m. and 9:30 a.m. for 25¢ per day. Upon entering through the southwest gate, the driver will be given 35¢; when exiting, the driver will pay the normal 60¢ charge. (Discontinued during Summer Quarter and breaks.)

Gate 8 (Stadium entrance to E-12)—Carpool spaces are available for vehicles for 50¢ per day, payable upon entrance. Parking based upon space availability.

Evening—Two or more persons—After 4 p.m., a reduced rate of 25¢ is available to Gate 8, except for special events.

Note: Carpool permits (annual or quarterly) are issued to only faculty and staff. A student may be a member only.

Ride-matching Service

The University provides a ride-matching service for carpools and vanpools. For more information, contact the Transportation Information Office (545-0450).

Motorcycle, Moped and Scooter Parking

A motorcycle parking permit may be purchased at the Parking Division Office on a quarterly basis for \$7.50/quarter or on an annual basis for \$30.00/year. On a daily basis, permits may be purchased at a campus gate for 50¢. Motorcycles, scooters and mopeds must park only in designated cycle areas. Residence hall motorcycle parking is assigned through the Residence Halls. For more information, see Parking Division's Motorcycle Brochure.

Daily Pay Parking

Daily pay parking is available in the following areas:

East Campus:

Montlake Lot—E-1 (north of the IMA tennis courts); 60¢ upon exiting.

E-5 (east of E-1): purchase a 25¢ ticket from the machine in lot E-5.

E-3 and E-4 (east of E-5): purchase a 25¢ ticket from the machine in lot E-4.

West Campus:

W-44 (NE Northlake Pl. and 7th Ave. NE): purchase a 25¢ ticket from the machine. Tickets purchased from the machine must be visibly displayed in the vehicle. Tickets are valid for one day and expire at midnight.

Central Plaza Garage:

The Central Plaza Garage (levels B, C, and D) is available for visitor parking. Pay \$3.00 upon entrance, and a prorated refund will be made upon exiting if you stay less than three hours.

Evening Parking

Students registered in evening classes may purchase night permits on a quarterly basis at the Parking Division Office. These permits are valid weekdays from 4 p.m. to 7:30 a.m. and Saturday mornings. Student I.D. cards or proof of University registration and a valid driver's license are required. Individual night permits are available at campus gates for \$1.25 and expire at 7:30 a.m.

Residence Hall Permits

Residence hall students must apply for parking for the academic year through their residence hall complex desk. Assignments are issued through the residence halls based upon priority (number of quarters). For summer quarter only, students must apply at the Parking Division Office and assignments are issued on a first-come, first-served basis.

Quarterly Permit

Very limited permit parking is available to commuting students on a first-come first-served basis the first day of school at the Parking Division Office, 3917 University Way NE. Student I.D. cards or proof of University registration and a valid driver's license must be presented with the parking permit application. Parking areas available to students are E-2 in the east campus (across from the University Village Shopping Center) and W-40 in the west campus (on NE Northlake Pl. and 8th Ave. NE). Parking permits are \$37.50 per academic quarter and renewable.

Disabled Parking

Physically disabled students (including those in wheelchairs) with a confirming letter of disability from Hall Health Center will be issued parking in areas according to need. Permits are \$37.50 and \$51.00 per quarter, based on the area. Applications may be made one week prior to the first day of school or anytime thereafter.

Shuttle bus service is available (7:30 a.m. to 4:00 p.m.) for disabled students on a reservation dial-a-ride basis at 545-1511. Service can be scheduled for an entire quarter if necessary. All rides are scheduled on a first-come, first-served basis. Vehicles are equipped with wheelchair lifts.

Renewing Permits

Residence Hall students should renew their academic year permits by applying to their residence hall complex desk. Commuting students should renew their quarterly permits for the next quarter at the Parking Division Office approximately two weeks before the first day of class. All renewal permits not purchased before the first day of school each quarter go on sale to new applicants. Disabled students whose disability form has expired must obtain another form from Hall Health Center before renewing their permit.

Parking Violations

Any outstanding campus parking violation(s) must be settled before a parking permit will be issued or renewed. Contact Parking Violations Division, (HE-15), 1117 NE Boat St. (543-9008).

More Information

For more information regarding parking and traffic regulations, parking permits, or other issues, contact the Parking Division Office, ND-05, at (206) 545-1543. It is located at 3917 University Way NE. The business office is open from 7:30 a.m. to 5:00 p.m., Monday through Friday.
