

# **Southern Paiute Shivwits Dialect**

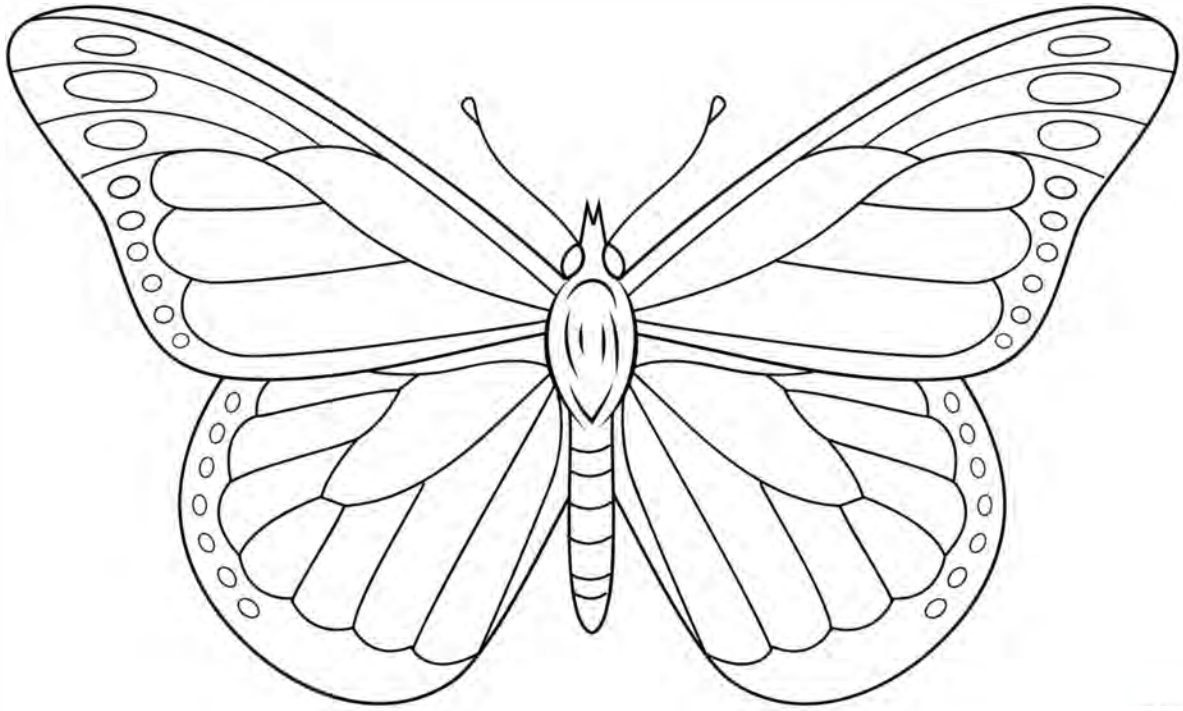

## **Animal Coloring Book**

## Acknowledgments

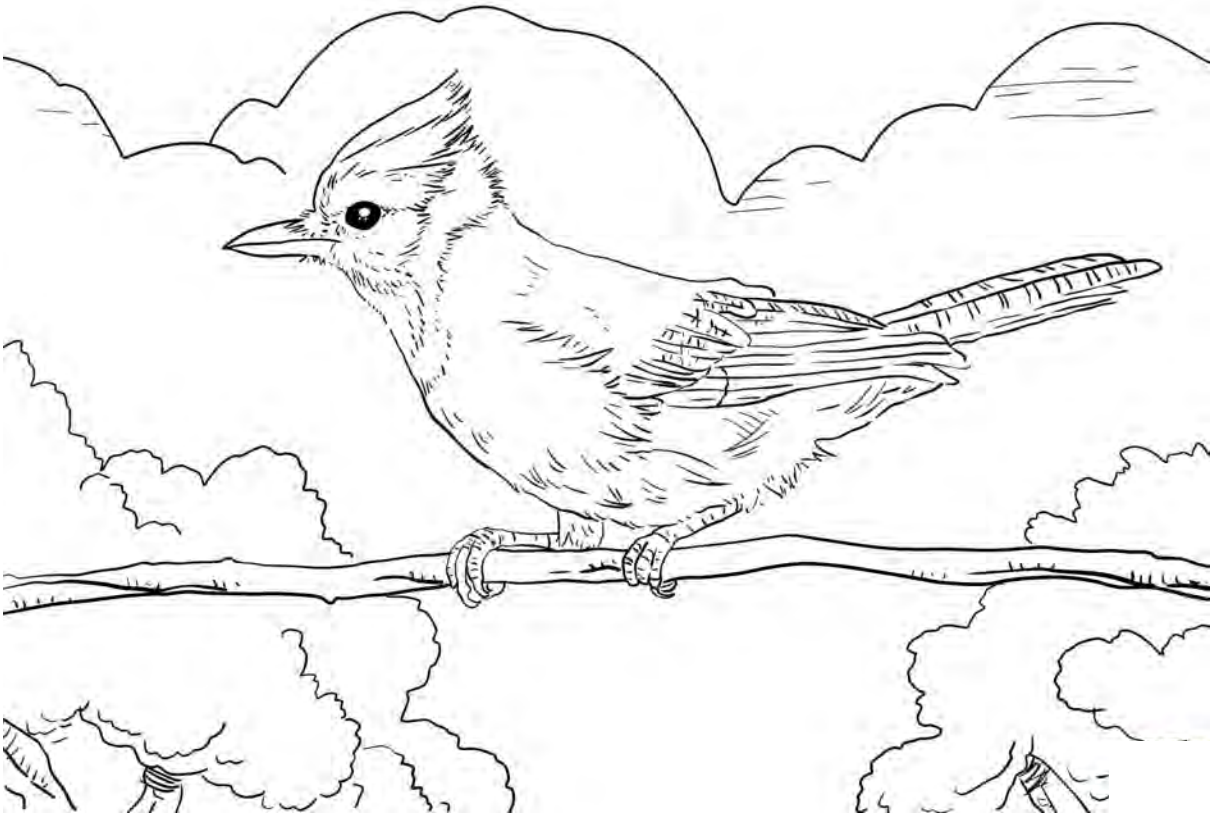

This coloring book began as a student activity for the Southern Paiute Language class held at Red Mountain Elementary in Ivins, Utah for the 2017-18 school year. With this in mind, resources needed to be found and individuals consulted on the names of the animals. There is no perfect Paiute word for every English word, and among the Southern Paiute Bands vocabulary will also differ. This coloring book represents the Shivwits dialect.
