## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### SPACE SPRAY

To control House Flies, Mosquitoes, Hornets, Wasps, Gnats and Small Flying Nests (Buller's): Apply using a good space sprayer adjusted to deliver a fine mist. Close windows and doors and shut off ventilating systems. Direct spray toward upper portions of the enclosure, filling the atmosphere with mist. Use 2 or 3 ounces per 1000 cubic feet of space. For best results, keep areas closed for at least 10 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment as necessary.

### CONTACT SPRAY

To control Cockroaches, Silverfish, Crickets and House Spiders: Spray thoroughly into hiding places particularly in cracks, crevices, moist areas, around openings for plumbing or wiring, under sinks, cabinets, stoves, refrigerators, pellets. Spray insects directly whenever possible. Repeat treatment as necessary.

To control Ants: Spray trails, nests and points of entry. Spray directly on ants whenever possible. Repeat treatment as necessary.

**FARMLANDS:** As an aid in killing Horn and Stable Flies on horses and dogs. Do more than 2 ounces should be sprayed per head. Use as a space spray in stables and cattle barns. Follow space spray directions given above. Use as a contact spray in barn houses by following contact spray directions given above. Spray nesting boxes and perches. Do not spray chickens. Repeat as often as necessary.

**CAUTIONS:** Camping, fishing, hunting. Spray outer clothing and coverings. Repels Flies, Mosquitoes, Midges, Gnats - If sprayed every 15 to 20 minutes and in keeping surroundings free from mosquitoes. If in rare cases skin irritation results, avoid continued contact. Do not pour or spill. Use gear sprayer which will throw a heavy fine mist.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE AND SPILL PRECAUTIONS:** Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

**PESTICIDE DISPOSAL:** Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of at or by an approved waste disposal facility.
