# BITURBO

## BRUSHLESS

### THE FUTURE OF BOSCH PROFESSIONAL POWER TOOLS.

#### What is BITURBO?

- ▶ The BITURBO Brushless system is one of the most powerful cordless platforms on the market
- ▶ This new generation of power is achieved by combining our revolutionary high performance brushless motors with our intelligent high capacity ProCORE18V battery system
- ▶ BITURBO Brushless provides intelligent power delivery resulting in optimal runtime whilst achieving up to 1800 W power output
- ▶ The BITURBO Brushless range is supported by one of the fastest and most intelligent chargers on the market. Reduced charging time = reduced downtime leading to improved productivity

#### The 2 components that make BITURBO unique:

##### ProCORE18V

- ▶ ProCORE18V utilises the latest lithium ion cell technology with our patented Cool Pack matrix, laser welding and industry leading sensor technology for consistent, optimised battery performance

##### New Motor Technology

- ▶ Our new internal fan design increases cooling airflow (up to 1000 L/per m) allowing the BITURBO Brushless motor to run harder for longer

# THE **BITURBO** RANGE

GCM 18V-216

GBH 18V-36 C

GWS 18V-15 C

## The ProCORE18V Range

GWS 18V-15 SC

GBH 18V-45 C

GWX 18V-15 SC

## NEW! GBH 18V-36 C PROFESSIONAL SDS-MAX HAMMER

The most compact cordless SDS-Max hammer

Ideal for: Electricians, HVAC

# BITURBO

BRUSHLESS

### Compact

On average 20% more compact and up to 20% lighter than the competition

### Best tool control

KickBack and Vibration Control, Soft Start for accurate drilling, lock-on button for permanent chiselling

### Power-to-weight-ratio

Best power-to-weight-ratio in class (7.5 J at only 6.1 KG)

### HMI & connectivity

For speed selections and individual mode settings incl. ECO mode for up to 30% more runtime

TECHNICAL DATA	GBH 18V-36 C PROFESSIONAL	DESCRIPTION	PART NUMBER	RRP (EX. VAT)	RRP (INC. VAT)
Equivalent to corded power	1000 W	GBH 18V-36 C (body only, carry case) + GCY 30-4 (connectivity module) BRUSHLESS 18V SDS-Max	0611915001	£538.03	£645.96
Max. impact energy	7.5 J	GBH 18V-36 C (2 x 8Ah ProCORE18V, GAL 1880 CV, carry case) + GCY 30-4 (connectivity module) BRUSHLESS 18V SDS-Max	0611915072	£811.52	£973.82
No load speed	500 rpm				
Impact rate	2900 bpm				

## NEW! GBH 18V-45 C PROFESSIONAL SDS-MAX HAMMER

**Corded performance, cordless freedom**

**Ideal for:** Electricians, HVAC

# BITURBO

## BRUSHLESS

### High endurance

Up to 3.0 m drilling depth with just one 12Ah ProCORE18V battery (25 mm drill diameter)

### Extreme power

12.5 J impact energy and 45 mm drilling capacity

### Hazard reduction

Improved user safety with Kickback and Vibration Control

### HMI & connectivity

For speed selections and individual mode settings incl. ECO mode for up to 30% more runtime

## SDS MAX-8X

### Tougher.

#### Full Carbide Head

The full carbide 4-cutter head guarantees exceptional performance and resistance when drilling in reinforced concrete. 50% increased lifetime in heavy duty applications versus SDS-Max drill bits with standard embedded design.

### Outstanding durability

Full carbide 4-cutter head for exceptional performance and resistance in reinforced concrete

### Stable and deep centring

Ultimate sharp 90° centring tip

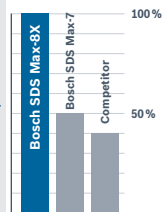

### Extremely high stress and heat-resistant

Strong and long lasting welded bonding between the steel body and the full carbide head of the drill bit

### Diameters:

12, 14, 16, 18, 20, 22, 24, 25, 26, 28, 30 and 32 mm

### Outstanding performance.

Tests done by Bosch with 16 x 340 mm SDS-Max drill bits

+ GWX 18V-15 PROFESSIONAL  
ANGLE GRINDER**

**BITURBO**  
BRUSHLESS

**Powerful angle grinder with 1500 W equivalent power**

**Ideal for:** Metal industry, general construction

**Application:** Metal cutting and grinding

**Industrial power**

High power brushless BITURBO motor equivalent to 1,500 W corded power, fully optimised for ProCORE18V batteries

**User interface**

GWS 18 V-15 SC has user interface which shows tool status and allows for speed selection

**X-LOCK (GWX)**

X-LOCK disc changing system, improving speed and convenience

**Connectivity**

Bluetooth connectivity module included - number of speed levels can be raised up to 6 levels, each speed level value can be adjusted (GWS SC & GWX)

**Best tool control**

KickBack & Drop Control, Brake, Restart Protection

## NEW! GWX 18V-8 AND GWX 750 PROFESSIONAL ANGLE GRINDER

Convenient, reliable and comprehensive X-Lock grinders

**Ideal for:** Metal industry, general construction

**Application:** Metal cutting and grinding

### GWX 18V-8

#### X-LOCK system

Convenient, reliable, comprehensive

#### Trusted quality

Highly reliable product

#### Superior performance

800 W equivalent power, perfect for cutting and grinding on the jobsite

### GWX 750

#### X-LOCK system

Convenient, reliable, comprehensive

#### Strong 750 W motor

High performance and work progress

#### Ergonomic

Small grip size and ergonomic design

#### X-Lock Accessories

Huge Tool and Accessories range to cope with all upcoming applications.

##### Including:

- ▶ Cutting
- ▶ Grinding
- ▶ Flaps
- ▶ Grinding
- ▶ Grinding Fibre
- ▶ Drill Diamond
- ▶ Brushing
- ▶ Cutting
- ▶ Diamond
- ▶ Cutting
- ▶ Tungsten Carbide

## NEW! GSB 18V-55 PROFESSIONAL COMBI

Powerful brushless combi with metal chuck

Ideal for: interior fitting, electricians, HVAC

### 2 Speed Metal gearbox

For fast drilling and driving applications

### Brushless motor

Powerful Bosch brushless motor delivers top performance with 55 Nm and 1750 RPM maximizing your efficiency on the job site

### 13 mm Metal chuck

Metal chuck for increased robustness and great torque transfer for every job

### Motor & cell protection

Electronic motor and electronic cell protection, to help protect the tool and batteries from overload and overheating

## CONNECTED TOOLS

**Laser Level Connectivity** – optimised control of your laser level with the Bosch Levelling Remote

**Bosch Levelling Remote** – free to download on smartphone or tablet. Providing optimised control of Bosch Connected laser levels.

Compatible with: GCL 2-50 C, GCL 2-50 CG, GLL 3-80 C, GLL 3-80 CG

- ▶ **Activate Bluetooth** on the Laser Level and smartphone or tablet to connect.
- ▶ **Combi Laser Control** adjust the laser lines to be horizontal, vertical or just plumb points. If you are working for extended period of times you can also turn the laser off/on in this setting.
- ▶ **Power control setting** to adjust the strength of the laser line – depending on your surroundings.
- ▶ Provides the user with status of laser level, whether it needs charging or calibrating.

## LASER LEVEL ACCESSORIES

### BT 350 Telescopic Pole

- ▶ Easy to operate and fast fitting of laser level
- ▶ Robust design
- ▶ Flexible fixing with spring – mounted ceiling plate
- ▶ Attachment to the pole has ¼ inch tripod thread

### BT 150 Tripod

- ▶ ¼ inch tripod thread
- ▶ Robust lightweight aluminium design
- ▶ Circular vial for precision when positioning
- ▶ Easy to assemble and transport

### BM 1 & Ceiling clamp

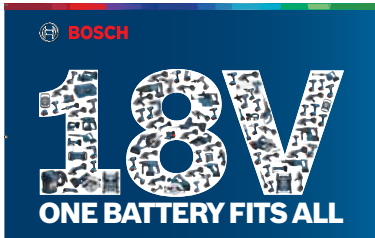

- ▶ ¼ inch tripod thread
- ▶ Flexible fitting of the mount, with screws, magnets or on tripod
- ▶ Ideal when used in combination with BT 350 Telescopic pole

DESCRIPTION	PART NUMBER	RRP (EX. VAT)	RRP (INC. VAT)

PROFESSIONAL  
**18V**  
SYSTEM

In the Professional 18V System, professional tools are combined with our most powerful batteries and fastest charging technology. Benefit from the ultimate in performance, uncompromising compatibility and maximum freedom on your job site.

**ONE BATTERY FITS ALL**

Since 2008, all of our batteries are compatible with new and existing Bosch Professional tools in the same voltage class.

**ULTIMATE PERFORMANCE**

Our tools are combined with the most powerful batteries and fastest charging technology such as ProCORE18V for high performance and longer lifetime with CoolPack 2.0 technology.

**BEST VALUE KITS**

A complete kit: one tool, 2 batteries, 1 charger for when you need to be ready to go.

**TWINPACKS & COMBO KITS**

Combo kits of 2 to 8 tools, batteries and charger in either L-BOXX or L-BAG for best value and a complete solutions.

# PROFESSIONAL 12V SYSTEM

The Professional 12V System offers you all the performance you need in a handy and compact format. These light, user-friendly tools are the ideal choice for Pros looking for added versatility without compromising on power. The high-capacity batteries can be used with a wide variety of professional system tools – and our comprehensive range of measuring tools.

## ONE BATTERY FITS ALL

Since 2005, all of our batteries are compatible with new and existing Bosch Professional tools in the 12V and 10.8V class.

## COMPACT PERFORMANCE

The performance you need in a handy and compact format. Ideal choice for all Pros looking for added versatility without compromising on power.

## BEST VALUE KIT

## BEST VALUE KITS

A complete kit: one tool, 2 batteries, 1 charger for when you need to be ready to go.

## PRECISELY THE BEST IN CUTTING TOOLS

### **TiCo Carbide Tips with Titanium.**

For maximum sharpness and durability.

### **Anti-vibration.**

Preventing vibration for a cleaner cut.

### **Anti-Kickback Design.**

Reduces kickback from feeding the saw too quickly.

### **Advanced Tri-Metal Brazing.**

Allows carbide tips to withstand extreme impact for maximum durability.

### **Perma Shield.**

Allows better performance with low heat, less corrosion and reduced resin build up.

## THERMAL IMAGING YOU CAN EASILY UNDERSTAND

### Bosch Professional GTC 400 C Thermal Camera The essential solution for the Electrician

It's in your hands. Bosch Professional Measuring Tools.

#### Infrared sensor solution

Detailed measurements from the 160 x 120 thermal resolution

#### Visualisation of issues

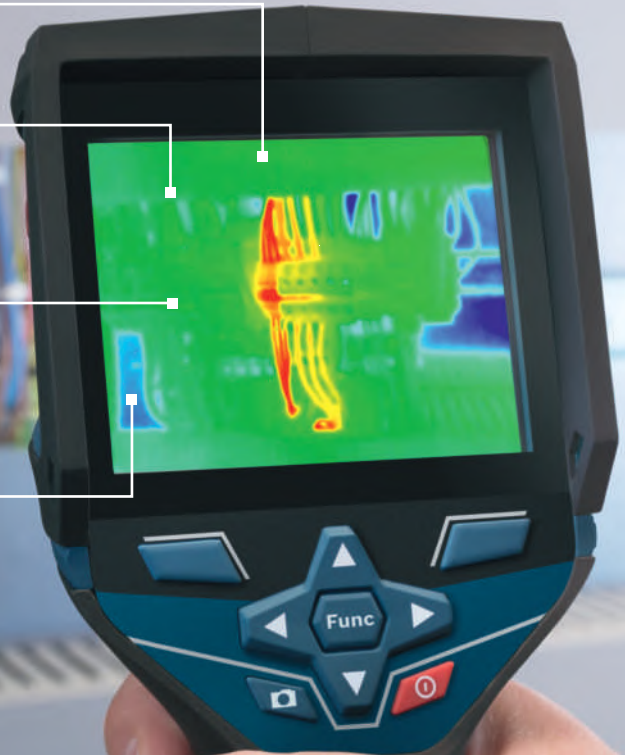

Integrated to save real image over thermal image, to easily identify issue areas. Cross hair always shows the absolute temperature of the centre pixel

#### Internal storage

Up to 500 measurements and images can be stored on the device. Bluetooth transfer to Bosch Measuring Master App and via Micro USB to laptop is also available

#### Measurement range (°C)

Measurements can be taken between -10 to +400 °C. Measured temperatures constantly adapt within the cameras field of view

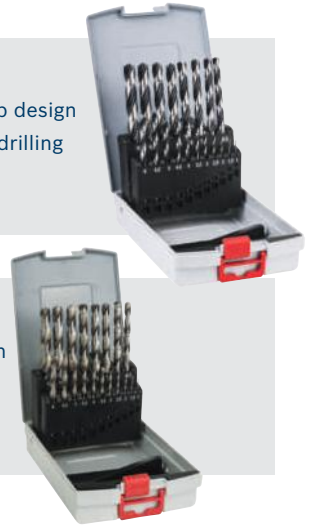

## PointTeQ AND HSS-G PROBOXES

### PointTeQ

- ▶ HSS PointTeQ enables fast drilling in metal due to PointTeQ tip design
- ▶ Self-centering tip prevents wandering, making quick and easy drilling starts possible
- ▶ Increased drilling rate generates less heat and wear

### HSS-G

- ▶ HSS Ground is for drilling through metal with highest precision
- ▶ Active cutting and perfect centering without wandering is achieved by split point tip
- ▶ Precision-ground bit made of HSS enables fast results

RANGE	SKU OF PC	DESCRIPTION	RRP PER SKU
PointTeQ	2608577351	PointTeQ 19pc ProBox	£31.34
HSS-G	2608587013	HSS-G 19pc ProBox	£46.33

## NEW! TIC TAC BOXES

Torsion zone for extreme robustness

Silver sleeve for easy location of product

S2 Modified Steel and an optimised heat treatment process results in extra-hard quality

Torsion zone copes easily with torque peaks

TYPE	RANGE	PART NUMBER RANGE	RRP (EX. VAT)	RRP (INC. VAT)

CARBIDE ACCESSORIES

## THE BEST YOUR TOOL CAN GET.

The carbide family offers long lifetime and maximum performance.

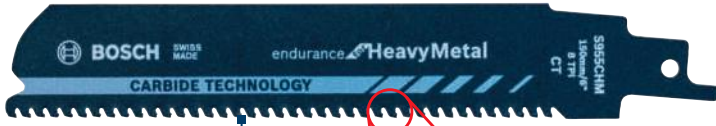

The best your tool can get. Bosch Professional Accessories.

## UPGRADE TO BOSCH CARBIDE ACCESSORIES

Extreme cutting. Maximum lifetime.

### Endurance for Heavy Metal

#### Ideal for:

- ▶ Plumbers
- ▶ Electricians
- ▶ Demolition contractors
- ▶ Mechanical contractors
- ▶ Fire and Rescue

### Precise Cutting

Extra wide body and increased blade thickness ensure outstanding cutting accuracy

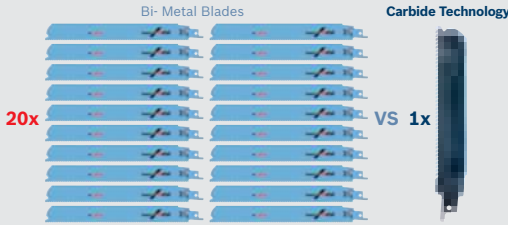

### Outstanding Lifetime

State-of-the-art carbide technology ensures effective and reliable cutting of steel

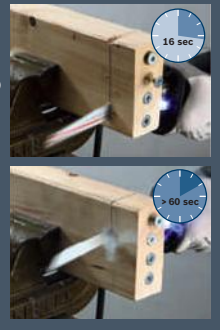

This Professional range of jigsaw blades cuts stronger and more resistant building materials whereas **conventional bi-metal blades fail quickly.**

**20x**  
Longer  
Lifetime

**Bosch Carbide Technology gets the job done!**

**Bi-metal blades fail quickly**

## CARBIDE TECHNOLOGY

## Understanding the Bosch icons will help you see just how great our tools are!

### Bosch SDS-System

Fast tool insertion and removal, without the need for additional tools.

### SDS-plus

Auto-Locking system. For rotary hammers in the 2-4 kg class.

### SDS-max

Auto-Locking system. For rotary hammers in the 5 kg+ class.

### Electronic

Accelerator function for smooth start-up when drilling, screwdriving and sawing.

### Constant Electronic

Power booster for heavy loads. Constant speed, even under load.

### Forward and Reverse Operation

For inserting and removing screws.

### Spindle Lock

Faster, simpler disc / tool change.

### Hook & loop Fastening

The hook & loop system is used for quick and easy sanding sheet changes.

### Saw Blade Pendulum Action

Adjustable blade pendulum action for optimum curve cutting ability.

### Dust Extraction

Dust extraction directly into the integral dust bag on the machine or using an all-purpose dust extractor.

### BRUSHLESS EC motor

Up to 100% longer lifetime and 30% more runtime.

### L-BOXX

Storage and mobility solution.

### L-BOXX Ready

L-BOXX inlay included.

### Precision Clutch

Reduction of wear-out and longer lifetime thanks to controlled over ratcheting system / no over ratcheting.

### CoolPack

Battery includes cooling technology for more lifetime.

### BAG+ kits

Professional tool kits with BAG+.

### Infrared sensor resolution of 160 x 120

For detailed thermal images.

### Personalise your tool

via Bluetooth® and the Bosch Toolbox App.

### Power Control

2 speed adjustable power mode.

### Wireless Charging System

World's First inductively charged professional power tools.

### KickBack Control

Internal sensor shuts down motor on kick-back for more safety.

### Electronic Cell Protection

Internal sensor shuts down motor if excess current threatens battery damage.

### Electronic Motor Protection

Internal sensor shuts down tool if excess current threatens motor damage.

### Electronic Precision Control

Reduced maximum performance to 70% for better control in delicate work - even with impact.

### Vibration Control

Patented vibration damping system that reduces vibrations.

### Dual Power

Can use either Li-Ion or AA batteries.

### ISO Standard

Approved quality of the performance of hand-held laser measures.

### CAL guard sensor

For more trust and possibility to focus on the job.

### Green laser technology

Four times better visibility to address the user need for high visibility.

### Up is Up

Which ever way the camera is facing the screen is pointing upwards.

### Bosch Levelling Remote App

New Combi Lasers can be controlled via App.

### Bosch Measuring Master App

Product can be used alongside Measuring Master App.

### CoolPack 2.0

New CoolPack 2.0 has up to 35% better cooling vs today's CoolPack by having better heat transfer to the outer battery surface meaning longer battery lifetime & runtime.

3 years Tool Warranty

for all professional blue power tools.

2 years Battery Premium Service

for all professional blue Bosch Lithium-Ion batteries including chargers.

## AFTER SALES SERVICE

Simple and Straightforward

### Online Spare Parts Service:

Illustrated spare part lists along with a reliable spare parts service for professional power tools – the spare part you need is just a click away.

### Online Repair Enquiry Form:

Use the online form to arrange the collection of products for warranty repair. Your tool will be repaired quickly and reliably by our experts.

### Fixed Price Repairs:

For tools outside of warranty, we will offer a fixed price based upon the model number entered. If there is no fixed repair price available, you will be offered a suitable alternative.

[www.bosch-professional.gb/onlinerepair](http://www.bosch-professional.gb/onlinerepair)

### Measuring Tool Calibration:

It's important that your measuring tools function reliably and meet legal requirements. Calibration includes inspection of the laser quality, checking measurement and mathematical functions.

Go to **[www.bosch-professional.co.uk](http://www.bosch-professional.co.uk)** and click on “**Services**” for more details

Promotions and pricing available from 01/09/2019 to 31/12/2019 or while stocks last.  
RRP is for illustrative purposes only and dealers shall determine their own resale price.

## REPAIRED READY FOR REUSE, SAVE MONEY WITH REFURBISHED PRODUCTS.

### Warehouse Products

A warehouse product has not been used but, the original packaging may be damaged (e.g. marked or scuffed). Or, may be supplied in a brown carton. Warehouse products come with the same accessories, manuals and warranty conditions as the equivalent new product.

### Refurbished Products

A refurbished product may not be in the original packaging, scratched and may have been used. Promotional accessories may be missing. Refurbished products have been fully tested and are supplied with instruction manuals. Refurbished products have a 12-month warranty on provision of the original proof of purchase (online registration is not required and the warranty cannot be extended). All other terms and conditions of supply are as per the equivalent new product.
