## The Henk Savelberg Collection of Fine and Rare Wines

### Multiple winner of the Wine Spectator Grand Award

Henk Savelberg, now 63, got interested in wine and food back in the early seventies. At the age of 20 he started working in the restaurant business collecting wines. In 1983 he received his first Michelin star at restaurant De Graaf van het Hoogeveen. After that he was awarded a Michelin star in every restaurant he worked. After an extensive reconstruction he started in 1989 his own restaurant Vreugd en Rust in Voorburg. The cellars of this famous Dutch Restaurant and Hotel "Savelberg" (Vreugd en Rust) near The Hague was several times awarded by Wine Spectator with the Grand Award. This is the highest award, given to restaurants that show an uncompromising, passionate devotion to the quality of their wine programs. These wine lists typically feature

1,000 or more selections, and deliver serious breadth of top producers, outstanding depth in mature vintages, a selection of large-format bottles, excellent harmony with the menu, and superior presentation. These restaurants offer the highest level of wine service. The restaurant of Henk Savelberg, Dutch Master Chef (equivalent to Meilleur Ouvrier de France) was third time Wedgwood Fine Dining Award winner and member of Relais & Chateau and he is awarded by Michelin since 1982. Savelberg recently sold his fine dining restaurant to former employee and friend, Culinary Entrepreneur Carsten Klint. He made a grand transformation of the restaurant and hotel and started "Central Park by Ron Blaauw", a new concept with the famous Dutch Michelin-starred chef Ron Blaauw. Winefield's Auctioneers is now offering a part of this famous collection.

**4.10** If persons bid jointly, or have bid jointly, as a group, they are jointly and severally liable for the obligations arising from their joint bid.

**4.11** Winefield's Auctioneers will determine whether an error was made in making a bid such that the bidder will not be held to his bid. Buyers or prospective buyers cannot derive any rights from the decision of Winefield's Auctioneers in this regard.

**4.12** The buyer or prospective buyer who makes the highest bid will be deemed to be the buyer after the items have been knocked down to him. In the event of a difference of opinion between buyers and/or prospective

**5.2** Payment must take place without reduction or setoff.

**5.3** In addition to the provisions of this clause, Winefield's Auctioneers may include special payment terms in the auction catalogue or on its website. In that case the buyer or prospective buyer is bound by the special payment terms. If and to the extent that special payment terms are incompatible with the provisions of this clause, the provisions of the special payment terms will prevail.

**5.4** Winefield's Auctioneers is authorised to claim immediate payment of all or part of the purchase price from the buyer or prospective buyer on knock down of the purchased items or afterwards, and/or to require that security be provided for his compliance with his obligations towards Winefield's Auctioneers or its client. If the buyer or prospective buyer does not comply with this, Winefield's Auctioneers is authorised to choose not to acknowledge the bid and to declare it invalid and to auction the purchased items again, or to knock down the purchased items to the second highest bidder. In that case the buyer or prospective buyer is in default and is obliged to reimburse Winefield's Auctioneers for the damage thus caused, without prejudice to the other rights of Winefield's Auctioneers.

**5.5** Title to the purchased items is transferred to the

buyer or prospective buyer at the time of purchase within the meaning of clause 6.1 of these conditions, but not until the buyer or prospective buyer has paid the full purchase price to Winefield's Auctioneers as well as any sums due pursuant to default on his part.

**5.6** All time periods which the buyer or prospective buyer must observe must be regarded as deadlines, meaning that the buyer or prospective buyer will be in default with no notice of default being required if such periods are exceeded.

#### **Clause 6: Purchase; termination**

**6.1** The buyer or prospective buyer is obliged to take possession of the items purchased at the time and place determined by Winefield's Auctioneers, and in the absence thereof, within the period stated in the auction catalogue, on presentation of proper proof of identity. The delivery of the purchased items takes place by taking possession of them. The buyer or prospective buyer takes possession of the purchased items by collecting them. The buyer or prospective buyer cannot take possession until the full purchase price and any other charges due have been paid by him. If the buyer or prospective buyer refuses to take possession or fails to provide information or instructions that are necessary for him to take possession, the purchased items will be stored by Winefield's Auctioneers for the risk of the buyer or prospective buyer. In that case the buyer or prospective buyer is obliged to pay to Winefield's Auctioneers all additional costs, including in any case the costs of storage.

**6.2** When taking possession of the purchased items, the buyer or prospective buyer must observe the necessary caution and comply unconditionally and in full with the instructions issued by or on behalf of Winefield's Auctioneers. The buyer or prospective buyer is liable for any damage caused in the context of taking possession of the purchased items and indemnifies Winefield's Auctioneers against claims of third parties in this regard. The buyer or prospective buyer is obliged to provide security to Winefield's Auctioneers immediately on its request for the event that damage is caused in the context of taking possession of the purchased items. No interest will be paid on security deposits paid by the buyer or prospective buyer.

**6.3** In the event that (among other things) the buyer or prospective buyer does not take possession of the purchased items within the time period fixed for this and/or the buyer or prospective buyer acts contrary to the provisions of paragraph 2 of this clause, the buyer or prospective buyer is automatically in default and Winefield's Auctioneers is entitled to terminate the agreement with the buyer or prospective buyer by means of a written statement and/or to sell the purchased items to one or more third parties. The buyer or prospective buyer is obliged to reimburse to Winefield's Auctioneers

any and all damage caused by his negligence. Once the title to the purchased items has been transferred to the buyer or prospective buyer, he can no longer claim termination of the purchase agreement.

**6.4** If it is not possible for the buyer or prospective buyer to take possession due to circumstances outside his sphere of influence and that cannot be attributed to him (for example, because attachment has been levied on the items by third parties), Winefield's Auctioneers has the right to terminate the agreement by means of a written communication to the buyer or prospective buyer. In that case, Winefield's Auctioneers has no further obligations towards the buyer or prospective buyer other than repayment of the purchase price.

#### **Clause 7: Liability**

**Into Neck:**

Normal level for all wines. In wines over 10 years of age, this level suggests excellent provenance. Rarely used, except to emphasize a particularly good fill level when other fill levels in the same lot are less than perfect.

**Base Neck:**

A common fill level at which many Châteaux release their wine. For wines of any age, this level suggests excellent provenance.

**Top-Shoulder:**

Again, a common fill level at which many Châteaux release their wine. For wines of any age, this level suggests excellent provenance.

**Very High Shoulder:**

Acceptable fill level for wines 8 or more years of age. Suggests proper storage conditions throughout its life. Natural occurrence for wines of this age.

**High Shoulder:**

Usually not a problem for wines in excess of 20 years of age. This level may be caused by easing of the cork combined with natural evaporation. Check the clarity and the color of the wine in the bottle as a secondary indicator of provenance.

**High-to-Mid-Shoulder:**

Refer to High Shoulder and Mid-Shoulder level descriptions.

**Mid Shoulder:**

May suggest ullage during the life of the wine due to either easing of the cork or inconsistent storage conditions. Not abnormal for wines 30 or more years of age. As additional indicators of risk, definitely inspect clarity and color of the wine in the bottle, as well as condition of the cork.

**Low Shoulder and Below:**

Suggests poor provenance. Definitely a risk and generally not saleable, with exception given to rare bottlings and/or labels. Not recommended for consumption.

Wines are described in this catalogue as accurately as possible. Buyers are urged to make allowances for slight variations in ullages and conditions. No guarantee is made regarding provenance, and no returns will be accepted.
