## RESOLUTIONS, &amp;c. OF THE GRAND JURY.

We have, in pursuance of your Commission, requiring us to consider the application of a projected Railway Company, to obtain a piece of the Mail Coach Road, between the Wooden Bridge and Arklow, examined the Maps of the County, and taken the evidence of such of the Surveyors of the county who were cognizant of the roads in the neighbourhood of the Wooden Bridge and Arklow, and are of opinion, after weighing the same, and judging from our own local knowledge, that provided the said Railway Company undertakes to make at their own expense, two lines of road from the Wooden Bridge, one through Rustigath, Moneygloreh, Mungawn and Ballyrush, to join the Ballygriffin road leading to Arklow, and the other branching from the first, and passing through Knockwiller, to join the roads leading to Inch, and to Carnew, by the Whitecaps; that in that case the public will suffer no damage by the stopping up of the road asked for the Railway, but rather gain an advantage; for though there will be a piece of country between Aughrim and the Wooden Bridge, which will have their distance to Arklow increased by about one mile, yet this slight disadvantage will be compensated, perhaps more than compensated by a ready and shorter communication with the county of Wexford, which will be opened to them by one of the roads which your Committee recommends should be made at the expense of the Railway Company. And your Committee taking likewise into their consideration the certain saving which will be made by the county, by the diminished wear and tear upon some of their most expensive roads, by facilitating the intended Railway through their county, think that they may with safety say, that should this road be found absolutely necessary to the undertaking, that, provided the two roads to be made, as substituted for the piece of road desired to be stopped, and given to the Railway Company, are made in the best manner, and according to plans and maps, to be made by your Surveyor, then it will be to the advantage of the public that the road applied for should be given to the Railway Company.

We, the Grand Jury, having duly weighed this Report of our Committee, and seeing no reason to question the soundness of their views, on the subject they have reported upon, do agree in this their opinion, and declare that if there was now laid before us, according to legal forms, a presentment for stopping the piece of mail coach road between Arklow and the Wooden Bridge, and giving it to the Company projecting a Railway through the county, we should think that, under all the circumstances of the case, we were consulting the interests of the county best, by forwarding the views of the said Company, by stopping up the road required, for the purposes of their Railway, upon the condition always that they should make, at their own expense, the two roads recommended by our Committee, in the manner in their report pointed out.

## RESOLUTIONS, &amp;c., OF THE GRAND JURY.

*Resolved*,—That our Solicitor, Mr. Samuel Fenton, be directed to give his particular attention to all such claims as are made now, or will in future, for damages asserted to be done by the making of new roads or other public works in this county; and that he be further instructed to put himself into communication with the County Engineer under the Board of Works, and defend the interest of the county in each case of traverse.

It is understood that Mr. S. Fenton agrees to leave his remuneration for the above services to the Grand Jury.

RALPH HOWARD, *Foreman*.

County of Wicklow, }  
to wit. } In pursuance of the Act of the 9th and 10th Victoria, entitled "an Act to amend the Laws relating to the Office of Coroner and the Expences of Inquests in Ireland," and in obedience to a Warrant of His Excellency the Lord Lieutenant, bearing date the 28th day of January, 1847,—we, the undersigned magistrates of said county, have assembled at a Special Sessions at Wicklow, on the 15th day of February, 1847, for the purpose of dividing the county into districts, as required by said Act, and we order and direct that the baronies of Rathdowne, Newcastle and Arklow shall form one division or coroner's district of said county, and the baronies of South Ballinacor and North Ballinacor, Shillelagh, Upper and Lower Talbotstown shall form the other division or district.

SAMUEL FENTON.

R. HOWARD.

In pursuance of the foregoing decision of the magistrates at Special Sessions, dividing the county into coroners' districts, and in pursuance of the 6th section of the 9th and 10th Victoria, cap. 37,—we, the Grand Jury assembled at Spring Assizes, 1847, do hereby appoint and direct that Robert Hudson, Esq., one of the present county coroners, shall be coroner for the first-mentioned district or division in which he resides, and has heretofore acted, consisting of the baronies of Rathdowne, Newcastle, and Arklow; and that Abraham Tate, Esq., the other county coroner, shall be coroner for the other division or district in which he resides, and has heretofore acted.

RALPH HOWARD, *Foreman*.

The new line of road between the wooden bridge and the county of Wexford having been carried through the woodlands of the Earl of Carysfort, it is proposed on his part to resign all his claim to damages for those woodlands, provided the Grand Jury permit the said Earl to maintain gates and lodges at the entrance and exit of those roads from the woodlands. And after taking this proposition into our consideration, we permit this agreement to be entered into—always provided that the most free admission through this public road is ensured, and that it shall be in no season considered as private property.

Approved for self and fellows,

RALPH HOWARD.

We appoint Mr. Michael Cooke of Baltinglass to be local inspector of the Baltinglass bridewell, with a salary of ten pounds a year.

RALPH HOWARD, *Foreman*.

We authorize Henry Hodgson, Esq. to widen the present gullet at the north end of Arklow bridge, to the width of 15 feet, at his own expense.

For self and fellows,

RALPH HOWARD.

We authorize Henry Hodgson, Esq. to cross the mail coach road with a tram road upon the level of the road, on the townland of Tinnehinch.

For self and fellows,

RALPH HOWARD.

It appearing from the certificate of the manager of the Wicklow Bank that the sum of eleven pounds, fourteen shillings and nine pence interest is allowed by the Bank on the treasurer's account, which is less than the treasurer would be entitled to had the money been invested in Exchequer Bills,—we present that the said sum of eleven pounds, fourteen shillings and nine pence be paid over to the treasurer on account of the interest to which he would be entitled under the Act 1st Victoria, cap. 54.

 J. A. LEONARD. (Seal)  
 ARTHUR JONES. (Seal)  
 JOHN J. BYRNE. (Seal)

At a General Quarter Sessions at Wicklow, on the 31st day of December, 1846 :

 (A true Copy)  
 SAMUEL FENTON, D. Clk. Peace.

*Resolved*,—That it be an instruction from this Grand Jury to the Local Inspector of the County Gaol, that he would call the attention of the Board of Superintendence to the Report of the Inspector-General, dated the 31st of December, 1846, with a view that as soon as circumstances will admit of it they would endeavour to carry out such arrangements as might lead to a more complete classification, together with a better system of instruction in useful trades ; the Grand Jury trusting at the same time that such arrangements may be carried out without entailing any additional expenditure upon the Establishment.
