FROM THE HEAD OF SCHOOL

With the 2010-11 school year successfully underway, we must pause, reflect on the 2009-10 year, and acknowledge the loyal and dedicated support of our alumni, parents and friends. The school is as strong as it is today because of the financial support that we receive from the greater Western Reserve Academy community. Thanks to your giving, Western Reserve Academy received gifts totaling \$4,279,000. Importantly, the 2009-10 Annual Fund surpassed the budgeted goal of \$1,800,000 by \$2,915. The \$1,802,915 had an immediate impact on everything from classroom study to faculty salaries as it accounts for 8.4 percent of our operating budget.

Equally important, we must recognize the Academy's reliance on your commitment of volunteer time. I would like to thank outgoing Trustees Fred Cummings '85 and Richard Neu for all that they have done for the school during a combined 23 years of service on the Board of Trustees. Fred and Rick played critical roles in maintaining financial stability for WRA, most recently serving as Assistant Treasurer and Treasurer, respectively. Also, I would like to thank Peter Hellman '68, as he steps down as President of the Board of Trustees, for his purposeful leadership of the school. We will continue to benefit from Peter's guidance and experience as he remains a Trustee. The Board is now led by two seasoned Trustees; new co-Presidents Tim Warner '69 and Andrew Midler '79 are already hard at work.

Tim, Andrew, the entire Board of Trustees, faculty, staff and many others have begun implementing the Strategic Plan for the next 10 years. We spent the second half of the 2009-10 academic year traveling to 17 cities in 10 states across the country for 26 strategic plan discussions to describe our goals effectively and to strengthen our plan of action. It was so meaningful to meet with 246 of you in small groups in the final four months of the school year. Your many thoughts and comments have already been taken into account. This is your school and it is important to me to keep you connected to what our accomplishments and needs are as we work at realizing the goals outlined in our ambitious Strategic Plan.

The next page of the *Annual Report* has more detailed information about our strategic plan. We have also added new sections to the *Annual Report* highlighting reunion class giving and the endowment. As technology continues to shape the future, I want to inform you that next year's *Annual Report* will be posted on the WRA website.

Again, thank you for all of the support that you have given to Western Reserve Academy. Your consistent generosity has enabled us to further develop our mission of preparing young men and women for college, work and life.

Sincerely,

Christopher D. Burner '80
Head of School

THE STRATEGIC PLAN

The Strategic Plan was developed during a two-year process that was guided by the principles of *Academic Strength, Social Mission, Western Reserve Academy Values* and *Funding and Resources*. The plan establishes five main goals to ensure that Western Reserve Academy is an educational community that leads, inspires and is worthy of emulation. The goals of the Strategic Plan are shown below along with a list of cities where Strategic Plan discussions were held in the second half the 2009-10 academic year. Strategic Plan discussions will continue as we seek advice from, and communication with, the Western Reserve Academy community.

Strategic Plan Goals

- I. Position academic matters as the pre-eminent aspect of student and family life at Western Reserve Academy.
- II. Create a campus community for the 21st century.
- III. Recruit, retain and develop exceptional faculty and staff dedicated to the values of Western Reserve Academy.
- IV. Strengthen Admissions and College Guidance.
- V. Create a campus and finances for the 21st century.

BRICK ROW LEGENDS

Since its inception in the 2008-09 Annual Report on Giving, we assembled Brick Row Legends highlighting alumni who have contributed to the Annual Fund without interruption during the past 10, 15, 20 and 25 years.

After careful consideration, we expanded the criteria for the 2009-10 Brick Row Legends in order to more fully encompass the true breadth of donors to Western Reserve Academy, from alumni to current parents, parents of alumni, grandparents, friends, faculty and staff. On the following pages you will find the names of all donors who have consecutive-giving trends to any fund at WRA.

The result is quite remarkable: 933 alumni have a consecutive-giving trend of at least five years. Strikingly, more than half of the Brick Row Legends (470 alumni) are among the most senior group with more than 25 consecutive years of giving.

We graciously thank and honor the following donors for their dedication to preserving the past and focusing on the future — our Brick Row Legends.

REUNION CLASS GIVING

Class reunions mark a special time in the lives of Western Reserve Academy alumni and their families, providing the opportunity to recall with friends fond memories of WRA and experience the Academy of today. Working toward individual class goals and a larger reunion goal, reunion giving is an important source of class unification and celebration.

The 2010 Reunion Weekend was attended by 219 alumni and 74 friends and family members from as near as Hudson, to as far as London, England, all contributing to a great success. Highlights of the weekend included the class dinners (all held on campus this year), WRA Today classes, and a conversation with Head of School Christopher D. Burner '80. Emphasizing the impact that a Western Reserve Academy education can make in one's life even 70 years after graduating, the Class of 1940 had the highest giving participation rate, totaling 73 percent. Celebrating their 50th Reunion, the Class of 1960 gave a total of \$330,992, the largest gift from any class. Thanks to the generosity of all alumni celebrating reunions in 2010, \$547,268 was raised for the Annual Fund through Reunion Class Giving.

Bridge McDowell '80 and Anthony Boerio '79 celebrated McDowell's 30th Reunion in June at the Head of School's Reception at Ellsworth Hall.

ALUMNI GIVING

Although rooted in history and tradition, Alumni Giving supports the everyday operations of Western Reserve Academy. Alumni gifts accounted for 66 percent of the 2009-10 Annual Fund. Without the loyal financial support of our generous alumni, Western Reserve Academy would need to increase tuition by \$4,615 per student to continue to offer the same quality of opportunities for our students. Alumni Giving is a testament to the transformative educational experience that epitomizes Western Reserve Academy.

The Annual Fund accounts for 8.4 percent of our operating budget, bridging the gap between the actual cost of educating current and future students and the revenues from tuition and the endowment. Among the many diverse costs that the Annual Fund covered last year, \$179,498 went to student services, \$361,966 went to financial aid, \$274,342 went to administration, \$502,738 went to instruction (including athletics and social activities) and \$461,588 went to facility maintenance.

ENDOWMENT

OVERVIEW

Upon his death, James W. Ellsworth left a substantial portion of his estate to Western Reserve Academy. His initial gift of \$4 million served as the beginning of our endowment. For many years, the James W. Ellsworth Trust was our only form of endowment, and the earnings from it provided operating income to keep Western Reserve Academy financially solvent. Could he have ever imagined where his gift would lead?

Almost 90 years later, on June 30, 2010, our endowment was valued at \$97.7 million. For the 2010 fiscal year, the endowment contributed \$5.3 million toward our operating budget. Over the last 10 years, it has provided an average of 25 percent of our operating income.

During the 2010 fiscal year, our endowment returned a modest 8.7 percent. Currently, Cambridge Associates serves as our endowment consultant. In their universe of endowments totaling nearly 400 institutions, our three-year return of minus 1.1 percent and five-year return of 5.6 percent rank us in the top 7 percent (93rd percentile) and top 9 percent (91st percentile), respectively. Our five-year return also places us in the top 5 percent (95th percentile) of the Cambridge universe of 230 endowments under \$300 million.

Though the Ellsworth Trust still remains a separate legal entity, we view the Trust and the WRA Fund as our total endowment and report the results on a combined basis. The WRA Fund consists of 145 named funds representing both unrestricted and restricted assets. As the Trustee, Key Bank, and predecessor financial institutions, had managed the investment activity of the Ellsworth Trust. While they accepted suggestions for investments, on occasion our views differed. Over the last several years, we worked with Key Bank to obtain control over the investment decisions. We now manage our endowment as one investment pool. Key Bank continues to serve as the Trustee and remains the Custodian of the entire endowment.

INVESTMENT POLICY

Managing our investments for the long term has always been our mission. This commitment has certainly been tested over the last decade, with the burst of the technology bubble, the fallout from the Sept. 11, 2001, tragedy and the sub-prime collapse in 2008. We remain committed to our investment policy in which we hope to:

- Preserve and seek to increase the real purchasing power of the endowment
- Provide a consistent, sustainable spending stream in real terms
- Manage downside risk, leverage and liquidity to prudent levels
- Achieve upper quartile returns over three-, five- and 10-year periods versus peer endowments

Income Distribution 2009-10

Expense Distribution 2009-10

Through our asset allocation, we hope to achieve growth, diversification, and both inflation and deflation hedges. The chart below depicts our target and actual asset allocations on June 30, 2010:

	TARGET	ACTUAL
U.S. Equities	10.0%	8.1%
Non-U.S. Equities	20.0%	14.0%
Hedge Funds	30.0%	29.7%
Private	10.0%	9.1%
Inflation Hedges	15.0%	14.5%
Deflation Hedges	15.0%	24.6%

Our investment policy allows passive investments, such as mutual funds, up to a maximum of 10 percent of our total endowment, or an active investment with a single fund manager up to 5 percent of the total endowment. The Investment Committee, with the help of Cambridge Associates, continually explores quality investment opportunities. The Committee is not adverse to holding cash when those opportunities cannot be found.

Great schools strive to build great endowments. Substantial endowments grow because of sound investment policies and gifts from loyal alumni and trusted friends. Every gift to the Western Reserve Academy endowment strengthens the financial foundation of this great school.

Through the generosity of alumni, family and friends of WRA, our endowed funds have provided scholarship monies to hundreds of deserving WRA students. They have also recognized and rewarded faculty excellence and student achievement. Following is a list of all of the named endowment funds at WRA, along with the names of those individuals who donated to funds in the 2009-10 fiscal year. Funds established in the past fiscal year include a full description.

WILLIAM MOOS FACULTY SABBATICAL TRAVEL ENDOWMENT FUND

Established in memory of William "Bill" H. Moos (1918-February 28, 1984) the 'pre-eminent art teacher' and "legend" at Western Reserve Academy. In fact, he was the only full-time art teacher during his 35-year career at WRA, beginning in 1945. Trained as an architect, he was interested in many aspects of art and design including drawing, painting, photography, theatrical set design, and the preservation of historic buildings. He shared this energy and enthusiasm in the arts with his students, many of whom, as alumni, have gone on to pursue professions in design or enjoy avocational interests in the arts. Reflecting Bill's interest in travel, this fund provides faculty the opportunity to further enrich their teaching abilities by financially supporting travel and study. In fact, Bill felt that travel outside the confines of "quaint colonial Hudson" (his own words) was essential to the academic stimulation of the faculty.

During the 2009-10 Academic Year, the Pioneer Women of Reserve and the Dads Club decided to undertake the fund allocation process together in an effort to simplify the process of supporting special student experiences at Western Reserve Academy. With the completion of the first year of the streamlined allocation process, it is our pleasure to report that using the same application to seek funds from both the PWR and the Dads Club was a great success.

Together, the Pioneer Women of Reserve and the Dads Club funded a variety of projects, including a projector for the outdoor movie theater screen, a bulletin board and bookshelves for the Yearbook Office, trips to the Cleveland and Akron Art museums, visits from author Brian Hall and poet Phil Metres, equipment for the chemistry lab, Prom, Bicknell Bonanza and the Spring Gathering. In total, we allocated approximately \$65,000 to enhance the student experience at Western Reserve Academy throughout the year.

As you can see, a significant and diverse array of products and services have been generated through the efforts of our two organizations – and the generosity of the families and friends of WRA. We would like to express our appreciation to all of the members of the Pioneer Women of Reserve and the Dads Club who donated their time and efforts during the 2009-10 school year.

SUSAN RYDELL,
Pioneer Women President 2009-10

KIRK RICHARDSON,
Dads Club President 2009-10

Western Reserve Academy is fortunate to have an active group of parents. The Pioneer Women of Reserve and Dads Club support the school in many ways, including, clockwise from top, helping boarders move in to the dormitories and running the Bicknell Bonanza, Dads Club Giant Family Party and a back-to-school BBQ.
