

BIG BROTHERS BIG SISTERS OF HUNTERDON SOMERSET & WARREN

Volunteers needed in Warren County!

We have children waiting to be matched with a Big Brother or Big Sister... To be a volunteer you don't need any special skills- just the ability to listen, offer friendship & encouragement to a child.

Be a part of something Big!

- You & your Little meet a few times a month at mutually convenient times.
- Adults, Couples and Families are matched with a child from a single parent family or being raised by grandparents or other family members. The children are between the ages of 6 and 14.
- Volunteers and children spend time together doing simple things hiking, fishing, baking cookies, getting to know one another & becoming friends.
- Little Brothers & Little Sisters are kids who could benefit from having a positive, adult role model. They are referred to us by a teacher, counselor, parent or guardian.
- Children who are matched with a Big Brothers or Big Sister do better in school, have improved self-esteem and have fewer problems with substance abuse than children who are not matched.
- Big Brothers Big Sisters Case Managers provide support to the volunteers and children in the program to ensure the success of each match.
- The volunteer screening includes an interview, a criminal background check, a reference check and a training session.

Make a friend....Make a difference.....Make an impact!
