THERMAL PROCESSING

WMK

Contact Grills

All WMK contact grills have an enamelled cast iron grill surface with a housing of stainless steel. All grilles have a drip tray and spray edges. The thermostat is infinitely adjustable up to 300 C and equipped with a warning light.

Contact grill

- single
- grill area: 340x230 mm

Code	Volt	Watt	Dimension	Price
620049	230 V	1800 W	370x305x190 mm	233,00 €

Contact grill panini

- single
- grill area: 340x230 mm

Code	Volt	Watt	Dimension	Price
620056	230 V	2200 W	460x370x190 mm	279,00 €

Deep Fryer

18/0
STAINLESS STEEL

All WMK deep fryers are made entirely of stainless steel and come with a frying basket and a lid.

The infinitely adjustable thermostat has a control lamp and can be set up to 190 C.

The removable basin guarantees easy cleaning. All WMK deep fryers are equipt with a safety thermostat for high security.

Deep fryer

- single
- capacity 8 l

Salamander

- stainless steel housing
- infinitely variable temperature of 300 C
- 4 tiers and crumb drawer
- 30 min timer
- optimal for preparing and gratinating of food

Code	Volt	Watt	Dimension	Price
620162	230 V	2000 W	570x340x260 mm	295,00 €

Lift Salamander

- stainless steel housing
- 2 separate adjustable heatingzones, up to 300 C
- lifting system high adjustable
- crumb drawer
- optimal for preparing and gratinating of food

Code	Volt	Watt	Dimension	Price
620179	220/240 V	4000 W	600x460x505 mm	858,00 €

Crepes Maker

- stainless steel housing
- cast iron plate with non-stick coating
- infinitely variable temperature of 250 C

Code	Volt	Watt	Dimension	Price
620186	220/240 V	3000 W	450x485x230 mm	475,00 €

Toaster

- stainless steel housing
- adjustable to 2/4/6 slices
- timer with automatic ejection

Code	Volt	Watt	Dimension	Price
620193	220V	2500 W	420x250x220 mm	278,00 €

Conveyor Toaster

- stainless steel housing
- aluminum feet
- roasting level adjustable up to 3 minutes
- front and back ejection

Code	Volt	Watt	Dimension	Price
620209	220 V	2240 W	370x420x390 mm	609,00 €

Induction cooker manual

- stainless steel housing
- digital LED display integrated in the cooking surface
- 11 power levels adjustments
- high-voltage, lower voltage protection, overheating protection
- suitable for pans up to \varnothing 260 mm (bottom of the pan)

Code	Volt	Watt	Dimension	Price
620230	220-204 V	3500 W	330 x 415 x 98 mm	285,00 €

Induction wok

- stainless steel housing
- digital touch display
- 10 power levels adjustments
- 10 levels temperature setting (60C, 80C, 100C, 120C, 140C, 160C, 180C, 200C, 220C, 240C)
- timer: up to 3 hours (180 minutes)
- high-voltage, lower voltage protection, overheating protection
- suitable for wok pans up to \varnothing 350 mm (bottom of the pan)

Code	Volt	Watt	Dimension	Price
620247	220-204 V	3500 W	335 x 440 x 165 mm	1.585,15 €

Induction Cooker

- stainless steel housing
- Touch Control
- digital display with LED
- Timer (0-180 minutes)
- 8 level adjustable power (500w-2700w)
- suitable for pans up to \varnothing 260 mm (bottom of the pan)

Code	Volt	Watt	Dimension	Price
620254	220-204 V	500 - 2700 W	320 x 385 x 100 mm	268,70 €

Induction Cooker

- stainless steel
- Black Crystal Chinese glass plate
- button control
- Timer (0-180 minutes)
- 8 level adjustable power (500w-3500w)
- suitable for pans up to \varnothing 260 mm

Code	Volt	Watt	Dimension	Price
620261	220-240 V	500 - 3500 W	330 x 415 x 100 mm	266,50 €

Sous vide stick

- Digital LED touch display
- Temperature range: 20-95 C, accuracy $\pm 0.1C$
- ergonomic grip for a comfortable hold
- set timer up to maximum 99 hours
- min. level sensor and protection

Code	Volt	Watt	Dimension	Price
620278	220 - 230 V	1200 W	370 x 105 x 130 mm	194,35 €

Sous vide stick

- stainless steel
- digital LED touch display
- adjustable timer and adjustable temperature system range from 0-90 hours
- Temperature range: 20-95 C, accuracy $\pm 0.1C$
- Water cycling system
- min. level sensor and protection

Code	Volt	Watt	Dimension	Price
620285	220-240 V	1100 W	120 x 355 x 91 mm	278,00 €

Vacuum Sealer

- stainless steel housing
- transparent lid for visible view inside the chamber during working
- with impulse sealer function
- pulse vacuum function, manually control vacuum time and pressure
- special wide seal wire (5mm) enables high quality sealing
- very short heating time (only 2-3 seconds)
- digital display for vacuum and sealing process
- marinate mode
- adjustable seal time and marinate time
- dual pump ensures high vacuum pressure
- instant seal function
- suitable for bags up to 31 cm

Code	Volt	Watt	Dimension	Price
620292	220-240 V	700 W	385 x 270 x 130 mm	498,00 €
