HISTORIC RE-USE & CULTURAL INTERPRETATION

PATHS, WALKWAYS, & BIKING TRAILS

RIVER ACCESS & ACTIVITIES

Design Principle: TIME Use time as an ally. The site, like all landscapes, has always been and will always be in a state of becoming. Let's design in a way that uses time as a driver for both project delivery and design strategy. Includes a bar chart showing respondent data collected during First City Celebration Community Engagement Activity (July 2016).
