## THE QUARTERLY TIME SCHEDULE AND GENERAL CATALOG ON UWIN

Course descriptions from the catalog and the quarterly schedule of classes from the Time Schedule are now available on UWIN (UW Information Navigator). Use your modem from home or a computer available at a Computing and Communications Lab to connect to UWIN. The course descriptions are up-to-date and the Time Schedule is interactive with the student database. When you look at the status of a course, it is current at that moment. Now you have two ways to check course availability - Call STAR and check a particular SLN by pressing S followed by the appropriate SLN and the (#) number sign key or call up UWIN on your computer and review several sections of a course or several courses at a time.

If you have not yet established an account on a Uniform Access computer, call Computing and Communications Information at 543-5970, or visit the Academic Computer Center (3737 Brooklyn Ave. NE) for information and assistance.

Once you have access to the system, you may review the course descriptions, class schedule, campus events, and even peruse the library catalog system directly from your desktop computer.

### UWIN Access by modem

Dial-in access is available by calling:

9600 bps (only)..... 685-7796  
 2400 bps (only)..... 685-7724  
 1200 or 300 bps..... 685-7712

### STUDENT DIRECTORY ON UWIN

The Student Directory is also available on UWIN. The name, phone number, major(s), and e-mail address of enrolled students are available unless the student has restricted the release of directory information with the Registration Office. (See Release of Student Directory Information in the NOTICES section of this Time Schedule.)

## FACULTY AND STUDENT E-MAIL COMMUNICATION

If you have an e-mail account set up on a Uniform Access computer, your professor will be able to contact you directly via e-mail. Many faculty members and students are using this form of communication now. As an additional enhancement, student e-mail addresses will be included on the instructors class list. To insure that you can participate in this new technology, set up your e-mail account today!

### UPDATE YOUR ADDRESS

It is easy to do and you will be happier if your Autumn Quarter grades and Winter Quarter registration confirmation comes to you directly instead of your roommate. Visit the Registration Office, 225 Schmitz Hall, or call (206) 543-3868 to update your address information.

### DEADLINES

Miss a deadline last quarter and have to pay a late fee? In our continuing efforts to keep you informed, deadline dates have been added to the text of the Time Schedule replacing terms such as "eighth calendar day" to help you keep your account clear of extra charges. This is in addition to the applicable deadlines found in the section titled "Quick Reference Guide to Quarter Deadlines".

### Phone Directory

To contact other university departments call, (206) 543-2100.

# STAR Registration

## STAR

STAR (Student Telephone Assisted Registration) is the University of Washington's touch-tone telephone registration system. You may call STAR from any touch-tone phone to register. Touch-tone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the ground floor level of the HUB.

STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. STAR weekend hours are 9:00 a.m. to 12:00 midnight. Weekday hours are 6:00 a.m. to 12:00 midnight.

## STAR FEATURES

### ADDING COURSES

Courses may be added during Periods I, II, and III. An add code is required to add a course and a \$20 change fee is charged beginning January 10. This is in addition to any tuition. Always check your balance after adding a course. See Changes in Registration for additional information on adding courses. Friday, January 13, at 6:00 p.m. is the last day to add a course for Winter Quarter 1995.

### ADD CODES

Some courses require Add Codes or Faculty Numbers which are available through the department offering the course. See ENTRY CODES for more information on using Add Codes.

### DROPPING COURSES

Courses may be dropped during Periods I, II, III and IV. You may drop courses through January 13 and receive no entry on your transcript. Beginning January 10, a \$20 change fee is charged to drop a course. This is in addition to any tuition forfeiture. Always check your balance after dropping a course. See Changes in Registration for additional information on dropping courses. Sunday, February 19, is the last day to drop a course for Winter Quarter 1995.

### DROP CODES

Some courses require drop codes which are available through the department offering the course. See ENTRY CODES for more information on using drop codes.

### COURSE AVAILABILITY

Beginning Period I, you may call STAR at any time to complete section II of the Star Worksheet and check course availability.

### ALTERNATE SECTIONS

STAR lists alternative sections if the requested sections are closed or canceled.

### CONFIRMED REGISTRATION

You may confirm your registration schedule by calling STAR and using the List Schedule Transaction (L#). This listing includes building and classroom locations.

### STUDENT ACCOUNT AND LOAN STATUS

Call STAR to: list your current student account balance; list a summary of disbursed financial aid and

aid check availability; determine if outside lender loan funds are available; and list the latest recorded student account payment. Review the STAR Work Sheet for the transaction codes.

### GRADES ON STAR

STAR lists all officially recorded grades for the most recently completed quarter. Winter Quarter 1995 grades become available on STAR beginning March 22.

### CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES

If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

### PRIVATE ACCESS CODE (PAC)

The first time you ever call STAR, enter your date of birth when STAR asks you to enter a Private Access Code. STAR will then prompt you to select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall or call 543-8580 to obtain your code or select a new PAC.

### IF YOU MAKE A MISTAKE

If you make a mistake before finishing an entry, press the star key and the number sign key (\*#), and your entry will be discarded.

### MERLIN TELEPHONE

If you are using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

### TIME AND CALL LIMITS WHEN CALLING STAR

Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. If you are disconnected you may immediately call back to STAR. You may call STAR up to 100 times a day. No transactions will be permitted when your calls exceed 100 on that day.

### CLOSED SECTIONS

If the section re-quested is closed, you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You may then select an alternate section to be added to your schedule. To overload a closed section see OVER-LOAD GUIDELINES on the following page.

### STAR QUESTIONS

If you have questions regarding registration, please call the Registration Office, (206) 543-4000, Monday through Friday, from 8:00 a.m. to 5:00 p.m. The audiolibrary system has complete recorded instructions. If you need additional assistance, press "0" and a staff member will help you during business hours.

### STAR TRANSACTIONS

The transactions you enter on your touch-tone telephone communicates to the computer what action to take (such as add a course, drop a course, etc.) and what data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = List class schedule
- S = Course Status
- T = Terminate your call.
- G = List your grades
- 11 = Account balance
- 12 = Financial Aid Summary
- 13 = Outside lender loan.
- 14 = Last received payment.
- 15 = Optional charges.
- \* = Star key; used to separate data
- # = Number sign key; used to send transactions that you enter

## FOLLOW THESE STEPS BEFORE CALLING STAR

- Read the Registration Eligibility, Periods, and Confirmation; STAR Registration; and the STAR Work Sheet sections.
- Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before selecting your courses.
- Obtain an Entry Code or Faculty Number from department for courses requiring entry codes.
- Organize your registration materials (Time Schedule, STAR Work Sheet). Use the Winter Quarter 1995 TIME SCHEDULE to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Prepare an alternate course section list because some sections may be full.
- Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.
- Call STAR from a touch-tone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR each quarter. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation.
- Beginning with Registration Period I, you may call STAR as often as you want to check the status of sections, have your confirmed schedule listed, add/drop courses, check your account balance, etc.

# Additional Registration Information

## ADDRESS CHANGE TELEPHONE SERVICE

You may call (206) 543-3868 at any time to change your address information.

## CHANGES IN REGISTRATION

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning January 10. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the university's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. You will be notified of the decision by the Office of the Registrar. The fee will be waived only if the change is necessitated by a University error or is at the university's request.

## CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since the instructor will assign a failing grade. You may not attend a University course in which you have not been officially registered. An instructor may allow you to attend his or her class only if your name appears on the official class list from Office of the Registrar. A faculty member may attend informally with the approval of the instructor.

## CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

## ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable. All courses require add codes to add beginning January 10.

Courses requiring add codes are designated with the symbol to the left of the schedule line number (SLN) in the Time Schedule.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain entry codes is found in the body of the Time Schedule, either as a comment before the course listing or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to readd the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

## INDEPENDENT STUDY COURSES

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR.

## FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full-time if you are an undergraduate or professional student. If you are a graduate student, you should register for 9 or more credits. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

## OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through January 9, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning January 10, add codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after January 13. STAR closes at 6:00 p.m. on that day.

## REGISTRATION ASSISTANCE

If you work during the day or are incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 543-5723 to make arrangements for assistance. If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you.

## REGISTRATION HOLDS

If you have a hold on your registration, you will not be permitted to register or add courses until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold and where to go to get it released. You may make other transactions on STAR.

## REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

## REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

## TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures on an Authorization for Non-Star Transactions form are required for courses that conflict more than one hour a week.

## UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

## VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall.

# Registration Eligibility, Periods & Confirmations

## REGISTRATION ELIGIBILITY

### ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post-baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the university's satisfactory progress policy (see General Catalog).

### UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without reapplication as returning students. For example, a student completing Winter quarter may, without registering for or completing Spring quarter, register during Registration Period I for Autumn quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline.

### GRADUATE STUDENTS

The quarter-off eligibility policy is not available to graduate students. Graduate

students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter. On-leave graduate stu-

dents returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). See Grad-ing, Withdrawal & On-Leave section for more information.

## REGISTRATION PERIODS

### STAR HOURS

STAR is available for registration Monday through Friday, 6:00 a.m. to 12:00 midnight, and most weekends 9:00 a.m. to 12:00 midnight.

### PERIOD I NOVEMBER 16- DECEMBER 2

This period is open only for continuing students currently enrolled Autumn Quarter 1994 or for students who completed Spring Quarter 1994.

Priority registration dates are based on your completed credits, your Autumn Quarter 1994 credits as of November 14, and the last digit of your student number. The number priority will be changed each quarter so that all students will have the earliest possible priority every other quarter. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period. You may call STAR on, or after, your registration date to register and make changes to your schedule.

you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

### PERIOD II DECEMBER 5- JANUARY 2

This period is primarily for newly admitted students and returning former students. Advising / registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

### PERIOD III JANUARY 3- 13

This period is open to all students for late registration and course adds and drops.

STAR closes at 6 p.m., Friday, January 13. STAR will be closed on Saturday, January 14. The Registration Office, 225 Schmitz will be open for transactions not available on STAR: Monday-Friday: January 3 - 13. 8 a.m. to 5:00 p.m.

### PERIOD IV JANUARY 17- FEBRUARY 19

This period is open for dropping courses on STAR and to elect audit grade option only. Changing to audit grade is only available at the Registration Office, 225 Schmitz Hall, Tuesday, January 17 through Sunday, February 19, 8 a.m. to 5 p.m.

If you are a graduating senior or post-baccalaureate student with a degree application on file in the Graduation and Academic Records Office, you may register on the first day of Period I for your final two quarters. If you must postpone your graduation,

tions.

## REGISTRATION CONFIRMATION

Registration confirmations for students who registered by December 2 will be mailed on December 6. If you register after December 2, your Registration Confirmation will be mailed in two working days. Call 543-3868 to record your correct address. Confirmations will not be mailed outside the United States during Registration Period II and III and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom loca-

## GRADING

### AUDITORS

You must first register on STAR and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through February 17. A \$20 change fee is charged beginning January 10. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on space availability. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for audited courses. However, registered courses changed to audit after Jan. 13 will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course change occurred; for graduates and professional students only a "W" will be recorded. To receive credit for an audited course, you must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on your transcript, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after January 13.

### CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

### GRADE APPEAL PROCEDURE

See the General Catalog for appeal procedure.

### INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not re-register for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (Summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

### SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Your advisers should be consulted and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Register for the course on STAR, but then you must go in person to the Registration Office, 225 Schmitz, to elect the S/NS grading option. You cannot select the S/NS grade option on STAR.

The S/NS grade option can be elected through January 13. A \$20 fee is charged beginning January 10.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

### "W" GRADES

If you are an undergraduate and drop a course during the first two weeks of a quarter, there is no entry on your permanent academic transcript. If all courses are dropped, then a complete withdrawal date is recorded on the transcript. A course drop made January 17 through February 19 is recorded on an undergraduate student's transcript with a "W" grade and a number designating the week of the quarter in which the course drop was transacted. Only a "W" grade is recorded on the transcript of graduate or professional students.

## WITHDRAWAL

### QUARTER OFF ELIGIBILITY POLICY

If you are an undergraduate or professional student (dental, law, or medical) who has completed the preceding quarter here at the University of Washington, you may take a quarter off under the Quarter Off Eligibility Policy. Review the REGISTRATION ELIGIBILITY section for complete details.

### WITHDRAWAL FOR THE QUARTER

(Dropping all courses.) It is your responsibility to withdraw completely if you are unable to attend for the quarter. You may write to or withdraw in person at the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after March 10.

If you drop your last course on STAR and do not add a course you will be considered withdrawn for the quarter. If you drop your last course on STAR you will be charged the \$20 change fee beginning January 10.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration

Office, the date that the last class is dropped on STAR, or the postmark date for withdrawals received by mail. If you withdraw prior to January 9 you will owe a \$75 U-PASS fee unless you return your U-PASS to the Student Accounts and Cashiers Office by the tuition due date. If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker.

Review the Registration Eligibility section of the Tims Schedule if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through January 17) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (Summer Quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of autumn quarter and winter quarter, you must reapply as a returning former student for spring quarter.

### HARDSHIP WITHDRAWAL

Hardship withdrawals are for dropping individual courses after the seventh week of the quarter (February 19). The \$20 change of registration fee will be assessed.

You may petition the Registrar for a hardship withdrawal if either of the following apply: 1) you are unable to complete the course in question because of a severe mental or physical disability, or 2) unusual or extenuating circumstances beyond your control prevented you from dropping the course by the drop deadline. (or 3) you are not petitioning courses taken prior to graduating.

### WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or credit and no refund. Please consult with the Office of the Registrar for complete details.

### GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign an On-leave Card, then take it to the Registration Office through January 9. You must pay a \$35 non-refundable fee at the Student Accounts and Cashiers Office, room 129 Schmitz Hall after your On-leave Card is processed at the Registration Office. The cashier will issue you an On-leave Card so you will have access to the libraries. If you have pre-registered for Winter quarter and plan to go on-leave, you must officially withdraw prior to January 3 before the on-leave status will be granted.

# Tuition Exemptions & Access Programs

## UW FACULTY/STAFF AND WASHINGTON STATE CLASSIFIED EMPLOYEES TUITION EXEMPTION PROGRAM

If you have been continuously employed full time for six months with the university or an agency of the state of Washington prior to the academic quarter in which you are trying to enroll, you may be admitted to the University of Washington and take up to 6 credits per quarter using this exemption. According to legislative action, all registration must be on a space available basis after other matriculated students have registered. You may not register for graduate-level independent study courses numbered 600, 700, or 800 or any self-sustaining courses. If you are admitted as nonmatriculated in order to use this exemption, you may only register for classes when using the exemption and after the exemption request form has been submitted. Matriculated students will be permitted to register even when they are not using the exemption, however, full tuition and fees will be charged.

If you are enrolling under one of these exemption programs you may attend class with the permission of the instructor, beginning the first class day if space is available. Call STAR to determine the correct classroom location. The building and room number may have been changed by the department since the Time Schedule was printed.

## ADMISSION FOR UW FACULTY/STAFF OR CLASSIFIED STATE EMPLOYEES

If you would like to enroll as a new matriculated student or in a new matriculated category, apply to the Office of Undergraduate Admissions, 225 Schmitz Hall, by the regular admission closing date, October 15 is the closing date for Winter Quarter applications. If you are applying to the Graduate School (including Graduate Nonmatriculated status), you should contact the applicable academic department for application information. If you are applying as a new nonmatriculated student, you should go to the Office of Undergraduate Admissions.

If you are a former student at the UW and are returning in the same classification or as a nonmatriculated student you should apply at the Registration Office, room 225 Schmitz Hall. These applications are normally accepted up to the beginning of the quarter. Graduate nonmatriculated program participants need to apply through the intended academic department.

## REGISTERING

After the tuition exemption request has been received by the Registration Office, you may call STAR on or after the appropriate eligibility dates. Registration continues through Monday, January 9, on STAR without assessment of late fees. Beginning Tuesday, January 10, a \$25.00 late registration fee is billed if you are initially registering for the quarter and a \$20.00 change fee is charged for registration changes. You will be billed these fees, if applicable, plus the registration fee when you register in a course. If you add your course before the tuition exemption program registration date, you will not be permitted to convert to the tuition exemption program and will be required to pay regular tuition for those credits. You will not be entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Faculty/staff identification cards may be used for library services. Washington State employees participating may obtain an ID card to be used for library services from the Student ID Center, 229 Schmitz Hall and a UPASS sticker for \$27.00 from the Registration Office, room 225 Schmitz Hall. Deadlines and registration dates are listed below:

## UW FACULTY/STAFF

Friday, December 9 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Thursday, January 5 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, January 20 - \$5 registration fee due. Fee is billed if a student successfully registers.

## WASHINGTON STATE CLASSIFIED EMPLOYEES

Friday, December 9 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Friday, January 6 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, January 20 - \$30 registration fee due. Fee is billed if a student successfully registers.

NOTE: You should contact your departmental office or the Registration Office, (206) 543-8580, 225 Schmitz Hall, for a tuition exemption form.

## ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an ACCESS student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with a greater than sign (>) require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, room 225 Schmitz Hall. The fee is \$5.00 whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment will be due by January 20. Since you are auditing the course(s), you do not receive credit and are not expected to do any class work or take examinations. You may register for all courses except UW Extension, Distance Learning studio, laboratory courses, and honors sections. You may also register in 500 level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained.

You will be limited to two courses per quarter. For additional information about this program, you may telephone UW Extension Information, 543-2310, between 8 a.m. and 5 p.m., weekdays.

## REGISTERING

Please go to the Registration Office, room 225 Schmitz Hall on Thursday, January 5, 1995 during the times listed below.

Registration time for ACCESS students is based on last name. Access students do not register through STAR.

(Fees are subject to change without notice)

Tuition charges are based on your student classification, e.g. undergraduate, graduate, or professional, and not on course level.

Fees listed do not apply to students registered through University Extension. See University Extension Bulletin for their fee structure.

### TUITION FORFEITURES / REFUNDS

You will be billed for the number of credits, including audit hours, on your course schedule at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after January 9. You will be expected to pay one-half of the tuition associated with any courses dropped beginning January

### STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after January 9 will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures or Refunds)

Tuition is due January 20.

Charges incurred after the tuition due date must be paid in 1-3 days.  
(See Tuition/Fee Assessments and Deadlines)

10 through February 1. Courses dropped after February 1 receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after February 1 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

a. If you withdraw before January 9, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before January 10 without returning the U-PASS sticker you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.

b. If you withdraw on January 10 through February 1, you will continue to owe one-half of your tuition. If you withdraw after January 9, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than Jan. 20 to have the fee waived. There will be no U-PASS refunds after Jan. 20.

c. If you withdraw after the February 1, you will continue to owe full tuition.

d. If your registration is canceled for nonpayment of fees you will continue to owe the University one-half of your tuition and fees.

e. If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office in 103 Lewis Hall at the same time you withdraw from the University.

f. If you drop any classes on January 10 through February 1, that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours.

g. If you are a Title IV aid recipient, attending your first quarter at the University and withdraw after January 9, you must pay a prorated portion of the University charges. Charges are prorated based on the portion of the quarter for which you are enrolled. If you withdraw after the seventh week of the quarter (February 19), you must pay full tuition. The pro rata refund provision applies to tuition, fees, room and board and other charges which would otherwise be assessed by the University. The \$100 Enrollment Confirmation Deposit is applied toward payment of tuition.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

### TUITION/FEE ASSESSMENTS AND DEADLINES

It is your responsibility to see that tuition is paid in full by the tuition due date (January 20). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does

not nullify your responsibility for payment by the due date. Account balances are available through STAR (transaction 11#).

Select your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by January 13, contact the Student Accounts and Cashiers Office, or call STAR for the amount of tuition due.

You may pay your fees in person in the Student Accounts and Cashiers Office or mail them to UW, Student Accounts and Cashiers Office, 129 Schmitz, PE-10, Seattle, WA 98195, before January 20. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before January 20 are accepted without a late fee. Mail postmarked after January 20 is subject to penalties as described below.

If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee. For past due balances over \$250 the late fee is \$30; \$30-\$250 balance the late fee is \$10; and if the balance is less than \$30 then there is no late fee.

If payment has not been received in the Student Accounts and Cashiers Office by the end of the late payment period, registration for the current quarter as well as any future quarters will be canceled. Reregistration after cancellation for nonpayment requires a \$75 fee, in addition to tuition.

Tuition and fees incurred after the January 20 must be paid within three working days. Exception: As of the last week of instruction, charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

If you reregister, you must reregister for all of the classes that were on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) If you wish to drop any courses after you reregister, you may do so on STAR until the end of the seventh week of the quarter (February 19). A \$20 change fee will be assessed. Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter (March 10) will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

### APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

# Student Insurance and Optional Fees

## STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. Seattle Campus UW students (except nonmatriculated students and those enrolled in programs administered by UW Extension and UW faculty/staff or Washington State classified employees attending classes under the employee tuition exemption programs) who remain registered through January 10 are eligible to enroll in the plan.

You may sign up for the plan when you register for classes. If you are registered for classes by your academic department, and no plan is indicated, you will be enrolled in the student-only quarterly plan. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition-due date (January 20). In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. There is no late payment period for the insurance premium.

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Cashiers Office, by the tuition due date (January 20).

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

## OPTIONAL FEES

### SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

### WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. You may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

### WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization which works on issues affecting the quality of life in Washington State. Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

### UW ID CARD

You should carry your UW ID Card with you at all times since it is required for a variety of services on campus. In some situations, you may be asked to provide additional pieces of identification, including one containing your photo. A quarterly validation sticker is mailed with your registration confirmation. The sticker should be affixed to the permanent ID Card as soon as it is received. Lost ID Cards may be replaced at the Student ID Center, 229 Schmitz. A non-refundable \$5 fee is charged for replacement of non-photo ID cards or \$10 for replacement of photo ID cards. (See also U-PASS information below).

### U-PASS INFORMATION

A U-PASS validation sticker is mailed with your registration confirmation each quarter. The U-PASS is valid on all regular Metro and Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to van-pool and Night Ride passengers, and merchant discounts. The quarterly fee of \$27 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline. The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office or the Registration Office.

If you withdraw through January 9 without returning the U-PASS sticker you will owe \$75 for the U-PASS. If you withdraw after January 9 you will be charged the applicable tuition and may retain the pass for \$27 or return it no later than the tuition due date to have the \$27 fee waived. There will be no U-PASS refunds after the tuition payment deadline, and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through January 9. Replacement stickers issued after January 9 will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$27 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$27 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. The U-PASS program, replacement policies, and quarterly fee are subject to change without notice.

# Notices

## ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union building. You may join ASUW when registering on STAR.

## DISABLED STUDENTS

If you are a disabled student, various support services, including priority registration, are available. You may contact Disabled Student Services (DSS), room 448 Schmitz Hall, 543-8925 voice/TDD, for information on accommodations to meet individual needs, accessibility and equipment services.

If you require special accommodations for science labs, internships, etc., you should contact your professor, the DSS Director and/or the academic adviser of that department to work out appropriate services.

The STAR Work sheet and instructions are available from DSS in alternate media, including large print, tape recording and Braille. If you have a disability which limits your ability to use STAR, you may register through DSS or at the Registration Office, 225 Schmitz Hall.

## DISCLOSURE OF STUDENT RECORDS

As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition accounts information only may be obtained from the Student Accounts and Cashiers Office, 129 Schmitz.

## EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in employment Act Amendments of 1978, Vietnam Era veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer,

Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. N.E., Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

## FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

## GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or autumn quarter 1987 are 57% in 5 years and 65% in 6 years.

## RELEASE OF STUDENT

### DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, the following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, major field of studies, dates of attendance, degrees and awards received, full-or part-time enrollment status, educational institutions attended, and for athletes, date-of-birth, weight and height.

If you do not wish to authorize directory release and do not want your directory information to appear in the Student Directory, you may call the address change service at 543-3868 to restrict access to this information. No information will be released on students that have restricted release of directory information including degrees awarded and dates of attendance. If you wish to change your authorization and allow release, you must go to the Registration Office, 225 Schmitz and present photo identification.

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), you have the right to 1) inspect and review information contained in your education records, 2) challenge the contents of your education records, 3) request a hearing if the outcome of the challenge is unsatisfactory, 4) submit an explanatory statement for inclusion in the education record if the outcome of the hearing is unsatisfactory, 5) prevent disclosure with certain exceptions of personally identifiable information, 6) secure a copy of the institution policy, and 7) file complaints with the Department of Education concerning alleged failures by institutions to comply with the Act. Written complaints should be directed to FERPA, Department of Education, Room 4074, Switzer Building, Washington D.C. 20202.

## SEXUAL HARASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0285

Human Rights Office, (206) 543-7217  
Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

## IMMUNIZATION

University and local health authorities recommend immunization against measles for students. Individuals are considered to be immune to measles if they have received two documented doses of measles vaccine (measles only or combined measles-mumps-rubella vaccines) since 1967, have laboratory evidence of measles immunity, have a documented episode of physician-diagnosed measles, or were born before 1957.

There have been outbreaks of measles at other universities, and to avoid such an occurrence on this campus, the University is asking students who are not immune to measles (as described above) to obtain the necessary shots. In the event of an outbreak here, students lacking acceptable documentation of measles immunity may be excluded from classes, living groups and/or other activities. For more information, students are encouraged to contact the Hall Health Center, the student health service on campus, at (206) 685-1055.

\* Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.

Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.

Students are responsible for taking any number of examinations for which they are scheduled on a given day.

4. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.

5. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.

6. Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

7. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

8. Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, 543-1080.

# "W" Courses Offered Winter 1995

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1985, or later, must complete 10 credits of courses designated "W". Some other undergraduate majors also require "W" courses. W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer "W" courses. The following courses being taught Winter Quarter 1995 have been designated as "W" courses.

### College of Education

#### Teacher Education Program

EDTEP 501 First Quarter Field Experience - Elementary (2) Field experience accompanying the first quarter of study in the elementary Teacher Education Program. Students spend approximately 30 hours per week for two weeks during the quarter in supervised school placements and small group discussions. Credit/no credit only. Prerequisite: Elementary TEP student.

EDTEP 503 Third Quarter Field Experience - Elementary (4) Field experience accompanying third quarter of study in Elementary Teacher Education Program. Students observe school year opening for approximately one month in August and September and spend approximately 18 hours per week during the quarter in supervised school placements and small group discussions. Credit/no credit only. Prerequisite: Elementary TEP student.

EDTEP 511 School and Society (3) Exploration of issues regarding schooling and society, such as matters of value and value tension in American schools. Consideration of social values such as equality, opportunity, pluralism, and community; historical and contemporary evidence of values in schooling; and how values can conflict in policy and practice. Prerequisite: TEP student.

EDTEP 521 Topics and Issues in Numeracy (3) Focus on mathematics from the perspective of the learner and on the meaning of understanding a mathematics concept. Examination of cultural aspects of the development of these concepts. Prerequisite: TEP student.

EDTEP 523 Teaching, Learning, and Assessment in Science (3) Science teaching in a manner consistent with how young children learn science concepts and skills. Opportunities are provided for work on science activities similar to those used with elementary school children and to experience many of the problems and successes of preadolescents. Prerequisite: TEP student.

EDTEP 531 Topics and Issues in Literacy (3) Investigation of the multiple natures of literacy development. Students study the impact of culture and family on literacy development by reading and discussing a variety of texts while also experiencing the development of their own learning through literature study, the writing process, and oral presentations. Prerequisite: TEP student.

EDTEP 533 Teaching, Learning, and Assessment in Literacy II (3) Content and process of literacy learning in elementary school. Prerequisite: TEP student.

EDTEP 541 Dilemmas of Teaching and Learning in Elementary School (3) Covers human learning in the elementary school setting with emphasis on discipline-specific cognition and cognitive development. Prerequisite: TEP student.

EDTEP 543 Integrating Social Studies and the Arts (3) Introduction to the objectives, content, and teaching strategies of social studies and the arts as taught in the elementary school. Emphasis on integration of the two subjects, as well as other curricular areas, within the context of instructional units. Prerequisite: TEP student.

EDTEP 551 Introduction to Multicultural Education (2) Concepts, theories, and strategies that constitute major dimensions of multicultural education. Focus on racial and ethnic groups, social class, and gender. Dimensions of multicultural education examined include content integration, knowledge construction process, prejudice reduction, equity pedagogy, and empowering school culture and social structure. Prerequisite: TEP student.

EDTEP 562- Adolescent Development and Education I (3-) Overview of trends and issues of adolescent development and behavior in relation to contemporary secondary schooling. Psychological perspectives on adolescent identity, interpersonal relationship, academic engagement, and social deviancy in schools examined with special attention to classroom management and accommodating differences. Prerequisite: TEP student.

**EDTEP 580- Teaching English and Language Arts in Secondary School I (5-)** Prerequisite: TEP student.

**EDTEP 582- Teaching Mathematics in the Secondary School I (5-)** Prerequisite: TEP student.

**EDTEP 584- Teaching Social Studies in the Secondary School I (5-)** Prerequisite: TEP student.

**EDTEP 586- Teaching Science in the Secondary School I (5-)** Prerequisite: TEP student.

**EDTEP 588- Teaching World Languages I (5-)** Prerequisite: TEP student.

**EDTEP 592 Second Quarter Field Experience - Secondary (3)** Field experience accompanying the second quarter of study in the Secondary Teacher Education Program. Students spend approximately two days per week in supervised school placements and small group discussions. Prerequisite: Secondary TEP sequence.

#### College of Forest Resources

##### Ecosystem Science and Conservation

**ESC 512 Biogeochemical Cycling in Soils and Forest Ecosystems (3)** Elemental cycles in forests and soils. Fundamentals of processes involved in cycling are addressed along with alterations resulting from environment, vegetation, and soil types. Consideration of cycles of nutrients, metals, and other elements. Weekly discussion section reviews literature on biogeochemical cycling. Prerequisites: one soils course or permission of instructor.

#### Forest Management and Engineering

**F E 404 Forest Engineering Field Seminar (1)** Forest engineering activities examined and discussed during three all-day site visits. Forest engineering practitioners, faculty, and students have the opportunity to interact in an informal, content-rich environment. Prerequisite: forest engineering student or permission of instructor.

#### School of Nursing

##### Physiological Nursing

**PN 560 Biological Aspects of Cancer: Implications for Care (3)** Survey of major concepts from tumor biology and their implications for advanced oncology nursing practice. Areas include carcinogenesis, cancer epidemiology, pathology, metastasis, treatments (chemotherapy, radiation, surgery, immunotherapy), cancer detection and prevention. ## MY DEGREE GOT ME THE INTERVIEW. ARMY ROTC GOT ME THE JOB.

Things got pretty competitive for this job. I'm sure my college degree and good grades kept me in the running. But in the end it was the leadership and management experience I got through Army ROTC that won them over.

You can begin to develop impressive leadership skills with an ROTC elective. Register now without obligation.

Find out more. Call Major Dean Morris at (206) 843-9010.

*PS: Be on the look out for your scholarship invitation letter.*

## COMPUTERS

BY CLAY KNOWLES

Computers are like cars. Everybody's got different needs. Some people want speed, some size. Some want all the bells and whistles, others just need something to get them from point A to point B.

With this in mind, the best thing to do when considering the purchase of a computer system, is figure out the following: 1) What do I want a computer for in the first place? Do I want it for word processing, games, Computer Aided Design (CAD), Spreadsheets, Databases, etc.? And 2) once you know what you want to do with it, what software do you want to do it with? By establishing these two criteria, you'll be able to determine, much more easily, what computer to buy, because the software you choose will have basic requirements of your system. Larger, more complicated programs like CAD and some Windows programs will require more memory and larger hard disk space.

Once you know what your needs are and what software you want, you should give serious consideration to the following hardware options and how they can effect your system:

**RAM** (Random Access Memory): Without getting too technical, this is basic working memory of your system.

Again, the software you use will effect how much RAM you need. If you're planning to use Windows software you should have at least 4MB (megabytes). If you have 8MB or 16MB your machine can work more efficiently, especially if you are running multiple operations simultaneously. In general, more is better. 4MB should be fine for basic Word-processing or Spreadsheets in Windows.

**Hard Disk/Drive:** This is the drive that keeps all of your favorite programs loaded and ready to go on your system. The bigger the Hard Drive the more programs you can keep at your finger tips. The more sophisticated programs being developed today are bigger and can take up a lot of space. Just a few Windows programs and a couple of games can eat up 100MB of space. If you're going to run Windows and plan on keeping up with new releases, a 300 MB or bigger Hard Drive is a good place to start.

**The CPU and Clock Speed:** The CPU is the Central Processing Unit and the Clock Speed is the speed at which it runs. You may have heard of a 386 or a 486 machine. This is in reference to the CPU. The software you choose to run on your machine will have requirements as to which type of CPU to use and possibly the clock speed at which it runs. In general, the faster the CPU and the Clock Speed the more efficient your computer will be at running your software. A 486 machine is a good place to start for running Windows software.

So when you're ready to buy, remember, computers are like cars. Take your time. Shop around. Talk to friends who already own one. Read the computer magazines. And most importantly, take 'em for a test drive.

# UNIVERSITY OF WASHINGTON

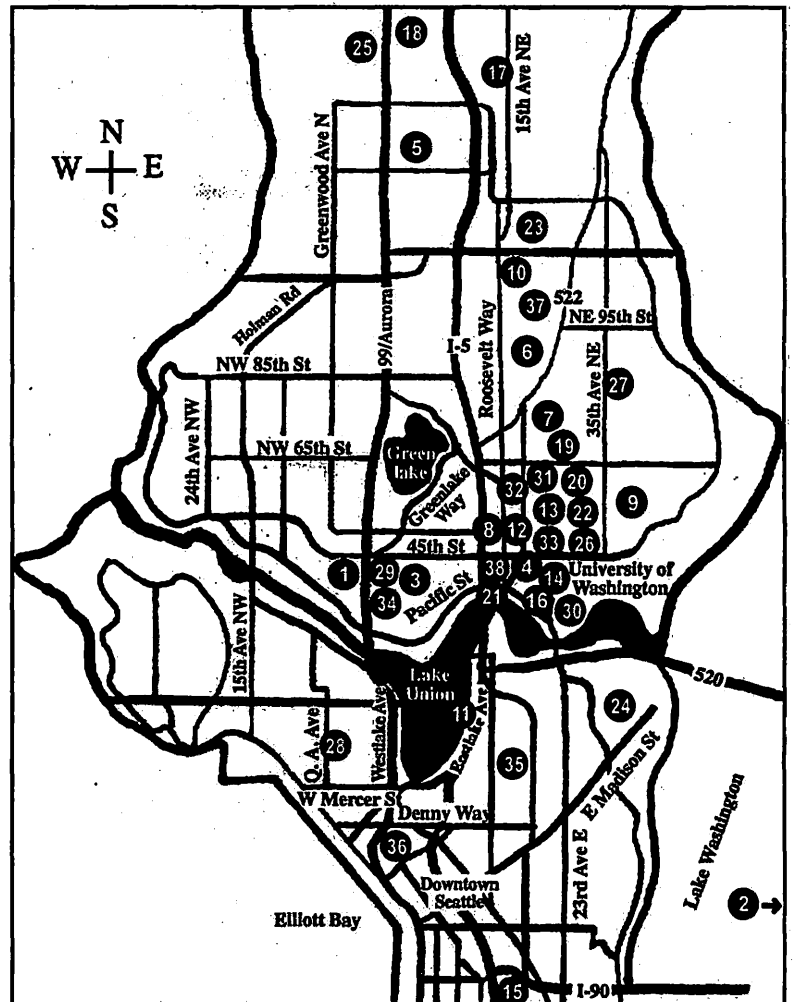

Seattle offers the University of Washington student a host of housing choices. There are apartments, duplexes, townhomes and single family residences to choose from in a wide range of price categories. Many even include paid utilities.

You are invited to browse the following properties before making a selection. Compare amenities and quality of life provided for your rental dollar. Then call for an appointment to tour the facility. Rental counselors at each property will be glad to answer your questions and assist you in your housing selection and eventual move.

**RENTER'S WORKSHEET**

**How much rent can you afford?**

The recommended rule is to budget 25-30% of your gross income for rent. Your lifestyle and liabilities determine where you fall within this range. Generally you should use 28% as a guide.

Use the following formula to calculate your monthly target rent:

**Yearly Gross Income** \_\_\_\_\_  
**Divide by 12** \_\_\_\_\_  
**Multiply by .28** \_\_\_\_\_

**TARGET RENT**

**Estimate your other monthly costs**

Use this guide to calculate what your total monthly expenses will be after you move.

- Gas & Electric \_\_\_\_\_
- Telephone \_\_\_\_\_
- Cable TV \_\_\_\_\_
- Food \_\_\_\_\_
- Clothing \_\_\_\_\_
- Car Loan & Insurance \_\_\_\_\_
- Other Loan Payments \_\_\_\_\_
- Credit Card Payments \_\_\_\_\_
- Medical Expenses \_\_\_\_\_
- Transportation \_\_\_\_\_
- Entertainment \_\_\_\_\_
- Miscellaneous \_\_\_\_\_

Add these total monthly expense figures together to help assess your monthly living expenses.

# Top Ten Reasons To Live On Campus

## Rental Checklist

### Review your lease carefully

Make sure you understand the terms, your rights and your obligations. Remember: The terms of a lease can often be negotiated and the best time to negotiate is before signing. Many leases contain outdated, unfair and even illegal clauses.

### Include a list of needed repairs in your lease

Give a target completion date for each repair. If the landlord fails to make the repairs specified in the lease he is in breach of the lease. Remember that oral promises are not legally binding. The written document is.

### Inspect the premises again after moving in

Make a list documenting the condition of the apartment, including pre-existing damages that do not necessarily require fixing but that need to be brought to the attention of your landlord so that you will not be held responsible for them at the end of your lease. At the termination of your lease, do a similar inspection of the premises, preferably with the property owner or manager. In this way you will make sure your security deposit is returned to you if you have not done damage to the premises.

### Purchase renter's insurance

Protect your property against theft, fire and other hazards and get liability coverage.

THE  
PRINCETON  
REVIEW

**We Score More**

The Princeton Review is not affiliated with either Princeton University or the Educational Testing Service.

# 8 out of 10 UW Students have a U-PASS

## Here's why...

### The Bus

Go places. Ride Metro and Community Transit all around two counties, as often as you want! Pick up a "U-PASS Bus Map" at any campus Commuter Center.

### Bikes

U-PASS fees help pay for more and better bicycle facilities. And now all Metro buses are equipped with bicycle racks—when you take the bus, your bike rides free.

### Carpools

Park free on campus when all members of your carpool have a U-PASS. Save money on gas and car maintenance, too. The

Transportation Office (543-0450) will help you find carpool partners.

### Night Ride

If you live near campus, get shuttle service to your door when it's dark outside.

### Merchant Discounts

Save money at stores and restaurants all over the U District and around town.

***At just \$27 per quarter, the U-PASS is your best deal on or off campus.***

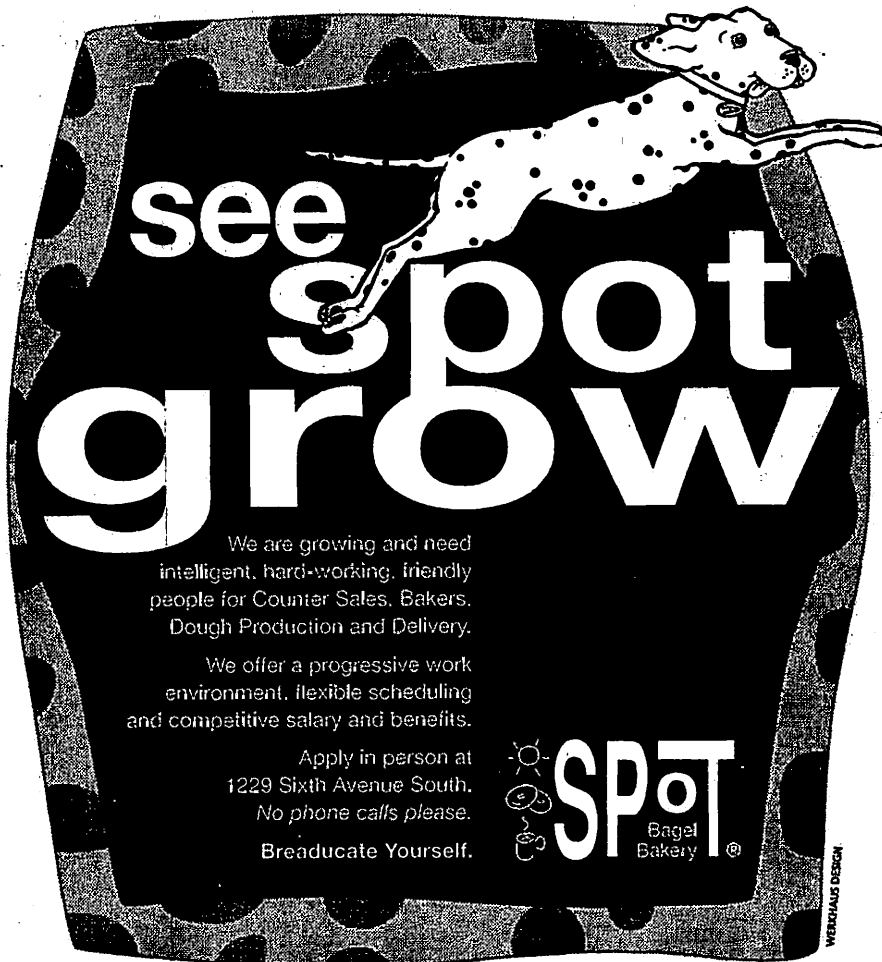

To find out more about what a U-PASS can do for you, pick up information at any of the campus Commuter Centers listed here or call the Transportation Office at 543-0450.

### Commuter Centers

- ◆ The HUB
- ◆ Parking Services
- ◆ South Campus Parking
- ◆ By George
- ◆ Visitors Information Center
- ◆ South Campus Center
- ◆ Schmitz Hall
- ◆ UW Medical Center lobby
- ◆ Health Sciences E Court

***More than just a bus pass.***

**see spot grow**

We are growing and need intelligent, hard-working, friendly people for Counter Sales, Bakers, Dough Production and Delivery.

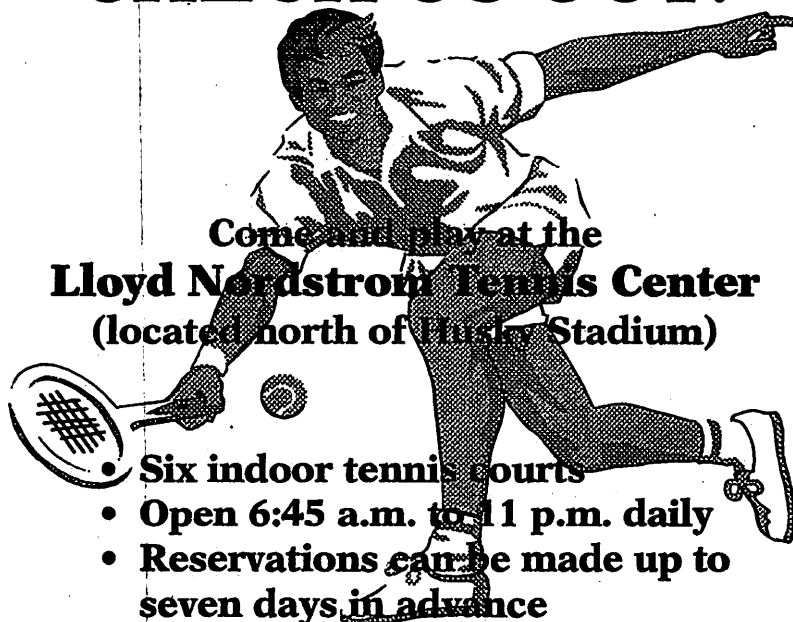

We offer a progressive work environment, flexible scheduling and competitive salary and benefits.

Apply in person at 1229 Sixth Avenue South. No phone calls please. Breaducate Yourself.

## Bikes

by Matthew Anderson

Unless you're one of the chosen few lucky enough to own a car (although some people don't consider car payments, insurance, gas, maintenance and parking fees lucky), your basic mode of transportation is probably a bicycle.

There's a lot to be said for bicycle ownership. Biking is great for the environment and for your body; parking's never a hassle; you don't need expensive insurance; and you never have to buy gas. Even maintenance is affordable, especially if you do some of it yourself.

Below are some basic maintenance tips that every bike owner should know and follow:

**CLEANING:** On a monthly basis, wipe down the frame with a damp cloth to get rid of built up dirt and grime that can erode the paint job or rust a steel frame. At the same time, clean tire rims and brake pads with rubbing alcohol. Excess grit reduces the effectiveness of your brakes. **TOOLS:** cloth, rubbing alcohol, water

**TIRE PRESSURE:** Proper inflation increases the life of your tires, helps avoid rim damage and provides a better ride. Check your tire pressure regularly to catch slow leaks that could leave you stranded. Correct pressure for your particular tires can be found on the side of each tire. Also cup your hand around the tire (preferably while wearing a glove) and spin the tire to remove small bits of glass and detritus that could cause a flat. **TOOLS:** tire pump, glove (optional)

**BRAKE ADJUSTMENT:** You're speeding down the hill on your way to class when all of a sudden a car darts out in front of you. You quickly apply your brakes but nothing happens... Don't let this happen to you. Brake pads should be checked regularly for any wear and tear. Remove any dirt or grime embedded in your pads with rubbing alcohol and a piece of fine-grit sandpaper. Replace badly worn or deteriorated pads immediately. **TOOLS:** cloth, rubbing alcohol, fine-grit sandpaper

**DRIVE TRAIN:** What can be more irritating than a noisy chain? Well, actually quite a few things, but this article is about bikes, so the answer is a noisy chain. A noisy chain may not appear to be a big deal, but it could actually be symptomatic of a poorly maintained drive train. A drive train consists of derailleurs, chain, free wheel and the crank set. Regular cleaning of these parts with a good degreaser and lubricating of the chain with a good non-dirt collecting lubricant will improve and increase your pedaling efficiency. A noisy drive train and/or difficulty in shifting could indicate poorly aligned derailleurs. Since this could be a tricky thing to fix, it's best left to your mechanic. **TOOLS:** biodegradable degreaser, lubricant, cloth, old toothbrush

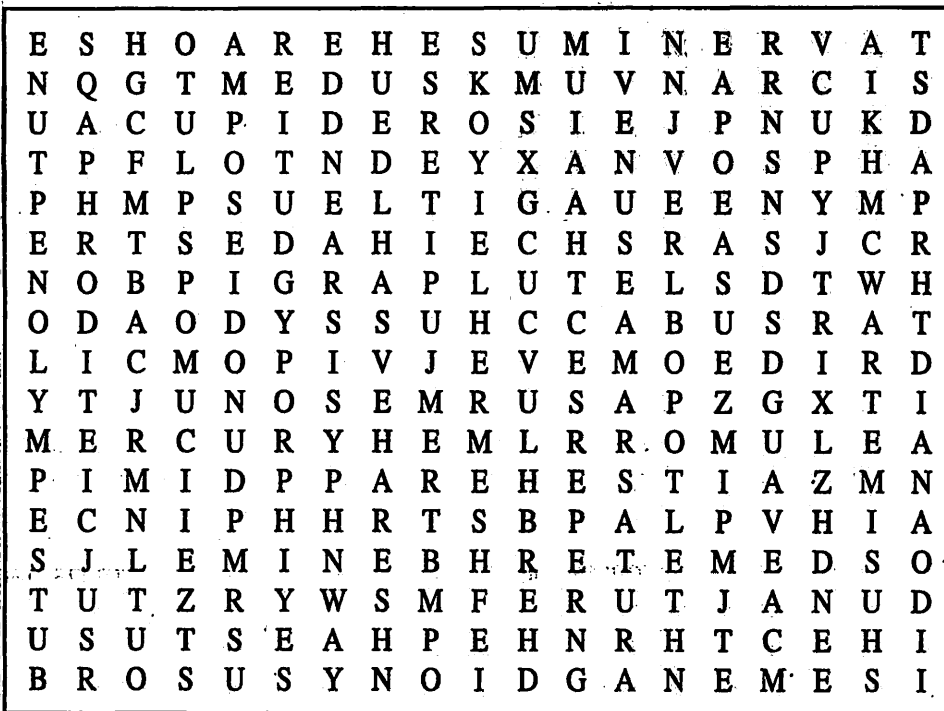

**BOLT TIGHTENING:** When giving your bike a good cleaning, check to see that all bolts are snug. Losing a wheel or other bike parts while racing to take your Psychology final is no fun. **TOOLS:** allen wrench

Always remember that major repairs should be left to a trained mechanic, but if you follow the basic preventive maintenance tips outlined above, your bike and your wallet will thank you.

From one who's been hit through no fault of his own, always remember to ride defensively and wear a helmet.

# Hey Zeus!
