

# Migration impact analyser

**Private and confidential**  
**November 2022**

# Migration impact analyser (MIA)

## Overview

**MIA** empowers organizations to assess and visualize the impact of S/4HANA technical migration on the overall security framework and design, along with the evaluation of emerging access risks

# Migration impact analyser

## Comparison with SAP standard

Feature	SAP standard		S4 HANA MIA*	
	Approach	~analysis efforts	Approach	~analysis efforts
Consolidated view via dashboard	Not available	-	Exists	1-2 weeks in total
Impact on access risks/ruleset	Manual	1-2 weeks	Automated	
Impact on transaction code	Manual	1-2 weeks	Automated	
Impact on roles – transaction code level	Automated	-	Automated	
Impact on roles – Authorisation object level	Manual	2-4 weeks	Automated	
User level impact	Manual	1-2 weeks	Automated	

\* Migration impact analyser comes with proposed remediation actions in comparison to SAP reports which require manual analysis to propose remediation actions

# Deloitte.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) for a more detailed description of DTTL and its member firms.

This material is prepared by Deloitte Touche Tohmatsu India LLP (DTTILLP). This material (including any information contained in it) is intended to provide general information on a particular subject(s) and is not an exhaustive treatment of such subject(s) or a substitute to obtaining professional services or advice. This material may contain information sourced from publicly available information or other third party sources. DTTILLP does not independently verify any such sources and is not responsible for any loss whatsoever caused due to reliance placed on information sourced from such sources. None of DTTILLP, Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the “Deloitte Network”) is, by means of this material, rendering any kind of investment, legal or other professional advice or services. You should seek specific advice of the relevant professional(s) for these kind of services. This material or information is not intended to be relied upon as the sole basis for any decision which may affect you or your business. Before making any decision or taking any action that might affect your personal finances or business, you should consult a qualified professional adviser.

No entity in the Deloitte Network shall be responsible for any loss whatsoever sustained by any person or entity by reason of access to, use of or reliance on, this material. By using this material or any information contained in it, the user accepts this entire notice and terms of use.
