Brother's compact LED colour printer offers fast, high quality results and increased efficiency with its built-in network capability and large paper tray.

With its high resolution printing, the HL-3040CN delivers consistently professional colour documents and razor-sharp text output in-house. Get fast results and increase your productivity with print speeds of up to 16 pages per minute for mono and colour.

Make your workgroup more efficient by sharing resources and creating synergies: simply connect the HL-3040CN to your existing network for several people to use it simultaneously.

The HL-3040CN requires minimal user intervention with its reliable, compact build and large 250-sheet paper tray. The user-friendly LCD text display gives you easy access to the printer menu.

Cost-saving solutions include toner save mode and separate toners and drum, meaning you only have to replace what has been used. The HL-3040CN's energy efficiency is ENERGY STAR certified, and it has been granted Germany's renowned Blue Angel environmental award for its low noise emission and minimal impact on the environment.

CompactBusinessColours

Compact High Speed Network Colour LED Printer

With impressive, high-speed printing, built-in network capability and a large paper tray, Brother's space-saving HL-3040CN LED colour printer is good for business.

- High resolution printing for professional-quality documents.
- Fast and efficient: print up to 16 pages per minute in mono and colour.
- Add the HL-3040CN to your office network to efficiently share resources.
- Large 250-sheet tray – minimise the time you spend resupplying paper.
- Save money and the environment with ENERGY STAR and Blue Angel certified energy efficiency.

Cost savings

Share resources. Share the HL-3040CN among several users over your existing network for more efficiency and an improved workflow.

Reduce paper and toner use. Reduce 2, 4, 9, 16 or 25 pages onto just one A4 sheet with N-up printing.

Manage print costs. Use the Colour Restriction Tool to bring down your printing costs by centrally managing users' access to colour printing.

Save time

Swift and easy. Printing on thick paper or envelopes is incredibly simple with the HL-3040CN's Straight Paper Path. All you have to do is open a small door at the printer's rear for your special media to exit after printing.

Simply convenient

Professional finish. It's incredibly easy to add a watermark, whether it's a predefined design or a logo of your choice, to your printouts for a professional look.

Get the bigger picture - in-house. For a bigger impact, you can enlarge 1 page to be printed across 4, 9, 16 or 25 A4 sheets with the Poster Printing function in the printer driver.
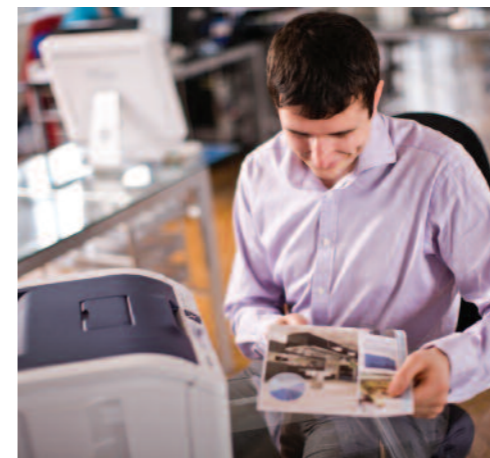

Be safe. Print your most confidential documents, safe in the knowledge that they will remain just that, with Brother's Secure Print feature. It's easy to use: when you're ready to print your document, you enter a private PIN code on your computer, then click the print button. The document will only print after you've physically entered your PIN code at the printer.
