

ARTESANÍAS DE COLOMBIA

- "Artesanías de Colombia" was created by the Colombian Government in 1964. It's belong to Trade, Industry and Tourism Ministry
- Our main objective is to promote productive, innovative and sustainable development programs at local, regional and national levels, while preserving, rescuing and appropriation of our cultural heritage.
- The results are high quality pieces that fit market expectations and expand artisan's portfolios to help them find more commercial opportunities.

INTELLECTUAL PROPERTY PROGRAM

- Provide technical assistance to Colombian Artisanal Sector of the legal tools necessary to protect their handicrafts through the implementation of the use of collective marks, certification marks, Denominations of Origen and marketing strategy for positioning the country's emblematic handcrafts in the domestic and international market.
- Artisans acquire knowledge about intellectual property rights and the potential applied to their handcrafts.
- Support for the registration of 62 Collective Trademarks and more than 2500 trademarks (Preferential Rate).
- Colombia has 12 artisan denominations of origin. We are the country with most artisan appellations in Latin America.
